Day 03/16/93

Day 03/18/93
"- My children, I want everyone to participate in My Plan!...
To participate in My Plan, you must first consecrate yourself to My Immaculate Heart. Consecrate Me!... Consecrate everything to Me: your difficulties, your limitations and faults, so that everything is Mine!... Then you must live My Messages and let yourself be guided by My Voice... In then accept Me in their lives and obey the Holy Laws of GOD and the Church...
If you do so, you will participate in My Plan of salvation for humanity, and I will be able to triumph over Satan, and finally, the world will be saved by the Triumph of My Immaculate Heart..."

Day 19/03/93 Day of Saint Joseph, Adoptive Father of Our Lord
"- My dear children, today the Church celebrates the Feast of My Spouse Saint Joseph...
Oh, how faithful Saint Joseph was... I saw Him with LOVE, dedicated to the work and to the Guard of Our Holy Family. I saw him, in his humble, poor and painful work, teaching Jesus his trade as a carpenter...
Joseph's first example is trust in GOD... He did not dare to defame Me, in the face of My Miraculous Pregnancy. He withdrew to himself and gave himself to meditation and prayer, until the Angel of the Lord came and explained the DIVINE Plan to him...
Then he received Me as his Spouse, giving Me LOVE and educating and guarding the Life of Jesus. He was the precious support in Jesus' birth in Bethlehem, in his flight to Egypt and in his loss in the Temple!... No complaints from him, along the way...
Follow the example of Saint Joseph!... Retreat aside to pray and meditate! Only then will they be able to know the Plan that GOD has for each one!...
Imitate Joseph, dedicated worker!... Do all your work with love, however small and insignificant it may be, do it with love, because work done with love moves the Heart of GOD!...
Today, on the Feast of Saint Joseph, My Most Chaste Spouse, I bless you in the Name of the Father... of the Son... and of the Holy Spirit!..."
Second Apparition of this day
"- My son, I'm here again to say that I want you to pray!... pray!... pray!...
Tomorrow will be Thanksgiving... I'll come to you... Why? Because Saturday is consecrated to Me, because it reminds me of the Saturday of My Sorrows...
Pray more! Don't spend the day in exaggerated diversions, but pray more!...
Pray!... Pray!... Pray!...
Behold, the times are coming and the deadline for the conversion of the world is running out! Be on your guard, that time will come and take many at the time you least expect it... Pray!... Do penance!...
I ask My children to look again at Saint Joseph... I am saddened by the parents of the family: the spouses, who hardly have time for their children, for their wives... They do not teach their children to pray, to participate in the Church ,

they don't teach piety, love for GOD... Only bad examples, indifference... (here She interrupted and cried)
Pray!... Pray!.... Hear My Laments, My Tears!...
I bless you, and I look forward to your personal conversion from now on... My Blessing to you all..."

Day 03/20/93
"- My children, contemplate My Immaculate Heart, surrounded by thorns and bleeding for your sins... (started to cry)
Pray and do penance with the intention of making reparation and consoling My Immaculate Heart!... Pray! Only then will My Heart triumph! This TIME is already coming! So pray and continue with the sacrifices...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition of this day
"- My son, pray this Rosary well!...
My children, I ask you to pray, so My Immaculate Heart will rejoice!... I am happy and present in the Rosary that you pray every day!..."
Third Apparition of this day
"- My children, pray for My children slaves of Satan!... He has many slaves, and his prison is the worst of all. It has no walls, because it is an interior prison: that of the Heart...
I want to save all My children!!!...
Pray!... Do penance and accept the sufferings that the Lord sends you, for the conversion of these children!...
Love each other or you will all die of hate!... Fulfill what My Son said: 'Love one another as I have loved you...' Love each other with the LOVE with which Jesus and I love you...
WE bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/21/93
"- My children, in this solemn hour of Grace when you invoke Me, I come to ask you to pray... pray more!...
Did you feel today how much the devil has taken over the world! He even took possession of priests... (he began to cry...) Pray for them... Make sacrifices and penance for them!... Don't judge them, but bless them and pray for them!...
I am the Mystic Rose! I am the Queen of Peace! Do not judge children who do not love Me, who do not accept Me and who curse Me, but... pray for them and beg God's forgiveness for them...
I bless you with LOVE..."

Day 03/22/93
"-My son, as I have told you before, the disturbance comes only from Satan. He tries, through the smallest events of the day, to take away Peace from you and distance you from GOD and Me, who come from Heaven as Queen and Messenger of Peace!...

What I do in Medjugorje is the Work of GOD... Look at Me, who, from there, send you Maternal Messages... Messages full of Peace and filled with LOVE... If they don't welcome them, the punishment that I announce there and here will happen, if they don't convert!...(he said very sadly)
Pray!... Pray!... Pray!... Transmit these Messages to My children as soon as possible, as soon as you speak with priest X...
To all today, I bless you from Fatima, from Medjugorje and from Jacareí... in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/23/93
"- In the midst of the tiredness and fatigue of each day, I come to bring you My Message of Peace!... I wish you to pray for the young people, who are in this sad situation today. I come to you as Messenger and Mediatrix of Peace!. ..
I repeat that the punishment, which I have been warning you from La Sallete, is about to fall quickly, if you don't convert!... I look at Brazil and I am worried about what will become of you... (he was very sad)
I come here in Jacareí, in this least expected place, to the least expected person, to tell them to heed My Supplications. Do not doubt My Manifestations, but believe in Me and what I say to you... Pray!... Pray!... This is what I tell you...
Pray... because the 'days of darkness' will come, if you don't convert... (started to cry...)
But... there will also be the Day of the Triumph of My Immaculate Heart and My Victory over evil!...
Pray, because the Feast of the Annunciation is approaching! Pray!...
I bless you with LOVE in the Name of the Father... of the Son... and of the Holy Spirit...
Pray for sinners and do penance for them..."

Day 03/24/93
"- Mortify yourself, humble yourself for sinners before the Lord!...
I have come to save all My children and to warn you of the evil that will come upon you if you do not convert... (he began to cry...)
Look to Me, the Kind and Loving Mother of Jesus! Look, how beautiful I am, how pure I am, how immaculate I am!...
Look at My Immaculate Heart and see how Beautiful it is!...
So that you too may have a heart similar to that of Jesus and Mine, pray each day like this:
"O Jesus, make my heart beautiful and holy,
loving and humble, as was Your Heart!...
O Mary, make my heart pure, beautiful and immaculate like your Immaculate Heart..."
Ask us like this... and I will obtain for you from Jesus the Grace of a heart like this...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/25/93
Feast of the Annunciation
from the Archangel St. Gabriel to Our Lady
"-My children, look at Me, today, on the Feast of My Annunciation... Today is the day My Goodness answered YES to GOD...
At that moment, I crushed Satan's head, and I overcame his seductive temptation... Hell marveled and trembled when I answered YES to the Lord...
The whole Universe was waiting for My answer: - the souls, the sinners, the Angels , the Archangels, the Seraphim, the ETERNAL FATHER, the ETERNAL Word, and the Holy Spirit...
As soon as I answered YES, the Word of the FATHER, by the STRENGTH and POWER of the Holy Spirit, became incarnate in Me...
I answered YES to the Will of the Lord always!...
HE desires to come to your aid, not according to your will, but... according to HIS Mercy...
Answer yes to YOUR Plan today!... Pray! Pray! Pray to understand the Plan He has for each of you!...
I ask you for the Consecration to My Immaculate Heart....
Today, I, the Mother of the Incarnation, on the day that GOD was intimately united to Me, I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/26/93
"- My child, console Me today!... You feel all My Pain now...
My Immaculate Heart is 'bleeding' because of the sins of the world...(Her Heart was bleeding profusely...)
Console Me!... Console Me!... Console Me!...
Pray!... Pray!... I ask you to pray!... I ask you to pray a lot and fast every Friday, on bread and water, in Honor of the Passion of My DIVINE Son Jesus Christ, and in the intention of the sinful world. Fast!...
The week is approaching when you remember the main Mysteries of the Faith. On Good Friday, when you contemplate My Son hanging from the Cross, be happy and content for having offered Him so many prayers and sacrifices this Lent...
Pray the Rosary! I am sad that you don't pray enough... Pray the Rosary every day! Console Me now!...
I bless you all today, I, Your Sorrowful Mother, bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/27/93
"- My children, love each other and live the LOVE of Jesus!... Read the Gospel and put the Bible in a prominent place in your homes, so that every time you

pass by, you will be able to see it and be encouraged to live the teachings of Jesus...
I ask you to pray every Saturday, especially the Rosary of the Flame of LOVE of My Immaculate Heart!...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/28/93
"- My Son, I understand your feelings... I would like everyone to understand that I did not come to judge, to condemn, but to save all My children...
I am the Mother of Mercy!... I ask you to pray, live My Messages and convert as quickly as possible!...
I bless you all today in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/29/93
"- My children, pray more!... Pray for the Holy Spirit to inflame you with LOVE!... Pray to My Immaculate Heart... He is the Golden Door through which the Holy Spirit comes to you!.. .
I bless you all with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/30/93
"- Tell My children that I want to give you My Heart!... Behold, I present to you today My Immaculate Heart again, which you despise without ceasing, and which today is the Only Way for the salvation of the world...
I have come here, in these days of yours, as a Messenger of Peace, to convey to you the Message of Peace and conversion from the Lord... Do not refuse to accept My LOVE!... Heed My Message and begin to pray...
I wish you all LOVE... and I hope that you will immediately begin to pray, and I give you the Blessing of Peace from My Immaculate Heart..."

April

Day 01/04/93
"- Yes My children, today I am here to tell you to keep praying... Pray, pray even more!...
You pray little, and... for the little you pray, you complain... (pause) Also do penance... Live My Messages, and if you do, you will be the happiest in the end!...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/04/93
"- I want to tell you to continue praying! This year's Holy Week begins tomorrow. Redouble your prayers, redouble your prayers and sacrifices!...

Think of the LOVE that led Jesus to die for you!... Meditate on each Suffering, each Wound, each Humiliation...
Pray and convert!... Leave your sinful lives and believe in LOVE! I will be at your side to help you... Think of Me, Mother of Sorrows, at the side of the Cross, in My Mission as Co-Redeemer of humanity...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/04/93
"- My children, I am here now to tell you that I am the Mother of Mercy, who LOVES, blesses, guards and advises everyone to walk in the path of GOD!...
You, little children, belong to Me, as you were delivered to Me when I was at the foot of the Cross of Jesus... Pray and sacrifice yourselves, therefore, in My Intentions!... Pray to collaborate with My Plans...
I bless you all today, with My Mother's Blessing, in the Name of the Father... of the Son... and of the Holy Spirit..." (12:00 pm, Angelus time)

Day 04/05/93
"- My children, may Jesus be everything to you, and may you meditate again today on Jesus, who suffers and dies for you...
My children, even today, Jesus suffers for you, every time you sin... I beg you: - Convert!... Do not deny this My Motherly Prayer!...
I bless you all with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..." (Holy Monday)

Day 06/04/93
"- My children, today I invite you to look again at Jesus...
There are so many today who live in sin, and who do not value the Sacrifice of 2,000 years ago, and continue to turn their backs on Him and deny Him...
Accept the Cross, because the Cross is LIFE, it converts you and brings you closer to Jesus!... Thank you for making sacrifices!...
I bless you with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..." (Holy Tuesday)

Day 04/07/93
"- My children, I ask you to live LOVE!...
Tomorrow, you celebrate the Institution of the Most Holy Eucharist and the Holy Priesthood... How saddened I am by the lack of LOVE of My children for the Eucharist, and with the Priests who do not live the Holy Vocation they received from GOD...(here She started to cry...)
Pray for these sinful children of Mine... (sobbing...) I hope they convert and make everyone feel My LOVE, everyone...
I bless you today with affection, hoping that no one escapes My LOVE, in the Name of the Father... of the Son... and of the Holy Spirit..." (Wednesday)

Day 08/04/93 Holy Thursday

" - My children, look at LOVE... On the Holy Table, LOVE became Sacrament!... LOVE became Bread!... LOVE made itself ascend to the Cross!...
I ask you to return to adoring God Human with your hearts!... I ask everyone to return to adoring Jesus in the Tabernacle!... See how much Jesus LOVES you, and how much you offend Him!...
Today, on the day of the Institution of the Priesthood, I tell you that I am saddened by the betrayals of priests to their vocation... (here She began to cry...)
I ask priests to seriously and faithfully live their own vocation! I bless the priests, faithful servants of My Son, and I pray for the conversion of sinners...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..." (Holy Thursday - after Communion)
Second Apparition of Holy Thursday
"- My children, you will never be able to appreciate the LOVE that led Jesus to institute the Most Holy Eucharist...
Pray to Jesus in the Tabernacle!... These are 'the times' when I take you to the Tabernacle... Adore Jesus! Have particular LOVE to Jesus in the Tabernacle!...
I ask you to give yourself to others, to transform your families, your groups, into Eucharistic 'altars'...
Be the Messenger Angels of Jesus in the Eucharist! May everyone feel Him in you...
Today, I, the Mother of the Eucharist and of Sorrows, bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 09/04/93 Good Friday

Return to GOD!... You must return to the path of LOVE!...
Today, I received My Mission as the Mother of Humanity... Help Me! It has become very difficult, because many are condemned and few are converted...

In Jesus, ALIVE and TRIUMPHANT of death, His LOVE and My Mother's LOVE shine for all of you!... I wish to lead you to Jesus, His Peace!...
I bless everyone today with the Blessing of My Immaculate Heart..."

Day 04/11/93

"- My children, put your trust in Jesus!... Lean on Him and be absolutely sure that HE IS GOD!... Be happy and in Peace!...
I bless you all today, with the Blessing of the Risen Jesus, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/12/93
"- My children, I come today to remind you of the requests I made in Fatima... If you had answered the requests I made there and in Lourdes, the world would not be in this situation, but... you didn't answer Me...(started to cry...)
I asked for prayer, almost no one prayed... I asked for penance, almost no one did... I, in fact, am the least loved Mother in the universe...
Answer Me!!! Two thousand years ago My Son taught you the way of LOVE, through the Gospel...
The Holy Spirit will come, according to how you allow yourselves to be possessed by HIM!...
I bless you all today with the Blessing of the Risen Jesus, and with the FIRE of the LOVE of the Spirit, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/13/93
"- My son, Medjugorje has many connections with the Gift I gave you (that of Apparitions and Interior Locutions). Everything I say to you here is to confirm what I say in Yugoslavia...
Medjugorje is the continuation and conclusion of Fatima...*
Believe in My Manifestations!... So many times I came here in Brazil, and you did not believe Me... Believe in what I say to you, believe in the communiqué that I bring you from the Lord...
Today I say to you: - "Love one another, as Jesus LOVED you". This sums up the entire Gospel: - LOVE GOD and your neighbor... If you do this, you will find happiness...
Pray!... Ask for the Holy Spirit!... The Holy Spirit is LOVE in Person!! If you have the Spirit, you will be able to LOVE...
I bless you today from Montichiari, where I came as Rosa Mystica, and I bless you with My Solemn Blessing in the Name of the Father... of the Son... and of the Holy Spirit..."
* (Note - Mark): (Later, on many occasions, such as on July 7, 1994, Our Lady would say this about Her Apparitions in Jacareí too, when in an excerpt from the Message she said:
"- Little children... little children... little children!... Since Fatima, I have extended this Holy Work of Mine throughout the world... I am your Dear Mother... I am here today, at this moment, also to bless you. them... and to say that the Apparitions that I have been granting for more than three years in this city, are the continuation and conclusion of Fatima... as well."

Day 04/14/93

"- My children, I ask you today to seriously live LOVE!... Without LOVE, how do you intend to transform the world, and renew it? Give Me your hearts!... Rekindle LOVE in you...
I want to place in you My Flame of LOVE, which I revealed in Eisemberg!...
Ask for the Spirit!... HE, My DIVINE Spouse, wants to fill you with HIS LOVE... HE will inspire you with everything you should do and what Jesus wants from you...
I bless you with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/15/93
"- My children, I ask you today to seriously live LOVE!... Without LOVE, how do you intend to live?
My children, in various parts of the world I grant the sign of My Tears... Through My Images, I show you the horror of your sins. The Tears that flow from My Eyes are also those of Jesus...
The world is in ruins: - abortion, divorce, drugs, personal, social and community sins... I look at your ruin and I cry out to you to convert... (started to cry...)
You don't even pay attention to My Tears, which are PAIN and 'proof of LOVE' for you... Change your lives... I will still cry a lot for the unfaithful world, until the time comes for the TRIUMPH of My Immaculate Heart.. .
When that moment comes, there will be no more Tears, for My enemy will fall, and I will imprison him in hell, again, where he will no longer be able to harm the Earth. Pay attention to My Tears...
I bless you all with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/16/93
"- My children, My Plan of Salvation for the world is Universal!...
Satan is strong, and, through the smallest events of the world, he wants to seduce you to evil...
Men have become perverse, given over to sex, to carnal pleasure... Pride and greed ruin humanity... Angels go into 'agony' when they contemplate the wickedness of men...
I promised you to come to your heart in a stronger way, and I will do this as soon as I send you a messenger!... In My Immaculate Heart innumerable 'thorns' are stuck every time I contemplate this world...
It is a Plan that you still don't understand, but believe in Me!... Pray! Pray! Pray! fast! Do penance! Confess yourselves! Communicate!
Today, I, the Merciful Mother who wants to save everyone, bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/17/93

"- My children, My Plan includes each one of you... I wish to lead humanity along the path of Peace!...
Satan wants to destroy My Plans... Pray, to prevent this...
I am very happy with all those who have helped Me to carry out My Plan and I bless them... Pray even more, especially the Holy Rosary!...
Satan is furious and aggressive, for he knows that he has little time left to reign in the world. This kingdom is made up of him and all those who let themselves be seduced by his power, in impure sex, drugs, carnal pleasures and passions, in the violence that is practiced... and his aggressiveness can be seen in the thousands of divorces it provoked, in the young people it enslaved in sex, in drugs, in the violence that explodes from all sides...
Pray for My TRIUMPH to happen!... If you want the world to be saved, answer these requests that Jesus makes through Me...
Live what Jesus taught you in the Gospel; the Gospel is not to 'decorate' their homes, it is to be read and experienced by everyone!...
Thanks for your prayers...
I bless everyone today, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/18/93
"- My children, I am here today to tell you: - Love each other!... continue to love!... I suffer so much when I see you being despised, offended...
Live My Messages!... I have spoken to you so much, and you do not pay attention to Me...
Know that I LOVE you! It doesn't matter what sins they've committed... I LOVE them!...
Today, I, the Mother of Mercy, bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/19/93
"- Today, I come to you with My Message of Peace... I am the Queen of Peace!... I come as a Messenger of Peace!...
Look at My Immaculate Heart, which is the Fountain of Peace!... From it flows a very pure Fountain of Peace!... Come! Drink from Him! I want to infuse them with My Maternal Peace!...
I bless you all today with the Sacrosanct Blessing of the Father... of the Son... and of the Holy Spirit..."

Day 04/20/93
"- My children, today I call your attention to the Rosary... The Rosary is the 'chain' that connects your hearts to Me. If you don't pray it, how will you be able to feel the Peace I want to give you?
Pray the Rosary every day!... I wish to receive from you every day the Crown of Roses of the Rosary.... You don't know how Sacred and Powerful the Prayer of the Rosary is...

I bless you in prayer... Receive now My Blessing of Peace in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/21/93
"- I love you very much, dear children... I come as QUEEN OF PEACE and I ask you to continue living LOVE... I wish you LOVE and Peace...
I bless you..."

Day 04/22/93
First Appearance of this day
"- My dear children, I want to fail you from True LOVE... LOVE does not translate into conveniences, but... into total donation. on my...
Pray and love yourselves!. . . I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
second apparition
"- My children, I want to talk to you about the sins of the world. I am in agony, because of your sins... (with eyes filled with tears...)
Fast and do penance in reparation for the sins with which GOD is terribly offended... Today, reparation is no longer made!...
Pray the Rosary, because it rises like an 'incense' that appeases the DIVINE Wrath and comforts the Heart of My Son!...
But it's not just that; it is necessary that they confess, that they convert... I don't know what else to do in the face of the hardness of their hearts... I speak... I speak... no one answers Me!... Not even My Tears of Blood touch them. .. (here She interrupted and cried...)
Convert!... The time granted by GOD for conversion is almost over... Convert!... Convert!...

Day 04/23/93
"- May every family have an Image of Me at home!... Decorate It and pray before It!... I will grant great Graces and protect the families that do so...
Read the Gospel! I'm 'sad' that you don't read Him... May He be the center of your meditations...
Pray the Rosary... It is the Gospel meditated on, dialoguing with GOD..."

Day 04/24/93
"- My children, I want to recommend you to pray!... Satan is enraged, trying in every way to lead the Lord's children to perdition...
Exorcise him with the Holy Rosary!... The Rosary is like a scourging for Satan. Protect yourself from him with prayer!... The blessed objects will help you too...
I LOVE them so much! I wish to give you My Peace, which I bring from Heaven... I bless you with the Peace of Heaven..."

Day 04/30/93

"- My children, I LOVE you very much... I ask you to pray for the young people, in this sad situation they are in today...
Pray! Ask God for strength to walk!...
My children, I LOVE you very much... Believe in My LOVE, which I ardently want to give you! Come, give Me your sufferings! I am your mother...
I LOVE you with all My Heart... Thank you for all the prayers and sacrifices..."
second apparition
"- My children, adore the Holy Trinity with your Heart!... Invoke the Holy Spirit, through My Immaculate Heart, like this:
"Come Holy Spirit,
through the Door of the Immaculate Heart of Mary..."
So you will receive him in full fullness... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

May

Day 01/05/93
"- My children, adore the Holy Trinity... Ask for the Holy Spirit!... HE, the Sweet Guest of your souls, wants to act in you and give you HIS STRENGTH... Give yourselves to Him!.. I'm YOUR Wife...
Many ask for the Holy Spirit, but they do not receive it fully, because they do not ask for it through me...
Pray!... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/05/93
" - Dear children, keep wishing for the Holy Spirit!... Today begins the month of May, consecrated to Me...
Redouble your prayers and sacrifices! Multiply the prayers!... I will multiply the Messages that the Lord allows Me to pass on for your good...
I LOVE you and I bless you again..."

Day 02/05/93
(Mark): (The Blessed Virgin told me days before that an Angel would come to speak to Me at that exact moment of prayer. He appeared and said to me:)
(Angel Zathanye, Guardian Angel of Marcos Tadeu) "- My brother, my brother... I'm your Guardian Angel! Know that the Virgin Mary ordered me to keep you always, in every moment of your life... I have the task of helping you to reach HER...
The Lord has mercy on you!...(pause) Let's adore the Holy Trinity... let's sing together a song of worship to the Triune and One GOD..."
(Mark): (Next he invited me to adore the Lord in the Eucharist. I was in the presence of the Blessed Sacrament. We adore GOD in the Blessed Sacrament with the song "So Sublime" and the prayer of the Angel of Peace (My GOD, I believe, I adore, hope and love you; I ask your forgiveness for all those who don't believe, don't adore, don't hope and don't love you) We came back and He told me:)

(Angel Zathanye) "- Get ready! The Holy Virgin Mary will appear to you (in a special way) next Sunday, and on May thirteenth...
Pray, because the enemy will try to stop you!...(in your plans)
Rest in Peace!... Pray a Rosary the day before!..."
(Mark): (On Sunday, the Blessed Virgin appeared in my Heart (in interior vision) She was wearing a white veil, her dress was slightly gray and she wore a Crown of Stars on her Head. During the prayer of the Rosary, she said:)
(Our Lady) "- My son, I take you in My Arms, because you are the Sign of the LOVE that I have for My children...
Convert!... I have been inviting you for so long and you still haven't started to convert! Convert!... Convert!... Convert!..."
(Marcos): (While saying this, he fell to his knees, crying with his hands on his face... then getting up, he said:)
(Our Lady) "- Be converted!... Be converted!... You must be converted!... Begin by improving your LOVE for Jesus in the Eucharist!... See, My son, how He is offended !..."
(Mark): (I saw a Host pierced by a sword, and from the tear, BLOOD was falling into the Chalice that was below IT. I understood all the PAIN of the Eucharistic Heart of Jesus at this moment... Afterwards, Our Lady blessed us wishing Peace, and disappeared, flooding my soul with Your Blessings...)

Day 05/03/93
"- My children, I invite you today to live Peace!... I have been inviting you to Peace for so long and you still haven't started to convert, nor to seek it...
Understand that Peace, sought through Me, is easier to find, for My Immaculate Heart is the Source of Peace...
I am the Queen of Peace! I come as a Messenger of Peace!...
I come to say that without Peace no one will be saved!... If people sought Peace through Me, the world would soon be converted...
I bless you, with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/03/93
"- Dear children, increase prayers, increase sacrifices!... May there be a longer time of prayers...
Satan wants to increase your strength... Pray and convert!... Make a serious decision to walk the road I have outlined for you!...
I bless you all with LOVE..."

Day 05/04/93
"- Dear children, just pray!... About television, I have already told you and confirmed it in several parts of the world: - In Medjugorje, also through Fr. Stéffano Gobbi...
To you again I say: - Television is the idol to which the Apocalypse refers... Through it, Satan wants to be worshiped by all men on earth...

Television is the means he uses to kill family dialogue and family prayer... I ask you to fast from television, dear children! If they had listened to Me, they would have been purer...
If you used the time you dedicate to television, to pray and dialogue as a family, you would already be immersed in GOD, but... as you don't, you are there, like idolaters, deceived...
My children, the sins of sex cry 'vengeance' every day to the Lord... (started to cry...) They incite the DIVINE Wrath to come upon you! Renounce these sins!...
Convert! Turn to GOD!... Prepare yourselves, because soon some may be asked to sacrifice their own lives for the salvation of their brothers and sisters... Children, convert, but come through Me!... I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/05/93
"- Dear children, prayers must be made with the heart... Prayers that are too 'machined', verbally, are not fervent prayers, sometimes... Not that they are not good prayers, that's not it, but they are incomplete. ..
It is necessary that you open yourselves, that you be sincere to GOD... Reflect on what you are praying!... Pray your prayer with your heart, so that it is like a 'river of living water', which flows from within you!...
Little children, pray with your heart!... I have a Mission for each of you... and I want everyone to hear Me. In prayer, you will understand the Plan I have for each one... I, as a Mother of Mercy, visit every heart and invite you to follow Me, towards GOD...
Your Mission, My little son, is to show everyone My Motherly LOVE and My Plans for the Salvation of the world...
I appear in so many places because you resist conversion... This is the reason why I come here and in so many places... Little children, listen to Me!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

I am the Health of the Sick!... I want to cure them of their defects, sins and abnormalities. Give Me your traumas... Pray and follow the path of penance!...
To all, with Mother's LOVE, I bless with healing, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/07/93
"- Dear children, I insist on Peace again today... I am the Queen of Peace!... I wish to give you Peace!...
There is only one Mediator between you and the Father: - Jesus!... but, HE made Me, with Him, Mediatrix of all Graces... HE gave me Peace, to save the

world with it. .. Peace is found in My Maternal Heart... Come and seek it and sow it in your hearts!...
In order to give it, the Lord imposed on Me the condition that you come and look for it in My Immaculate Heart. HE wants you to try too!...
Peace is not really just for Angels, only for Heaven, as many people think. Peace, dear children, makes Heaven come to earth and the Angels of Peace be yourselves. Come, begin by mastering your nature, your geniuses, your difficulties and defects...
Convert your hearts... Convert your lives and your attitudes!...
Children, let's go!... Peace is possible for everyone!... Make the effort!... Don't be afraid!... I LOVE you and I am by your side... I LOVE you very much...
I bless you all today in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord..."

Day 05/08/93
"- My children, I wish to give you Peace... I am very happy for everything you have done for Me. I thank you for your affection, love and prayers...
Dear children, soon I will bring My Graces to you. They will transform you into My obedient Angels, My Messengers... Come, O children, to receive these Graces!...
I am the Queen of Peace!... I am the Messenger of Peace from the Lord!... Come, to be filled with My LOVE!... I wish holiness to all!... there, looking for it ardently!...
I want to bless you with the Solemn Blessing of the Lord, who comes to you, through the FIRE of LOVE of the Holy Spirit, in the Name of the Father... of the Son... and of the Holy Spirit..."

"- My children, I am the Queen of Peace!... From Heaven I came, and in Fatima I appeared to the three little shepherds to teach them the path of prayer, penance and Peace...

Convert! You want Peace for the world, but you don't pray the Rosary!... Pray the Rosary to achieve it!... Pray!...
I repeat to you that many souls go to hell because there is no one to pray and sacrifice for them...
Children, I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/13/93
Feast of Our Lady of Fatima
"- I am the Queen of Peace! I want to give you My Peace!...
Today, My Apparitions began in Fatima... I came from Heaven to teach you to pray, to do penance, to convert your lives...
I bless your sacrifices... I'm so happy for all you've done for Me. Thank you so much... Pray and do penance, because many are still condemned!..."
(Marcos): (After singing with us and praying, he blessed some Images of himself. And he added:)
"- Wherever one of these Images is, I will be with you taking the Graces of the Lord. Each Image will have an Angel accompanying it..."

Day 05/14/93
"- My children, pray!...
You saw Me yesterday, My child, with My Immaculate Heart, beating in the Chest and with the Rosary in My Hands... Yes, My Heart beats with LOVE for you; for those who pray and take My Messages seriously...
You must pray! Next month I will appear to you again (in a special way), My 'angel'...
Prayer groups begin! In the next Messages, I will speak about 'Signs and Warnings' to you, and about 'Punishment'...
Have Peace! I bless you..."

Day 05/15/93
"- My children, I will reveal to you the Signs of your Times... Conversion has become urgent now, because time is running out, and few are those who respond to My Calls...
Convert! Convert! Don't leave your conversion for tomorrow or later! Convert now, now!...
Heed My Motherly Supplications!... I hope for everyone's conversion. (pause) Ask Jesus for priests...
I bless you with the Solemn Blessing of the Lord..."

Day 05/17/93
"- My children, today I want to talk to you about the period of conversion... You know that I promised you a Sign on the Hill of Medjugorje... (on the Hill Podbrdo)
Dear children, this Sign will mark the End of the Battle that your Mother is fighting, and then the Decisive Struggle will begin, many when seeing the Sign

will convert... From all parts of the world, children will run to My Immaculate Heart, through the consecration they will make to Me...
Medjugorje itself is the confirmation of everything I say and promise you. Have confidence, children, and pray!...
Many will still be indifferent to the Sign... Pray that everyone will believe when the Hour comes! Some of you yourselves will increase and deepen your Faith through this Sign...
Rest in the Peace of the Lord..."
second apparition
"- My children, I want to tell you to pray! Satan is trying to hinder Me and he is furious, because he knows that he has little time left to reign in the world... Satan intends to persecute you. Pray!...
The time that GOD has given for conversion is already running out... Come, children!... Come all to Me, who I am the Mother of all of you! Come to My Immaculate Heart, for here you will be protected from the evil influence of Satan! He is only afraid of Me these days...
The conversion times are there. The time for the TRIUMPH of My Immaculate Heart is coming... I have crushed the malicious and cunning head of the serpent, and I will crush it again, obtaining My Greatest VICTORY!...
To all My children I promise again: - Finally, My Immaculate Heart WILL TRIUMPH!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/20/93
"- Dear children, I wish to insist again today on the Rosary... The Rosary is the Golden Key that will open the Heart of Jesus to you, and it is the Chain that connects your Hearts to Me...
Pray the Rosary every day! Pray!...
I LOVE you so much... I bless you with LOVE..."

Day 05/21/93
"- My children, today I show you My Tears of Blood... (I was crying...) They flow painfully from My Eyes... You resist conversion... You don't decide...
There are so many sins in the world!!! Satan desires to destroy everything around him, and everything he can find ahead of him...
You criticize, you judge others... Don't judge, don't condemn your brothers!... Convert yourselves!...
Never, as in these times, have I cried so much for you... If you don't convert, there will be a Great Punishment to correct you... Pray the Rosary, a lot!...
I bless you..."

Day 05/22/93
"- Dear children, today I want to invite you to LOVE... LOVE... LOVE synthesized the whole Life of Jesus and My earthly Life, here...
LOVE, dear children, will be the only chance for you to plant Peace in the world... Look, dear children, for the LOVE of GOD!... The LOVE of GOD will be your reason for living... Dear children, look for him! Long live it!...

I am the Queen of Peace!... I am the Dawn that arises Glorious!... I am the Announcement of the Great Day of the Lord!!!...
I bless you all in the search for the LOVE of GOD. . . Receive the Blessing of the Most High GOD in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/23/93
"- My son, look at Me, how I came to Paris... (Our Lady of Graces) See, how Beautiful I Am!... From top to bottom, in My Soul and in My Body there is no stain or defect! I'm Pure!...
Look, children, below My Feet: - Look at the perverse serpent that wants to destroy the Earth...
Graces rain down on you from My Hands, but... the serpent rejoices, seeing you waste God's Graces with sin, and thus end up serving Satan's purposes...
The serpent is a figure of Satan, who first destroyed Adam and Eve, and now wants to destroy all men...
Come, O children!... Fear nothing!... I am with you every day and I protect you...
I have defeated Satan so many times. I have to beat him one more time...
When the TRIUMPH of My Immaculate Heart arrives, I will conquer it once and for all. Then he will no longer harm the Earth...
Keep praying the Rosary to defeat this petty enemy, who first imprisons you, demanding all your human strength in service, and then throws you into Hell, eternally...
The Rosary will be the Sign that you belong to Me, and then it can do nothing against you... (pause) I bless you... Thank you for your prayers. Rest in the Peace of the Lord!..."

Day 05/24/93

I come to announce the terrible battle that will be fought between Heaven and Earth... Enlist in My Army now, through your personal Consecration to My Immaculate Heart!...
I say to them: - Pray!... Pray!... Pray!... Pray!...
Convert yourselves!... Convert yourselves!... Confess yourselves!...
During these days I will give Messages on the Signs and on the Consecration to My Immaculate Heart...
Rest in the Peace of the Lord!..."

Day 05/25/93
"- My children, Heaven is Jesus!... When you understand who Jesus is, you will understand what Heaven is...
Heaven... Heaven... How few people think about Heaven today... Everyone is too preoccupied with television, with pleasures, with entertainment, with work and with too many tasks to think about Heaven. ..

I am here in Heaven, in Body and Soul, Glorified... There were Saints who didn't arrive here directly, because they didn't want Him enough...
How many children, repentant sinners, have I brought here, under My Mantle...
You, dear children, ardently desire Heaven!... May Heaven be the 'precious pearl', for the sake of which you give your all, face all the Cross, suffering and thorns of their lives...
Here, you will rest eternally in My Lap... I wait for you Here, oh children, do your part!... I am the Door of Heaven always open...
I bless you..."

Day 05/26/93

Return to GOD, dear children! Only in GOD is True Peace found... Children, My Signs will increase according to the urgency of My Plan...
Pray the Rosary! Keep on praying always!... I bless you all... Rest in the Peace of the Lord!..."

Rest in the Peace of the Lord!..."

Day 05/30/93
"- Dear children, I ask you to open yourselves to GOD, as flowers open to the Sun!... If you do not open yourselves, you will be closed to LOVE, and then you will feel everything that is bad and that belongs to Satan: - fear, uncertainty, despair, depression...
Therefore, dear children, open yourselves to GOD through prayer!... For some time now I have been announcing to you a Punishment that will come if you do not convert. I am distressed, because few convert... (when he spoke he had a sad face...)
Convert! Open yourselves to GOD! I am with you and I bless your efforts to be converted... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 05/31/93
"- I am so beautiful, because I was chosen to be the Mother of GOD... I am so Holy, Pure, Beautiful... by the Grace of GOD...

You must seek holiness, strive to find it!... I sought it ardently. You should look for it too...
Ask for the Holy Spirit!... If you have Him, you will have the Fullness of Grace and Holiness!..."

June

Day 02/06/93
"- My children, I want to tell you to pray!... Don't make prayer a moment of distraction!
In these times, I need a lot of prayer from you! May prayer be the 'fountain of living water' ardently desired, like an oasis they seek in a desert...
I ask that the practice of the Trecenas to Me, Maria Rosa Mística be spread everywhere!...(The Trecenas are thirteen days of prayer for the Rosary and the Rosary of Tears of Blood to Our Lady) I renew the promises I made to Pierina Gilli, in Montichiari. I promise Big Thanks to everyone who makes it...
Satan is proud, because he thinks that the world is all his, but... GOD will win in the end, and will lock him in the infernal prison forever...
Therefore, pray... pray... pray a lot, My children!... Pray the Holy Rosary above all... I LOVE with special affection those who pray it and teach you to pray... Fall in love with the Eucharist and be the messengers of his Peace!... May the Rosary be an unfailing bread for you every day...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/06/93
"- My son, you must lower yourself even more... Be more humble! Fast and do penance! You don't know how much I LOVE you!... You were chosen by Myself, the Mother of GOD, to take a Very important and difficult mission... Don't be afraid to present yourself as My Messenger, you really are!...
I will provoke desire in souls, and I will provoke everyone with My Messages... I am Maria Rosa Mystic!...I am Mystic, for I LIVE in the depths of GOD; I am Rose, for I was woven and decorated with all the 'privileges' and GIFTS of the Lord...
I wish in you always a greater and greater holiness. Desire holiness, dear children!... The first step of holiness is to desire it. Those who do not desire it will not possess it... Desire and seek, for all the GIFTS will be granted to you in addition: - purity, humility, goodness, fortitude, temperance, fear of GOD...
I call your attention to prayer, especially the Rosary. Those who do not pray it will not be easily sanctified. Pray it, because it is a prayer that leads to humility, simplicity and charity, because it is a simple, humble and trusting prayer! Thank you for everything...

Day 06/06/93
"- My children, I am the Queen of Peace!... From Heaven I come to bring you Messages of Peace and LOVE...
My children, I wish to touch the hearts of people (young people) for the priestly and religious vocation. I need souls that help Me, hands that help Me to plant the KINGDOM of Jesus in the World: - My KINGDOM!... Pray the Rosary with this intention, because it is through the Rosary that the Lord, through Me, touches in the hearts of men...
Thank you for fulfilling My Requests... I bless you in the Name of the Father... of the Son... and of the Holy Spirit...."

Day 06/08/93

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/09/93
"- My Son, I invite you to the perfect praise of the Lord... My children, I invite you to respond to My Requests, because I speak to you with an afflicted Heart, worried about your future... (I was with the Sad look)
I have manifested Myself in many, in so many places in the world, and sent Messages and Warnings to humanity, but... almost all of them are denied and try to cover up and ridicule My Mother's Voice...
My children, I call you! I invite you! Come!... Pray!... Fast!... Pray the Rosary every day!...
I bless you with LOVE!..."

Day 06/10/93
Corpus Christi Feast

"- Today, Feast of the Body of GOD, I come to talk to you about the Eucharist... I tell you this Message with a saddened Heart... (I was crying...) I am hurt, crying Tears of BLOOD, because of the lack of LOVE that men have for Jesus in the Eucharist...
The Eucharist, that is, My Son Jesus, must be loved, glorified, adored and desired in the Eucharist!... I am the Mother of the Eucharist!...
I come in the Name of the Lord, once again, to give you these warnings. When the Angel of Peace, My Messenger, was sent to Fatima, he appeared to the three little shepherds and taught them the following prayer:
"Most Holy Trinity, Father, Son and Holy Spirit, I adore you deeply... I offer you the Most Precious Body, Blood, Soul and Divinity of Our Lord Jesus Christ, present in all the Tabernacles of the Earth, in reparation for the outrages, blasphemies, sacrileges and indifference with which he himself is offended...
I ask you, through the infinite merits of Her Most Holy Heart, and through the intercession of the Immaculate Heart of Mary, the conversion of all poor sinners...
My GOD, I believe, adore, hope and love You... I ask Your forgiveness for all those who do not believe, do not adore, do not hope and do not love You!..."
You must pray this prayer every day. Jesus is very offended in this Sacrament.... Jesus is in the Tabernacle for LOVE for you... Visit Him!... LOVE Jesus!... Pray this prayer in front of the Tabernacle, and when communing...
These are the times when the Holy Spirit will gather My children all at the foot of the Tabernacle.... There, I will educate My Mighty Army... Come, children, everyone, and pray!... Thank you for your correspondence... Convert!...
I bless you with LOVE... in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/13/93
Church of San Sebastian

I am the Queen of Peace!... You will only have Peace if you turn to GOD!... Convert yourselves!...
I LOVE you, and I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
(Observation - Marcos):(In Louveira-SP, in the Church of São Sebastião, an Image of Our Lady Rosa Mystique cried 68 times in the presence of thousands of pilgrims, everyone witnessed it!

This phenomenon occurred until the new local Bishop collected the Miraculous Image, and ended the movement of pilgrims and mass conversions that took place there.
However, those who went there will never forget the Tenderness and LOVE of Our Lady manifested by Her Tears, which healed countless, and converted many more and freed them from sins and vices)

Day 06/14/93
"- I want to communicate to you the Pains of My Immaculate Heart... (with an afflicted face...) With what Pain I contemplate My children, trapped in the mud of impure sin... This horrible and fetid mud submerges everyone , everyone sinks and makes them fall into eternal fire...
I reveal to you that hell is full of souls that allow themselves to be dragged by impure sin!... (Here She cries...) What Pain!... So much Pain!... Pain that I experience when I see My children condemning himself!...
O children, pray!... Pray the Rosary in reparation for these sins!... Also use the Green Scapular as I taught you and 'brought' it in Montichiari... Thank you for answering these My Requests!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/16/93
"- My children, today I wish to communicate My Maternal Pain to you again!... Your sins pierce My Immaculate Heart... Renounce sin!... Do not, dear children, make Me cry more Tears of BLOOD for I only ask you to convert...
Until they understand that the peace and happiness they seek are in God, they will not find them...
Pray!... Convert!... or the punishment that will come will drag you with it... Thank you for responding to Me...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/17/93
"- My children, I came to Italy, to Montichiari, to call your attention to LOVE!... My children, everything I asked for there, I ask you to live!... The Messages I gave there, haven't touched them yet...
I am Maria Rosa Mística!... Long live the Messages of the Roses of My Chest!...
Prayer, which is necessary to bring them closer to GOD and make them live as He wants...
Sacrifice, because without it there is no Victory... Offer sacrifices daily to My Immaculate Heart, so that I can offer them to the Father...

Pray and live My Advice!... Pray the Rosary of Tears of BLOOD every day!... (this Rosary was taught by Our Lady Rosa Mystica and can be found at the end of this book) Thank you for all your correspondence. ..
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/18/93
Feast of the Sacred Heart of Jesus
"- Dear children, look today at the LOVE that burns in the affable Heart of Jesus.. Look how this Heart LOVES you and how much you pay HIM with outrages and ingratitude...
My children, I want to take you to this Jesus... Remember what He said to you: "Come to Me, all you who are weary, and I will give you rest, for My yoke is easy and My burden is light." ..." Jesus wants to heal them, comfort them and give them peace. Surrender yourselves to Him through Me...
Jesus is saddened by your sins... Take up the habit of taking communion every first Friday of the month in honor of the Sacred Heart of Jesus, and of making a special consecration or prayer to Him every Friday. .
Have in your homes an Image of HIM and of My Immaculate Heart, in a prominent place...
Thank you, My little children, for your correspondence to My Appeal... I bless you with the Sacrosanct Blessing of the Sacred Heart of Jesus, in the Name of the Father... of the Son... and of the Holy Spirit..."

I bless you all with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/24/93
"- My children, you are too attached to material things... Luxury, power, technology are imprisoning you...
You can no longer see the beauty of GOD in simple things: in the birds, which sing of LOVE and the joy of life... in the plants, which breathe the softness of creation... in the crystalline waters, which mirror the Infinite Goodness of GOD...
Because of the power you destroy that beautiful nature that GOD has given you, and that speaks so much of His Mercy... Pray, to understand the value of simple things...
Fast, dear children, to be free from all pride, from all ambition. I tell you again: only in GOD is Peace and Happiness found... If you want Peace, come to Me, to My Immaculate Heart: - From it flows an Immaculate Fountain of Peace!
I bless you all with the Blessing of the Peace of the Lord..."

Day 06/26/93

Day on which the Rosary of the Eucharist was 'revealed'

(In the introduction to the Book is the full account of how Our Lady taught this Rosary. This part has been omitted here so as not to become repetitive.)
"- Pray!... Pray a lot!... Pray the Holy Rosary!... Also pray the Eucharistic Rosary, which I have just taught you...

Dear little children, pray!... Pray!... Pray!... Pray!... Pray!...

(Observation - Marcos): (The Mystic Rose trecena is made up of thirteen days of Marian prayers, the Rosary of BLOOD Tears, Litanies of Our Lady, Prayers of Compensation and special sacrifices.
The prayers must be made before an Image of this Madonna, that is, of the Lady Rosa Mystica. When these prayers were made in Jacareí, Our Lady welcomed, accepted and received them, with great pleasure and contentment)

Day 05/07/93
First Appearance of this day
"- My children, today I wish to reveal My Maternal Plans to you... I have many Plans to save the world... I need your help, and for that I ask you to consecrate yourselves to My Immaculate Heart!...
Come to My Immaculate Heart, children!... This is the 'safe refuge' that the Mother of Heaven offers you!...
Here, they will be protected and kept...
Here, everything that is bad and bad in you will be burned!... I will rip out anything bad that exists in your hearts and I will lead you to complete LOVE... I will destroy everything in you that is an obstacle on the path of LOVE !...

second apparition
"- My dear children, get out of the slavery of spiritism!... Free yourselves!... Free yourselves!... Dear children, stop following the false ideologies of spiritism!!! These gods are not true, they are evil spirits that are using them and deceiving them...
Come to Jesus, My children, who is your GOD, and who out of LOVE for you would make Paradise again!...
Come to Me, children, I LOVE you so much... You are in a prison where Satan watches you without ceasing, day and night... Satan wants to destroy you! Get out of these horrible chains and come to LIFE, to LOVE, to Blessing... Wake up from sleep and convert!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/06/93
(Marcos): (On this day, the Blessed Virgin Mary, Queen and Messenger of Peace, appeared in Jacareí and remained for more than 40 minutes. Holding her Rosary of 'shining beads' in her Hands, she prayed the Sorrowful Mysteries with me, meditating on the Mysteries and praying the prayers of the Holy Rosary, except for the Hail Marys. She meditated them like this :)
First Sorrowful Mystery
Agony of Jesus in the Garden
"- Behold My Son Jesus who, in the garden, immersed in a deep agony, 'his' Blood for each of you... He was betrayed, disowned and abandoned... Convert!... Convert!... My children, change your lives and follow the path of LOVE!... Renounce Satan and all that is his...
Convert!... This is My Request..."
Second Sorrowful Mystery
scourging of Jesus
"- Behold Jesus, who, tied to the pillar, is 'scourged'... His body was torn apart by the blows... My children, Jesus suffered this martyrdom for LOVE for you! He suffered this way, to atone for the sins committed against the sanctity of their bodies...
Renounce prostitution, renounce impure sins!... Convert and be pure! Get out of this 'fetid mud'!... Purify yourselves in the Holy Spirit... Keep praying!..."

Third Sorrowful Mystery
Crowning of Thorns of Jesus
"- Behold, Jesus is 'crowned with thorns', My children... From His Head flow 'rivers' of Blood... He no longer has a human appearance... Behold the Man!... Pilate said, looking at the crowd ...
Behold, children, 'the Man' who saved you and wants to make you happy... Behold 'the Man' who suffered so much for you, and wants to give you Peace... Behold 'the Man', before whom will be judged, living and dead, all the men of the world... My children, behold the Man!... Behold, children, the True KING of you..."

Sorrowful Mystery Room
Jesus carries the cross
"- Here is My Son Jesus, who carries an enormous Cross, on the way to Calvary... Behold, He falls under the enormous weight of the Cross... I approach Him... My Presence was for Him security, LOVE, breath, in the midst of a 'sea of Sorrows'... and HE continued the way of the Cross...
Children, on your crosses, know that I am present. Trust in My deep and Maternal LOVE!... I LOVE you immensely, and I want to help you with your cross...
Pray!... I will pray with you!..."
Fifth Sorrowful Mystery
Crucifixion and ignominious death of Jesus
"- My children, behold, the 'Son of Man' is lifted from the Earth... From the top of the Cross, he says: "Woman, behold your son... Son, behold your Mother..." From that moment on henceforth I became the Mother of you all...

'The veil of the Temple was torn'... May the veil that covers your eyes, and that prevents you from seeing the LIGHT, also be torn apart... Convert yourselves!... Open your eyes, and see the LOVE of GOD...
The Holy Spirit and I want to guide you! Pray the Rosary incessantly!... Beg!... Intercede!... This is the time when the Spirit and I bring forth 'sprouts of holiness' everywhere...
There will be a Pentecost 'on a world scale', which will shake the whole face of the Earth, converting and burning everything and everyone with LOVE... They will know everything!... and everyone will experience a LOVE and 'holiness' as great as the face of Earth has never seen..."
(Marcos): (At the end of the Rosary, Our Lady, when saying goodbye, said:)
"- Pray!... Pray!... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/07/93
"- Pray!... Pray!... Abandon yourselves to GOD and consecrate yourselves to Me... I am here to make you happy!..."

Day 07/08/93
"- 'Whoever is not born again of WATER and of the Spirit will not enter the Kingdom of GOD. You must be born again.' (Jn 3,5-7) My Son said to Nicodemus...
My children, today it is necessary for you to be born again, through a deep conversion to the Lord... Ask the Holy Spirit to pour Himself into you and to cleanse you from all sin...
My children, enjoy these days of profound Graces and beg the Gifts of the Holy Spirit for you. I will pray for you...
Confess yourselves to be purified from your sins... I accompany you in praying the Rosary with you...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/09/93
" - My children, today I want to tell you to pray... Pray, because Satan wants to destroy everything and everyone. You, dear children, must pray to expel Satan from close to your hearts. right now...
My children, pray the Holy Rosary every day, asking that Satan be thrown into hell again... Fast and do penance in this intention!... Make the cross many times and the Sign of the Cross with Holy Water. Keep blessed images and objects at home, so that you can protect yourselves with prayer from the tempting attacks of Satan...
But trust!... In the end, My Immaculate Heart will TRIUMPH. Trust!... New Heavens and New Earth will arrive...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."
* (Observation - Mark): (Crossing oneself consists of tracing three small Crosses, with the right thumb, one on the forehead, another on the lips, and the third on the heart, pronouncing the formula of the Prayer that teaches the

Holy Catholic Church: BY THE SIGN OF THE HOLY CROSS, / GOD, OUR LORD, / FROM OUR ENEMIES.

Day 07/10/93
" - My children, today I am very happy that you have come here, in such great numbers. I bless you all...
I bless from the children who enchanted Me with their candor... I bless the young people who are here and who have left many pleasures and amusements and are here, united with Me in prayer...
I bless all of you who sacrifice, who give yourself, to answer My invitation to be here...
Look at My Heart: - It is so happy that it is about to explode with LOVE... My Heart's Flame of LOVE will do 'wonders' in you; just answer me YES!...
It won't be long before I start My Falange here in Jacareí... I ask you to answer Me YES!... We will conquer evil and hate!...
The reward of My children who make the Cenacles, they will have when the TRIUMPH of My Immaculate Heart arrives, and when they are in Heaven with Me. Thanks!...

This Army, if it remains faithful, will be led to the TRIUMPH of My Immaculate Heart ...Jesus is about to pour out HIS LOVE on you...
From now on, the STRENGTH of your Mother's Heart will be manifested even more to save the world. I will save this perverted and cruel world and make it flooded with Graces! I WILL WIN, but... I still need a lot of prayer from you... Pray the Rosary!... Do penance for these intentions!...

My children, I also have patience with you... whoever cannot do the entire fast, start with renunciations, until he manages to do it completely... However, fasting cannot be replaced by prayer!... I wish that you make more effort in the intention of doing this fast...
Again I repeat My desperate Appeal, with Sorrowful Tears: - Fast on bread and water on Wednesdays and Fridays!... I myself have always fasted twice a week, as prescribed by the Mosaic Law, in my childhood, in my youth, in my youth and for a lifetime spent with My Son and also later, with the Holy Apostles, to glorify the Lord and be able to be even more obedient to His Plans...
Jesus wants to work miracles in you and for you, using your fasting!... Fast and pray the Rosary every day...

Pray!... Pray the Rosary every day for My sinful children... Today, only through the Rosary will I be able to save the World... (pause)
I also wish to thank all those who pray the Holy Rosary every day, and teach My children to say it... May the Blessing of the Lord descend on these My children, for they are collaborating for the TRIUMPH of My Immaculate Heart...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/02/93
"- I want to talk to you today about the Holy Father... the Pope... He is My First Favorite Son...
Pray for the Pope, dear children!... The Pope needs your prayers, dear children!... He carries a huge Cross today... He is offended, despised by many, and ridiculed... The other sects intend to unite and try to destroy Christian doctrine! It's the new age of Lucifer!...
They will attempt against the life of the Holy Father... Pope John Paul II is in great danger... Pray for him, My children!... He, in fact, must ascend His Calvary... After I welcome His Sacrifice, your Mother will have in her Hands 'certain strength' to defeat the enemy... It will be at that moment that everything will be fulfilled... Pray and trust!... Offerings of Rosaries, Masses for the Pope's intention... are Mine burning desire!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/02/93
"- I am the Queen and Messenger of Peace!... I come to bring to all My children a Message of Peace and Hope... People are amazed that I am appearing in so many places in the world, especially with the Name of Queen of Peace...
No, dear children... it is the Mother who descends to Earth, so that all the children that Jesus redeemed may be saved... You want Peace, but... you have forgotten that Peace is in GOD!.. If you don't convert and don't return to GOD, you will never have true Peace...

"- I am the Mother and Queen of Brazil!... This Country was consecrated to Me a long time ago, but... it is still far from My Heart because of its lack of LOVE... My Immaculate Heart will pour out My Call of LOVE in this Country!!!...

I see a lot of error here: - thousands of My innocent children, dying of hunger without even having enough to live a human life... Many die without having anything, the least help... There are those who have too much and don't share anything with the brothers in need...
Convert!... Many times I came to give messages here in Brazil, and you didn't pay attention... I will call more and more the attention of My children to My Appeals...
I will crush Satan's head, he will writhe like a serpent, but... he will be defeated by My LOVE... I will always continue to insist on you: - I am the Queen of Peace!... I am the Mother of all My Brazilian children...

I LOVE them with an ever greater LOVE, but... just as they are extremely LOVED by Me, they are terribly persecuted by My enemy: - Satan... Pray a lot for priests!...
In the Apocalypse, GOD showed that a large part of the stars of the firmament would be brought down by the dragon... Today, thousands of souls of priests and consecrated persons were thrown down from the firmament of the Church, for the most shameful thing in the world: - impure sin. .. but, I do not condemn these children: I only suffer for them, and I pray for their conversion...
Pray; do not judge the priests when you see something wrong with them; pray for them!... Promote the Siege of Jericho, it will help the priests a lot...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Already in the book of Genesis I was prophesied with the words: "I will put enmity between you and the woman, between your offspring and hers..."From that moment, war was declared between Me and the serpent...(Satan) I crushed her head with My YES, at the moment of the Annunciation, and I will crush her again, in the TRIUMPH of My Immaculate Heart!...
I will penetrate all the Churches and I will remove the cobwebs from the Sacred utensils!... The Liturgical Feasts, which are now forgotten, will once again be celebrated with all piety in the Church... Above all, the Feasts of Jesus will be celebrated! ... I will come to ask that the Parties:
– of the Transfiguration of the Lord,
– of the day of the Beatitudes,
– of Ascension,
– Corpus Christi (still celebrated, but worthy of even greater commitment)

...be celebrated with unusual fervor, and may those already celebrated be raised to the heights of perfection!...
At the time of the TRIUMPH of My Immaculate Heart, the Corpus Christi Processions will be made up of thousands and thousands of faithful who, crying, will ask Jesus to accept them and take them completely for HIM... They will fall in love with the Eucharistic Heart of Jesus and will be fervent in their LOVE!...
I will come to ask that My Feasts of the Annunciation, Assumption, My Birthday (August 5th), Lourdes, Rosa Mystica, Immaculate Conception and other Feasts that I LOVE so much be celebrated with fervent LOVE!... The Saints will be celebrated with Honor in Fervent and vibrant celebrations!...
The Holy Spirit will give you HIS Gifts... Open yourselves to GOD!... Open yourselves as the flowers open in spring, and the Holy Spirit, like 'Heavenly hummingbird', will give you HIS GIFTS in a passionate kiss of LOVE...
I will pour My Flame of LOVE over men, and the Church will be clothed with a fervor never seen on Earth... All those who oppose Me will be defeated by Jesus...
You will become fervent Apostles! but... for that, it is necessary that they pray a lot... Sacrifice themselves... Fast...
And in the Name of the Most Holy Trinity, who made Heaven, Earth, the Sea, and everything that exists, I proclaim to you: - Finally, My Immaculate Heart will TRIUMPH!...
And today, on the celebration of the 2009th anniversary of your Heavenly Mother's existence, I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/08/93
"- My children, today I am happy to see you so numerous in this Chapel... I thank you... Soon I will show all My Mercy...
I give you, children, My Messages with a Mother's affliction... Heed My Messages, children, for I give them with an afflicted Heart... I come from Heaven, once again, to show you the Way that leads bye...
My children, pray!... pray!... Pray a lot for the world!... Pray the Rosary every day with 'living' Faith in Jesus and in Me!... I am the Lady of the Rosary!.. From Heaven I come to teach you how to pray... Pray, fast!...
Children, open your hearts to GOD, through sincere conversion to HIM..."
(Marcos): (Looking at the 130 people present, he said:)
"- I bless you all, in the Name of the Father... of the Son... and of the Holy Spirit... My children, pray with justice!... You ask me many things, children; few ask the Holy Spirit!. ..
My children, so that you can make good use of this time of special Graces, pray!... pray!... I still descend to Earth to help you to LOVE... Pray!... Pray!... Pray! ... Pray!..."

second apparition
"- My children, I see a great evil in you: - be careful, children, with greed!... You just want to have, want, be able to possess everything; you worry about money, money and more money...

Watch out, children! Wake up from this sleep of materialism, greed and sin!... Pray!... You do not worry about your eternal future... Worry first about your souls!!! What good is it for a man to gain the whole world if he loses his soul? Let go of the things of the Earth!... Look at the spiritual goods that don't pass...
Children, your hearts were made just for Jesus... I want to give you pure and immaculate to Jesus, but... I need you to hear Me and allow Me!... I can't, I don't want to... their hearts... I prefer that they open themselves...
I come from Heaven, Full of Graces... I am the Queen of Peace!... I am the Messenger of Peace and Mother of the Church!... These Messages, which I communicate with an afflicted Heart, must be welcomed by all as soon as possible and with great urgency!... Children, look at your Mother, look at My Heart... (He showed His Immaculate Heart) When the Almighty Father sent Me here, I came with the greatest good will.. .
Pray, My children!... Pray a lot for the conversion of poor sinners and those who are far from the Lord!... Convert!... Expel evil from your hearts and decide to walk the path of True LOVE !...
Children, I LOVE you immensely... From the bottom of My Immaculate Heart, I thank you for all the correspondence to My Mother Projects!... Respond more and more to My numerous calls to Mother!...
I am the Woman Clothed in the Sun!... I have the task of defeating My enemy, taking from him what he has conquered and giving it back to Jesus... Look at My Immaculate Light, and follow it, it will lead you to Jesus...
Children, I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/10/93

Day 08/11/93
"- My children, I am the Mother of Pure LOVE... I am the Mother of Grace!... Don't worry about difficulties... Don't be carried away by difficulties and adversity!...
Dear children, pray for all those who do not understand My LOVE... Children, do not be discouraged! I will be with you... always... always... always... Let's pray for the children who do not understand Me, and not judge them, condemn them...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/12/93
"- My children, I come to beg you to pray! Pray more and more for sinners!... Children, I am already exhausted from telling you to convert... Beloved children of My Heart, today I rebuke you maternally... You want to live without being

committed to Christian practices. You say: - Why fast? Why pray the Rosary? Why live the Messages?
O children, if you do not understand, I make it clear to you now: - My Messages are not Dogmas of Faith, nor another Gospel... They are a repetition of the Gospel! They lead to the Gospel!... I cannot force you to believe in the Messages, even though I am here in Jacareí, so I ask you to open your Heart so that you understand what I want to communicate to you... with LOVE.. .
Some are doubting My Manifestations... O children, I come to Earth by Order of My Lord to help you, console you, encourage you in this very hard journey towards GOD...
You say, "Me, stop watching the soap opera to pray with the family? Me, stop going to the dance to stay in worship? No way!" O children, pray as a family!... Pray with the Heart!... Many think about praying after watching soap operas; it's wrong!!! It is impossible for anyone to pray well in these cases... Satan brings back in their minds and hearts everything they saw before. Renounce TV filth!... Satan wants to control you through TV!!! She introduces them to these filthy seductions through other programs...
Wake up!!!... Open your eyes, My children!!!... Leave the lack of faith!!! I cannot heal. Only GOD can do it... I will ask, I will intercede, but... you are excited, convert!... Pray!... If you don't pray, no grace will be granted you... You are leaving My Son Jesus abandoned in the Tabernacle... Love Him!... Seek Jesus in the Blessed Sacrament... Do not take communion in sin!!! Be faithful!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/13/93
At the close of the Siege of Jericho
"- Today, as I never cried with Pain, I cry with Joy... (pause) I called everyone here myself... I myself will overcome everything that is not of GOD, nor does it belong to Him... I am the one who received it. of GOD the Mission to defeat the infernal serpent...

Pray!... Pray!... Pray!... Pray the Rosary every day!... Fast!... Sacrifice yourselves for sinners!...
Thank you, children!... I am very happy with you!... I bless you... The Angels of the Lord are now descending from Heaven to heal and help you. . .
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
(Marcos): (Our Lady gave this Message after the Eucharistic Communion, in the Church of São João Batista, in Jacareí. She was dressed in very shiny gold. Her eyes, shallow with Tears of white Light, as if they were the color of neon light. I cried with joy.
He blessed the 2,000 children present that day. It was a Friday; among those present, several people converted by Our Lady. "The Lord has done wonders for us, Holy is His Name!...")

Day 08/14/93

second apparition
"- Pray a lot!... Satan's strength tends to increase, since you don't pray... O children, change your lives!... I need your conversion... Convert!... I bless... Be in Peace!..."

Day 08/17/93
"- I'm tired of calling men to conversion... I have come down from Heaven so many times, and the world has not yet accepted My Invitation...
I want this city to be excited in such a way that it makes this place, sanctified by My Presence, a Sign and Example to other cities. How I see your sick city... How many discotheques, dance clubs, places of public desecration, where Satan shouts: "victory"... How many pornographic magazines and so many other crimes...
How can they fail to participate in the Mass? How can they come, unwillingly, or just to see others, how they are dressed?... "Whoever eats My Body and drinks My Blood lives in Me and I in him, and will not die eternally..." That's right. means that those who do not eat the Body of Jesus at Mass will not live eternally, that is, they are condemned!!!...
Pray!... Only prayer can save the world. Your useless discussions have achieved nothing so far... It is GOD who converts, not you!... Pray, because GOD wants your prayers to save you...
I am the Queen of Peace!... I am the Queen (of Jacareí), believe me!!!... I am your Mother!... It is I myself who come here!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/18/93
"- My children, I thank you for your sacrifices and prayers... My children, come more and more to My Immaculate Heart!...
Children, Peace is not only the absence of wars, but also frequent participation in the Sacraments, deep prayer, the experience of LOVE... Imitate Me,

because I have always had Peace!... I have always served My brother ...
Children, love one another and you will have Peace in your hearts...
Children, look inside My Heart... What do you see in it? Yes, the LOVE of a Mother and the Peace of those who have always served the Lord... Come to Me, children!...
Do what My Son Jesus taught you: - Seek sanctification!... I am the Immaculate Conception... Come to Me, I am the Queen of Holiness!... (pause) I bless you with Peace.. ."
second apparition
" - Children, convert! convert!... I will help those who want to sanctify themselves... I am the Star that guides everyone to Jesus, to GOD... My Son Jesus is the Sublime Example of Holiness ... Imitate Me! Imitate My Son, and you will be cured of every spiritual illness!...
Pray!... Pray!... Pray!... Do penance for sinners!... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/19/93
"- My children, pray!... Pray!... Pray!... Convert!... Heed My Mother's embittered Voice... Heed My insistent Calls, My children! Convert! ... Convert!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/20/93
For the groups and movements of the Holy Church
"- Praised be our Lord Jesus Christ!..."
(Marcos) "- Forever be praised!..."
"- My children, I want to talk to you about a serious danger today: - My Church is running a very serious risk that prayer will be suppressed due to social and political polemics...
Meditation on the Gospel is very necessary: - in the groups that contain the meditations, there is a serious risk of it being taken to jokes, laughter and other conversations that lead to nothing... If you want to laugh, don't come, go to another place for that...
In these groups, what I see, as a Mother, is that in many of them the daily prayer of the Holy Rosary, fasting on Wednesdays and Fridays, monthly confession, penance for the purification of their souls and their bodies, the main ETERNAL Truths that I urgently recommend you to study and desire... Hell is hardly ever talked about anymore, as if to warn My poor children to avoid the sins that throw them into it!...
I once again beseech you to pray the Holy Rosary, fasting on bread and water on Wednesdays and Fridays, monthly confession, penance, sacrifices for the salvation of souls!... I ask you with desperate insistence for the Siege of Jericho, as an 'anchor' of salvation for the world!... Those who can understand Me, do so with a good Heart... peaceful!...
There are some bishops and priests who unfortunately think of turning homilies into social polemics; not that it's not necessary, but... where is the fasting? The Rosary?... There is a risk of interpreting the Gospel in the light of the world and of reason!!! Pray for these My children!... Meditation on the Gospel is

necessary; but I want you to come here to meditate on Him in the LIGHT of TRUTH!!!...
You must pray with your heart... There are many who only argue and don't fast, don't pray the Rosary, don't go to confession every month, as Jesus ordered Me to suggest...
When everyone prays the Rosary every day; when everyone fasts twice a week, when they go to confession as I begged them to do; when they consecrate themselves with all their lives to My Heart and to that of Jesus; renouncing the world, the pleasures, they will understand why I said: "Be careful with the many meetings, cold discussions of politics and socialism..."
Pray with your heart!... It will not be with atheistic discussions, but with the Whole Truth of the Gospel, with the Holy Prayer of the Rosary, with the Fast and the Weapons that I have given you, is that you will save the present world... Nobody you will be able to live the Gospel if you don't pray, if you don't fast, if you don't confess with LOVE!... Therefore, live these My Requests and go in Peace!...
One day, through the Rosary and the Scapular, the Sieges of Jericho... I will bind Satan and crush him, and the TRIUMPH of My Immaculate Heart will come, and the New Age, the Age of Peace, of LOVE... the old things of evil will have passed!...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord...
All movements of the Holy Church must lead to sanctification... Pray and take this Mission seriously!... I am the Mother of the Church!..."

Day 10/03/93
"- Children, I want to thank you deeply for your prayers, but... you need to pray more... You are praying very little yet... Pray more, My children, and open your hearts to the LOVE of GOD!... Pray the Rosary every day!...
Bless them!..."

Day 10/04/93
"- My children, I see your sufferings... I see the suffering that My Church goes through... (Catholic) Pray, from now on, an Our Father and a Hail Mary for priests after each Rosary!. .."

Day 10/05/93
" - Pray!... Pray deeply!... I wish to give you the Peace that comes from Heaven! Pray the Rosary and adore My Son Jesus in the Blessed Sacrament!... I am adoring Him with you..."

I asked them to go up here, to do penance, to pray in Peace with GOD... Children, My LOVE for you is infinite! I never get tired of calling you to prayer and penance! Therefore, dear children, pray and have faith!..."

(Marcos): (Our Lady, during the Holy Rosary, moments before this Apparition, gave us a sign, seen by all 70 people who were in the place. The stars began to dance, forming with this movement, signs of the Cross.
Some turned towards each other. They went up and down, from one side to the other, until they formed a Sign of the Cross with their trajectory. A small Rosary also appeared, formed by clustered stars.
A detail: before the ascent to Monte, the sky was starless, and at the time of the Apparition it had completely starred. Only the stars above the mound produced this phenomenon. In this regard, Our Lady continued:)
"- Signs you have in abundance... They are only to help your Faith... You must be My 'Living Sign' to others who do not believe!..."
(Marcos): (The phenomenon ended, we returned happy and thanking GOD for such a great favor!)

Day 10/12/93

I will save Brazil!... Today, My Brazilian children face serious difficulties: - hunger, misery, unemployment, diseases, lack of faith, lack of love!... Crime, violence, drugs, divorce, prostitution, television, evil, selfishness... destroy and condemn Brazil to a dark future!... But, in the end, My Immaculate Heart WILL TRIUMPH!...
I will save My Brazil!... I will give you My LOVE, My Mercy and My Consolation!... I will not leave you orphans!... My Son Jesus sent Me here to help you! I came to alleviate suffering!... Pray a lot!...

Day 10/13/93

Day of the Last Apparition of Our Lady in Fatima
"- I am the Lady of the Rosary!... I come from Heaven to call you to pray the Rosary!... I come, My children, to invite you to pray with Me... Pray the Rosary with 'living' Faith! children, pray with true LOVE the Holy Prayer of the Holy Rosary!...
My children... prayer!... prayer!... prayer!... I desire much prayer for the sinful world! Pray with Faith!... Sacrifice yourselves for the cause of the poor fishermen!... Fast!... Fast!... Fast so that My Lord can give you HIS LOVE and

make you instruments of the Peace that comes from HIM!... Trust and have Faith!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
(Marcos): (On this day, Our Lady, at 11:30 pm, gave us Her Message and stretched out Her Hands. From Her Hands came 'luminous rays' that projected themselves into a star.
We were at the foot of Monte das Aparições. Our Lady made the Sign of the Cross with Her Hands, projecting them on the star, which traced in the sky a perfect Sign of the Cross as Our Lady did.
The star was right over the place of the Apparitions, and for several minutes it traced that Sign, seen by all. Then She completed by saying:)
"- They are signs of My Maternal LOVE... I can easily make the stars dance, but... convert your hearts by force I cannot and do not want to do it!... Give Me your hearts! ..."
(Marcos): (From the star, a piece seemed to come off and fall on top of the Place of Apparitions. When I searched it, there was no sign of such a phenomenon. The Blessed Virgin appeared before me, accompanied by nine angels)

Day 10/14/93
"- My children, I want to bring you the Peace that comes from GOD... I bring you Peace... LOVE... Concord... Mercy and Peace from GOD...
My children, LOVE each other!... LOVE each other with true sincere LOVE!... You believe in GOD, but... you have not converted your heart yet... Convert yourselves with LOVE and obedience to GOD! Return to the path of LOVE!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 10/15/93
Vision of Purgatory
"- My children, I want your hearts to give them to GOD... I wish to infuse you with the Peace that only GOD can give!... Believe and surrender to the LOVE of GOD so that you can live in Peace! ... My children, I give you My Peace, which I received from GOD, and I ask you once again for conversion!...
(Marcos): (Our Lady disappeared and an Angel appeared. He took me to a dark place, which seemed more like a penumbra, where people prayed, cried and asked the Lord for forgiveness. I saw some Angels descending to them and taking them out of that place.
The Angel told me that that place was Purgatory, and that those voices I heard were the souls that were trapped there, suffering and being purified from their sins. The angel urged me to have a deep love for the souls in purgatory and to pray unceasingly for them.
He told me that I should ask the Blessed Virgin every day for the Grace of having a priest to give me Extreme Unction. He said the prayer: "Jesus, Mary, I love you, save souls!" really frees holy souls.
Suddenly, Our Lady appeared in a brown dress and white cloak and said that she could free them from there if the men prayed for them.
Purgatory is like a big dark cave with several levels. There is a 'terrible fire' in him, which causes great inner suffering to souls. They cry, moan, ask for help. I could hear the sound of people falling and bumping into

something. Everything was very dark and sad, filled with something like fog or gray mist. I heard some of those souls say: "Masses!..." Others said: "Charples!..." Still others asked: "Fasts! Remember us!..."
As they purified themselves and received prayers from the earth, they ascended those levels of purification and flew to Heaven, transforming into beautiful elect, more resplendent than the sun. The Angel ended by saying:)
"- Pray the Rosary a lot... All those who pray it with love will be released from Purgatory on the same day they die... Have charity for these souls, because when they are in Heaven, they will pray for you!..."
(Marcos): (With these visions gone, a new love for souls remained in me. The vision lasted about 20 minutes)

Day 10/16/93
"- My children, GOD LOVED you deeply when he created you, and GOD LOVES you so much... that he gave you his Son to die in your place!...
I come here to encourage you!... Participate with LOVE in the Holy Mass!... The Masses you participate in while alive will be more profitable than those offered to you!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 10/17/93
"- My children, GOD wants to make you Saints, that's why He sends Me to invite you to abandon yourselves totally to Him...
Pray and have Faith!... I will pray that the Father increases your Faith!... Pray the Holy Rosary every day, that Graces will come to you through it... I will turn My Eyes and My Heart to those who pray the Holy Rosary with LOVE and Kindness!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
(Marcos): (The day before, 10/16/93, Our Lady gave us a Sign after giving the Message and ascending to Heaven. A strong wind passed through the large Eucalyptus trees, which hummed with force. trees, however, stood still.
This wind lifted His Mantle. Several people, 6 or 7, noticed the 'white figure' of Our Lady in front of the trees, without, however, seeing Her Face; the 'glow' of the Lady's Shape could be perceived.
There was great joy and commotion. We thank the Lord for his Graces, interceded by the Hands of the Mother of Heaven! ...)

Day 10/18/93

second apparition
"- I am the Queen and the Messenger of Peace!... With this Name, I came to Jacareí full of LOVE and Kindness, to give you My Messages... I come in the Name of the Lord to give them, so that the world may find Peace and Salvation...

Pray and have Faith!... Pray the Holy Rosary every day!... Fast and read the Holy Gospel!... Adore, without ceasing, the Blessed Sacrament of the Altar!...
My dear children, pray and fast with your heart!..."

(Mark): (On these two consecutive days, the 23rd and 24th, the Lady gave us a significant Sign: at the time of the Apparition, the sky, covered by dark clouds, opened up and let the stars be seen.
When Our Lady returned to Heaven, thick clouds covered Heaven again. During the Wraith, a blue cloud rose from the ground, and rose into the foliage of the pine forests. We praise the Lord, who has done wonders for us. Holy is His Name!)

Day 10/25/93
The Virgin Mother's Mourning
The Second Vision of Hell
(Mark): (Our Lady appeared with a very sad face. Opening her lips she said:)
"- My children, today I give you this Serious and Important Message: Convert without delay!... Convert yourselves with deep LOVE to GOD!... Many are those who live a life without GOD... without LOVE ...
Look now, My child, again the punishment of those who disobey God and offend Him..."
THE SECOND VISION OF HELL
(Mark): (Our Lady disappears and in Her place a large window opened, and a great sea of fire appeared that seemed to have no limits. It could be compared to a great gigantic flame seen up close. People were inside that flame. It was all very dark, and only every now and then a stronger flame would lighten what was inside, as if it were a flash of lightning.
The souls that fell into that sea of fire were numerous, it looked like hail. The souls, when falling, plunged into that fire, sank, and when they climbed, they had already completely lost their human appearance. They changed into horrible forms of animals, half man, half monster, never seen on the face of the Earth.
Those flames swirled and rose and formed a kind of whirlpool. While those flames rose, turned, the souls that turned and ascended along with them, went blaspheming against GOD. Some screamed, others wept bitterly, and when they were high enough, the flames suddenly ceased, then the souls fell, weightless and unbalanced, like sparks in a great fire and plummeted again into that fire. This for all eternity will continue...
I saw people with horrible faces. I saw a blond woman, with horns, a serpent's tail, a scrawny body, partly covered with hair, scorched by fire and brimstone. She was revealed to me to be a harlot, in life, who did not repent of her sin before she died, and had died in this state of rebellion against God and his Law of Love. There were rattling chains, screams, groans of pain and terrible crying...
Demons were larger and distinguished by their more horrible appearance than damned souls, resembling monsters, unknown and gigantic beasts. From time to time, whipping noises were heard. The groans of pain were sometimes interrupted by satanic laughter, blasphemies and insults against GOD. It seemed to me that all of this took about 10 minutes, although I lose the real notion of time, in which I almost died, if not helped by the Divine Power and Our Lady.
Then that horrible scene disappeared, and Our Lady returned, who said with kindness and with deep sadness:)

"- You have seen hell, where the souls of poor sinners go... To save them, GOD sends Me into the world to give My Messages and speak of My Immaculate Heart... Immaculate Heart will receive the Grace of Salvation, interceded by Me...
Help Me to save My poor and unworthy children! I need you all to save sinners... The time for conversion is running out!... But in the end... My Immaculate Heart will TRIUMPH... The world will be consecrated to Me, and some time of Peace will be granted !..."
(Marcos): (Next, the Virgin showed me people on earth worshiping Satan and offering him murdered victims; young people injecting drugs; figures of people committing adultery and prostitution; committing kidnappings, robberies, murders; a young woman resorting to abortion to kill the child in her womb.
I saw the Holy Father, Pope John Paul II, weeping, in great distress. HE FEELS HOW MANY SOULS ARE LOST IN THESE TIMES, FOR LACK OF PRAYER... I saw bishops confused and troubled, some of them secretly betraying the Church in hidden places.
I saw people being swallowed up by a great earthquake; I saw hunger, pain and people crying. Some lay dead on the earth, while others languished in the sun.
Our Lady began to cry and shed Blood. Blood flowed from the Eyes, Face, Heart, Hands and Feet; also from the Mouth... He was crying a huge amount of Blood. It was horrible to see the Blessed Virgin in that state. She sobbed and couldn't stop crying...
She left disconsolate, saying that only with prayer and sacrifices can we comfort her...).

Day 11/02/93
The Virgin's Cloak and Dress
"- My white Cloak means Peace... My gray Dress means your world is in ruins...
GOD is the salvation of humanity, that's why he sent Me here to help you on the path of LOVE... I am the Queen and Messenger of Peace!... I am the Immaculate Conception..."

(Mark): (I asked him where my dead grandfather was, and what he was doing. He replied that he was fine, he was with her, that I shouldn't worry. He showed him in his cloak. I saw him: he was smiling, surrounded of Light... He was a true angel!
Then it disappeared. Our Lady gave us her Blessing and left.
As we left, we noticed that the flames of three candles would go out and light up by themselves. When we walked away to leave, they went out, when we came back, they lit up on their own.
We understand that the Virgin wanted someone to still pray. Two of us stayed and the candles stayed lit. The others went to make a Cenacle for Her elsewhere)

Day 11/03/93
First Appearance of this day

The Grace that this city is receiving, that of My Presence, is an inconceivable Grace in this life... Every day, I come here to give My Messages of LOVE and Peace to humanity... It is the Lord's desire that I here come and give them YOUR recommendations...

second apparition
"- My children, I am the Queen and Messenger of Peace!... I am the Immaculate Conception!... Here, at the Feet of the Tabernacle, I will educate My Mighty Army... Adore My Son in the Blessed Sacrament of the Altar! ...
Come to this Church (Matrix of the Immaculate Conception*) to pray to My Immaculate Heart, because it was not built without reason, but it was already in God's Plans that it be the 'Barn of Graces' that I bring in My Apparitions.. This Church is the 'Church of Peace'!...
(Mark): (The Mother of Heaven disappeared, and in Her place appeared like a sea of fire. Suddenly, a whirlwind of fire burst up, with the damned souls. The

souls that fell into that sea of fire, lost their appearance and turned into demons. As they ascended, swirling in the whirlpool of fire, they cursed God and blasphemed Him. I heard crying, screams and howls of pain.
Some of them told me that I should convert while there is still time. That he would attend to this lady. They began to cry, and fell silent. They said this constrained by the POWER of GOD and Our Lady, who forced them to tell me the truth at that moment.
Our Lady showed me different 'visions'...)
* (Mark): (This has always been and will be the Intention of GOD and of Our Lady in relation to the Mother Church, but it could not be carried out due to the refusal and indifference of the Bishop and Priests in relation to the Apparitions. Therefore, they are responsible for all the souls that come to be condemned for this reason, as well as for the grievance to the DIVINE Queen and to GOD who so arranged it, but whom they did not want to obey)
Third Appearance
(Mark): (The Virgin spent 1 hour and 30 minutes answering Her children's questions, which we are not allowed to comment on)

11/07/93 Monthly Anniversary of the Apparition
"- I am the Queen and Messenger of Peace! I am the Immaculate Conception!... I come from Heaven to communicate to you a 'grave' and 'afflicted' Message...
The Church is in danger... My Son, present in the Blessed Sacrament, runs the risk of being despised and trampled underfoot... (here She interrupts and cries...) My children, look at My Heart surrounded by 'painful and sharp thorns'!... The time has come when My enemy will come out with his followers in the open to fight against My little children...
The time of bloodshed and persecution will come, the time when he will find himself triumphant in the world... He will persecute the faithful, swear them to eternal death... There will come hunger, despair, the heinous crime of death, destruction. ..
But, in the end, My Immaculate Heart will TRIUMPH!... I will destroy Satan... and bind him in hell. GOD WILL WIN and Peace will come!..."

Day 11/08/93
REVELATION OF THE MEDAL OF PEACE
(Mark): (After showing me the Holy Medal, (according to the full narration given in the introduction to this book) the Blessed Virgin Mary said:)
"- This Medal, a particular Grace of LOVE from My Heart, is to be used by all who desire Peace...
All who use It will receive Great Graces from My Heart... They will bring Peace where there is war...
Your families will be filled with Peace and LOVE...
Satan will be horrified to see this Medal, and will flee before those who bring it with love and devotion..."

Day 11/09/93
"- Dear children, I invite you to a sincere conversion... Pray... pray the Holy Rosary a lot!...
I need the LOVE of your hearts, so that GOD can change them into a source of Peace and LOVE...
Glorify GOD, O children, with your own lives, and to HIM give your hearts!...(pause) I bless you with LOVE!..."

Day 11/10/93
"- My children, today I come to speak to you about My Immaculate Heart... My Immaculate Heart is the Ark of the Covenant of the Last Times...
In these 'end times' of human history, two Great Armies are fighting: that of the Woman Clothed in the Sun, and that of the Red Dragon...
I am the Woman clothed with the Sun!... I have the Crown of Twelve Stars on My Head, and the moon under My Feet... I have the task of crushing the Dragon and defeating all its strength...
My Army is formed by all the Saints and Angels of the Lord, by the souls in Purgatory, who intercede for you; throughout the Church; for those who consecrate themselves to My Immaculate Heart and live according to the Gospel and My Desires...
The army of evil is formed by Lucifer; for all the demons, who, coming out of these times of hell, have spread throughout the Earth to lose souls; all the damned spirits and all those who live doing evil...
It is the Time of the Terrible BATTLE!... I, the Woman Clothed with Sun, advance with My VICTORIOUS Army against the Army of the Red Dragon... Heaven, Earth and Hell fight...
Satan has fought against My offspring and is persecuting My poor children... For the time being, this fight is in a moral and spiritual character... the corporal fight will begin to come... Times are very serious: - It's the ' Time of Times', and the 'End of Ends'!...
VICTORY is already Ours, because 'My Times' have arrived!... Now is the time of tribulations, of sufferings, but... Jesus and I will be by your side...
All families that do not begin to pray together, to communicate with LOVE, to unite, run a great risk of destroying themselves... Put the Heart of Jesus and Mine in your homes, as protection...

I bless you... (pause) Enlist in My Army through the Consecration to My Immaculate Heart... It is the Safe Refuge that the Mother of Heaven offers you...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/11/93
"- All of you must pray as much as you can... Pray!... Pray... do penance for the priests!...
Protect yourselves from the devil through prayer, penance and the Holy Rosary... Dear children, the Holy Father, My Pope John Paul II, is in danger... (with a very sad face) Renounce gluttony, impure sex, greed, selfishness, and seek LOVE... Pray the Holy Rosary every day! The devil is chasing them... The Tears of BLOOD I shed are because of your sins!...
Pray!... Pray!... Convert!..."

"- My children, pray the Rosary more and more for the Peace of the world!... I will always be praying the Rosary for the Peace of the world with you...
Dear children, pray the Holy Rosary with LOVE every day!..."

Day 11/16/93
" - My children, GOD wants the conversion of all men... HE did not send Me here to force you, but He wants you to leave the sinful life that you lead, and begin to rebuild this perverse and atheistic humanity...
Jesus is angry with humanity, because he sends Me to so many parts of the world to give messages... and you do not convert...
Race of snakes!... Who of you can flee from the wrath that is to come?...
Who can be saved without prayer, sacrifices and penance?... Without penance and conversion?... Without living the Gospel in its integrity?... (pause) Convert!... Convert!. .. Convert yourselves!... Convert yourselves!..."

Day 11/20/93
Our Lady brought a picture of the Pope,
hugged her and kissed her
(Mark): (On this day the Blessed Virgin brought between Her Arms a painting with a photograph of the Holy Father, showed it to me, kissed it very tenderly, and then asked me if I knew who He was, so I replied that it was the Pope John Paul II, to which She told me:)"- Pope John Paul II is My Favorite Son... He consecrated himself entirely to My Heart, that's why I saved his life in the horrible attack in St. , in Rome, in the year 1981...
My children, I want to lead you to True LOVE for the Holy Father... Pray for the Pope... obey the Pope... fulfill what he says... Destroy the wave of criticism existing in the Church, against the person and the work of the Holy Father!...(holding and kissing the Pope's photograph) He is the Father of all men, and My Messenger so blessed!...
Adore the Eucharist with all the LOVE of your hearts... (pause) Give your lives... for the LOVE of Jesus in the Eucharist!... Adore, exalt, glorify the Most Holy Eucharist!... The Eucharist is the ' Immortal Bread' that gives LIFE and feeds for 'Eternal Life'!...
Beware, children, of Freemasonry... With its deceitful tactics, it wants to destroy people's Faith in Jesus Christ, and lead them to worship Satan...
My children... penance!... prayer!... sacrifice!... These notions dominate your souls!... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/21/93
(Mark): (The Sacred Heart of Jesus arrived first, only the Heart was visible. It was 'crowned with thorns' and bleeding profusely... This vision caused me distress and pain. After the vision of the Sacred Heart of Jesus, Our Lady appeared and said:)
"- My children, look at how I LOVE you and how much you offend My Heart and the Heart of Jesus... My son... humility and obedience!...
Dear children, may God bless you!... May God give you the Gift of Peace!...
Dear children... I LOVE the Sacred Heart of Jesus!... The Sacred Heart has a lot of LOVE for you, and wants you to respond to it through a 'holy life'!...
My children, My Heart is the Source of Peace and Mercy of Jesus!...
My Immaculate Heart is despised by all those who, without love and without any consideration, pierce Me with 'painful thorns'... My son, I ask you, repair My Heart!... All the consolation you give Me, Jesus will give you the just reward...
Tell My children that they must comfort Me... One of the means that I most cherish is the Communion of Reparation and the Holy Rosary... The Rosary will dry My Tears... and Communion will remove the innumerable 'thorns'...
Dear children, we must rebuild this sinful and totally atheistic humanity!... Hear My Call and heed My Prayer!..."
(Mark): (The Blessed Virgin showed the Flame of LOVE of Her Immaculate Heart. Our Lady showed Her Heart resplendent in Her Chest and spoke:)
"- Behold, I communicate today My Own 'STRENGTH': - the Flame of LOVE of My Heart!... Children, may the Lord enlighten you to understand!...

My Flame of LOVE, sent by Me to the world, will renew the whole face of the Earth and make the new humanity... desired by the Lord, in the TRIUMPH of My Immaculate Heart...

Dear children, have confidence in the LOVE of the Lord and in My LOVE!... Pray the Holy Rosary every day, and fight for the conversion of the world, spreading My Messages and My LOVE...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
Mark's Guardian Angel
"- Marcos, see the Immaculate Heart of Mary... Have pity on the Heart of Your Holy Mother, surrounded by 'thorns' that ungrateful men, at all times, pierce It with blasphemies and ingratitude, with no one to make reparation.. .
You at least... repair the Heart of the Virgin, so that the Lord will not be so saddened to see the Heart of HIS Mother with so many thorns!...
See Pain... Pray for sinners... Beg Mercy... Fast... Do penance...
The Virgin Mary chose you to be Her Messenger, and you must not be discouraged in the face of evil, sin, and the disbelief of men... Give consolation to your Mother... who loves you so much!...
May all those who hear this Message begin to increase their prayers... heed the Virgin Mary's Messages... and comfort your Mother!..."
(Mark): (The Angel showed me the Heart of the Virgin, 'torn' in half and full of 'thorns', asking for reparation.
The visions lasted 40 minutes, according to those present. For me, I wouldn't be able to say if it was just these minutes, because in these hours I completely lose the notion of time as we know it. Sometimes it seems to me that they last longer. Others, which last less)

Day 11/22/93
"- Dear children, today I invite you to renounce all vice, sin and prostitution...
My children, today you must renounce the impure sins of sex... These sins are the ones that most cry out for Justice before God!...
Children, be pure, be docile!...(pause) My children, pray the Rosary every day... The more you pray the Holy Rosary, the more you will be clothed in My Own Purity... My little children, be faithful to the Lord , and keep His commandments..."

Day 11/24/93
"- My children, GOD wants to help you to reach Holiness, that's why He sends Me here to give you Messages every day...
Pray a lot, asking for the Gift of Peace!... Without Peace, humanity will not be able to save itself... Pray the Holy Rosary!...
I come here, as Queen and Messenger of Peace, which leads to salvation... Pray it every day!... It is certain that we will pray it together, in Heaven, (if you are saved,) but... I want you to pray it now with Me, here on Earth...
To all those who pray it with LOVE every day, I promise salvation, and these souls will be dear to God... like 'flowers' adorning My Throne...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/25/93
"- My children, today I repeat My repeated Invitation of LOVE to you... My children, in 1988, the 10 decisive years for the TRIUMPH of My Immaculate Heart began... if the 'events' that I had foretold to them...
Behold, from Paris, in 1930, where I came as Our Lady of Graces, I started My Plan of LOVE, already preparing the paths that I started in Fátima...
Behold, all the events that I have announced to you from La Salette will come to pass...
Also passing through Lourdes, I renew My Call to prayer, sacrifice and penance... I appeared to My poor Daughter Bernadette with a white Veil and a white dress... (pause) I invite you to walk with modest, respectful and full clothes of candor... How I am offended by the indecent, provocative and sensual fashions of this world!...
In Fatima, I invited the world to pray the Rosary, to penance and to devotion to My Immaculate Heart...
In Montichiari and Bonate, I invited them to prayer, sacrifice, and penance!...
What I say to you here in Jacareí, here, in this chosen city, is that My Heart tirelessly seeks souls who will attend Me... I come here, as Queen and Messenger of Peace, to say that Peace is necessary for the salvation of the world. !... Without Peace, they will not be able to save themselves!...
Pray, begging for the Gift of Peace... Pray the Holy Rosary!... Beg God for Mercy!... Believe in HIS LOVE and Pray!... Pray the Holy Rosary every day, and abandon yourselves to LOVE God's...
In Fortaleza (Ceará), I gave them 'the beginning' of the Plans... I came to Jacareí, with immense and intense LOVE, in order to help them believe in the LOVE of GOD... GOD wants to convert them, and He sends me here to prepare HIS Paths... Behold, 'from here' I spread LIGHT and LOVE over all My children...
Children, what else can I do for you? I'm doing everything for everyone to be saved... Convert!... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
Message from the Guardian Angel of Marcos Tadeu
"- Children of the Lord, heed the calls of the Virgin Mary!... Fulfill the COMMANDMENTS of the LAW of the Lord and of HIS Holy Church!... (Catholic) The Lord will no longer wait for men to return (by human force) to their bosom, (to the bosom of the Holy Catholic Church) therefore, sends the Holy Virgin to give them Her Messages... Immaculate Mary is sent with the STRENGTH of the Holy Spirit, to make men repent of their sins...
Pray the Holy Rosary!... Pray the Lord with immense fervor!... Convert!... Repent of your sins!... (pause) May the Blessing of the Lord descend now, in the Name of the Father ... of the Son... and of the Holy Spirit..."

Day 11/26/93
"- Dear children, today I want to remind you of the invitations I made in Fatima... Through the 'three little shepherds', I called the whole world to prayer and penance...
I AM THE LADY OF THE ROSARY!... I wish all My children 'perfect obedience' to the Plans that I have since revealed to them... Behold, some things that I have revealed have already happened; others are yet to come...

These are the 'decisive times' of My BATTLE against evil... All the SECRETS that I have revealed in so many parts of the world will now be fulfilled... From everywhere, My Manifestations will arise to call My children to prayer, penance and conversion...
If My Invitations had been heeded since Fatima, the world would already have been converted, but... I was despised, and My Messages ridiculed by many...
My dear children, convert!... Pray the Rosary, and the path of safe conversion to GOD will be shown to you!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/27/93

(Mark): (With his Hands full of Rings inlaid with precious stones, from which 'Light Rays' came out on all sides, he said:)
"- My Graces... I wish to give them to everyone!... From My Hands turned towards you, I pour out Graces of endless LOVE...
Come... ask Me for the Graces!... Those who pray the Holy Rosary to ask for them will receive in abundance!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/28/93
"- My children, today I come to meet you again to leave you My Message... My children, pray the Holy Rosary every day!... I will pray it with you too...
Pray the Rosary as a family!... There are only divorces in the world, because families do not pray the Rosary together. To the families that pray the Rosary together, I promise to free them from divorce, error and drugs...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
(Marcos): (The Virgin made several of us realize Her Flame of LOVE. We were in a family. The Flame appeared on the roof of the house. This happened at the time of the Apparition, just after Our Lady had arrived.
She arrived, greeted and said that she would make her Flame of LOVE known to us, and everyone could see it. I was in ecstasy and I saw it too. She turned in a spiral, and went down until She disappeared into thin air. Then Our Lady gave the above Message)

Dear children, Russia was consecrated to Me, but... not completely converted*... Pray for Russia and all atheist countries, that they may convert and have Peace!...
I come to this Church, (the Matrix) so blessed by Me, to make you understand My LOVE... All those who come here to implore Graces will receive them, and My Protection... Here, the My Son wants to be adored, LOVED, exalted and glorified by everyone... may everyone come here to pray!...
+The world will be consecrated to Me, and Peace will be granted to it... Pray the Rosary every day and pray for the Peace of the world!..."(Marcos): (Showing his heart surrounded by flowers:)
"- You are the ones who most console My Heart this day... You removed 'painful thorns' from My Heart... I bless you with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit ..."
* (Note - Milestones): (Russia was not converted at all because the Consecration requested by Our Lady at Fatima in 1917 was not done. Only in 1988 did the Holy Father, Pope John Paul II consecrate Russia and the World to the Immaculate Heart of Mary, a consecration that would have been valid and accepted by the Lord, however, it was too late, as the Virgin prophesied in Fatima: "... the Pope will consecrate Russia to Me, but... it will be too late.. ." The consecrations that took place before this one were not 'valid' before GOD, as they did not fulfill the conditions imposed by Him when asking for this consecration in 1917)

(Marcos): (Showing His Heart, He said:)"- Behold My Immaculate Heart!... My LOVE for each one of you, dear children, is immense!... I LOVE you with all My Heart ..."(Marcos): (A small and luminous Cross came out of the Heart of Our Lady and came to rest on the palm of my right hand extended towards Her. I asked what all this meant. She replied:)

"- This is the time when My adversary is marking his followers with the blasphemous sign; so, too, I am marking My followers, My dear children, with the Sign of the Cross of My Son...
Everyone who lives in the LOVE of GOD and fulfills My Desires will be marked with My Sign...

Pray for Russia! pray a lot for the sinful world... The threat of a World War III now hangs over your heads. A large amount of weapons will begin to be manufactured at a point on Earth...
Dear children, the rulers of the Earth need a lot of prayer, because Satan will ask them for your heart, (the hearts of the rulers) and if they don't have the protection of GOD, a lot of suffering will start to come on the Earth... men will suffer!..."(Marcos): (Our Lady showed a big bloody field and a big bombardment. He added, with sad eyes:)

"- Evil is approaching... Darkness is about to arrive... Humanity irremediably runs towards perdition... Every day that passes makes My Mother's Heart more apprehensive and concerned with humanity. Pray the Rosary, children , that they may be freed from evil!...
Tears will flow... My enemy will open his mouth, and his 'poison' will spill out into the world...
Every day My 'Calls' are present to each one of you... If you heed My 'Calls', wars will end and Peace will return to your homes...

I invite you to spend with Me these last hours of the year, which is about to end!... Don't spend these last hours in revelries, messes and bangs!... Don't scream and don't laugh, because what I see is a lot of pain on the way, if you don't pray and don't ask God for forgiveness...
My children, spend these last hours with Me in deep prayer!... Let us prostrate ourselves before GOD, imploring Mercy for the World!... Help, dear children, your Mother to obtain the Grace of Conversion for all Her sons!...

(Marcos): (At 11:45 pm, the Image of the Mystic Rose cried. Tears flowed only from the Left Eye, for some time. There are witnesses who witnessed the phenomenon)

I am the Queen and Messenger of Peace!... I come to bring you from Heaven the Message of LOVE, Hope and Salvation! Yes, because, after the 'horrific scourges' that humanity 'will have that passes', I will bring salvation and Peace to My children!...
OUR United and connected Hearts, Jesus' and Mine, so full of Peace and LOVE, WILL TRIUMPH in the world and will bring Peace to you !...
Therefore, a 'great strength' of prayer and reparation is needed... Pray the Rosary (of Peace) every day, for the Peace of the world and for the conversion of all poor sinners! GOD enlighten your lives!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
(Mark): (On this day, the Virgin Mary communicated:)
"- From now on, I will give you Twenty Messages, I want them to be received with all haste... Pray, so that My Son can be 'glorified' by Them!... My children, accept My Messages with LOVE! Try to live them with sincerity of heart! Never let the evil of the world paralyze you!...

(Mark): (In these days of January, the Lady was only occupied with the Twenty Messages that were written)

Day 01/01/94 First Message
THE ROSARY AND ITS POWER

"- My children, for a long time now, I have been informing you about the consequences of your sins, today so serious and horrible...
Satan is proclaiming victory in the world, because he sees that few are those who face it, through prayer... My children, this is why this very important Message is about the HOLY ROSARY...
Pray the Holy Rosary, My dear children, every day! ... Since Lourdes I have reminded you of this urgent and desperate appeal of mine... After the Holy Mass, which is the greatest prayer that brings Me closer to you, the Rosary has so much 'power'!... and that is why which is the second means that most unites you to Me...
The Rosary has so much 'power', children, that when you pray it, Satan is so powerless that he is forced to return to hell, such is the 'power of Heaven' that crushes his evil. The devil cannot stand the 'perfume' that spreads the prayer of the Holy Rosary... and the LIGHT he spreads dazzles him, because Satan is the prince of all darkness...
Children, now that you recognize how much I LOVE the Rosary, the Power and Strength of the Holy Rosary, place it in your hearts!... Pray the Rosary every day... There is no Grace, however impossible it may seem, that is not

achieved by praying My Rosary, prayed with LOVE...
My children, pray the Rosary with Me every day!..."

Day 02/01/94 Second Message
WORK MORE AND TALK LESS.
DELIVER EVERYTHING TO ME

"- My children, pay attention to what I want to communicate to you: - Talk less... close your mouths, 'chatterers' people!... You have already talked excessively, and now the time has come to do more than say...
The time foretold by Me has come, when it is necessary that everything and everyone be consecrated to My Immaculate Heart... Work for the cause of the KINGDOM of Jesus, for the conversion of poor and unfortunate sinners, who live far from the LOVE of GOD!...
Consecrate to Me your lives, your plans, your hearts, and, above all, all the time you have left for the end of this century... it will be the decisive phase for the complete VICTORY of My Immaculate Heart. completely defeated, and My KINGDOM of Peace and LOVE will be established in your midst... the KINGDOM of GOD...
In this last decade of the century, all the 'secrets of iniquity' of the devil will be fulfilled... and the SECRETS of My Immaculate Heart and of the Grace of GOD... Consecrate Brazil, the world to Me! so that more and more souls are saved by Me...
Pray the Rosary every day!..."
(Observation - Marcos): (Message in Aparecida - SP, Basilica Velha)

Day 03/01/94 Third Message
CONVERSION: NO MORE TIME!

"- My children, today in this Third Message, so serious from My Heart, I come 'anguished' to ask you to pray for the Church... (pause)
Pray a lot for the Pope!... for Bishops and Priests, because I see: in the future, the Faith of the Church suffers a great shake... Pray, My children, because many can lose their Faith, if they do not begin to fight with prayer and fasting, the temptations and the 'strength' of My enemy...
As I have already said, if people do not convert and return to GOD, a horrible Punishment will soon strike the face of the Earth... There is no doubt that it will be worse than the Flood or the Punishment of Sodom and Gomorrah...
Pray the Rosary a lot, My children!... Only the Rosary and the Eucharist can save you now... Pray the Rosary every day!... Whoever puts complete trust in Me will be saved..."

Day 04/01/94 Fourth Message
MY LOVE IS INFINITE!

"- My children, today I make you feel My infinite LOVE... (pause) Look inside My Heart: - How much LOVE there is for you!... My dear children, My Heart, even if surrounded by 'painful thorns', 'beats' with LOVE for you... (pause) My children, give yourself entirely to Me... with confidence!...
My children, pray the Rosary so that you are always with Me!... Even with all

the sins you have, with all the faults, out of LOVE for you... to save you... I would give worlds, I would give kingdoms and universes... I would throw myself into the fire... Everything... for LOVE to you I would...
I have now, children, an ardent desire to reveal to you: - These Tears that I shed lately... they are all for LOVE for you... You only cry for those you love... If I cry for you, it's because I LOVE you infinitely, and because I want to fill you with DIVINE Grace...
I cry with LOVE for you, looking for you in the lost paths of your lives... I cry with joy when I see you praying... (pause) Little children, don't have fear of dangers: - I will always be by your side!... I LOVE them very much! infinitely...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/06/94 Fifth Message
THE LOVE OF GOD

"- My children, contemplate the LOVE of GOD, which is given to all of you... The LOVE of GOD is infinite for you!... It is from HIM that I came today speak: - Of the LOVE of GOD...
GOD is the One Who puts the clouds in the Sky!... Who makes the colors appear!... Who makes the sun shine!...
Why, children, are you worried: - How will they do this or that?... How will they eat?... dress, sleep... this or that?... (pause) Look at the birds!... they don't plant, they don't plow, they don't gather in barns ... and GOD makes your little chat to be full of food every day...
Look at the clouds! that every day GOD sustains in the air... You are worth more than the birds and the clouds!...
For this reason I asked you to read, every Thursday, Matthew 6, 24-34... Every day you will trust in the Divine Providence and Mercy of the Lord, in His Goodness... especially on Thursdays ... (pause) Therefore, pray a lot so that you are in intimate and harmonious 'attunement' with GOD!...
Pray the Holy Rosary in a special way, so that, through My Holy Hands, you may receive everything from the Father ! I will pray the Holy Rosary with you, dear children... The LOVE of GOD is the Grace that descends to you... Your love for GOD is the 'prayer of love' that ascends to Heaven
... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/01/94 Sixth Message - Monthly Anniversary of the Apparitions
MY COMING HERE

"- Dear children, today, 'the seventh', the day of the month that I asked you to consecrate Me, I come from Heaven to ask you to come back your eyes on Me today...
My children, when I came here last October, I taught you My "Charple of Peace"... When I taught you this Rosary, it was for you to pray it in supplication for the Peace of My children, wherever this Rosary is prayed, I promise to pour out My Graces of Peace and LOVE...
Children, My Coming here is a particularly resounding Grace of LOVE from GOD!... Praise Him with songs of LOVE therefore!...
When I came here, in 1991, for the first time, I descended in the cloud of Light, above the Altar of My Mother Church, (Mother of the Immaculate Conception)

while you, Marcos, prayed... Jesus consummated all the Tenderness of His Heart, initiating OUR Plans of LOVE in this My dear city... My Heart 'beat' with immense Tenderness, when Jesus invited Me to come here... Soon, My Plans will be completed... and I will be able to achieve My Great VICTORY...
Francisco and Jacinta (pause) are with Me in Heaven... and Bernadette, after many sufferings of the Mission I entrusted to her, is now in Glory... They and all the Angels and Saints, pray to GOD night and day ! by the People of the Lord...
Your Mission, My dear angel, is to speak to everyone about the TRUTH of the Gospel, which I communicate to you in the Messages... Do not care who opposes you, but speak My Messages to everyone with all integrity... with heroic courage and Faith...
Many do not believe in My coming here, in Jacareí... Many do not convert because they do not believe in My Messages... and many will condemn themselves, for not converting... but I will be always blessing and guarding them... I will always LOVE My children...
Therefore, it is My living desire that on
February 7th of each year, the "UNIVERSAL COMMUNION FOR PEACE" will be held... All My children My Son Jesus will receive communion... GOD of LOVE...
My Mother Church is the Refuge of Peace... call it "Mary's Refuge"!...
Therefore, pray my "Rosary of Peace" every day!... It is the prayer that I myself came from Heaven to teach you... From the heights of Heaven, I will "spray" Peace over the whole earth.. ... so that the fire of hatred is extinguished... If you pray the Rosary, the feelings of war, hatred and blood will disappear from people... and Peace will be a Grace present in all your hearts
... February 7th is the Anniversary of My Apparitions here... I wish to see many people praying with Me and with Jesus, next to the Throne of GOD, for the Peace of the World and for the future of Humanity!...
I bless you in the Name of the Father ... of the Son... and of the Holy Spirit..."

Day 01/08/94 Seventh Message
THE LOVE OF THE HEART OF JESUS

"- My children, today I come from Heaven to speak to you about the LOVE of the Heart of Jesus... My children, GOD wishes you all Peace and Blessing!...
Jesus, during HIS 'mortal existence' here on Earth, proved all HIS LOVE to them, and set an example for them, healing the sick, forgiving the poor and miserable sinners, raising the dead, spreading LOVE.. Jesus, today, reveals all HIS Goodness, sending Me to give you My Messages...
Jesus particularly revealed HIS LOVE when He showed HIS Sacred Heart to My daughter, Margarida Maria Alacoque...
On that occasion, Jesus, showing him HIS Most Sacred Heart, wrapped in 'Flames' of LOVE, told him the Great Promises to those who made the first nine Fridays of the month, with the intention of making reparation to HIS Immaculate and Holy Heart. .. He added more promises later, to those who joined nine first Saturdays, in reparation to My Immaculate Heart...
Jesus, full of LOVE and Compassion, continues today to give all HIS LOVE, through HIS Holy Presence, in the Blessed Sacrament of Altar... Jesus continues, even today, in all the Tabernacles of the Earth, as a 'bloody and silent immolation', for each one of you... for your LOVE!...

I am the Messenger of the Eucharist!... Jesus, today, suffers a true 'bombing' of sacrileges and offenses in the Blessed Sacrament... and today, Jesus asks for reparation!... (pause)
Notice Jesus in the Blessed Sacrament of the Altar ... so offended and despised!...
When Jesus showed Saint Margaret His Sacred Heart, He was 'Crowned with Sorrowful Thorns'... Today, I can say that the 'consecrated hosts', My Son ALIVE and present, he is once again 'Crowned with very sharp Thorns', caused by the offenses he receives at every moment in this Sacrament...
That's why I come to ask you, in this afflicted Message, to make reparation to OUR Hearts, because My Immaculate Heart also suffers to see My Son... and men, in this state, only living to offend their GOD. .. and mistreat each other...
To whoever makes these reparations, for 9 months, Jesus and I promise certain Salvation, and all the Graces necessary to live an authentic Christian life... As a LOVING Mother, I warn you that the Crown of Thorns that is in the Eucharistic Heart of Jesus, will only be removed in the same way as it was placed: - For you!...
Convert... repent of your sins!.. Jesus LOVES them so much that it is enough for him to see a single 'drop of love' for HIM, and he already forgives an infinity of sins and ingratitude...
My children, LOVE the Lord and HIS Mother!... LOVE each other with sincere fraternal LOVE!... Thus, OUR Hearts United and thus Connected, will be sure salvation for you, in the time of hard trial...
My children, we want to inflame you with LOVE! give us your hearts... Jesus and I want to save you!..."
(Mark): (In all these Messages, Our Lady presented herself dressed in the same way, but with greater glory and splendor, to sublimate even more the 'urgent value' of these Messages)

Day 10/01/94 Eighth Message
I AM
THE HEAVENLY PROPHETIST OF THE LAST TIMES!... LISTEN TO ME!...

"- My children, I am the HEAVENLY PROPHETICE OF THE LAST TIMES!... I am sent by GOD, to deliver you the last Messages for humanity...
In these 'times', in which the black beast, Freemasonry, 'new age', spreads the darkness of lack of Faith along the way, I come sent by GOD, to take you to HIM as soon as possible...
These are the last Appearances for humanity... My numerous manifestations today, are present to all of you. I cried, I cried, I asked! and you didn't answer Me... What can I do?... I'm doing everything for the conversion of the world!!... (pause) This is a complaint.. .(pause)
My numerous Apparitions cannot convert even 'one third' of humanity... Why so much lack of LOVE, children?...
The Rosary is the Great 'Weapon' that I give you... My Army follows, guided by Me, fighting the 'force' of Satan and his followers. Soon My Immaculate Heart WILL TRIUMPH, and Peace will come to the world...
I, the Celestial Prophesy of the Last Times, come once again to make My repeated invitation to conversion: - Believe in My Manifestations!... Accept My urgent invitation to conversion!... I don't want to lose you, so come back to God

through Me...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/11/94 Ninth Message
THE HOLY SPIRIT, GOD OF LOVE,
WILL DESCEND ON THE WORLD!

"- My children, today I came to talk about the Holy Spirit... My children, the Holy Spirit is the 'essence' of Holiness!
... that made possible the Incarnation of the Word of GOD, My DIVINE Son Jesus Christ...
It was the Holy Spirit who acted, hovering over the surface of the waters, at the moment of creation... (Genesis 1, 2) It was HE who acted in the Old Testament Prophets, in these brave, just and holy men...
It was the Holy Spirit who made My cousin Elizabeth proclaim praises to GOD; (Lk 1, 42-45) who made Me sing My Magnificat; (Lk 1, 46-55) who acted in Simeon, in Anna; (Lk 2, 29-38) in John the Baptist...(Lk 3, 3) and in the Apostles, who on the Day of Pentecost, together with Me, were clothed in the Upper Room with the 'Power' of the Most High...
We saw him , with Our eyes: - HE 'penetrated' our lives!...(Acts 2) It was the Holy Spirit who guided the First Apostles, in the nascent Church... It was the Holy Spirit who acted with Jesus, throughout His Life public!...(Lk 3,21-22)
It is the Holy Spirit 'who blows' everywhere where I am 'really' appearing and giving My Messages...
It is the Holy Spirit who sends Me to Jacareí. .. to deliver My Messages to you...
It is the Holy Spirit who moves and touches My children to attend Me!...
It is the Holy Spirit who will make the TRIUMPH of My Immaculate Heart happen... and who will descend with all HIS STRENGTH, in a Worldwide Pentecost...
It is the Holy Spirit who opens and closes the doors of the Second Advent of the Kingdom of Christ!...
It is the Holy Spirit, together with Me, who will cast Satan and the evil angels into hell and will seal forever the entrance to hell, to that they never go out again...
Therefore, today I invite you to pray with Me to the Holy Spirit... Ask Him, through Me... that He will come to you with more fullness of God and of Gifts, because He will not deny anything. to HIS Heavenly Spouse!...
The Roses that I bring to My Feet (in the Image of the Queen and Messenger of Peace) are the Seven GIFTS of the Holy Spirit, which will be given to you... More and more they will be impregnated with the DIVINE 'essence'... which is the Holy Spirit ...
I am the Spouse of the Holy Spirit!... It was for this reason that I asked you to make Me the Image with these Roses at My Feet, to show you that I want to give you the GIFTS of the Holy Spirit...
Pray the Rosary, to ask for it!... I will ask it with you too... Ask for the Holy Spirit, and walk spreading the LIGHT of GOD, in all paths, in all! wherever you go...
The Holy Spirit and I will make 'seeds of holiness' appear everywhere... if you accept My Messages and pray together with Me... (pause) Pray the Rosary because I want to pray it. it with you!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/12/94 Tenth Message
BEWARE OF THE DEMON

"- My children, today I come to talk to you about the devil... Satan is loose, and he is looking to 'do' the ruin of each of My children...
Dear children, from Satan only evil and destruction come. You need to pray a lot to prevent his strength, and so that you do not fall into his evil 'claws'...
My children, so many times I invited you to return to GOD and surrender to Him, but... you refused!... How many times you could have found True LOVE and Peace...
Behold, a great force of intercession, reparation and combat is needed! asking for mercy and graces for the world...
Fight Satan!... You can fight him, but... you don't!!!... Don't offend GOD anymore!... stop offending HIM so cruelly...
Exorcise the enemy! He freed all the evil angels, who now, coming out of hell, are spreading across the Earth to lose souls, but... GOD has called Me and (St.) Raphael to fight them!... (St.) Michael is already there. at the head of the Heavenly Army... (pause) Help Us to exorcise it, with prayers!...
Fight the darkness with the LIGHT of prayer, sacrifice and penance!... I count on your prayers, because I LOVE them!...
Use the crucifix, medals, holy water, images at home, exorcised salt, candles and blessed candles, as 'signs' against Satan, to keep him away from you, from your homes mainly... personally to him, saying NO, through a sincere conversion to GOD...
The Angels will go into persecution against the demons, so pray with Me, so that they are defeated and annihilated by the Lord, GOD of hosts and KING !...
Pray the Rosary a lot in this intention... With Me..."

Day 01/13/94 Eleventh Message
THE ANGELS OF MY HEART

"- My children, now, I want to tell you about the Angels of the Lord.... The Angels of the Lord are the Messengers of LOVE, Messengers of Grace!.. Therefore, the Lord is the GOD of the Celestial Militias...
GOD is so infinitely GOOD, that he created a Guardian Angel for each of you... HE created all the Celestial Militia, so that you may be 'bearers' among HIM and you...
I am the Queen of Creation, and therefore I am above all creatures, including the Angels, and just below GOD... as the Immaculate part of Creation!... (pause) GOD granted it to you. Me the Army of the Celestial Militia, to defeat the forces of evil, and lead humanity to the TRIUMPH of My Immaculate Heart...
My Angels have the task of defeating Satan and his angels, hurling them into hell, and returning to GOD the 'ground' they conquered...
My Angels have the task of healing them from the 'terrible battles' that they struggle with the enemy day by day in temptations; to comfort them in the trials, so hard today; to assist you in the difficulties and doubts that arise in you, especially about the Eucharist and about My Person, because Satan wants to make you no longer accept the Eucharistic Jesus, denying Him... and taking

Me out of your lives ...
My Angels have the task of helping you to live all the Gifts that Saint Paul speaks of in his Letter to the Corinthians: (Chapter 12, 12-14) prophecy, the gift of tongues, discernment, healing, rest... and above all, the Gift of LOVE, of Charity, as the 'root' of all the Gifts of the Holy Spirit, and as the greatest of them all...
My Angels have the task of keeping them very deeply in My Heart.. They LOVE you, and wish you well... Proof of this is the Angel Zathanye*, who comes with Me to give Messages!... Listen to Him too, when He gives you Messages from the Lord...
My Angels have the task of prepare and lead humanity to the Great Miracle of the TRIUMPH of My Immaculate Heart!...
My Angels have the task of keeping you very deeply in My Heart... They LOVE you, and wish you well!... Proof of this is the protection of the Archangels Michael, Raphael, and Gabriel, which I make you more and more present in your lives...
Therefore, have devotion to the Angels: - Pray with Them!... Offer Masses, novenas, Rosaries of Saint Michael and Saint Rafael, so that They also make themselves present in the world and can act ...
I am the Queen of Angels, who LOVES you so much, with the Angels of GOD!..."
* (Observation - Mark): (The Angel Zathanye is my Guardian Angel, and His Name means: ' Sun of Righteousness', as revealed to me by Himself in an Appearance of His, which took place by the DIVINE Will.
GOD has arranged that He often bring some of HIS public Messages, intended for all mankind, as they are narrated in this Book. Several times, however, He was sent by GOD to prepare me for some special Apparitions of Our Lady, to help me in difficulties, and to bring me guidance and comfort, from GOD, and even from Our Lady.
The contents of these private Apparitions are not contained in the Book. They will be published later, after Our Lady's TRIUMPH, if GOD and She so wish. This Message was given at 10:40 pm)

Day 01/14/94 Twelfth Message
THE CHURCH IN MY HEART

"- The Church of My Son, Mystical Body, which perpetuates itself in time!... My children, pray a lot for the Church!...
I come to help the Church , because I see your difficulties. Each one helps the Church, according to his possibilities! Work for this DIVINE Church, My children!
... Heaven, all the sacrifices of LOVE you make for this Church!...
O children, pray for the Church, pray for the Church!... pray for the priests, for the bishops, and above all for My First Favorite Son, My Pope John Paul II, who now needs a lot of prayer; He, who is a 'particular' Grace from My Heart to the Church...
Receive My Messages; I came only to help you!... Pray that I may overcome all lies, spiritism, candomblé, and all other sects, so that the True and Christocentric LOVE of the Catholic Church takes root in every heart!.. The '
Smoke of Satan' has even entered the Sacred Precinct!... Let us once again

perfume the air with prayer, especially with the Rosary... Do not close the Church's Doors to Me!... I am the MOTHER OF THE CHURCH. .."

Day 01/15/94 Thirteenth Message
JACAREÍ, AND MY HEART

"- Jacareí is very blessed by Me, I have told you all this several times... My children, My Mother, (of the Immaculate Conception) My Sanctuary. .. it is a particular grace that came from Heaven!... Pray, that it becomes what I want...
From that altar of Mine, I spread LOVE to My children, and from that Tabernacle, I ask you to surrender your heart to Me, so that 'burn' with the FIRE of the Heart of Jesus...
This Church consoles me so much!... It reminds me of My poor house in Nazareth!... It's the same LOVE that I feel!...
Ah!... these parishes and their city would be better off if they did the Sieges of Jericho that I ask for... and if they lived My Messages, and came to pray here...
I will pray in the Matrix every day with you... I would be happy if you greeted Me with the bells at six in the morning, at noon, and at six in the afternoon, calling My children to pray with Me in the Church...
In this Church, My Refuge, the afflicted will find refuge, the thirsty for GOD will find the Mother, who gives them 'Living Water' to drink...
O children, in My Refuge, I will look at you...
(Observation - Marcos): (The Virgin continues talking about Jacareí the next day)
My Mount is a particular Grace of My Heart... It reminds Me of the countless Mounts of Nazareth, where I often withdrew to pray, in her youth, before being the Mother of GOD...
I asked them to build a Chapel there in My honor... I want them to go up to the Mount, to join the prayer, the penance!... Pray children, the Rosary for the Peace of humanity... on the Mount!...
I asked to record on the Cross (the first that was made on Mount) the words "GOD OF MERCY", so that they trust in the Mercy of GOD... so that they give Him their hearts, so that they always beg for more, the Divine Mercy...
I asked them to engrave My Name, so that they always remember that it was I Who asked for all this, and Who gave the Messages... Pray with Me on the Mount!...
O children, I look at Jacareí, full of so much economic and monetary rush, from commerce, banks... this turmoil that drowns all the onslaught of GOD in their hearts and I shout to them: - Jungle of stones!... Wake up and open your heart to your GOD!...
Every year I go through My processions, 'in a special way', and I see everything you do... If, within a radius of one kilometer, I saw generous souls, I wouldn't cry so much anymore, but... I only see indifference , ingratitude and atheism... (here, She interrupts and cries...)
The 7th is a Day of Thanks!... if you pray... Ask GOD for mercy, because I see so much prostitution, adulteries, perversion of children and youth... general pornography...
Pray!... I am the Lady of Jacareí!... Pray the Rosary every day with Me!..."

Day 16/01/94 Fourteenth Message
MY MANIFESTATIONS
"- Dear Children, I come to talk to you about My Messages and Manifestations...
So long ago, I manifested Myself as Our Lady Aparecida, in the Paraíba River... How many Miracles I did, through My Image that I made emerge from the waters ...
In Guadalupe, I left My Image painted on the cover of My little son, Juan Diego, as proof of My LOVE...
In Lourdes, I came to the poor Grotto of Massabielle, to My little daughter Bernadette... Every time I came to the Grotto , filled it with DIVINE Grace and Heavenly Peace... (pause) Today, the Grotto is your heart, which I want every day to fill with Grace and educate in LOVE... through Maternal visits during your prayers ...
In the Cova da Iria of Fátima, I said everything I had to say... today, I come to remind you of those Messages... to give you the certainty of My LOVE, opening to you My Maternal and Immaculate Heart, Sorrowful still today for your countless sins...
Now, in Medjugorje and Jacareí, I come as Queen and Messenger of Peace, so that I can help you to welcome the Gift of Peace and to seek Him... by planting it in your lives , through a sincere conversion...
My children, believe in My coming here!... It is I myself, it is I truly... They think that if My Apparitions here were a farce, I, the True Virgin Mary, Would he not have punished the liar and knocked every lie to the ground?...
My children, look: - It is I, the Virgin Mary who am here, believe me!... I know that My Apparitions here are a 'thorn' in the throat of many, but... I will pray for conversions...
Many do not believe , criticize and even mock... It doesn't matter, I don't want to force anyone to believe, but... I will pray for GOD to enlighten and touch them...
May everyone pray for Peace... Believe in My Manifestations!.. It is I who seek you with maternal despair!...
Believe and live in prayer for Peace!... If I didn't have LOVE for you, I wouldn't cry, nor would I come to give messages... If I come, it's because I LOVE you intensely, and I want to make them understand how much I LOVE them... (pause)
I want to take them to GOD so they can be saved!..."

Day 01/17/94 Fifteenth Message
THE NUMBER OF THE BEAST: 666

"- Today I want to talk to you about the number of the beast, the number 666... (six hundred and sixty-six) Dear children, it is written in the Book of Revelation , that anyone who allows himself to be marked by the number of the beast will be liable to eternal death...
My Heart shows you today how much you are in danger! let yourself be marked by the blasphemous number of the beast, represented directly by the black beast, Freemasonry, the 'new age'...
The beast is Satan himself... This sign will identify all those who sell

themselves to the devil because of pleasures and earthly goods, instead of preferring to suffer, rather than offend God...
My children will be put to the test: - Allow themselves to be marked, to receive the goods of the earth, or suffer deprivation for the LOVE of GOD... Those who have true Faith will renounce any proposal of evil. Satan's followers will think that GOD has abandoned HIS people, and that OUR children will be starving, with nothing, and completely exterminated...
But the Lord will send Me, to feed, heal the wounds and save My children. dear ones... The Mother of Heaven prepares great things for you!...
The sign of the beast will be recognized by few!... Only My dear children, illuminated by the LIGHT of the Holy Spirit, 'which I will pour out on them', will recognize this Sign in time... That's why I ask you for prayers of LOVE, to resist everything I have indicated...
But, after all that My enemy plans to do, I will save all My children, and in the end My Immaculate Heart will TRIUMPH!..."
(Mark): (Message given at 9:58 pm)

Day 18/01/94 Sixteenth Message
THE EUCHARIST AND THE INVITATION TO REPAIR

"- Dear children, today I come to speak to you about Jesus in the Eucharist and the need for reparation... Dear children, reparation is urgent now, to may GOD have mercy on you...
My children, I AM THE MOTHER OF THE EUCHARIST!... I taught you here the THIRD OF THE EUCHARIST, to show you that these Appearances of Mine here are mainly Eucharistic...
From now on From now on, everyone who prays the Rosary of the Eucharist every Thursday at seven o'clock will receive many Graces, Mercy, and above all, a happy death, as a reward for his affection for Jesus in the Eucharist...
My children, when you hear the clock strike seven at night, kneel, because this Rosary must be prayed entirely on your knees, as a sign of penance... At this moment, the doors of the Mercy of the Heart of My Son Jesus Christ will be open to pour out Mercy on all My children who are praying at this moment...
If they are already at Holy Mass, I will collect the reparation in the same way... I asked on Thursdays, because it was the day that Jesus celebrated the Last Supper , and instituted the Blessed Sacrament of the Altar, which is HE 'own' next to you...
The Blessed Sacrament is My Son in your midst!...
Every day, My Son descends from Heaven for you... GOD descends to the Eucharistic Tables, to be 'food' for thousands of hearts... Every day, Jesus is giving Himself immensely for you, in the Blessed Sacrament.. Today ,
the Crown of Thorns that surrounded the Heart of Jesus is also in My Maternal and Immaculate Heart... How many sacrileges, how many sacrilegious communions, how many desecrations, how carelessness, indifference and abandonment to Jesus in the Tabernacle!...(here She interrupts and cries...)
Ah! if you could see with My Eyes how vast is the multitude of souls that run the risk of being condemned!... and how many are condemned for sins committed against Jesus, in the Blessed Sacrament...
Jesus is now looking for souls to console Him... and what pain I feel when I say that Jesus often doesn't find them!... (pause) Jesus doesn't want to be 'alone'

in the Tabernacle... Jesus must be adored , BELOVED, exalted by everything and everyone... (pause) These souls, (those who console Him) full of LOVE for GOD, are dear to Him... and they never leave His Paternal Heart, and the 'affable Heart ' of His Heavenly Mother...
Children must go to confession, as I asked, every month, so that they do not fall into the temptation of sacrilege and so that Jesus finds a 'worthy house' to enter... Several times, Jesus enters in real 'swamps'... filthy and swine, where all the filth of Satan and his perversion is...
Satan wants to take revenge on Jesus today, 'spitting' and 'spewing' on His FACE, through communions and sacrilegious desecrations, which today spread like a fatal cancer of souls... and My Greatest Pain is that he, unfortunately, largely achieved his wish... (began to cry more)
But soon, I will put an end to his boldness, and I will cast him out of the Holy Temple of the Lord, and I will chain him in hell. OUR VICTORY is certain!...
In place of these 'impious thrones', Two Most Glorious Thrones will appear: THAT OF THE SACRED EUCHARISTIC HEART OF JESUS, AND THAT OF MY IMMACULATE HEART!...
All heresy will be defeated! All apostasy will be overthrown! and Peace will come... Everywhere, My Son, in the Blessed Sacrament, will be adored and witnessed...
Right here, I have given you Eucharistic Signs, and I still want to do so, so that you can firmly believe... (pause) but for that I need many prayers to 'win'... (pause)
Remember the Eucharistic Miracle of Lanciano, and the signs of the flames of the candles that I gave them and offered them... (pause) Pray the Rosary of the Eucharist! as I have indicated to you...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/20/94 Seventeenth Message
THE GIFT OF HOLINESS

"- My children, I want to tell you about the Gift of Holiness... Holiness is a Gift that the Lord wants to give to everyone!...Seek holiness! ... Pray the Rosary looking for this Gift!...
I said that the Rosary is a great way to Holiness, and whoever despises it will despise a great help in your Sanctification... The Rosary teaches you the three main rules of Holiness, that is:
- OBEDIENCE to GOD, to Me and to the Church...
- POVERTY, because it makes them detach themselves from everything, and recognize that everything comes from GOD...
- CHASTITY, because they are covered with My Own Purity and LOVE...
Take the example of My son Saint Sebastian today so that you may see the LIGHT!... Also imitate My Daughters Rita and Bernadette, and the Angels who appeared with Me!... Ask for His intercession and His protection!...
I Am the Queen of Saints!... Imitate Me, the sublime examples of My Holiness!... Dear children, everyone who LOVES Me seeks Holiness!... Pray!...
I bless you in the Name of the Father ... of the Son... and of the Holy Spirit..."

Day 01/26/94 Eighteenth Message
CONSECRATE EVERYTHING TO ME

"- Dear children, today I come to ask you for your consecration to Me...
My children, help Me to save the world!... their lives, their hearts, their families, and their Faith!...
Consecrate the most sinful countries to Me, so that they may convert! Consecrate their cities and their relatives to Me! I fight for your conversion and for your Sanctification, until the end...
What Grace could be greater than this: - To live for Me and through Me?...
There is no 'stone' that is not overcome, when I go along the way with you... O children, if you give Me your hearts, through the Consecration, I will help you to reach Holiness...
Do not be discouraged in the face of the difficulties of the world! Do not give up, My children, in the face of the evil and injustice of the world...
Until now, AIDS and cancer remain without a cure, victimizing and killing thousands of My poor children... If the world were not so evil and perverse, I would most certainly tell you... in all the details, how these diseases are cured...
There is no human cure... only GOD can cure them! but... as they don't seek either God or salvation, I can't reveal anything to them, the Lord continues to allow this 'horrific scourge', just punishment for those who sin the most...
Pray a lot!... Pray a lot!. .. The Holy Rosary will be able to destroy the temptations of the way, in union with the Most Holy Eucharist...
From now on, consecrate everything to Me!... Where something is consecrated, I myself dwell there... (pause)
I bless you in the Name of the Father... of the Son... and of the Holy Spirit.. ."

Day 27/01/94 Nineteenth Message
OBEDIENCE TO ME,
THE TRIUMPH OF MY IMMACULATE HEART,
AND THE WAITING FOR THE COMING OF JESUS

"- My children, today I come to tell you about obedience to Me... See, dear children , in the Messages that I have given you this month, how much I LOVE you and how much I want to help you on the path to Holiness...
I invite you to an unlimited obedience to Me, because, by obeying GOD, to Whom I am obedient, you will be obeying...
My children, obedience leads to Holiness!... Your obedience to Me will lead to the TRIUMPH of My Immaculate Heart, which is about to come upon the world...
The TRIUMPH of My Immaculate Heart will be the 'Great Wonder' that My Lord will grant to Earth!...
The TRIUMPH of My Immaculate Heart will be the cure for many diseases that are now incurable, deadly and scourges for men... In My TRIUMPH they will no longer exist, for there will only be children faithful to the Lord... DIVINE trials' for men... all will be Full of Grace!...
In the TRIUMPH of My Immaculate Heart, sins will be extinguished, together with their author, and the Age of Grace will finally arrive, crushing the 'new era' of Lucifer, who now wants to destroy Our Holy Church!...
THE TRIUMPH of My Immaculate Heart will be the covering of an Extreme Holiness of the Church!...
Saints and more Saints!... Martyrs and more Martyrs! they will rise under the

most powerful influx of the Holy Spirit, 'which I will breathe into them', and they will give their lives for the Church, under My Sweet and Maternal Look...
The TRIUMPH of My Immaculate Heart will be the Worldwide Pentecost, with humanity prepared by Me for the 'arrival of Jesus'... This time will be between My TRIUMPH and HIS DEFINITIVE COMING... I don't know the date... but I know it is near!...
It will be the reward of all those who now pray with Me, suffer with Me, repair with Me, and offer themselves to Me!...
I invite you to kneel with Me, 'in these Times', so that we may obtain the VICTORY of Jesus and Mine... Pray the Rosary a lot for this intention!...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/30/94 Twentieth Message
KEEP WHAT I COMMUNICATED TO YOU:
FIGHT WITH COURAGE

"- My children, today, I want to conclude these 'Urgent Messages', which I communicated for your good... for your salvation...
Everything I have said in these Messages must be communicated very quickly, because I don't want anyone to condemn themselves for omission of LOVE...
My children, for years I have been inviting you to holiness, conversion, prayer, but... you are still very far from perfection.. Dear children ,
LOVE very much... intensely! Soon, when My TRIUMPH happens, I will unchain the prisoners of sin, and I will bring them to the Father's Lap...
Happiness will finally reign in the world!... I will never make you suffer, so believe in Me, and make sacrifices, prayers of LOVE, penances of LOVE!...
Live in such a way that I can live with you !... I will 'perfume' your homes and hearts with My LOVE...
I want to save you, My children, and you cannot even imagine or feel how much I LOVE you! and how much I want to save you... Fear nothing!... I will never leave you alone, nor helpless...
I want to ask you to make family prayer hours, as a powerful 'barrier' against the 'smoke of Satan', who now wants to enter all families and destroy them...
I wish that on Mondays they celebrate the Holy Spirit, on Tuesdays the Angels, on Wednesdays the Saints, on Thursdays the Blessed Sacrament, on Fridays and Thursdays My Spouse Saint Joseph and the Passion of Jesus...
On Saturdays, you will remember His Mother in Heaven, and My Immaculate Heart... On Sunday, the Day of Jesus, I will join you, as a solicitous and inclined mother, to rest your soul , and help them...
If you do this, communicating the Messages to everyone, you will really help Me to save the world...
I need your personal renunciation of Satan!... Therefore, dear children, pray every time more intensely, so that I may obtain My VICTORY, and bring to the world days of Peace, Mercy and LOVE...
These 'Times' are Mine, for they are marked by My Great Presence... Live in prayer and perseverance these 'times' of Profound Grace...
This is the time favorable to conversion, while I am so present with you... Don't leave the conversion for later, because later! it will be too late...
Keep everything I have communicated to you, and fight with courage!... I bless

you in the Name of the Father... of the Son... and of the Holy Spirit...
Rest in the Peace of the Lord. .."

03/02/94

"- My children, today I invite you to abandon yourselves to Me... I wish you all to let Me guide you towards GOD!..."

"- As for this one, you will never reveal Him to anyone!... Keep it in your heart... it's just for you. Do you promise to keep it a secret?"

Marcos: "- Yes, Madam!"- I replied

Third Anniversary of the Apparitions

(Mark): (Our Lady appeared five times this day. The first few times, She appeared at home, speaking and exhorting like a true Mother. At night, after Holy Mass, Our Lady appeared, all dressed in a golden dress. Smiling , said:)

(Mark): "- Forever be praised!"

"- Dear children, today I invite you to thank GOD with Me for the three years that He allowed Me to stay here with you. Thank GOD for allowing Me to stay here for so long with you... This is a Great Grace, dear children, that you don't know how to thank GOD enough... This GRACE is a great Grace...

Marcos Tadeu's Birthday Day

(Marcos): (I had been with my friends for a small celebration. The Lady appeared at 11:20 pm. She wished me a happy birthday, and then we

continued to talk about some intimate things between us. She told me about the Fifth SECRET . He embraced me with affection, and gave me His Blessing)

02/13/94

"- I am the Star of the World... I am the Star that GOD puts now in the Heaven of the world, so that sinners find the way that leads to HIM... the path of conversion!... Return to the Lord on the road of sincere conversion!...

A Sword of Pain cuts My Soul, when I see that My Messages are not believed, and My Signs are denied...

My children, help Me in the hard task of renewing the world! Therefore, I invite everyone to form a powerful 'chain' of Rosaries, so that we can overcome the enemy's strength!...

I need to change your hearts, but... I need the "yes" of each of you ... Pray! and give me that "yes"...

Jesus and I want to lead you to Peace of heart..."

(Marcos): (Message given in Louveira - SP)

02/14/94

"- Humanity has moved away from GOD , and now sins horribly... I can no longer bear to hold the Arm of DIVINE Justice... My DIVINE Son is about to unleash HIS Righteous Wrath on the world...

How much I have suffered because of you!... and they don't pay any attention to Me, and the sufferings I go through, to obtain Mercy for the world... They don't pray the Rosary... nor give their hearts to Me.. .(pause)

Pray and do penance!... if you want to be saved... (here She interrupts and cries...)

Quickly practice this Message!... Don't offend GOD anymore!... offended too much..."

02/16/94

"- My son, praise our Lord Jesus Christ!..."

(Marcos) "- Praise him forever!"

"- Today, I'm here to ask for hours of adoration to Jesus in the Tabernacle... because there is hardly anyone left to console Him...

This time is the 'Time of the Eucharist'!... Whoever wants these FIRE Graces, pray to Jesus in the Eucharist!...

Here, I brought the Rosary of the Eucharist... Pray it! to always be with Jesus... In response, HE will grant you Graces..."

(Mark) "- Dear Lady, I missed you very much. How I missed you..."

"- Here I am again, My son. I'll never leave you! don't be afraid... Pray a prayer to Jesus, who is here now on the Altar Table!..."

(Marcos) "- What prayer do you want?"

"- That of the Blessing of the Blessed Sacrament!...

(Mark): (Then I began: "

Blessed be GOD,

Blessed be His Holy Name.

Blessed be Jesus Christ, true GOD and true man.

Blessed be the NAME of Jesus.

Blessed be His Most Sacred Heart.

Blessed be Jesus, in the Blessed Sacrament of the Altar.

Blessed be the Holy Spirit Paraclete.

Blessed be the Great Mother of GOD, Holy Mary.

Blessed be Her Holy and Immaculate Conception.

Blessed be HIS Glorious Assumption.

Blessed be the NAME of Mary, Virgin and Mother.

Blessed be Saint Joseph, HER Most Chaste Spouse.

Blessed be GOD, in HIS Angels and HIS Saints. Amen"

(After praying this prayer that She asked of me, She then added:)

"- Adore My Son on the Holy Table... Give Him your heart!... Exalt Him!... Glorify Him!... HE wants to be your Lord... Be His servant!..."

(Marcos): (She sent me a kiss with her hand, wished me peace and left... She was hovering right over the Altar da Matriz. She was dressed as usual.

At 10:50 pm the Virgin reappeared He held in his hands a brown cross, without Jesus. He proclaimed in a strong voice:)

"- PENITENCE!... PENITENCE!... PENANCE!... "

02/17/94

"- My children, always seek the LOVE of GOD, so that you can live in perfect serenity!...

Adore the Blessed Sacrament... My Son is very happy with the adoration He receives from the faithful...

My children, Jesus LOVES you! them to understand the 'sweetness' and 'greatness' of this Infinite LOVE...

Children, Jesus is really present in the Blessed Sacrament... HE looks at you... helps you, and wants to transmit Peace to you...

Little children, Communion is the 'hour' of the most stupendous Miracle... Jesus is so united with you that you become 'mystically into one'!...

Pray a lot! because Jesus loves you so much..."

02/18/94

(Mark): (Our Lady appeared at 10:30 pm, after a long period of prayer. Appearing in an interior vision, she told me about the Fifth SECRET, revealed on the day 06/02/94, comment that I cannot reveal.

Several people saw a tiny Angel, right in front of the Mystic Rose, an 'angelic silhouette', white, resplendent. A light cloud turned to pink, appearing and disappearing at the same time very quickly. Several people wept with emotion during the prayer, vividly feeling the presence of the Mother of Heaven and the Angels.

On 09-02-94, the stars danced for the first time. All who came down from the mountain saw and praised God. Many were converted that day. A tiny Rosary of 7 beads was noticed in Heaven. We remember Nossa Senhora das Dores and Rosa Mística, whose rosaries are made of 7 beads and 7 mysteries.

A luminous cloud appeared over the Mount of Apparitions on 02-02-94, Wednesday. The luminous cloud shone like the sun, or as if the sun were inside the cloud.

The sun's rays came from the east, exactly where the Mount of Apparitions is, while the west was dark. How, at "six o'clock in the afternoon", could the Sun be rising again in the opposite place from normal? I called my mother, who also saw the phenomenon. I called a few more people who also saw it. Then I left for Holy Mass, and I thanked GOD and Our Mother for Their LOVE. When asked, the Lady replied:)

"- Indeed, this was a Sign of My LOVE. The Sun was in the setting... who was 'shining' in the cloud so intensely was Myself!...

I am the Star that illuminates your path... In difficulties, when everything seems lost, look to Me, and I will illuminate you!..."

(Mark): (This February 18th, the Messages that the Lady transmitted were these:)

First Apparition of this day

"- My children, pray the Rosary every day, so that God's Blessing and Mine may come upon the World... Pray the Rosary!... I want to bless you through it!.. ."

(Mark): (Our Lady showed a large group of souls going from Purgatory to Heaven. The Lady said that we should never think that our prayers are not changing anything. She, in one way or another, uses for the conversion of the world. She, who is Our Mother, always knows how to apply them)

Second Apparition

"- My children, today I come to invite you to a deeper prayer... to the prayer of the heart...

Dear children , pray... pray always for Peace!... Pray to the end of your souls!... Pray, putting all your love, all your heart to pray!...

Look at OUR Hearts Comforted by your prayer..."

(Marcos): (I saw the United Hearts full of 'thorns'. The Hearts were pricked by thorns. As the Lady showed our prayers, the thorns were falling from the Hearts, until they were left with few thorns, which still Our Lady wants us

to continue to hold these afternoons of prayer, not only to repair Hearts, but also to obtain Graces for humanity, because only by making reparation can we make the Almighty propitious again)

03/23/94

(Marcos): (Our Lady appeared at 10:50 pm. I was talking to friends, close to my house, from where you can see the Mount of Apparitions. Suddenly, Our Lady appeared, on top of a canopy of trees, up there , and I was still on the street.

I knelt down and saw her at the top of the hill. She started talking to me, and I could hear her clearly, as if she were next to me, as in all the other Apparitions. She said :)

"- My son, praise our Lord Jesus Christ!..."

(Mark): (I replied as usual: "- Forever be praised!" She gave a Message to a priest. Then she gave a Message for people in the prayer group and around the world)

"- My children, you have answered My Request to pray... I feel 'happy', and I feel a Mother very consoled by you...

Dry Me the Sorrowful Tears that humanity tears... My children, I send you a 'spiritual daisy', as a symbol of My inexhaustible LOVE...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

24/03/94

(Marcos): (The Lady appeared in the afternoon. She said that we should continue to pray for Her Maternal Plans to come true, and that the devil can do nothing to interfere with the Plans that Jesus and She made to save souls. She asked for the Rosary. Her robes shimmered and rippled, tossed by the wind. The wind lifted her white belt. She spoke:)

"- Dear children, today I come to ask you for more prayers... Satan wants to interfere with My Plans and make you abandon My Service, thinking that it is not I who am doing all this...

Do not be discouraged, My children! Keep praying , more and more intensely!... Jesus and I have made many Plans for you... to save souls... Pray the Rosary! so that they may be saved..."

(Mark): (I asked him about the strong temptations that we were feeling in the prayer group. The Blessed Virgin spoke:)

"- These temptations come from the enemy, in order to discourage you and get you out of prayer... , they will no longer pray... so souls are not saved and the devil triumphs...

No, children! Never stop praying!... Pray more and more intensely when you feel his presence! I will come to your rescue and relieve you..."

(Mark): (She disappeared. We finished the prayer. In the evening, however, she appeared again, and spoke like a Mother, to the prayer group, consoling, encouraging and correcting them. us. Thank you Mother of Heaven...)

03/25/94

(Marcos): (Our Lady appeared in the afternoon. She consoled me for the sadness of having the Cross of the Mount all broken by the worshipers of Satan. She said that we should be strong, because he will try to destroy us, but GOD will come to our help.

At night, she appeared again. She had promised days before, that she would show me the moment of the Annunciation and Incarnation of Jesus. The Most Holy Mother of Heaven greeted us with "Jesus be praised". and continued:)

MESSAGE AND VISION

"- My son, as I promised you a few days ago, I will show you the Annunciation; the moment when the Word descended from Heaven, and came to dwell in My

Maternal Bosom... My child, and learn from Me to say a generous YES to the Lord...

Everyone must say YES to what GOD asks of them..."

(Marcos): (The Blessed Virgin opened a kind of 'big window' or a big screen. Several scenes began to unfold.

I saw the little town of Nazareth. It was a cluster of stone houses. People hammering planks; children running from a side to side; women with pitchers of water on their heads, and baskets in their hands.

The vision brought a little house to Me. At its door was a 'beautiful young woman' with blue eyes, who healed wounds and gave some food to a beggar. She gave him some robes to cover himself, and went in shedding tears, pitying that man's suffering.

He began to pray. She was wearing a white dress, a pink veil and a blue cloak, covering her shoulders. She had her hands folded. Her hair was black. She looked to be about fifteen years old. Suddenly, during her prayer, a strong wind shook her hair and shook the veil from her head. She looked scared... What could it have been? She replaced the veil on her head and went back to praying.

Suddenly, the wind passed again, now ruffling the veil and cloak. She looked: a Great Light was lit, and in the midst of it, the Archangel St. Gabriel appeared. She was overcome with awe and ecstasy at this moment. Motionless, she contemplated the beautiful Archangel.

The Archangel St. Gabriel had something like a white lily, or rather, a 'flower made of light'. She knelt before her and said:

(Archangel Saint Gabriel)"- Hail, full of grace, the Lord is with you, blessed are you among all women..."

(Mark): (She was thoughtful, reflecting on what that greeting meant. and continued:)

(Archangel Saint Gabriel)"- You are pure, Mary, and the Most High Lord loves you very much! You have found grace before the Lord... Behold, you will conceive and give birth to a Son, in whom you will name Jesus ...

HE will be great, he will be called the Son of the Most High, and the Lord GOD will give him the throne of his father David, and he will reign over the house of Jacob forever, and of his kingdom there will be no end..."

(Mark): (She asked:)

(Our Lady)"- How will that happen, if I don't know a man?..."

(Mark): (The Angel replied:)

(Archangel Saint Gabriel)"- Do not be afraid, Mary! The Holy Spirit will descend upon you, and the STRENGTH of the Most High will cover you with HIS Shadow... It is HIS POWER that will make you conceive, therefore, the HOLY HOLY to be born of you will be called the Son of GOD...

Behold, Elizabeth, your relative, has conceived a son in her old age, and she is already in the sixth month who is conceived and called barren, because with God nothing is impossible

... and the Lord, your God, all peoples will be saved through Jesus, and you, with your YES, will become the MOTHER of GOD... The eyes of the Lord were on you, and the Benevolence of the Most High chose you. .."

(Mark): (She replied:)

"- Here is the Servant of the Lord! Let it be done to Me according to YOUR WORD!... Rather die and suffer, than not to LOVE and OBEY YOU, Lord!. .."

(Mark): (I saw the Holy Spirit descend in the form of a Luminous Dove. He transformed himself into a Tongue of FIRE, which landed on the Blessed Virgin.

Immediately, His Eyes became illuminated, His face serene, smooth, bathed in LIGHT. Angel departed from Her... and the Word became Flesh at that hour. I saw the Lord Jesus ALIVE in the Most Holy Soul of the Holy Virgin. She adored Him, immersed in the infinite Ocean of the Lord's DIVINITY.

Suddenly, the scene disappeared, with the closing of the 'big canvas', and Our Lady exhorted us to obedience, then returned to Heaven.)

03/30/94

"- My children, even today I am the Sorrowful Mother!... Your sins and your faults continue to tear you apart my heart...

O generous souls, arise from all parts of the Earth to console Your Mother!... Dry My Tears with the 'handkerchief' of the Rosary!... Caress My Face with your reparation!... Support My disconsolate sobs with prayer and penance... Embrace Me with your conversion and repentance!...

Today, more than ever, I desire to help you in your suffering... I was the one who most suffered after Jesus... Your sufferings have no comparison with Mine!... I conquered... and you, in the same way, will suffer and conquer!...

Pray the Rosary, and immediately, I will come like a 'lightning' to help you!...(pause) Today, I bless you with the Blessing of the Cross, in the Name of the Father... of the Son... and of the Holy Spirit..."

01/04/94 Friday Santa

"- My dear children, today I come to reveal the 'sea of sufferings' that My Son suffered for LOVE to you...

My son, write everything that I reveal to you... Feel with Me the Extreme Anguish of the Heart of Jesus in His Passion...

Repent of your sins... Return to GOD, and tell humanity to do the same!..."

Revelation of the Secret Sufferings

of Our Lord Jesus Christ in His Passion

(Mark): (I saw Our Lady opened a 'big window', as if it were a movie screen. I saw a dark night and the Lord was passing through a place full of trees. He crossed it, entered a large house. He climbed a staircase.

Jesus was wearing a white robe, a blue robe. His blue eyes sparkled. His beard was small and neat. Her hair was dark like Our Lady's. His height: 1.80 m approximately. The Twelve Apostles accompanied Him.

They began to tidy up the great room. They placed a large white tablecloth on a table. Three of the Apostles placed jars on the table. They brought bread. An Apostle, the youngest, poured wine into a cup.

On the way, they had disputed among themselves who would be the most important of them in the KINGDOM of Jesus. The Lord Jesus took a basin near the table, filled it with water and began to wash the disciples' feet. The first was Bartholomew

When he reached the feet of Judas, who was the second to last, he seemed to get a little more 'saddened'. She went to wash Peter's feet, and he refused. Jesus told him that if he didn't wash his feet, he would have no part with HIM. He then asked Jesus to wash not only his feet, but his head and hands as well.

Jesus knew who would betray him, so he said that not everyone was clean. Jesus began to speak:)

(Our Lord Jesus Christ)"- Whoever wants to be the greatest, let him be the least of all. Whoever wants to be Lord, be the slave of all. The least, for ME, is always the greatest."

Everyone was embarrassed by their pride. Jesus was sadder from then on. He said he longed for that Supper, for he would no longer eat it on earth.

Our Lady continued to show me... Jesus took a large loaf of bread. He looked to Heaven and pronounced the eternally Sacred words:

(Our Lord Jesus Christ)"- Take and eat, this is My Body... Take and drink, this is My Blood, Blood of the New and Eternal Covenant, which is poured out for you..."

Then he addressed the words of comfort and hope that are contained in the Gospel of Saint John. He said that one of the Apostles would betray Him. Everyone, astonished, began to wonder who it was.

As John was closer to Jesus, Peter asked him to ask who it would be, with a nod of his head.

John asked, and Jesus replied that he would be the one who put his hand on the plate with HIM. When Jesus took His Hand, Judas put His hand in the sauce dish with Jesus and everyone was disconcerted.

Jesus told him to do immediately what he was going to do. He ran away... He was with Satan's own hatred. He went to speak with the leaders of the Pharisees, who were dealing with how to arrest Jesus.

In the Upper Room, Jesus exhorted the disciples to extreme confidence. They kept the things of the Supper... Jesus also prayed in the silence of the Heart for the Church, which would continue to renew His Sacrifice, for all the centuries until He returns again. The Apostles did not understand why Judas left.

They all left the house. Jesus began to descend through a dark valley full of trees. He entered the Garden of Olives. The Apostles stayed at the beginning of the Horto. Jesus entered with those closest to him. He left them and asked them to pray a lot. He walked away Alone, saying:

(Our Lord Jesus Christ)"- My SOUL is sad until death..."

He felt the devil tempt HIM, so that HE would cower and abandon the Plan of GOD. Jesus saw humanity, the innumerable multitude of souls who would condemn themselves despite the Sacrifice of HIS Life. He saw the Heart of HIS Holy Mother pierced with Pain...

I saw Our Lady in Her house, being warned by an Angel that Her Son was in Agony, and that Her Sorrowful Passion was beginning. GOD asked Him to stay all night in prayer, collaborating in intimate union with Jesus. The agony she felt from that moment along with HIM was mortal. Jesus and Our Lady were tortured by atrocious Sorrows.

I saw Jesus look for the Apostles. They slept... Jesus looked sadly, and regretted the fact that they were not praying. He said to them:

(Our Lord Jesus Christ)"- Can you not pray and watch with ME even for one hour? Without prayer, what 'strength' will you have? Watch and pray, lest you fall into temptation..."

He walked away again. He prostrated himself on a large, icy stone. She

prayed and asked the Eternal FATHER that if he could, remove that 'cup'... However, HIS Will should not be done... HIS agony was so intense, he could not get up from the ground.

For the second time, she sought comfort from the Disciples, but found them in an even deeper sleep. She returned to the same place and continued to pray. HIS Sweat started to turn red, with drops of Blood staining HIS Face. THEIR Dresses were also stained with Blood. He spent a lot of time in that Cruenta Agony. The Sweat disappeared, dried Him up, and I no longer saw the traces of Blood.

He sought the comfort of the Disciples. She woke them up and they woke up. They went to the garden door. Judas arrived with a large group of armed men to arrest Our Lord Jesus Christ. Judas kissed Him on the Face.

Jesus immediately asked them whom they had come for. Given his answer, Jesus replied that it was HE. They fell by Earth, by the Power that invaded the place. They all remained prostrate for some time, except the disciples, who remained standing.

They got up, still stunned, and Jesus asked them again who they had come for. They replied again that they were looking for Jesus of Nazareth. HE told them that he was himself, and therefore, let others go free.

Peter cut off the ear of one of them, and Our Lord healed it, and commanded Peter to put the sword back in its sheath. He did it with authority, admonishing him that whoever lived by the sword would die by the sword... He reminded him of HIS POWER and CONDITION, saying:

(Our Lord Jesus Christ)"- Do you believe that I cannot invoke My FATHER, and would He not immediately send Me more than twelve Legions of Angels?...

But how would the Scriptures be fulfilled, according to which this must be so? Would I not drink from the Cup that My FATHER gives Me to drink?. .."

They brutally tied the Hands of Jesus. The Apostles fled in fear, hiding behind the bushes in the gardens. John and Peter followed Him from afar. A young man named Mark, wrapped in a sheet, was caught while following Jesus, but managed to escape.

They punched him, slapped him, so that he could walk faster. They said:

(Soldiers and Pharisees) "- Come, King of the Jews! Where are your knights to lead you now?"

Jesus stumbled many times, because he was pulled by the ropes of the Hands, he was then kicked, trodden on, and stones were thrown at him. Jesus listened to everything in silence. Insulted, he never complained.

They climbed a lot of stairs. They arrived at the Palace of Annas. He

questioned him, but Jesus remained in deep silence. The scene of the slap of the servant of Annas took place, and behold, they began to beat him, enraged by the silence of Jesus. Annas said to him:

(High Priest Annas)"- Finally, false King of the Jews, you have fallen into my hands!"

They dragged him into the palace, to Caiaphas and the leaders of the Jews. They interrogated him. Caiaphas' eyes gleamed with intense hatred. He brought in several false witnesses. Jesus was silent listening to everything. Caiaphas summoned him to say whether he was the Son of God. Jesus said to him:

(Our Lord Jesus Christ)"- You say so! One day you will see ME seated at the right hand of the FATHER, coming on the clouds of Heaven."

(Caiaphas)"- He blasphemed!"

... cried Caiaphas, tearing his own clothes, and pronouncing the sentence of death. Everyone shouted that he was a prisoner of death. They had him taken to Pilate, but as it was already late, they decided to wait for day to dawn. Some shouted:

(Multitude of the Pharisees) "- You are going to die, false King and Son of GOD!" Caiaphas ordered:

(Caiaphas) "- Take him to the dungeon!" Caiaphas threw him a white cloth, and the soldiers punched him, saying:

(Soldiers and Pharisees) "- Guess Christ, who hit YOU?" The Pharisees writhed with laughter. They spattered His face so many times, the horror was insurmountable... Our Lady then said:)

(Our Lady)"- They took Him underground... In the dungeon, the tortures happened one after another

... My Son down a staircase, with his legs tied... They threw him into an underground cave, full of filth... They took those excrements, and forced him into his mouth...

They continued to beat HIM... They tied HIM to a column, overheated a metal plate, and placed it under HIS Feet... Oh, what an unparalleled Pain took hold of My Son!... metal plate, it was filled with pieces of Flesh and Skin from HER DIVINE Feet... (here She interrupts and cries...)

My children, after this horrible torment, how can you continue to sin, to renew My Son's great Suffering ?...

They grabbed him by the hair, and then dragged him into the dungeon... They were whipping him across the floor, now impregnated with pieces of flesh and

blood... -Given him unceasingly...

They placed the Hands of Jesus on the hot plate, peeling the skin from His Hands... They tied Him upside down to a post, marked Him with heated iron spikes...

They sat Him on a chair with sharp nails, which they pierced HIS DIVINE Body... They pierced Him little by little, with spearheads...

My Son was unrecognizable... The human appearance had disappeared...

They threw Him in a cell for half an hour. .. These cells were very dark, and Jesus was plunged into agony, until they took Him to Pilate. He could barely see the way, so many were the kicks he was given...

Pilate was not at all happy to be bothered by the Jews. Pilate looked at My Son, full of spit, spit, Blood, purple stains everywhere on His Most Holy Body...

The Jews began to accuse him unjustly... Pilate did not want to get involved... he ordered them to judge him themselves, however, they wanted him to condemn him to death...

Pilate sent him to Herod when he learned that Jesus was a Galilean. They pushed Him with extreme brutality... Pilate knew that My Son was innocent, therefore, in his conscience, he did not even want to touch Jesus...

Herod, in turn, asked Him many questions, but... Jesus he did not answer him, because he was a dishonest man...

Herod threw him a white curtain, spat on him, and sent him to Pilate again. The people shouted that he should be condemned at all costs. Pilate insisted:

(Pontius Pilate) "But am I going to crucify your King?" They shouted that they had no King but Caesar...

Pilate sent for Barabbas, a dangerous thief, and placed him at the side of My Son. Pilate told the people to choose which of the two they wanted him to release. They chose Barabbas... Pilate ordered My Son to be flogged...

They tied him to a large pillar with his hands in the air. They tore His clothes, and whipped Him without mercy... With each lash, Jesus shuddered, and was ravaged by an unparalleled Pain... Pieces of Flesh and Blood flew over the executioners

... column, and fell into the 'pool' of Blood that formed at HIS Feet, as if it were an 'annihilated worm'.... Behold, My children, each wound, each Wound... Worship this Blood, which was the ' price' of your salvation!...

My children, Jesus suffered all this because of the sins of impurity, of pornography... (pause)

Be pure!... Be like the lilies, candid and without blemish! Imitate the purity of Jesus... Look how he suffered so much in His Immaculate Flesh!...

They threw Him sitting on a slab full of sharp nails, which stuck into the Legs and Body of the Lord... What an unparalleled Pain!. ..

A soldier braided a 'crown of thorns', and, with all his strength, placed it on the Head of Jesus... HIS legs were pierced by nails...

His tongue was pierced with nails and thorns from the 'crown. '... They also scourged Him with branches of thorns... (pause)

Convert! Repent of your sins!..."

(Observation - Marcos): (How long this Apparition lasted, I couldn't say, maybe about 30 minutes and it took place at 7:00 pm. When these things happen to me, the notion of time and space are no longer the same, I can't say only that while Our Lady was speaking, the scenes unfolded in front of me on that 'big canvas' that Our Lady opened)

02/04/94 Holy Saturday

Continuation of the Revelation

of the Secret Sorrows of Our Lord Jesus Christ

(Mark): (Our Lady appeared, the 'big window' opened again, the scenes came back, and as everything unfolded, She told me :)

(Our Lady)"- After Jesus had been 'crowned', they spat on His face, punched and kicked Him... Their diabolic laughter and laughter, killed Him before the time... They said:

(Soldiers and Pharisees) "- Hail, King of the Jews! Where are YOUR subjects? Are YOUR subjects really that faithful to YOU? Oh, will the King of the Jews die? Yes go!!!"

(Our Lady)"- They laughed, they beat Him and beat Him on the head... They threw a purple cloak on His back, in the style of a King... Jesus was already stunned from so many blows, and from so much pain.. The Blood that flowed from the 'crown of thorns' glued His Eyes, and prevented Him from seeing anything. Pilate ordered Him to be brought out. He shouted:

(Pontius Pilate) "- Behold the Man!" :

(Crowd of Pharisees) "- Crucify Him!!!" Crucify Him!!!"

...it was at that moment that I arrived brought by John, Mary Magdalene and other women, although I had seen everything that happened to Him during the

night and in the morning, through the visions that the Most High granted Me...

I saw My Son being condemned... What a Pain for Him, seeing that hallucinated crowd asking for His Death!... My Immaculate Heart 'shuddered' from such a great Pain, that no one will ever be able to feel, know, or scrutinize..

Pilate washed his hands, saying he was innocent of the Blood of Jesus . They brought Him the Cross... They put it on His Shoulders, and shouted for Him to take it...

He could barely see the way... It was not a beam, as many think, but an entire Cross. Jesus was to them as the most wanted "criminal" in the entire region, so, since they managed to arrest him, they put all the hate possible on him. They put an entire Cross for Him to carry...

The whole people were screaming along the way... They threw stones at His Legs...

The dust stuck to the Blood that flowed from the 'crown of thorns', and completely blocked His view of the path. He fell 3 times... Every time he fell, he was beaten and stoned in the legs. These blows sank the nails even deeper into Jesus' Legs... HE no longer had their government, and so he could no longer walk...

A man named Cyrene appeared, and the soldiers, afraid that Jesus would die for the On the way, they forced him to carry the Cross behind Jesus... I ran to meet My Son, and waited for him at a point along the way with John, Mary Magdalene and my sister (relative), Mary of Cleophas...

He approached the bloody procession: not a word. The Eyes spoke... The Heart spoke... He looked at Me in the depths of the Eyes, and in the Heart He spoke:

"- My Mother!..." and I, in an impulse of Pain and LOVE, said to Him:

"- My Son..."

The soldiers pushed Him to walk faster. The people pushed Him from one side to the other with the Cross... This caused Me Mortal Anguish, without knowing what to do... I

offered to the Heavenly Father OUR Two United Hearts, Wounded and Crushed, by Pain!... There will never be another OFFERING on the face of the Earth, capable of operating (supplying, repairing, satisfying the DIVINE Justice) your REDEMPTION (the REDEMPTION of the human race) with GOD...*

*(The meaning of what Our Lady said here: None another Sacrifice can never equal Hers and Jesus')

A woman, Veronica, passes among the soldiers with heroic courage, and wipes the Face of Jesus... Jesus leaves her Face imprinted on the towel... He showed everyone the towel with the Face imprinted on it, so that they would believe , but... with a push from the soldiers, he falls to the ground... and the 'bloody procession' continues advancing...

Maria Magdalena helped Veronica to stand up. I said to her:

"- GOD bless you, My Daughter, for Your witness in the midst of the voracious wolves! GOD give You Eternal Life!..."

Many women came crying for HIS suffering... I saw My Son fall a second time under the Cross... The women rushed forward to help him, but the soldiers stopped them... Jesus turned to them and said:

(Our Lord Jesus Christ)"- Daughters of Jerusalem... Do not weep for ME... Weep rather for yourselves, and for your children... because if this is how the Just and Holy... should sinners wait?

If I, who AM Most Pure, am treated like this, what terrible end will not be for sinners?..."

It fell a third time.... My Tears flowed without stopping... became Bloody Tears , which I hid with My Mantle... When they

reached the top of Calvary, they crucified the two thieves. They brutally ripped off Jesus' tunic...

Have you ever had a bandage snapped off your wounds after you'd been intimately glued to them? So you can imagine what it was like for My Son Jesus, to rip off His clothes, glued to HIS skinned and wounds... The soldiers said among themselves:

(Soldiers) "- Let's leave Him naked, so that all look!"

When I heard this, I ran and gave Him My Candido Veil, so that His nakedness could be covered... They pushed Me away... however, seeing My Affliction, strangely, they understood My gesture and desolation, and did not completely take Him away. the garments, leaving those that HE was wearing under his tunic...

The crucifixion began... They pushed Jesus and stretched him on the Cross... With great brutality, they stretched out his hands and feet, and with strong hammers, nailed -His hands and feet...

The Blood flowed incessantly... At the same time, My Sorrowful and Immaculate Heart felt the same hammers breaking, crushing, and wounding Him... Nailed to the Cross, they were punching, clubbing and kicking Him. in the Body...

They began to lift the Cross with ropes tied to it. They suspended the Cross and threw it into a prepared hole... I heard the strong impact of the Cross on the ground, which made Him 'shudder' violently with Pain...

From the top of the Cross, HE looked at the entire crowd that had gathered on Calvary. No one had come to console, just to judge, to condemn... The soldiers and the Pharisees said among themselves and then shouted, tempting Jesus:

(Soldiers and Pharisees)"- You who saved others, save yourself and we will believe... Come down from the Cross!" Everyone laughed... Jesus murmured from the top of the Cross:

(Our Lord Jesus Christ)"- FATHER, forgive them, for they do not know what they are doing!..."

We were admitted to the foot of the Cross, like the family of the dying man...One of the thieves also insulted Jesus, saying:

(The bad thief) "- Aren't you the Christ? Save yourself, and us too!" But the other, Dimas, saw Jesus' patience in enduring so many insults, in praying for his own enemies... He saw his own life lived without GOD, and he thought:

"- This man who even forgives his enemies, who endures all this, is the Son of GOD!"

Dimas looked at Me at the foot of the Cross and murmured, asking Me to obtain My Son's forgiveness... I looked at My Son and asked Him to forgive him. Then Dimas replied to the other thief:

(The Good Thief - Saint Dimas) "- You, being on the verge of death, don't you fear GOD? We are suffering because we deserve it, but Jesus did nothing wrong..." and turning to My Son, he said:

(The good thief - Saint Dimas) "- Lord, remember me, when you are in YOUR KINGDOM!" Jesus answered him:

(Our Lord Jesus Christ)"- Truly, truly I say to you: today you will be WITH ME in Paradise!..." An immense darkness enveloped the Earth, until the Hour of Jesus' Death... from time to time, thunder could be heard and lightning flashed...

Jesus saw Me at the foot of the Cross... He looked at Me and said:

(Our Lord Jesus Christ)"- Woman, behold your son!..." And then he said to John:

(Our Lord Jesus Christ)"- Behold your mother..."

...from that moment on, I became the Mother of all men... The Blood that

flowed from Her Sacred Body, joined My Tears of Blood, which dripped onto the dusty floor of Calvary...

At that moment , My Pain reached such a height that no mind, neither human nor angelic, will ever be able to scrutinize...

In that instant too, the crosses of all future souls were shown to Me by the Most High, and how much My Maternal Presence with them would help them to also offer themselves, in union with My Jesus...

From now on, I must be close to all the sick and dying, to help them suffer and die, like a grain of wheat that has fallen into the earth, so that many souls may be resurrected and saved...

O children, feel My Sweet Presence beside your crosses, and surrender your hearts to Me!..."

(Observation - Mark): (At a given moment, I saw Our Lord speak with a loud voice:)

(Our Lord Jesus Christ)"- Eli, Eli, lamma sabachthani?..."(My GOD, My GOD, why have you forsaken Me?) The Pharisees then began to shout with greater anger. Then Our Lord said:

"- I am thirsty!" A soldier took a sponge, dipped it in vinegar, put it on the tip of a spear and gave it to him to taste. Then Jesus exclaimed:

"- All is finished. . . FATHER, into Your Hands I commit My Spirit!" Jesus still gave a strong cry, saying:

"- MOTHER!!!..." And then he expired... He abandoned himself to the weight of His Body... letting it fall Head over Chest...

A great earthquake splits the mountains and makes the earth shake... Lightning and thunder rumble... A mysterious hand tears the veil of the temple... The centurion exclaims:

(Centurion) "- This was indeed the Son of GOD!"

The Pharisees wanted them to break their legs right away, to be taken down from the Cross because the Sabbath was coming. They had also seen the Signs that took place in the Death of Jesus, yet their hearts were so obstinate, blind and hard, that nothing else affected them. They looked at the Body of the Dead Jesus, with total indifference and coldness...

The soldiers went and broke the legs of the thieves, who soon died. Seeing Jesus dead, they pierced his side, to see if he had really died or if he had just fainted... From the wound flowed blood and water in abundance...

Nicodemus and Joseph of Arimathea arrived with the news that they had

obtained permission from Pilate to take the Son of GOD down from the Cross and bury Him...)

(Our Lady)"- Oh, My Heart felt torn apart from so much Pain, and I no longer even had the strength to cry... The Angel of the Lord, who descended into the Garden of Olives to comfort My DIVINE Son in His Agony, He came down at that moment to comfort Me, otherwise I would have died...

They descended the Arms of Jesus, and then released HIS DIVINE Feet, and slowly placed Him in My Maternal Lap...

I am the Mother of Mercy!... With what incomparable Pain I received My GOD in My lap!... I drew My Lips to His Sacrosanct Hands! That pierced Head... The Feet shedding so much Blood...

Oh, all you who pass by the way, repair and see if there is pain, greater than My Pain?...

Joseph of Arimathea, Nicodemus, Mary Magdalene and the other women placed Jesus on a bier, while I, immersed in an ecstasy of Great Pain, could hardly cry...

We placed Him in a tomb of Joseph of Arimathea... The men rolled a large stone. Then we returned to Jerusalem, and so we spent the entire night in prayer and lamentation, as well as the Sabbath...

Spend, My children, in deep prayer, these hours before the Resurrection...

Pray... This perverted world, dead and buried by sin, needs to be resurrected... Pray with Me for the world! Pray for sinners!...

I have revealed to you, My child, the Sea of Sorrows that Jesus and I endure and suffer for the redemption of humanity...

Convert! Convert! Convert!... Repent of your sins! Therefore, dear children, united with Me, the Mother of Sorrows, help Me to transform this world, full of sin, into an oasis of Peace...

I, the Queen of Peace, have revealed to you 'a little more' of Passion of My Son, so that everyone can feel how far the LOVE of GOD has reached for men...

Participate in My immense Mother's Pain, seeing that thousands of My children continue to reject the LOVE of GOD, and therefore, they need conversion... Pray a lot!... Pray a lot!...

Today, on the Day of My Great Sorrow, I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Observation - Mark): (From all that has been shown to me, I would not be able

to to describe not the slightest part. However, as I was ordered, I reported as much as I was able, although I say that the impression and the effects that were produced in my soul, I feel them until this day.

It is as if soul, mind and body were overtaken by a 'force' that immensely surpasses my nature, reaching even the most intimate part of me, annihilating my forces, leaving me perplexed, unable to repeat what I saw to the extent that I would like to do it. it.

For this reason, I affirm that of all that I have written here, there is still much more to report, which I may have to do later, on some other occasion, if that is what Our Lady wants)

03/04/94 Easter Sunday

"- My children, I am the Lady of Peace!... Pray a lot, dear children, because great is the sin of the world!...

Today, Easter Sunday, I give you the Peace of the Resurrection of Jesus... who LIVES!. ..

I bless you in the Name of the Father... of the Son... and of the Holy Spirit!..."

05/04/94

"- My children, pray a lot!... Pray intensely to the Lord! prayer and sacrifice, can 'cancel' all Punishments, however terrible they may be...

Heed your Mother's call!... It is the last call that GOD sends you!... If everyone prays, everyone will achieve Peace!...

Pray the Rosary!... All the Punishments will be... prayer, apart, if you pray...

Stay in the Peace of the Lord!..."

Day 07/04/94 Monthly Anniversary of the Apparitions

"- I am the Queen and Messenger of Peace!... I come from Heaven, Full of Peace to distribute to My children!...

I have been here, in this city, for so long with you, because I LOVE you with an immeasurable LOVE, and I come to help you on the path of LOVE

... purpose for which I came here... I will not fail to make these Visits of Mine...

The SECRETS are in progress... All of them must now be fulfilled!...

Pray, My children, so that the LORD of Lords, who sent Me here, TRIUMPH in this sinful, atheistic world, which is heading towards a great abyss of perdition... Pray the

Rosary, My children!...

"Time for Peace" quickly, so that everyone fulfills it, so that Peace may come to families and to the world... This Request has not yet been answered as I wish...

I will keep you from all harm.. . pray!...(pause) I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

(Mark): (The "Hour of Peace", (what it is and how we must do to carry it out) is found in the opening account of this book, when I described how the Rosary of Peace was taught by Our Lady)

09/04/94

"- My Message today is above all for My consecrated children, the children who love My Sorrowful and Immaculate Heart...

Consecrated to My Immaculate Heart, listen to My 'embittered' Mother's Voice, and follow Me along the path of prayer and penance!...

Live your Consecration, in the midst of a perverted world, completely removed from God, given over to the power of the enemy!... Many times you feel that his strength paralyzes you, in order to that you do not pray anymore. No, My children, do not yield to the power of the enemy!... Fight his strength with prayers, sacrifices and penance!... Never surrender to his strength!...

In the face of the evil of the enemy! world, maintain vigor!... Have courage in the face of hate!...

I ask young people to stay away from the cinema, now completely perverted, from nightclubs, orgies, drunkenness and prostitution!

Refrain from all intercourse before Matrimony! I ask young people to consecrate their bodies and hearts to Me until Matrimony, to put an end to the spread of perversion and pornography...

I ask children to make small sacrifices and offer them to Me, so that May I save souls and protect their lives against every danger the world offers them... Your pure and innocent prayers are the 'soft handkerchief' that wipes My Sorrowful Tears...

I ask families to pray together in order to May Peace come to all families...

To the priests and religious, I ask you to trust yourselves with My Heart, and to transmit My 'urgent' Requests to others, so that humanity may convert...

Great and Terrible Punishments are coming your way, and you they remain in indifference, in error, in paganism... For many it will be too late! The time for

conversion is now, and they ignore My Requests... (here She interrupts and cries...)

How many of My poor children today live in a great incapacity for LOVE; they live in hatred, in malice, in unbridled selfishness... How many thousands live like true pagans!...

Convert!... Live your consecration to My Immaculate Heart!..."

(Mark): (Our Lady stayed with me for about an hour, and what he said must not yet be published)

04/10/94

"- Be converted without delay!... My children, today My Message is about returning to GOD....

Thousands of My poor children remain today in a sea of indifference and hatred.. Violence erupts from all sides... Perversion seduces and sinks My children further down the path to hell...

In so many ways and with thousands of Signs, I have warned and warned them with the 'embittered' concern of a Mother ... of the Punishment that awaits you, if you do not want to convert!...

What are you still waiting for? A Great Sign?... Do not wait for the Great and Last Sign that I promised to give you, because when it arrives , it will already be too late for the conversion of humanity...

The time of graces and conversion is now... Tomorrow will be too late!... When men say: "We have peace!", it will already be too late... Convert without delay!...

Do you think that are the threat of Wormwood, the Bowls of Scourges, and the Great Tribulation cancelled?... If you are not truly converted, I will not be able to save you...

Pray a lot, My children! Confess and take communion!... Give Me your hearts!... Pray the Rosary a lot!...(pause) I bless you all in the Name of the Father... of the Son... and of the Holy Spirit ..."

04/13/94

"- Tell My children to keep praying the Rosary! I said that the Rosary is the Precious Key... It is really the Key by which you will be able to reach and open the 'treasures' of the Heart of Jesus!... Keep praying the Rosary every day...(pause) I bless you all..."

04/14/94(Message given at 00:05hs)

"- In the silence, in the dead of night, generous and pious souls are praying and watching.. These are the souls who pray for a perverted, atheistic world, given over to the sleep of violence and pornography...

These are obedient and praying, sacrificed and penitent souls, who appease the Wrath of the Lord, and who 'heal' wounds of My Sorrowful and Immaculate Heart...

I now ask for much penance and prayer! Make sacrifices and penance, My children!... I ask for many sacrifices, many penances!... Your prayers will be worthless without fasting... without penance!...

Fasting from sin, from television, from things is necessary. superfluous... and that of bread and water!...

Obey My Requests!... If you do not heed My Messages, I will not give them within a week... and then how will you be saved without My Protection? Everything will be very difficult...

Horrible and Tenebrous Punishments are now coming your way, more and more overwhelming... And you? Don't want to pray anymore? Can you save yourself from everything without Me?...(pause)

Despise yourselves... Renounce your desires for pleasure... your wills!... All, without distinction, make sacrifices and penances of LOVE!...

Carry your Cross with LOVE!... "

04/16/94

"- My dear children, today My Immaculate Heart 'trembles'... in anguish, for what humanity awaits...

You do not worry at all about conversion... My children, seek and seek your conversion! The 'painful time' is approaching, and your conversion is always and more and more delayed...

No, children! Decide 'sincerely' for GOD!... Pray the Rosary!.. Participate in Holy Mass, if possible, every day, because, in the time of the Punishments, you will want to go to Mass, but... there will be no more Masses*!... (Here She interrupts and cries...

) -Me!... My Graces are given to you every day!...

Satan's 'smoke' envelops you now, and darkens the world... Everyone breathes his hellish 'poison'!... I have spread My 'Perfume' as much as possible, but... you refuse it, and they prefer the 'filthy pits' of Satan...

Return, My children... come to My Immaculate Heart... Receive the Peace that flows from the Fountain of My Heart!... Make sacrifices... Do penance!.. They

do not respond to My Requests, because they continue to accept Satan's 'proposals'... Decide for Jesus and for My Immaculate Heart!...

I bless you all with LOVE in the Name of the Father... of the Son... and of the Holy Spirit..."

* (Observation - Mark): (As for this question of the interruption of the Mass, Our Lady said that it is conditional on conversion... although in the Holy Scriptures it is clearly said that there will be the abolition of the Holy Perpetual Sacrifice. (Dn 12,11) . It can also be understood that there may be Masses, but very isolated, and almost no one will be able to go to them)

04/17/94

"- My children, behold, Sorrowful Scourges will come to Earth in a short time... Poor humanity... How it will suffer...

I am constantly on the Throne of DIVINE Justice, interceding for each one, so that My Son does not punish you...

My children, change your life quickly!... Don't wait the Last Warnings and Signs for them to convert, because after that, it will be too late!...

Convert now! while it is still time for Graces and for God's revelation!... My children, pray the Rosary... (pause)

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

04/21/94

"- Little children, everyone knows how much I care about you, but... the doors of your hearts continue to close to Me...

Through the daily Rosary, open your hearts to Me... Do not doubt, but firmly believe in everything I have revealed to you!...

My children, may everyone surrender to Me... Give Me your problems, and let Me carry you in My Arms!...

I I bless in the Name of the Father... of the Son... and of the Holy Spirit..."

23/04/94

"- Dear children, today My Voice resounds again in your midst... Heed Me!... How many souls are lost, for not answering the 'call' of GOD in their lives...

Pray, My children , to protect themselves from the Terrible Punishments that I have warned you about for the last few weeks!... Prepare yourselves!... Pray!... Pray!... Pray!...

I have been imploring the conversion of humanity for centuries... and they don't listen! I'm already exhausted from begging humanity to convert... I want obedient souls!... I want penitent and praying souls!...

My children, convert!... Angels of the Scourges will begin to descend... and lightning will strike the Earth, but... have trust in Me! As I have promised you, those who love Me will be protected by Me...

As for the bad ones... many will not convert in time, and they won't have a chance anymore... But they can still help Me to save them: - Give these people to Me in My Heart, and I will convert them

... Horrible Sacrilege will be committed...The Antichrist will take the place of the Minister of Christ, and the abomination will take over the Temple of GOD...

Pray a lot, My children! Without prayer, I cannot save them!... Look at the signs that are given to you, to understand that the Last Times have arrived: - Plagues and incurable diseases that spread, increasingly violent earthquakes, which kill thousands of people; floods that displace and engulf everything... The lack of Faith, which spreads like a terrible spiritual cancer, in billions of My poor children; the hunger; unemployment; criminality; the corruption; they are the signs that tell you that the "end of times" is near...

Therefore, My children, I ask you: - Convert without delay, and surrender to Me!... Pray the Rosary every day! ...(pause)

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

(Mark): (See 2 Thessalonians Chapter 2, 3-12)

24/04 /94

"- My children, I come back, as every day, with My Immaculate Heart full of LOVE, to ask you to surrender your heart to Me!...

My children, convert!... convert!.. ...be converted!...

Pray the Rosary, dear children, so that, in everything in your lives, I may be present and be able to act fully, with the STRENGTH of GOD!...

Today, you were My consolation Thank you, little children, I thank you!...

My children, pray!... I am your Mother!... All Punishments and Scourges can be avoided and cancelled, if you pray and do penance...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

25/04/94

"- My children, today I came to remind you that My Son sent Me here to be a Mother present with all My children...

In these times of hard and dense darkness for humanity, much prayer, reparation and suffering are needed. , offered to be 'accepted' by the Lord, so that He may have Mercy on humanity...

Kneel with Me, in humble unceasing intercession, so that Salvation may come for all humanity..."

27/ 04/94

"- I am the Virgin of Graces!... Look at Me and fill yourselves with confidence, in the midst of a sea of pain that you are forced to go through, if you want to remain faithful in the LOVE of Christ!...

I have My Hands full of Miracles and Graces to pour... If you don't get the Graces and Miracles you want, it's because you don't pray much, and don't ask with Faith...

Pray a lot, ask with Faith! and I will achieve all Miracles, however great, if they are of the Will of GOD!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

28/04/ 94

"- My children, have confidence!... I need you to put your trust and your love in Me!... that I will not disappoint you...

My children, the Rosary is very dear to Me...

Little children , love each other! Try to forgive your offenders, and wish Peace to all!... Pray for Peace! I am the Queen and Messenger of Peace!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

04/30/94

"- My children, in these interior locutions, in which I speak to you as a Tender, Concerned and Inclined Mother , I wish to call you back to GOD once more...

For a little while, I am still here. Therefore, My children, take advantage of the Graces that I bring, deepen your Faith, and make Me proclaim 'MOTHER' in all of you...

Whoever sees Me... sees Jesus!... Thus, loving Him Me, you are loving Jesus...Pray the Rosary!...(pause)

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

01/05/94

"- Pray for the Pope!... Pray continually for the Pope... so that he has the 'strength' to reach the end with His martyrdom!..."

01/05/94

"- This Holy month of May begins... (pause) When I want to talk about LOVE, I use the most beautiful symbol... the Rose...

I am the Fulgent Rose among thorns!.. This month ,

love a lot, little children! Renounce your sorrows and resentments!... for the LOVE of Jesus... (pause) I come to lift your eyes and your hearts to Heaven!...

It started today the Siege of Jericho Thank you for your prayers... I ask you: - Pray, in these days when Satan wants to disrupt My Plans, so that he is crushed by Me!...

I am the Woman Clothed in Sun! ...I have the Moon under My Feet, and a Crown of Twelve Stars on My Head!... You are My Army!... I am the Commander...

Pray a lot, so that everything may be according to the Will of Jesus!...(pause) I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

05/05/94

" - Give Me your hearts... Mistrust tears Me apart!...

I need you to help Me save souls... Pray the Rosary! I will protect you...

06/05/94

"- Dear children, today I want to show you My LOVE. .. I am the Sorrowful Mother... I am the Faithful Virgin... I am the Mother of Mercy...

After the Horrible Scourges that humanity will have to go through, this desert will flourish... Dense darkness approaches humanity... Suffering will bathe the face of the Earth... and many souls will be lost... (here She interrupts and cries...)

Pray for them, and consecrate them to My Heart...

I revealed My entire Plan to them... I gave them Signs so that they would believe in My Presence... Why don't they open their hearts to Me?. ..

Open your soul to Me! so that I enter with the Graces of GOD...

My children, a lot of blood will flow, many souls will be condemned, but... many will be saved... What a pain for Me, to see thousands of My children hating each other. .. without the Grace of GOD!...

Oh!... how guilty you are for not praying for sinners!...

You treat My Messages like anything else, you don't pray, and you just sit around... doing nothing...

Ah, My children, I am always vigilant, so that the world may be saved!... After it has passed the Terrible Punishment that awaits the Earth, it will fully blossom again, and Peace will reign...

LOVE will be established, and then, the Son of Man will COME to RULE HIS 'flock'... But first, the Pope will suffer. .. the good will suffer... various nations will be annihilated...

I told them this, so that they may believe... when everything happens... (pause) Peace I give you... Stay in Peace!. ..

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

First Apparition* and Message

of Our Lord and Savior Jesus Christ

*(Mark): (The circumstances of this occasion were related in the introduction of this book. It is also worth mentioning that Our Lord Jesus Christ had already appeared to me before in the form of a poor beggar, as I related in the Introduction of the book, however, this can be said as the first Apparition of Our Lord, as it was the first time I saw Him as HIMSELF)

My Cross is Your Assurance! whatever you ask through Her, I will grant you... My Sacred Heart has compassion on you, and grants you these Graces...

Adore Me!... Kneel down all in adoration!...

My son. .. you served My Holy Mother with love. I thank you, and I am happy for your obedience to all that She, in My NAME, has communicated to you. You are an obedient servant, and this pleases Me very much, My son...

Now, IT IS I who come to finish the 'WORK' that My MOTHER started in My NAME... more than three years ago, in this city...(pause) This 'WORK' is Mine!... IT IS I who do all this!...

Worship Me!... My Most Precious BLOOD will free you from all evil!... From now on, I will come seven times... always on the 7th, to leave you Messages... (Observation - Mark): (Later, Jesus extended this time, at the request of His Most Holy MOTHER)

Do not be afraid, My son, these Apparitions will be welcomed by the Church, but... for now, it is necessary that you suffer a lot for My LOVE...

Be patient. .. Pray, and believe in My LOVE...

You are worried because you cannot do bodily fasting because of your illnesses*. Don't worry... I welcome these diseases of yours, offered as a means by which I will do 'wonders'... Have you not yet understood that I want you crucified WITH ME... on the same Cross?... Have confidence!...

*(Observation): (it was a period when Marcos was always sick, and he could not fast on bread and water and then substituted something else)

Cry everyone!... Cry all of you!... The Tears(pause) are the greatest adoration that I want to receive from you!...

They left ME abandoned (pause) and forgotten in the Tabernacle... The Angels there adore ME... the demons also bow* before ME, and proclaim ME the True KING... Only you, the mortals, do not bend your unworthy knees before ME...

*(Of course the demons do it grudgingly, constrained by the Authority and the DIVINE Power)

Look for Me here, in the Tabernacle... where I am, day and night, to bestow abundant favors from My Sacred Heart...

You have abandoned Me... and My Sacred Heart is no longer known to you... You have lived and sinned until now, helped by Satan! You breathed its 'smoke', and you lived wandering and unbelievers, until now...

Breathe in My Grace and the Immaculate Heart of My Mother... In truth, in Truth, She was sent by ME 'here', more than three years, for My Plan to be fulfilled... Obey!!! to what She says in My NAME...

Woe to those who close their ears to My Sacred Voice! and to the Voice of My MOTHER... They will be like wood (pause) burning in the blazing fire...

Satan is now trying to destroy all My Plans, but... My Mighty Foot will defeat him... and crush...

Of all the Rosaries... (dedicated to Me) what I LOVE most is that of Mercy... Pray it every day, so that the world may be converted, and have Peace... I will pour out an 'ocean of Mercy' on all those who pray it every day...

Soon My Holy Spirit will descend on the whole earth, and will renew it completely...

My MOTHER is always in contact with you... Why don't you listen to Her ???... Right here, within your prayer group, there are still 'very hard' hearts, which have not yet opened to ME...

Oh! children, kneel down in adoration!... Worship Me!... Pray!... Pray!... Pray!...

I've never loved a group so much! in My NAME... That is why I speak to you with infinite Mercy... I have many Graces and Blessings to bestow on souls, and every time I come to My children, I pour

out abundant Blessings and Graces... all who are here, with the Ink of My Precious BLOOD, in the 'Eternal Book of LIFE'... the Book where are the Names (pause) of those who will be saved...

I bless you in the Name of the Father... Son... and of the Holy Spirit*..." *(Our Lord, in the Blessing, pronounced the Names of the Three Persons of the Holy Trinity in Latin)

In Monnerat, State of Rio de Janeiro

"- My children , come close to My pierced Heart, and feel now all the Pain of this Immaculate and Maternal Heart!... My son, I transmit My Pains, My Sadnesses to you...

Humanity is heading towards a great abyss of perdition. .. I am suffering because of souls that are condemned without measure...

My children, all of you, seek My Immaculate Heart! To all of you who seek My Holy Oil*, I say thank you very much for the trust you have in Mine Heart!... You will not be left unattended My dear children! Trust in My Grace! (pause) and in My LOVE...

Look at My Tears of Oil, which I shed painfully from My Maternal Eyes!... Oh, how great is My Maternal Pain!... How painful is the 'sword' that pierces Me!... How great is the 'hardness' of your hearts!...

My children, I am already 'exhausted' from asking humanity to convert... Participate in My immense Pain, in seeing this perverted and corrupted humanity, about to fall into an endless abyss ! Pray a lot My children... pray the Rosary every day!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

*Marcos: (In Monnerat-RJ, there is an Image of Our Lady of Sorrows, which miraculously poured oil for 7 years. Analyzes were carried out, and scientists

from the Federal University of Rio de Janeiro concluded that it really was a first class Miracle The Oil

did not flow from the Image, but formed on its surface, as well as on the surface of the walls of the different places in the Church where the Image was moved. Scientists made a hole in the Image and verified that it was hollow, made of plaster, and the plaster was dry; the Image inside was dry.

Four television channels tried to publicize and report the fact. The local bishop inexplicably did not allow it. The parish priest was silent... and so it was intended to silence the Voice of the Mercy of GOD and of Our Lady to men...

However, there are countless reports of miraculous healings and conversions of sinners prevented by the use of Miraculous Oil, of the Image of Our Lady of Sorrows of Monnerat.

It was impossible to keep the fact completely in silence, and so many pilgrim caravans went to the local Church to venerate the Image touched by the Powerful Hand of GOD and Our Lady. When the phenomenon ceased, the flow of pilgrims decreased, and today the Image is practically abandoned.

The DIVINE Justice will know how to impute to each one of those responsible for this very serious sin, the due penalty. Let us pray to console Our Lady, who does not know what else to do to save us, and that in return, she is not Beloved and is only paid with indifference and ingratitude...)

Same day, at the Sanctuary of the Miraculous Medal

Rio de Janeiro-RJ

"- My children, the more you pray, the more and more Blessings will fall on you from My Immaculate Heart... My Hands are always ready to grant Graces...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

05/23/94

In Muriaé-MG

"- My son... dive into the depths of My Immaculate Heart, and see how much I LOVE you... worry!... The Signs will be evident to those who truly love Me...

There in Jacareí, My Presence will be more and more felt and noticed by everyone!...

My children, have confidence in My Heart!... Pray the Rosary every day!... Without it, you easily turn away from Me...

The Miracle... (I cannot reveal it) will close My 'WORK' there... (pause)

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

05/26/94

"- My son... I come to lead you... abandon yourself!...

Tell My children, once again, to convert... to change their lives! (pause) Convert!... Convert!...

My children, Three Punishments are at the door! and you don't care...

Pray a lot, My children! Today, I place a 'drop' of My Tears inside each one of you so that you may feel My Pain even more...

To all I give My Message and Blessing... in the Name of the Father... of the Son... and of the Holy Spirit..."

05/28/94

"- My children, today, once again I come to speak to you... and now... I ask you to listen to My WORDS...

My children, I am a Mother who 'screams in anguish' in this immense desert. children... listen to My afflicted calls to return to GOD!...

My children, in these times of dense darkness of evil and selfishness, may you be the 'torches of LOVE' always lit, in the midst of an atheist world and completely removed from GOD!...

My children, be 'effective signs' of My Presence here and of the Grace of GOD, which acts, surrounding and completing this 'WORK' that HE commanded Me to do here!...

I have been calling you and inviting you to return to GOD for so long, and you still continue to resist the My Ardent Call...

My children, come all to My Immaculate Heart! and let yourselves be guided by My Sweet Maternal Voice... I have been warning you about the danger you are running, if you do not want to convert, nor to respond to My Requests...

A Great and Bloody War is about to explode within a short time, if you do not change your hearts and repent of your sins... How many times have I wanted to gather you and keep you under My Maternal Wings... and you didn't want to!...

My children, wake up while there is still time!... Wake up, My children! Convert without delay and make sacrifices, because soon the deadline for the conversion of humanity will be over, and GOD will 'ask for an account' to each one of you for all the sins you have committed... I cry a lot, because they are

done deaf to My appeals... (here She interrupts and cries...)

My children, help Me!... Help Me... because I don't know what else to do to save humanity...

My children, I LOVE you!... I LOVE you!... I LOVE you!... That is why I am distressed to see so many of My poor children (pause) falling into hell 'in these times'...

Three Huge Punishments are hovering over you... and you don't care!... I'm talking... and you don't care about this!...

How can you have such a hard heart and so insensitive to My Appeals? Truly, My Voice falls in an immense desert, 'in these times'... with no one to answer Me!...

My children, I am your Mother!... All of you come to Me, through sincere conversion, of a deep and true repentance for your sins!... My Maternal Heart 'trembles' in anguish, not knowing what else to do! Help-me!...

Today I leave here My Afflicted Appeal... (pause) I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

05/31/94

"- My children, I am the Mother that infinitely LOVES you!... My Heart 'beats' with LOVE for you!... My Heart never forgets you... Look at how it 'beats' with LOVE!...

My LOVE... My LOVE ... I can no longer keep My LOVE within Me!... With violent force, run in search of it... Do not deny receiving My Flame of LOVE, but... Spread it to all men!. ..

My children... I LOVE you!... I LOVE you very much!... Dear children, pray the Rosary every day, so that My LOVE conquers the whole world!... (pause)

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Mark): (Our Lady appeared when I had already left Mass. There were some young people with me. We were sitting on the stairs of the Matrix. I didn't even have time to kneel, when Our Lady suddenly came)

THE VIRGIN WILL TRIUMPH

(on the same day)

(Marcos): (A huge gray snake appeared. It looked at me with hatred, as in 11/08/93. Suddenly, Our Lady's Foot crushed the serpent's head, and the tail was thrashing with force.

She was wearing a Cloak . Blue, which descended from the Head to the Feet, and a white dress, with the Rosary on the right Arm. I could hear the pulsations of Her Heart, but I did not see It. She spoke:)

"- Bend under My Mantle!. .. Feel the Sorrowful pulsations of My Heart, through prayer... and comfort Me!..."

(Marcos): (Next, he revealed that His Immaculate Heart would TRIUMPHY, and that the enemy would be crushed. But his tail revolts, because he still wants to discourage souls, and take them back from Our Lady. Let us pray and fight together, so that he doesn't lose souls anymore, and that Our Lady TRIUMPH soon)

04/06/94

"- Dear children, today lift your eyes to Me, Your Immaculate Mother!... In these times, in the world, there is a need for much prayer, sacrifice... and above all of My LOVE and Mother's presence...

Dear children, dense darkness has taken over the world, and has even obscured the Holy Church of My Son... Evil is intensifying and approaching humanity ...

Satan now proclaims his conquest of mankind. It conquered the world powers, the authorities... It perverted young people and children, destroyed families, relaxed My Consecrated Children... It sowed crime, errors and wars on all sides... Peace does not reign anywhere!. ..

My children, today My Maternal Mission is to form you, lead you and guide you along the path of prayer, penance, conversion... Do penance, My dear children, and entrust yourselves to Me!. ..

The blood will flow over the Earth... You do not open your heart to Me!... For so long I have been warning you about the evils of humanity, the Sorrowful Scourges that are to come upon you...

My children, I ask you to surrender your being to Me!... Convert!... Convert!... Convert!... Try to return to GOD!... The world is moving towards a great storm, and many sufferings will come...

The SECRETS already communicated until now must be fulfilled... and what will become of obstinate sinners?... My children, My children... hear and heed My Laments, which fall in this immense desert... Hear My WORDS! feel My stinging Pain...

Renounce Satan and his hatred. Long live LOVE!... Obey the Lord and His Holy LAW! They walk away from the Lord... and that's why they don't receive any Grace...

This is the time when violent earthquakes will shake the Earth... O poor

humanity! Never have so many threats befallen you!... But if you convert... GOD Our Lord will even work miracles!...

Love each other!... Love each other as Jesus and I LOVE you!... with sincere fraternal LOVE!... Visit the sick! Take My Maternal Affection to them, which comforts them in the midst of so much pain and suffering!...

Visit the prisoners!... Proclaim to them My Messages and the Gospel of My Son Jesus, so that they can find the way back to GOD... and thus, also find salvation!...

To all, have a word full of My Affection, My Presence...

Pray!... Live in prayer! and give everyone an example of prayer...

Soon the DAY of the TRIUMPH of My Immaculate Heart will come... and the VICTORY will be of the Heart of Jesus and of My Immaculate Heart... to renew the Heavens and the Earth...

In place of these evil thrones, the THRONES of Heart of Jesus and that of My Immaculate Heart... There will never be tears or sadness, because those who are Mine will win with Me, and this perverted world will be renewed by the LIGHT that We will shed on it...

Have confidence... and fill yourselves. of My LOVE and My Goodness!... Fill yourselves with Hope!... I am the Faithful Virgin, who brings you the Message of Hope...

There will be a Second Great Pentecost... that will renew heavens and earth... Sin will be banished once and for all from the face of the earth, and the KINGDOM of Christ will come with HIS Glory...

Yes!... Amen!... COME Lord Jesus!... Maranatha!...

Pray always!... Pray the Rosary every day!... Communion!... Have an intimate life with the Lord for the prayer...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- I AM (pause) the True GOD... I AM the Lord Almighty!...(pause) I, today, come again to speak to you... because I LOVE you!! and I AM your Lord...

I asked you to pray for the liberation of souls... and you obtained their liberation through your prayer!... and penance...

Oh My children, I want to say to all of you!!! that I LOVE you... Look at My

Sorrowful Heart... Look at My Heart, which 'beats' with LOVE for each one of you, My children... I LOVE you, My children, and I hug you... for I AM your Lord, My children, your GOD...

My children, I promised that every time I came, until all My COMINGS were completed, I would pour out an Ocean of Mercy on you who pray the Chaplet of Mercy ...

Today, I pour out a Very Special Grace to you!... I mark you all with the 'Sign of the Book of LIFE'... Raise your foreheads to Heaven and your hands, to receive the Sign, the mark of My Grace... My Angels have the task of marking you with the Sign of My Cross...

My Blood is powerful... My Blood has immense Power!... My Blood is your LIFE... and now I will mark you with the 'ink' of My Precious Blood...

O Angels of heights of Heaven, Celestial Spirits created by ME, Warriors of My Celestial Army, come down... come down!... Imprint My Sign on the hands and foreheads of My children!...

IT IS I, Jesus of Nazareth, the Your KING, which I command you!... Michael!... Michael!... Michael!... Heads My Angels, and marks all My servants!... (this Sign of the Cross opposes the sign blasphemer of the beast, 666)

Yes, I LOVE you... At this moment, the Sign remains in you... Your weeping (pause) is pure adoration of My LOVE... All of you, adore Me!. .. adore ME!... adore ME!...

Miguel!... cut off the enemy's head! and mark My servants... because I AM the Lord Almighty, and no one has more 'power' than My Omnipotent VOICE...

No one has this POWER!... not in Heaven, not on Earth, not under Earth... because I AM the Lord...

O all of you!... prepare yourselves!... prepare yourselves!... prepare yourselves!... You are already sealed by My LOVE...

I send you as 'lambs' to go all over the world... Go, children, all over the world to call sinners to My Heart, because soon the 'FIRE' will descend... and consume the entire Earth!. ..

Children, soon a Terrible Punishment will descend upon you, if you do not convert... My MOTHER and I have been inviting you to conversion for so long, and you have not yet opened the door of your hearts to Me...

My children!... My children... Open the doors of your hearts!...

My children, I take you in My Sacred Lap!... I hold you affectionately to My Heart, so that no punishment can frighten you. !... I LOVE you!... I LOVE you!... I LOVE you!... Deeply... I LOVE you!... No one loves you as I LOVE you...

My children!. .. My children... Come all to the feet of My Holy Cross!... My Holy Cross is your victory!... My Holy Cross is your protection!...

Consecrate yourselves every day to My Holy Cross, so that I may be guarding you in every way... No one reaches Heaven! if you don't carry your Cross behind ME... You

have read what was said in My Holy Scripture:

"- BELIEVE YOU, AND YOU AND YOUR FAMILY SHALL BE SAVED"

Believe me!... My WORDS will never pass away!... Heaven and earth will pass away...

Soon the sun and moon will no longer give their shine... nor will the stars appear anymore. Everything will pass, but... My WORDS will not pass... and I continue to promise the salvation of your families...

Communion!... Confess your sins!...

Pray!... Pray!... Adore! -ME!... Pray! My children...

Soon someone will sit on the Pope's Throne, but it will not be the Pope... It is the approaching Antichrist...

Pray!... Pray!... Pray!... You will be persecuted, My children, you will be despised and humiliated by everyone... You will be forgotten by everyone! You will suffer... Many of you will even give your lives, but... you must not fear anything...

I AM your GOD!... I LOVE you!... You are Mine!... I bless you!... Live WITH ME! and you will win with ME...

My Spirit is poured out on you in an immense way, 'in these times'... Nowhere on Earth will I pour out so much LOVE like this...

Fear nothing, my Holy MOTHER is the safe way to reach ME !

My children, My MOTHER will be with you now... and I bless you, My children, in the Name of the Father... of the Son... and of the Holy Spirit*... (pause) Peace be with you!... " *(Our Lord, in the Blessing, pronounced the Names of the Three Persons of the Holy Trinity in Latin)

Message from Our Lady

"- My children, My children, I am here now, and I am the Queen and Messenger of Peace...

I came from Heaven, little children, with so much LOVE... to speak to you... Did

I not tell you that Jesus would show you much Mercy?... I promised and fulfilled My WORDS, little children...

I am yours Little Mother, and I come with the Holy Angels so that They may bless you too. While Jesus was speaking, My children, I was also kneeling in adoration...

My children, look at My Sorrowful Heart!... Look at My Heart full of 'thorns'!... There is almost no one to make reparation to Me. .. and I ask now that all of you console Me... My pain is so great, children, for the sins of this perverted humanity... without LOVE...

My children, I am your Mother... I get tired, My children, of blessing you...

My Heart 'groans', because I am worried, children, about the future of humanity...

Children, pray hard!... If you don't pray, abortion and gay marriage will be legalized everywhere! Look at this immense abomination! and this in the whole world... You cannot allow such a thing, My children!...

I am more and more 'saddened'... I wish that souls would console Me... that they would repair this Heart of Mine!. .. Can you take the 'Three Swords' that now pierce Me, with your conversion...

What good are so many Apparitions, so many Messages... fallen and left to oblivion?... You didn't believe... after so many signs, after so many proofs of LOVE! of so many caresses of Mother...

My visionaries are considered false and imposture by you, and they close the doors of your hearts to Me... I am your Mother and I LOVE you, and that is why I want you to help Me in the conversion of the world... All you can sustain Me and comfort Me through the prayers, Masses and sacrifices offered. Convert yourselves!... This is what I come to ask for the most...

Believe Me!... Believe Me!... These are the last invitations I make for the conversion of humanity. Listen to Me!...

A terrible Revolution is about to be unleashed. A Great War can happen if humanity doesn't convert and doesn't return to GOD...

But soon, too, Brazil will receive a Great Grace: - My Presence through My Apparitions, My Messages and Images that are manifested, in each of the Brazilian States...

(Observation - Marcos): (One must be very careful with this passage, because smart people can use it to create false Apparitions throughout Brazil.

One must observe and study the Messages in depth, in order to be clear, yes or no, its DIVINE origin, and pray a lot asking Our Lord for the necessary Light

to reflect and see if this or that Message is of DIVINE origin)

From north to south of this My beloved Land of Santa Cruz, I will call My children to Jesus... And the salvation of the world, My children, will come out of My Dear Brazil!...

My children, I LOVE you!... When I say: - I LOVE you, I say it from the depths of My Heart.. .

Thank you for your prayers!... The Rosaries, the Siege of Jericho, are Blessings for your Land; do it every month, imploring Peace for the world...

Next month, Saint Michael will also come to cut off the serpent's head and explain the Message that My Most Chaste Spouse, Saint Joseph, revealed here, in October of last year, but... which I had not consented to be revealed yet...

Fear not! These Apparitions will be welcomed by the Church, but not now...

I ask you to receive My LOVE!... I can no longer keep My LOVE within Me... With 'violent force', I run in search of you .... Do not deny receiving My LOVE, children, but... open the doors of your hearts to Me, and open Me through the Rosary!...

My children, I started all this 'WORK' in Fatima, and now I am finishing My Plan... On the 7th of September and November, I will make a Great Sign, which everyone will see... and believe. .. Rejoice!... Rejoice!...

I am the Queen and Messenger of Peace... I come in the NAME of the Most Holy Trinity... Jesus WILL RETURN Glorious on the clouds of Heaven... and many O summer! Yes, Jesus WILL COME! and with HIM the 'Heavenly Jerusalem', will come the KINGDOM of Grace, of LOVE, of Concord, and there will never be any more pain or tears, because the things of the world will have passed away!...

Confess your sins, at least once once a month... Pray the Rosary every day... You must do more penance and sacrifices!... Today I will give a Special Blessing*... (pause)

*(Observation - Mark): (A Blessing that will enable us and help us to fulfill these Requests)

In Purgatory there are many souls, including priests... Pray to free them!...

On each of you descends a ' little spiritual Rosary' that the Angels are placing... You will feel My LOVE and My Protection more and more...

Soon, OUR United Hearts WILL WIN, and Heaven will TRIUMPHY over Hell...

Jesus and I bless you , in the Name of the Father... of the Son... and of the

Holy Spirit*.... So be it... (pause) Rest in the Peace of the Lord!..." *(Our Lord, in the Blessing, pronounced the Names of the Three Persons of the Holy Trinity in Latin)

6/13/94

" - Pray the Rosary every day! Operate CHARITY... Everything you do to someone, it's to Jesus! 06/94

"- Pray a lot! Pray a lot!..."

18/06/94

"- My son, today I ask you once again: - Look at the 'mist of anguish' that surrounds My Immaculate Heart.. A very sharp 'sword' wounds My Heart...

Today I renew the Request for the 'Hour of Peace'... The Hour of Peace will renew hearts, unite families again, bless many religious communities, bring Peace. ..

To all those who live this Message with LOVE every Saturday*, descend a particular luck of Graces from GOD and from My Immaculate Heart..."

*Marcos: (The Hour of Peace, requested by Our Lady, must be done every day at eight o'clock at night, especially on Saturdays, and includes the prayer of the Rosary of Peace, reading and Meditation of the Messages of this Book, and also from the Holy Gospel)

Our Lady prophesies the Grotto and the Fountain of Grace

"- Dear children, today again I come to invite you to Peace of heart... This city, so dear to Me, was chosen and chosen...

Dear children, this 'Holy WORK' of Mine, in fact, began in Fatima... To My Three Little Shepherds, I entrusted the beginning of this very hard Mission...

When the Miracle of the Sun confirmed My Presence in the Cova da Iria, everyone believed, and My Message became known to everyone...

A few years later, responding to My most ardent Appeal, My Pilgrim Image of Fatima passed through all the regions of the Earth, inviting My children to prayer, to sacrifice... to respond to My appeals. It was not simply an Image that

came, but I myself... that came to help My children...

When it passed here, dear children, then My predilection for (...) All passed before the Image, to deposit your kisses on Me. It was there that I looked for someone to choose... someone in whom I would deposit My 'Seed', so that, in due time, it would germinate... and I could manifest Myself...

You, My child, knew nothing about this, but... of all those who passed, you were the one that pleased Me the most!... I saw you with all your suffering, My child!... Your innocent and pure soul enchanted Me... and I felt happy to see a soul as candid as the pure and light flowers, from the fields of the Lord...

On that day, in you, I placed... the 'FIRE' of the Holy Spirit.. Three years later, in due course, the DIVINE Gift would awaken...

The Apparition of Fatima is the beginning... and this Place is the conclusion of the Messages of Fatima...

Right here, there are people consecrated in the moment of baptism to Me... with that name. This City of Mine will soon become a 'saddlebag' of Graces, and 'this Place'... sanctified by My Presence, will be the point from which I will spread Mystical LIGHT over the entire Earth...

A Grotto will be built for Me, and the WATER that emanates from it will cure many diseases, mainly of the soul...

In a Temple dedicated to Me... (I cannot reveal it)

In this Place, I will pour out all My LOVE... it is the Matrix of Immaculate Conception!... In her, I pour torrents of Graces and Blessings...

My children, have confidence! You are all 'precious' to Me! I LOVE you infinitely!...

Pray the Rosary every day... It is the prayer that I came from Heaven to ask for! My children, open your hearts!...

I bless you all with deep LOVE... in the Name of the Father... of the Son... and of the Holy Spirit... (pause) of Fatima!... and from Jacareí..."

06/19/94

"- Dear children, today I invite you to give yourselves entirely to My LOVE...

Today I ask you to return to obedience to My Voice, and to return to praying and fasting as in the early days of My Coming here...

More obedience to My Voice is needed... more forgiveness to your enemies... (pause) My children, today, I invite you to give yourselves to Me...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition

"- My son, look how much I LOVE you!... Answer Me: - Have I ever abandoned you or left you alone?

(Marcos): "- No, dear Mother! You never left me!"

"- My LOVE for you is more immense than the oceans of the earth... Never feel abandoned by Me!... I LOVE you, and today I compare you with a 'wild rose', on which, I, the Immaculate Conception, Virgin Mother always pure, I leaned...(I leaned)

I give you today an 'invisible ring'... on your finger. I confirm again: - This ring means the Gift of praying for healing, I gave it to you... Tell your brothers, as soon as you come out of this ecstasy, that I LOVE them... that I never forget them!

My blessing to all..."

06/20/94

"- Dear son, today I bless you with renewed LOVE... I LOVE you, and I take care that all that is yours remains in Me...

My children, My LOVE for you never diminishes... nor does it change! It always remains the same, and it increases as you pray more... Pray the Rosary!... (pause) I bless you all..."

Chapel of Our Lady,

Queen and Mediatrix of all Graces

Bairro São João-Jacareí

"- Dear children, today I want to invite you to give yourself entirely to Me, so that I can protect you...

Dear children, thank you, those who are praying to Me tonight. Your prayers are necessary to Me!...

04/07/94

07/07/94 Monthly Anniversary of the Apparitions

(Marcos): (Our Lady was wearing a pink robe, white dress, and rose sandals. Rosary in her right hand. She was very happy, and smiling began the meeting:)

Message from Our Lady

"- My son, Praised be Our Lord Jesus Christ!..."

(Mark): "- Forever be Praised!"

"- I am the Queen and Messenger of Peace... Today, I am happy with your presence here... I bless you!...

They were worried by the Message that I communicated days ago, regarding evil... (punishment) My children, I am your Mother, and I will not allow evil to touch you... If I did not do so, I would not be your Mother, but, My children, I did this, so that all of you would understand that 'the times' that are living are the 'last times'...

To all of you who are here today, I impart My Maternal Blessings... (...) The Punishment will not come now!... If the whole world were converted, it would be annulled once and for all...

The Candles and Holy Water (...) must be kept, because they know neither the time nor the opportune moment in which they will be used, but... I have 'hope' in My Maternal Heart, that this will not come... We will not allow it... (silenced...)

My children, today is the day when more My children came to My Heart in this Place... Once again I confirm, I want to build a Great Sanctuary in this My City, on this ground favorite and chosen by Me...

My Pink Mantle today, represents the Joy that I feel inside Me, to see you so numerous, with such humility, praying... right next to Me...

My little children, you came here to ask Me for many things... Healings, jobs, conversions... I consider everything, if you pray the Rosary every day... The Rosary, My children, is the means by which I take you in My Arms , and I hold them in My Lap, to My Heart...

Something very BIG is coming into the world, 'in these times'... My plan is already moving forward, leading everything towards an end... It is not about the ' end of the world', because the day of the end of the world, not even I know it! Only the Holy Trinity... I pray that My Son COMES, and can bring the KINGDOM of Peace, to all of you...

Little children... little children... little children!... Since Fatima, I have extended this My 'Holy Work' throughout the world... I am your Dear Mother!... I am here today, at this moment, also to bless them... and say that the Apparitions that I have been granting for more than three years in this city are the continuation and conclusion of Fatima... too.

I am so happy that you are here!... Just like last month, you will all go home with an Angel... Each of you will go home with an Angel that I am bringing with Me. Why these Angels? Because My DIVINE Son Jesus Christ wants to send His Graces to your families today, so that they may be saved!...I will save families, because I am the Mother of families!...

My dear children, I ask of you at this moment, a lot of sincerity of heart. You can all feel My Presence here... I am scrutinizing what some hearts are thinking now... (silenced...)

Many are desiring to see Me... I cannot yet, children, grant you this Grace, no now... You must believe without seeing! This is what I desire for My children... Happy are you!... Blessed are you!... those who do not see Me, and believe that I am here...

(...) Little children, I have come bring them the Joy that the world cannot give them...

My dear children, pray the Rosary!... Pray the Rosary every day... Only through the Rosary will I be able to renew the Church even more, renew the the whole world, and give them the Peace that the world does not...

As, little children, I said last month, from Brazil the 'Dove of Peace' will come out to the whole world... Salvation will come from this My dear Land of Santa Cruz!...

Soon, Brazil will receive the Great Grace of My Presence , through Messages, Apparitions, and Images manifesting themselves, in each Brazilian State, and I tell you more, it will be revealed, through prayer, to each one of you, how much GOD LOVED the world...

(Observation - Marcos): (One must be very careful with this passage, because clever people can use it to create false Apparitions throughout Brazil. One must observe and study the Messages in depth in order to be clear, yes or no, the its DIVINE origin and pray a lot asking Our Lord for the necessary Light to reflect and see if this or that Message is of DIVINE origin)

If their mouths are silent, the stones will speak!... There is an Image of Me in the world, through which I have uttered sentences... Yes, through the Image, I have made My Voice heard, by all My children.. (Note

- Marcos): (Here, it is clearly the Miraculous Image of Our Lady of All Peoples, in Akita, Japan, where Our Lady spoke with Sister Agnes Sassagawa through the Image, who shed Tears more than a hundred times)

But, at the end of the times of 'purification', if their mouths are silent... My Images will proclaim the Glory and LOVE of GOD... and they will speak...

My children, I am doing everything for your Salvation , for your conversion, My children... I thank you for the correspondence to My Appeals, and I leave you My Peace as the Mother that I Am...

I thank all of you who are here for all the prayers, especially those prayed by My Favorites...

Many are wondering if what happens here is not a 'deception', or even a lie... No, little children! !! Ask the Holy Spirit, and HE will enlighten you, enlighten your hearts... It is I myself who say all this!... It was I who invited you to come here! You didn't come because you wanted to, you came because first of all I chose you... You feel My Presence touching you, My children...

I feel very happy, and I want to ask you to form prayer groups, wherever you live or wherever you can. It is through these prayer groups that I, dear children, will help in the Renewal of My Church... and many sinners will convert...

My children, you can pray as you wish, and invite whomever you wish to pray with you. I will always be present... I will always be spreading My Grace in these groups... My children, I want the Rosary to be prayed like this... I give you My Peace and Blessing...

Last month Jesus operated a Great Mercy: He let several of you ask Him something... You yourselves, My children, remember so much Mercy He poured out! Today, there will be no such questions, because now you must speak to Him only through prayer... But, little children, today I give you the certainty of My Peace and My Blessing...

The two movements of My Church, which in times of great suffering will most sustain the Church, will be the Marian Priestly Movement and the Catholic Charismatic Renewal, founded by Myself... Therefore, My children, give yourselves to prayers, because they have POWER!...

I now show My son Mark, how many souls from Purgatory have ascended to Heaven, for your prayers today...

(Mark): (I saw a multitude of souls ascending in song to Heaven. They were beautiful and resplendent, with palms in their hands...)

My children, these souls ask Me to thank them... Continue to pray for the souls in Purgatory. Keep on praying, because Jesus is at the door, and now, it's the time of Miracles... Everything you ask God, He will seek to grant, if it's His Holy Will...

Be here making sacrifices for My LOVE!... On the day of the TRIUMPH of My Immaculate Heart, after the horrible sufferings that the earth will go through, I will send a shower of Roses (that is, Graces) over the entire earth!... The DAY of My VICTORY will come!...

I am the Queen and Messenger of Peace!... I am the Immaculate Conception!...

There is someone who has doubts if I am 'incarnated' here, in this body, I answer: - I am not* !... My Heart transmits the Messages with STRENGTH, through the lips of this son...

*(Observation - Marcos): (Here Our Lady denies that the Apparitions are about spiritist, mediumistic incorporations, which, as is known, when true, they are demonic possessions)

I LOVE them!... LOVE them!... LOVE them!... LOVE them!... I wish Peace!...

Pray for the Pope!... Pray the Rosary of Mercy every Friday for the intention of the Holy Father, the Pope... for My Dear Son John Paul II...

Be in Peace!..."

Message from St. Michael the Archangel,

Prince of the Heavenly Armies

"- I am happy too, with the Holy Virgin, children of the Lord... (...) HE... 'saddened' by his sins, today he rejoiced...

Children of the Lord , I am one of the Seven Archangels who are always close to the Lord and HIS THRONE...

The 'WORK' of the Virgin Mary is consecrated to Me, so that she may protect her...

The Breath of the Holy Spirit, OUR True GOD, remains in the most intimate of their hearts... I bring the 'Sword' unsheathed, symbol of the POWER that the Lord gave Me to defeat the enemy...

Pray the Rosary dedicated to Me, at least once a week... Try to learn this Rosary! There is no evil spirit that is not overcome, or problem that is not solved, with this Chaplet... These Chaplets that you brought here, (...) will receive a Special Blessing, from OUR Lord Jesus Christ, (the Angel bows) that HE will grant, children of the Lord...

The Virgin asked Me to come and explain the Message that the Most Chaste Spouse Saint Joseph communicated to you in October of last year. The Most Chaste Spouse of the Virgin Mary said that:

"...he never touched Her, even in Their Marriage, and both remained pure and intact, the Two! The Virgin conceived in a miraculous way, as revealed to them in the Gospel of the Lord... "

See men, see brothers in creation, how the Virginity of Your Mother, of My Lady, of Our Queen is desecrated? How does Satan want to throw 'mud' on the Most Pure Virgin? But he will be stopped, because the Lord Jesus tolerates all offenses, but He does not tolerate the offenses done to HIS Mother... Therefore, Jesus (the Angel bows) wants to 'haste' the time of purification, in order to May the enemy be defeated as quickly as possible...

These are the times of the Holy Mother!...with Signs, with Tears... It is also the time of the Great Trial!...(pause) The sufferings will come, but. .. Mary's servants will have 'security', in Her Heart...

Saint Joseph said that:

"... everything that is rotten will fall, and what falls will not rise anymore..."

This means that all sin, adultery, all that is 'secret', the Lord will reveal... Every snare of the enemy will be revealed!

The Lord will send Signs to all humanity! Signs in the sun, moon and stars will be manifested! Events, 'Warnings', through the Messages of Jesus and Mary...

These are the Last Messages, in these years, that She comes to deliver to you... The time She will stay here, it's not up to you to know, but. .. you must prepare your heart, because Her Hour has already come...

The Message of Saint Joseph continues:

"... before all this happens, children up to seven years old will die in their parents' arms... "

Children of the Lord, do not be terrified! Your children will not be exterminated,

but look, this prophecy is being fulfilled...

Look at how many children die of hunger and plague in their mothers' arms!... One day, last month, Heaven's Mother came here (11/06/94) with her dress stained with blood. She was asked where she came from, and She replied that she was from Yugoslavia, because she had 'rescued' children murdered in that War... That blood, attached to Her dresses, was from the little hearts of those dead children...

Look at this Message that it does, children of the Lord, but... if you don't pray and don't do penance, this will go further... Look at the countless children who suffer without salvation every day! I ask you to pray a lot, because a lot of prayer is necessary...

Children of the Lord, the Most Pure Spouse of the Blessed Mother, also said that:

"'...this Message could not yet be revealed, because many would despair, and would not bear to hear it..."

Now, you do not cry, because the Holy Spirit puts Peace in your hearts...

Pray... Pray a lot!... A Rosary will descend from Heaven... blessing the Earth, in one of the places of the Holy Mother... and a Sign will be given to the whole world, so that it converts...*(Observation - Marcos): (The proper comment of this paragraph can only be made later, the time has not come)

GOD is 'happy' with your prayers and blesses you at this moment...

I am the Archangel of LOVE!.. I am not only Angel of Justice, but... Angel of Mercy...

The Lord wants you to worship Him... Release your tongues and lips to bless the Lord! I'll Worship Him too*...(pause)Keep praising (always) the Lord in your hearts!...

* (Note - Mark): (Saint Michael didn't stop to praise God during the Message, he just did a little pause, then continued. He meant here that it was for Us to Praise God at all times and places, at all times, without ceasing, that He would always unite with us in Prayer.

When He said, "I will worship Him also.. .", he meant that he would worship GOD with us too, when we were in GOD worship)

A Legion of Angels descends upon this city, and covers it in the four corners (...), and not only this city, but. .. all those who spiritually bring here today, receive a special Blessing from the Lord...

The Lord is True and Omnipotent!!!... The enemy will be bound, and it will not be with a thick and iron chain, but... it will be with the 'fragile string' of the

Rosary of the Virgin Mary... This defeat of the enemy will be fulfilled very soon!... very soon!... very soon!...

The Lord Jesus will pour out much Mercy on Earth... In these times, if you open your hearts to Him, HE will bless you and give Blessings and Blessings of Grace...

The Lord tells you that everyone who makes nine Fridays of Communion, communing and offering them to HIS Most Sacred Heart, will receive all the Graces that are asked!. .. Many 'miracles' of the soul and body will happen and the Holy Mother, in these moments, will visit the sick with Her Blessing...

All the sick, intentions and objects that they bring will be blessed... But many will be cured if they convert, if they change their lives, because the Lord is Infinite LOVE, and this LOVE always pursues hearts...

The Lord tells me to say, I, Saint Michael the Archangel, Chief of the Celestial Militias, that the Most Holy Mother, for almost 180 years has been sent to Earth to give the Messages, to call her children to conversion...

She is not heard, she is despised, she is considered ridiculous, like nothing else... and Her Voice is always more prevented from touching hearts, because She places the Messages in your hands... Children of the Lord, heed the 'calls' of the Dear Mother!... She comes to save them!...

Many will be 'marked'... Many, last month, were 'marked' by the Lord with the Token, and inscribed with the BLOOD of Christ in the 'Book of LIFE'...

(...) Worship Him!. .. Worship Him!... The Lord Jesus has now arrived to mark you... (pause)

They are marked... (pause) All were 'marked' in the 'Book of LIFE', by the Blessed Mother and by the Lord...

Take His Graces that THEY come to spread throughout the earth... You must live with this 'Sign of LOVE', which will not be erased, nor diminished; either through suffering or through the world they live in...

Now, this Sign is invisible, but... in the final time of purification, it will become visible, so that they can give perfect witness as Christians to their enemies...

Rest in Peace of the Lord!..."

Message from Our Lord Jesus Christ

"- I AM the True GOD!... I AM Jesus Christ!... Again today I say this to you:

I have sent My Holy Mother in many places on Earth to bring My children back

to My Sacred Heart ...

Worry about My Sacrosanct Worries!... I, who created you with so much Wisdom and Grace, again say to you: - It is time for you to return to ME!...

I am sending My MOTHER every day to Earth, in many places, so that humanity may return to My Sacred Heart...Be concerned with My DIVINE Warnings!...

My Lips today spiritually send you a 'Kiss' of LOVE... to you today that you are here...

Invisibly, I have shed a Drop of My BLOOD on each of your souls, and I have placed the STRENGTH of My Spirit in you, so that you may carry My Mission to the end...

I ask you all to return to meditate on the 'mysteries of your salvation', and work for the salvation of the world...

My Heart WILL WIN! My enemy's days are already numbered, and that is why he turns furious against you... You have nothing to fear, the serpent will attack you, but... My Sacred Heart will be the 'SHIELD' that I will give!...

Today, at noon, I was in My Matrix, as I promised that I would visit it in a special way every 7th of each month... In that Tabernacle, I poured out the FIRE of LOVE of My Spirit, as I said on the other two times. precedents... All those who go there to implore Graces will receive them in abundance...

By this I do not mean (pause) that I am not present in the other Tabernacles, or that you do not receive Graces, no, no!!!.. I am there too, with you...

It is as if I am inside a door, and you are outside. You don't see ME, but... you can talk to ME... and I can talk to you!... I hear your voice and I answer you... I see you and I caress you...

My children, My children... I pour My Blessing from GOD on the floor of this city today, because I AM the Lord... On the instrument, the means of communication that Evangelizes in My NAME there, today I leave My Cross , so that the POWER of My Spirit is always there...

My Holy Spirit, My children, run in search of you!!!...

Today, My Heart 'falls down with so much PAIN' for the sins of the world, but.. ... also pulsates with LOVE for you... I want to give you LOVE, because you do not receive true LOVE from the world... because no one loves you as I LOVE you!...

My LOVE seeks hearts... I can no longer keep My LOVE within ME... With 'violent force' I run in search of you... Do not deny receiving My LOVE, but... open the doors of your hearts!... My children, My children... this night, I bring

down copious Blessings upon you...

The fact that the Scourge that My Mother told you about is now far away, does not prove that I am not here. .. On the contrary, praise My Heavenly Father with Me, who gave way to HIS LOVE rather than HIS Justice... Thank My Father, who has poured out so many Blessings this night...

But... I ask you for much prayer... If two months ago I asked you for the Rosary of Mercy, now I ask you for the Rosary of Mercy every day...

Through this Rosary (of Mercy), families will be saved, because the 'smoke' of the enemy spreads in all directions, because he rose from the abyss with great fury, because he knows that he has little time left, to tempt you and lose you ...

To all of you who pray the Rosary of Mercy, from now on, I will give you the Blessings and Graces of My Heart... You will overcome the insidiousness, you will defeat the apostasy... in him, (that is, consecrated) will blossom like the trees in spring...

See here, My children, the Apparitions of My Mother and Mine too... In the beginning a small tree, today a leafy tree... I do not wish that let no one depart from ME, but that in the next month, you all come again... I have new Messages and new Blessings to give you...

I bless your Brazil... In fact, here there are Prophets sent by ME, so that 'in these times' I may obtain the TRIUMPH of My Heart, and of My Mother's Heart...

All your priests, all of them are ME dear ones, even if they have many flaws, because they are human... You must pray for all of them, and give them to ME... (...)

Everything is fulfilled... you are living the Apocalypse! You read, but... you do not understand. You look, but you do not see. I explain everything to you!...

I gave a Prophecy in Fatima, that at the 'end of time' My MOTHER would be sent by ME myself, and that through the Apparitions, Tears and Messages, would bring the whole world to ME... She is the Last Anchor of Salvation that I offer you!... Now, I come myself...

My MOTHER's Tears are there, rolling... rolling... and you don't even care about them...

My MOTHER is transmitting Messages to you, so that you get closer to ME, but you... treat My Seers and Seers Dearest of My Mother by impostors, liars and deceivers, when your heart should at least open to examine the Prophecies and their fruits...

Of course, caution comes from ME!... You must ask the Spirit Holy discernment, to know if the work is Mine or of the evil one, human or DIVINE...

But... I am saddened, because men say that I don't exist, that you don't want to live WITH ME, and that you don't love ME. .. You say that I AM a 'legend', or a thing of the past... But!!!... My WORD will remain...

A Great Cross will be shown: - The Sign of Salvation... Sinners will open the doors of their hearts to Me, but... 'time', it is enough that only I and My MOTHER know it...

O My children I leave My Flame in you... Cry!... Cry!... Cry all of you!... Tears are the greatest adoration... I

repeat again: - All of you who truly adore Me are placed and kept in the depths of My Sacred Heart...

My children, I LOVE you!... I desire and can heal you!... I AM the Lord of the Universe and of all diseases! none even reaches My Feet... Whatever you ask of Me with LOVE, Faith and Trust, I will give you... (pause) Ask Me for forgiveness for your sins...

My children, prepare yourselves for the BATTLE, because My enemy has come out to lose you and tempt you, and My MOTHER has left with the Angels to save you, at My command... Pray a lot!... My Most Precious BLOOD will free you from all evil!... I LOVE you!... I LOVE you!...

Have I ever abandoned you, or denied you My Infinite Mercy?... Every time you look at the Crucifix, remember What I'm telling you now: - It was on the Cross that My LOVE embraced the whole world...

Look at humanity that continues to walk on the road of revolt against ME... Men no longer want to listen to Me... nor listen to ME... They go on in their darkness and their mistakes... (pause) I need all of you to pray for the release of these children...

All of you who are here will free a soul from Purgatory if, when you return home, you say three Hail Marys for them...

You can snuggle up to My Heart... My Lap is always offered to you... Communion is the moment when the soul and I become 'ONE', just as I and the Father 'ARE ONE'... My Sacred Heart (pause) merges with yours, and LOVE IS ONE , just as the Father and I ARE ONE ESSENCE of LOVE...

I bless you, I leave you My Peace, I give you My Peace... I bless the sick! Your tears of pain, affection and tenderness are welcomed, heard and blessed by ME... All of you who have come, take My Blessings!...

Next month, My MOTHER will come with ME... Ask the Holy Spirit for discernment, and you will be filled with Peace... I wish that everyone will be with ME in Heaven!... Here, next to My Throne, all hearts will find rest...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of My FATHER, the Lord...

Watch and Pray!..."

07/08/94

"- My dear children, today I come to you full of 'joy'... Thanks be to GOD, many children have confessed these days, have received communion, prayed and turned to Me. I'm happy!...

My children, the 'evil' that I warned you about is postponed and greatly diminished, but... continue to pray and to live the Messages, because it has not been completely annulled. My Heart rejoiced to see so many children in prayer, next to Jesus and Me...

As I told you yesterday, GOD gave way to His Mercy, instead of Justice. Praise Him with Me!!!...

Do not decrease your prayers, but... increase them, so that the Lord may touch sinners, so that they may be forgiven... The Rosary, the Eucharist and the Sacrament of Confession they are your 'weapons'!... Saint Michael will always defend you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

09/07/94

"- Dear children , I rejoice in your prayers, but... I cry when you don't pray...

My children, continue to pray always! My Son had Mercy on you, and He pushed away the 'evil', but He wants you to keep praying more and more... The Rosary is the means by which the Lord wants to be praised, and My Heart wants to be remembered by you...

My children, trust!... Let no one doubt this Holy WORK of Mine! Many people have approached Me and Jesus, through the Grave Message I gave them, but... keep on praying, because 'these evils' have not yet been completely overcome...

Remain in prayer, in Peace... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

07/10/94

"- Dear children, I LOVE you with all My Heart!...

I thank you for all your prayers and sacrifices that you make to Me... My LOVE for you never diminishes... nor does it end...

LOVE you!... I LOVE you!... I LOVE you!...(pause) Be in Peace!..."

My children, repent of your sins and return to LOVE ! May your prayers be prayers of LOVE and Peace!... May My Tears of Blood touch you to return to the right path!...

I bless you with Tenderness, in the Name of the Father... of the Son... and of the Holy Spirit..."

"- My dear children, may the Peace of Jesus be with you!... My dear children, I come to invite you to the LOVE of GOD!... Dear children, may this LOVE of GOD renew your hearts, and make you understand HIS Holy Will (of GOD)...

Dear children, today I pour My Maternal Blessings upon you... GOD, through Me, wants to invite you to LOVE!... I am your 'Little Mother', sent to earth to invite men to return to the FATHER. ..

My children, repent of your sins! Stop offending the Lord so cruelly!... I came to invite you to the LOVE that only GOD can give, because only HE truly has it!...

My children, the path of prayer is the one by which I come to take you to GOD ... In the WORD of the Lord it is proclaimed: "...all that breathes, praise the Lord!..." Even the most silent plants praise the Lord night and day with their vegetable life... animals sigh for the Lord, and for My Presence...

Look at the birds that sing joyfully to the Lord, making their humble adoration. The sparrows worship the Lord!...

But... of all God's creatures, man is the most rebellious to the Lord!... O humanity, stop sinning against the Lord, and living in the perdition of impurity !...

I am the Mother who has been looking for you so much, and you have only responded to Me with ingratitude... My children, respond to My Messages!...

My dear children, why are you desperate with your lives? ... Why are you so worried about eating, about dressing? Am I not here by your side? So, what do you have to fear?...

Don't worry too much: - GOD will take care of you, and I will always be by your side!...

My children, open yourselves to the LOVE of GOD Creator!... The Heart of Jesus is full of Mercy for each one of you!... Penetrate this Heart through

prayer!

... ', as a symbol that I want to transform the world into a 'flowery garden'... Help this Mother!...

The Rosary is the 'weapon' with which we will fight together! The Glory of My Son will 'shine', and the Majesty of GOD will be seen everywhere!...

I bless you, dear children, in the Name of the Father... of the Son... and of the Holy Spirit... "

07/08/94 Monthly Anniversary of the Apparitions

(Mark): (On this day, Our Lady and Our Lord asked us to pray the answer to the Hail Mary Prayer: "Holy Mary, Mother of GOD and our Mother..."

It is the day that Jesus and Mary come together to give the Message. There were many young people at the site of the Apparitions.

On that day, Our Lady came with her hair down, full of white flowers, daisies, a white dress and a blue mantle hanging from her shoulders. In her arms she

carried a bouquet of luminous flowers. The chaplet of shining beads hanging from the right arm, and Jesus was also dressed in white. Our Lady began to speak:)

Message from Our Lady

"- Dear children, (pause) today, I am very happy for all who came to meet Me... I come today, with My Arms full of flowers, a 'Celestial bouquet ', to offer each of you...

Dear children, I wish to place My Ardent LOVE in all of you... I am the Mother of DIVINE Grace, and I wish to fill you with the Holy Spirit...

Every day more, I want to lead you along the path of the most perfect fulfillment of the Will of GOD... The Will of GOD is manifested in you, to help you to be true witnesses of HIS Presence in the world...

THE FATHER OF WHOM I speak to you, dear children, he is the FATHER of LOVE, of whom you have already heard, but who have not yet been able to LOVE... Love HIM who first LOVED you!... Love HIM who IS LOVE ITSELF! the only LOVE that exists in you!...

The temptations come in the sense of separating you from GOD, and denying the LOVE so great that He has for you... So that we can destroy this, I want to ask you to pray of the Hail Mary, after 'Holy Mary, Mother of GOD', add 'AND OUR MOTHER'...

Why? Because Satan wants to be everyone's god.

As at the beginning of creation he rebelled against the Lord, even today he wants to put himself in the place of GOD, to be adored by all men on earth...

Therefore, calling Me 'Mother of GOD and his Mother', they will not be worshiping Me as GOD, but they are giving themselves with all confidence and fervor to Me, who Am their True Mother...

If they call Me their Mother, how can the devil be their Lord?... If they call Me their Mother, like Jesus, My DIVINE Son, will you not be the KING and Absolute, True and Eternal Lord of your lives and of the whole world?...

So, dear children, every time you say the Hail Mary in this way, you will defeat the force of the enemy in yourselves, in your lives, families and communities, extolling the LOVE, Grace and STRENGTH of GOD, who MADE ME YOUR MOTHER!...

I will look with a LOVING Look and full of immense Affection to all My children, who, with confidence, humility and fervor, call Me at any time MOTHER! of My existence on earth and also in Heaven...

MOTHER I was called at the moment of the Annunciation... at the Birth of

Jesus... at the Visitation... at the Presentation... at the Cross... and in Heaven!. ..

When you call Me on Earth as Mother, everything is transformed... everything is illuminated!...

I thank you for your prayers, dear children, and I continue to ask you to pray the Holy Rosary...

This is the Message I bring to you . of the FATHER, with My Son Jesus... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children! My children, (pause) I am here with you with My Holy Mother, and I desire to fill you and endow you with My Holy Spirit, so that your hearts may adore Me with purity, love and fidelity. .. Today, beloved children, I want to show you who OUR MOTHER is...

SHE, yes, is My MOTHER and your MOM! SHE, yes, is OUR MOTHER!...

In that moment of the greatest Pain in the entire world, of all times, of the entire universe, when the BLOOD washed me all over the Cross; when My Lips, full of BLOOD, pronounced the last declarations of My DIVINE LOVE for the world, I looked down and saw My MOTHER, who silently shed Tears of Adoration and pungent Pain to Me, and who remained with such great fidelity to ME, that no 'rock' could beat LA in Fortaleza... No one was that strong until today! and it will never be...

Whoever LOVES My MOTHER, LOVES Me, because without HER, Redemption would not be done for you...

Seeing the affliction that all men would find themselves in after My ascent to the FATHER, I gave you the Eucharist, as a Memorial of My Passion... I would send the Holy Spirit to be your vivifier and sanctifier.. But... also, I did not want to leave you (pause) without the comfort of My Holy Mother...

Turning to My Holy Mother, I gave her to all of you... John, at the foot of the Cross, felt his heart burn for such a great gift that I gave you, because I gave you my own Affection (pause) to be your MOTHER...

My children, whoever forgets My MOTHER, forgets ME, forgets My WORDS of Pain and LOVE to feet of My Cross...

Saying... and denying My Holy Mother is the same as desecrating My Precious BLOOD, which flowed from My Lips when I said to you:

'SON, BEHOLD YOUR MOTHER!...'

So, My children, honor OUR Holy Mother, as I did until the last moment, I honored and LOVED HER intensely...

So, call her THE MOTHER OF GOD AND OUR MOTHER, because to pray the HAIL MARY like this is to continue the ' decree' of the Cross, that you are not orphans, but... that while I was consummating the Plan and returning to the Father, I left you 'warmed up' deeply (pause) in the Heart that had the purest LOVE for ME, like the world can never conceive and know (the depth)!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

09/08/94

"- My dear children, watch and pray , so that you do not fall into temptation... My enemy is always on the lookout for you, to ambush you... Pray a lot!... Those who pray have nothing to fear..."

10/08/94

"- My children, today I come as the Mother of the Lord, to invite you to Peace... I come as Queen and Messenger of Peace, to tell you: - Peace is urgent!...

My children, today I wish to invite you, once again, to abandon yourself in the Hands of GOD!...

My children, I come in the NAME of Jesus to take you and place you in the 'Burning Furnace' of the Heart of Jesus... The Heart of Jesus is your security and your Peace!...

The Heart of Jesus is the 'refuge', the 'sure sign of salvation' for you all...

Oh, how happy are the pure in heart, who love the Lord! ... They are those who perpetuate the WORK of My DIVINE Son!...

My dear children, may your heart be open to the LOVE of GOD, at all times...

I openly wish to reveal today: - I want the cenacles of young girls to be formed here in the city of (S... B...), so that I can place My Grace in the hearts of My dear young people.. They are My great Hope!...

May the cenacles also be formed, taking My Messages to all homes, to all hearts, to all places!...

My children, I rejoice in your presence and with your availability to My Desires. Don't worry about anything... I'm so happy with you!

Pray My children! It is My Appeal: - Pray the Rosary without ceasing!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

11/08/94

"- May the Peace of Our Lord Jesus Christ be with you!... My children, I have invited you to abandon yourselves to GOD... Only in GOD is the True Joy, the True LIFE, and the True Peace! ...

The Eucharist is My Living and REAL Son in your midst!...

I asked you for more trust in My Hands and in the Hands of GOD, but... all those who live this TRUTH, and believe in My Son in this way ?...

Oh, how happy are those who commune with My Son whenever they can, and even every day... They are like 'flowers' placed by Me, to adorn the Heart surrounded by 'thorns' of My DIVINE Son Jesus Christ!...

Dear children, go back to Communion!... Communion often!... Communion whenever you can!... Communion is the 'union' with Jesus!... Dear children, I desire this LOVE for you...

Continue to read Matthew (6, 24-34) every Thursday, as I asked them, so that they are always in union with GOD, and so that the abandonment in HIS Hands may be complete...

May GOD bless you, and may GOD keep them... (pause) Continue to pray the Rosary every day, because it is through it that I place you in the presence of Jesus!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

12/08/94

"- My son, what thoughts are these in your heart? Why are you thinking this way about Me? Why do you fear that I am an illusion?...

Marcos, I took you from among the people, to be My Messenger, precisely for that very reason, to prove that I never choose the best, and you are not better than anyone else...

I never choose the best... By That's why I am always on the side of the weakest, the most defenseless, the smallest... Where there is poverty, smallness, there I am with My children!...

My dear one, abandon yourself to Me... (pause) Answer Me: - Have I ever left you abandoned?..."

(Marcos): "- No, dear Mother, never!"

"- My dear son, have I ever left you without the Grace of GOD?"

(Mark): "- No, you never left me..."

"- Then, surrender to Me!..."

(Mark): (Then, he continued with the Message for everyone)

"- Dear children, praise our Lord Jesus Christ!..."

(Mark and those present) "- Praise him forever!"

"- I rejoice today to be with all of you once again...

Dear children, I wish once again to give you My Blessing of Peace... It is Peace, it is Peace that I want to give you!.. My dear children ,

your life must be lived in simplicity... I come today to give you a word about simplicity. You must be simple, you must, dear children, be humble in the Eyes of God, only then will you be great in Sir...

And you do not see your work as a 'yoke', as a cross to be carried, but see your work as a means of purifying your souls, and also, dear children, as a way of cleansing you from your sins and to reach Peace... Even in your school, be obedient to your teachers and superiors...

Talk, dear children, with the young people, with your brothers, about the LOVE of Jesus, because there are many young people who they are far from the LOVE of GOD...

Pray for your teachers who don't believe! Pray for young people... Young people are heading towards an abyss of perdition in drugs, in prostitution... My children, I wish to take you away from drugs and prostitution, but... I need your hand... Give Me your help, and the rest I will do...

My little children, tell them about the LOVE of Jesus and My LOVE, which I am always transmitting in My Messages!...

Young people are My great Hope, and today this My Message and My Blessing is Special to all of them...

Dear children, may your heart be in My Hands... I bless you with the Peace of the Lord, in the Name of the Father... of the Son... and of the Holy Spirit..."

08/13/94

"- Children My! May the Peace of My Son Jesus be with you... My children, My Heart today wants to give you a small Message...

I remind you of the commitment of Prayer, Sacrifice and Penance. Without

these three conditions, dear children, you cannot reach My Son Jesus Christ...

My children, continue to pray! GOD is 'happy' with your prayers, but... you still have to pray more! It is still not enough...

My dear children, GOD has Great Graces to grant you, but He will only grant them if you make sacrifices and pray. Believe and abandon yourselves to Him!...

Here I introduced Myself as Queen and Messenger of Peace, to remind you that without Peace, man cannot and cannot save himself, therefore, all those who want to save themselves if, you must seek Peace... I come to bring Peace!...

My children, I shed copious Tears today in Louveira... In so many Signs that I have given you, of My Immense Pain, I have warned you of what you can find, what can come to you if you do not convert, but... you do not respond to My Messages... My Signs are denied, My Apparitions are rejected, I am made to look ridiculous...

My dear children, I LOVE you, and I have invited you, since a long time ago, to abandon yourselves into the Hands of GOD ... Abandon yourselves My children! That's all I ask of you...

Pray!... Pray!... Pray!...

I leave you with My Blessings... Be in Peace, and try to answer the calls of My Sorrowful Heart...

When all humanity is converted, then I will not cry anymore, but, on the contrary, you will see smiles in all My Images!...

I bless you all, in the Name of the Father... of the Son... and of the Holy Spirit..."

Assumption of the Blessed Virgin Mary into Heaven

in Body and Soul

"- My son, Praised be Ours Lord Jesus Christ!"

(Mark): (To which I replied:) "- Forever be Praised!"

"- Dear son, I am glad to be here once again, with My children and with you..."

(Mark): (Raising Her Hands, Our Lady said:)

"- I bless you all once more, with the Blessing of My Lord, and HE gives you the Blessing of Peace..."

(Mark): (She was silent for a few moments, while joining the hands placed on the top of the Chest again, and then proceeding)

"- Today, on the Feast of My Assumption into Heaven, I want to tell all of you, dear children, that today I am a Sign of Hope!...

My DIVINE Son Jesus Christ did not leave Me in the corruption of the tomb, but He came to get -He took Me in Body and Soul with Him to Heaven...

There, I am the Queen of the mortal world, and of all Angels and Saints too... My Glorious Body, dear children, emanates the 'Perfume' of DIVINE Graces for each one of you...

All those children who follow Me, who truly want to follow My Heart, in each one of them I place the 'Perfume' of My Heavenly Grace...

Today, I start a new year with you! I begin a Holy Year for the family and for young people, because families, dear children, are in danger, and young people are also being very tempted and led astray from the path of GOD... help for families and young people...

Dear children! Dear young people! Dear families! Pray!... Pray!... Pray!... In this Holy Year, in which I will accompany your families and young people in a special way, the first thing I ask of you is this: - Pray the Rosary!...

My children, the LOVE of the Lord is being given to all of you. My children, I desire to invite you to the LOVE of GOD!...

Oh, how many sins there are on earth!... How many sinners who are eternally damned in hell!..."

(Mark): (Our Lady asked me to kiss the ground for the conversion of sinners. Then I kissed and felt a movement in my heart, which led me to pray in this way: My Lord, by this kiss, forgive all our sins! and I prayed in the name of all humanity. I got up, still kneeling, and looked again at Our Lady, and then, She continued)

"- My son, sacrifices of LOVE must be made, sacrifices full of true Charity towards the brothers sinners...

My dear children, pray and do penance!... Only prayer and penance can save the world!... There are still so many catastrophes that come your way...

Pray! Pray! Pray a lot! Pray without ceasing... Communion too, dear children...

I ask this very much of you: - Abandon yourselves in the Hands of GOD the FATHER, of My Son, and of the Holy Spirit... My Angels will be at your side,

and will help

you... Paradise today rejoices in My Coronation as Queen of Heaven and Earth!...

My dear children, every time I come to give you Messages, I come to bring Heaven to each one of you. Dear children, strive for Paradise, for Heaven!... How few are those who think, and who do everything to enter Heaven!...

Fight for Heaven, My children, and have trust in Me..."

(Mark): (Our Lady continued to speak to me)

"- Come, My son, today I will give you a Special Grace... Come to kiss My Foot as a Sign, once again, that I take you off the Earth for a few moments, to give you the LOVE of Heaven.. . so that in your daily life, you transmit Him to all your brothers..."

(Marcos): (And then I asked her if I could go kneeling or standing up to Her, and soon She answered me:)

" - Come on your knees, My son..."

(Marcos): (I went to where She was, and then she said to me:)

"- Get up!"

(Marcos): (I stood up. Our Lady closed her Eyes, she began to shine with more LIGHT, and then, I placed my lips on Her Most Holy Right Foot and kissed Him...

I felt as if I was not here on earth, but as if he had died, or been transported to another place.

The LOVE that I felt passing through my body and in my heart was a very strong thing. Then the Virgin said that she could go back to where I was. I turned around, knelt down, and She continued:)

"- My son, your place in Heaven is already reserved, but... take care not to lose it by sin, and tell your brothers too that I call everyone to to be Saints and to enter Heaven...

My son! Pray for your brothers... tell your brothers to pray too! My wish is that they are happy on earth, and that they come to be with Me in Heaven...

I LOVE you, My children, and I leave you today My Blessing of Peace, in the Name of the Father... of the Son... and of the Holy Spirit..."

(Marcos): (And then Our Lady was disappearing, rising. The LOVE that She put in me was so great the moment I kissed Her Feet, that I couldn't hold back

the tears, they came out by themselves, and after Our The Lady went away with the two Angels, more resplendent than the sun, the Light went out, and I saw myself again in the world.

Our Lady asks: LIVE THE MESSAGES. She let me kiss Her Feet to show that She is Ours Mother, and that Her Body is in Heaven, in Flesh and Bone, and also to confirm that She awaits us there. It is in this Lap that we will rest eternally, if we strive here on earth to achieve Eternal Life in Heaven. be Our Lord Jesus Christ)

8/16/94

"- I come today once again, My dear son, as every day, with My Immense LOVE, to fill your life with the Grace of GOD, and to be present once again with My children

... need of My assiduous Mother Presence, that's why I come every day! ..."

(Marcos): (I asked her if I could give a grace to two people who were in need. Our Lady replied with a Message, like a Caring Mother and said:)

"- Go, My son, and transmit to them all that I told you..."

(Marcos): (I asked her if she had something for humanity. She replied:)

"- Yes, I wish to ask, as always, prayer and trust in GOD!...

Make Eucharistic adoration, dear children!... With Eucharistic adoration, you will be able to overcome even wars, hunger, and everything that Satan plans against you... All the snare of Satan will fall to the ground, if you make the adoration of the Blessed Sacrament...

My son! I gave that sign in that photograph*, to indicate not only to you, but... to all your brothers , that I LOVE you!

I am the LIGHT of the world!... It is I who do all this here!... It is a simple sign, dear son, but how could this sign not be simple, if it comes from Me It's because I'm Simple, Meek, and Humble of Heart...

My dear child, this sign is for everyone to understand that you are My Chosen and My Messenger... That everyone notices in the photograph that My Face is turned towards you, to indicate to everyone that you are My Messenger, and that I will light your eyes and your path, always in front of you...

This tiny sign is proof of My LOVE for you, and of My Presence with each one of you, dear children of Mine...

Stay in the Peace of the Lord! ... I bless you all with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit..."

*(Note): (This photo that Our Lady refers to in the Message was taken by a young woman, while Marcos held in his hands an Image of Our Lady of Lourdes, inside a bus, on a pilgrimage, returning from Aparecida.

When the young woman developed the film, to everyone's surprise, the Image of Our Lady was all lit up and her head slightly turned towards Marcos Tadeu. The blue belt, hands and feet of Our Lady of Lourdes disappeared in the Light.

Around the Image there was an 'aura of Light', demonstrating that the Light came out of the Image, and not a Light that was reflected in it. Everyone was very impressed by this sign. This photo can be found in the album of signs at the end of this book)

07/10/94 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Today I come to you, I, the Mother of Mercy, to bless you, dear children, with the Gift of Peace... I

LOVE you! I LOVE you! I LOVE you very much!... To you I give today My Immaculate Heart, so that you can truly LOVE GOD and your brothers...

Dear children!... Today, I have already greeted you with Peace in Jesus' Name... I thank you from the bottom of My Immaculate Heart for having been here, and today, October 7th, I renew My Appeal to Conversion...

My children, the time left for you is already running out, and soon, My children, My SECRETS will all be fulfilled and revealed... The Third Message of Fatima, entrusted to My Little Daughter Sister Lucia, will be revealed to the whole world, and then, My children, you will not be able to imagine what will come... That is why I say to you: - Convert now!... Convert while you have time, My children, and return to the Lord, GOD of Salvation and Peace...

My children, last month, through this Image, I shed Tears... These same drops that you see falling on you are Signs of My Tears, on each one... My children , it is also My Blessings that descend on each of you...

Today, little children, I made My Eyes 'stay alive', and with stains of Blood to appear on the tunic of My Jesus, to tell you, little children, that OUR Pain for the sins of the world is very great... I wish you, children, conversion, and that you give your hearts to Me!...

It is My wish that on December 8th, the Feast of My Immaculate Conception, in this city, all of you will be together with Me in the Matrix of the Immaculate Conceição in the afternoon, and that at night come to this place...

On the 7th of December there will also be the Apparition. I will be here, My children, by your side to bless and protect you...

I tell you that on the 8th of December, here in Jacareí, Great Graces will be granted to you, great and abundant Graces will be given to you during the procession and the Mass!... Therefore, My children, I wish you all together with Me, Your Immaculate Mother...

Many have come to this place to see Me or to know if it is true that I am appearing here. My children, last month I gave you abundant signs... Almost every day I have made the sun manifest, and today I gave you this gift, little

children... What else do you need?...

Open Me your hearts, and let Me in... Why are you so hard and don't open the doors of your hearts to Me, who am your Mother, the Immaculate Mother?...

Little children, I ask you to abandon yourselves into My Motherly Hands, so that I can bless you... Next month Jesus will come back with Me to give you Messages... I LOVE you very much, and I give you the Peace, not as the world gives it, but... as my Son Jesus gives it...

My children, here I am going to leave you Thirteen SECRETS... You don't know what these SECRETS contain, that's why you don't pray, they do not hasten his conversion...

Today I revealed the Seventh to this dear son of mine, to whom I appear every day. Little children, with this I want to tell you that the Hour has come, that the time has come... I have little time left with you, therefore, My children, I ask you to open your hearts to Me, so that I can change them while there is still time!...

Dear children, I came here as 'QUEEN AND MESSENGER OF PEACE' to say to you: PEACE!... PEACE!... PEACE!... Reconcile yourselves!... For this you must believe, pray, fast, cry your sins, confess, take communion...

I, the Mother of you children, leave you with My Blessing, My LOVE and My Mercy... Children, you are a people dear to My Heart... chosen and favorites of My Mother's Heart... My children, if you are here tonight, it was because I invited you, I called you to be here by My side!...

Today I make these Appeals that My Son made: - Amen- if! Love yourselves! Love each other with all your heart!... True LOVE will never end!...

I asked that My Matrix be considered a Sanctuary, and that a Chapel in My Honor be built in the place appointed by Me... (or i.e. on Mount)

My children, My LOVE for you never passes, and therefore, dear children, I give you the Gift of Peace!... I LOVE you, children, and I bless you!...

See how the drizzle has stopped! This means that My Tears will stop flowing when you, dear children, also convert and pray... You have

received the Rosary of Peace written... Take this leaflet home and form prayer groups. Meditate

on My Messages... Convert!... Convert!... Convert while there is still time... I am the Mother of Peace... I am the Mother of Good Counsel... I am the One who brings Immediate Grace and First Aid to each of you...

I am manifesting myself in many places on earth, through My Seers spread across the face of the world, through My Images crying, crying BLOOD because of you... I suffer so much, children, because of you, and I am paid

only with blasphemies. , sins, offenses, and with your hardness of heart...

Children, I say to you that it is time to come back to Me! Return, children, to the road of Grace... Return to the road of LOVE!...

When the SECRETS of Jacareí are revealed, it will already be too late for conversion... The last Great Miraculous Sign will be for the conversion of atheists, but ... do not wait for this last Sign, because when it comes, it will be too late, too late...

Therefore, repent now! Repent of your sins now and give Me your hearts... Truly I tell you, soon many people will look for Me here in Jacareí... (...)

My children, I want you to come without fear, and bring as many people as you can... It is My desire to see many people here!... This will be a place of Blessings, deep conversions, healings, and the return of hearts to My Lord...

On the 7th of each month, I will give Great Thanks from My Immaculate Heart and the Sacred Heart of Jesus to all... My children, I wish you always close to Me... (...)

Children, pray for the Pope!... He needs your prayers!.. The Sacred Heart of Jesus is attentive to your supplications, therefore, My children, pray, pray, pray... Everything you ask through Me, if it is God's Will, Jesus will give it...

I bless you and I LOVE you... in the Name of the Father... of the Son... and of the Holy Spirit...

The Dragon will be chained not by a thick iron chain, but... with the string of My Rosary . I will order the Three Archangels to bind the devil in hell, and in the TRIUMPH of My Heart, he will be powerless... He will never leave the abyss to try the earth again!

This will be, My children, the TRIUMPH of My Immaculate Heart... Have confidence, because in the end My Immaculate Heart will TRIUMPH..."

Message from Our Lord Jesus Christ

"- You all, put yourselves in My PRESENCE! Place yourselves at My Feet! Adore Me!... Adore Me!... Adore Me with all your heart!... Yes, truly, children, I AM THE ONE who on the Cross shed all HIS BLOOD for you...

I AM THE ONE, children, who had My Head 'Crowned with Thorns'... All My children, pierced with thorns, from so much suffering that was inflicted on Me in My Crown...

Yes, on that day of My Passion, I was abandoned!... There was no one close to ME!... There was no one, My children, to help ME, to save ME, to console ME!... All had come only to condemn ME... Yes, children, I presented the back, so that it could be plowed by the whips, for LOVE to you!!! Yes, children, the LOVE of My Heart, this LOVE, children, which has no measures, and which has no end, for you...

In the Church, My children, I am in the Tabernacle, ALIVE and present, looking at you , listening to you, helping you! and bless you... And you, My children, what do you do? You leave ME forgotten (pause) and abandoned in the Tabernacle...

The enemy is loose in the world, children, wanting to seduce you, take you away from ME, My children, and plunge you into the abyss of hell, and you, My children, what are you doing? Instead of renouncing the devil, renouncing sin, My children, you make a pact and alliance with him through your sins...

Generation, listen to My Voice!!! Generation, there were the 'groans' that I launch in this desert of hate, of rancor!! which is your land, your land that has no more LOVE, generation!

Every day, Tears of BLOOD raze My Eyes, and My Mother's Eyes... We BOTH cry, as we contemplate the whole world immersed in hate and sin...

Generation, unbelieving land! To you, children, who are so far from ME, I want to say to you: - O poor sinners, O 'black' souls from the smoke of Satan! I came out of the grave! Come out, children, from the pit, come out of the darkness, and come closer to My Sacred Heart!...

As I, My children, raised Lazarus, I raised the daughter of Jairus who were, children, in the darkness of death; So also, everyone who calls on Me, even though he is dead in sin, will live, because I AM the Lord Almighty, and I have not yet come, My children, My generation, to condemn you, but... to SAVE YOU AND GIVE YOU PEACE!...

Generation, pray for My Peter! My Peter, JOHN PAUL II, who is the Stone of the Church, needs many prayers from you, My children... because, children, He is placed in the world as a Sign of contradiction! His life will be offered to ME, as a 'gentle lamb' taken to the slaughterhouse... Yes, My children, He is a 'living copy' of My Passion!... He is the Beloved One of My Mother, the Queen of Peace and Lady of Sorrows!...

I tell you, children, that this Holy Church, BELOVED and Beloved of My Heart, founded on the BLOOD that gushed from My Heart on the Cross, 'washed and sanctified' in the WATER that emanated from My Side, and purified by the FIRE of the Holy Spirit, this Church, My children, is the Way of Salvation...

Those who are outside the CHURCH are in error!... They walk in darkness, My children!... They walk in sin, My children!... And I desire, My children, that you return to My Sacred Heart...

I who AM your GOD, who created you with My FATHER, in a wonderful and beautiful way, My children, with so many gifts, with so much life, My children, with so much grace!! I feel abandoned by those I created...

My BELOVED and dear children, I give you, children, My LOVE, so that you LOVE, children, with HIM your enemies... I AM JESUS CHRIST, Eternal Word of the Father, and I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit*...

My MOTHER speaks to you..." *(Our Lord, in the Blessing, pronounced the Names of the Three Persons of the Holy Trinity in Latin)

Yes, My children, I LOVE them. ... I LOVE... I LOVE it very much!... And I tell you that from Brazil will come Salvation for the whole world!... It is from My Dear Land of Santa Cruz that Salvation will come to all peoples, My children ...

And I say to you: - Brazil will know many Places of My Apparitions... I will multiply My Apparitions, My Seers, My Images crying everywhere, so that My children believe that the time has come and return to the Lord. ..

Yes, children, this is My 'message' and My Message for all of you... Jesus and I were present, suspended above the moon, looking at each of you all the time, My children, who prayed here...

I thank you for the beautiful songs... and I would now like to ask one of these My children to sing to Me and at the same time play the Hail Mary. Feel, children, My sweetness in your heart... I place, My children, My 'kiss' and My Finger in the heart of each one of you right now... (We sing to Her...)

Thank you, My children, for this wonderful song that you sang to Me, I trembled with joy! I rejoiced, My children, in the Spirit of GOD, for their voices that showed deep LOVE and Affection for Me... Children, I leave you here My farewell, and I bless you, My children, today and always, in the Name of the Father. .. of the Son... and of the Holy Spirit...

Until next month, children, I hope you all here, by My side... stay in the Peace of the Lord... Farewell..."

(Marcos): (Our Lady appeared during the Rosary of the young people, at 23:00h. She greeted as always with: "- Praised be Our Lord Jesus Christ". I replied: "- Forever be Praised."

He told me how much he loved me, how much he loved me, and how much he loved me. She was silent for a while, just looking me in the eyes. The Beauty that the Mother has, united to Her Candor and Her infinite Goodness, at that moment made me exclaim:

"-Oh, how beautiful she is, how holy!" Then She said:)

"- My children, pray the Rosary every day! Continue to pray a lot, because the world needs many prayers!..." (And disappeared...)

Message from Our Lady

"- Today I come to you, I, the Mother of Mercy, to bless you, dear children, with the Gift of Peace... I

LOVE you! I LOVE you! I LOVE you very much!... To you I give today My Immaculate Heart, so that you can truly LOVE GOD and your brothers...

Dear children!... Today, I have already greeted you with Peace in Jesus' Name... I thank you from the bottom of My Immaculate Heart for having been here, and today, October 7th, I renew My Appeal to Conversion...

My children, the time left for you is already running out, and soon, My children, My SECRETS will all be fulfilled and revealed... The Third Message of Fatima, entrusted to My Little Daughter Sister Lucia, will be revealed to the whole world, and then, My children, you will not be able to imagine what will come... That is why I say to you: - Convert now!... Convert while you have time, My children, and return to the Lord, GOD of Salvation and Peace...

My children, last month, through this Image, I shed Tears... These same drops that you see falling on you are Signs of My Tears, on each one... My children , it is also My Blessings that descend on each of you...

Today, little children, I made My Eyes 'stay alive', and with stains of Blood to

appear on the tunic of My Jesus, to tell you, little children, that OUR Pain for the sins of the world is very great... I wish you, children, conversion, and that you give your hearts to Me!...

It is My wish that on December 8th, the Feast of My Immaculate Conception, in this city, all of you will be together with Me in the Matrix of the Immaculate Conceição in the afternoon, and that at night come to this place...

On the 7th of December there will also be the Apparition. I will be here, My children, by your side to bless and protect you...

I tell you that on the 8th of December, here in Jacareí, Great Graces will be granted to you, great and abundant Graces will be given to you during the procession and the Mass!... Therefore, My children, I wish you all together with Me, Your Immaculate Mother...

Many have come to this place to see Me or to know if it is true that I am appearing here. My children, last month I gave you abundant signs... Almost every day I have made the sun manifest, and today I gave you this gift, little children... What else do you need?...

Open Me your hearts, and let Me in... Why are you so hard and don't open the doors of your hearts to Me, who am your Mother, the Immaculate Mother?...

Little children, I ask you to abandon yourselves into My Motherly Hands, so that I can bless you... Next month Jesus will come back with Me to give you Messages... I LOVE you very much, and I give you the Peace, not as the world gives it, but... as my Son Jesus gives it...

My children, here I am going to leave you Thirteen SECRETS... You don't know what these SECRETS contain, that's why you don't pray, they do not hasten his conversion...

Today I revealed the Seventh to this dear son of mine, to whom I appear every day. Little children, with this I want to tell you that the Hour has come, that the time has come... I have little time left with you, therefore, My children, I ask you to open your hearts to Me, so that I can change them while there is still time!...

Dear children, I came here as 'QUEEN AND MESSENGER OF PEACE' to say to you: PEACE!... PEACE!... PEACE!... Reconcile yourselves!... For this you must believe, pray, fast, cry your sins, confess, take communion...

I, the Mother of you children, leave you with My Blessing, My LOVE and My Mercy... Children, you are a people dear to My Heart... chosen and favorites of My Mother's Heart... My children, if you are here tonight, it was because I invited you, I called you to be here by My side!...

Today I make these Appeals that My Son made: - Amen- if! Love yourselves! Love each other with all your heart!... True LOVE will never end!...

I asked that My Matrix be considered a Sanctuary, and that a Chapel in My Honor be built in the place appointed by Me... (or i.e. on Mount)

My children, My LOVE for you never passes, and therefore, dear children, I give you the Gift of Peace!... I LOVE you, children, and I bless you!...

See how the drizzle has stopped! This means that My Tears will stop flowing when you, dear children, also convert and pray... You have

received the Rosary of Peace written... Take this leaflet home and form prayer groups. Meditate

on My Messages... Convert!... Convert!... Convert while there is still time... I am the Mother of Peace... I am the Mother of Good Counsel... I am the One who brings Immediate Grace and First Aid to each of you...

I am manifesting myself in many places on earth, through My Seers spread across the face of the world, through My Images crying, crying BLOOD because of you... I suffer so much, children, because of you, and I am paid only with blasphemies. , sins, offenses, and with your hardness of heart...

Children, I say to you that it is time to come back to Me! Return, children, to the road of Grace... Return to the road of LOVE!...

When the SECRETS of Jacareí are revealed, it will already be too late for conversion... The last Great Miraculous Sign will be for the conversion of atheists, but ... do not wait for this last Sign, because when it comes, it will be too late, too late...

Therefore, repent now! Repent of your sins now and give Me your hearts... Truly I tell you, soon many people will look for Me here in Jacareí... (...)

My children, I want you to come without fear, and bring as many people as you can... It is My desire to see many people here!... This will be a place of Blessings, deep conversions, healings, and the return of hearts to My Lord...

On the 7th of each month, I will give Great Thanks from My Immaculate Heart and the Sacred Heart of Jesus to all... My children, I wish you always close to Me... (...)

Children, pray for the Pope!... He needs your prayers!.. The Sacred Heart of Jesus is attentive to your supplications, therefore, My children, pray, pray, pray... Everything you ask through Me, if it is God's Will, Jesus will give it...

I bless you and I LOVE you... in the Name of the Father... of the Son... and of the Holy Spirit...

The Dragon will be chained not by a thick iron chain, but... with the string of My Rosary . I will order the Three Archangels to bind the devil in hell, and in the TRIUMPH of My Heart, he will be powerless... He will never leave the abyss to

try the earth again!

This will be, My children, the TRIUMPH of My Immaculate Heart... Have confidence, because in the end My Immaculate Heart will TRIUMPH..."

07 /11/94 Monthly Anniversary of the Apparitions

Message from Our Lord Jesus Christ

"- You all, put yourselves in My PRESENCE! Place yourselves at My Feet! Adore Me!... Adore Me!... Adore Me with all your heart!... Yes, truly, children, I AM THE ONE who on the Cross shed all HIS BLOOD for you...

I AM THE ONE, children, who had My Head 'Crowned with Thorns'... All My children, pierced with thorns, from so much suffering that was inflicted on Me in My Crown...

Yes, on that day of My Passion, I was abandoned!... There was no one close to ME!... There was no one, My children, to help ME, to save ME, to console ME!... All had come only to condemn ME... Yes, children, I presented the back, so that it could be plowed by the whips, for LOVE to you!!! Yes, children, the LOVE of My Heart, this LOVE, children, which has no measures, and which has no end, for you...

In the Church, My children, I am in the Tabernacle, ALIVE and present, looking at you , listening to you, helping you! and bless you... And you, My children, what do you do? You leave ME forgotten (pause) and abandoned in the Tabernacle...

The enemy is loose in the world, children, wanting to seduce you, take you away from ME, My children, and plunge you into the abyss of hell, and you, My children, what are you doing? Instead of renouncing the devil, renouncing sin, My children, you make a pact and alliance with him through your sins...

Generation, listen to My Voice!!! Generation, there were the 'groans' that I launch in this desert of hate, of rancor!! which is your land, your land that has no more LOVE, generation!

Every day, Tears of BLOOD raze My Eyes, and My Mother's Eyes... We BOTH cry, as we contemplate the whole world immersed in hate and sin...

Generation, unbelieving land! To you, children, who are so far from ME, I want to say to you: - O poor sinners, O 'black' souls from the smoke of Satan! I came out of the grave! Come out, children, from the pit, come out of the darkness, and come closer to My Sacred Heart!...

As I, My children, raised Lazarus, I raised the daughter of Jairus who were, children, in the darkness of death; So also, everyone who calls on Me, even though he is dead in sin, will live, because I AM the Lord Almighty, and I have not yet come, My children, My generation, to condemn you, but... to SAVE YOU AND GIVE YOU PEACE!...

Generation, pray for My Peter! My Peter, JOHN PAUL II, who is the Stone of the Church, needs many prayers from you, My children... because, children, He is placed in the world as a Sign of contradiction! His life will be offered to ME, as a 'gentle lamb' taken to the slaughterhouse... Yes, My children, He is a 'living copy' of My Passion!... He is the Beloved One of My Mother, the Queen of Peace and Lady of Sorrows!...

I tell you, children, that this Holy Church, BELOVED and Beloved of My Heart, founded on the BLOOD that gushed from My Heart on the Cross, 'washed and sanctified' in the WATER that emanated from My Side, and purified by the FIRE of the Holy Spirit, this Church, My children, is the Way of Salvation...

Those who are outside the CHURCH are in error!... They walk in darkness, My children!... They walk in sin, My children!... And I desire, My children, that you return to My Sacred Heart...

I who AM your GOD, who created you with My FATHER, in a wonderful and beautiful way, My children, with so many gifts, with so much life, My children, with so much grace!! I feel abandoned by those I created...

My BELOVED and dear children, I give you, children, My LOVE, so that you LOVE, children, with HIM your enemies... I AM JESUS CHRIST, Eternal Word of the Father, and I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit*...

My MOTHER speaks to you..." *(Our Lord, in the Blessing, pronounced the Names of the Three Persons of the Holy Trinity in Latin)

Message from Our Lady

"- Little children, at this moment I come, children, to give My Message today... Beloved children, in Truth, little children, Jesus, who spoke to you today, is the same Jesus of the Gospel, from two thousand years ago, My children... and I am the same MOTHER, Full of Grace, Full of LOVE and Full of Mercy, who came here, My children, to speak to you...

I tell you that the Signs will continue to multiply, My children. , here in the Place of the Apparitions... I tell you that at the end of the Apparitions, the Cross

existing up there on the Mount of Apparitions will turn, and in its place, My children, you will see something very beautiful, beautiful, beautiful! ...

Yes, My children, in Truth I am your Mother, and I, My children, want to leave you today, a 'kiss' on your face... I now send you a 'kiss' with the My hand...

(Marcos): (She began to send Kisses...)

Yes, My Beloveds, I kiss you all on the cheek... I imprint this 'kiss' on your hearts, My children, to tell you that I am from truth the Mother of Grace and Mercy...

To all those who continue to come here, My children, every seventh day of each month, I promise Great Graces!... These souls will be dear to God, like 'flowers' placed to adorn YOUR Throne in Heaven!... Yes My Beloved children, continue to come in this Place!!! It is My Desire to find you all at My Feet...

Anyone who also comes next month, on December 8, on the Feast of My Immaculate Conception to My Mother, here in Jacareí, during the afternoon procession, at 16:00hs, you will receive many Graces...

I promise you, children, nothing more than that in the procession and in the Holy Mass: - My Grace and My Mercy, because I LOVE you, children, and once again I say to you: - I want to take you to Heaven; and I tell you, My children, that I am at the door with Jesus, that I come, I come quickly to save My children, and to give them all My Mercy and My Goodness...

Yes, My children, I LOVE them. ... I LOVE... I LOVE it very much!... And I tell you that from Brazil will come Salvation for the whole world!... It is from My Dear Land of Santa Cruz that Salvation will come to all peoples, My children ...

And I say to you: - Brazil will know many Places of My Apparitions... I will multiply My Apparitions, My Seers, My Images crying everywhere, so that My children believe that the time has come and return to the Lord. ..

Yes, children, this is My 'message' and My Message for all of you... Jesus and I were present, suspended above the moon, looking at each of you all the time, My children, who prayed here...

I thank you for the beautiful songs... and I would now like to ask one of these My children to sing to Me and at the same time play the Hail Mary. Feel, children, My sweetness in your heart... I place, My children, My 'kiss' and My Finger in the heart of each one of you right now... (We sing to Her...)

Thank you, My children, for this wonderful song that you sang to Me, I trembled with joy! I rejoiced, My children, in the Spirit of GOD, for their voices that showed deep LOVE and Affection for Me... Children, I leave you here My farewell, and I bless you, My children, today and always, in the Name of the Father. .. of the Son... and of the Holy Spirit...

Until next month, children, I hope you all here, by My side... stay in the Peace of the Lord... Farewell..."

11/09 /94

(Marcos): (Our Lady appeared during the Rosary of the young people, at 23:00h. She greeted as always with: "- Praised be Our Lord Jesus Christ". I replied: "- Forever be Praised."

He told me how much he loved me, how much he loved me, and how much he loved me. She was silent for a while, just looking me in the eyes. The Beauty that the Mother has, united to Her Candor and Her infinite Goodness, at that moment made me exclaim:

"-Oh, how beautiful she is, how holy!" Then She said:)

"- My children, pray the Rosary every day! Continue to pray a lot, because the world needs many prayers!..." (And disappeared...)

11/12/94

"- Dear ones children, today once again, I call you to a sincere and authentic conversion... Beloved children, seek the Lord truly!... I want you united to Me, in humble prayer, in constant intercession for the world, so surrounded by sin ...

Continue, My children, to pray and ask forgiveness for the world!... Pray the Rosary, My dear children, and let yourself be guided by Me, with true LOVE and true Humility...

Continue to pray the Holy Rosary and surrender to Me... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/13/94

Louveira-SP

"- Dear children, today I want to invite you them to the LOVE of GOD... The Tears that I shed here are not only for Brazil, but... also for the whole world...

I see so much evil... so much lack of love... (...) From here, I spread Blessings over all of Brazil, and over the whole world...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/16/94

"- Dear children, today once again I come to call you to the True LOVE that comes from the Lord...

Continue praying the Holy Rosary every day! My dear children, continue to pray incessantly, so that My TRIUMPH may happen in each of you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/19/94

Monnerat-RJ

"- My dear children, repent of your sins, and live a 'new life' in GOD!...

Dear children, I am your Mother, and I want you close to Me so that we can always be ONE with JESUS!...

Children, continue to pray the Holy Rosary every day, to console My Sorrowful Heart, and to ask for Peace for the world... You have made so many sacrifices to get here!... Very well, My children, I am already more comforted...

Thank you for your sacrifices and for your prayers... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition

"- Dear children, today once again, I tell you that I LOVE you... I give you My Peace and My Blessing...

I cover you with My Mantle, and I place My Sigh of LOVE in all of you... Come back, My dear children, to the Lord who LOVES you and wants to give you Peace... I am the Mother of Peace...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/20/ 94

"- Dear children, today I come once again to call you to prayer... GOD wants to make you Saints, so he invites you, through Me, to abandon yourselves totally to Him...

GOD wants to heal you , console you, and remove what in you is an obstacle in the way of LOVE... Ask GOD to come to your help, not according to your desires, but... according to HIS Holy Will...

Abandon your lives of sin, My children, because it only leads to the path of perdition...

How many times have I given you Signs, I have left you Messages, and you have not believed or followed Me... My dear children, I LOVE you deeply!! and I want you to return to GOD...

Therefore, dear children, praise God the Father... the Son... and the Holy Spirit... with all your heart!...

Continue to pray the Holy Rosary every day... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/21/94

"- Dear children, the Graces always flow abundantly from My Heart to everyone... I wish you to continue to pray, always and more!...

My children, I am the Star that shows you the way to the Lord! Return to the right path, dear children, while there is still time...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/24/94

"- My BELOVED children, I love you well, and I hold you deeply to My Heart... My dear children, pray the Holy Rosary every day! Persevere in prayers, so that temptation does not make you succumb...

My dear children, I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

11/27/94

"- Today, I come full of Graces to grant My children ... Hold My Hands, dear children, so that I can always guide you...

My dear children, My Hands are Full of Graces to grant you..."

(Mark): (Our Lady showed me Her Hands, full of shining precious stones: two Rings on each Finger. 'Light rays' came out in all directions: green (healing), red (Gifts of the Holy Spirit), and yellow (LOVE OF GOD))"- I am ready to shower you with Graces! Come and ask for them, dear children, with confidence!... All that are of the Will of the Lord, I will grant them!..."

(Mark) : (Our Lady showed a large luminous stone, very precious. It shone beautifully with rays of all colors... Suddenly that stone breaks into several pieces, dozens of pieces.

For a while, those pieces continued to shine, but then stopped shining. Nothing else was left. Our Lady said:)

"- Look son; do you understand what I showed you?"

(Marcos) "- No Madam!"

"- This stone signifies the heart of man. When he is in GOD, all virtues subsist; his heart shines with LOVE and Peace...

But when he moves away from GOD, he loses all the Graces he has... For some time, virtues persist, but... with the passage of time, these also end. That's what you saw when the stone broke and was extinguished...

The hearts of men lately are all shrouded in darkness: - Men have turned away from GOD, and that is why they walk in darkness...

Many who have turned away from the Church, for some time continued to be good, but... soon they became perverted with the things of the world...

Dear children, pray, so that the LOVE of GOD does not withdraw from you!... Pray, so that all humanity returns to what it was: - A 'garden' of Grace and LOVE..." (when GOD created it)

(Mark): (Our Lady showed me that stone being rebuilt and said:)

"- When man returns to GOD, the virtues shine again! Everything is transformed, LOVE is restored to you again!...

Return, dear children, to the Lord so that you may be purified, guarded and defended again!...

Ask for the greatest of My Graces: - The Holy Spirit!.. Pray, dear children, so that you are always clothed with the Holy Spirit!...

I bless you all and say: - Why don't you come to seek My Graces? Come, I am anxious to grant them!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

11/30/94

"- Dear children, I beg you to continue to pray deeply! Don't stop, dear children!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

12/03/94

"- Dear children, today I want to give you always more My LOVE.... In these days, when you celebrate Me as Mother and Patroness (Novena for the Feast of the Immaculate Conception), I want to bless you in a special way...

Continue to pray the Rosary every day, and to sacrifice for sinners!...(pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

12/04/94

"- Dear children, pray a lot, so that the Peace be with you always!...

Love Jesus, dear children, and pray continually, so that you never stray from Me and Jesus!...

Pray the Holy Rosary every day!... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

12/07/94 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, today I want to thank you for being here at My Feet, dear children, in such great numbers.. Beloved and

dear children, I LOVE you, I LOVE you, I LOVE you!... Many are asking themselves in their hearts, the reason for this rain. My beloved children, you are a figure of My Blessings, which descend on you in torrents...

I tell you, My children, this rain did not come to harm you, but it came, children, to wash you away! Many sick people who are here, because of this rain, will be cured...

Dear children, today I want to say to you, with all the LOVE of My Heart: - I AM THE IMMACULATE CONCEPTION!... I AM THE QUEEN OF PEACE!. .. I AM THE LADY OF JACAREÍ!...

My Heart, beloved children, 'shudders' with joy to see you united, dear children, by My side, here, at this moment... Little children, I was happy that you offered the penance and sacrifice of being here, in My 'rain of Blessings', resisting, staying by My side in prayer... Beloved children, tonight is the most important night in the entire Universe, because it precedes the most Sacred day of all the year, the 8th of December, when the whole Work of Redemption began...

Children, you who are here beside Me, this night in prayer, receive Blessings of Graces that others who do not pray cannot receive... I tell you, My children, many of My poor children have come here to beg Me for Graces. I will grant them to everyone, because today, My children, My Immaculate Heart is open

to answer everything My children want to ask of Me, if it is My Lord's Will...

I want to ask them now. May all of you, those who can, kneel to adore the Holy Trinity, starting with those closest to Me...

Dear and beloved children, during all the other months, My children, I called you to Jacareí one after the other, to come here, My children, not so much out of curiosity that your Mother is appearing, but, My children, for the bless, to save you, and to give you, My children, My Messages, so that you may be saved...

Dear children, My Heart is inflamed and swollen with LOVE for you... My Flame of LOVE, I can no longer hold it within Me... My LOVE, with 'violent force', dear children, runs in search of you! Do not deny, children, receiving this Flame of LOVE from your Mother's Heart, but... give, My little children, your hearts so that I can, My children, ignite you with My LOVE...

My dear children, all of you who are here are deeply LOVED and preferred by My Heart... Yes, Jesus shed Tears in your midst today, and I, My children, thought again of My children, poor sinners... But, I tell you, My children, that today no one has gone to hell, because as I promised, I closed the 'gates of hell', and Satan has not profited from his temptations today...

But I opened, children, the 'Gates of Heaven', so that My children, so that souls, could fly to happiness... Children, you know how many souls only by your Cenacle and by your penances here, you saved in union with Me ? You saved, My children, more than seventy thousand souls, who were condemned to hell and are now with Me in the happiness of Heaven... Therefore, My children, I told you that prayer, together with sacrifice, can do everything together with the Lord. ...

Beloved children, during all these months I have been instructing you as a Mother, My children, in the path of the LOVE of GOD... I am all Beautiful! I am all Pure! I am completely full of Grace... I am, My children, the Immaculate Virgin Mary who comes to you, at the behest of the Holy Trinity to call you, children, to conversion and to LOVE, which only GOD grants, because only GOD can to give...

Beloved and dear children, well-loved of My Heart, Jesus did not come down with Me today, but HE, My children, is present here, with all the LOVE of His Sacred Heart, and again I affirm, My children: - 'In the end, OUR HEARTS UNITED WILL TRIUMPH!...' The darkness will be dissipated, and the LIGHT of the Lord, who sent Me to Jacareí, 'will shine', and then His Mercy will shine on the face of the whole earth...

Beloved children, I sent you My Sign through My Archangels today, in your two hands, My children, to tell you that you are entirely Mine... That Sign, My children, is invisible... but I, My children , I wanted it so that all of you are Mine, so that the enemy will never take you from My Arms...

Beloved Children, the moon showed itself at the beginning of the Apparition, for a brief moment. He indicated to you, My children, once again the sign. New moon today... it was not this moon that I brought, but it was the moon of My Image of the Immaculate Conception... I say to you, My children, all of you who came here, have achieved many Graces from My Heart...

Pray by Peter of Jesus! My First Favorite Son, Pope John Paul II, who needs your prayers, My children, today more than ever...

Beloved and dear children, I ask you, My children, to convert your lives, while there is still time, and to abandon yourselves, My children, into My Maternal Hands, so that I can always more, children, bless you and give them Peace...

Pray, My children, and persevere! Until 1999 the enemy will tempt them, but... I WILL WIN!...

(Observation - Mark): (This period can be shortened or extended, according to the prayers and the correspondence of men to Our Lady. that Our Lady said in this regard, in her Message of the 19/09/97 @)

My children, do you think that the devil will be bound with a thick iron chain? No, My children, it will be with the fragile string of My Holy Rosary!... I will tie him to hell, from where he will never leave, and then, My children, My Mercy and the Mercy of Jesus WILL REIGN forever!. ..

Little children! Little children! Little children, it will not be the 'end of the world', but a 'great purification' of the earth!... All those who trust in Me and who abandon themselves in My Hands will find the Grace of Peace, of LOVE, and of Salvation ...

Do not worry about anything, children, because under My Mantle there is room for all of you... Under My Mantle, My children, I will hide each one of you and protect you, and one day, My children, you will know what it is to have the good fortune to see the Mother of GOD... Yes, because in the TRIUMPH of My Immaculate Heart, I, THE QUEEN AND MESSENGER OF PEACE, will appear to each one of you (who are faithful...) Little children, little children, little children, ah! My children, what else do I think of doing for you, if not to LOVE you, bless you and prepare your place?...

Children, getting to Heaven is not easy, but... I am by your side. I came down from Heaven, because I saw the affliction of My children! I came down, children, to relieve your pain, to alleviate your suffering, to help you, children, to carry your crosses... Therefore, My beloved children, surrender yourselves into My Arms!! that I will entrust myself to your arms...

Children, now that I have communicated everything that I had to communicate, I want to ask you: - Convert! Repent of your sins!... Humanity, My children, is heading towards an abyss of perdition... Is it, My children, that you will allow the earth to resemble hell so much?...

Heaven no longer put up with so much violence from young people, My

children, turn off your televisions every night to pray the Rosary as a family... Families that do not pray the Rosary together, I have the pain to reveal to you, will be torn apart by divorce and devil... Children, save your families while there is still time!...

Children, pray for the conversion of sinners, this is My Appeal, it is My last Request to each one of you... Now, I bless you in Name of the Father... of the Son... and of the Holy Spirit...

Feast of the Immaculate Conception

(Marcos): (Our Lady appeared at the Tabernacle. I was at the Rosary of Grace. When she appeared at the Tabernacle, she was all in white, with her Heart surrounded by 'flowers'. Going down a white staircase, she said:)

"- I am the Immaculate Conception! I am the Mother of Grace! The Mother of all men!...

To all who work for My LOVE, to this Church; I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Marcos): (Many people were present: almost a thousand people in the prayer of the Rosary, because Our Lady had asked a few months before that everyone in the Church that day to pray the Holy Rosary.

In the afternoon, the phenomenon of the Sun occurred during the procession. During the Coronation, Our Lady appeared again, crying Golden Tears. She said:)

"- I feel very comforted by everyone who loves Me and praises Me with so much LOVE!... Rejoice (Mark) too, because... I give you My Peace!..."

(Marcos): (It happened that the guards of the square asked me for the Medals of Peace. Our Lady provided them, and one cried...)

12/10/94

I ask you to turn off the television and prepare yourself with more prayer to receive My Son Jesus...

Dear children, do not sin any more... Do not offend My Son Jesus Christ any longer, who is already too offended! ...

12/24/94

"- Dear children, today is Christmas Eve, the Holy Night!... My dear children, as a Merciful Mother, I invite you all to make your hearts a 'manger' to welcome My Son who is born...

He was born rejected by everyone, renegade... No 'door' welcomed him!... In the immense cold of that night, the BOY was born, who was despised by all, and rejected by all...

With Great LOVE, My Spouse Joseph laid Him in the 'manger', warming Him with the few straws he had... While the proud did not want to welcome Him, Joseph and I adored Him with all our Heart, asking for Peace to the world!

... , the stars shine, the Angels descend to a group of shepherds who guard their flocks, and announce to them the arrival of the Lord... With great joy they believed and arrived where we were... They adored Him with joy, telling the warning that they had the Angel... They came back...

I meditated in the depths of My Heart, everything that the Lord showed Me like this... Jesus slept peacefully, and We were adoring Him...

On this Holy Night I give you Jesus and I place Him in your hearts, so that you may love Him with all my heart!...

My children, this Night, I want to repeat to you the same Message from the Angels: PEACE!... PEACE!... PEACE!... Make room for Peace in your hearts! Let the Peace of the Lord dwell in you!...

To everyone at this moment, I want to give My Blessing, in the Name of the Father... of the Son... and of the Holy Spirit..."

(Mark): (On this day , the Cruz do Monte lit up on its own, became luminous, and radiated from itself a supernatural LIGHT.

Arrived at the top of the Mount, the Cross, all surrounded by a white aura, glowed. We prayed the Rosary. Our Lady appeared, and blessed.

Saint Bernadette appeared, as in 1993, with a Wreath of Roses on her Head, and a white veil, and a white tunic...)

FOURTH ANNIVERSARY OF THE APPARITIONS

Message from Our Lady

"- My dear and beloved children, (pause) today I want to bless everyone who came, despite the heavy rains that have fallen these days...

Dear children, My Heart is happy for everyone who came here! My Immaculate Heart rejoices with LOVE!...

My Immaculate Heart is the Refuge that GOD has prepared for each of you... My beloved children, praise and thank the Lord, who in His Goodness and Mercy has allowed Me to stay here with you for so long!... It has been four years, dear children, that My Messages have been present in the midst of everyone... I want, dear children, to bless each one, and to give the True LOVE, which springs from GOD...

I AM THE QUEEN AND MESSENGER OF PEACE!... I come from Heaven,

dear children, to invite you to the Peace that only GOD can give...

GOD is Peace, My beloved and dear children!...

GOD is True LOVE!.. ..

GOD is LIFE!...

I want to fill you with My LOVE, with My Mercy, with My Graces!... At this moment, to those who came from close by, and to those who came from far away, I say: - Thank you so much for having come up here, in a great effort and sacrifice to adore and praise the Lord, who sends Me among you!...

My dear children, I LOVE you!... I LOVE you!... I LOVE you!... I LOVE you a lot!... My children, I want to bless you with all the LOVE!... I came here to reveal a Message of Peace for all humanity...

Know, children, that salvation does not depend solely on GOD, but ... also of each one... If you do nothing for your own salvation, God will be able to do nothing for you, and you will be left to yourselves...

I come in anguish and worried, always asking My children more, to surrender and abandon themselves in My Hands, I who am your Mother...

Dear children, serious and painful things await the earth, difficult times are approaching , but... fear nothing, because My children who pray the Rosary, who live what I ask, who receive Communion, who participate in the Holy Mass, have nothing to fear, because in My Mantle and in My Immaculate Heart, they will be defended, protected, and guarded...

My dear children, I want to bless you and I want to say to you: - I LOVE you! LOVE them! LOVE them! I LOVE them with all My LOVE, with all My Heart!...

Dear children, pray a lot for the Pope!... My Pope John Paul II is in great need of prayers... You cannot imagine how much LOVE the Holy Father, the Pope, has for you, and also how much he needs your prayers! ...

Pray for the Pope!... He is My Dearest and First Beloved Son, he is the most beloved, the dearest of My Heart!... I ask everyone to pray for him, and to offer sacrifices so that May he always be helped in his hard task of saving humanity...

My dear children, I LOVE you! MASTER! MASTER! I LOVE! I LOVE and I want to bless you all... and My Husband Saint Joseph sends you a Message..."

Message from the Beloved Saint Joseph

"- Beloved children of the Lord, (pause) with Mary, My Most Holy Spouse, today I greet you!... Peace to you! Peace in your hearts! Peace on everyone

who wants to live LOVE...

Peace!. .. Peace!... Peace!... Peace, nothing but Peace!...

Pray for Peace!... Pray for Peace!... Spread Peace everywhere you go...

Beloved and dear to the Lord, I, Saint Joseph, also pray for you alongside Mary, on the THRONE of GOD... In everything, everything, everything you need, come to My Protection, and I, with all the LOVE , I will beg the Lord, that through Mary, grant you His Mercy...

Beloved of the Lord, today the Blessing from the top of this Mount is especially for families... The THREE are together: the Son, the Mother, and I, the Virgin Husband...

Families are in serious danger, television victimizes families, separates one from the other, disunites, leaves them inert, even indifferent, to any kind of demonstration of GOD'S LOVE...

Beloved of GOD, live LOVE in family! Amen!... Amen!... Amen!... Amen a lot!... Only LOVE builds, and only LOVE will last forever!...

In Our poor house in Nazareth, while Mary prepared Our poor food , I worked with Jesus in My carpentry... We BOTH spoke of the Will that the FATHER had appointed over US, and Jesus, full of Wisdom and Grace, revealed the Scriptures to Me, so that I would better understand, day after day, the meaning of HIS COMING here on earth...

You, beloved children of GOD, let the Holy Spirit of the Lord change you, touch you entirely!... The Lord is Peace, is Blessing!... Let Him renew you entirely, so that your families may be saved of divorce and separation...

Pray the Rosary of Peace every day!... Read the Messages of the Blessed Virgin Mary, and live the Gospel... The Gospel is not for decoration, but... to be lived by all! When everyone lives the Gospel and the Messages of the Blessed Virgin Mary, the world will be renewed and saved. This is the weapon that we give!...

Invoke Me like this:

"SAINT JOSEPH, SUPPORTER

OF FAMILIES,

PRAY FOR US!..."

I will pray for you... I will pray with you so that always more LOVE, Grace and Mercy be given to you as a gift...

To all of you I leave the Blessing in the Name of the Father... of the Son... and

Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children! My children! My children!... I AM JESUS, the True GOD, the Lamb of GOD...

My Sacred Heart opens like a broken seal to give you this night Thanks of LOVE and Mercy...

All of you children My ones, who live the Messages that My MOTHER and I give you, you are LOVED by My Heart, you are the favorites of My Heart...

I want to thank everyone who came: - Cry out My Mercy!... and It will be given to you ... My Mercy, My children, surpasses any capacity for LOVE that you know here on earth...

My children! My children! My children... I LOVE you! I LOVE you with all My Sacred Heart... On the Cross, when I opened My Arms to offer My Life, and when the spear pierced My Heart, pouring WATER and BLOOD, My LOVE was proved forever to all of you. ..

This night, here is My Request: - Love one another, as I have loved you!... There is no greater LOVE than that which is offered for your friends, and also for your enemies...

Children My! My children! My children... Worship me! Worship ME! Worship Me with all your heart!... Let My Spirit, the wind that you do not know where it comes from or where it is going, the Alpha and the Omega, come to renew you entirely...

This Place is Holy!... All who come here must adore Me deeply! My Cross is here to remind you that it is through Her that I will save you!... I will save you, My children, through My Infinite Mercy!...

Soon, through My MOTHER, I will save all of face of the earth! My Spirit will descend and renew it entirely, and then, all will be clothed with Grace and Holiness... The Great Miracle of My Sacred Heart and of My Mother's Immaculate Heart will happen!... The serpent will be crushed definitively, and OUR Hearts WILL WIN!...

Before, serious conflicts can happen, if you don't claim My Mercy, but... in the end, My Heart WILL WIN! and WIN MY MOTHER...

As She has already told you (...), My Church will go through great afflictions, but... the two movements that I chose... I determined, to support the Church are: - The Marian Priestly Movement and My Charismatic Renewal, which will be two Columns, two pinnacles, on which My Church will find strength to walk...

Oh! Listen to My MOTHER!... SHE LOVES you! He loves you so much!... but

you continue to offend HER, to ridicule HER messages!! to deny HIS Appearances... IT IS I who am sending My MOTHER to every part of the earth! SHE goes to the Mission, sent by ME!...

Anyone who wants to reach ME, come through My MOTHER!! and not without HER!... I tell you that love for My MOTHER leads to love for ME, and he who loves US, loves the FATHER, and will have Heaven as a reward...

To you, My children, I ask you: - Look for Me in the Tabernacles! I am so abandoned, forgotten!... You leave ME with no one to adore ME!... My MOTHER adores ME!! but it is you who need salvation... and who do not pray...

My children! My children! My children... Open your eyes, and let the LOVE of GOD take you, touch you!... My Almighty Eternal FATHER will have mercy on you, if you open your heart to My Plans

... I have been screaming for days, with an anguished VOICE, in the desert of your land, with no one to hear Me and answer My Laments!... Your hardness is more painful for ME than the spear that wounded Me on the Cross...

Your hearts, children, are the Temples and Living Tabernacles, where I and My Spirit should dwell, but... what do you do?... You put Me out of your heart, and you put the devil in his place, by temptations and sins that you commit!...

Repent!... Repent and believe in the Gospel!... Truly, truly, I say to you: - Whoever does not want to go through the eAbraço f of My Mercy, will have to go through the Fist of My Justice!...

I want to ask everyone to continue to pray the Rosary every day, as it will unite you to ME!... Make the Way of the Cross too, if you can, on Wednesdays and Fridays... Meditate on My Sufferings, for a the only tear you shed for ME, during the meditation on the Passion, with true repentance for your sins, will be of much more benefit to you than if you had prayed all year without love!... Do both, pray with much love! ! and repent...

The hours pass quickly, the days too... and soon, the period for the conversion of the world will have expired, and what will become of you, dear children?... obstinate in sin, and insist on offending ME! (pause) Lower the flag of rebellion, oh My children, and surrender to My LOVE!...

I AM LOVE!!! I AM Jesus!!! I AM your KING!!!... and here in this city, this Sanctuary will remain forever, because I came down to stamp f with My BLOOD, with My Mighty Arm, the WORK that My MOTHER began in My NAME.. Here, OUR Hearts want to be consoled, praised, loved forever!...

I LOVE you!... I LOVE you!... I LOVE you!...

Pray for My Pedro, that he may always more may it be protected and defended by ME!... He carries My Cross, and I go with him... Pope John Paul II is the Pope of the last times, therefore, children, cry out for the Mercy of My Holy

One Heart for him every day!... In Heaven, the Affections that My MOTHER will give to you, who pray for the Pope, will be more beautiful than those of those who did not pray for him...

My Sacred Heart, today it sends Rays of Blessing to you!...

I now want to finish My Message, asking you to pray the Chaplet of Mercy with LOVE and perseverance, every day... and I say to you: - Maranatha*, Lord Jesus! I asked so in your prayers! Behold, I come, and I come quickly!...

I want to bless you all in the Name of the Father... of the Son... and of the Holy Spirit...**"

* (Maranatha means: Come! Return!)

DAY 07/03/95 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... The Peace of Jesus be in your hearts, dear children... I LOVE you !... LOVE them!... LOVE them!...

Dear children, tonight I want to thank each one of you, each one who came, each one who returned to this My Little Sanctuary, to this place so poor and so simple, but... so blessed by My Presence, and by the Heart of Jesus...

You are on blessed land, dear children!... The land of this place is blessed by My Presence, and that is why the remedy that I give you, dear children, for your healing is (My Intercession, manifested through d) this land... You will be able to take it to your homes! The cures that are of the Lord's Will, I will obtain them for you...

I say this because many sick people are here today, and they want to be cured... If it is My Lord's Will, dear children, the Graces will come.. .but if the Lord wants to need your Cross, take it with love and affection...

Little children, I am the Queen and Messenger of Peace!... I am the Star of the NEW EVANGELIZATION!... I am, dear children, the Woman Clothed with the Sun, Crowned with Twelve Stars, with the moon under her Feet, that the Lord sends, to give you His Messages, and to call you, dear children, to His Heart...

Children, time passes quickly, the years too, and soon, dear children, the deadline for the conversion of the world will be over... GOD will not wait forever for you to return to Him, so, dear children, convert without delay!... convert without delay!... convert without delay! ... return to GOD!...

Convert and return to the Lord through the path of prayer, sacrifice and penance!...

Convert and return to the Lord, your GOD of LOVE, of Goodness, of Salvation and of Peace!...

Convert yourselves and return to Jesus, who lets Himself be found today by your hearts!...

All who come here, in this Place where I appear, receive profound Graces from My Heart... No one comes here and returns without Graces!.. Everyone receives Graces!... Everyone receives more Faith... Everyone receives more My LOVE, My Goodness, and My Presence... Everyone receives the Mercy of Jesus, therefore, children, everyone comes back, everyone comes down from here in Monte, full of My DIVINE Graces...

Yes, dear children, I am very happy!... The candles that young people hold in their hands, the candles that the elderly hold in their hands, the candle that each of you, children, holds in your hands... the flowers that you they place the Rosary at My Feet... the Rosary in their hands... all these are small things that snatch My Heart... It is enough for Me to see, dear children, a little drop of love in their hearts for Me, the Virgin of Peace, pour out Graces... upon all of you...

I want to thank in a special way the religious who are present here... They will be given the roses that are at the Feet of My Image, as a sign of My Gratitude and My love to all of you...

Dear little children, I LOVE each one, I hold each one in My Heart, and I LOVE you, dear children, I LOVE you without measure!... If you only knew how much I have cried, and how much I have been worried about each one of you, My children, you would convert without delay and abandon the life of sin that you lead... Therefore, dear children, I ask you to put LOVE in your hearts, the LOVE of Jesus!...

Yes, My children, in less than five years, all My Messages will be fulfilled... The Plans of My Immaculate Heart will be fulfilled!... The enemy will be defeated,

dear children, and I will be the WINNER!... Church will be helped by Me, and she will be consecrated to Me... to My Immaculate Heart...

I wish today to make the request that this city, Jacareí, My favorite city, be consecrated to My Immaculate Heart, by My most favorite son, the Bishop*, with all My favorite children, the Priests united to him, this, on the 8th December of this year, the Feast of My Immaculate Conception... and that they consecrate it to Me, as well as the whole world and all of Brazil, in the Mother Church of the Immaculate Conception...

* (Note - Marcos): (On this 7th day March 1995, without my imagining it, Our Lady sent me to the Bishop, with a Message, in which the most relevant fact would be the request for the Bishop, together with the Priests of the city of Jacareí, to make the Consecration to the Immaculate Heart of Maria in the city and diocese, in addition to Brazil and the whole world.

She said that if this Consecration was done, there would be many Conversions and Peace would reign. Violence and the advance of sects would be stopped. To me still, Our Lady added:

"- You do your part, (to take the Message to the Bishop, which was a martyrdom for me) so that you are not responsible for the condemnation of souls".

In the Message, it was requested that this Consecration be carried out on December 8, 1995 (Feast of the Immaculate Conception, to which the Mother Church of Jacareí is dedicated). The Message had been delivered within the month of March, therefore, nine months earlier. So I went and did what the Blessed Virgin asked me to do. The Bishop's response was prompt and immediate, saying that he would not do the Consecration, and he did not.

So the Bishop told me and my mother who was with me, as I was still a boy, that we would never go back there, that he (the Bishop) did not want to have any involvement with this "story of apparitions", and that I , if I wanted, I would look for a Father who understood these things to accompany me.

It is important to point out that at no time did Our Lady imply in her Message to the Bishop that it was necessary to say that the Consecration was done at HER request, in the place of the Apparition. SHE only asked that this practice, so common in Christian devotion, be done, especially on a Feast dedicated to Our Lady. Once again, it was not heard...

Since those early times, what followed were only persecutions and indifference, which continues to this day.)

Yes, it is the way that the Mother of Heaven uses to save them!... Those who consecrate themselves to My Immaculate Heart will be saved...

The world goes through many sufferings... The world walks in darkness, dear children ... Men no longer love GOD!... Men go in rain to hell, every day, with

no one to pray and sacrifice to save these children...

Leave television, dear children! You cannot imagine how television is a path of destruction for you!... So many filthy programs, indecent soap operas that are presented! I ask, dear children, that you know how to choose what to see (, what to watch)...

Yes, children, I ask you to be pure!... I ask you to renounce prostitution!...

My dear young people, of all the flowers that are at My Feet, the most beautiful are you, who are here in My Upper Room... You, My dear young people, are the flowers that adorn My Immaculate Heart, and therefore, I feel happy...

Tonight I ask all the young people who are here to come down**, and to give their lives to Jesus and to My Heart, working in the Church, each according to their ability... send a Kiss of LOVE right now... (Note Marcos): (At this moment there was silence, while Our Lady, with Her Pure Hands blew Her kisses over us. Her Tenderness, one could say, it was typical of mothers, a Sweet Maternal Tenderness... however, when Our Lady does this, Her gestures are full of a Tenderness, Kindness, LOVE and Majesty impossible to describe in this world with words.

What happens in my soul, when I see her like this... it's as if she were even more beautiful, more immense, if that's possible! I think it's because on these occasions, Our Lady makes me know a little more in depth the infinite immensity of Her LOVE, which is the LOVE of Our Lord...)

** (Note Marcos): (... let them descend : when they come down from Monte das Aparições, when they return to their homes, to their daily lives)

I LOVE them!... I LOVE them all!... Thank you to everyone who came! I ask you, children, pray the Holy Rosary!... Do you think that I will chain the enemy in hell with a thick iron chain? No, dear children, it will be with the fragile string of the Holy Rosary!... The enemy will be crushed, and finally My Immaculate Heart and the Sacred Heart of Jesus will triumph!...

Pray, dear children! Pray!... Pray!... Pray!... Pray, so that My TRIUMPH happens, so that the TRIUMPH of Jesus can happen!...

I am the Mother of each one, dear children, I look at each one , I LOVE each one, I hold each one to My Heart!... In your homes, in your families, in your difficulties, in your Convents, in the whole Church, I always present Myself as a Merciful Mother, who gives to all STRENGTH, which gives Peace to everyone, which comforts everyone... (pause)

Dear children, I leave you Peace... Peace that is prayer; Peace which is fasting; Peace which is conversion; the Peace that is GOD... that is Jesus, to all of you... I

LOVE you!... I bless you in the Name of the Father... of the Son... and of the

Holy Spirit... I bless you all right now..."

Message from Our Lord Jesus Christ

"- My children! My children!... I AM Jesus!... Alpha and Omega, BEGINNING and END, which I come at this moment to speak to you, My children!...

ME and My MOTHER look at you with LOVE, to all those who extend themselves at OUR Feet... My children, My Sacred Heart is filled with complacency for you, on this night that you are here, to intercede, to ask Me for forgiveness, for all humanity...

The majority of My poor children walk in the lack of Faith, in the lack of LOVE, in violence, in crime, in drugs, in prostitution, worshiping Satan, instead of worshiping Me above all things... Many are already dead and decomposed. spiritually...

My children, look at the lack of Faith that spreads from house to house, from heart to heart... , at every moment...

My children, My children! this time in which you are living is the time of My Mercy!... I grant that My MOTHER appears in your midst, every day, to invite you to conversion, to invite you to return to ME!... .

Woe to those who do not listen to My MOTHER'S VOICE, and to My Sacred VOICE!... They will be like wood burning in the burning fire of hell... Not that I hate you, dear children, no!! I want everyone's salvation, I want everyone to return to My Most Sacred Heart, but how can I take someone to Heaven with ME who doesn't LOVE ME, or who doesn't want My LOVE?...

If you want Me and My MOTHER to take you WITH US for Heaven, for happiness, for My ETERNAL FATHER, live My LOVE here on earth!...

Look at the poor! Look at the simple ones! Look at those who die of hunger, I am in them! IT IS I who ask of you, an egotinha f of LOVE!...

Look at ME in the Tabernacle, I am abandoned in the Tabernacle! You leave Me forgotten in the Tabernacle, only for the insects to adore Me, when I am ALONE, and you do not want to adore Me...

My children! My children! My children! In the Eucharist, I give you My LOVE, I give you, dear children, My Peace, My Blessing... IN THE Eucharist, dear children, My Sacred Heart sympathizes with you and unites with yours so that WE may be ONE, in LOVE... so that YOU LOVE everyone with My Own LOVE...

Priests of My Church, pupil of My Eyes, Religious, O Christians, O My children, I place you today , like a bouquet, fragrant and precious, in My Sacred Heart, by the Hands of My Mother...

For the sacrifices you made last month, in going up here, even in spite of the rain, My MOTHER promised that a War would end very soon, for your sacrifices, of you, those who were here... and the War of the Equator, of the Countries Latinos, which was already beginning, this War is over, thanks to your sacrifices... I have poured out My Mercy on all of you...

I LOVE you!... I LOVE you!...

Keep on praying, because the world does not there is Peace!... The world does not have Peace, because it has taken ME out of its history, and if I AM Peace, and I am banished from your midst, Peace is also taken away...

Pray! Pray! Pray! Pray a lot!... Bend your knees before ME!... Adore Me and cry all, because tears are the greatest adoration I want to receive from you...

My Spirit is the FIRE that I and My MOTHER ignite in your hearts, that WE ignite here in this Place, and that no one will be able to extinguish...

Today, from My Sacred Heart, My Spirit touches this ground, this blessed land, where the Cross is raised... all this Place, this Cove of Peace, so that this land, now blessed even more by My Mercy, may serve as a remedy for you!...

Trust in My Sacred Heart! Ask Me for the healing of your souls!... Many here are sicker in souls than in bodies... Many are with so many sins, that they are already black as pitch!... Therefore, dear children, I ask you all, that by the Heart of My MOTHER... come back to ME...

Thank Jesus for the Bread of LIFE that He gives you. ..(pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/14/95 Good Friday

"- Dear children, today you contemplate Me as the Mother of Sorrows and Co-Redeemer of humanity... I wish to give you My urgent request for conversion...

Jesus carried the Cross out of LOVE for you, to save you, to redeem you!...

As the Mother of Sorrows, today I come to say that there is no greater pain than the Pain of My Heart...

Contemplate, dear children, how great My Anguish was, to see My Son being condemned to death, with rivers of BLOOD that flowed all over His Body...

Oh, how painful it was for Me to see all that hallucinated crowd, asking for My Son's death...

Oh, how painful it was for Me to see the Cross placed on His Shoulders, so that I could carry it... To see HIM fall three times, with HIS Holy Face on the ground, crushed and without strength...

The Sword of Pain pierced My Heart, when OUR Looks crossed... on that street of bitterness... I only had three drops of consolation along the way: - Simon Cyrene, Veronica, and the women who cried for HIM...

What was My Mother's Pain when I saw the tunic that I wove for Him with My Hands being torn, divided, drawn by lot...

The nails that tore His Flesh, divided His Nerves, pierced His Muscles... also pierced My Immaculate Heart...

Each shudder of My Son's Pain, were also so many shudders of My Immaculate Heart... The Heart of Jesus agonized; My Mother's Heart was dying at the foot of the Cross...

I hear Him asking for forgiveness: FATHER, forgive them, because they do not know what they are doing.

How different you, My children, are!... HE, who was the Master and Lord, washed everyone's feet, forgave everyone, consoled everyone, LOVED everyone... Only you do not want to forgive your enemies and stalkers!...
It is to Me that HE says: MOTHER, behold your son.

To the disciple: Behold your Mother.

From this moment on, My dear children, I received the Mission of Co-Redeemer, and I became the Mother of all men, the Mother of the Church!...

I wish to tell you that sin is like mud, fetid mud , deep mud... Many souls, many of you, through sin, become disgusting before Me and Jesus...

Sin, My children, makes you resemble the enemy, while prayer and fasting , sacrifices, purify their souls and make them identical to My Jesus... but even if they are very sinful, I LOVE them and I want to help them...

Carry your crosses with LOVE!... Carry them with courage , with obedience, with submission to God...

I LOVE you very much, dear children, and with My Immaculate Heart, I want to fill you more and more with My Grace...

Console My Heart with your repentance, with your change of life, and with your return to GOD... I am the Lady of Sorrows, who LOVES you so much!...

The Holy Catholic Church is, My children, the path of Truth!...

No one... No, it has never been heard that anyone went up to a cross to die in your place...(in your place...) Therefore, only ONE must LOVE: - Jesus Christ, Son of GOD, Son of My Heart, Our Lord!...

The Sword of Pain that now hurts My Heart, it is for every child of Mine who lives in hatred, in sin, in violence, without seeking conversion...

I cry, because I speak and I am not heard...

I cry, because I and My Son Jesus give you Signs, and we are not believed... We pour out Graces, and you throw thorns of offenses at Us...

My children, the Sword of Pain that is in My Heart will only be removed from the the same way it was put: - for you!...

My Tears, including those of BLOOD, flow from My Eyes and from the Eyes of Jesus before you, but... remain indifferent...

Repent!!!.. .

I LOVE you!!!...

... and I give you My Blessing, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 04/15/95

"- Dear children , on this night of Paschal joy, I invite you more and more to open your hearts to Jesus...

I want to live in your hearts, dear children, but... I cannot do it, if you do not open the doors of your hearts to

Me!... If you open the doors of your hearts to Me, dear children, Jesus and I will make yours. hearts our home, and WITH US, the Peace and Grace of GOD will enter!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

I LOVE them very much, and I want their hearts to be pure, to glorify GOD intensely!. ..

My children, above all, seek conversion! Seek the Lord, so that conversion becomes more and more present in you... I

keep asking for conversion, change, decision for GOD... If you decide for GOD, then HE will put the Holy Spirit in your hearts. ..

Pray the Holy Rosary, dear children, every day! Only then will the thorns fall from My Immaculate Heart...

Today, a surprise comes for you!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children, today, with My Sacred Heart inflamed with LOVE, I come to speak to you, to console you with My LOVE...

I AM the Beginning and the End, the Alpha and the Omega, the Lamb of GOD, that speaks to you now!...

My children, you who are My BELOVED, My dear children, truly adore My Heart again, and let yourselves be led by Me, so that, with the LIGHT of My Heart , clear the way for you!...

My children, My Sacred Heart yearns for you! and cries for you to return to ME... I have sent My Holy Mother in many parts of the world, and here, how much Mercy I am pouring out on you!...

My Holy MOTHER is sent by ME, so that you all return to ME!!!...

You, with your sins, renew My Bitter Passion, tearing My Heart apart, as the Flesh once tore Me...

By the Scourging, there were no Flesh left on My Back, there were only Pieces hanging from the Skin...

Of My Head , Crowned with Thorns, the BLOOD flowed and washed My Hair, and soaked My Face with BLOOD...

THE PAIN was so great, but... I anxiously wanted each one of you... Every day My Heart yearns for you, and wants your heart!...

You refuse your fasting for My MOTHER, SHE who asks you to sacrifice, so that I may pour out Mercy on you, but you... refuse My MOTHER such a thing. little one!... You treat your mouths like queens! when the True Queen is My MOTHER...

I AM the Presence Penetrating your hearts!...

I AM the Lamb of GOD who speaks to you, My children!...

I AM Jesus!! I AM the Alpha and the Omega!! I AM the Beginning and the End of your lives...

Prostrate yourselves before Me!... Adore, adore My BLOOD, because My BLOOD, children, resurrects your souls, because My BLOOD, children, dignifies yours hearts and makes you belong to ME, who AM your GOD...

As the vultures, that descend on the corpses, so also, children, your souls, distant and distant from ME, are like corpses that the vultures, the demons, the evil angels attack with all their strength, because you allow the demons to seduce you, to dominate you, to reign over you!... instead of preferring My REIGN...

Judas exchanged Me for only thirty pieces of silver, My children, but you... exchange Me for even smaller things!... Any filth, any poisoned dish that the enemy gives you, you eat and exchange for My Graces. ..

You, My children, do not know how to recognize My Voice! You do not know how to understand what I want you to know!... Just

yesterday, I sent you that Message... I am tired of waiting for your conversion... Why your hardness of heart?... Why your lack of love?... Why does your hatred hurt My Heart?...

Every Sacrilege you do is so many lashes that I receive in the Eucharist... Every sin of yours, My children, is a Tear of BLOOD!! that crushes My Eyes,

and My Mother's Eyes...

My Hand... My Hand that I extend to you to lift you from the dust of sin, to lift you, children, from the pond, from the sty where you are rolling like pigs in the mud, like pigs in the mud of sin, My Hand that I extend you so that you may come back to ME, it is in this Hand, wounded because of you on the Cross, it is in it that you spit, denying My LOVE, rejecting ME, My FATHER...

My children, as if My MOTHER was not enough come and speak to you, My MOTHER will come looking for you, My MOTHER will come to get you and bring you to Me, I now come to call you, My children, but... you do not heed Me...

You children, with prayer, with adoration, you can explode the lid of your tomb, which prevents you from resurrecting, which prevents you from reaching ME!... But... because you don't pray with your heart, you don't pray on your knees, repentant before ME, you continue in the darkness of your sin...

Who plants evil!! evil will reap... Who sows between tears, for the love of ME!! with smiles he will reap...

Convert and change your life!!!..."

Message from Our Lady

"- Dear children...(pause) today, I come with Saint Gabriel on My right, and Saint Michael on My left, next to Jesus, to give you , My little children, My Message...

I AM THE WOMAN DRESSED WITH SUN!... I am the One, dear children, whom GOD sends to invite you to return to Him, along the path of prayer, sacrifice, and of penance...

On My Head was placed, by the Holy Trinity, the Crown of the Queen of Angels, of Saints, and of all men... but, dear children, I am also the Mother of Simplicity!...

Simplicity, My children, is the virtue that gives you and helps you to live, more and more, the Grace of God in your hearts, and more and more teaches you to look at the smallest things in your lives, and perceive in them the action of GOD, always ready to save man, whatever the cost...

My children, if you want to please My Heart very much, be small, be simple in heart!...

If I had, children, to walk through a garden looking at big, showy flowers and

small flowers, I confess to you: I prefer the smallest flowers... If you, My children, also want to please My Immaculate Heart, be small, be simple, and not only My Immaculate Heart, but the FATHER in Heaven will also rejoice over you, My sweet children...

I am the Virgin of Peace! I am the Mediatrix of Peace!... I am the One who, with the simplicity of God's things, come to bring the LOVE of the Lord to all your hearts...

I come here, children, not to ask for a simple devotion to Me! I have come to ask you, all of you My children, to seek conversion as quickly and truly as possible, My children... Many are those who claim to be My devotees, but they do not do what I ask, they do not do, children, what My Immaculate Heart cries out to you in these times!...

My little children, if you knew how much LOVE is in My Immaculate Heart for you right now, you would cry with joy!...

I am, little children, the One who understands your Hand!... I do not want to leave you alone, My children, and that is why I came down from Heaven to help you, to give you Peace, to give you LOVE, My dear children...

I didn't come to want Glory for Me, but... I came to glorify My Son Jesus... See how wonderful God's works are! From everywhere, I call you to form around the Sacred Heart of Jesus, and My Immaculate Heart, the most beautiful wreath of flowers, through prayer...

My Brazilian people are more than dear to My Heart: - It is favorite!... And I promise, My children, that it is from here in Brazil that the Dove of Peace will fly, with Salvation, to all parts of the earth!...

I wish that these Messages be transmitted throughout Brazil, and then to all the countries that I myself indicate... In the course of events, here in Brazil, I will plant My Garden...

My Garden is already being cultivated by Me here in Brazil, and I will take the seedlings of Grace, the seedsf of LOVE, the seeds of LIFE, children, to all other countries on earth!...

The action of My Immaculate Heart is everywhere, but... in a very strong way, it is here, in the Land of Santa Cruz!... and here, My children, My TRIUMPH will be built, day after day, by the action of the Holy Spirit!...

I am, dear children, the Mother who GOD sends you once again to repeat: - Return to Him on the road of prayer, conversion, sacrifice and penance!...

My dear children, you who have come from far or near are very dear to My Heart... The Heavenly Mother embraces you at this moment, children, spiritually, and I welcome your consecration to My Immaculate Heart and to the Heart of Jesus, and I keep them more and more within Me...

In My Immaculate Heart, in this Safe Shelter, you will be defended and helped; they will be kept and blessed; shall be converted and kept in the Faith...

I am the Mother of Faith, Hope and Charity!... and I have come, sweet children, to tell you that there is no more than one GOD, more than one Faith, than one True Church... Only GOD is the Only GOD, only the Catholic Faith is the way to Salvation!... and I invite all My children, everywhere and everywhere, to come here to drink from the Fountain of Life and Truth, which is in us. Sacraments, which is in Baptism, in Confession, in the Eucharist, which is the Flesh and the BLOOD, the Soul and the Divinity of My Own Son, which is given to you as a Gift...

My sweet children, the Holy Spirit will soon descend on the whole earth, and will renew it in a Second World Pentecost, which will raise the Church and you, My little children, to a High Degree of Holiness!... This Pentecost is already happening! here, in this Place, simple and poor, where I appear... in this Mount, where I enrich you more and more with the Peace of the Heart of Jesus, and in every Place where I manifest Myself, where My Images shed Tears to call you to true prayer, to true conversion...

My dear children, here, today, Pentecost happens: - So many children, from so many places, in so many ways, but... brought together by the FATHER and the Intercession of the Mother and Servant... All together, around the Lord and the Cross of My Son Jesus...

Oh, children! How great is My Joy!... My Immaculate Heart rejoices! The Archangels at My side rejoice! The entire Celestial Court of GOD exults, the entire Celestial Choir of GOD!!!... All Heaven celebrates when contemplating them!...

I ask for the Rosary, dear children!... The Holy Rosary will lead you to the perfect experience of the Gospel... The Lord himself said in the WORD: Happy is the child who listens to the Precepts of his Father, is like the one who builds on the Truth... Happy is the child who listens to the Counsels of his Mother, for is like one who lays up Treasures for himself!

Yes, children, observe and live the COMMANDMENTS of GOD'S LAW!... Live in the Truth, and listen to My Advice!... I did not come to make a new Church, nor a new Gospel, but I came to open your ears to hear My Son in the Gospel!...

You don't read the Gospel, children, that's why I come to give messages!...

In each house, make a family Cenacle. Pray as a family, meditate on the WORD of GOD, meditate on My Messages, and pray the Holy Rosary!...

To the family that makes the family Cenacle, I promise to give all the Graces necessary for its salvation, and these will be dear to GOD. souls, like flowers placed by myself to adorn HIS THRONE and HIS Heart...

Dear children, the world has forgotten GOD, and despised the LOVE of Our FATHER... and I come, children, with the Heart sorry for you, because I see the danger you are in...

Why do I appear so much, and in so many places?...

Because I see, children, that time runs out, the years pass quickly; the hour of anguish will soon arrive, and woe to those who do not want to convert!... Woe to those who are not with Me!...

Like a thick layer of ice, hatred, sin, violence, lack of love, covered the hearts of men, and prevented them from feeling the LOVE of GOD... O My children, pray for your most sinful brothers, and ask My Son Jesus for them!...

I LOVE you, dear children, and hug to My Immaculate Heart... Don't be afraid of anything!... My Immaculate Heart follows in your footsteps, and leads you towards GOD...

Ending My Message, I give you My Blessing, in this month so dear to My Immaculate Heart, and don't worry about the rain I allowed you... I wanted to see if you really loved Jesus and were able to offer sacrifices for HIM...

My Heart is moved, children, in the face of your perseverance in prayer... Continue, Jesus is very happy, because of this sacrifice, children...

I will greatly bless My Most Preferred Son, John Paul II, for this sacrifice that you have offered Me this night... Know that a small gesture of penance on your part is enough to snatch My Heart, and for Me to melt and give myself into your arms, Full of Graces. .

Yes children, Peace to you!... My Blessing to you... in the Name of the Father... of the Son... and of the Holy Spirit...

Jesus speaks to you at this moment!..."

Message from Our Lord Jesus Christ

" - My children! Generation! Listen to My WORDS, My Laments that are for you at this moment, children, placed in your souls!...

Beloved children, I and My MOTHER look at you (pause) with looks of Mercy... Dear children, I AM the Good Shepherd !... I came, and through the Gospel, I rescued the sheep that the FATHER, through My Cross, blessed and adopted in HIS PATERNAL HEART...

Today, My sweet children, it is the Mission of My MOTHER and My Mission, to gather again the sheep that continue to stray from My fold, and lead them to the Lap of My Eternal FATHER...

I came for the sick!... I came to heal the souls of poor sinners, of those spiritual sick people, who need My Holy Spirit!... who need the WATER that gushes from My Heart, for their salvation...

Sweet children , just as before My COMING, the FATHER sent Prophets to announce that the Time of Salvation and Mercy had already arrived, today I and My Mother descend again to tell you: - The DAY of Mercy and Conciliation is approaching! ...

You judge My Mother's dear ones, My Mother's Seers and My Messengers, as imposters, liars and false... O children, why so much hardness?... You do not lack signs for you to recognize that the Hour of My Justice is already coming!...

See how many times My Mother cries, and you contemplate My Mother's Tears in many parts of the earth, with indifference, without a drop of repentance in your heart for your sins, thrown against Me like a Sorrowful Sword! that pierces My Most Holy Heart...

My children, in the Eucharist, many approach Me, but not to adore Me, but... to commit sacrileges! to commune with Me with mortal sin in the soul!...

I implore you, children: - Do not mistreat My Heart anymore!... I launch My Appeal to the whole world!... My Voice cries anguished in this desert, and no one listen to ME... no one answers My call! my cry, my cry...

You, if you wish to be My servants, take your Cross on your shoulders, and carry it behind Me!... I gather in My Arms all the sufferings offered by the sick; all the persecutions suffered by those who love Me... and I say to you: - I will hasten the DAY of the TRIUMPH of My Mother's Heart and My Most Holy Heart, because I want, children, to crush the old serpent, the old enemy , that you may be free!! and to have My Holy Spirit in your hearts...

Sweet children, I come among you to proclaim My Messages!! to spread LOVE... the strong action of the Holy Spirit, who in these times I make to breathe, more and more abundantly throughout the whole earth...

John Paul II is My Peter! He is My Heart's Favorite...

Truly I say to you: - Whoever does not obey the Magisterium of the Holy Father, the Pope, cannot do My Will!... Who does not listen to him, does not listen to ME!... Who does not have LOVE for Him!! He does not have for ME...

Sweet children, I want to ask you all to obey John Paul II... That you, children, make your hearts welcome and support, through your prayers for Him, because He suffers a lot!. .. for he, whom I made as the Father of humanity, beholds the whole world far from ME, far from ME, immersed in sin, sleeping in the darkness of evil, and He suffers in communion WITH ME, and in communion with My Mother ...

Pray the Rosary in the intention of the Holy Father, the Pope, so that He may

be the Good Shepherd too, in order to lead My flock back to ME...

Beloved children, the world has become like an Antarctica: - Ice of evil everywhere... coldness; lack of prayer; lack of living My Holy Gospel; lack of Charity!...

You devour one another through fury, violence, crimes, sin, as a lion devours its prey... O children! How can you be so insensitive before My LOVE, before My Heart?...

The Images of My MOTHER cry... Even the stones cry, children, because they are more sensitive than your hearts!... You are more harder than stones!!!... therefore, children, you do not cry for your sins and do not pray, nor do you work for the conversion of this world, far from ME and My FATHER!...

My children, My Sacred Heart does not get tired of blessing you; do not get tired, children, of leading you more and more towards the Truth!... My little children, My little lambs, I ask you: - Listen to My Voice!... Fill the Churches anew for the Holy Mass!...

In truth, children, the Holy Mass is the greatest Gift that I have left for you, for I have told you with Solemn WORDS, in Order of COMMANDMENT: DO THIS IN MEMORY OF ME.

Everyone who participates in the Holy Mass as My Mother asks, with an open heart, with an open soul, participates in the Supper, sits with ME; I know him, and I will not leave him...

Therefore, O generation, O My children, as I told you last month, come to My Lap that is Soft, and My Arms that are sweeter than the honeycomb. ..

Yes, in My Arms you will find sweetness, and relief for your suffering, children... but have confidence! Carry the Cross behind ME, and I will gloriously resurrect you on the last day...

Behold, I COME, and I COME quickly!... (pause)

To all I give My Blessing, the Sacrosanct Blessing of My Heart... Rest in Peace of My FATHER... in the Peace of My Heart... in the Peace of My Spirit of TRUTH... (pause) May Peace be with you!..."

Day 29/05/95

First Apparition of this day

"- Dear children, today (...) I wish to tell you that I am still afflicted by your sins!...

Understand, My dear children, that every mother who LOVES, suffers for her children... I am the Mother of each one of you, and that is why I suffer for your salvation!...

How often do I seek a drop of repentance in hearts, and... without finding it, I have to shed a copious cry, bitter, so bitter... (here she interrupts and cries)

Repent, dear children! Repent for all the evil you do!... I want your hearts to be filled with LOVE, full of Grace, full of the Holy Spirit!... Therefore, dear children, I want your hearts to open to LOVE and prayer..."

Second Apparition

"- Dear children, who today came once again to meet My Immaculate Heart! I LOVE them!... I LOVE them!... I LOVE them!...

May the Peace of Jesus be in your hearts! May the LOVE of the FATHER in Heaven dwell in your souls! May the Holy Spirit of LOVE lead you on the path of holiness!...

Dear children, today I wish to speak to you about the Holy Mass...

I have already given you many, many Messages about the Holy Mass... I have spoken to you what she is and what she means... I say now, that the Holy Mass is left out... No one goes to Mass with the heart anymore...

Men behave at Mass as if Jesus were not there. present... You must never go to Mass and just look there, as if Jesus were not there!... I ask you to truly participate in Holy Mass with your heart! participate in the Holy Mass as if you had gone to a Great Feast, to meet your BELOVED!...

Remember what the Priest says to you: Happy are those invited to the Lord's Supper!

Pray the Rosary every day, asking the Lord for this Grace through My Hands: - The Grace of having pure eyes, to see how precious the Mass is; how powerful the Holy Mass is and how much the Mass is the Greatest Gift of GOD for you!...

Dear children, while Jesus is in Heaven, the Angels and Archangels adore Him face to face. But when the priest says: Take and eat, this is My Body; take and drink, this is My BLOOD, Jesus descends from the heights of Heaven and comes to rest on the Altar Table, hidden under the appearance of the Bread and the Wine... You do not see Jesus, but... HE is there , ALIVE, as real as I held Him in My Maternal Arms!...

The Angels also descend around the Priest and the Eucharistic Table, continuing in adoration... Then, when the Priest brings you Communion and you receive it, the Angels also kneel beside you to adore Jesus, who is within their hearts!... They guard My Son, until the Encounter of GOD with the soul takes place...

In the Eucharist, it is Jesus who takes them, transforms them, who receives them and transforms them into HIM, to let the WORD which HE said be fulfilled:

May they be one, O FATHER, as you and I are one.

O children! The Souls in Purgatory... How much they suffer! Many of them are immersed in that scorching fire, the fire that burns them, that devours them all the time without rest!

There is no greater treasure, no greater relief that they can offer to the Souls in Purgatory than the Holy Mass!...

If you saw your family members all inside a fire, wouldn't you make an effort to save them? Wouldn't you?...

So, if you want to help your deceased relatives and the Holy Souls of Purgatory, offer many Masses, but... also participate in these offered Masses, with LOVE, with Affection and with Faith!.. Souls know who those were who prayed for them ,

after being saved, when they are already in the DIVINE Presence... Therefore, they will not tire of interceding for you, until you yourselves are already there, in the Glory of Heaven, together with them... and what a more LOVING embrace there will be among the Children of GOD!...

This is the POWER of the Holy Mass: - An earthquake can be stopped by the Holy Mass! A War can be prevented by the Mass, because in It is Jesus!... Jesus comes down to become True Food for you!...

Surrender yourselves! Consecrate yourselves in My Hands!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... Go to Holy Mass! Your salvation will be there..."

Day 30/05/95

"- My dear children, with LOVE I want to fill each one with Peace... Without Peace, dear children, you will not be able to feel Me, nor God !...

Open yourselves to Peace, praying with more and more LOVE!... I thank everyone who prayed more... (pause) I bless you in the Name of the Father... of the Son... and of the Spirit Holy..."

Day 05/31/95

"- Dear children, I bless you with all my Heart... I keep you with great affection!... Thank you to everyone who during this blessed month prayed more, and did more penance...

Continue to pray even more deeply, so that all that I have programmed may be fulfilled and carried out... Pray, pray the Holy Rosary!... Adore the Blessed Sacrament without ceasing... comfort the Sacred Heart of Jesus!... (pause)

Blessing them in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/06/95

"- Dear children, with LOVE, I wish to invite you to prayer... Persevere in prayer, begging more and more the Mercy of the Lord! Without prayer, you will not go forward on the path of LOVE...

Pray!... Pray!... Pray!..."

Day 02/06/95

"- Dear children, I am close to you to help you... Continue to pray with your heart!..."

Day 03/06/95

"- Dear children, the Lord remains with you to help you.. . GOD keeps you as a True FATHER!...

Pray!... Pray!... Pray that you always remain with Him!..."

Day 05/06/95

"- Dear children, I wish to guide you (. ..) on the path of LOVE, perseverance, prayer and Peace, but... there are many (...) who still don't really LOVE...

I ask, My dear children, that each one of you open to Me If you do not open the doors of your hearts to Me, I cannot pour out the Holy Spirit on you... Dear children, open your hearts to Me!...

How much the Holy Spirit wants to act in you!!! Allow, through mature and firm Faith, that the Spirit of GOD transform you completely!...

Pray!... Pray!... Pray!..."

Day 07/06/95 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... a Kiss from the Mother of Heaven to all of you, at this moment... Thank you so much, dear children, for all those who came once again to comfort My Mother's Heart, and to comfort the Heart of Jesus. ..

Dear children, praise God with Me and thank Him!... HE who allowed Me to appear here for so long, and to stay with you, My children, to give you My LOVE, to give you Peace, to give you Grace, to give them all the Mercy of the Lord...

LOVE them! LOVE them! LOVE them! I love you infinitely, dear children, and I only ask one thing of you: - Turn your hearts to Jesus, so that HE, dear children, may be praised by you, be adored by you, more and more...

Dear children, here, I will continue to appear for some time...

Why do I appear here?...

Because I want to form you in LOVE, and lead you to the House of My FATHER and your FATHER... My Lord and Lord of you... My GOD and GOD of you...

Dear children, Jesus sent Me here so that I, with My Immaculate Heart full of LOVE, could transmit to you the Gifts of the Presence and STRENGTH of the Holy Spirit, so that you may live in Holiness, so that you may live in LOVE, so that you may live in the Grace of GOD...

Dear children, love everyone; don't hate anyone!... Forgive everyone; to all have a word of Peace, Faith, LOVE, Charity...

Also, My children, that you could speak all the languages of the world, interpret all the Mysteries of GOD, but if there was no Charity in you, it would be worthless, LOVE is the Greatest of Gifts!...

See, dear children, the Charity and LOVE of My Son, which you must imitate!... THEIR Flesh was falling along the path of Calvary, by the cruel Flagellation with that they had tortured Him!... My Son Jesus staggered; he couldn't bear to carry the Cross, because of so much BLOOD spilled, but... it was all for LOVE!... because he passionately LOVED you all!...

Dear children, on top of the Cross, already crucified, He turns His gaze, already dying, weakened, to those who had crucified Him, and He raises to the FATHER (pause) a Prayer full of Mercy, a prayer of forgiveness, remembered in all generations, and that before it, all of you recognize... how much GOD is LOVE and Mercy: FATHER, FORGIVE THEM, BECAUSE THEY DO NOT KNOW WHAT THEY DO!...

Jesus forgives everyone, My children, forgives all who gave him the Cross; forgive all those who, even today, continue to crucify HIM with their sins, continue to martyr HIM, to renew HIS Passion, with their sins...

I have cried Tears of BLOOD in many Places, but... many do not want to believe in My Warnings, in My Signs, so that they can return to GOD... Right here, I have made known Signs to many, and many today ask Me Signs... I have already made the sun rotate and change color today, to show you that Jesus in the Eucharist, the Host I showed in the sun, may HE be for you, children, your LIFE, may HE be, dear children , the reason for your life and your walk!...

Convert yourselves quickly!...

My Son Jesus already has His Hand on the Lock of the Door of Time... be before you!...

Convert! Convert! Convert! Convert, dear children, and return to the Lord!...

Don't offend Jesus anymore, who is already extremely offended!...

Do not pierce My Immaculate Heart with the Sword of your sins anymore... No, dear children, open your hearts to Me!...

Believe! Blessed are those who have not seen and believed!...

Blessed are the pure in heart, because they will feel and see GOD in their lives, because HE is FATHER, and always, always... and always, gives to HIS children YOUR Blessings...

I am the Ark of the Covenant!... As in the time of Noah, GOD sent warnings for the world to convert, but the world did not want to believe it, and the flood came and destroyed everyone.. Today, children, Our FATHER has sent Me to speak to you, to warn you that He is already, My children, at your doors!... That He comes to pour out Peace, that He comes to save and renew all this humanity, lost and delivered into the enemy's hands...

The Great Miracle of GOD's Mercy, conversion, will take place!... But, My children, convert! convert! convert! convert without delay!...

I never tire of begging for you, on the Throne of My GOD...

I ask you, dear children, to pray the Holy Rosary with great humility every day... I say to you that all the souls who entered Heaven prayed the Rosary... and to you, dear children, if you too If you want Me to come and get you, to take you to Heaven, let yourself, dear children, let yourself be carried by My Mother's Hands, let yourself, dear children, be led by My Heart... If you want to go to Heaven, let yourself be guided by My Mother's Hands, let yourself be carried in My lap, let yourself, dear children, be led by Me... Let Me place My Sweetness and My own Purity in your hearts, so that with a pure heart, they can worship and praise God...

Children, children, children, listen to your Mother's Voice!... It is I who call you! Give Me your hands and help Me to save this sinful and perverted humanity!...

I am the Ark of the Covenant, and now, in these times when GOD sends Me to you, all of you must enter the Ark of My Heart Immaculate... Helping Me, praying, spreading all My Messages without fear and with courage, and working without ceasing for the TRIUMPH of My Immaculate Heart...

My children, here in My Immaculate Heart, will be defended, protected and helped! ...

You, My children, if you were in a War, as I contemplated the two World Wars, which victimized and destroyed thousands of My poor children... if you were in a War!... As I saw so much horror there, My children they gave everything to have a safe hiding place that would save them... Would you not enter this refuge, My children, if you could?...

Therefore, children, this is the Refuge that the Mother of Heaven offers you, in these Times of BATTLE against the enemy and its forces: - My Immaculate Heart!...

Enter My Immaculate Heart, and you will see that It is a Garden of Grace, Beauty, and Holiness!... Enter My Immaculate Heart, children, and you will see that LOVE dwells in Him, Justice dwells, Peace dwells everyone needs to live and be saved!... Enter My Immaculate Heart, dear children, because I am your Mother and I want nothing else but your salvation...

Every day, kneeling before My Son, I ask may HE rain His Mercy on all of you... With My Hands full of the white roses of prayer, the red roses of sacrifice, the yellow roses of penance and your repentance, with the rosy roses of your love, your affection and your adoration of Him in the Eucharist... I entrust all this to My Son, so that He can make His Holy Spirit still save the earth...

Don't be discouraged! Let no one stop coming here!... Let no one feel abandoned by Me, because I look at everyone!...

Many want to see Me, but children... it is not necessary to see Me! It is necessary that I see everyone, and I am seeing everyone, with all their needs, with all their prayers, who have come to bring Me...

Here, in September, the 7th of September, Jesus and I will give a Blessing Very special to all My children who come... On this day, consecrate Me to your Homeland, which will celebrate its Anniversary*... Yes, My dear children, I ask you all to come to Me, every month, because I desire, My beloved children, to give you more and more of My Grace, to give you more and more of My LOVE...

*(Observation - Marcos): (Our Lady must be referring to the Anniversary of the Proclamation of the Republic in Brazil, and not to its discovery)

Jesus and I bless you... (pause)

I wish to tell you too, children, to pray for the Pope, intercede for Him, because He needs your prayers more than ever today...

Do you want to know how to conquer My LOVE, and make Me fall in love (even more) with you? Pray the Rosary every day as a family!... and I will live by your side, my dear children...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

(pause) Jesus gives them the Message..."

Message from Our Lord Jesus Christ

"- My children! My children! My children!... Hear the cry of My Sacred Heart!...

My children, My children, look at Me, even if you do not see Me with your carnal senses, but... smile at Me! I smile at you, and I AM your GOD!...(pause)

I LOVE you!... I LOVE you!... I LOVE you!... I LOVE you!...

My children, when the chosen people walked in the desert, without bread and without breath, without life, without destiny, My FATHER, through Moses guided them, gave them manna to eat; manna descended from Heaven!... He gave him water to drink that flows from the Fountain of Eternal Life... and I too, children, will let you lack nothing, dear children, I will forbid you to ask for My Graces... Ask My Graces with confidence! Many do not have the Graces of My Mercy, because they didn't But* they asked with confidence... * (But they asked = they asked me)

My MOTHER, with a simple look at ME, asked ME to turn water into wine at Cana... and I, although the time for the Miracle had not yet arrived, MY MOTHER, YOUR Faith was so great, YOUR Trust that I would respond to YOUR request was so great, that I could not resist responding to My MOTHER's Intercession... and because I LOVE Her with all My Heart and I honor Her, as I honor My FATHER...

I am in the Bosom of the Holy Trinity, I AM GOD, I came from GOD, and I speak of GOD, I glorify My FATHER, who is GOD, and I lead you to My FATHER, who is your BEGINNING and your END... and I LOVE My MOTHER, because she was chosen, because she was for ME, preserved from all the stain of original sin... it is Mary Immaculate, Your Lady, Queen and Messenger of PEACE, whom I sent to you, My children, to give you My Messages!... Call her affectionately like that*... SHE is Mine and your MOTHER...

* (Marcos): (affectionately call her: Mary Immaculate, Our Lady, Queen and Messenger of Peace

) what My Mother asks of Me, I grant her, because before HER Tears of BLOOD, My Sacred Heart expands in Mercy... and because of the pity she has for sinners, I throw myself over them to save them...

If My FATHER did not let HIS children who were walking in the desert lack manna, how, My children, will My Father in Heaven let you lack salvation, if you do everything My MOTHER asks of you?...

Like My Heavenly FATHER will not give you the Holy Spirit, if through My MOTHER and My Sacred Heart you ask Him?...

Oh My children! There on the Cross, how much the Wounds hurt Me!... I could

barely lift My Head, because the Crown of Thorns hit the wood of the Cross, and they buried themselves even more in My Head!... All this, because yours mind only projects the madness of sin, of wanting to live without ME.. all because your mind, beloved and little children, projects tricks to denigrate ME, offend Me, hide Me, and treat ME as a legend or as if I were nothing ...

My sweet children, do not mistreat My Heart any longer, nor the Heart of My Mother, but... adore Me, adore Me because, for all those who adore Me, I will grant Mercy to the whole earth. ..

Know, My children, that My DAY has already arrived... and you who suffer innocently, for My LOVE, persecutions and slander, fear nothing!... I am coming, I am coming, seated on My Golden Throne , with the Scepter of POWER and Majesty, to bring down from the citadels and strongholds of sin, all those who built for themselves, a den of iniquity and sin...

My children, I come with My Feet, bringing the Message of PEACE with My MOTHER... PEACE to you!... PEACE to your hearts!... PEACE to your families!... May nothing disturb your PEACE ! Not even this perverted world in which you live, given over to the enemy's hands, far from My Heart and far from My Grace!...

Let nothing disturb your PEACE, dear children! Let nothing, nothing separate you from Me, but... take My MOTHER's Hands for the Holy Rosary, and through the Holy Rosary, open your hearts to Me, even if it is (poor as) a small cave*, to that I enter into the Eucharist, into communion...

* (Observation - Mark): (as if to remember the poor cave of Bethlehem... which Our Lord, for HIS unfathomable Mercy did not oppose to enter, because HIS MOST HOLY MOTHER was there - cf. Treaty of the True Devotion of St. Luis Maria Grignon de Montfort, paragraph 266, page 250 ff. - During Communion - 22nd edition)

When I come to you in Communion, dear children, (pause) the Angels, the Seraphim and the Cherubim, the Thrones, the Powers, and all the Militias of My Angels that adore Me night and day in sighs, in songs, in hosannas of LOVE in Heaven, these Angels descend to earth, to the Tables of the Churches, of the Eucharist...

And when My Priests, who are My Ministers, who are My envoys to all of you, who are My chosen ones to utter My Blessing, the Anointing, the Grace of My LOVE, the Hymn of Grace**.. they, when they give you My Body, My BLOOD, My Flesh, My Divinity, My Heart, so that you may receive Me in the Eucharist, these Angels go with you, they kneel (at your side,) although they do not be allowed to see them, but they adore ME... They adore ME (gift) in you, dear children!... They adore Me, because I am in you!...

They adore YOU, O FATHER, because I am YOU***, and I multiply myself in BREAD AND WINE, so that all may be ONE, as I AM "ONE" WITH YOU...

** (Note Marcos): (...the Hymn of Grace... - Words whose meaning is not clear today...)

*** (Note Mark): (Jesus refers here to GOD the FATHER, as he said in the Gospel: Believe me: I am in the FATHER, and the FATHER in ME - cf. Jn (14: 8-11)

You, dear ones children, ask My MOTHER to sanctify your hearts! Ask My MOTHER to purify your hearts, already when you go in line for Communion, to receive Me... I asked HER (like this):

"O My Mother !...

Purify my heart, and take away from ME any sin, (venial) if it remains,

so that I may receive Your Son Jesus,

purified, and with my heart open to Him,

like Yours! Amen..."

Ask My MOTHER, and She will pass Her Immaculate Hand in your hearts, to remove the stains that still remain, for you to receive Me (holy and worthily), and I... will make my home in your hearts... I will be in you , children, I will be with you at all times!...

My Sacred Heart and the Immaculate Heart of My MOTHER shine to you (as a lighthouse and) as a strength that we give you, so that you can flee from temptation and really save you ...

surrender yourselves into My Arms! My Arms are sweeter than the honeycomb, and My Look is more Sincere (pause) than anything you know in your lives... My Lips are prepared to pronounce Words of Blessings and Orders to My Angels, so that They pour out on you LOVE, Grace, Goodness, and My Salvation...

At this moment, My Holy Angels, who today descended with My MOTHER and WITH ME from Heaven, at My command, trace on your foreheads a Little Sign of the Cross, My Sign, the Sign of all those that I inscribe in the Book of LIFE, to may they be saved...

There are many hearts open to Me here, and on all hearts that love Me and that at this moment, with humility and affection, listen to My Appeal, descend My Blessing, descend My Seal, descend My Sign, let My Seal come down, My Preference, My Complacency, descend upon all of you... You are the chosen people, in whom I have placed all My pleasure, all My commitment, all My LOVE, all My desire , My eagerness to save souls!...

May all of you, children, pray for My Peter, Pope John Paul II, that He may have the strength f to reach the end of the Mission that I, the Lord, have

entrusted to Him and My Holy Church

... all those who came to praise My MOTHER (pause) and to adore My Heart... I thank you so much! Thank you very much! I thank you very much!... Be in PEACE!...

My Spirit blows on you... This breeze that passes over you is the Sign that My Spirit is in your midst, anointing you, blessing you , to cherish you, and to bestow on you My Gifts of LOVE, My Gifts of Grace... and Salvation...

Glorify the FATHER WITH ME!... Glorify the FATHER WITH ME...

Every time you are in Communion, when you receive the Holy Eucharist, and after you receive It, let My Angels accompany you in adoration, to glorify and exalt Me

! My Blessing to all My Religious, the pupils of My Eyes, who are here, My little sisters to whom I myself... have made them a sign of My LOVE, I have made them My echo of LOVE for all men!... Your voices, O Religious, O My daughters, O My doves, O My girls, My little ones, your voices are My Song that you must carry everywhere, so that men fall in love with Me, and entrust themselves to My Heart...

I also thank My favorite children! I thank all of you, children, who were here with My MOTHER, and with My Sacred Heart...

I love you! I love you! I LOVE you!...

I bless you in My Father's Name... in My Heart's Name... and in the Name of the Holy Spirit of LOVE... which I pour out on you...

Peace be with you! ..."

Day 09/06/95

"- Dear children, I want to cover you with Kindness, with LOVE... Give your hearts into My Hands, because I want to change them!..."

Day 10/06 /95

"- Children, always remain interceding with Me for Peace... Let us pray together for the Peace of the world and for the conversion of poor sinners...

I want to lead you along the path of forgiveness and LOVE! The more loving the supplication, the more the Lord will pour Himself out in Mercy...

Pray, dear children! pray!... pray!... pray!..."

Day 06/11/95

"- Dear children, may the Peace of My Lord remain in your hearts... Pray, dear children, so that as soon as possible, My Immaculate Heart TRIUMPHS!..."

Second Apparition

"- Dear children, I want to speak- once again about the Holy Trinity... Today, dear children, the Lord's Day, I want to tell you about this LOVE of GOD...

Sometimes, when I disappear, I leave behind Me the symbols of the Sun, the Cross, and of the Heart, or else, of a small Flower...

The Sun means GOD THE FATHER; the Cross is where Jesus, the Son, redeemed them... and the Heart is LOVE (the Holy Spirit) and also the Affection that the Mother of Heaven has for all Her children... The Flower is their Celestial Mother , placed just below the Holy Trinity to adore and bless her, glorify and make amends for so many sins with which the world offends its Creator, Savior, and Sanctifier...

The Holy Trinity is PERFECT LOVE!! !...

No Angelic or human mind will ever be able to understand how great is the LOVE that exists in the Holy Trinity... The FATHER generated the Son consubstantial with HIM, and He Glorified Him for the Life He had here on earth at the Father's behest, working all Miracles, and Glorifying Him by the Cross and Resurrection... The Holy Spirit Glorified Jesus, descending on Him, in the eyes of all...

LOVE is the Greatest Virtue that a heart can have... LOVE, My children, is the identity of the Saints! No one can be a Saint without loving, and loving a lot!...

The Holy Trinity, therefore, My children, is a PERFECT COMMUNITY of LOVE!... Everything the FATHER does is out of LOVE for the Son, and the Son collaborates with the FATHER, and everything that the Son does, the FATHER knows him, and by HIM he is glorified!...

Therefore, everything that the Son does, the Holy Spirit knows, and, in the same way, in everything that the Son does. The Holy Spirit does, the FATHER and the Son are together with HIM...

That's why the Works of the Lord are wonderful! There are no wrinkles, no blemishes, no defects! because the Holy Trinity is a Most Ardent Communion of LOVE between FATHER, Son and Holy Spirit...

From this DIVINE LOVE between the FATHER, the Son and the Holy Spirit, originate all My ePRIVILEGIES f that have been granted to Me, so that I, HIS Humble Slave and Servant, with My existence, Glorify and Worship the Lord with all my Heart !...

From the first moment of My Immaculate Conception, I was conceived without any stain of original sin, pleasing to GOD, and perfumed with all the Virtues of

the Lord, as well as all other PRIVILEGES...

The Holy Trinity is ONE ONE GOD in Three Persons!...

If you want to reach Heaven, reach the Holy Trinity, be humble with one another, eliminate judgments, don't criticize anyone, don't destroy anyone with your tongues...

Do not measure anyone with the malice of your heart, because with the measure you measure you will be measured, judged and condemned...

Be simple! Each one is concerned with his heart, with his soul, and if he wants to be concerned with his brother, it is to help him, and never to destroy him, because the RIGHT TO JUDGE belongs only to the Holy Trinity. ..

Be humble, children! I want you to be a community that will generate saints, that will generate many and holy vocations, that will generate many and perfect lives that want to dedicate themselves to GOD, and to Him give all their hearts...

I wish that your hearts will always be the presence of My Lord to others, for HE is the GOD of PEACE, the GOD of Mercy, and the GOD of Goodness...

Love each other and pray! Unite and pray! Love and pray!... This is My Request!...

Glorify the Most Holy Trinity every day, who, in HIS MERCY, allowed Me to be here for so long, beside you, giving you Messages, and helping them to reach Heaven...

They will never be able to thank the FATHER, the Son and the Holy Spirit with all their hearts for this Grace that they give them: - "That of My Presence with Messages and Apparitions, Tears and Supplications, Signs among you, to make you understand that the Lord is GOD... is KING... is FATHER... that the Lord LOVES you, that the Lord is LOVE!..." You will

never be able to thank Him as He deserves!...

Recite with great affection all the mysteries of the Rosary, every day putting all your soul to adore the Lord saying: "Glory to the FATHER, to the Son, and to the Holy Spirit, as it was in the beginning is now and forever... Amen" This prayer that they pray in the Rosary, the Gloria, is not said well... If men prayed this prayer well, they would know that in each Rosary they would be in the Presence of the Holy Trinity, and, before the Presence of the Holy Trinity, respect is necessary, adoration, silence, surrender to the Hands of GOD, and a lot of attention to HIS WORD!...

There is no place for laziness, when a heart is truly worshiping GOD...

That is why, My children, My Message wants to open your eyes so that you

understand that Jesus is full of Mercy, to grant to all hearts that open to Him... that Jesus is willing to forgive, comfort and to completely console those hearts that want to open their doors to Him and adore Him...

The FATHER will be happy to see Himself reflected in their souls purified by prayer, fasting, sacrifice...

The Holy Spirit will find a channel open to communicate with other souls and sanctify them!...

I am the Lady of the Most Holy Trinity!... (pause)

I am in the Bosom of GOD to adore Him, glorify Him, bless Him and intercede for you, and from GOD to transmit these Messages to you!...

I end by asking you to continue to pray the Rosary every day for the conversion of all humanity, and I bless you on this Day of the Most Holy Trinity with the Blessing of PEACE, of LOVE... in the Name of the FATHER... of the Son... and the Holy Spirit..."

Day 12/06/95

"- Dear children, pray with your heart! I am with those who pray and open their hearts to the Lord... Therefore, My dear children, pray!... pray!... pray!..."

Day 06/13/95

Day 06/26/95

"- (...) My dear children, try to change your hearts into a source of Peace, a source of love... Every day, I wish to bring you closer to God through prayer... Consecrate yourselves to Me!.. ."

Day 06/29/95

"- My dear children, follow My path, so that you can truly belong to GOD! Only then, dear children, will you be able to say to Him: I am YOUR child!...

That's why , I invite you, through prayer, to surrender yourselves to GOD with LOVE!..."

Day 07/03/95

"- My children, today, I give you all My IMMENSE LOVE, so that you may, dear children, day after day, understand how great My Tenderness is...

Dear (...) children, answer YES to My call, to the call of GOD... Every day and in many ways, I want to approach Me, but... some expel Me with their sins...

Dear children, live the True LOVE of GOD... In this Message I want to tell you that I LOVE you intensely, and that I have LOVE PROJECTS!... Live My Messages, dear children... Messages you have in abundance.. Live My Messages!...

Dear children, I want everyone to feel My LOVE, and to let themselves be led and guided by Me! I am the Mother who forms everyone, who educates everyone on the path of LOVE...

On this day you will feel the Action of the Holy Spirit... All those who open themselves to the Action of the Holy Spirit will be scorched by Him!... Cry out, My children, all these days to the Lord, that He may pour out His Mercy on you, and on all those who come here... Help all those who come to Jacareí to convert! This is My Heart's request...

Continue to pray the Holy Rosary because My TRIUMPH, prophesied so long ago, will happen!...

Open your hearts! Only through My Messages, by experiencing My Messages, will you be able to say that you truly love Me... If you do not live My Messages, dear children, you will not be able to say that you love Me or that you belong to Me... Messages!

Allow Me to rip out your defects, your doubts... Let, dear children, let the Holy Spirit, through My Hands, anoint you all with LOVE... Strengthen the bonds of LOVE that unite you to Me , by prayer...

Live My Messages! Help everyone who comes to Jacareí to convert, so that everyone may live the Glory of GOD in each one of their hearts, and that each one may be an open channel and instrument of this INFINITE LOVE of GOD!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

Day 05/07/95

"- Dear children, I want to give you My LOVE again.. Know, dear children, that My Immaculate Heart rejoices every time My children want to pray the Rosary beside Me...

My dear children, walk on the path of LOVE, so that you learn to LOVE!...

Pray the Rosary every day... Together, with the Rosary, WE WILL TRIUMPH OVER evil!...

Open your hearts, dear children, and allow My LOVE to transform you entirely!... I am the Mother of LOVE! I am the Virgin of Peace!...

The hearts of some are dry, without joy, without LOVE, without sweetness!...

Children, I want to water your hearts with the water of God's Grace!...

Abandon yourselves to Mine Hands, so that I can change you according to the Will of My Lord... If you, dear children, do not open the doors of your hearts to Me, I cannot change your lives!...

Do not destroy your lives (...) until the Day that My TRIUMPH arrives... Know that your life, the gift of living, is the greatest Gift that GOD could have given you! Few know how to thank Him for that...

Don't be afraid of your difficulties! Dear children, I also carry in My Heart the cross that every child of Mine carries...

Be, children, all filled with LOVE; open your hearts to LOVE!... Glorify GOD by praying full of LOVE!...

Believe as if you are seeing Me, and love Me as if you could really be embracing Me!... In this way, this LOVE of Ours will touch others hearts that are still hard, and they will return to the Lord...

Continue to pray the Rosary every day, so that I may conquer hell...

I bless you all, in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit...

Rest in the Peace of the Lord!..."

Day 07/07/95 Monthly Anniversary of the Apparitions

Message of Our Lady

"- My dear children... today, I, the Immaculate Mother, the Blessed Virgin Mary... give you all My Immense LOVE...

Little children, I LOVE you!.. I LOVE them!... I LOVE them!... I LOVE them with all My Immaculate Heart... Thank you to everyone who came to be with Me, today, here, in prayer... Thank you, dear children, for all the sacrifices and distances they have faced to be with Me here...

I deeply thank all those who sacrifice themselves for My LOVE, and who live with humility all My Messages...

PEACE to you, dear children!... PEACE to this world, so wrapped in darkness, full of the power of evil... but that the Lord, in HIS Infinite Mercy, will renew and save...

I am the Queen of Peace and I want, little children, to bless all of you, especially those who sacrifice themselves the most for the VICTORY of My Immaculate Heart... (pause)

A year ago, on this very day, I said that I was the Mother of families, who would save families!... Today, children, I want to ask you again: - Open the doors of your families to Me... allow Me, the Mother of Holy Help, to come and help all your families!... I know the their difficulties, I see their many sufferings, I look at all the anguish that martyr their poor hearts...

To everyone I say: - PEACE!... Have PEACE, children!... (pause) Everyone who prays has Peace in his heart... You cannot always be in joy, but you can always be in PEACE ... in Peace with GOD, in Peace with your brothers, if you are in intense and continuous prayer...

My Immaculate Heart does not get tired of pouring the balm of GOD's LOVE on all of you, dear children, but... there are still so many who do not want to accept My LOVE!...

Children, why are your hearts so hard?... Why, My children, your hearts have become a stone of ice, which I turn on one side , I turn from another, but... that doesn't melt?... doesn't let the LOVE of My Lord penetrate you?...

How can I prevent My Images from crying BLOOD, if you don't cry your sins in the confession?...

Even the stones are crying, because sin is very great in the world, and you children... not a tear, not a drop of repentance for your sins!!!...

Children, I call you all... Come to My Heart, repent of your sins... Convert!!! Convert!!! Change your lives, dear children!!!...

How many times I wanted to ignite My Flame of LOVE in your hearts, your families, parishes, and the whole world, but I couldn't... because they wouldn't let Me...

Dear children, I ask you: - Return your hearts to the Presence of GOD!... Be humble!... The Apostles, amazed, had asked Jesus which would be the greatest of them in the KINGDOM of Heaven, and Jesus, calling a little child, said: - Whoever does not become like this child, will not enter the KINGDOM of Heaven...

Little children, ask GOD to give you humility!... Ask GOD, dear children, to be little, not to want to call anyone's attention to you!... Do not seek the glory and happiness of the world, because it it ends soon...

Be My little children, whom I want to put on my lap every day, so that we can pray the Holy Rosary together...

When you pray the Rosary, dear children, you never pray alone, there is always a Procession of Angels that prays with you, who intercede with you, who ask with you!... and I too am always bowed down, in deep adoration... and begging My Lord...

Dear children, as I said in May: - a GOD, what a Faith, that of the Holy One, Catholic, Apostolic Roman Church... this, children, is the Path you must follow!...

Invite, take My Messages to all My children, especially to the most distant, the atheists, the unbelievers, those who are fallen into the mud of lack of Faith, sin, lack of LOVE... Call all My sick little children , may they come to My Heart!... I want to heal them with the balm that I pour from My Immaculate Heart... I

LOVE everyone, but I want to ask you, little children, to pray in a special way for the Holy Father, the Pope John Paul II... Little children, he needs much of your prayers... He suffers; He needs you... Pray for Him!... Pray, because even a glass of water will be rewarded, said Jesus... and the more I will not leave without reward those who pray for My Most Preferred Son, the more BELOVED...

Get ready, kids! Pray, strengthen your Faith!... Difficult times will come... Those who want to witness to the Faith must have great LOVE, great courage, otherwise... many will fall...

Do not give, My children, the displeasure to Me, when I arrive in May 99, when it will be My TRIUMPH*, and I do not find you in the midst of My flock, of My Son's flock...

* (Observation - Mark): (This date is conditioned to the conversion of the world, and it can be changed if this does not occur. See what Our Lady says about this in Her Message of 09/19/97)

Before the century ends, My TRIUMPH will happen...

In May 1999, I will destroy Satan, I will cast him back into hell, from where he will never leave, to harm the earth, and then, children, the Kingdom of PEACE, the Kingdom of LOVE, the Kingdom of Glory, will come through Grace... through the Door of My Heart, to all of you...

But... we still have three years to go... Little children, don't be discouraged, little children, don't let yourselves be discouraged!... Let no one feel alone! I am with each one of you, even if you do not feel Me present very often, but... I am...

My Immaculate Heart covers you, as every Mother covers her child, to protect him under her arms. wings... My Immaculate Heart will give you all the LOVE, all the Peace, all the strength, all the security, all the affection you need...

Pray the Rosary every day, dear children!... Do you think that I am going to chain Satan in hell with shackles, chains and thick iron chains?... On the contrary, it will be with the fragile string of the Holy Rosary...

Pray with Me !... Jesus is with the bowels of HIS Most Sacred Heart wide open, to grant Mercy (pause) and the forgiveness of your sins, but... go to the Holy

Confession to ask Him for this forgiveness!... and HE forgive...

Jesus, it is enough for Him to see a single drop of LOVE, of repentance in your hearts, for Him to throw Himself on you and lift you up, hug you, kiss you, give you all HIS LOVE...

My dear children, keep praying... Communion! All of Heaven is contained in Communion!... Whoever communes as I asked them to, on Sundays, at Holy Mass, and on weekdays when they can, practically carries all of Heaven within their heart, their whole life...

I want to lead you, with LOVE to Jesus, I want to lead you, with tenderness to HIM!... and today I, the Queen and Messenger of Peace, Immaculate Conception, bless you all, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children! My children!... I AM Jesus, the Lamb of GOD... who is speaking to you right now!...

My Mighty Arm rests upon you, and My Most Sacred Heart calls for you... Come, come to Me all, all who are downcast, and in My Lap, which is sweeter than the honeycomb, you will find your rest. and rest...

My Holy Spirit breathes on all of you! I want to give you a taste of My Spirit of LOVE, but... dear children, I call you all, through My MOTHER, to convert and return to ME!... Convert, and come back!. .. Convert and cry!... Convert and fight!... Convert and walk... in Holiness...

My Omnipotent FATHER, saddened by the sins of the world, sent My MOTHER , and even ME, in many Places, so that this is the Last Chance!! the Last Anchor of Salvation, which we offer to you...

Oh, what Pain! Oh, what Martyrdom My Most Sacred Heart endures, seeing souls in rains going to hell, because they lived in prostitution, rolling in sin, like pigs in the mud... Because they lived in adultery!... Because they lived in drugs! ... Because they lived in hatred and sin... O My children! what torture My Sacred Heart endures!...

If you knew how the Drops of BLOOD flow from My Heart, from Pain for you, O children, you would cry a lot, before committing a single sin against ME...

My MOTHER is inviting you you, My MOTHER is calling you, but... who hears My MOTHER?... Who hears HER calls?... Who listens to HER?... (pause)

As deaf people, you walk in the midst of a tenebrous smoke of lack of Faith, which has settled in the world...

My NAME is denied everywhere!... I AM blasphemed, mocked and cast

aside!... I, who created Heaven and Earth, the sea and the stars, the sun and the moon... I created the plants and animals, and all of you, even I... in most houses, I cannot enter!... because they do not want ME...

O My children! Oh My children!... I LOVE you! I LOVE YOU! I LOVE you!... I AM the Good Shepherd of My sheep!... Everyone who prays with My MOTHER is from the Truth!... I call, and My sheep hear My Voice...

All those who live My Mother's Messages, understand what I say, because they belong to ME... and soon, My children, I and My Mother will call the sheep, name by name, one by one...

Oh, do not pierce My Immaculate Heart, My Sacred Heart, again like the spear... that pierced My Heart on top of the Cross!... Oh, no children, do not pierce My Heart with your betrayal, with your abandonment, with your revolt, with your distance... from ME...

My Holy Spirit will lead you, and you will understand all the things that I told you in My Gospel... Men have forgotten My Gospel!... My Gospel aside!... They played with My Gospel!... They distorted My Gospel!... wanting to adapt My WORDS, according to their rotten life, full of sins, when it is you children , that you must convert, and return to ME, as I asked you, and called you...

O My children, O My children, I LOVE you! I love you! I LOVE you!... but as much as I LOVE you, if you don't convert, if you don't open the door of your heart to Me and My Mother... I can't do anything...

I've already played in the face of My enemy, which he will lose... His days are numbered, and that is why he furiously rebels against you, provoking divorces, seducing My young people, who have been washed by My BLOOD, My children, and My families, which are gradually being devastated by the lack of Faith... which is increasingly broadcast by television, and (by the media)...

I said no! Say no to sin, My children!... Answer no to the temptation of My enemy... Say no, and answer YES to My Sacred Heart, and to the Projects that My Mother, to My Order, came to do among you ...

I said no to the world! no to your seductions!...

MY MOTHER and I came here to make a True School of Saints!... I came here to educate and raise up offspring of Holiness, so that I can TRIUMPH...

Do not be afraid! In place of the evil thrones of sin, Two Glorious THRONES will soon appear: - The one of My Most Sacred Heart, and the one of the Immaculate Heart of My MOTHER!...

This is the DIVINE Remedy that we offer to the world to save it: - Communion, especially on Fridays, Saturdays and Sundays, so that I and My Mother may TRIUMPH in you!...

Pray the Rosary!... Go to the Tabernacle to adore ME!...

Oh, when I hear the noise of (some) steps, My Heart already leaps for joy and I think: Oh, a son is coming to adore ME; a son comes to stay with ME; but... when he leaves... you drop ME again, alone and forgotten, in the Tabernacle...

You value me more, and you find it much more friendly, good... television, your pleasures... your pleasures, and your sins... to stand before Me in the Tabernacle and speak to Me, so that I can transform you, purify you, and sanctify you...

Oh My children... do not leave Me abandoned in the Tabernacle, but... give Me the LOVE of your heart... It is little, but as My Mother reminded you today, if even a glass of water I will reward you. , a simple MY GOD, I BELIEVE, I ADORE, I HOPE, will have much more reward... A adoration of ME, children, will be the Joy of the Angels and Archangels; from My Spirit, from My Heart, from the Heart of My Mother, and from the Heart... of My Eternal FATHER...

I thank all those who have come with perseverance, to the Cenacles here... I am already pouring out many wonders and Blessings above all, and I will continue... because ME and MY MOTHER will continue with OUR Plan... I will continue to come... We have more Messages to communicate to you!...

Many ask for signs... Know that the greatest Sign, I have already placed in your heart, which is My Spirit, My LOVE, which will lead you to Holiness... In these days, you will experience the very strong presence of My Holy Spirit , and from the Heart of My Mother... but I will give a Sign, the First Warning, which will be on a Thursday!...

When this Warning comes, this Warning for humanity, then many will still have time to convert but... for others, it will be too late!...

Convert without delay, dear children! Don't make My MOTHER cry anymore BLOOD Tears for you!...

Woe to you if it weren't for My MOTHER!... , before My FATHER, WITH ME, begging for Mercy!...

Thank My MOTHER with your conversion, and pray the Rosary every day!... Where the Rosary is, being prayed with LOVE and devotion, you know, there My Salvation will come!...

I AM the Almighty GOD! !! BLOW My Spirit!...

May PEACE be and remain with you... and I bless you all with much LOVE, with the Mercy of My FATHER... with the Tenderness of My Heart... and with the LOVE of My Holy Spirit... (pause)

Be in Peace... MY MOTHER and I return to the THRONE...

Continue to pray every day! My MOTHER goes with you...

We take your hearts, and leave OURS... (pause) Be in PEACE!..."

Day 07/13/95

"- Dear children, Prayer! Sacrifice! Penance!... I wish to tell you to enter quickly into My Immaculate Heart, while It is still open...

Time flies quickly, so does the hours, and the deadline for the conversion of the world children

, know that I am still walking with you for a little while! While I am with you, My Graces are still present... Convert your lives!! of the way...

I want that when I return, in the TRIUMPH of My Heart, and pass from place to place where My dear children are, and arrive here, where I have remained ALIVE among you for so long, I will not have the sad to see that some of you are missing...

Stand firm!... Do not fall into temptation!... Hold My Hand!... I offer you My Hand; hold My Hand! and I will not let you fall...

Do not let go of My Hand for your sins! Look at what you were before, and don't want to be mean and sick as you were before... spiritually sick...

Be good, wish to be Saints! Few (...) want to be Saints, few...

Open your hearts, open the door of your hearts to Me... Tonight My Blessing is for all your (...) families!...

Many (...) have placed My image (...) in their homes... My Promise that I made (...) still stands. I will save all the houses that make Me (...) the Queen of their home...

I am the Rose of GOD, Mystique of Heaven... Love My Immaculate Heart, because I LOVE you with all My Heart too, dear children...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 14/07/95

"- My dear ones, thank you to all who came, answering the call of My Immaculate Heart... Dear children, My Immaculate Heart is Sweet, and today I pour this Sweetness of Mine into all your hearts...

Little children, do not be afraid, little children, I am with you!... I am beside the cross that each of My children carries... they are never alone!... LOVE-

you! LOVE them! LOVE them!...

I offer My Immaculate Heart to all of you, to keep you in Him at this moment... Know, My little children, that I am always with you... Even if it is difficult, do not feel My Presence, do not be discouraged. , little children, never stop praying, because in prayer you will feel My Presence, you will feel that My Immaculate Heart is very close to you!...

Let Me, My children, now strengthen the bonds that unite My Immaculate Heart to yours , so that My Heart is glued to yours, so that My Flame of LOVE may open your hearts and consume them entirely with LOVE...

That where there is no LOVE, take My LOVE, dear children!...

That wherever there is hatred and rancor, take My LIGHT!...

To all those who pray and who live My Messages with LOVE, I promise My special and very strong Protection in life... and at the decisive hour of death, you will be perfumed by My Motherly Presence, and I myself will take each one of you, My little children, by the hand, and I will take you with Me to Heaven!...

Pray, My children, keep praying, I liked your prayer... You prayed with your heart and today, children, Golden Tears come down from My Eyes, of extreme happiness for you, for having prayed with so much affection and for having received Me with such humility...

My Immaculate Heart is moved before you, and today, this night, I mark everyone with My Sign... this Sign, which is imprinted on the foreheads of those who have their name inscribed in the Book of Life, and who go be saved by Me, even after the GREAT PURIFICATION, which the world will soon pass away...

Serious sufferings, serious conflicts are approaching the earth, My dear children... Many may be lost in what will come, but... you are marked by Me at this moment, you are introduced and kept in the safe haven of My Immaculate Heart, and you will have all the Graces you need for the salvation of each one of you and your families...

I bless you with all My LOVE... Thank you, My little children, for your prayers and for all your affection... I am the Mother of LOVE...

I bless you all with My Peace, in the Name of the Father... of the Son... and of the Holy Spirit..."

"-Dear son Mark, let ME win you!... may I now enter the house of your heart, and may I do wonders in it!...

Favorite! listen to My VOICE that calls for you, that yearns for you, that desires

for you!! and who wants to teach you to LOVE ME...

As a True Prophet, go and announce to everyone that My Return, the Return of LOVE!! is imminent...

Here is the prophecy I want you to announce:

LOVE YOU!!! I LOVE you!!!...

Go and announce this News through all hearts!... I will go right next to you, and I will give you My Hand, to hold It... My Hand is always resting on your head, so that where you are, I may be, and My Holy Spirit may be present, to fill the hearts of My poor children with LOVE!...

I LOVE you, Marks of My Passion, and My Sacred Heart yearned for yours, and now , I want to live in you!... Let Me tighten the Ties that unite your heart to Mine, now, so that they stay glued to each other, and for My Ardent Flames to consume and burn yours!...

Let LOVE LOVE you and burn you now!...(pause)

I AM Jesus-LOVE!!!...(pause)

I have My DIVINE Project on you, and I want to make it happen in your heart!... I pour drops of My Most Holy BLOOD in your heart, to quench your thirst...

Do not be afraid! Go ahead!... My Most Holy Heart will tear and dissipate the darkness that is made in your way, and will destroy the snares ahead of you...

See the Immaculate Heart of My MOTHER: - HE will cover you, and he will cover you with LOVE!. ..

Oh, how much My MOTHER LOVES you, My chosen one!...

Glorify Me! Worship ME! Open your heart to ME!... I want to produce in you deep desires for Holiness and LOVE!...

Take My Spirit to all hearts!...

The Immaculate Heart of My MOM is the Ark of the Covenant, which will lead you to the Safe Harbor of My Most Sacred Heart, but first... cast the nets to catch all the fish f that must be collected in the Boat of My MOM's Heart, so that they may be saved and guarded by ME!...

This is your mission, My child: - To fish, to call all My little children to My

Heart!...

Dive into the depths of My Heart!... I chose you! and I placed My SECRETS and My MOTHER's Confidence in the most intimate of your heart...

Pray deeply and surrender yourself to My MOTHER's Heart!! who wants to bless you... I will

save everyone who listens to ME through you!...

It is not necessary for you to convince anyone! I ask that you just speak... Whoever has ears to hear you, listen...

Happy are those who heed My MOTHER and My Heart!... They will be raptured to the depths of OUR Hearts... by LOVE!...

(From here, the Message becomes public)

O My children, fill yourselves with LOVE! Open your hearts to My LOVE!!!...

I call you! I invite you!... Come to ME, I want to fill you with LOVE and Sweetness!...

I bless you... with LOVE and Grace..."

Day 19/07/95

"- I want to say to you, dear children, may you continue to pray with LOVE and with affection... If you do not pray, dear children, you cannot say that you are Mine...

Open your hearts to Me through prayer... I want to change you with the Grace of GOD, and I want to make you like Jesus and My Immaculate Heart...

Continue to pray the Holy Rosary every day... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 20/07/95

"- My dear children I want to bless everyone this night with LOVE... My Rosary, dear children, hangs for you as a Sign of LOVE and Salvation! Children, hold on to My Rosary and don't let go of it at any time!!!...

I want you to understand, My little ones, that without prayer, especially the Mass and the Rosary, you easily move away from My Immaculate Heart! ...

Do not allow, My children, that the enemy throw dust in your eyes, to blind you and prevent you from seeing My LOVE, but... dear children, open the door of your hearts to Me...

I am your Mother! I'm tireless! I will never tire of waiting for your conversion, and of asking you to open the doors of your hearts to Me...

My Messages, My WORDS... are the greatest Gift I can give you from GOD... Happy are those who listen to My Messages with LOVE!...

I want to teach you to listen to Me with LOVE; to live My desires with LOVE; to convert with LOVE; to seek and to entrust themselves to the Arms of GOD with LOVE!...

I am the Mother of LOVE!... I am the Mother who has the affliction of seeing thousands and thousands of My poor children living and dying in mortal sin, and irrevocably condemning himself to the fires of hell...

Children, I have to endure the martyrdom of seeing My children raining down to hell every day because you pray little... because you don't ask for souls!... because you don't fast enough to help Me. ..

Be converted, children! Convert!... Help Me to save the world!...

Give Me your feet, so that the Messages reach all paths!... Give Me your hands, so that I can still save and help My children!... Give Me your mouths, so that I can announce the TRUTH and My Messages!... Give Me your minds, so that I can fill them with LIGHT and spread the WISDOM of the Holy Spirit upon all hearts!...

Give Me your hearts so that they may be My home! I want to live in your hearts, little children, as I once lived in My little house in Nazareth... My little house was simple, it was humble, there was no luxury or ostentation...

In my hearts, children, I want the same... a lot of simplicity, a lot of humility, a lot of generosity, that's what I like most!... Get ready, children, the little house of your heart, invite Me to live, and I will come with My change from Heaven, I will come with the Holy Angels, I will come with My Graces, I will come with My Blessings, I will come with My LOVE, and I will live in your heart...

Make an effort, make an effort to live in Holiness!... I want to teach you and help you to live in Holiness, so that you will be happy with Me in Heaven, where I pray for you every day and I prepare My lap for your arrival...

My children, do not lose My lap with sin!... Do not separate from Me!... Live a life full of LOVE! that's what I want, little children, to say tonight... Don't be afraid! Do not be afraid in your difficulties, in your trials, I will help you, I will help you, I will give you Peace!...

Today, I print My Royal Sign on the foreheads of all My children who are here at this moment.. You children are at this moment inscribed by Jesus with HIS Precious BLOOD in the Eternal Book of Life... the Book where are the names of those who are saved...

I cover you, and I cover (...) your homes with My LOVE, with My Blessing, and everyone... in the Name of the Father... of the Son... and of the Holy Spirit... PEACE of the Lord... A kiss to all of you!..."

Day 07/21/95

"- My dear children, I have come at this moment to tell you that I am your Mother... third mystery They contemplate Me as the Mother of the BOY Jesus...

I want to say that I am the Mother of Jesus, but I am also his Mother, and I want you to let these words slip on your lips at all times of the day, and echo like a bell in their hearts: my Mother, my Mother...

I asked, in March of last year, that they add the Hail Marys, most pure that is Jesus. Children, you no longer need to pray like this... The danger that hovered over you, that of the open and revealed denial that I Am the Most Pure Virgin, this danger has passed...

A great apostasy, a false doctrine would deny My Virginity, but... by their ardent supplications to GOD, this was overcome!... You can now say the Hail Mary again in the normal sense. Pray very pure only on the first three beads, and when you pray the Angelus, but the invocation I asked for on August 7th of last year, I wish you to continue saying: Mother of GOD and Our Mother...

You will pray like this until the Day of My TRIUMPH!... I promise to repel the enemy away from those who pray like this... You will feel the palpitations of My Heart, of My LOVE with you, and you will be helped by My Presence

... May these words: Holy Mary, Mother of GOD and Our Mother, also echo throughout purgatory, for the joy of souls... I promise to touch, with each Hail Mary, a soul*, so that you feel and find Me as yours. Mother... *(still alive, so that you may convert...)

Thank you for having responded to My call!... Continue to pray the Rosary, this time calling Me Mother... I am with you and I will remain smiling all this night, all this Cenacle, beside My children, with My Angels...

Rest in the PEACE of the Lord!..."

Day 22/07/95

"- Peace!... I thank you for all the love in your hearts!... Open the door of your hearts to Me!...

Today, dear children, I wish to give you My LOVE and My Mercy again. .. I want, dear children, to make you feel more and more My sweet and immense Mother's LOVE...

Pray, dear children, do not look at others or criticize them, but rather... let Me transform yours. hearts!...

Pray for Pope John Paul II!... My children, I want to purify you with LOVE, and My Favorite Son needs prayers!...

Listen carefully to My desires: - Pray the Rosary every day, as I have asked you countless times, but... My children, you still do not respond to My calls... Do penance!! because the world is going through a tenebrous darkness of lack of Faith... Let Me, My children, transform your hearts, let Me fill your hearts with My LOVE...

Dear children, I want your heart to be always in My Hands, but... Satan is strong, and he keeps trying to disrupt My Plans! As he has already said, like an angry lion, he roars around you, trying to devour your hearts...

Do not allow him to succeed, dear children! Destroy the enemy with Me through prayer, through penance, through fasting, above all!... Those who do not fast are very weak before him...

Certain types of evil can only be expelled with fasting, and the best is bread and water, without anything else, as I asked you...

Do fasting, children, defeating it with the weapon I gave you, Rosary!...

Always be in communion with Jesus in the Eucharist, and HE will give you the STRENGTH of the FATHER, so that you can overcome all difficulties with courage and joy!...

As I already said in Fatima, in the year 1917, I say it again now: "if you do not heed My Requests, Wars will spread all over the world, and various Nations will disappear from the face of the Earth!... The heavenly forces will be shaken!... There will be destruction all over the world! aside, if you don't convert and don't return to GOD!..."

If you heed My Requests, then My Immaculate Heart WILL TRIUMPH, and PEACE will come...

Give Me your hands, help Me in the salvation of the world, because I feel concerned about the salvation of the world... Abandon yourselves, oh children, into My Arms... Do not be afraid! I am by everyone's side, and I will protect them... To those who pray, nothing will touch...

My children, sin spreads like a pernicious disease, spreading error and death in all directions... How many and how many thousands of My poor children who have abandoned Me, who have moved away from My Heart, for the bad examples that television sets, for prostitution and pornography, increasingly desired, more exalted, and more applauded... by the violence that explodes from all the sides; by the false sects that pull My children out of My Holy Catholic Church, deceiving them and giving them perdition as a reward...

O children, how much Jesus in the Eucharist is abandoned for you! Come back, My children, there is still time!... GOD is still waiting for you with open arms, but... convert sincerely!... May your conversion be sincere!! because no one deceives Me...

Live with all humility the Messages that I have given you until today!... If you live My Messages, My children, you will take one more step each day towards Heaven, which awaits you ... and you will be, more and more, within the depths of My Immaculate Heart, where I, your Mother, want to keep you with LOVE...

Continue to pray the Holy Rosary every day... I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

I LOVE you, I LOVE you with all My Mother's Heart!... Rest in the Peace of My Lord... (pause)

I send you a kiss of LOVE... I will pray for you in Heaven, My children..."

Day 23/07/95

"- Dear children, I LOVE you, I LOVE you!... My Immaculate Heart guards you with all My Graces...

Dear children, I want to ask you once more, open your hearts to Me... As a worried and loving Mother, I come every day to invite My children to prayer that comes out of the my heart...

I come to ask you, dear children, to live My Messages!... My Messages are not meant to be kept in the drawer, but... so that you may live My desires!... I want, children, to lead you them on a road of LOVE, PEACE and Holiness...

I am Mary, the Blessed Virgin Mary, I am your Mother, the Mother of Peace!...

I want, children, that your heart can be filled with Peace, that your heart be a source of Peace, where those who do not have Peace find the WATER of LIFE, which is Jesus... I always come to bring My Son Jesus to you! My Mission, dear children, is to give you Jesus every day!... Therefore, I ask you to pray the Rosary with humility, with LOVE!... and I will make Jesus born in your hearts...

Go to St. Mass with a purified heart, with a heart full of LOVE!... There, children, Jesus will be born in your hearts, and your joy will be complete!...

I want to take you by the hand, My little children, and lead you them on the safest and surest path that leads to GOD!... Dear children, consecrate yourselves to My Immaculate Heart, and renew your Consecration to the Sacred Heart of Jesus!...

I ask all those who have said yes to Me, to pray the Rosary every day, to continue with ever greater confidence... The world has never needed so many

Rosaries as it does now!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

I LOVE YOU!!!... Rest in the PEACE of the Lord..."

Second Apparition

"- Dear children, once again I want to fill you with My Goodness, and give you the LIGHT of My Immaculate Heart...

I beg you again to open your hearts to Me so that, with LOVE, I can enter... I want you to understand that My LOVE for you is IMMENSE, and I need you to Give me your hearts, to transform them and fill them with My Grace...

Increase prayer and penance, dear children, so that the TRIUMPH of My Immaculate Heart may be hastened... as soon as possible!!!... The world walks along an immense path of destruction and sin... of so many Rosaries around the world as now!...

Pray, pray the Rosary, My dear children... Renew the Consecration to My Immaculate Heart, and consecrate yourselves to the Sacred Heart of Jesus...

I bless you in the Name of the Father ... of the Son... and of the Holy Spirit..."

Day 24/07/95

Message from Our Lady

"- I wish to speak to your heart... I wish, My children, to place you all on My Knees, as every Mother does when advising and supporting her child... I want to put you on My Knees, and teach you to LOVE GOD!...

I want, children, to communicate to you that the time is near!... Your liberation is approaching, but... I still have the need for the conversion of your hearts. The bloodiest and most painful hours are yet to come! Many will lose faith with what is to come...

Many foams will form in the sea, and a large part of the land will be destroyed and submerged, when the TIME for JUSTICE for sinners arrives...

Children, My Pain is immense, because the I look and see that they behave like crazy, not accepting My Messages and the Warnings of GOD... Warning is written in Sacred Scripture, but... dear children, your hearts are still hard and unbelieving, indifferent to My VOICE...

What an eSword hurts My Heart!!!...(Here She interrupts and cries...)

Oh... what Pain I find myself with!... I am between two swords!...

On one side, madness of men in not welcoming GOD, in rejecting all My Invitations, in denying My Messages... My Signs!... On the other hand, I see their time increasingly scarce, now held by a thread !...

O children, I find myself between these two painful swords, not knowing how to do, what else to do for your salvation!

I asked you to lend Me your hands, so that I could bring My Blessing to everyone... I asked you to lend Me your feet, so that My Messages would reach all places... I asked you to lend Me your lips, so that My Messages were transmitted, so that they would bring My LOVE to everyone, but... their hardness of heart is so great, that they did not want to listen to Me... Each one remains mired... in their growing lack of love...

O children, do not be accomplices as in Sodom and Gomorrah!... as those who were very few, because all that city sinned and was totally lost, but there was one or the other that was not, but... he agreed with sin! (Think!) Only GOD's servant Lot was saved from catastrophe...

Do not be accomplices of sin, do not allow the spread of impiety any longer!... Do not let the world continue to sink into the abyss of hatred and perdition, dear children, react with Me, children!!!... Hold on to My Rosary!... Pray it! Bend your knees!... Ask for the Mercy of GOD, because only he who in adoration begs to GOD, with his heart bowed before Him, will still be able to obtain the Mercy of the Lord!...

Men have become violent, daring , they laugh at GOD... Some go to Church, just to mock the Faith and the things of My Jesus... Others take advantage of Me, so that they can propagate lies and error...

(Observation - Mark): (The Blessed Virgin referred here to the false apparitions, which exist in great numbers today, destined to throw confusion and discredit on souls regarding the true Apparitions)

But... I, My children, I still need your prayers!... Don't listen to those who say not to pray, pray!... The world will be saved, not by speeches, but... by prayer...

The Peace of the world will come, but not for presidents, but for prayer, for Faith... Where there is Faith, there is Peace... Where there is no Faith, there is no Peace...

I ask everyone, all My children, to open their hearts to Me, and listen attentively to My Desire, which I want to express to you today... Go to Holy Mass this week, participate in three Masses in a row, and offer us to Saint Michael the Archangel, so that together with Me, we can throw the dragon f into the abyss, so that the chains fall from many of My children that he managed to enslave... He, as I have already told you in another Message, is furious at the around you, roaring like a lion, trying to devour your heart...

I need you to give the Eternal Father the BODY, BLOOD, SOUL and DIVINITY,

all the POWER... the BODY and BLOOD of My Son Jesus, in the Most Holy Sacramento... That you make these three days of reparation, communing and offering to the Eternal Father, so that He may still pour out Mercy on you...

You will see that many Blessings that are blocked can happen, and that the hearts of My poor children, in all parts of the world, will be freed by Me... I promise you that I will travel the world in these three days, to free My children, those who are most in danger of condemnation...

Little children, I ask you, join Me in intercession...

Pray for My first Favorite son, Holy Pope John Paul II, listen to what My Favorite it says! Listen to what He says in these times: "These are the days of the eyes raised to Mary!..." Obey the Pastor who says: "Welcome everything that comes in the Messages of Our Lady!" Accept what the Pastor says!!... The Voice of John Paul II is the VOICE of CHRIST, who says: "Listen to My MOTHER!"

Listen to My BRADO!! Listen to the cry of despair that I launch from My Immaculate Heart, because My Heart, crushed with PAIN, does not know what else to do for your salvation...

My children, I LOVE everyone, I LOVE everyone... all in My Immaculate Heart, but... many are cold and do not believe in My Messages... Many do not accept My requests, and do not live the WISHES of My GOD...

I ask you, My dear children, to believe as if they were seeing Me, and that they loved Me as if they were in My Lap... Place, My dear children, place your hearts in the HANDS of Jesus!...

The time for conversion is over, and it is now time to open your hearts... When you see a light illuminating the night, know that it is the HOUR of GOD'S JUSTICE... Know, My children, that the time of conversion it is over... This is the SIGN, one of the confirmations that I will leave you... Know that the TIME has arrived, hasten your conversion!... continue to pray the Rosary every day...

The Punishment of Sodom and Gomorrah it will be as if nothing, in the face of what awaits wicked and evil sinners! but... as I have already said, whoever professes complete trust in Me, through the prayer of the Holy Rosary every day, especially that of the Eucharist and that of Peace, will not only be assured of his own salvation, but also that of his family and from all those you love, and from your enemies who hate you...

Pray for your enemies, for I want to save them too...

This is the TIME for the entire Church, for all My children, to enter and remain under My Mantle, in the Safe Atrium of My Immaculate Heart...

I bless you . in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit..."

Day 26/07/95

"- Dear children, I wish that your hearts are an oasis of Peace, and that May I truly dwell in your hearts with Peace!...

Pray the Rosary, dear children, with LOVE and perseverance... I want to transform your whole heart with My Grace!...

I am the Mother of Peace , and I want to be the Mother of all!... Always be My children, and I will cover your hearts with My Mantle...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition

"- Dear children, today I, the Mother of LOVE, wish you all again to touch with My Grace and to help you to understand My LOVE...

You know, children, that I LOVE you with all My Immaculate Heart... You know that I have many Plans to carry out in each of your lives, but... I need you to tell Me Yes , that they surrender their hearts to Me so that I can transform them with LOVE!...

If your hearts are not Mine, My children, they will hardly reach GOD...

I am the eBridge that takes you to GOD!... If you want to swim across the river of life, even though there is a Bridge, and you don't want to go through it, yes, you can reach the other side, but... risk of sinking, they run the risk of not being able to bear it, of not reaching the other side...

So too, everyone who puts Me aside, and still intends to reach GOD, will be able to do it, but... it will be very difficult.. The dangers will be greater, the delay will be greater! Shipwreck will be almost certain...

He who walks through Me to GOD will arrive faster, more smoothly, and with certainty!... I am the Bridge that shows on the other side, the Way, the Truth and the LIFE, which is JESUS!!!...

Therefore, My children, in order for you to cross this Bridge, it is necessary for the light to open, to turn green to pass, and My Sign is the Holy Rosary... To cross this Blessed Bridge, which is My Heart, to reach Jesus, they must pray the Holy Rosary... With the Rosary, all My Graces will be possible, and they will surely reach the Way of My Jesus...

So continue to pray, My children, the Holy Rosary every day with LOVE... Adore the Blessed Sacrament, always especially on Thursdays... Communion with true and sincere piety, humility of heart...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord!..."
Day 27/07/95

"- My children, you know that I LOVE you with all My Heart, you know that I am always ready to help you!... Come close to Me, through prayer, so that you may know the My LOVE...

My Heart is filled with the desire to give you Peace!... Accept My Peace with LOVE, and continue to pray the Holy Rosary every day for PEACE...

One day, you will understand why I so much I asked for this...

I am the Queen of Peace, and I want you, with Me, to pray for Peace, and to spread My Peace to this world without Peace...

I bless you in the Name of the Father... of the Son.. .and the Holy Spirit... (pause) Be in PEACE!..."

Second Apparition

Message given at night, in another city

Message from Our Lady

"- Open yourself with My LOVE!... I am with you by your side!..."

Message from Our Lord Jesus Christ

"- I AM the IRRESISTIBLE!!!...(pause) Beloved Mine, open your Heart to Me! I want to enter!!!...

Do not resist anymore!... Abandon yourselves in My Arms, for I AM your GOD, your Good Shepherd!...

My Irresistible LOVE for you is This is why I speak to you with Infinite Mercy!...

Even, My little ones, if you had measured the entire length of the Oceans, to their ends, you would not have measured a single thousandth of My IRRESISTIBLE LOVE.. .from My Sacred Heart...

Now let Me pierce your hearts with My POWER, so that you may adore Me with all your heart!... I want to remove the crusts of sin from your hearts, to purify them and make them pleasing to ME!...

Pray!!! Pray!!!...

I AM the Alpha and the Omega! The Beginning and the End!... I AM the Ever Eternal GOD, who LOVES you with all his Heart!...

I AM Jesus - LOVE!!!. . .

I AM Jesus - LOVE!!!. . .

I AM Jesus - LOVE!!!. . .

I have more than GREAT Graces of LOVE to give you!... I have INFINITE Graces of LOVE for all of you!... Even if you managed to count all the stars in Heaven, you would not have managed to count and understand a single one of My Blessings that I want give to you!...

Allow me to imprint My kiss of LOVE on you at this moment, on your heart, so that My INFINITE Mercy can fill you... I

LOVE you with Passion!!! I LOVE you, My dear children!!! I want you, My dear children!!! I want you!!! I want you!!! I want you!!!...

I want you to surrender your whole heart to Me, to surrender your life to Me!... Give Me, in particular, My poor sinful children, because, like Jairus' daughter, who slept in death and I brought her to life, so too, intercede for My children, because I want to save them!...

Seek prayer!!!...

While I was at Martha and Mary's house, Mary preferred Prayer and listened to Me, while Martha, exaggerated in her worries, did not take advantage of My WORD...

I told her: Marta, Marta, you are worried about many things, but... only one is necessary!

You, too, My little children, do not allow yourselves to be plunged into the abyss of agitation and lack of Peace!... Entrust yourselves to My Arms, they are sweeter than the honeycomb, and you will find rest for your souls in Me. !... I'm

looking for everyone!!! I wish to give Peace to everyone!!!... I wish to save everyone with My DIVINE Mercy!...

The world has turned away from ME, and is walking in perdition and sin!... Each one wants to apostatize from ME! and live ignoring Me, as if I did not exist, or as if I were nothing!... O My children, open your hearts to My Grace!!!... let My Grace work in you, May she be your LIGHT always!!!...

I and My MOTHER cry out to you to pray! If you had heeded OUR appeals, Peace would be with you, but... you pray little, and that is why Peace has moved away from you!...

If My people really loved ME, they would pray more, they would seek ME more than heart...

Be converted! Convert!... Change your life! Change your life!... Return to My Heavenly FATHER, through ME!!!... Listen to the appeal of My Holy MOTHER!!!!... SHE LOVES you so much, and wants you so much! Open your heart to My MOTHER!...

Every day, I have a River of LIVING WATER for you! If you want to drink every day of the WATER that gives LIFE, that Saves, that Resurrects, that gives the Holy Spirit, come to ME... with a cup to receive It!...

Like the Jordan River, it will be for you a Baptism in the Holy Spirit, it will be a renewal and a burning in My Heart!... And the chalice with which I want you to come and seek My Graces, dear children, is the Rosary of My MOTHER!...

Pray the Rosary, My dear children!!! Those who come to Me to receive the Graces, but... without having prayed the Rosary, receive My Holy Spirit, but... very little, because the Graces escape through their fingers, like water flowing through the opening of the hands...

Those who come to Me through the prayer of the Rosary are My Blessed Children: - To these I give a cup super-full and overflowing with Graces, for them and for their brothers!... Fill your cup with the Rosary, and go in search of your brothers!...

You who are fathers and mothers, I know very well that if you had fifty children, and if only one were in danger of being lost, you would give yourself up in his place, but you would not give that child... So too, I want to save everyone. My children, I don't want to lose a single one!... If necessary, I create Universes in return, but... I don't lose My children!...

I want you at all costs, My dear children! I want you!!!...

I, who created man, in union with My FATHER and My Spirit, who gave you so much beauty and so many Graces, I AM despised and abandoned by you...

Today, man has created wings, and comes and goes wherever it wants, and in most families and hearts, I cannot enter!... How much hardness, My children, you give to My Heart!... Open, children, your hearts to My LOVE !...

I, children, who did not have any part of My Sacred BODY without wounds, was I CHAGA VIVA, from the top of the Feet to the Head... I who had My FLESH quartered by the whips, who had My Sacred HEART divided in half by hard spear, I gave you all My BLOOD, and I gave you WATER, that I gave you all My LOVE, that until the end I LOVED you, and you have trodden My LOVE, you have despised My call! So, as I have already given you everything, I now give you My Tears of LOVE!... (Jesus weeps)

Look at My servant, My Beloved, Mark of My Passion... the tears he spill, they are My Tears!...

I want you! I want you! I want you!... I feel on fire with LOVE for you!... Oh, My children, return to adore Me in the Eucharist! I'm so lonely f!... Come adore ME!... I will save you!!!...

Rejoice, because your deliverance is near!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit!... (pause) Peace be with you!..."

I want to give you the prayer to be prayed before Holy Mass! It is a Supplication to My Heart, call on Me, and I will come!... Delight in her every word... like an egotta of honey, let them slide in your hearts, with LOVE:

"O Mary, My Good Mother,

penetrate me, envelop me, touch me, guide me, enlighten me,

pray with me...

Together with You, O Mother,

Our Mass will be Paradise. Amen."

Pray like this!!! My Immaculate Heart is attentive to the call... If you pray like this, you will see that the Mass will be a Blessing, and you will feel that SOMEONE who LOVES you prays kneeling beside you!...

Thank you for having answered yes to My call! Take this Message as soon as possible to everyone's knowledge! I desire it, GOD desires it, through Me!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Yesterday I gave them the little Sign, which they saw in the candles, so that they would understand that the Holy Trinity, Three Persons, Three Flames of LOVE, but... in ONE GOD, IS ONE CALL!...

So too, children, may your heart be so united to GOD, that you are ONE with HIM...

I bless you all and I continue to ask you to pray the Holy Rosary in My Intentions... Pray, intercede with strength and power, with perseverance and with humility, so that My Plans may come true, and all that I have planned may be fulfilled...

Pray, children, for My Plans, where all of you are included and enclosed... Pray!... Pray!... Pray!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord!..."

Day 01/08/95

"- Dear children, today My Immaculate Heart rejoices with you and all the little beings of GOD rejoice at My side! ...

Dear children, today, the Holy Siege of Jericho begins once again!... Live this Holy time with much prayer, with much humility, My children, with much LOVE and with much affection!...

You, My children, must understand and feel how much My Heart is in love with you! I am, little children, your True Mother, and My Immaculate Heart will always be your home and your abode...

Get ready for My Feast with much prayer! I myself am going to invite one by one to the Birthday Party that Jesus is going to give Me... Take care, children, so that the party attire is on you, that the Grace of GOD is in your hearts, so that you can enter the My party, and eat at least a little of My birthday cake, which will be very great Graces that I will give you, in these three happy days that we will celebrate together!

... you can be accepted at the feast of My Heart... You will receive less Graces, because your heart will be closed and hard for Me...

Get ready, children, put on the festive attire for prayer, for sacrifice, for opening your hearts to Me!... and continue to pray the Holy Rosary every day... The Rosary, children, will make you whiter that the snow will purify them, and it will be this and the f garment that everyone must have in order to receive My Graces!...

They were happy because the Image will come, I am also very happy!... Truly, this Image it will be a facsimile copy of My Immaculate Heart, it will be a replica of My Tenderness... and all those who look at it will feel My IRRESISTIBLE LOVE...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord..."

Day 04/08/95

"- Thank you, My children, for the love of your heart. .. Thank you, My children, for all of you coming!... Thank you, dear children, because your love for Me is sincere... Thank you My children, that I have been able to gather you here, tonight, once again. .. They anticipated My gift, and I am very happy with this gift that they give Me, which is their hearts...

They saw the LOVE of GOD, and felt the Tenderness of Jesus and My Affection...

And then, children , still want to go back and be of the world?...

Stay with Me! In the end, children, you will be the happiest!... When the

Punishments come, when the sufferings and tribulations come, you, My children, those who love Me, will sleep peacefully and feel nothing... When you open your eyes, you will come across your Mother, shining with LOVE to embrace you, in front of you!...

I will come and take you with Me, so that, where I stay, you will be together with Me too!... you will see Me, you will know on the DAY of My TRIUMPH what it is to have the good fortune to see the Mother of GOD... I thank you, children, to everyone who came today to offer all this to My Jesus for the salvation of young people...

Talk to young people, talk to them, My children!... You know that the situation of young people today is extremely difficult! I want you to always do these praises to GOD with the young people!... Bring lots of young people!...

These Appearances of Mine are for everyone, but... most especially for the young ones... I proved this by joining you here once again... Give My hugs to those who couldn't come, may they all be here next time. because I want to give everyone My LOVE...I AM THE MOTHER AND QUEEN OF YOUNG PEOPLE!!!...

The first to be attacked by the enemy were the young... The first to be saved by Me, will also be the young people ... Young people will be the first to cling to My Veil when I arrive, on the DAY of My TRIUMPH!...

Rejoice, little children, rejoice, your day is coming and My heart desires , more and more, to be close to you...

I rejoice for all your prayers... Today, through your intercession here, My children, I have freed many young people from drug addiction and prostitution throughout the world!...

Glorify GOD, My children, with Me, and open your hearts to HIM!... I want to lead you all to GOD, because only in GOD, children, is the TRUTH!... Only in HIM is the Fullness of LIFE!...

Me, at My 15 years old, I received the Grace of being the Mother of My Jesus... What a joy for Me!... What a joy to have been chosen to be the Mother of the Lord, not for My Glory, but... to serve Him with all My Heart !!!...

You, My young girls, imitate the Heavenly Mother, saying YES to GOD, with LOVE, with affection!! with generosity... Surrender yourselves to Me!! and your vocation, whether to marriage, or marriage with Jesus, through the religious life, I will lead you to a true vocation... Let yourselves be guided by Me docilely, and I will give you Peace...

To My little boys My children, I ask you to imitate the example of Saint Joseph, who, even not understanding God's Plan, said YES too, and took Me under His guard!...

My children, do you not want to fall in love with Me, your Immaculate Mother?... Receive Me at home, like My Spouse Joseph, and I will live by your side forever!... Give your little hands to Me, My young people, I will guide you and help you to decide on the vocation that My Lord wants to give you!... Sweet children, thank you for everything you have done, for the joy you have given Me. Young people must form today, around My Heart, a Crown of LOVE, so that the enemy will no longer imprison young people...

Take this My Message to all My young people: - I LOVE them!... I LOVE them!... I LOVE- them!... and they will be the first that I will kiss, one by one on the cheek, with LOVE in my TRIUMPH they will be, little children, My young people...

The Apparitions of Jacareí are My Message for all young people, because I, children, LOVE My young people with a very great LOVE, and that is why I chose a young person to see Me, to tell you that I LOVE you, and that are all Mine, and that I want to give them as a bouquet, a bouquet of fragrant and precious flowers for My Jesus...

The Rosary is the strength of young people!... When they pray the Rosary, they are much more beautiful than any other. ruby or emerald! They shine much brighter than any precious stone or any star in the sky!... Therefore, children, pray! pray! pray!!!...

My little ones, My angels, a kiss to all...

I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit... (pause) Stay in the Peace of the Lord!..."

Day 05/08/95 Feast of the Nativity of the Blessed Virgin

I thank you, My children f, with all My Immaculate Heart, for this beautiful poem that you have given Me... It is one of My happiest Birthdays, as I have never had it until today!...

Thank you, little children.. The Mother of Heaven thanks you with a Tear of LOVE, which I give you as proof of My ardent Affection...

Yes, My Lord sent Me here to earth so that you would not feel alone, you needed a Mother.. When I looked at you, and I saw that you were walking carrying heavy crosses, without anyone... I asked My Son to come to help you, and My Son, with so much LOVE... He sent Me here...

Thank you. children, for all the goodness of your heart, for walking more and more at My side, and giving yourself to Me. I LOVE you! I love them! I love them! I love them so much!...

I want to tell you that this is why, from now on, Jesus and I want to communicate Messages to you as never before in the history of humanity... I will, My children, intervene in a stronger way, and the Irresistible POWER of My Heart will touch My children, so that My Works, My children, can TRIUMPH!...

Do not be afraid!! Don't be afraid of anything!... You are not without Me, and the breath that passed through this curtain while I was present is proof for you that I have arrived... When the wind of the Holy Spirit blows, I am always present ...

(...) O children, I who am the Queen of Heaven, walk like a beggar from one side to the other, from one heart to another, looking for someone to shelter Me, someone who accepts Me, who welcomes Me in his heart. , and today I can say that I am happy to have been welcomed into your hearts...

(...) Yes, My children, I am full of LOVE for all of you! Today I bring a great Grace from My heart: - Many of you, of those who are here, when the Three Punishments come: - fire, darkness, and smoke... many will sleep and see nothing, feel nothing!... When you wake up , you will already be in My Arms, and you will know on that day what it is like to have the good fortune to see the Mother of GOD...

Remain in My Heart, My little ones.... (...) it is the seed of My Heart...

I want to say, My children, My Graces here have rained heavily from Heaven, from My Heart... I will do many wonders in you, and I will take you with Me to Heaven, so that you may live in My Heart, so that where I be in My Mantle, the angels that I created, formed and educated in LOVE, which are all of you... Thank you, the Mother of Heaven, moved thanks and remains by your side... Be in Peace...

Each one who is here today, by your prayer, takes 100 souls out of Purgatory with Me! Continue to pray for them, My children... May your LOVE extend to the souls in Purgatory! They will be today, like Angels who will pray for you in Heaven!..."

Day 07/08/95 Monthly Anniversary of the Apparitions

(Marcos): (On this day we celebrate again the Birthday of Our Lady, with Our Lord and the Pilgrims , which was made possible by the proximity of the dates and by Our Lady's acquiescence to our request)

Message from Our Lady

"- My dear, sweet and beloved children, praise Our Lord Jesus Christ!..."

"- Forever be praised!" (answered the whole crowd of pilgrims)

"- Thank you, dear children, for the congratulations you sang to Me! I was moved and touched in My Heart...

Dear children, today, I want to present myself as the WINNER of all evil...

Here is the prophesied Image* by Me!... * (The Image of the Queen and Messenger of Peace)

This Image of Mine (pause) bears a replica** of My Grace!... This Image of Mine will be the mighty instrument by which I will lead the My children, back to GOD!...

** (Observation - Marcos): (I understood that Our Lady meant that the Grace that She placed in this Image is so great and sublime, that greater than Her, only the GRACE of Our Own Lady in Person, that's why I said that She, the Image, carries a replica, that is, a faithful copy of HER OWN GRACE)

In these My Messages, dear children, I give you all My LOVE to prove!...

Here, I wanted to be called QUEEN AND MESSENGER OF PEACE, to remember My Message, that without Prayer, there can be no Peace... Where there is no Faith, where there is no LOVE... where there is no LOVE, there is no Peace!...

In this Image, the WORDS of My Lord in the Apocalypse are fulfilled: Behold, a Great Sign appeared in Heaven. A Woman, Clothed with the Sun, Crowned with Twelve Stars, with the Moon under her Feet, crushes the dragon...

I AM THE WOMAN (pause) DRESSED WITH SUN!!!...

I am, little children, the Brave Fighter that My Lord sends to earth to guide you, My little ones, back to the HEART of My Lord!... Let My sweet children, that My Hands, softer than roses, can touch and caress you right now...

I chose this poor and simple place, so that I could transmit My Mother's Message, because I want to save (pause) all My children...

GOD continues to be the GOD of POWER, but... even today he is the GOD of the simple !...

Look how Great is the Mercy of Our FATHER, My dear children!... Sinners find Me; the sick feel Me close to them; the afflicted trust in Me; children praise Me; the young people are glued to My Mantle, in prayer...

To everyone who opens their heart, I will present Myself as a Merciful and Kind Mother, as a Tender and Amiable Mother... to lead all of you, My sweet children, back to HOME of the Father...

Each of you, many times, is like a son, who took all the gifts, the Father's inheritance, and went out into the world, lost, without LOVE...

My sweet children, in the world you will not have LOVE... The things of the world (pause) are like the traps that My enemy sets, to try to make you fall into them, but... My children, I am your Mother, and I came down to be able, with My LOVE, to embrace everyone, and keep everyone inside My Heart...

When the FATHER asked Me for My YES, to be the Mother of the Son, the Holy Spirit moved Me to , with all humility, to lower Me, to hide Me as much as possible, like a seed hidden in the earth, so that My Son could grow, and Salvation would happen...

You too, My children, to exalt God, never want to be praised by anyone...

Exalt My Lord with a pure heart, with a humble heart, with your heart full of HIS Tenderness... In this way, you too will be like a seed, that tiny, will grow, will grow, will grow and produce a great tree, full of fruits of Salvation and of LOVE...

My children, pray the Rosary every day!... In My Apparitions here, I come with My Rosary... I taught you to pray it, well and with the heart...

I wish, My children, that your hearts may open to the LOVE of GOD... I wish, My children, that your hearts may glorify GOD!... My Lord wishes to see you every day with Me, kneeling in prayer ... Open, little children, your hearts to Me!... Open, My dear little ones, your being to the Holy Spirit...

The Holy Spirit, like a Mighty Wind, wants to fill your heart... wants, My children, to remove the straws of your sins; wants to remove, My children, the dust of lack of Faith from your hearts, and wants to light in you, My sweet little children,

a FIRE that will never go out!...

Yes, My children, a single flame is not enough, but ... if a single toothpick is lit, if just one spark of fire, a whole forest can be set on fire!...

So are you too! If one of you, in your families, opens the door of your little hearts to Me, I will be able to light the FIRE of the Holy Spirit in your entire house, until it all belongs to My Lord!...

So, I want prayer groups to be formed everywhere, to pray My Rosary, to take My Messages, to say, My children, that your time is almost over... your days (pause) are already numbered...

Soon, the sheep will be separated, by the POWER of the Holy Spirit, from the goats...

Before the century ends, before the Jubilee of the year two thousand... there will be this Purification, and those who do not convert will not you will survive the Punishments that will befall you...

Convert, My children, and return to Jesus!!!...

Convert, and open your hearts!!!...

I am already exhausted from asking humanity to come back to GOD!... My Arms are crushed for holding so much (pause) the Arm of DIVINE JUSTICE!...

Help Me, My children!!! When they pray the Rosary, they are holding the Arms of their Mother, to continue asking the FATHER for forgiveness for humanity...

The world has become worse than Sodom and Gomorrah, and that is why the consuming fire will descend, and then those who are opposed to Christ, who are with the antichrist, will be overwhelmed, defeated by the Spirit of the Lord!...

Dear children, before, long before you think, I will free you, My little ones, who suffer and who trust in Me, who pray and who give Me their heart... No child who trusted in Me was left unsaved... So, My children, I will come down soon, as I am here, to save you, to give them the Grace of Jesus!...

Raise your heads!!! My Son is already at the doors!!! HE already has his hand on the lock of time!!!... One more step (pause) is what remains, so that he is in your midst!!!...

Much closer to you than the air that surrounds you is the COMING of My Son, therefore, dear children, I beg you: - Open your hearts to Me!!!... My children, I am your Mother, and I want to take you to My GOD!... Open your hearts, dear children, I am your Mother!!!...

My numerous Apparitions cannot convert even a third of humanity, because of their hardness of heart... Open your hearts to Me, sweet children, and My

LOVE will guide you...

I cover everyone with My Mantle at this moment...

I send you My Kiss and I give you, dear children, My LOVE... in the Name of the Father... of the Son... and of the Holy Spirit...

My Jesus transmits the Message to you..."

Message from Our Lord Jesus Christ

"- I AM THE IRRESISTIBLE!...(pause) I AM, My children, the Lamb of GOD...

Before My FATHER's Name, before My Sacred Heart, and before My Spirit Holy, every knee bends (pause) in Heaven, on Earth and even below the Earth... The demons have to proclaim Me the True GOD, and Lord!...

Let My Irresistible Heart penetrate now, children. yours, and pierce the ice stone of your hearts!... Allow, My sweet children, that My Sacred Heart may blow the Holy Spirit on you, so that it pierces the deafness of your spirit!... (pause)

Your time runs out... As a night that has passed, so is the time that remains for you...

Beloved children, here is My MOTHER, whose Birthday Feast, WE celebrate HER on this day... My MOTHER is like the Jewel of My Sacred Heart, which I gave to you!...

After My FATHER, the most precious Gift I had, was My MOTHER!!!... When I saw Her humble, obedient, following Him ME, with so much LOVE for ME, on My Way of the Cross... When, from My Cross, I looked at My feet and saw My Humble MOM, My Affectionate MOM, My Sweet, Soft and Strong MOM; My Sacred Heart gave a palpitation of LOVE... and I, knowing that I was returning to the FATHER, from where I had come, from My Father... but, in order not to leave you alone, I looked at My MOTHER and said to HER:

WOMAN ... BEHOLD (pause) YOUR SON!

SON... BEHOLD (pause) YOUR HOLY MOTHER... YOUR MOTHER!...

My sweet children, at that moment, I gave you My MOTHER, so that she could be yours, but... MOTHER!... How many hate My MOTHER!... despise My Holy MOTHER, thinking in doing so to do something pleasing to ME!...

To those who despise My MOTHER, I say the same thing that I said to Capernaum: Do you think you will be exalted to the highest of the heavens? On the contrary, you will be sunk to the bottom of the lake of fire!

Woe to those who do not listen to My MOTHER'S VOICE, and to My Sacred

VOICE!...

My dear children, SHE speaks to you of My Sacred Heart!... SHE shows My Eucharistic Body in Her Hand, to tell you, My dear and sweet children, that I AM the GOD of your Salvation!!!.. .and here is the Way for you to reach My FATHER, Me even in the Eucharist, as My Mother shows Me in Her Pure Hand... it is the Rosary!!!... Anyone who prays the Rosary, dear children, does not away from ME!...

The chalice, the receptacle to receive My Graces, is My MOTHER's Rosary... Whoever loves My MOTHER's Rosary!! loves My MOM... Whoever loves My MOM, loves ME!! for SHE always gives ME (pause) to all of you... and he who loves ME loves the FATHER, in whom I LIVE and KINGDOM... forever...

My Lips want now, sweet little children, to kiss you in the heart... Feel now, My little children, My Kiss of LOVE, and My Holy Spirit blowing in you... Feel, My children, My Hand to land on your forehead, and to mark it with the Sign of My Infinite and Eternal Mercy...

Look at the example of the little bees! All of them work together, all of them harmoniously work towards the construction of the hive; they all obey the command of the Queen Bee, and thus, everything is built and built in unity...

You are My little bees! I don't want to see you separated from each other!! and that is why I invited My MOTHER to come here, and to appear in this Place, and to call all My children to ME!... Obey My MOTHER'S Voice!! who is like your Queen Bee...

Whoever builds the hive will receive as a reward the purest honey (pause) of Mercy and Goodness of My Sacred Heart... (pause) But... move quickly, My children, and do not be lazy little bees; move quickly, for many are those I call f, but... those I choose... are few...

If you delay with your conversion, you run the risk of getting lost in the middle of the way!.. ..

Masses!!... Masses!!... Masses!!... This is what My FATHER likes most, and what makes Me and My MOTHER smile most!...

Give ME, if possible every day, this gift: The Holy Mass!...

He who fervently participates in the Holy Mass will be freed not only from the fires of hell, but also, saved from Purgatory...

The Mass, My children, is much brighter than the Sun!... The Mass is more POWERFUL than any nuclear bomb you know, and it is through the Masses that My MOTHER came to ask, of the Rosary, of My Body and BLOOD in the Eucharist!... that the world is to be saved...

Soon, My Immaculate Heart of Shepherd will TRIUMPH, and the Immaculate

Heart of My Mother will TRIUMPH!... My Sacred Heart is the Fortress, the Wall and the Rock !! that I put to defend you... (pause)

I thank the doves of My Sacred Heart, My Religious, My Favorite Servants, flowers grafted onto My Sacred Heart, for having come with LOVE to ME, and to My MOTHER...

Be blessed, My daughters, and go like doves; spread the seeds of My LOVE, My Messages, My desires, My MOTHER's caresses, to all My poor children, who do not know Me...

(Observation - Marcos): (From here on, the next paragraph, because this part of the Message was addressed to people in particular)

I thank all those who came, in the Name of My FATHER... I thank all those who prayed, praised and prepared My MOTHER's Birthday Party...

And I now bless you, and next month My Sacred Heart is already waiting for you here, anxious to save and forgive you, to give you My LOVE and My Grace...

Next month, MY MOTHER and I will give you a SPECIAL BLESSING, and in the coming months, until the end of the year, we will imprint the MARK on your heart, to enlist you in OUR Army...

Yes, little children, My Heart yearns for you, and every day call ME "ABBA Daddy", and I... will be by your side, to bless you...

Pray for My Pedro, JOHN PAUL II... He is the dearest flower of My Mother's Heart, and the most beautiful gemstone of My Sacred Heart!... Pray for Him, for He suffers... and needs you!... Pray!!!... Those who pray for Mine Pope, you will receive from ME and from My MOTHER particular caresses, which will not be given to those who have not bothered to pray and ask for Him...

I now bless you with the LOVE of My FATHER... with the LOVE of My Heart, Son... and with the POWER of My Holy Spirit...

Be in PEACE!... May My PEACE be with you. .."

Day 22/08/95

First Apparition of this day"- Thank you My children, for the declaration of LOVE delivered today in My Mother's Hands... I will take it to GOD, so that He too may smile and be happy for My Feast.. Exactly today ,

My dear children, I have been crowned Queen of Heaven and Earth...

I am the Mother of each one of you!... I am the Mother and Queen of this family!... I call you to My Heart as Queen of the Church, and Queen of the whole world...

I want to thank in a special way those who, every Monday, come, with great perseverance and humility, walking here, beside

Me ... but... My children, I have confidence that GOD will return them to Me soon... Invite us again, this is the Request that I make today...

Each of you remembers the brother who was at your side side, a year ago, and today it doesn't come anymore... Invite them, give them your love, pray, intercede so that they open their hearts in time!... GOD is still granting them ample Mercy , while Time does not run out... and how much I beg Him, with Tears of BLOOD, that He waits for the world to convert!...

Thank GOD with Me, little children, for having allowed Me to stay here for so long with you, and today is not goodbye!!! I will still come many times among you here, every Monday, to give My Messages...

I am persevering, I am tireless, I am, dear children, the Mother who never leaves Her children abandoned.. and I will continue to come, until the Plan of My Lord is fulfilled in this family, and is fulfilled in every heart...

Many have been healed during the year, and other healings will begin in this Second Part of My Plan, for the which we are already heading...

Keep praying and come here every Monday. This group will also be a group of very strong intercession to ask for the Holy Spirit of GOD, so that this group too can be like the Great Bomb of My Immaculate Heart, which I want to launch on hard and cold hearts, calling them to GOD...

Each one must obey the Messages that GOD commanded Me to bring them, and the Message is this: - May you all, when you leave here, form prayer groups everywhere!!!

Many, a year later, have done nothing to this day!... That's why My children, there is no more time! there is no more time! there's no more time!... If you lose even a second, the damage will be tremendous! and GOD scrutinizes your hearts... HE knows you, and He knows the possibility of each one, and if GOD has commanded you to do it, it's because HE knows you can do it, but... you pray little, and that's why the sin continues so much... in this way...

If since last year you had obeyed My Messages, not only My Immaculate Conception Parish, but also this whole city, would already be much better, in the direction of GOD...

Many souls continued to condemn themselves, because there is no one to go in search of them! Because there is no one who takes My Messages, because there is no one who, with perseverance, visits the families, especially the most distant ones, especially the disbelieving families, who do not participate in the Mass and who live in discord...

Hate sees no one and sees nothing... The enemy hates you, because you heed My Messages! He tries in every way he can to devour their hearts and separate them from Me... Through many things, even the smallest ones, he penetrates, trying to confuse their hearts... We repel the enemy together by prayer, by fasting the bread and water that I asked them to make every week, for the life of communion and frequent confession, and also, above all, for a true obedience to the Holy Father, Pope John Paul II...

Dear children, while I remain here with you, giving you classes on Holiness, in this Faculty of My Immaculate Heart, every Monday, I wish, My dear children, that you understand that, when the most decisive and painful hour arrives, you must already be formed, ready, educated to live as children of GOD, to spread LOVE over the Earth...

I want to form you, and the students who do not reach ten with Me, will not be able to be approved, when TRIUMPH comes. of My Immaculate Heart... when they remain* in My Heart, so that they will once again populate the land with LOVE...

* (Note - Mark): (Our Lady refers to the number of those who remain faithful in Her Immaculate Heart, of those who have entered the ARK of Her Immaculate Heart, of those who have entered the Safe Refuge of Her Immaculate Heart, and we know how to enter: it is necessary to faithfully fulfill, with love and for love, all the requests of Our Virgin Mother of LOVE)

Therefore, My children, if you still lack some virtue in you to perfect, apply yourself more in the School of Holiness of My Immaculate Heart, meditating on My Messages, living My Messages, spreading My Messages, so that as soon as possible My Lord can TRIUMPH...

I bless you, and I continue to ask you to come every Monday to meet Me... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord ...

I LOVE you with all My Heart!... Remain in prayer too... I gather your hearts, and I give them this day to GOD..."

Second Apparition

"- Dear children, today, this night, My Maternal Looks rest on each one of you... I look at you with LOVE, I look at you with immense sweetness...

I want to give you, dear children, Peace , but... Peace can only sprout when there is a true and sincere desire for conversion... Without conversion, there is no Peace...

Dear children, make peace with Me!... I will lead you to make the peace with GOD the FATHER!...

Abandon all lies, all hypocrisy, all presumption, all pride, which are things that

displease GOD...

Aspire to humility! May your dream be to be the servants of all, those who serve all, with love and humility, with docility and with smallness of heart... A heart that is simple and humble, has a lot of humility not only for itself, but.. ... to teach it to others, to communicate it to your brothers and sisters...

A heart that prays must be like a mirror, in which GOD reflects Himself with all LOVE... Therefore, My children, pray, pray, pray! ... In prayer, you will feel the LOVE of GOD! In prayer you will understand how GOOD GOD is! In prayer you will have peace of heart...

Prayer is the Key that opens like a Treasure Chest, which are the VIRTUES of the Holy Spirit, with which He wants to give, with which He wants to fill your souls with His Gifts and His Graces!... Happy the son, who , by prayer, open the Coffer of the Holy Spirit!... You will never lack the food of the Grace of GOD!...

I bless you with LOVE, with My Peace, as I came here... Lady of Peace... I bless you all with the Grace of the Holy Spirit and with HIS VIRTUE, in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit..."

Day 26/08/95

"- Children! My dear children... today I, your Mother, wish to bless again each one who has come to My Heart...

I thank you for this wonderful Upper Room that you offered Me... They sang and prayed with their hearts, and this causes Me a smile of immense LOVE!... It causes a smile of happiness and consolation for this Mother of yours so despised, so repudiated, so blasphemed, put aside and trampled on by so many... It causes a smile of happiness in Jesus, blasphemed, trampled on, outraged and again Crowned with Thorns in the Blessed Sacrament of the Altar... It causes a smile of Joy in the Father in Heaven, that each is detested and disobeyed, blasphemed and insulted by so many of HIS children...

Thank you, dear children, for the joy of your prayers! My Mother's Heart is today, full of LOVE!... Sweet children, when you return home, you will take an Angel with you, to bless all families... My Grace originates in this place!... Each one of you of those who come here, they carry many Graces in their hearts... home...

I LOVE you with all My Heart and I ask you to pray, because the First Part of My Plan will already end. Now, the Second Part will begin, the most decisive Part, the most important and also the bloodiest part for the salvation of humanity...

Repent, dear children, of your sins... Pray! pray! pray!... only then will I, your Mother, have the means to save you!!! Otherwise, My dear children, I will not

be able to help any of you...

I wish, children, that humility is in your hearts... May the WISDOM of GOD be always present in your hearts, to give you Peace!... May everyone who looks at you, see My Son Jesus, reflected , lived, copied and continued in each one!... May each one be an instrument and messenger of Peace, messenger of My Mother's Peace, messenger of the Peace of the Heart of Jesus...

The whole world needs to hear this Mighty cry: - Who is like GOD?... Who is like GOD?... Who is like GOD?... Proclaim to all hearts, dear children, the Will of GOD!...

I have traced a Plan for you!... I desire, children, to complete this Plan, leading you along the path of Holiness... I will continue to come here, every day, until everything that My Lord has decreed is accomplished.. When I return to Heaven, I want you to be on your way, firm, secure, strong as a rock... (To have) unshakable Faith and LOVE for Jesus, and Respect for Me...

That's why I keep revealing My SECRETS ; I continue to leave these My Messages, which are testaments of LOVE for each one of you, which leads you to the Gospel...

You cannot see Me My children, but... you can feel Me in your hearts... I am with you!!! My LOVE... continues to descend in rain on you!... Therefore, My children, when I ascend again to Heaven, I want to make your hearts firm as a rock, on which I can place Myself. ..

Therefore, My sweet children, pray! pray! pray! pray the Rosary!!!... The salvation of the world can only be achieved today, through the Rosary... I am Maria do Rosário, and I wish you to pray the Rosary every day, with love and perseverance

... My Blessing... in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit...

Rest in the Peace of the Lord..."

Day 08/29/95

"- Today, I wish to pray to the your side... "

(Marcos): (Our Lady invited me to pray an Our Father, and continued with the Message)

"- Dear children, thank you for having responded with LOVE to My call as a Mother, for coming this day to meet Me. ..

I am happy to be here today, in this family, to bless it, and in the midst of this community, to fill it with the Grace of GOD...

Children, many here love Me from the heart, but... They pierce Me with their sins... Change your life, My children!!! Leave the life of sin!... Return to GOD!!!... GOD does not get tired of waiting for you, My dear children, and invites them every day, through Me, and through the events that take place day after day, to a total and sincere conversion to Him...

As long as, My children, there is no conversion of heart, (Note - Mark: from the most intimate of us) as long as there is no adherence to GOD, and as long as you don't say YES to My Immaculate Heart, in no way will I be able to save you. them... nor purify them from the stains of their sins...

If you do not pray, My children, you will not be able to say that you are Mine!... Who does not let go of their vices and sins, who does not let go of the things of the world , who doesn't give up the nights and drinking, who doesn't leave the places of sin and seduction, who doesn't give up their addictions of drinking and smoking, who doesn't give up, dear children, the bad examples set by television, who doesn't leave, dear children, your hatred, the revenge of your heart, you cannot say that it is Mine...

Therefore, little children, this night My Immaculate Heart is inflamed with Charity, with LOVE towards you... I see your many tribulations!... I know the difficulties that each one feels; that's why I came down to tell you tonight that I LOVE you!...

I LOVE you with My Immaculate Heart full of LOVE!... I LOVE you with My Heart full of Mercy to pour out on all of you!... I LOVE you with the TENDERNESS of GOD HIMSELF, and I am ready to give My Immaculate Heart to anyone who wants to convert and return to Me...

I LOVE you, My children, with all my Mercy of GOD!!!... I LOVE you, dear children, with a LOVE greater than the Sun and the Moon, the LOVE that GOD HIMSELF commanded Me to bring to earth, and that He has given Me and purified in the Holy Spirit! ...

I LOVE you, dear children, with the LOVE of the Holy Spirit, in My anxiety to sanctify you all... I LOVE you, children, with My Tears of Pain and Anguish; Tremendous affliction, which I show for conversion, but... most remain in sin, remain in bed... without giving Me their heart...

I LOVE you, My children, with a worried and afflicted Mother's Heart, because I see that time is running out, and that you are not doing anything for conversion!...

I LOVE you, My children, groaning and sobbing, begging My Son Jesus not to punish the world, but... wait still, and may he have mercy on you...

My children, convert, convert, convert!... Return to GOD, to My call as a Mother!... If all who are here today, go out and form prayer groups everywhere, soon this My community will be saved, soon many families here will be saved!... Otherwise, if you don't help Me, My children, GOD will not be able to win in

your hearts...

Therefore, pray, pray, pray, and pray the Holy Rosary every day!!!... The Rosary, My children, is the salvation of the world today...

Confess yourself every month, ask forgiveness from My Jesus who is already so offended by your crimes ...

Communion, purify your heart!... Do not communicate in mortal sin!!! Get ready for Communion!!!... Before going to Church, pray, ask the Holy Spirit to transform Mass into Heaven on Earth... I am always present when My children go to Mass.. During the Mass ,

as at no other time, the Heavenly Graces of GOD fall upon you! Therefore, little children, I lead you to Holy Mass... to GOD!!!...

I ask that everyone consecrate themselves to Me, to My Heart, so that all belong to GOD!...

Through My Hands... and with these Hands I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit... Rest in the Peace of the Lord..."
Day 08/30/95

"- Today, with much LOVE, I want to invite you, everyone, to repent from the heart! of your sins...

Just as a wound doesn't heal well without medicine, so too, without the Grace of GOD, without prayer, you will not be able to heal the wounds of sins in your hearts... Just as, if you do not take medicine, your health will not get well again quickly, so too, My children, if you do not pray If you don't seek the Lord, if you don't live His Holy Commandments, your soul will be sick day after day, until the death of the heart comes, in the lack of Faith...

Therefore, dear children, pray the Holy Rosary in a special way every day, because this prayer will be the interior healing for you! This prayer will be the DIVINE Remedy that I, your Mother, with My Own Hands, will give you every day... when you are praying the Rosary...

Therefore, I Am the Celestial Nurse, who come to heal your souls of the evil of sin...(pause) Thank you for having answered YES to My Call... I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord. .."

Day 02/09/95

"- Today, with LOVE, I wish to bless and purify each of your hearts, and today, My children, is the Day of My Immaculate Heart... My Immaculate Heart, little children, is like a gift from GOD! for all mankind...

GOD, calling Me to earthly Life, predestined Me to be the Mother of the Lord, keeping, however, My Free Will to accept or not His Salvation Project... Therefore, My whole Life was lived in presence of the Holy Spirit, under the Mighty Hand of the FATHER, and under the direct Action of the Word, who became incarnate in Me, and became Man...

Thus, My dear children, I was always on fire in the LOVE of GOD, I was all immersed in the LOVE of GOD, and as if even lost, within the immensity of the LOVE of GOD... Everywhere

I looked or went, the LOVE of GOD was there... Whatever I felt or meditate, the LOVE of GOD was there.... Whatever he did or said, the LOVE of GOD was there...

Therefore, My children, I am Mary, the Virgin of the Most Holy Trinity... I am Mary, the Messenger of GOD, who today I come to bring the same Life Immersed in GOD that I had, for each of you... GIFTS of the Holy Spirit bloomed day after day, more and more in My Heart, already prepared and purified by My Immaculate Conception... Therefore, the Holy Spirit could very well make Me Perfect, Pure, and Humble, similar in My Heart , to My CREATOR, but... continuing to be HIS Creature, HIS Servant, and also HIS MOTHER...

That's why I cooperated with My Immaculate Heart, open to all the Plans of GOD... My Heart was a LIVING Door, for all who wanted to know Jesus, and for the LOVE of Jesus to reach hearts, especially in the Church Primitive, which was born of the Apostles... O little children, I am always by your side... I am your Mother!!!...

The Holy Trinity sent Me here, in this place, on this earth, to form a Mighty Army, followed and directed, guided and fortified by the Celeste Commander, who is the Woman Clothed with Sun...

I, Mary, the Servant of the Lord, I am the Woman Clothed in the Sun!... Here, as I have already said, I want My Army to be called the Militia of Peace, because you, My children, My favorites, are the Soldiers of Peace... they are like the Messengers of My Peace, which I wish you to spread, with great haste, courage and LOVE, to all corners of the world, My Messages, Serious and Urgent, Maternal and Concerning

... , children, as in these last days, as... My Immaculate Heart has been worried, you would do much more in your prayers to help Me, in your sacrifices to console Me, in your Holy Masses to be able to give the Lord more and more intercession of LOVE... for the salvation of the world...

Soon, the most painful and bloody events will take place, and take place... The Warnings are about to come soon, it's not long before... and you, My children, cannot be discouraged now!... You must, dear children, remain firm until the end, just as Jesus LOVED you until the end... Love Jesus, love your neighbor, with all your heart... until the end!...

Many waste the Graces that they receive . I bring them in My Messages, judging them to be monotonous and routine, without bringing anything new...

For the humble and simple of heart, each Message is a Gift poured out by GOD, every day...

If I, acting so much, shedding Tears in so many places, and coming to give My Messages to so many children, adults and young people, like My son here... if even doing all this, the world finds itself in this state of perversion and sin, of hatred, of such great violence; imagine, little children, if I did not come and speak to each one of you!...

Oh, My little ones, My Affection, My care for you is so great!... What can I compare it with, if not with what does the Mother possess, who never forgot her children?... or, like the Mother who generated the child in her womb, and she cannot forget her!... And yet, children, may this woman forget, I , your Mother, I will never forget you, because you were generated within My Immaculate Heart, and generated within the Torn Heart of Jesus, on top of the Cross...

It was from that Immense Pain of Calvary, from that Immense Bitterness, that all of you were born... The Pains of your birth, in My Heart, were the Cross and Passion of My DIVINE Son... and I, Mary, never forgot the Sorrows of Jesus...

The memory of HIS Passion remains today in My Heart, in the Remembrance of the Angels, of the Eternal Father, of the Holy Spirit... and so also in the Holy Mass, which renews the Sacrifice of Jesus

... , the FATHER, and the Holy Spirit, we never forget such pain for Salvation, so too, children, I will never forget each one of you! you... My little children born from the Pain of the Cross, and from the Sword that pierced My Heart...

Therefore, My dear children, who are My Descendants, who are My Family, My House, I wish children, to say to them: - Be Saints!!!... Holiness!!! Holiness!!! Holiness!!!... This is what I ask, so that you, My children, when Jesus arrives; who know neither the Day nor the Hour in which he will return... be prepared, clean, pure and undefiled before Him... Try your best, and even if there is any stain of sin left in your heart, I will pass My Immaculate Hand to remove them... so that they are totally clean before the Effulgent Face of My Son Jesus!...

But, little children, I warn you that before the COMING of Jesus, of which I do not know the DAY, the KINGDOM of Jesus will come, with the TRIUMPH of My Immaculate Heart, at the end of this Century! innocent will be able to run on the earth, if there is not fasting, sacrifice and prayer of each one!...

I never dreamed this for the world, not even GOD, but... the hate is so great!... You love little, you forgive little, you divide yourself too much!...

You attack each other, and if you could, you would devour each other, but... little children of wild hearts, I want to make each of you, sweet, docile, lovable hearts , pure, obedient to My Lord...

Therefore, listen to the Mother's call, and come to Me... for I am calling you, because I am madly in love with you, and I do not desire the condemnation of any... of anyone!!!...

I am not happy when I see the fires of hell with force, devouring My children, who lived without GOD, who lived in sin... That's why I want you to be happy like Me, one day in Heaven, and that's why I ask: - Communion, confess every month... Communion, if possible, every day!... Live the WORD of GOD, do Fasting! and continue to pray My Favorite Prayer after Mass, the Rosary...

I wish, My children, that the Rosary is everywhere to accompany you, and that it be your companion... Carry it around your neck, carry it in your pocket, carry it on your wrist, carry it on your heart , but... take My Rosary wherever you go!...

There is no gift more valuable, more beautiful even than sapphires, rubies and diamonds, than giving a Rosary to a brother, and teaching him to pray... it is Heaven that they will be giving to that person, for everything they love! loves GOD... The son who finds Me, finds Jesus, and whoever finds Jesus, finds the FATHER... and found Eternal LIFE...

I bless you, little children, with LOVE, and today I want to give the Blessing of My Son Jesus in the Blessed Sacrament, and for that reason, adore Our Lord with Me:

"My GOD, I believe, I adore, I hope and I love You...

I ask your forgiveness for all those who do not believe, do not adore, do not hope, and do not love you..."

"My GOD, I believe, adore, hope and love you...

I ask your forgiveness for all those who they don't believe, they don't adore, they don't hope, and they don't love YOU..."

"My GOD, I believe, adore, hope and love YOU...

I ask your forgiveness for all those who don't believe, don't adore, don't wait , and they do not love YOU..."

That on all My children, on families, on My WORK here, and on all those who, through you, receive My Messages, when they are transmitted by you... the Blessing of Jesus... BODY, BLOOD, SOUL and DIVINITY... and of My Immaculate Heart, in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit...

Rest in the Peace of the Lord... I return to Heaven, the FATHER calls Me!...

but... I remain, leaving My Heart..."

Day 07/09/95 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My dear children... (pause) Praise be to Our Lord Jesus Christ!..."

(Mark) "- Praised be forever!"

"- I invite you on this day to lift your hands with Me to the FATHER, and glorify Him LO..."

(Observation - Marcos): (Our Lady raised Her Hands to Heaven and began the prayer of the Our Father, to which we all accompany Her)

"- Dear children, today with LOVE, I wish again to embrace you with the Grace of GOD, to each one of you...

My little children, thank you! Thank you! thank you for coming today in great numbers... to meet Me...

In the next few times, dear children, bring more and more children, so that Jesus can touch your hearts, so that they can return to the path of LOVE...

My dear children, today, I want to talk to you about the sin of sensuality. .. O children, whoredom (pause) has taken over your land; the indecent and provocative fashion continues even today, My children, to condemn thousands and thousands of hearts...

Dear children, I want to place My LOVE in your heart, My dear children, so that you can renounce... any kind of sin. As I have already told you: - SAY NO, SAY NO TO SIN, AND OPEN YOUR HEART TO GOD!...

Today, My children, the number of souls that have gone to hell because of prostitution, homosexuality, the increasingly libertine, more scandalous (pause) and more depraved, more lost and more tainted fashion... is immense, My children...

Tears of Pain come down from My Eyes... (pause)

The lack of modesty, the lack of humility, the lack of posture, invaded the whole face of the earth... and I ask you, My children: - Do not invoke Me*, (pause) with indecent and scandalous clothes... * (in prayer)

This Place is a Holy Place!... and before GOD, respect is necessary!... I say to you: - If If you don't renounce and don't fight the evil and lost fashion of your time, I tell you, My children, the diseases that corrode the flesh until it annihilates it, such as cancer and AIDS, will continue to spread...

Men display their bodies as if they were gods, as if they were themselves objects of worship… and that is why, My children, so many diseases have spread throughout the world; because man has turned away from GOD...

If you want, My children, to put an end to the spread of evil, pray!...

My Immaculate Heart desires a deep and intense prayer... My Immaculate Heart desires , dear children, let them return to My Lord... If you, My children, had heeded My Requests that I have been making to you for years, I tell you that the world would not be so lost as it is now...

GOD, Our FATHER, sometimes looks at the world, and HIS eyes are extremely heavy... with Thick Tears...

My children, the evil (pause) that is in the hearts of men is immense: violence, kidnappings, crimes, drugs, deaths (pause) that spread, that explode from all sides... My children, this all happens because you , (even) seeing the action of the enemy in the world, they do nothing to prevent it!...

The only way, My children, to prevent evil (pause) is through prayer...

ROSARIOS!!!... ROSARY!!!... ROSARY!!!...

The ROSARY, My children, will be the weapon, the medicine given by GOD for the salvation of this century, of this world...

To the ROSARY, I give all the Full Graces of Mine Heart!!!...

Everyone who wants to come to Me, or who wants to come to Jesus... come!... come My children! for the ROSARY... The prayer of the Rosary will give you the Strength, the Peace, the LOVE that each one of you seeks...

You, My children, were invited by Me a long time ago to conversion, but, My children... you are still far from it, because your heart is hard!... Open your hearts, My children!. ..

Don't massacre anymore... the Heart of Jesus!... don't pierce My Immaculate Heart with the spear of your sins anymore...

My children, I ask you to open your heart to GOD... In soon, before this century ends, the TRIUMPH of My Heart will come... You will see, My children, the KINGDOM of My Immaculate Heart, coming from Jesus... of Peace and of LOVE, descending on earth... because the evil and perverted things from before will be over...

Yes, My children, LOVE WILL WIN!!!...

LOVE is already RETURNING to each one of you!... You will never hear about prostitution again, you will never hear about robberies, nor deaths, because everything and everyone will LOVE GOD... because the Holy Spirit will

descend, in a Second World Pentecost, in order to purify the whole face of the earth, consume it, burn it with HIS FIRE of LOVE... and give it a New LIFE, the Heavenly LIFE, the LIFE of GOD!!!. ..

Wait on GOD!!... Pray, trust and hope!!... I am your Mother, and I LOVE you!!!...

THE EUCHARIST is the Miracle of GOD'S LOVE... Seek Jesus in the Eucharist, My sweet and dear children...

I am like a Blessed Bridge that leads you to GOD... You can choose between the Bridge, or swimming across the river... Even if you see the ePonte f, if you want to insist on swimming across the river, you will be able to do so. so, but... the dangers will be greater; the risks will be greater... they may sink, and not reach GOD...

Everyone who comes for Me, My children, arrives faster at Jesus!... I am this Bridge that shows you the Way of Jesus, that leads you to Jesus!...

Come to Me, My Heart is full of Mercy for each one of you!... I, your Mother, give you Peace!... You

saw the Sign of the Sun today, as , My dear children, proof of My Affection, and of My LOVE for you...

I showed them the Eucharist in the sun to tell them: ADORE THE MOST HOLY SACRAMENT!... Communion!... Communion!... Communion with immense LOVE!... Communion again, My children, every day if possible. , when they can; it will be the greatest joy for My Heart... and confess each month...

Soon, very soon, right here in this Place, the TRIUMPH of My Immaculate Heart will be established, and all men will know My LOVE ...

Here, My children, is the Place of PEACE!... it is the place where My Immaculate Heart descends to meet you, to console you, to help you, to purify you, to convert you... to fill you with LOVE...

I LOVE you, children! and I give you My Heart and My Blessing, in the Name of the Father... of the Son... and of the Holy Spirit..."
Message from Our Lord Jesus Christ

"-My children! (pause) My children! (pause) I AM THE IRRESISTIBLE!!! (pause)

O children! My Sacred Heart, extremely passionate with LOVE for you, decided to come down here today, to meet you...

I am sick with LOVE for you!... I am, My children, conquered by your heart!... From the bowels of My Sacred Heart, BLOOD and WATER flow, as a Source of Mercy to all you...

My ardent gaze pierces the hearts of everyone here, none of you, little children, is strange to ME, for I AM your GOD, and I know... even all the molecules of your organism, for I myself have woven them ...

MY MERCY IS INFINITE!!!...

Yet, My children, if you had managed to measure the entire extent of the oceans together, you would not have been able to measure a single thousandth of what is the LOVE of My Sacred Heart for all of you!... (pause)

Even if, little children, you had managed to to count all the stars in Heaven, you would not have counted the care I have for each one of you, but... children, My LOVE is often betrayed... With your sin... you, again, pierce My Heart with a hard spear, as before on Calvary...

(You again pierce my Heart) with your disbelief... like Martha and Mary... that when she arrived in the city to see Lazarus, who was already dead, Mary (from the beginning) adored ME from the heart. Martha (however) said: - Lord, if you were here, my brother would not have died! And then, when I asked to go to the tomb, Martha (as if to object) said: - No, Lord; he already smells bad, he's been dead for four days!

So, I seeing that Martha had said something out of the blue, because (before) I had (already) asked her: - Martha, do you believe that, even if your brother is dead, he will live?... and (so, at that time,) your belief was not true...

Then I, (full of Immense LOVE and Mercy,) turning to her again, asked: - Martha, didn't I tell you that if you believe, everyone who is dead will live? Do you believe this? And then, she, adoring Me ineffably, (recognized Me as GOD and Lord, and) said: - I believe Lord; I believe you are the Christ sent by GOD!

So I called Lazarus out, resurrected, for the Glory of My FATHER!...

You too, My children, be careful not to say I believe, but... without actually giving your heart to ME for CONVERSION...

It won't do any good to say: - Lord! Sir! Sir! because you will not enter My KINGDOM... Only those who do the Will of My FATHER, enter My KINGDOM!...

And you, My children, who seek My Face, (pause) I wish you all, at this moment, to pierce, pierce and penetrate... with My Mercy...

So (pause) as I asked: - Zacchaeus, come down , because today I must stay at your house... today, My children, I say to you: - Children, come quickly; today I must stay in the house of your heart; may I go with your heart, to your families!...

Little children, what I said to the Samaritan woman, I say to you again!... She, who led a life... and thought she was happy, but ... I said no!!! The pleasure,

the husband that you have, is not yours!... for only I, My children, AM your LIFE!... and only in ME will you find JOY, you will find STRENGTH!...

I LOVE you, My children ! , with all My Sacred Heart!...

In the EUCHARIST I keep nothing more of My Heart for ME... I give My Flesh, I give My BLOOD, to each one of you, as True Food and True Drink...

Oh! What most enchants My Sacred Heart... are the CONFESSIONS! How wonderful it is, little children, to see you embracing with ME, making peace with ME!... Come! Make peace with ME in CONFESSION...

Be one with ME! Be one with ME and the FATHER!!... May your hearts beat only for ME!... May your mouth proclaim only ME!... May your hands serve only ME, My KINGDOM!...

Whoever suffers for My LOVE here on earth, will be taken by ME, and will have a place in My House, in Heaven...

Today I say to you: - If you want to harvest a River of Mercy every day, come to Me, not with empty hands to collect, because, in the shell of your hands, the Water of My Holy Spirit will all leak, and it will be without benefit. .. Come to ME with the Chalice!

And today I reveal to you: - This Chalice is My MOTHER'S ROSARY! The one who comes to Me, after having prayed My MOTHER's Rosary, reaps a superabundant cup of My Mercy, while those who do not pray My MOTHER's Rosary receive, but... very little, almost nothing.. .(break)

Therefore, My children, come with the ROSARY, and bring Me in the chalice of the Rosary, so that I too may overflow with My Spirit, the Holy Father, the Pope, My Peter, John Paul II, whom I prepared and I trained in the TRUTH to be the Pope of these last times; to be the one who stops the rebellion, ready to explode over My Holy House... which is My Holy Church...

There is so much revolt, on the part of your hearts, against My Church! Many criticize My Priests, criticize My people!... Oh, children, humility!... My Holy Church is Holy! and I... conquered it with My Flesh and My BLOOD, immolated on the Cross...

And you who persecute and kill My Prophets, the Prophets of My Mother, know that the HOUR of MY JUSTICE on the infidels is coming... Justice...

That's why I heard My MOTHER's appeals!!! hear My pleas!!! for I am here, O children, full of Mercy, to all of you...

Continue to seek Me with all your heart; continue to let Me act in you, until I LIVE entirely for you; for I AM Jesus, your GOD, your Saviour, and your KING!...

And you, My children, who love to satisfy your vanities so much... I had thorns in My Head, as a Crown... The adornment of My Hair, BLOOD...(pause) The softener of My Skin, whipping...(pause)

I, who had My Body torn apart for you... My Flesh, hanging by the Skins (pause) of My Body, on the way to Calvary... and today, you forgot that My Cross was the price of your SALVATION...

Return to ME, generation!!! Generation that has become worse than snakes!...

I sent My MOTHER to this unbelieving generation, and all those who work with the enemy, try to bite Her in the heel, but... My MOTHER WILL WIN, and TRIUMPH OF YOUR HEART it will happen... because My SACRED HEART has granted to My Holy MOTHER (pause) PEACE, the Mission of PEACE...

And I, now, Jesus, the Lamb of GOD, bless you and say: - Pray for Ecclesiastes! Pray for Ecclesiae! Pray for the Church, which is Ecclesiae*... Pray!!!

* (Ecclesiae - Latin term corresponding to the word Church)

And I bless you with the Blessing of My FATHER... with the Blessing of My Sacred Heart... and the Blessing of My Holy Spirit...

Peace be with you!..."

(Observation - Mark): (There was still a small part of this Message that continued from this point, but that was omitted, as it is a private Message, and that concerns only the people to whom it was addressed)

Day 09/14/95

"- Today, My Heart Immaculate means thank you very much, for all the prayers that each one has offered to My Heart in these days... Thank you, dear children, for the affection that each one has for Me!... My Heart rejoices happily, for the conversions in the lives of each one. a...

I wish, dear children, that each one of your hearts opens more and more to the Holy Spirit! May your heart, little children, be all of the Holy Spirit!... May your heart, dear children, be always, and always... an open path to the Grace of God...

I gave you the name of Angels of Eucharist, so that they would understand that Jesus in the Eucharist is suffering immensely, in the Tabernacle... The Crown of Thorns, shown in the Sacred Heart of Jesus, is nailed today in the Eucharistic Heart, which is in every Tabernacle on Earth!... Sacrileges and more sacrileges are committed throughout the world, desolation and more desolation...

Pray, My children, pray, adore Jesus in the Eucharist with all your heart,

because soon, the Mystery of Iniquity, and of Abolition of the Holy Perfect Sacrifice, which is the Mass...

Pray My children!!! My Immaculate Heart is afflicted, worried and apprehensive these days!... The Eucharist, My Jesus, has never been so offended as in these times, and that is why it is necessary to form a powerful barrier of hearts that cry out to all sides: - Who likes GOD in the Eucharist?... Who likes GOD in the Eucharist?... Spread, My children, this Mighty Cry, especially here, in this group...

I wish this group to grow more!... I poured out My Mercy , and I want to pour out My Grace more, for this I want you to pray more than you are already praying...

Thank GOD, Thursdays have been wonderful! Pass, My children, from now on, to pray more, to have more moments of prayer, especially together, because where two or three are gathered in the Name of Jesus and in My Name, everything the FATHER will give you, everything that ask, the FATHER will grant...

Therefore, My children, do not be afraid, pray the Holy Rosary every day, to achieve Peace for the world, and the end of sin... In this way, GOD will cover your souls with splendor, for the heart that opens to HIM is very beautiful, for GOD reflects HIS own Goodness and Beauty in the heart that LOVES!...

I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit... Rest in the Peace of the Lord..."

Day 09/15/95

"- Praised be Our Lord Jesus Christ!..."

(Mark) "- Forever be praised!"

"- Announce with LOVE and confidence the Message that I gave you yesterday afternoon! My desire, My Plan, remains standing, I am faithful to My Promises, to My Decrees...

I desire, My children, now more work in the midst of My people, because the first part of My Plan has just taken place! Now, as this (second) part is more decisive, I want you to take these words to My children:

Dear ones, thank you all for having come! Continue to adore Jesus in the Eucharist, with all the LOVE!... Be the nurses of the Sacred Heart of Jesus!... Heal, with Eucharistic adoration, with the Siege of Jericho, the wounds that are so many. .. that open in the Heart of My Son, for so many sins with which men pierce Him...

Close the wounds of Jesus and My Heart with the balm of prayer!...

Continue to come here! Jesus will do many wonders! Each day of this Siege was a wound closed in the Heart of Jesus...

I bless you with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 25/09/95

"- I want to give you My LOVE again! and the immense Grace of My Presence... Continue, My dear children, to live all the Messages that I give you... with LOVE...

I want, My dear children, to give everyone My Grace, to give everyone the My Mercy, give everyone My Maternal LOVE... I, dear children, fill My Immaculate Heart with ever greater Graces to give My children: - THE LOVE that comes from Heaven, which comes from GOD!!!. ..

By prayer, I purify their hearts, and prepare them to receive the DIVINE Gift of the Holy Spirit... With My own Hands, I remove the stains from their hearts, to present them immaculate and pure before GOD...

Dear children , the world is approaching serious catastrophes, and painful events are hovering over you, but... the hardness, the blindness of your hearts, prevents you from seeing the Signs of the Times, which are already happening...

Look, My children, the spread of hatred, lack of faith, disbelief, the fight against the LOVE of GOD!!!... Look, My children, indifference, look at pestilence, hunger, wars... Look, dear ones children, the total imbalance of the planet's climate, which they are already feeling and proving well!

All this, My dear children, is proof that My Messages are serious and correct... All that I predicted must now come true, must now be completely verified...

Finally, when the impious and evil man appears , which will bring desolation, apostasy and general darkness to hearts, then, My children, the enemy will reach the highest point he wants: - To control all humanity and all things, social, economic and political, religious and civilians...

But, after the enemy proudly sings his victory, the Sacred Heart of Jesus Immaculate, with a strong thunder, will overshadow his evil, and then, he will not laugh with so much pretense, as he does now at GOD.. .

The enemy will be trampled on, and My Immaculate Heart will tear apart the darkness that he will have spread in the world. The LIGHT will shine again, dear children, and then, My Immaculate Heart will TRIUMPH, and it will come forever!...

Do not wait for the last warnings that I will give you, so that you convert!... Do not wait, My children, that these things happen, so that you can be converted!...

You wait for them to happen and then pray!!!... Pray, My children, for all the good in these My Messages, because when men want to live them and believe in them , it will already be too late...

Open your hearts, My children, now, because GOD is pouring out on you the FIRE of the Holy Spirit, this FIRE, My children, which is lit in you now, by the Presence of the Mother of Heaven in so many places, with so many warnings!...

You will soon be able to no longer have this Grace!... Therefore, I ask you, dear children, to continue praying the Rosary every day, in response to My Maternal and urgent invitation to conversion... The Rosary, My children , it is the medicine that the world needs in these times!...

Continue to go to confession every month, to receive Communion with love, to participate with fervor in Holy Mass, to say more and more no to the things of the world, and to open your your eyes to see the Signs of the Times, which are already happening in Brazil and around the world, so that each of you, My children, believe in these My Messages, so that each of you, My children, can reach salvation in GOD!...

Behold, I say to you, so that when it happens, you may know, My dear children, that when man installs himself in the power of the world, you will see the marginalization (tribulation) happen, you will see, My children, the contempt. You will live in the most complete loneliness and abandonment, even from the people who say they love you, but... that when they sell themselves to him, they will be against you...

But, have confidence!!! Courage, My Son Jesus WON the world, and you, in the same way, will suffer and win!!! Do not be afraid, My dear children!!!...

When that happens and you see, dear children, the whole world professing the blasphemous name, the name of the antichrist; when they see marks, inscriptions; when you see, as it were, a world census, the printer of this brand, you will know, My children, that the Hour of the Great Apostasy has arrived...

Flee!... flee, My children, to My Immaculate Heart, when the unknown light illuminates the Night!!!... That's why I ask you, convert! convert! convert!...

This time that GOD has given Me to stay with you, with these My Messages... is the Time of Graces! My children, do not lose the Graces of My Heart!... Convert yourselves!!! Convert!!! Convert!!!

Thank you for the love you wish for Me... Write this Message today, and spread it quickly... As I have already given a Message here, to alert you, I now give this Second Message, for the difficult times ahead. ..

I bless you, My children, with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the peace of the Lord..."

Day 06/10/95"- Dear children , today I wish to thank everyone who has made an effort to live My Messages, and to all those who lovingly carried out the Siege of Jericho...

I myself vaccinated everyone who carried out the entire Siege before My Son! ... I gave each of My children to feel a great presence of the Holy Spirit, through this adoration that I asked them to do, before Jesus in the Eucharist...

You, My children, who have adored Jesus with an open heart, receive more and more of My Grace... Your eyes will be filled with joy one day, when you see shining in Heaven, in a great wonder, all the sacrifices of love you have done for Me and for Jesus!...

Continue, My children, to pray the Rosary every day...

I bless you with My Grace, in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit... Rest in the Peace of the Lord..."

Day 10/06/95 Second Apparition

Message from Saint Michael the Archangel

An Announcement of Hope...

"- I am Michael!!!... I am the Beloved Messenger of GOD!!!... To each one of you, I, dear ones, keep from all the temptations that come your way...

Today, on this night, I want to make a Supplication of LOVE to your hearts: - Do not mix yourselves with the sin of the world! Don't be, beloved children of GOD, mud, dirty mud... No, don't be!!! Be first, beloved of GOD, source of pure, crystalline water, to wash this flood of mud, of excrement, that the devil threw for all humanity...

United to the Heart of the MOTHER of GOD, wash this world full of darkness, rottenness, and lack of love...

Beloved of GOD, I want to bring you Peace of heart, this Peace, My beloved ones, the Lord of hosts is able to give you, and this same Lord is here , before you, in the Eucharist...

O, Beloved, what greater graces could the Lord give you, than the Presence of the MOTHER of GOD, and HIM himself in the Sacrament of the Eucharist?

That BLOOD, that one day all the Angels of Heaven and I, petrified, contemplated staining the earth, running in puddles by the stones of Calvary... that same BLOOD is here, before you, hidden in the Eucharist, but... ! Truly Alive!!!...

The Flesh that one day we, horrified, beheld torn, torn apart, is here, True and

Real, DIVINE and Powerful, hidden in the Eucharist, for you... You, beloved children of GOD , you have the greatest gifts from God, but... you do not know how to appreciate them...

How many times, in Lent, did you refuse a simple penance to the Lord... many times, even to give up your pleasures, and practice abstinence of flesh, and you children were not willing to give the Lord even this...

How many times have you not practiced true abstinence, requested by the MOTHER of GOD and by the Lord: - Abstinence from sin, from offering your bodies to sensuality, prostitution, adultery, in relationships had before marriage!...

O children of GOD , how many times did Satan try to throw vomit (mocker) on the Face of the MOTHER of GOD, mocking HER, as if defying GOD and HER, proud of having conquered so many souls to sin...

And you? What did you do???...

Instead of fighting against the forces of evil, you, on the contrary, were accomplices of sin!!! You helped sin to proliferate in homes, families, and even among God's people...

Today, sin is no longer fought, it is exalted, proclaimed and presented as a good, as a value to be followed! !!

O beloved children of God, the fire of hell is making a great noise, for it is full of souls to devour, while, painfully, the Lord Jesus and the MOTHER of God, even shedding copious Tears, even calling you. .. not even so, you are able to answer...

I, Miguel, have been fighting an extremely singular and decisive fight against the dragon... He, lately, finds himself spitting fire on all souls, launching in them the fire of prostitution , of adultery, of sensuality, spitting the fire of hatred, of lovelessness, spitting the fire of wars, of fights, spreading the fire of bloodlust...

His last attempt will be to spit and vomit a river of water, to try to submerge the WOMAN DRESSED WITH SUN, who is the Commander of the Army that fights him... And this river of water will be, O beloved children, as if the total general unbelief, apostasy; the total denial of the Messages of the MOTHER of GOD and the total unbelief, which you now see in the world partially, but... very soon, the unbelief, the hardness of hearts, will become very great, very fierce.. .

Even so, the earth comes to the aid of the Woman, and SHE was defended... So also you, who are dust of the earth, ashes of the earth, you, who love the MOTHER of GOD, who pray and live her messages, you are like this mighty dam of prayer, which will not allow the enemy's mud vomit, to project against IT... The Works of the MOTHER of GOD will not be shaken nor will they be forgotten!...

After that, there will be Armageddon, the Total BATTLE of the Warriors of the Lord with the warriors of evil, with the VICTORY always of the Lord...

And finally, there will be Peace on earth...

Prepare yourselves, O beloved children of God, for this Glorious TRIUMPH of the United Hearts of Jesus and Mary!!! O beloved children, on that Day of TRIUMPH you will cry with joy, because you will love GOD more!...

As for the threats that hang over you, you who pray, who do penance, who share the Body and BLOOD of the Lord with purity and piety, with love and devotion, you have nothing to fear!... On the contrary, you only have to praise the Mercy so Great that the FATHER had for you!!! You are a chosen and privileged people!!!

All of you, who receive, in your hands, the Messages and Councils of the Holy Mother of Heaven, walk with HER! learn from her to be faithful to the Lord!!!

In fact, the TRIUMPH of the Immaculate Heart will take place at the end of the Antichrist's reign, in just 45 days!!! The whole earth will become a new Garden of Grace, Beauty, LOVE and Holiness, so that everything and everything will come to life in Christ! and to Christ... You, then, will see yourselves raised to Christ! For everyone who lives for Christ and suffers for Christ, now with Christ will be reborn, in beauty and holiness

... germ of sin, and HE will deposit in you, the new seed, the seed of LOVE, the Essence of GOD which is LOVE!!!

You will love for LOVE, you will live forever!!! You yourselves, beloved children of GOD, will be LOVE in person!!!...

Therefore, grow up as true little brothers, who love each other and who love each other well! Now, walk together, as a big family, in prayer, in fasting, in this beautiful and wonderful journey to which the MOTHER of GOD has invited you, because you, beloved children of the Lord, have only ONE Heaven to win; you only have one ETERNAL LIFE to receive in you!

This is why, beloved children of the Lord, I kindly exhort you: If necessary, do not think twice about giving your lives for Jesus, because this life is short-lived compared to that in Heaven!... the sky!!! Love Heaven!!! Seek Heaven!!!...

Behold, I say to you, so that when it happens, you can believe: - In difficult times, your homes will be visited by the Angels, and they will be invaded by a sweet perfume of roses... the Presence of the Holy Mama, who will be close to you!...

The Angels, coordinated by Me, will provide everything for you, they will provide everything; don't be afraid of anything!!! And so say no, no, no to every temptation of the enemy!!!... Above all, say no when the dark envoy arrives... He who comes, O beloved, to bring lovelessness.. .

Say no, no to the enemy, and say YES to GOD, because GOD will prevail forever!!! Every day you must ask: - Maranatha, come Lord Jesus, because HE is about to come, at the doors... By this, I mean that the KINGDOM of Jesus will come, so do not think, beloved, now, of anything that may you distance yourself from GOD!...

Fill your hearts and minds with holy desires and projects for the salvation of all!...

My Sword will defend you from evil and sin, My Shield will defend you from all threats and pains that come your way...

The houses that welcome the Holy Mother with Her Messages, especially the Message of this City, where SHE comes as the MOTHER of Peace, the houses that welcome Her in this way will always be guarded, defended and helped by His Heart, and you shall not perish...

You, those who welcome the Medal of Peace, who welcome Mary Messenger into your homes, will have the Blood of the Lamb on the door of your homes, and evil will pass away from you, but... it will not touch you...

Here , where She came with that Name of Queen and Messenger of Peace, it was exactly on the days when, in the Persian Gulf, blood flowed everywhere...(1991)

She came to tell you, dear children of GOD, beloved brothers: - If your conversion doesn't happen, it doesn't happen soon, right now! that shed blood will not only flow through desert lands, but... throughout the land as well... That's why the Lord GOD Almighty sent HIS Sacred Heart, the Immaculate Heart, and My Heart too, out of LOVE ...

I, who am praying for you, intercede at the Feet of the Holy Hearts of Jesus and Mary, so that these Messages, beloved of the Lord, may produce conversions in you!... I tell you: - There is no more time! There's no more time! the Chalice overflows, spills over... Return to the Lord!!! Return to the Lord!!! Do not be afraid!!! The Lord will cast a single Look at you, and that will be enough for you, if you are with humility...

Do not forget the ejaculation that I taught you:

"- My Jesus, Mercy!!! Mercy!!! Mercy!!!..."

Ask the Lord for mercy, ask Him, especially when you go before Him in the Blessed Sacrament!...

Jesus is with HIS Heart, beloved, I won't even say wounded, but... His Heart is not only crushed, but... totally lacerated, crushed, by sins, offenses and blasphemies that are thrown against HIM. ..

Repair the Heart of Jesus, repair Him who LOVED you so much, who died on the Cross to save you...

There was no one to help Him carry the Cross, on the way to Calvary... What a desire I felt to descend from Heaven and help My GOD, KING and Lord, to carry the Cross, but... the FATHER did not allow it, because the Plan was for the Son to immolate Himself...

How much I wanted to dry the Tears, so felt, that the Holy Mother poured out at the foot of the Cross, and I could not...

Can there be a greater tearing than seeing the Eyes of the Holy Mother, shedding BLOOD??? Can there be a greater martyrdom than contemplating His own King and Lord, annihilated, lowered, on a Cross, to save you, poor sinners, with the Heart pierced from one side to the other??? HE, who in Heaven fills us, at all times, with sighs of LOVE and with shudders of Joy, Eternal Joy???...

And even today, this BLOOD, continues to devastate, deforming, destroying and even ending with the Eyes of Jesus and Mary... How Their United Hearts are crushed by Pain!!!

Convert yourselves!!! Convert yourselves!!! Convert yourselves!!! Repent of your sins!!! Don't massacre anymore, don't stab the Sacred Hearts anymore, which have so much LOVE for you...

In the Name of GOD, of the Eternal and Holy FATHER , I wish this Message to be called: - An Announcement of Hope, An Announcement of Hope... fall on the earth, but... look with confidence to the One who is your MOTHER, who will always have Her Hands on you, and HER Sacred Mantle will cover you...

You will see many, many losing their lives, but ... remember also, brothers, that whoever loses his life for Christ's sake, whoever offers himself for the love of him, to the brothers, will gain a glory that does not pass...

Therefore, to give one's life is to help the most needy, the smallest, the poorest, it is to pray for everyone and to be merciful to everyone... Giving one's life is to fast for the conversion of one's brother! To give one's life is to forget oneself, and to give oneself for one's brother...

Therefore, the first brother for whom you must offer your life, and who is also your spiritual Father, is dear Pope John Paul II. .. In fact, the last measures of the chalice are lacking for Him to taste... He needs, now more than ever, prayer and sacrifices, so that he remains firm until the end... Above all, intercede for the Priests, for the Peace of all hearts, so that, in TRIUMPH, none of you will be left aside...

I, Miguel, promise to be interceding every day, on the Throne of GOD, for all of

you... I promise to keep you all under My Shield, and for you always to intercede, for each one, on the Throne of Jesus...

Above all, those who always do triduums of Masses, three days in a row, with Communions in a state of Grace, in My Honor will experience great protection!... ... and those who, especially on Tuesdays, pray My Rosary will also be protected...

In this way, you will all know that I am the Angel of GOD, your friend, protector, companion and intimate family member, so that I too can embrace you, brothers, on the Day of TRIUMPH... Mother, permission to embrace you all on the Day of TRIUMPH, to you, who must be the courageous ones to give the Public Witness of GOD's LOVE before the world...

I place My Hands on everyone, to also wish you Peace , and I bless you with the Blessing of GOD the FATHER... of GOD the Son... and of GOD the Holy Spirit...

Who like GOD??? Who like GOD???...

Go, proclaim the Gospel of Our Lord Jesus Christ, LOVE, to all brothers, so that they may be saved and have Peace..."

Verily, children, those here tonight are being sealed; those with an open heart are being sealed now, with the Spiritual BLOOD of the Lamb, which is My Son Jesus in the Eucharist, and now, this BLOOD is also printed in this Little Chapel, on Monte, and above all, on all hearts. of this city and its relatives who welcome Me with love...

The punishments will pass, children, but... they will not touch you... Rejoice! I want, My Bambinos, My little ones, My sweet children, to spare you from all evil!...

How many Graces have I not made in this century!...

How many Punishments have I not spared!...

How many dialogues have I had with the souls, and with the soul of this child, by Me so loved and so dear, My Angel, to whom I appear every day, to comfort each one of you, through him

... if, My little one, because you want the Passion so much... and I will give it to you, including My Sword... everything, everything will be given to you!...

Don't worry, you are already wrapped in My Veil, and this same white Belt, which I wear around my waist My son, is the Bond of LOVE with which I conquered you...

See, My Beloved, how My open Heart is full of Flaming Rays?... This will be your home ..."

Day 07/10/95 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... today, with a lot of LOVE, I look at everyone who is here... Let no one be sad, if they come here and don't see Me... what matters, My children, is that I see everyone , and I know each one... who is here today, together with Me...

Dear children, My Immaculate Heart is open to be the home and abode of each one of you... My dear children, I am the Mother of LOVE, and I want to bless them, purify them, keep them all... within My Immaculate Heart...

Man has made a lot of progress, but... without GOD, and that is why, My children, that My Immaculate Heart suffers so much, seeing the advance of materialism, the advance... of the lack of LOVE, of the lack of Faith, of disbelief, more and more spread... and spread...

Dear children, My Heart calls you close to Me... Come, My children, because My Heart, with great LOVE, is looking for you, and I want, dear children, to bless you with LOVE...

Know, dear children. , that My Presence, here... in your midst, is a BIG one!! it is an IMMENSE Grace.... I, as your Mother, will continue to be here, every month... waiting for you...

You know, children, that I will leave here THIRTEEN SECRETS... you don't know what say these SECRETS, when they know, it will be too late for conversion... There is no more time, My children! there is no more time... convert now, convert today!... Don't leave your conversion for tomorrow!...

If you only knew, My children, how much Pain is safe only through My Intercession, from coming down on you, you, My children, would not continue in sin as stubbornly as you are...

Jesus and I are here to bless you.. I have prophesied that very soon the TRIUMPH of My Immaculate Heart will take place... This TRIUMPH, My children, is very close to you, closer and closer, and that is why GOD sends Me in front of HIS Holy Spirit, as the Mother and the Queen of Peace...

Whoever wants Peace, come to Me... My Heart is an inexhaustible Source of Peace, because My Heart, at every moment of My earthly Life, was always filled with the LOVE of GOD... therefore, My children, I have Peace to give you...

I want to ask you today, this night, that each one of you, My children, bend your knees, always in prayer... I will bless in a special way all those who every day, at eight o'clock at night, do the

cenacle in their families, praying the Rosary, singing, meditating on these My Messages that I give them, taking My Messages to those who do not know them, asking for forgiveness, meditating on the Gospel... if you do this devotion, you will be protected and defended by Me with all the Graces necessary for salvation... You will be saved by Me, in the time of punishment... and you will never perish, but your name will always be engraved in My Immaculate Heart, where, My children, you will never be forgotten... I will be with you forever!...

If you heed My requests, the world can still convert and have Peace... If you don't heed it, My children, serious events are approaching you... What I want is not to scare you, but to , My children, warn you, because... every Mother who sees danger in the way of her children, calls her child, so that he does not fall into it, and I am here, My children, for exactly that. .. to call them! save them! and take you, My children, out of a great danger, which may come upon you...

Today, My children, Freemasonry, satanic sects, spiritism, occultism, are forces, My children, that are fighting to let the kingdom of the antichrist be established on earth, that is, of the one who stands against Christ, but... My children, he will be crushed by My Feet...

The enemy will very soon be destroyed, and that is why, My children, the world will know the Grace of a Great World Pentecost, a very strong descent of the Holy Spirit, to renew the heavens and the earth, and the hearts that during these times , they abandoned themselves... and entrusted themselves to Me...

Dear children, GOD has called you with LOVE, to be part of HIS GREAT Family... Pray with Me, My children, for the TRIUMPH of God's Grace, for the TRIUMPH of Mercy God's!...

I invite all My children who are in other false sects, which do not lead to Jesus, to return to the good path, to return to the path of the Holy Catholic Church, where Jesus is in the Eucharist, waiting for each of you with LOVE, where is My Immaculate Heart to be shelter, refuge, comfort, for all My children... I am

the Mother of Hope, and the Lady of LIGHT... Above all of you today, I wish to radiate My Maternal LIGHT, so that you , My children, be also pure, simple, and docile in your hearts...

Pray the Rosary every day!... The Rosary, My children, as I have already told you, is the POWERFUL WEAPON that I have given you, capable of triggering a chain reaction, much stronger than an atomic bomb... Thanks and more Graces, which spread throughout the world... In this way, little children, you will always be close to Me...

Whoever says he loves Me, but does not pray the Rosary, cannot say that he loves Me... way, My children, pray! If you don't pray, you won't be able to say that you are converting... Therefore, return to God on the path of prayer, on the path of Peace, on the path of opening your heart to Him!...

I am, My children, that same Mother, who once spoke of Fatima... I want you to always pray the Rosary!... My Heart WILL WIN, but... what a Pain I have when I say, that the world has taken a deep breath in the offerings that I have made you...

How many times, My children, has My Immaculate Heart been pierced by you, you My children, especially My Catholics, who have the primary duty to welcome Me!... But, My children, no sin more... do not treat My Immaculate Heart with so much contempt... My children, do not go deeper into the thorns of My Sorrowful Heart, but rather, little children, come to Me with humility, with simplicity, because I want to lead them, and take them to GOD!...

Understand, My children, that the Church is the REAL Palace of GOD... it is the place where I gather you, and I want to show you the road that leads to GOD... Come to the Church and pray!... side of each of you, My children...

At Holy Mass, I am the first to arrive... Silently, I remain always present when My children are in adoration...

In truth, I can tell you that the Mass It is a MIRACLE HOUR!... In this hour, most profound Graces of LOVE from the Sacred Heart of Jesus descend upon all of you...

The time has come when all the events that I foretold to you, My children, must now take place... Do not be afraid if you suffer persecution because of Jesus, because of the TRUTH, and because of Me... because it is true, My children, that you will be persecuted, but... do not be afraid, I am always with you with My Grace, and I accompany you, I defend you, with My LOVE... I am, My children, extremely open, to bless you all, to comfort all of you...

Today I give My Special Blessing, this Blessing that will remain in you who are here, until the end of your lives... ... sinners... Even in the silence of their hearts, (they may) ask that My Blessing fall on that person who does not believe, who does not pray, who does not receive Communion, that he will be able, dear children, by the Grace of GOD , to be touched by My Immaculate Heart...

Above all, this Blessing will be an effective Sign in the midst of the sick... and this Blessing will remain in your bodies and in your hearts until, My children, the day when you will REIGN with Jesus forever in Heaven, therefore, this Blessing will also be like a powerful magnet, when praying the Rosary in their homes, to attract the Blessings and Graces of GOD...

This special Blessing is also, My children, a form of Affection... Those who receive it will have their sufferings greatly relieved in Purgatory, to the point that on the same day I will come to pick them up and take them to Heaven , on the day of his death... So it will also be granted to his relatives, and on whom you also pray and ask for this My Blessing to be poured out...

Therefore, dear children, I LOVE you with LOVE!... Pray , pray a lot, My dear and sweet children, so that one day, when I cannot be with you, as strongly as I am now, your hearts will not fall into sadness, but rather, My children, you will remember of Me, and may they remain always, always!... by My side...

Do not cry, I am with you, with your sufferings, to console you, to strengthen you on the path of true LOVE... Here in My Heart, there is a place for each of you... No one will be left out, My children!... Pray, pray, pray, to enter into My Immaculate Heart... The key that opens the door of My Immaculate Heart is the Rosary... pray it, and within My Heart, you will live...

Therefore, My children, go to Holy Mass with LOVE!... I LOVE you, I love you so much... I am your Mother, and I will pray for you on the THRONE of My Lord... Follow in My steps, and I will follow in yours...

I take your hearts with Me, and I leave Mine... I bless you all, all who have come here today... Keep coming, My children, because this Place is a Holy Place, because it has been touched by the Light of

I _ I LOVE you with all my LOVE, and I thank you, blessing you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children!... My children!... I, Sacred Heart, speak to all of you, at this moment... I AM the ALMIGHTY GOD!... I AM the IRRESISTIBLE GOD, and I at this moment, with My POWERFUL Arm I want, My beloved ones, to smile at you, with LOVE... to bless you, with LOVE... to touch you, with LOVE...

My Sacred Heart LOVES you infinitely!... I, dear children, I AM Jesus, and I have called you all to be here WITH ME, by My side, in LOVE... Come My children, come and open your hearts to My Holy Spirit!...

I tell you, My children, Ecclesiae will revive! that is, Church, the Holy Catholic Church... will revive, by a special breath of My Holy Spirit that I send to you... I desire to pour out My Holy Spirit fully on all of you, and that is why you must remain in the cenacle with My MOTHER, in prayer, vigilant and humble,

always... and more and more...

The cry of My Sacred Heart echoes through this empty world, given over to lack of Faith... deny My Sacred Heart!... How many of you say that I AM like a legend, or that I AM just something from the past!... How many who mock My Cross!... How many who mistreat My Mother! thinking about it, do something that pleases ME...

O My children, I invite you with LOVE to live (pause) all My precepts, and this is My COMMANDMENT, My little children: LOVE one another, as I have loved you... children, understand well, it must be wholeheartedly, fully, totally!... He who LOVES! does not measure efforts... The one who LOVES! does not measure the consequences of your LOVE...

LOVE, My children, is generous, it will never give five cents, to charge five hundred in return... Your LOVE must be generous, similar to Mine, which I gave myself on the Cross.. I

only ask you... your LOVE, your heart...

I am thirsty, I am thirsty for your souls!... I need to have them all together, united to My Sacred and WELL LOVED Heart!... May your heart, My children, beat only for ME!... May Yours live, be it only for ME!... May your speech be only for ME!... for LOVE...

I, dear children, offer today the GIFT, the Gift of My Sacred Heart upon all of you, the so that you may feel and understand how much I AM the WAY, the TRUTH, and the LIFE... Whoever sees ME, sees the Father!... Therefore, My beloved ones, if you live by My side, if you share ME with LOVE, you will be closer every day, getting closer to My Father...

My Sacred Heart, with much LOVE, prepares an abode for you, in Heaven... but, how many are not only eating the mud of the enemy, but... are also rolling like pigs in this mud... My children, I I didn't create you for this! I created you to be Mine, all entirely Mine!... and that is why My Sacred Heart burns in Flames of LOVE for you...

My Eyes are enchanted with the Rosary!... in your hands ... My Lips collect all your words of LOVE, which you promise Me to live... holy...

Beloved little children, never feel alone, because I have not left you orphans!... I have left you My Spirit Holy Consolator, guiding you, consoling, illuminating, and scorching your path... and I also left you My MOTHER...

At that moment of the Cross, My children, when all My BLOOD stained the stones of Calvary, when threads of BLOOD ran down the middle of the stones... for your LOVE... It was in that moment of EXTREME PAIN, My children, that I gave you My MOTHER, to be... your MOTHER...

It was in that moment... that I gave the most precious I had, after My Father: -

My LITTLE MOTHER, to be your MOTHER... Call her LITTLE MOTHER!... LOVE her! LOVE IT! LOVE IT!...

Just as you could not accept in your homes a friend who hated and spit in your mother's face, who attacked your mother, or even attempted against her life, so too, how can I accept to live with ME in Heaven, someone who does not LOVE My MOTHER, who blasphemes against My MOTHER, who defames My MOTHER, who spits on My MOTHER's Face, who persecutes the one who LOVED ME the most?...

I HONOR My MOTHER! and that is why I desire that you, my beloved ones, may receive the ARK in your families, where I want to keep you... All of you, beloved ones, are very dear to ME, and whoever accepts My MOTHER, welcomes to ME, (pause) welcome the Father... who comes through ME...

I wish to ask you that from now on, every Friday, you, My beloved ones, always make the WAY OF ACROSS, ending it with fifteen minutes of Adoration, meditating on My Five WOUNDS, especially, My beloved ones, in the WOUND of MY SHOULDER, where I carried the very heavy Cross...

All those who practice this devotion will also be very blessed by ME... and I will write with My Precious BLOOD, with the ink of My DIVINE BLOOD, your names in the Book of Life... I will ratify the Blessing by My Holy Spirit, so that, My children, you all come to live beside Me in Heaven...

I am already setting the table in My Father's KINGDOM... I am already laying out the towels, and preparing everyone's seats, because My COMING is IMMINENT... I am closer to you than you think, but ... watch and pray, so that My ARRIVAL, little children, does not surprise you in sin... because in truth I say to you, that just as the FIRE DEVOURING from Heaven (pause) devoured Sodom and Gomorrah, which they did not want to convert if, and no one expected (pause) that FIRE, so I also say, that the DAY of My

COMING , no one waits, and better yet, no one prays, preparing... in prayer... because those who do not listen to My Sacred VOICE, and to My MOTHER'S VOICE, will be like wood, burning in the blazing FIRE... Therefore, pray! pray! oh!...

Pray for My Peter, John Paul II... He suffers a lot, beloved ones! how He is suffering... Pray for Him, that He may always have My Spirit by his side, that He may guide him on the path... which I myself predispose...

Pray that in My Priests, and religious , and religious, there is a supreme desire for holiness!... I will raise holy conversions! pure vocations! humble ones, if you honor the seventh day of each month, as the DAY OF MY SACRED HEART, and MARIANO DAY... of MY MOTHER, with prayers that must begin six days before... these prayers will see that I AM Father, and that My Mercy will be, My beloved, descending in rains on everyone, on each one of you...

I do not speak to you about Peace, because I myself... AM Peace...

I bless you, My beloved ones, with My Sacred Blessing, this Special Blessing that will remain all the days of your life, until the VICTORY, the TRIUMPH... in My Father's Name... in My Heart's Name.. .and in the Name of My Holy Spirit of LOVE...

Peace be with you!... I AM THAT WHO I AM, and My Name is I AM - JESUS... Be in Peace..."
Day 10/23/95"- Dear children, thank you once again for the opportunity you give Me to gather you all at My side, today, on this day of penance... Thank you to all those who have fasted, and who They gave themselves to Me with love...

I wish, children, that you persevere more and more intensely on the path of LOVE... GOD continues to want to give you Thanks! but... a prayer group can only grow when each one opens to Me your heart entirely, so that I may enter it with the Graces of My Lord...

I desire, My children, to convert each one of you, but... you do not leave Me. Therefore, open your heart! Allow Me to touch and do all these things in each of you!...

I recommend the Rosary, I recommend fasting, I recommend penance, so that your hearts can pour out the poison that was put by Satan, so that GOD can put in you, the perfume of Holiness...

Many , in the group, were converted with sincerity. I know the sincere hearts, but... there are many who are still insisting on apostasy... To apostatize means: to lose the Faith, to depart from the Faith... Therefore, My children, I ask each one of you that they redouble their prayers, because with each passing day, the hours pass quickly, and I can almost no longer hold back the event that will come; so pray! pray!...

As every Mother doesn't want to lose her child along the way, so I don't want to lose them either. Therefore, pray, pray, and pray... Do penance!... I've been telling you this for almost five years now, but... there are still some who still haven't wanted to hear from Me...

That's why , children, convert, pray!... I will fill your pots, if each one opens the lid that closes him, the lid of his heart... Thank God pass!...

I wish the prayer group to continue this week the novena to My Sorrowful Heart, if they want to obtain Graces... I will be very happy if some generous children can offer Me, in addition to the two days of fasting that I already ask, abstinence from meat to Saturdays or Thursdays, mainly, in Honor of the Flesh of Jesus in the Eucharist! I will be very happy!...

Therefore, My little children, pray, increase your sacrifices! I'm with you! I lead you by My Hand...

Thank you for the LOVE you desire for Me... I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 10/24/95

"- With great affection, I wish to bless you all on this wonderful day, in which the FATHER allowed us to meet... I am Mary, Flame of LOVE!!! I am, dear children, the Mother of GOD, and your Eternal Mother!...

I, dear children, look at you all, little children, I embrace you with My LOVE, I keep you in My Heart, and I bless you with a special Maternal Blessing... Dear children, magnify the Lord with your life full of charity, full of prayer, full of fervor, full of Peace, of Faith!...

I bless all of you, your families, especially this family that loves Me from the heart! I bless this dear ground, which will be My Little House, according to the House of Nazareth... Here, I, Joseph and Jesus, will come to live, so that your hearts, My children, never fall into sadness, but rather, into Joy of GOD, with which My Immaculate Heart is full... May My children take each one and fill it with affection...

Many ask Me for Grace! Some I can give them, others I can't... It is necessary that they convert, that they change their lives, that they return to GOD on the road of LOVE, on the road of Faith and Peace!...

What disfigures the world, what spoils the works, is pride... Never be proud, My children, be simple, be humble, be pure of heart, and you will see GOD in your lives! They will feel HIS LOVE, through HIS Holy Spirit, acting, leading, transforming, converting each one...

Amen!!! Do not have, My children, measure to love, love without measure!!! Pride measures charity. Throw pride out of your lives and your hearts, and you will love totally... I am, children, with you, to teach you to LOVE!... He who still cannot LOVE, is not prepared for Heaven. ..

They will know that they are prepared for Heaven, when they discover that they already LOVE, forgive, and when they already surrender and sacrifice for the LOVE of their brothers, but... how many of My children death surprises! They are habitually living in sin, full of hatred, rancor and darkness, and they are immediately thrown into the fires of hell...

Amen, My children, to Jesus!!! When they come to Him, He will ask if they loved, if they forgave, if they helped the poor and simple, if they tried to forgive all the brothers, to treat them as they want to treat Jesus!...

The way to learn to LOVE is prayer, it is sacrifice, it is penance, it is the life of confession and permanent Eucharist...

My children, I desire to give you an ideal garment! A garment of True children of GOD is a heart that LOVES!!!... He is wonderful, he is very beautiful!...

LOVE, My children, transfigures, beautifies, makes your heart shine with great wonder! So, if you want to know who I think is beautiful, it's those who LOVE... LOVE, and My Eyes will be happy to see you beautiful, one day in Heaven, as true Angels, and not as demons, horrible monsters, in fire hell no!!!

I want to see you beautiful and resplendent like the Sun, like the Angels in Heaven!... For this, children, pray! pray! pray!

I bless the little prayer room in which you are, My little children, built in My Honor... I promise to live here, as Virgin of the Rosary of Peace, and I promise to bless with ever greater Graces, all who kneel in it for prayer and intercession. beside Me... Above all, all those who have suffered and struggled so that it can be dedicated to Me will be greatly blessed...

I bless you all with LOVE in the Name of the Father... of the Son... and of the Spirit Holy... Rest in the Peace of the Lord..."

Day 11/01/95

"- Dear children, today, the Feast of All Saints, I, Mother and Queen of Saints, greet each of you and wish you the Peace of Lord Jesus...

I, dear children, am Glorified in Heaven in Body and Soul, perfumed with Beauty and Holiness, full of Glory, LIGHT, Power and Majesty that, Mercifully, My Lord has placed in My Immaculate Heart...

Dear children, this Glory that was given to Me, it was at the cost of the Sufferings that I faced and welcomed with LOVE, while I was on earth...

I invite you, therefore, to meditate on your Sufferings, since they are the bridge, My children, the way for holiness! To be a Saint is to have sufferings, the most difficult and bitter possible, and even so never to be discouraged...

Tell your brothers, especially the most fallen, the most weakened and the most full of difficulties, this My most consoling Message: - Never be discouraged!! !

Being a Saint is knowing how to suffer with LOVE!...

So, My children, I will direct your hearts to Heaven, and you will understand why I tell you that this life is nothing compared to the one that awaits you in Heaven... Heaven!...

When you accept your sufferings with LOVE, you will know that you are getting close to Heaven... I help you with My Grace!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord..."

Day 07/11/95 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, today, with LOVE, I wish, dear children, to place Me as your Mother... I am the Call of GOD's LOVE to you!...

I am Grace...

I am PEACE. ..

I am Purity...

I am Chastity...

I am Humility...

My Name... MARIA... Among men, the simplest name, perhaps the simplest and most common name, but ... that Name given by the Most High, and which through HIS Spirit, (HE) proclaims Blessed for all generations!...

I am, My little children, your Little Mother, and I am here again today, looking at all of you. you, with My LOVE...

Do not be afraid, little children!... I know about your sufferings, I know, My children, all your difficulties; none of them escapes or goes unnoticed by My Holy Heart...

I know, little children, the bitterness, the bitter chalice of sufferings and pains that you taste and feel every day, in everything you do...

My dear children, I extend My Hands to show you the weapon by which, little children, I will give them salvation, Peace, serenity, security and confidence: - the Holy Rosary!...

How blessed are those who pray it!!!... (pause)

Blessed is he who he doesn't see Me, and believes!...

Blessed is he who intercedes to the Lord for Peace at My side!...

My Purísimo Heart and full of cares, of the Wisdom of God, will show you, little children, the Way of Salvation , the Path of Peace, which you must follow with LOVE...

I, My children, defend you, protect you, guard you... You must never fear anything, because My Heart will go before you... Do not be ashamed, little children, of My Messages, but... communicate them to all who meet!...

I need your lips to speak; from your hands to touch, from your feet to pilgrimage, from your eyes to look, from your hearts to LOVE...

Therefore, children, abandon yourselves with complete trust in My Mother's Hands, so that I, your Little Mother, may may children, lead you to the Good Shepherd who is Jesus...

Jesus and I are here, and we want to speak to you... My LOVE calls for you!... My Immaculate Heart trembles with anguish, seeing that many of My poor children go to hell every day, without me being able to do anything...

What fire, children!... What fire!... and My children are screaming, in their condemnation, and I can do nothing... (pause)

Intercede with Me! Ask, children, so that GOD may have Mercy on those who, until the end, do not want HIS LOVE...

Do not massacre (pause) the Sacred Heart of My Jesus, which is already crushed, crushed, by your sins.. No, children, repent!!! convert!!!... I ask for your conversion...

I call, little children, each one of you to be close to Me, because this Mother has only one dream on earth: - To see all Her children under Her Cloak, safe, never to be parted again...

I protect you from dangers and temptations... My enemy is furious, and now he wants to throw a horrible vomit on you, My children, to attack you, because as he knows he cannot do anything against Me, nor against the Holy Trinity, then he rises up against you, because he knows that I am in love with My children, and that when I lose even one of My children, I cry until My Eyes are completely glued together with Tears of BLOOD... The enemy wants to take you away from Me, little children, so that it can attack Me, and thus cause Pain to My Heart...

My children, say no to Satan! Say no to materialism! Say no, little children, to spiritism! Say no, little children, to atheism reigning everywhere! Do not hold hands with sin, children! Cast sin away from you, and come with Me... I want to lead you on the path of Heaven!...

Be humble, be simple, dear children... I speak to you with simple words, because I am not complicated. ...

I want you, children, to understand that this is a time of prayer, that My Pain is very great... that while I am with you, My children, the Graces of GOD remain together too, but... Soon, I won't be able to be so close to you anymore, and there will be days when you will call out to Me: - Come Mother! Come Mother! Come!... crying out for a Message, but... I won't be able to anymore, children...

Therefore, understand that I am afflicted, that I am worried, because I want your salvation, and OUR United Hearts, Jesus' and Mine, want to make a Covenant of LOVE with you, so that you, children, may be OUR people. , and WE are your LIGHT and Peace...

Abandon yourselves in My Hands... Thus, My children, as a hand cannot move without fingers, My Heart cannot act without your loving, humble collaboration, silent, next to Me...

Dear children, My Heart is the abode that I have prepared for you, and that each day I decorate, counting the minutes to welcome you... so that you can live eternally in My Lap. ...

So, children, pray the Rosary every day!... Praying the Rosary is already anticipating the life we will live together, in the KINGDOM of the FATHER... Ask, through the Rosary, because the Rosary will be the WAY through which I, My children, I will be able to lead you all to the Heart of the FATHER...

THE FATHER in Heaven... the Father is calling for you!... Do not delay in sin, My children, so that when you arrive, the eDoor f is not closed, and when they knock, say: - Daddy, Daddy, open us! It's us!... and HE says to you: - Go away, I don't know you! Waiting time... is over!

Little children, pray that you do not fall into sin, weaken, and do not continue with your conversion!... Pray, because I am, little children, closer to you every day... Every day that passes, My presence increases ...

Do not be afraid, because the greater the sufferings, the darkness and the pains that envelop all things, the greater the LIGHT that My Immaculate Heart will project on you, and then, little children, it will be My Flame of LOVE that envelops you. , to guard, protect, bless, enlighten, convert, get rid of your vices...

I want to ask today, children, to say no once and for all to cigarettes, alcoholic beverages, and soap operas... Above all, in this time summer, I ask My children: - You can wear simple and humble clothes, that are fresh, but not indecent and provocative...

The earth, My children, has become a new Sodom and Gomorrah, and I tell you, that if do not convert, a devouring fire will fall on everyone, and suffering, children, will deeply strike My Heart, and yours...

Sin no more! Repent of your sins, children! Convert!!!... I am saying all these things, so that when it happens, you will know that I have already warned you...

Do not listen, dear children, to those who say not to obey Pope John Paul II.. No, children, be faithful, be humble!... Turn your backs on the rebels and let yourselves be guided faithfully by the Magisterium of My dear John Paul II, the Pope prepared and formed by Me for these days of yours, and who he is My dearest first child, and whom I LOVE so much and who will soon be with Me in Glory, because I will cover him with My Immaculate Heart...

So, children, pray! pray! pray for My Intentions!... I am with you and I bless you, carrying your hearts today, like the most precious Crown, around My Head, because in you, the children who love Me, who listen to Me and who live My Messages, I am exalted, glorified, and I am, children, venerated in the Glory of GOD...

I bless you in the Name of the Father... of the Son... of the Holy Spirit... Be in Peace... "

Message from Our Lord Jesus Christ

"- I AM... THAT... that I AM!... My Name... is Irresistible!... I AM JESUS, the Lamb of GOD, your KING... and today, My beloved, sheep of My flock, I open My Sacred Heart, to deposit you IN HIM...

Understand, with the LIGHT of My Spirit, that these are the last warnings given to humanity to convert... These Messages are LOVE letters that I and My MOTHER send to all OUR children!...

Oh! How distressing it is for ME to see My poor children consumed, corroded

by a cancer of lack of Faith as great as you, My generation, have sunk* like this!... * (Obs. - Mark): (Our Lord, as if exclaims, as if in amazement, how we have fallen into the deepest abyss of sin and lack of faith...)

Every day I contemplate terrifying scenes... To see a mother look at her child brutally torn from her womb; to see him die, without a tear of pity, of compassion...

Thousands of innocent people, every day, massacred and murdered helplessly, cry out to ME, Maranatha, Come soon Lord Jesus! And I say to you, that My KINGDOM of Peace is very close to you, already...

Behold, now the last events will take place, so that I can, once and for all, annihilate until not on a single scale of My enemy, because I will destroy him, and, finally, My Creation will free itself from this dark cloud of smoke of lack of Faith, which he has thrown...

I, the Lamb, will keep you all, under the My Scepter, and at the sight of My Withering Gaze, all evils will disappear in a single moment...

I, Jesus, call all of you who are here today, on this ROSARY HILL of My MOTHER, so that you can become the apostles of the last times!...

Go, tell all My children that I am before you, and that I LOVE you, that I AM your LIGHT, your Staff and Rock, that I AM, O children, your rest and your relief, your comfort and your consolation. , which I AM, O My beloved and little children, your KING and Savior!...

Let yourselves be led by Me, because I want to take you and take you all away, so that night and day, in My Royal Apartment, you adore Me, lying (reclining) on My Heart...

So, little ones, I, who AM the Author of your Life, who created and projected you in My immense Goodness, will have back, at POWER of My BLOOD, those that the Father has given ME...

In My Wounds, I have the Soothing BLOOD, to pour on you... From My Sacred Heart I pour this BLOOD to you, and I offer it to you, so that, little children, your souls do not go hungry, and do not fall into the seductions of the dragon...

So, also resort to the Hands of My MOTHER!... All those who consecrate themselves to HER, My MOTHER will impose Her Hands... and the Blessing of My MOTHER will also give you the LIGHT you need in your way...

I, Jesus, make an appeal: - My Tabernacles are devastated; souls have left My Tabernacles alone!... Children, return to making hours of Eucharistic adoration, adoration of

Me, in the Blessed Sacrament!... of ME, seeking holiness, seeking the bliss of My Holy Mass!...

I place, every day, in My Churches, by the anointed and holy hands of My Priests, the Table where I myself AM Food, and I AM, too, your Lord and Shepherd...

I, children, by the hands of My Priests , I give myself to you with Grace, with Mercy, and above all, with all the POWER that emanates over the world, from the Holy Trinity, where I am in the FATHER, with the Spirit...

Therefore, everyone who leaves to go to Mass, it seriously offends not only Me, but also My FATHER, and My (Holy) Spirit... My MOTHER breaks down in Tears, Her Heart groans, sobs take care of My MOTHER's poor Heart, who loves you so much, but... who is only trampled on by your lack of love and disbelief...

Woe to those who do not heed the Warnings that I and My Mother are sending you!!!... A log burning in the fire will be little, in the face of the fire that will consume them, to all those who adore the enemy, and who serve him, with their sin, night and day!...

Therefore, I, your Lord, call you: - Come to Me, all you who are confused, afflicted, because My Lips want to offer you a Kiss of LOVE and Welcome, and My Arms are already open, to embrace you with all affection...

Generation, bend your knees before ME!!! and before My FATHER, recognize your sin, recognize your misery and your weakness, and cast away the pride of wanting to live without ME!!!... Here is My MOTHER, the One I gave to you, so that She would lead you everyone to ME...

O My dear little ones, I ask you to surround My MOTHER, and to surround Me in the Eucharist, with much LOVE...

Truly I say to you: WHO EATS MY FLESH AND DRINKS MY BLOOD IN THE EUCHARIST WILL NEVER TASTE THE ETERNAL DEATH OF HELL.

Once, My children, you opened your heart to Me and communicated with Me with true holiness, I tell you that in Heaven I will give you, My children, My Own Grace, to be your food... Heaven you will see how the Holy Mass is perpetuated, for all centuries, in the praise and adoration of My Holy FATHER...

You children, stay away from those who rebel against Peter, My Pope John Paul II! Stay united with My little one, and flee from those who fight against everything that is Pure and Holy, so that your hearts may be in Mine... Along with My servants, be in My desires of LOVE...

LOVE -you!!! LOVE YOU!!! LOVE YOU!!!

I AM Peace!...

My Name is LOVE!...

My desire: - Come to ME!!!...

I AM, My flowers, My children, My children, Your Father... therefore, come to ME, because My Sacred Heart can no longer wait because I am so thirsty for you...

I bless your families today, with the Special Blessing of My Mother, and with My Blessing... Many of your family members will be converted during this year, so that you, children, can recognize that I AM the Father of Mercy , and for My children who adore Me from the heart, I will never, never close My Hands, and for this reason, Graces and Blessings are poured out for you...

Come to Me in the Eucharist, that salvation awaits you in the Tabernacle, in the Tabernacle of the earth, where My MOTHER adores Me night and day without ceasing... Adore Me with Her and with My Holy Angels, that My Heart, for you, the passion... will give...

I bless you . you with LOVE, in the Name of My FATHER... in the Name of My Sacred and Most Beloved Heart... and in the Name of My Spirit of LOVE, Holy of Grace...

Take this Special Blessing; receive it from the Holy Spirit!...

Stay, O My children, in Peace... My Mother and I return to the THRONE, and we take your hearts and tears WITH US, so that, as soon as possible, LOVE TRIUMPHS...

Be in Peace!... We leave OUR Hearts and OUR Spirit... of LOVE..."

Day 11/10/95

"- Dear children, pray! pray! pray!... Go to Holy Mass with joy, and at the time of consecration, if possible, smile to Jesus, whom the Priest raises...

Thank you for your love for Me!...

I bless you in the Name of the Father. .. of the Son... and of the Holy Spirit... Rest in the Peace of the Lord..."

Day 11/11/95

"- Dear children, I show you the Way to Heaven, which is the Way of GOD... Follow children, along the path of prayer that I have always shown, the way of simplicity, of humility of heart; in humility, where GOD is exalted!...

Pray that A TIME OF PEACE COMES ASAP, WHICH MY HEART WAITS ANXIOUSLY... Continue to pray with the Rosary in your hands and in your heart, in prayer...

Thank you for your love for Me !... I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

Day 11/14/95

"- Dear children, LOVE is not proud; LOVE is always generous, it always unfolds itself, and sacrifices itself for others...

So, renounce pride, through prayer!

Thank you for the love you desire for Me...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/15/95

"- Dear children, I want to make each one fall in love with Jesus, especially in the Blessed Sacrament of the Altar...

Jesus in the Eucharist, children, must be the greatest gift of LOVE in your lives!... For HIM, accept all sacrifice, all suffering!...

Make every effort to receive Him in Communion, as much as they can. The greatest joy for My Mother's Heart is to see when you communicate with Jesus, with a heart full of LOVE...

Thus, dear children, each day you will grow more and more in My LOVE and you will have, dear children, Jesus risen within your hearts... Then, dear children, your life will not be a Cross, but... it will be a blessing to each one, because HE himself, Jesus, will live in you, and will lead your lives according to the Father's wishes...

I insist again, children, that you pray the Rosary... Pray, dear children, because time what is left for each one is very little!...

If you do not convert, dear children, you cannot even imagine what can fall on you... Convert, little children!!! Convert and unite your intercession to Me, your Mother, who I LOVE you with all my Heart!...

Confess yourselves! because confession is like an erio f, which washes their souls, leaving them totally purified, to receive the Gifts of the Holy Spirit... I am always present, when My children are in confession... Particular graces are poured out , of Mercy, in their souls...

Pray! Pray! Pray!...

I am Peace!!! I am LOVE!!!! I Am the Mother of the Eternal Goodness of GOD!!!...

Thank you for the LOVE for Me... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Stay in the Peace of the Lord..."

Day 11/16/95

"- Dear children, today My Immaculate Heart opens up to enlighten you all and to give, My children, what your heart so desperately needs: - Peace !!!...

I am Peace!!! I am Hope!!! My Name: - Mother of GOD!!!...

I am your Mother, little children!!!...

I am here, with you, to help in the conversion of each one, so that everyone can get closer to GOD... Do not let the enemy, in any way, , seduce their hearts, and so, My children, remain deadened in prayer...

No, My children, do not let Prayer weaken!!!

Do not leave, My children, the Rosary!!!

Pray! pray! pray the Holy Rosary every day, My children, because, through the Holy Rosary, I, children, will be able to help in the conversion of each one, of their families, of the whole world!...

I want to be present in every heart, with each one, but... I can only be present if you pray and if you live, little children, what I ask... Pray! Pray! Pray!...

Here is My desire: - Do all this if you want to be saved: - prayer, sacrifice, and penance!... I, children, am with you to welcome your fasting!... Fast, and you will see that all walls will come down!...

Thank you for your LOVE for Me... I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord..."

Day 11/18/95

"- Today, I want to talk about the Peace that prayer places in you... Peace, dear children, IS A GIFT that only from GOD can come...

When you are in prayer, above all, adoring the My Son, feel, children, the Peace that surrounds this place and your hearts...

No matter how rich they are in their lives, nothing compares or equals this Peace!... Peace that comes from the Heart of Jesus!... Peace that I want to place in each of your hearts, through prayer.. I

promised that I would always be present when My children are in adoration...

So, My children, I want to tell you that adoration is a moment of encounter and dialogue between you and Jesus!... therefore, it it cannot be done with laziness,

with coldness.... it cannot be done from the lips only outwards... The adoration that is true prayer, springs from the interior of the heart...

It purifies the minds, opening them to LIGHT of the Wisdom of the Holy Spirit!...

It purifies hearts, to make them docile to the inspirations and desires of Jesus, to make, My children, so that the heart knows the GREAT GIFT of KNOWING HOW TO LOVE the brothers!...

Adoration detaches them from the things of earth. , and raises them to Heaven... Thus, children, each day that you worship My Son in the Most Holy, is one more step that you take to get closer to the SAVIOR, and thus, the sinful world will have less power of seduction about you...

Every time that Eucharistic adoration is performed on earth, thousands of souls from Purgatory fly to Heaven, it is sinners who are converted... There

are many sinners who are touched, each time an adoration of the Blessed Sacrament on earth... Punishments are removed, and the DIVINE Mercy of GOD rains down on you...

Adore the Blessed Sacrament of the Altar!!!...

Pray! Pray! Pray!... Feel the Peace of prayer!...

Thank you for the LOVE you have for Me... I bless you in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit... "

Day 11/19/95

"- Today, what I wish to say to each one is to be pure, My dear children, pray with the purity that comes from GOD, purity, My children, of soul, body, heart , so that, My children, you can truly Honor this so wonderful Grace that GOD has given you: - The Grace of being Temples and Living Tabernacles of the Holy Spirit!...

In this way, My children, you will be able to feel everything I say to you with LOVE, and you will understand, My children, which is the Path of Holiness that I want to lead and take you to: - the Path, My dear children, of purity f, is the Way of Holiness!...

May your mind refuse, more and more, My dear children, all the malice, all the cunning of the enemy, and may it be open to all the inspirations that the Holy Spirit wants to place in you. ..

Pure of heart, My children, it is that your heart never experiences the stain of hatred, the stain of rancor, the stain, My children, of unbelief, the disease of lack of Faith... May your heart be filled of life, full of joy, full of LOVE, on fire with Charity, consumed with Passion!... (LOVE for GOD)

Pure in body!... I ask all of you to be pure, because today most of the sins of the world are sins of sensuality, sins of impurity... Today, everyone displays and exalts his body as if he were a god, thus becoming traps of sin for others... Be pure, My children!...

I ask young people for great purity of body, especially for those who are so tempted by the devil...

I ask the newlyweds to abstain from any relationship before marriage, and that the young people can consecrate themselves more to Jesus, because the young people who follow Jesus are very few... So, My children, if you are pure in body, in your soul and mind, you will be able to feel all the LOVE of the Holy Spirit in your heart... and HE then, living in you, will be able to take care of your whole family, your whole life, all your work and all your your life...

Pray, My children! Pray more! Pray a lot so that My TRIUMPH happens as soon as possible!...

I count on your prayers, in these days in a very special way, for My dear son John Paul II, the Holy Father the Pope... Pray for him! This is what My Immaculate Heart desires!...

Thank you for your LOVE for Me!... I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Rest in the Peace of the Lord..."

Day 11/20/95"- Dear Ones children, I want to plant a great Faith in the Prayer Group, I want to plant a Faith that is so strong, My children, that nothing can take you away from Me...

May each one, My children, be a reservoir of Faith, as a tank, where souls that are already fainting in weakness, can drink in the LOVE of GOD, and that they can, My children, rise towards GOD...

Continue with prayer!... I walk beside you and I bless your prayers, in the Name of the Father... of the Son... and of the Holy Spirit..."

(Observation - Mark): (Our Lady still gave a private Message, for a special person, and that was reproduced here)

Day 11/27/95

"- If you want to be, little children, true My children, be humble and stop doing evil... Do not give satan the pleasure of seeing you fall into pride, intrigue and falsehood.. Keep away

the spirit of curse, and you will live as true children and servants of Mine, or otherwise, the Mercy of GOD will be closed to you...

I am the Blessed Virgin, the Mother of GOD and yours!...

I want, dear children, that you continue to pray the Rosary always!... I want you, with the Rosary, to be faithful to GOD, to be faithful to My Heart, to everything that I ask!...

Every day that passes, I am closer, I am more attentive and more inclined towards your sufferings... So, dear children, come here and adore My Son Jesus in the Eucharist with all your heart!...

Repent of your sins; ask for forgiveness!... Cry out to the Eucharistic Jesus to heal you, touch you, set you free, open you... In this way, dear children, you will feel in your heart My Maternal Hand touching, blessing and illuminating everyone on this path difficult, but... that ends in the FATHER...

Pray the Rosary every day, but... not just anyhow! May he be a conversion in your lives!...

Thank you for the LOVE you have for Me... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/02/ 95

"- I come to invite you again!... I am, dear children, with My Immaculate Heart full of great Graces for all of you!...

My children, how many of you walk in sin, walk in evil, walk in hardness of heart, deaf, even in the face of the most heartfelt Tears that I shed...

You, dear children, have a heart that is harder than stones! I, with all ease, with a single Tear of Mine, can move the stones, but... your hearts, children, are not moved by My Maternal Pain, seeing so many of My countless children who fall into hell, like rain, every day...

Dear children, in the world, the lack of Faith, the lack of LOVE, dear children, the lack of Mercy, the lack of Compassion is now spreading more and more... How not to cry in front of thousands of My poor little children, who, in their mothers' wombs, are brutally murdered, with no one to defend them?...

How not to cry when seeing such brutality of these mothers who, after committing the murder, still look at that little murdered body, without a tear of regret, without a gesture of pity towards it?...

Dear children, My Pain is so I have no words to say how great My Pain is...

My Mother's Heart is very wounded and I no longer know, dear children, what else to do for your salvation... I only have, children, to offer you My Sorrowful and Pierced Heart...

Come to My Immaculate Heart, dear children!... The Boat that GOD gives you to keep you safe and in Peace: - My Immaculate Heart... whoever surrenders to My Immaculate Heart, dear children, will have Salvation and Peace!...

Satan is strong, and he is still at work in the world in a way never seen before; but, in the end, My Immaculate Heart will TRIUMPH, and with Me, the righteous will TRIUMPH!...

Soon, children, you will see sin disappear from the earth, and My Immaculate Heart to live with you!...

O My children , if you want to make Me very happy, always live loving My Immaculate Heart, and in this way, living My Messages, you will be able to say to everyone: - How much I LOVE the Immaculate Heart of Mary!...

My Heart needs children so much that they help Me, that they console Me, that they carry My Messages, that they speak, that they warn, that they call all My children, especially the prostituted, the drug addicts, the marginalized, the excluded, don't forget anyone! Bring everyone into My Immaculate Heart!...

Do not give way in your hearts to discouragement, to despair! That is why I always speak to you from My Immaculate Heart, but... you do not pay attention to My Messages, and that is why in times of difficulties, you are easily disturbed and despaired for nothing...

Pay attention in what I have always said to you and I say it again children: - My Heart is the LIGHT that I give to you, and the Path that will lead you to GOD!!!

When no exit remains in your lives, dear children, here is My Immaculate Heart, the Only Exit, the Only Path, the Only Bridge that will lead you to GOD!!!...

Come to Me!!! To open the doors of My Heart, all you have to do is bend your knees and pray the Rosary!... Through the Rosary, the Rosary, I, children, will abundantly pour out the LIGHT of GOD on you. Just be humble and surrender to Me!...

Pray this night, offer this vigil to Jesus in the Eucharist, because HE is so GOOD for you! They lack nothing!...

Why are they sad? Open your heart to Peace! Open your heart to joy, to LOVE! My children, it is LOVE that saves! It is LOVE that brings the presence of GOD into your life!... LOVE GOD, and LOVE will stay with you!...

Thank you for your LOVE for Me!... I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

Day 12/03/95

"- My dear children, today with LOVE I want to encourage you again on the path of prayer... Pray, dear children, pray! Ask for the Holy Spirit!... Let yourself be guided and guided by the Holy Spirit...

Live , children, in the Grace of GOD! Don't be a heart of stone!... Don't do that,

dear children, but... abandon yourselves fully to the Holy Spirit, so that HE can fulfill HIS DIVINE WILL in you!.. I am

with you, and I will be very present in these days, until the Cenacle and until the Feast of My Immaculate Conception...

This time, dear children, which runs until Christmas, is a time of many Graces! I bless you

in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

12/07/95 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... today, again, with redoubled LOVE from My Immaculate Heart, I wish, dear children, to cover each one with My Mantle of LOVE.. Dear children ,

I am the Door of Heaven that is always open!... I am the Living Proof of GOD's LOVE for you!...

Whoever came looking for proof, here is the Proof: - I, Mary, Immaculate Conception, Mother of Peace, I am the proof that GOD gives you that HE is your FATHER, and that HE LOVES you...

Each one who is carrying a heavy cross, come walk beside Me! My Mother Presence, dear children, when it is not possible to diminish the cross, to alleviate their sufferings, at least My Presence will give them STRENGTH, so that they reach the end, with GOD...

GOD, even today, is looking for a shelter to be born, a heart that welcomes him, dear children...

That cold night, in Belém, OUR little donkey was already so tired... I felt, more and more, that the moment of the Birth of the Word of GOD, because I was in sweet contemplation, in deep prayer, and I already felt that the moment had come, in which the world would be wounded by an unattainable LIGHT from GOD...

Saint Joseph, My Most Chaste Spouse, was also so tired, so sweaty... We walked in the hot sun all day, and finally, when we saw Bethlehem, we looked in vain for a place that could welcome us...

The men slammed the door of their houses with such violence. houses in OUR Faces, which came to impress us, the harshness with which they treated us...

How many sad things we saw on the way! How many things... of selfishness, we see there... Only the charity of a poor beggar, who was there on the street,

showed US a nearby Grotto, where WE could shelter... It was there, dear children, that in ecstasy out of deep LOVE into which I entered through prayer, I gave birth to THE ONE who IS your SAVIOR, who came to save you, and who is among you to this day, in the Eucharist...

There, a child's cry was heard; Joseph trembled with joy, and immediately we heard the Angels giving Glory to GOD, for the arrival of Salvation to the world!...

Just as a ray of light passes through the crystal, without breaking it, so My Son Jesus came out of My Womb, to give birth to the world, without however breaking My Immaculate Virginity... Thus, Jesus, lying in the manger, without clothes... without the love of the world, without luxury or ostentation, it arrived among you, for the first time...

José's eyes and mine were filled with tears, not so much because of the lack of love with which they treated us, but rather , of Sweet Peace and Sweet Joy of the Soul, for contemplating SALVATION among US...

But even today, dear children, I am knocking with My Spouse Saint Joseph, on the door of many hearts, but... as in the past in Belém , in most of your families, I cannot enter...

They didn't know... those residents, who in My Womb despised GOD, and many today do not know, that despising Me, they are also terribly hurting My Son's Heart...

And as in the past GOD first called the shepherds, poor people and humble, to know JESUS first, so too, GOD continues today choosing the simple, the pure of heart, the humble... and it is for them that My Immaculate Heart has a very particular predilection

... children, do you want to be other doors of Bethlehem for Me?... If you don't want to be, children, pray! Open your hearts to Me!...

If you let Me act in you, I will give you, children, an unforgettable Christmas, which you will forever engrave in your heart... and I will stay close to you, each time with My greatest and greatest Intercession. Protection...

Above all, dear children, pray the Rosary!... JESUS is born in every family that prays the Rosary!... JESUS is not a guest there, but... HE is the main person, he is the head of the family that prays the Rosary every day...

Continue to pray the Rosary, dear children, in your families, and fight, persevere, so that it may be like it used to be in Bethlehem: - it was a poor and humble Grotto, but there was Peace... the world did not have...

May your house also, My children, even if it is the poorest and simplest, but... if JESUS and I are living in it through the Rosary, it will have the Peace that the world there is not...

Today, who look to Me in the Mystery of My Immaculate Conception, I invite you, dear children, to see how much GOD has done in Me, for having opened My Heart... and this same Mercy and Goodness, children, GOD wants to place in your heart!... Open your heart to GOD, and GOD WILL REIGN in you, in your families!...

The Holy Spirit, the DIVINE Breath of LOVE, wants to fill your souls, and wants, dear children, to transform you in HIS Witnesses of LOVE!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... And now I bless the handkerchiefs*: lift them up and lift them up too, dear children, your rosaries to Me... (pause)

I give this Blessing, Blessing of My Peace, Blessing of My Immaculate Heart, the Special Blessing of My Immaculate and Pure Heart... Blessing for the sick, Blessing for the afflicted, anguished, for the weak in Faith, for the abandoned.. . in the Name of the Father... in the Name of the Son... and in the Name of the Holy Spirit..."

*(Note - Marcos): (It was Our Lady who asked her children to bring the tissues the previous month, for Her to bless them)

Message from Our Lord Jesus Christ

"- I AM... the Joy of souls! My NAME... is Sacrosanct! Dear children, I, Jesus, also at this moment pour My Blessing on your handkerchiefs... be silent, I will bless you, and each one of you... (prolonged silence)

I AM the TRUTH!!. ..

The one who listens to My Voice does not walk in lies, and does not walk in the sin of the heart... He who allows himself to be trained by Me, like an obedient sheep, will have Eternal Life!...

My Sacred Heart beats strong and pulsates. .. of Tenderness and Mercy for you... Yes, when you call Me, you can say: - Tenderness! because I AM Tenderness, I AM Eternal LOVE!... and I LOVE you, dear children! Come and do your adoration!...

I am with you, and I walk leading you to the new century and millennium that open ahead, to Hope... I AM JESUS Hope! Everyone who trusts in ME will not perish, but will live forever!...

Take care, dear children, not to make your prayers empty and heartless, but let your heart be modeled and modified by ME, for I have a very special affection, a very special LOVE, for you... children, I shed My Precious BLOOD to wash you, to purify you, and to be able, with My Eternal Father, to inscribe you in the Book of Salvation... Many are those who come here, but... they still

do not take My Bible, My WORD, My Gospel, to read it and live it...

I tell you, children, your eyes will be filled with bitterness, and even a lot of pain, when you come before ME , after your departure, and I show you what you did not experience during your life: - My WORD...

Therefore, children, live My WORD, now, here, now, on this earth! My WORD that sums up: - LOVE GOD above all things, and your neighbor, as if it were MYSELF... And so too, dear children, how many times I and My MOTHER knocked on your door, looking for ME a shelter, a house, a heart to stay, but... we didn't find it...

It doesn't matter if your heart is full of sins!... It doesn't matter if you have more sins than the oceans (pause) put together!. .. If you have, My children, a single gesture of Charity and LOVE for ME, I will do wonders in you... (pause) Even if you had found the most beautiful flower in the world, you would still not have found a GOD... more LOVELY I...

Also, dear children, that you want to play deaf and blind... before Me, but... I will send My call to everyone, so that you can return to the right path... Soon, everyone!!! they will see the TRUTH, and because of this TRUTH, they will cry out for ME, and to ME they will return...

I want to imprint My Wounds of LOVE in your heart, so that your heart, dear children, can be like Mine, pierced, open , free, generous, to pour the water of LOVE on so many of My poor children who suffer... and to shed also, My children, the blood of your LOVE, which is your affection, your charity, on so many who need prayer, who need many communions offered by them... who need many fasts, who need... that you go to them, take what is necessary...

I want your heart to be all like Mine, because I AM the Lamb of GOD!... I AM He who took away, and He who takes away the sin of the world even today! Soon, in the TRIUMPH of the Immaculate Heart of My Mother, and of My Blessed Heart, I will remove all sin from the earth... totally, but... dear children, continue walking, praying and praising, so that your heart always be open to My LOVE...

Above all, participate in Holy Mass, if possible every day. Many say: - I don't have time to go to Mass! but you have time to do nothing... you have time every day to watch television, which you love so much, but... you don't have time to go to ME in the Tabernacle, to worship ME...

A soul, at the moment of death, cannot say that it has reached Holiness, if it perceives that throughout its life it has despised My Mass...

Therefore, return to ME, the Good Shepherd!

... united to the Holy Father, the Pope, My John Paul II, the True and ONLY Shepherd left to lead My flock, and to the Priests united to Him, so that your hearts never stray from the TRUTH, but so that you may be always clothed in

Holiness, which comes from My Holy Spirit...

I, today, with My Immaculate Mother, bless you, your families, your diocese, of which I AM KING, Lord and GOD... I also bless each one of you. you, and all the communities from which you came, and thus, I fill you with the Blessing of My FATHER... Son... and Holy Spirit...

May Peace be with you! (pause) Stay in the Holy Peace of My Mother, and of My Heart!... Stay in Peace..."

Day 12/09/95

"- Today I wish, with the Grace of GOD, to fill your hearts again.. My Heart, dear children, is always full of God's Graces to give you!...

I am the Mother of profound LOVE, and I want, dear children, to continue to lead you along the Path of LOVE...

Do not be discouraged! Don't be discouraged! Never fall!... On the contrary, dear children, open your heart, so that your heart may already be a sign of Peace, in the midst of such a troubled world...

I am with you, and I ask you to continue to pray the Rosary! You do not live this Message well yet...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

Day 11/12/95

"- My dear children, pray the Rosary every day! Make the Rosary the dearest friend you have!... In this way, dear children, you will feel My LOVE, through prayer, increasing!... Pray, dear children!..."

Day 12/13/ 95

"- Dear children, continue to help Me with your prayers and sacrifices!... Every child who knows how to help his mother, tries to do so; so, dear children, with the Rosary you will help Me to touch the hearts of poor sinners... So continue to pray the Rosary every day!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/14/95

"- Dear children, pray deeply! If you pray deeply, before My Son in the Eucharist, great graces will happen!...

When you pray with your heart before the Eucharist, resounding graces will happen in your midst..."

Day 15/ 12/95

"- Dear children, today I invite you again to pray the Rosary, made with LOVE and perseverance... With the Rosary, I wish to do everything that GOD wants in your souls!... There are few who live this Message!...

Live all that I told you, dear children, especially fasting and prayer... In this way, you will be able to find Peace of heart, and the presence of Jesus in your lives..."

Day 16/ 12/95

"- Dear children, I am always with you! I take care of each one of you, dear children, with a special LOVE...

I wish, dear children, to be as close to your families as possible, to help you overcome difficulties so many that you find today, and thus, be able to set your heart on fire with an unlimited LOVE!...

Ask for My Peace and I, dear children, will give you the Peace of the heart, which comes from GOD!... I want to prepare you like doves, in My Hands, sent to carry the Seeds of My Messages to all the hearts they find!...

Pray! Pray! Pray!... (pause) I bless you in the Name of the Father.. .of the Son...and of the Holy Spirit..."
Day 12/17/95

"- Dear children, I invite you to be more and more persevering in praying the Rosary! If you live the Grace of GOD, manifested in the Rosary, you will be able to feel what I say to you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/20/95

"- Dear children, pray! Pray!... I am present at your side to support you!..."

Day 12/23/95

"- Dear children, we are close to Christmas... When you look at the Nativity scene, your eyes fill with joy; joy is reborn, LOVE shines again!

... I invite you to have the same humility as the Child Jesus... With the humility of GOD, you will be able to live with affection the entire Plan entrusted to you...

GOD continues to guide you with LOVE, every day, on the Path of TRUTH! Look at the simplicity of the shepherds, who, full of confidence in the word of the Angel, set out on the way to meet Jesus. The pastors were not grandiose in themselves, to draw the attention of others to themselves, but...

they had in themselves the most important thing that the Lord LOVES: - humility and purity of heart!

... reveal to the simple of heart!... To the pure, to the little ones, HIS Glory, HIS LOVE, and HIS Presence!...

I ask, dear children, all the Mercy of GOD, to be poured out on you in these times . Few, lately, have lived humility in their hearts; everyone wants GOD, everyone wants Peace, but... they can't find it...

Peace and LOVE are in humility! If you have humility, LOVE within you, you will find GOD, full of forgiveness and Mercy for each one of you. Remember children: - Only in humility can one find GOD!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 24/12/95 Holy Christmas Eve

"- Dear children, today I want to bring this great joy of Little JESUS... Dear children, I give you the immense Peace of My Immaculate Heart!...

Understand, dear children, that when JESUS dwells in your heart, the same Peace that involved the Bethlehem Grotto will be in their hearts. Open your hearts, dear children, and the Peace of the Bethlehem Grotto will dwell in you!...

When you become little ones like JESUS, you will feel the ineffable LOVE that dwells in YOUR HEART...

I thank you, dear children, for all your love, and I bless you with the Blessing of JESUS, in the Name of the Father... of the Son... and of the Holy Spirit...

Today, I have completed another stage of God's Plan for with you, dear children. Therefore, I will not give Messages every day, but now I will send the Messages to the world, only once a week, every Saturday... I will

continue with you, teaching you to pray... Now, to you, to whom I have given so much, much more LOVE I ask... Stay in the Peace of the Lord..."

(Observation - Marcos): (From this date, the Apparitions continued every day, until the present, but only the Message destined for the world became given on Saturdays. Nothing prevents the other Messages from being published as well. This also does not mean that their content is less important)

Day 12/25/95 CHRISTMAS

"- Dear children, today I share with you the Peace of the Child GOD... donated to GOD...

Every Christmas must be an encounter of each one with GOD!... It must be a

complete surrender to GOD!... Understand, My children, that until you place Jesus in front of everything in their lives, they will never be able to say that they really belong to GOD!...

I bless you today with the Blessing of Jesus, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/30/ 95

"- With great LOVE I, the Mother of Peace, Messenger of Peace, Queen of the Holy Rosary, wish, dear children, to keep each of you in My Immaculate and Sweet Heart...

Dear children, fear nothing! Today is the day when I come from Heaven to show you My Message full of LOVE, full of Peace, full of the Graces of GOD...

To all children, I LOVE everyone!!! to the seers who see, and to those who do not see!... And everyone can do only one thing, which is what I come to ask you: - LOVE My Heart!!!...

LOVE!!! AMEN!!! LOVE always, dear children!!!...

LOVE is not an object, which you use as you wish and then throw it away, as you please... No, dear children! LOVE is a Gift of GOD and one of the greatest charisms of the Holy Spirit!... Whoever has the LOVE of GOD in his heart, has everything he needs and lacks nothing, because this LOVE, dear children, is not the work of man, but it is the LOVE of GOD, which can only penetrate, dear children, to establish itself in the heart that is humble...

In the heart that abandons itself to GOD, there is no place for hatred... Therefore, dear children put away all wickedness, for it is not from God...

When you look at the Cross, at My crucified Son, place yourselves, dear children, with an open heart before Him, so that He can give His LOVE to your hearts... Jesus did not feel the slightest sign of hatred, not even for your murderers... How much more should you, My children, hate anyone! AMEN, only!... In this way, dear children, will My Immaculate Heart soon be able to TRIUMPH...

This TRIUMPH, which I prophesied a long time ago, will soon take place... In the numerous Apparitions in many places, and here f, all over Brazil, in Espírito Santo, in the State of Minas, everywhere, to simple and humble souls, I reveal the SECRET of the FATHER...

The small and the simple can understand, can love Me, can feel Me, they are chosen by GOD... So, dear children, everyone will be, in the eyes of GOD, if they love...

LOVE transforms everything, heals everything ! Much more powerful than any medicine you know is LOVE, My children... When you LOVE, even where it

can never be planted, everything can be changed, and the LOVE that ascends to Heaven is prayer, sacrifice and penance, that I now ask you to do...

Dear children, with renewed perseverance, multiply your prayers and penances, My children, because you are already entering the decisive phase of My Plan and now I have much more need of your intercession with Me. ..

May LOVE be, dear children, the only reason for your prayers, because it is LOVE that brings Me here, and with LOVE I want to take you from here to Heaven, to GOD!...

Thank you for the LOVE you desire for Me!. .."

Day 12/31/95

"- Dear children, I wish you all the Peace and LOVE of the Lord... On this night, dear children, the last of the year, I open My Immaculate Heart to welcome you in this Heart, in the last hours of this year that is about to end...

It was a very important year, a year of Graces, marked by a very strong Presence of Mine, every day, in your midst...

It was a decisive year for the TRIUMPH of My Immaculate Heart. In this one, twelve young people were completed, the stars that would shine in Brazil, around My Head, and now, dear children, My Plan will reach its full climax...

All the events that I predicted before will begin, dear ones. children, to be fulfilled, and, in the end, My Immaculate Heart will TRIUMPH...

I invite you to enter the New Year, not in dissipation, not in din and noise, dear children, but... in prayer, in recollection, in intimacy with God and in adoration...

I invite you to consecrate the New Year that is born, from the very beginning, to My Heart and to the Sacred Heart of Jesus... This is how you will see, dear children, every day and every moment, My Presence and the Presence of Jesus increase with each one of you...

Do not be afraid!... Do not enter the New Year, dear children, with sadness, with hopelessness, no! Be filled with joy and hope, because the Year that begins is the YEAR OF UNION!... Dear children, you should put unity as a particular and special intention of your prayers...

Next year I wish you, dear ones children, to elevate each one of you to a very great degree of Holiness... Do not sin, do not spoil, dear children, the Plan of GOD, the Plan that GOD commands Me to fulfill in each one of you!...

Collaborate with the WORK of the SAVIOR by praying, doing penance, interceding for the conversion of poor sinners...

Nothing is still lost, as long as it is possible for a single Hail Mary to be said!...

I am with you as the Mother of Peace, as the Messenger of LOVE, as the Lady of Graces, to pour out, dear children, all the Gifts that have been given to Me from GOD...

My Hands are like floodgates from which, upon you, I make the Graces of DIVINE LOVE flow. ..

Jesus, dear children, invites you to climb those stairs, those stairs that I showed you in one of the Apparitions: - the Ladder of Holiness, with the flower of humility, of simplicity, with the flower of purity, the flower of love, the flower of strength, with the flower, dear children, of

perseverance , and, finally, with the most beautiful Gift, the Rose of LOVE... give... Thank you, little children, for all the love and for having responded to My Call this year... Thank you for the love you desire from Me...

Don't sin anymore, don't offend GOD anymore, don't do Me anymore , children, shed Tears of BLOOD for you...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

Messages communicated in the Apparitions of Jacare í, year 1996

Day 01/01/96

"- I am the Queen of Peace... I wish, dear children, to tell you, too, that this year is a EUCHARISTIC YEAR, a year in which I wish to see you extremely united to Jesus in the Eucharist.. That is why I

brought Heavenly Communion today, to repeat, sweetly, with the two Angels of My Heart...

I wish to say this, dear children, today, which is the Day of World Peace, that you must see that Peace is in Jesus in the Eucharist... With this Peace of Jesus in the Eucharist, dear children, you will be able to have within you, dear children, all the LOVE you need so that Peace may come to you... I personally invite everyone to pray the Rosary for the conversion of the whole world , from yourselves, from those who love, and from those who persecute you...

In this way, dear children, LOVE will overcome hate throughout the world, and where there is LOVE, there is Peace... I invite everyone to be Peace for all! They can only be, My children, if you pray with your heart...

I promise to save this city!... To tell the truth, today, on My Feast contemplated as the Mother of GOD, I promise, for this privilege, to pour out the Holy Spirit on your families, and in all places where My Message is received... I wish, dear children, that each of your hearts may be the abode of My Messages...

Thank you for your love, thank you for your CORRESPONDENCE TO MY APPEAL!...

Trust in GOD, because GOD IS LOVE and Mercy..."

Day 06/01/96

"- Dear children, praise our Lord Jesus Christ!... I invite you to live with affection the Messages that I have been giving you for so long...

I am with you and I want you to pray for unity everywhere, everywhere Pray for your own conversion and for the conversion of the whole world... For all this to happen, it is necessary to fast and pray the Holy Rosary intensely every day!...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/01/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Today, with great LOVE, I wish, dear children, to bless you again with the Grace of Peace. .. Thank you, dear children, for coming to meet Me! Thank

you, dear children, for having responded to My call!...

This is the meeting that opens our year. I wish you all, dear children, a holy year, full of Graces and full of God's Mercy!...

I ask, My children, that you no longer fill My days with sadness; do not make tears of Pain fall from My Maternal Eyes anymore, dear children; but first, dear children, live a life of holiness, live a pure life, in the Grace of GOD...

I am, dear children, the LOVE that descends from Heaven, to fill your hearts, to open and clean your eyes , to purify your heart and lead you to Jesus!...

Dear children, Jesus desires, every day, to sanctify you more and unite you more with Him, but it is necessary, dear children, that through prayer, open, give your hearts to God, so that he can, dear children, purify your souls more and more...

A soul that really loves Jesus, a compulsion that really abandons itself to Jesus, lives HIS LOVE, lives HIS Grace, lives HIS Mercy!...

Dear children, just as Zacchaeus, a sinner, climbed to the top of a sycamore tree, to see Jesus pass, and when Jesus passed, he perceived the ardor of his heart and Jesus said: "Zacchaeus, Zacchaeus, come down quickly. It is necessary that today I stay in your house", Jesus also, dear children, wants to stay in your hearts, want to stay in their families! Jesus wants to live, dear children, throughout your life!...

Carry Jesus with you in your heart, with the same joy and humility with which Zacchaeus took Him!... Dear children, truly Jesus is Mercy!... There, truly He said: "As soon as I entered this house today, salvation has come in for what was lost. The Son of Man came to save what was lost."

Jesus, dear children, can touch the hearts of those you love, and also of those you cannot love!... Jesus can touch these hearts, and with great LOVE welcome them into YOUR LIFE!...

Zacchaeus, upon receiving the visit of Jesus, promised to give half of his goods to the poor, and to repair all that he had done wrong: to seek and make peace, to help those he had harmed. So too, dear children, from the moment you want to welcome Jesus into your lives, you must, dear children, renounce all sin, renounce all injustice, renounce all evil...

Dear children, this is the Message that I bring you from Heaven... I am, dear children, the lever that drives each one of you towards conversion...

I am, dear children, the food of conversion! I am, as I have told you so many times, the Blessed Rainbow!... I am the Blessed Bridge that connects you to Jesus!...

When they see a bridge and a river, even though they can cross it across the

bridge to the other side safely, smoothly, if they prefer to cross the current, they can even manage it, but... they run the risk of drowning, getting lost and dying. ...

So, dear children, if you refuse to cross this Blessed Bridge to God, which is My Heart and My Hands, you run the very serious danger of drowning in the currents and trials of the world...

Come to Me, little children. ! My Eyes are full of LOVE for you!... My Heart, dear children, is full of LOVE for each one of you!... I do not close the way for anyone!!!... door, to take you to GOD and, even so, dear children, are you undecided whether to cross or not???...

I carry you in My lap... I beg you, with Tears of Blood, with signs and Messages, so that you can, dear children, welcome My LOVE...

If you truly love Me, dear children, do not sin anymore!.. The saddest thing is: children who beat their mother with hate, or even murder their mother... Every time you sin, dear children, it is as if you hit My Merciful Eyes... It is as if you stabbed My Heart that loves you so much!... It is as if you, dear children, were tearing from Me the most painful Tears that no mother on earth has ever cried!... Therefore, do not sin anymore...

Dear children, flee of sin!!! flee from sin!!!

Convert! Follow GOD! Hear the Voice of GOD!!!... Renounce, dear children, the snares that the enemy puts on you, by which He hopes to separate you from Me!...

Raise, dear children, your prayers each day to GOD, for that HE can still work in the world the miracle shown on the two sides of the Medal of Peace: the Second Worldwide Pentecost, and the Triumph of My Immaculate Heart! (...Peace Medal, where I appear in a renewed and new way)

Dear children, we will be able to reach, obtain this great Grace of GOD to men, through the prayer of the Rosary!...

Much of what happens, much of what will happen, it depends on your prayers!... You wait, dear children, for it to happen and then pray... Pray, that all Grace will happen!!!...

I, Mary, Queen of Peace, Mother of the Rosary and Mother of Graces, bless you with LOVE, from here in this blessed place, in the Name of the Father... of the Son... and of the Holy Spirit...

Next month , I will once again give the Blessing of the handkerchiefs, and it will be five years since I was here for the first time, and I remain, full of LOVE

... a sign of gratitude to Jesus for allowing me to stay here for so long, by your side; this Presence which is a gift from Heaven...

My Son Jesus transmits the Message to you...

Message from Our Lord Jesus Christ

"- I AM the way of LOVE!... I AM LIFE!... Among you I am, and I want to make My abode in your hearts...

Children, if I ask you to come back to ME, it is because you need all My LOVE...

One day I was among you, and I felt in my own flesh the suffering of this humanity...

Know, children, that I love you!.. .How

I desire each one of you! My Heart opens pulsating, asking you to come back to ME, to come to ME, because I AM the relief for your suffering...

I AM LIFE!... I AM Peace!...

The paths that many of you trace will not bring you My LOVE! I want you to trace a new path, the path of conversion! I want you to follow My Will...

I, your Lord, ask you for nothing more than LOVE... Love ME, as I love you!

I say to you: for there to be love among you, prayer is needed. I asked you a long time ago to pray the Holy Rosary! The Rosary is LIFE! The Rosary is Glory!...

I come to bring in My Hands many Blessings...

On this special day, I wash your body and soul, I pour My Spirit on you, and I make you born again to GOD.. Children ,

how I suffer, seeing My House being attacked by wolves, by ferocious lions, who try to destroy everything and everything, especially to end the Holy Eucharist... I ask you not to allow it! I ask you to insist, in every corner of the world where you go, on the Holy Eucharist, because it IS I myself, made bread to feed you, and without it you will die, because you will no longer find LOVE...

Therefore, do not allow, oh children, that this most beautiful Sacrament that I have given you, be withdrawn from your lives... I ask you to pray a lot for My consecrated children, so that they can be faithful...

Know that many of you will pass through Calvary, but it is for the salvation of many of your brethren; therefore, do not fear suffering... In all the difficulties you go through, look, and always wait on ME, because I AM your Lord...

Everything was created for ME, everything was created by ME!.. .I

ardently desire each one! May your hearts turn to ME!...

Convert! Convert while the FATHER still does not come in GLORY!...

Know that I desire prayer, the sincere conversion of your hearts...

I, your Lord and your GOD, AM THE ONE who I AM, the ONE who created you, and gives you all LIFE...

I AM the Lord of LIFE!...

I AM the Lord of LOVE!

Look at ME, and see how great My LOVE is! Look at Me, and see how My yoke is meek and gentle!...

I, your Lord, desire at this moment to bless you with all My LOVE, with all My Affection...

I pour out My Blessing on you: Father ... Son... and Holy Spirit...

I will be with you for many more days to speak to you about LOVE...

Be in Peace!..."

Day 09/01/96

"- I speak to you today of fidelity to GOD... Faithfulness, dear children, which is the perfect fulfillment of the Will of GOD, even if you have to do it with the cross on your shoulders...

Dear children, today I want to tell you that faithfulness to GOD has no time, no day, no moment to happen... You

must be faithful to the LOVE of GOD, in all moments of happiness, as well as in moments of trials and pain.

Each of you has a cross, which you must carry with love.

Faithfulness is manifested more in the cross than in glory.

He who does not suffer, does not worry about being faithful to GOD, but he who suffers with love finds there, he can examine himself there, and he can look at his fidelity to GOD's plan...

GOD, every day, allows them to trials, so that their faithfulness will be purified more and more, and they can stay closer to HIM, who is Our FATHER...

The sufferings that you have in your lives are not a sign that God has forgotten you; on the contrary, they are a sign that GOD wants to bring you closer and

closer to HIM!

I am as a Mother of Faith, a Faithful Mother, with My people, with each one of you, to lead you along the path of fidelity to GOD.

Leave your pleasures aside, renounce your self-love, which is so great!

They cannot look at sufferings with the eyes of GOD, because they only want their share, and they do not want to open their hearts to accept the part of GOD, and the part of their brothers

... Rosary, with renewed, intense love, asking for the Gift of fidelity to GOD, asking for the Gift of being, more and more, united to GOD.

This is the year of unity! Whoever is faithful to GOD is united to HIM, and whoever is united to HIM is a child of HIS LOVE...

Therefore, dear children, when asking for the Gift of unity, ask for the Gift of fidelity, because in these days, many are those who say: "Lord! Lord!", but only the one who does the Father's Will will win...

If you want to win with Jesus, also do everything the FATHER tells you...

What I want is for you to be docile to the action of the Holy Spirit, and that their hearts may truly be a living, intense shrine, a nest where all the Grace of the Gift of the Holy Spirit is sheltered...

I bless you all, in the Name of the Father. .. of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord!..."

Day 15/01/96

First Message of this day

"- Dear children, I wish that each of you can live with love, the Messages I give you...

They are proof of My LOVE for you!

I do not want your hearts to be stained by sin, by hatred, by envy. to everything that is evil, everything that is sin...

Love for GOD implies a renunciation and a change of attitudes! May the attitude of sin change and begin to act in the holiness of GOD!

May the Rosary be prayed for all, every day, as a renunciation of sin, and YES to GOD, through Me.

Offer yourselves docilely to Me, because I want to sculpt My Image and what I

Am in each one, to offer them immaculately to the FATHER ...

Thank you for your love for Me! I

bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Message of this day

"- I continue to give My Messages, which you do not live, nor do you know how to listen to them with love...

If you could only know and feel what I have inside Me, each time I come down from Heaven to leave a Message on earth, simply because of the LOVE that is in Me, they would live these Messages fully in their lives, and they would live them in total and extreme holiness...

Each Message is a letter of LOVE that Christ sends to HIS children, to show them that they are not alone, but so that the Mercy of GOD can always accompany them...

This is how I descend from Heaven as QUEEN AND MESSENGER OF PEACE, bringing Peace, bringing the Message I hear from the Holy Trinity!...

Hear the call of conversion! Renounce addictions! There are many of you who, in the hiding of your lives, continue to walk with addictions, imagining that I don't see what you do...

You cannot serve GOD and the world! You must choose only one path: Heaven, or damnation...

You are invited by Me to choose the path of salvation. I promise to those who choose the path of salvation, My Maternal Protection, as I have told you so many times, that I am by your side, that I do not leave you alone on the path of living holiness, next to Me...

You believe and trust little in Me! Thus, dear children, your heart continues to be more and more mired in sin, in carnal pleasures, and in everything that does not come from GOD...

It is difficult for me to obtain a soul that truly lives My Messages of holiness...

When I often turn away, many begin to live as if they had never heard of Me and My Son...

If they truly love My NAME, and the NAME of My Son Jesus, engraved in your hearts, do what these NAMES tell you: "Live in Grace and Holiness!..."

Seek salvation, living holiness...

Dear children, may My Messages, one day, do not become the reason for you

to realize that you have lived in hatred all along, but may My Messages be healing, peace, bliss, sanctification to which I personally invite each one to live ...

May the daily Rosary be a new desire to sanctify yourself, and a new YES to GOD, in the direction of that holiness that I show you, which is not the happiness that the world proposes, or that people imagine it to be, but happiness that springs, that emanates from the Heart of the FATHER...

The holiness f is to renounce all sin and all evil works, and embrace all the works of the Holy Spirit... In this way

, you will also be filled with the LOVE that comes from Me... I

bless you with affection, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/20/96

"- Dear children, today, with LOVE, I wish again to touch the their hearts with the Grace of GOD, and show the way of salvation, which is Jesus...

I am your Mother and I am trying in every possible way to take you to Heaven, but many do not want to...

Open your hearts to the action of the Holy Spirit, and let yourself be transformed by HIM. HE is GRACE, and whoever welcomes Him will be graced by the Lord...

I invite you, in a special way, to pray the Rosary, and to renew each one's love for the Rosary.

Do not look at the Rosary , dear children, with contempt, but make it your best companion, in moments of difficulties, to meet Jesus... .

Every mother rejoices in the affection of her children. I will be delighted with the affection of your Rosario. Pray the Rosary!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 27/01/96

"- Dear children, I invite you once again to be docile to My LOVE...

Pray , dear children, open your hearts to My LOVE!

Today I ask you once again to renounce the pleasures of the flesh, especially television, cigarettes and alcohol.

Give up, because only then will I be able to show you the road that leads to

Heaven...

I ask you to choose Heaven, not hell.

Take the Rosary in your hands to fight, and be docile, be pure, be open to My LOVE...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/02 /96

"- Today, I bless all who are in this Church, in prayer...

Thank you, My dear children, for the joy you offer to My Immaculate Heart by coming to adore Jesus in the Blessed Sacrament of the Altar!

My dear children, a single act of adoration of Jesus in the Blessed Sacrament is much more profitable than all the people speaking without respect...

I invite you to look at Jesus in the Eucharist, with a gaze of love, dear children. I invite everyone to fall in love with Jesus in the Eucharist. So HE will not be just any person for you, but he will be the TRUE GOD, he will be the TRUE JOY!

Jesus will be your only strength. I wish that all My children who really want to love Him, follow Him, listen to Him, can adore Him with all their hearts.

Truly, My children, Heaven lives on earth, in every Tabernacle, in every Tabernacle where Jesus is present, silently, but ALIVE! There is Heaven, living among you, because Jesus is Heaven!...

I thank you all for your love. I thank you all for your adoration...

I ask that, with the Rosary in hand, you renew the whole world, and that you can show everyone how beautiful it is to adore Jesus in the Eucharist...

Fill the world with Rosaries and your hearts with prayers , so that Jesus may be more adored...

Whoever praises Me, praises the FATHER and praises My Son, who chose Me for His Mother. Thus, dear children, praying the Rosary before the Blessed Sacrament, all walls will fall to the ground, all obstacles, all lack of faith and all resistance of hearts will cease to exist, because when Jesus sees each one of you with the Rosary in hand, in union with Me, asking, begging, HE can deny nothing, because Jesus never said to Me, nor will He say no, to anything that I, YOUR Mother, come to ask Him... So I will do, dear children, of each one of you, a true mirror, a true flame of holiness. Each of you will be a shining flame of love…

Thank you, My children!

Pray! Pray! Pray!... I ask you to pray the Rosary...

Thank you for having heeded My Message!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in My Peace!..."

Day 03/02/96

"- Dear children, I invite you to open your hearts completely to the Lord, and to pray without doubt...

Dear children, the prayer that I want to spring from your heart, must be a prayer, dear children, that is sincere with GOD, sincere with yourself, and sincere with all your brothers...

I wish to lead you, dear children, to purity of heart, which produces Peace. Those who do not have a pure heart cannot say they have Peace... Therefore, dear children, I am Peace, (pause) I am the Mother of Peace, (pause) because I have had My PURE Heart since My Immaculate Conception , as well as My Body. Therefore, I too could be a total bearer of Peace...

I invite you, dear children, to allow yourselves to be changed by the Peace that emanates from My Immaculate Heart... Peace in your families, not through money, but through prayer...

I want you to lift your eyes, My children, to Heaven, and begin to see how much GOD created you with LOVE, not for the world, because you will not live here forever, but for Heaven...

May your hearts, dear children, be humble and docile hearts that seek Heaven. Let no one be deceived, thinking that in Heaven, dear children, you will have a heart as you have now, or even that there in Heaven, dear children, your prayer... and your soul will think only of you. On the contrary, My children, in Heaven, I will give each one of you My own Heart, so that from there, all the LOVE and all the Grace of the Holy Spirit may be poured out on earth...

I am the Mother of GOD and Mother also of you, and if I come down from Heaven, it is to tell you that your place awaits you there, My children, but many are not doing anything to reach it...

No matter how much, dear children, I tried to throw you a ladder, if you didn't put your feet on the first step to climb it, in the same way, you would continue without Heaven... Therefore, I invite you to accept My help. , to welcome My Immaculate Heart, and to let yourself be guided totally by Me...

Next week, dear children, will be five years of My presence here...

Why do I appear?

I appear to say that the new heavens and the new earth are about to arrive...

I appear (pause) to say that Heaven no longer supports so much sin; that My Eyes are filled with Tears of Blood, for the sins of the world...

I also appear to say that you are not alone, but that I, your Mother, accompany each one of you as you carry the cross, just as I remained beside Jesus...

I appear (pause) to help the Church, especially My dear son John Paul II, who suffers so many attacks from the enemy, but who trusts in My Mother's LOVE...

I appear to say, My children, that the world is approaching great destruction, if you don't start praying. Pray! Pray! Pray!...

I leave you My Peace, and thank you for the love you desire for Me...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause)

I appear, to tell them that I love them with all My Heart..."

Day 04/01/96

"- I am with all those who suffer, and who call on Me, moaning night and day, in pain...

I am particularly burning with CHARITY, with LOVE, with TENDERNESS, for those who, with their Rosary in hand, You help Me and work with Me for the salvation of humanity.

I want to ask you to adore My Son Jesus more, because in these days He is very forgotten, especially by you...

I want everyone to turn their gaze to My Son, May all, dear children, feel the Peace that Jesus, in the

Blessed Sacrament, comes to bring you... My children, it is because HE desires this adoration, HE seeks your adoration... JESUS thirsts for your adoration...

I invite each of you to love Jesus, and to give your hearts to Him, at the siege of Jericho...

The Angels already adore Jesus night and day in Heaven, but He is not satisfied with the adoration of the Angels; HE wants your adoration, HE seeks your love, HE seeks your heart, even if full of faults and sins...

I am with every Eucharist on earth, to teach you to adore, and I also want to tell you that I remain committed and determined to what I and My Son Jesus have programmed.

Even if one remains faithful to My Messages, I will also remain faithful to My visits, which I want to make here...

From you I ask only prayer, sacrifice, penance. Do penance, do penance, do penance yourselves!

I invite you to penance!...

One day, My children, you will shed bitter tears, sobs of pain for each day that you have stopped fasting and praying the Rosary... No one is exempt from fasting, not even those who work, not children, not even the elderly; only the bedridden patients are exempted from fasting.

It is not fasting to eat less, or to eat fish. It's not fasting just taking one thing and another. No, the fast I want is on bread and water with nothing else. Now, I ask you to begin your fast by praying half an hour before you begin. I want half an hour of family prayer so that the fast may be sanctified. If you do this, My children, you will see how at home, even if you work less and dedicate more time to prayer, the fruit of your work will be double, because you will be blessed by GOD...

I tell you, there are people who have many things, but who are not blessed by God, because they do not pray, because they do not consecrate the fruit of their hands to the Lord.

Souls, however simple they may be, however difficult they may be, if they trust in My Immaculate Heart, if they trust in Jesus, they will be saved, they will be freed. Nothing will be missing, because GOD is FATHER, and TRUE FATHER...

So too, My children, even those Graces that seem even the smallest, if you ask with love, everything will be given to you.

Therefore, pray My children, be intercessors!

You play with My Messages, My children, thinking and even looking with suspicion at the child I have chosen...

One day, My dear children, you will see how right I was, but it will be late, there will be no more time...

Convert now, My children, convert now!

When the sign appears on the Mount, sinners will feel a great pain of conscience, an interior remorse so great that it will even cause death in some, but, My children, I do not want you to suffer at that moment...

I ask, dear children , that they open their hearts, and that they pray the Rosary to Me, all day, at all times, according to the order of My Son Jesus. You must always pray, and never stop doing so. (Lk 11,1-12)

I bless you in the name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord!..."

FIFTH ANNIVERSARY OF THE APPARITIONS

Message from Our Lady

"- Dear children, (pause) I am the Queen (pause) and Messenger of Peace... I am the Mother of LOVE...

From Heaven I came, and here in this city, I have revealed to everyone a Message of Peace...(pause) The Holy Spirit Is PEACE...(pause) My Heart is the Sanctuary of Peace...(pause) My Hands are the Fountain of Peace ...(pause)

I want, dear children, with all the LOVE of My Heart, to ask you to live My Messages...

You cannot understand, My children, how important My Messages are... Had the world accepted the request that I had made since Fatima, sin (pause) would not have taken over so many families, all families like that...

Dear children, My appeal has been denied... My invitations, which I have been making to you since that time, are openly, publicly... reneged...

How many times have I given you Maternal Messages, with Tears of Pain, until even of Blood... and how many of My children, who until today, have not listened to Me...

Dear children, sin spreads more and more every day; every day more satan advances, covering with his net, a greater number of souls... It is now necessary for everyone to unite with Me, (pause) the Mother of LOVE and of the Lord, in prayer My children, so that these souls...

Take My Messages!... How it hurts Me, My children, to see that My Messages often fall into an immense, dry and arid desert... What a pain those (pause) cause Me who drown My Messages, who hide My Words that try, My children, to stop (pause) My Mother's LOVE...

But, dear children, in the end, My Immaculate Heart will triumph!...

One day, My Messages will be praised throughout the earth, because with just one of them, which were known and heard by My children, much salvation was

poured...

Dear children, I invite you to be My LIVING Message, for all My children who do not yet know Me!... If each one of you, My children, takes My Messages, and if each one of you, with the life, transmit My Messages, then you will see (pause) wonders of GOD happen...

I ask again: I need you to become the apostles of these last times!...

May you, My children, welcome My Messages; welcome the Word of GOD, and take it to all your brothers, without fear, without shame... without a shadow (pause) of any doubt...

My dear children, in each Message that I give you, there is (pause) the purest LOVE of a Mother, who still dreams (pause) of her children returning home... I do not sleep, My children, nor do I rest , because I wait for you, I seek each one of you, I long for each one of you...

Come, and pray!... Let no one be afraid of Me! May no one feel abandoned by Me... I am with each child, I am present alongside My children, who carry heavy crosses: lack of love, violence, injustice, poverty, unemployment, illness , (pause) of the lack of Peace...

I am at the side of each of My children, and I accompany each of My children on the path that leads to GOD...

I look in a particular way to all those who habitually live in sin. I do not condemn these children, I just suffer (pause) and cry for them...

But, convert, children, return to GOD!... GOD does not get tired of waiting for you, and I too, My children, I never get tired (pause) of waiting for any of you...

I wait... My Heart needs you!...

I wish to speak today, and remember a request I made two years ago: that all days, at 8:00 pm, families make the HOUR OF PEACE in their homes, praying My Rosary, singing, praising, meditating on My Messages, meditating on the Word of the Lord... The family that does this, and that say NO definitively to television programs, will be saved...

I promise to cement the love of the spouses, making them love each other, as CHRIST loves HIS Church with all His Heart!...

I promise to save the couple's children, freeing them from drugs, prostitution, violence, and all others vices...

I promise to keep this family under My Mantle, in the time of punishment and difficulty...

I promise to lead this family to a very great holiness, so that they come to live

with Me in Heaven...

Little children, I Am the Mother who asks you for the Rosary!... My children, you pray little, and because you pray little, there are so many tortures, so many misfortunes in the world...

I ask you, children: PRAY THE ROSARY!... Much of what what will happen depends on you, on your prayers!... A lot, My children, of what comes to you... only with prayer...

For this reason, I invite you even today to be the glorious stars of My Head, that illuminate, and that help to illuminate the world, to show everyone the Light of the LOVE of GOD, which is Jesus

... who persevere in My Messages, and to all, My children, who live in LOVE!... Remember this: hate does not see anyone or anything; therefore, My children, do not hate, do not despise, but do, dear children, so that My Flame of LOVE (pause) is poured into every heart that you find in your lives...

I leave My footprints on the ground, so that you may step on them, My children, and follow after Me, on the way to the Lord... Follow in My footsteps! Follow My Holiness! Follow My Humility! Follow My LOVE... and I too, My children, will always be following your hearts, and not abandoning them at any time when they call on Me...

Come down from this Mount, happy, joyful, confident, My children!.. Bring to everyone the LOVE that you have known and felt here!... Here, My children, is the Cova do LOVE, is the Monte do Amor, is the Monte da Paz!... Here, My children, is the Cross of Grace, the Cross of Peace... Here is the One who is (pause) your Peace...

Pray, little children, pray a lot, so that your hearts don't fall into sadness on the day when I can't be with you anymore , so strongly...

Trust Me! Enter My Heart! Those who enter My Heart, I will take (pause) directly to GOD...

I leave My thanks and My Blessing to all those who, in all these years, have lived and still live My Messages, and will continue to live. -Las... May all My LOVE, all My Grace descend upon you...

Now lift up the handkerchiefs that I asked you to bring, and lift up your rosaries...

I bless you all... I bless you, I bless to all your family members, I bless you with the Blessing of Peace, with the Blessing of My Grace, in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord... A kiss. .."

I LOVE you with LOVE!... THE FATHER is LOVE!... I AM LOVE!... The Spirit is LOVE!... WE ARE a Trinity of LOVE!...

Heaven is saddened to see that in Over the years, the works of sin have increased among you... (pause)

I, your Lord and your God, bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

* (Note . Marcos): (This Message, Our Lord Jesus did not transmit it by voice, as he usually does, HE only gave it to me, so that I could transmit it later)

Our Lady

"- I wish to tell everyone to stay in peace ... Continue to come here every month, I still have, My children, many Messages, many Advice to give you... I wish to be at the side of each of My children, and above all, to bless you all...

Keep My Messages in your heart, and do everything that JESUS tells you..."

Day 02/10/96

"- Dear children, I place in each one of you the LOVE of My Immaculate Heart...

Dear children, transform everything that which is hate in love; turn into Peace all that is war; transform into holiness all that is sin, and that is not good.

Join My side in this hard mission, in this hard work for the conversion of humanity!

As you know, I have told you so many times that Satan has presented himself before GOD, asking for time to tempt the Church and the world, wanting to destroy them...

Satan has scattered all over the world, legions of evil angels, to seduce each of you, to turn you away from God, away from holiness and prayer, and cast you into the fires of hell...

But I, together with Saint Michael and all the Angels and Saints, we descend in these times, to fight the action of the enemy, and soon My Immaculate Heart will triumph!

These are My TIMES! My TIMES have arrived!...

This is the time of prayer and penance!...

This is the time of the Rosary and devotion to My Immaculate Heart!...

This is the time of the Eucharist and the Holy Spirit!. ..

This is the time of Communion of Reparation, and the Rosary of Peace!...

This is the time of My Tears and My Messages, filled with LOVE, Affection and Fidelity!...

This is the time of the Mother of Heaven who descends terribly as an army in battle array; bright as the sun, beautiful as the moon, beautiful as the stars!

This is the time of her dear Mother, which comes to be the peace of her hearts!

Therefore, my children, place the Rosary again in your hands and in your hearts, praying it with love, united to Me.

This is the message I bring you from our God!

I love them! I'm your Mom! I love them! I love them! I love them!

I bless you all in the name of the Father, the Son and the Holy Spirit. Rest in

the peace of the Lord!"

Day 02/17/96

"- Dear children, I walk with you, especially those who suffer the most, and those who need My LOVE the most!

Dear children, pray! pray! pray! Be lights of love for this world, consumed by hatred and a great lack of love, which blinds and dominates so many of My poor children!

There are so many who sin! There is so much evil in the world: robberies, kidnappings, deaths, prostitution, drugs, homosexuality, indifference!

Dear children, lift your hands with Me to Heaven, so that we can achieve the great miracle of conversion and transformation of the world, from a desert of hate, into an oase of Peace and LOVE...

Pray, dear children! Pray the Rosary, as a powerful weapon and prayer force, to transform the world...

The Rosary is the Christian's atomic bomb! With it, everything that belongs to the enemy is destroyed! Pray!

My Immaculate Heart is a honeycomb! The honey that I have in Me is the Grace and LOVE of GOD!

Every Rosary bead that you pray is a drop of honey that I will drop on you, to heal so many wounds and so many pains...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit. .."

Day 02/24/96

"- My children, GOD, with great LOVE, looks at everyone... GOD invites you every day, through Me, to choose the path of holiness. Do not walk in sin!...

My dear children, today, behind everything, a trap is often hidden.

The world, My children, is involved in a lack of Faith, an increasing lack of LOVE...

I want to tell you to pray the Rosary, so that the Grace of GOD can lead you along this new path that I show you. .

I am your Mother, and I have come to tell you: do not lose hope! Do not be terrified, My children, with the ice of the world and people's disbelief...

Do not be discouraged when you encounter difficulties, especially if the difficulties are within your own families, difficulties in loving, in believing, and in

following Jesus ...

Do not be discouraged!

Let no one think that their prayers are not being taken to GOD, My children!

Every day, the Mother of Heaven spreads seeds of LOVE, of holiness, of Grace and salvation, all over the face of the earth...

I am touching sinners, but, dear children, I need you to pray more, because My children are many, and those who pray with Me are very few...

I wish, dear children, that each one of you can be with Me always! Just as the Mother always wants her children to be under her wings, so I, your Heavenly Mother, want you to be always with Me...

I love you, and I tell you that if you do what I ask, if you pray the Rosary every day, very soon, My Immaculate Heart will achieve the great transformation of the hearts of all My children back to GOD...

Be the lilies of purity for everyone! May each of you, My children, send to Heaven a pure lily, every day, for your pure prayer, for your desire to seek holiness, and interior conversion...

I wish, My children, that in each of you I can place all the PURITY of My Soul and My Heart, and where I can place My Tenderness and My Simplicity...

Be My children for love!

Wherever you go, if each one of you lives My Messages, I will be there, with My Immaculate Heart.

The time for My Triumph and My Victory for each of you has arrived...

I bless you all, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 02/03 /96

"- Dear children, GOD is full of LOVE for each one of you!

GOD continues to send Me to earth to give you the Messages and HIS LOVE... Don't lose confidence, don't lose hope!

Dear children, continue to pray the Rosary every day, with love and perseverance!

GOD is fighting for the righteous, and the righteous with HIM will triumph! Do not lose courage or hope, if Satan seems to dominate the world, the sure lord of all people, and the total king of the face of the earth...

Do not be deceived, My children! Don't lose hope, because soon Satan's kingdom will turn into a heap of ruins and ashes. His throne will be totally annihilated and devoured by the devouring fire of God's Justice! He will be locked in hell, with a seal, by the Angels of GOD, and that is why this will be the Triumph of My Immaculate Heart!...

Soon, all those My little children, who cry, who suffer with Me, who harden their knees in prayer with Me, will triumph, because whoever humbles himself is exalted, and Satan, who now exalts himself, showing himself to be the ruler of the young, who seduced to drugs, to crime; for the couples he separated; for the souls he took from the Church, which he caused to fall into apostasy, lack of Faith, lack of love, false sects; he who presents himself as dominating the whole of society; it will be totally annihilated...

A new time of Peace will be given to the world!...

Pray the Rosary, so that this time of Peace, which My Immaculate Heart anxiously awaits, comes as soon as possible!

Thank you for your love for Me and for My Messages!

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord!..."

Day 04/03/96

"- Dear children, I invite everyone to pray the Rosary with more trust, more Faith and more joy, through Me...

Every time you pray the Rosary, you destroy everything that satan has erected with such pride!

When you pray the Rosary, it's as if you build a wall stronger than Jericho's, to protect your families!

Therefore, dear children, build a strong fortress against evil in your families, praying the Rosary every day...

The family that prays the Rosary will be saved by Me, because everything that is asked by My Rosary is granted. ..

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord!..."

Day 07/03/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Little children, (pause) I am with you, today once again... How good it is to be here!... It's beautiful, it's wonderful to be here!...

Thank you so much, dear children, for coming here , even with so many sacrifices...

Dear children, I am with you, like a great Star that lights the way, that leads you to where the Sacred Heart of Jesus is...

I am like a Star shining for you , and show them the direction they should go...

In the Apocalypse you read that a great Angel came down with the key, a great key in his hand, given to Him by the Lamb, in the presence of HIS Holy Angels, (Rev. 20,1) that He was given the power to close the abyss with that key, and lock him up forever, lock him up, the enemy, the adversary of God.

Dear children, I am that Angel who comes down from Heaven with the key in his hand!

My Son Jesus gave to Me, His Mother, the key that will close the door of the abyss and, on the day of the Triumph of My Immaculate Heart, I will throw satan into the abyss, lock it with the key, so that it does not go out to do bad to earth.

I will seal the door of the abyss with the STRENGTH of GOD, which GOD grants Me, and together with the Holy Angels, We will obtain the great Triumph of GOOD, LOVE and TRUTH, over all the forces of evil!

They are seeing the world filled with hate, filled with violence, with innocent blood shed. They are seeing more and more catastrophes and evil from all sides.

My Heart feels very sorry for My children who suffer in a world full of hate, which offers no hope.

Dear children, My Heart counts the moments in which I will finally throw the dragon into the abyss and lock it, and finally, My little ones will live in Peace, in a world full of LOVE, in a world that will truly be a mirror of the HOLINESS of GOD !...

GOD will look at the world and see HIMSELF reflected in it, and men will look at themselves, and they will see GOD present in them!...

This will be the Triumph of My Immaculate Heart, which is very close to happening...

Pray! Pray! Pray, dear children, that My Intentions may be realized as soon as possible!

If sad things still happen in the world, it's not because I'm not close, it's because you pray little!

So, dear children, pray, bend your knees to the ground, ask GOD for Mercy, because now the door that is open is that of Mercy...

The door of Justice is already opening a crack.

Yes, My children, take advantage of the door of Mercy, because whoever does not go through this door must go through the door of Justice, from which no one escapes.

So, My children, I invite you to repent of your sins, with true pain in your heart.

To all who come here and cry tears of repentance, I will show them the way to holiness.

I will make you feel in your heart a very great force that will envelop you throughout your life, and will not let you down.

Dear children, open your hearts to Me!

I desire, as I have said here so many times, to enter your hearts with Jesus, and live there.

The dragon not only wants to devour them, but wants to destroy all those who live around them, especially their family members.

The key that closes the abyss, which I hold in my hand, is the Cross of Jesus, which is found at the end of the Rosary...

The key that will close the door of the abyss will be My favorite prayer after Mass: the Holy Rosary!... So, dear children, I ask you to return to participate in Holy Mass with great love...

The Mass, My children, is the greatest gift that God could have given you. Jesus is the Father's gift to you throughout the Mass! Therefore, I invite you to participate in the Mass with great joy in your heart, with Faith and true trust in Jesus, My Son and your GOD!...

I ask you for the Rosary; the Rosary in the family; the Rosary in a group; the Rosary in the Church; the Rosary everywhere! Fill the world with the prayer of the Rosary, so that the dragon is more and more annihilated, until the day comes when I, with Saint Michael and all the Holy Angels of God, will forever seal the door of the abyss, where smoke and infernal fire can no longer be spread over the face of the earth!

I invite you to live the Messages I have given you! If I've been here for more than five years, it's because I'm still grieving with LOVE for you; it is because

My Heart still has compassion on you; it is because the Mother still cannot leave you, she loves you and wants to be with you, so that you can overcome all trials!

Satan causes them trials day after day, wanting to see them forsake the Faith. Every time someone weakens and wants to turn away from Jesus, Satan proclaims victory in the midst of his battalion of evil angels.

No, do not exalt the enemy!

Worship GOD! Say no, say no to the enemy, and say YES to GOD!

Let yourself be totally formed by GOD, protect by GOD!

GOD wants to protect you, but you don't let it, because you don't pray, and you want to make a Faith of your own will, and it's not like that, little children!

You must have Faith as My Son Jesus taught in the Gospel: Whoever is not born of water and the Spirit will not enter the Kingdom of GOD. It is necessary for you to be born again. I am the way, the truth and the life. Whoever follows me does not walk in darkness. Whoever walks with ME, does not walk alone.

This is what My Son taught you. Faith is only in Jesus, and only in Him will you find true joy, from which true Peace springs...

I came here to say that GOD exists! GOD IS THE TRUTH! IN HIM is the fullness of LIFE!

I presented myself here as QUEEN AND MESSENGER OF PEACE, to remind you that Peace the world will have, if you live the Faith...

There is no more than one Faith, than one GOD, than one FATHER. Only in this GOD, and in this FATHER, is Peace...

Therefore, My children, pray with Faith, fast, receive communion and be reconciled; make peace with GOD and with each other...

Take My Messages to everyone! Take My LOVE, for you need Me!

Do not be afraid! Take My Messages to all My children! I will engrave your name on My Immaculate Heart! I will never forget them! I can't forget who loves Me, never!

The Mother wants everyone inside her Heart!

Raise the Rosary with all confidence every day to GOD, to offer it in the name of your brothers who do not love as they need, so that, as soon as possible, LOVE returns to the heart of man, because it has almost disappeared from the face of the earth. ..

That is why when I appear in many places on earth to speak of LOVE, the enemy immediately arranges for men to pursue Me, for men to deny My Messages...

Men do not want to hear about LOVE; men don't want to forgive, they don't want to share, men don't want to pray, or repent, or return to God; but, in the end, My Immaculate Heart will triumph!

Those whom My Heart calls will live as My Heart has lived: loving everyone and everything, living for GOD, for GOD, as true servants of the Lord...

I bless you all with affection, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children! (pause) I AM the Lamb of GOD!... I AM Jesus, the joy of souls!... I AM the Light, the ray of Light, which makes your life happy!...

O ashes, listen to the Lord who made you!

This is the time of penance. When I say that you are ashes, My children, it is to indicate to you that without ME, you can do nothing good...

I AM Goodness! I AM Mercy!

Everyone who is close to ME, like a branch is attached to the trunk, receives all the sap to grow, to flower and to fruit. charity, humility, and this will bear much fruit...

Many conversions, many wonders will happen in the life of those who are close to ME...

This is a holy time, for you must adore Me and meditate on My sufferings, My painful and bitter Passion!

I want to talk to you about fasting, because many want to live My Mother's Messages, without fasting. Now, My children, even though I am GOD, I wanted to fast in the desert, to show you that Satan can only be overcome with prayer and fasting!

When the tempter approached ME, and offered me his seduction three times, so that I would betray the LOVE of My FATHER, I resisted him, showing that with fasting, man can also win!

Man does not live for the world, he was not born for the world, but the world exists for man...

So, dear children, you must never be slaves of the world, but the world must only be what is necessary for yours. to live.

Woe to those who do not fast on bread and water that My MOTHER asked for! Yes, they will fall into many snares... They will not have the strength to resist temptations, and when he who is the son of perdition approaches, offering everything that in the world you call the good and the best, many can fall into the snare of the My enemy and the son of perdition, when I come to show you good things, wanting you to deny ME, and to forget ME in your lives...

How many, because of material goods, have already taken ME out of their lives; they put Me aside and avoided My Sacred Heart... They blackened My Lips. For them, My Lips cried out in vain!

How many, because of their vices and pleasures, have made My Sacred Heart a quartered flesh of so many blows, because every sin you commit is a blow you give to My Heart...

I tell you that the spear with which the world today pierces, is more painful than that of Calvary!

Children, why even knowing what pleases Me and what I love, do you only do what My eyes hate?

That's why the spear that pierces my Heart is so hard!

I come to tell you that this is the time of conversion, and that you must convert without delay.

I want your change! Return to ME! If you, My children, were outside your home, seeing your father crying for you at the door, with his arms outstretched, tears streaming down his face, and inviting you to come back, and even then, if you didn't want to, imagine the affliction to which that father would be reduced!

My children, My eyes are exhausted from crying so much! My Lips are dry from screaming in this desert!

May your hearts be attached again to ME!

My Arms are extended to you!

My Heart is broken by the weight of your ingratitude, your lack of love, your hatred!

O children, return to My Sacred Heart!

Sin no more! Sin no more!...

I invite you to do penance. My MOTHER came here to ask for penance! Everyone listened; few did what SHE wanted, and that is why many souls are still dominated and subjugated, under the paw of the dragon...

O My children, pray, pray, pray, so that as soon as possible, the day will come when the FATHER granted ME, the Day of Justice, where I will crush Satan the dragon and free you from the smoke he throws at you from his nostrils, this smoke that is sin, orgy, fornication, fornication, homosexuality, drugs, adulteries, crimes, violence, robberies, rebellion against ME...

I have given you a Star which is the Door of Heaven always open, the Star of the Morning, which puts an end to the night. She is my mother!

Whoever puts himself under the Light of that Star, will not feel the cold of the desert, of the hatred that is this world, and he will not be left with faltering steps!

Just like the Holy Magi who came to adore ME in the crib, they had no hesitating steps, for the star guided them and they felt neither loneliness, nor the cold, nor the ice of the desert, place yourselves also under that Star, so that you may arrive until where I am, with open arms, meek and humble of heart, to forgive you!...

Generation! Make peace with ME! Make peace with ME!...

Every Priest that I left on earth, in My Holy Church, is the continuation of My Smile, and of the Light that shines in the midst of a world that has denied Me as its GOD...

My children, go to the Priest to confess your sins to ME!

Understand that the Priest is only an instrument, to whom I have given the magisterium in union with My Pope. No one has the power to forgive sins, except My Church and My Priests, who are united to My Pope...

Go there, dear children, because the Priest is for each one of you the sign of My great LOVE!. .. The Priest is like a mirror, where I want to reflect My Face in it, so that you can see Me in their person. Each Priest is a mirror, which must reflect My Holiness, My Justice, My Grace...

Therefore, those who turn away from the Church, achieve nothing good, because without ME, you can do nothing...

Everyone who separates himself from the Church is a branch cut off from the trunk; he will die, grow old, he will become nothing, but he who remains united to Me, through My Holy Church, to My Peter, Pope John Paul II, will bear much fruit.

You must open your hearts, because My enemy even tries to throw confusion in My Holy House! You must examine well whoever listens, because the truth is no longer in everyone, but where My Mother and My Spirit dwell; there's the truth.

be guided by My WORD; let yourselves be guided by My Holy WORD.

Everyone who reads a passage, a verse a day, will walk and walk WITH ME in the truth.

Listen to My Mother! Love My MOM! I followed my MOM!

SHE loves you so much! Take advantage of the fact that while the door of Mercy is open, My MOTHER can come to you, because when the door of Mercy closes, and that of Justice begins to open, She will only be able to intercede for you! There cannot be as many Graces as you are receiving now!...

The time for Grace is now! Soon, within a very short time, many trials will come! But have confidence! I have conquered the world!...

Behold the One on whose Head I have placed a Crown of twelve stars! Yes, SHE LIVES! SHE REIGNS WITH ME! SHE WINS WITH ME, and SHE WILL TRIUMPH FOREVER WITH ME!

And those who put themselves in the Arms of this MOTHER, will also live with US!

Be like beads from My Mother's Rosary!

Show My MOTHER'S LOVE to this world!

Have a total prayer life!

Pray the Rosary, because just as I also welcomed myself in My MOTHER's lap, surrendering to HER, hugging Her when we lived together in Nazareth, kissing Her Face, caressing Her Face, holding Her Hands, stroking Her beautiful Hair, being the Son of God; so you too, abandon yourselves to My MOTHER's lap!

SHE will never leave you! SHE is yours and MY MOTHER!

SHE does not forget any of the children that SHE was given by the FATHER! All of you were given to Her by Me, at the foot of My Cross.

Drops of Blood fell on the veil and on My MOTHER's Head, when I gave HER, by the AUTHORITY of My Blood, by the POWER of My Precious Blood, the Mission to be your MOTHER...

My Blood gave the POWER to My MOM, to be your MOM too!

Therefore, love My Mother! Praise My Mother! Whoever consecrates himself to HER, gives himself to ME, and whoever gives himself to ME, will be saved, because the Son of Man came to save those who were lost!

I desire Mercy! I have mercy on you!

Therefore, everyone who gives himself to My MOTHER, gives himself to Me,

and whoever believes in the Son of Man will not die, but will live forever...

I and My MOTHER bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/09/96

"- Dear children, I am with you, and I accompany you with My Grace...

I wish to ask for your prayers, so that the Triumph may hasten of My Immaculate Heart. Every time they pray, GOD manifests HIS Goodness, touching the hearts of men, and making them know HIS Grace...

I want to make My Triumph happen, so I ask you to pray for the plans that Jesus and I made for you to come true!

Pray the Rosary every day, My children!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/16/96

"- Dear children, today I wish to call you to LOVE and to prayer...

Pray, dear children, that the LOVE and Grace of GOD may envelop and transform the lives of each of My children.

The world has become a desert of hatred and rancor...

With prayer, we will transform into LOVE all that is now hatred and sin!

I am with you, dear children, and I always ask Jesus to increase his strength!

Begin to forgive from the heart, first of all, your family members. By being able to forgive your family members, you will also be able to forgive everyone!

Pray the Holy Rosary every day!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/17/96

"- You have seen, dear children, how much the enemy acts against the servants of GOD...

Do not be afraid! As I taught you, fight and defeat the enemy with prayer!..."

Day 03/21/96

"- Dear children, I wish, with all My Mother's Heart, to say to you today, once

again: PRAY! ...

Nothing is more important than prayer now...

What the world needs is not power, greatness, but what the world needs is GOD, My LOVE, and prayer!

If you pray, everything that you do not have the strength to overcome alone will be solved, because prayer is a river of living water, which flows into ETERNAL LIFE

... Heaven, in eternity, in life in GOD, which will never end...

Pray that your hearts may already experience the presence and Peace of Heaven, on Earth!

I pray for you every day to GOD, for your Peace... Pray also for the Peace of the world, as I pray for it...

Pray the Rosary every day!

What I say is serious! It is your Heaven that is in decision, My children!

A sin of yours could jeopardize your meeting with Me and the FATHER! Don't play with your salvation!...

Pray for real! Pray with love! Pray with all humility, with all confidence, and with all your surrender to God!...

Consecrate yourselves! Do not keep your hearts with you! Leave your hearts safely with Me, because if they are in My Hands, the enemy cannot take it from Me!

When I say consecrate, it means living My Messages, praying the Rosary, giving up television, fasting, going to confession every month, believing, living in Peace...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord!..."
Day 03/23/96

"- Dear children, I ask you to live My Messages!

There are many who do not want to live them! For these, destiny is fire! Pray more, much more, the Rosary!.. I

bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/28/96

"- Dear children, listen carefully to My call!

I want to ask you for more prayers of the Rosary I realize that you have little confidence in the effectiveness of the Rosary! Trust more in the power of the Rosary that I love so much!...

I have no other wish than that you yourselves be a living Rosary in the midst of the world, showing everyone the joy of GOD, the strength in suffering, and the certainty of Heaven...

In a battle, if the opponent finds the soldiers without defense, without their weapon, they are annihilated. Therefore, children, may Satan not catch you apart from the Rosary!

The Rosary tells the LIFE of My Son Jesus:

In the Rosary are the Tears and Blood of My Son Jesus. In the Sorrowful Mysteries is the Cross of My Son!

In the Rosary is the Holy Spirit, who descended on Me and the Apostles!

In the Rosary are the Angels, represented in Gabriel, who came to Me at the Annunciation, when they announce the birth of Jesus to the shepherds, when an Angel consoles Christ in the Garden of Olives, and when they come to announce the Resurrection, and to take Me in BODY and SOUL to Heaven...

In the Rosary is the FATHER, because the FATHER was ALL in Jesus, and Jesus was ALL in the FATHER...

Therefore, My children, the Rosary is the universal prayer, it is the weapon by which the world will be saved! Don't try other solutions for the world, because they won't exist...

The salvation offered by GOD is the Holy Rosary!

The Rosary will lead you to be intimate with the FATHER, Temples of the Holy Spirit, friends of the Angels, and totally My children.

Therefore, whoever loves My Rosary, lives the Mass and lives the prayer, with a humble, open heart, and full of Peace...

I bless you all, in the Name of the Father... of the Son... and of the Holy Spirit ...

Rest in the Peace of the Lord!..."

Day 30/03/96

"- My children, with great LOVE I want to ask you to be active in prayer.

I invite you to help Me, with as many Rosaries as possible that you can offer Me, because Satan does not want to destroy only you, but he also wants to destroy the planet on which you live...

Therefore, My children, now that you know more his activity, he intends to throw himself more forcefully into the world. But pray, pray in Peace, pray for Peace! Satan can't do anything when your hearts say YES to GOD and to Peace!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/ 04/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, Jesus is risen, hallelujah!... I am the Joyful Mother of the Resurrection!... I am the Mother of Comfort and the Light of Jesus' LOVE!. ..

My Son Jesus, full of Glory and Majesty, three days after HIS DEATH, leaves the Glorious Sepulcher, never to suffer or die again!...

Jesus opened for you the certainty of Heaven, of ETERNITY, that LOVE , even if fought, even if persecuted, will never die!...

LOVE will have no end, because My Son Jesus is the Lord of all ETERNITY!

Dear children, look today at the Risen Jesus, and see how many of your brothers and My little children, who still behave like the soldiers and the Pharisees, who do not want to believe that HE LIVES!

I feel great pity in My Heart for these children, because they do not know what they are doing, in the darkness in which they live...

O My Children! Jesus LIVES! And HE today calls everyone to live by His side! Living next to Jesus means: accepting His entire Gospel, all the truth revealed and announced by My Son Jesus...

You cannot serve two masters. You cannot live what My Son Jesus taught and serve the world at the same time!

Renunciation is the first step in following Jesus. He who does not wash himself first cannot enter the party, nor lie down and sleep well. In the same way, My children, those who do not purify themselves from their sins will not be able to enter the Feast of the Kingdom of God one day and rest in Heaven...

The one who is dirty, the one who is contaminated, causes something in other people that is not good. So too, My children, if your soul is not cleansed from your sins, you will not be able to help your brothers and sisters to convert.

What I ask, My dear children, is that with humility you truly convert, and help all those who come to you, to convert...

My Immaculate Heart is concerned about the world, because even today many want to cover their own ears, so that they do not hear the VOICE of My Jesus, who speaks to them by Pope John Paul II, to whom the magisterium, the Supreme Gift of GOD, was entrusted, to lead the sheep to the source of salvation...

Oh, My children, how I wish that today, Easter, was a day when all knees, on earth, bow before My Son Jesus!

Pray, My children, for this Triumph to happen as soon as possible!...

I invite everyone to continue praying the Rosary, with as much faith as possible, with all humility, with all the love, so that, with each account, Jesus let the drops of His Blood fall, so that from a terrible and dark desert of hate that this world is, it may become a garden that I myself want to take care of, with My Sweet Hands...

Understand what My Maternal Look I mean to you...

How many times I presented Myself to the world, with Tears of Blood in My Eyes, but they didn't want to hear Me!

***All this, My children, because your hardness of heart makes Heaven worried...

Sin no more! May your hands, My children, lift up with Mine to Heaven, to ask for Mercy, and may you show, to all your brothers and sisters, what I show you here, in these Messages: - salvation, the remedy for the world: Jesus in the Eucharist and the Holy Rosary... the true devotion to My Immaculate Heart, a devotion that is not committing sins, and not digging Me more thorns, which pierce My Mother's Heart...

I invite you, I call all with LOVE, to be the LOVE of GOD in the world, to be Peace!

I invite you, My children, to have the humility and simplicity of Jesus in you! HE comes out of the tomb, with the pure and simple LOVE with which He loved everyone. Let your love be like this too, pure, simple, but let it be like that of Jesus: - an ETERNAL LOVE, which not even death can suffocate...

I am with you, and I help you to feel the LOVE in your heart!...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My children, (pause) today, I AM Jesus, the Risen One, the LIFE and EVERYTHING, of My sheep...

Each sheep that is of the TRUTH, listens to My VOICE, because today, the TRUTH lives forever...

My beloved ones, with My MOTHER, I wish to place before you the new life that My FATHER wants to plant on earth.

I call everyone, through My Holy Spirit, so that they can understand My WORDS, when I said: - I will be with you every day, until the end of the centuries.

I am ALIVE among you! I am ALIVE, and ALIVE, I will act!

There are many who want to proclaim that My Lips are still closed, that My Heart is forever silent, affirming that I cannot call My sheep again, through My MOTHER, so that they return to the path from which they strayed, in your confusion...

O My Beloveds! I am ALIVE, and My VOICE, ALIVE, will rise above the world!

I am, every day, ALIVE, and ALIVE I will stay by your side, until the last day, and, My MOTHER, who I did not let stay locked in the tomb, My MOTHER, who I wanted to be by My side, to that, VIVA SHE loved you, so that VIVA, SHE would be your protector, and be your comfort... I and HER, with OUR Two Hearts, will lead the sheep of truth, along the path of truth...

I show you the sensible sign of My Presence in the world, which is the Pope, prepared and formed by Me, John Paul II... Stay with him, follow him, love him, pray for him, because he carries in his heart My LOVE, and carry, in your soul, the breath of My Holy Spirit, which I myself have given you, with a much stronger, special essence, in response to My MOTHER's request...

Do not go into prostitution! Don't go to drugs! Don't go, to the hardness of heart...

Don't let the darkness darken the flame that is in you, My dear ones. Be flames of love, in the midst of hate. With the LOVE of the Holy Spirit, extinguish all the fire of hatred that burns, and light Mine, which is Peace, which is LOVE, which is Mercy!...

I was resurrected, so that the world could have life, and soon, with My MOTHER, I will make, through My Spirit, that this humanity, for which I gave Myself, resurrect...

Triumph is near! I and MY MOTHER are going to place the serpent and our enemies on the footstool of OUR Feet...

LOVE will triumph! It seems that LOVE, today in the world, disappeared, just

as everyone thought that I had been defeated... But, LOVE LIVES, because it is bigger than the world! Can you not understand?...

I will make My little ones rise up, to follow behind My Light, the path, the trajectory, the path to Heaven...

I have opened the doors of Heaven to you, and no one will have greater authority than My Sacred Heart to close it, and that is why it is still open... The door of Mercy is still open! Come to the door of Mercy, because when it closes, and the door of implacable Justice opens, even if they were hiding in the depths of the earth, My Gaze would wait for them there, before they arrived there

... here is what I want from you: - works of love; life full of love! That's why I also told you: - It is necessary for you to be born again. Whoever is not born of My Holy Spirit, whoever does not receive My Holy Spirit, will not live... Whoever eats My Flesh, whoever drinks My Blood, has LIFE, and will live forever. He who does My FATHER's Will, and keeps My WORDS, is the one who loves ME.

Go, take My Good News to all the brothers, bringing them to My Catholic Church, which I love, which I myself gave Blood and Water when the spear pierced ME, so that She might be sanctified, so that She might be ME the distributor of Blood and Water, Mercy and LOVE...

So, bring everyone to ME, to Salvation, to the door of Mercy...

I AM the FLAME of Mercy, and I bless you with all the Grace of My Father, in the Name of the Father... of the Son... and Holy Spirit...

Peace be with you! Fear nothing! I felt the Holy Spirit... I leave the Holy Spirit..."

Day 05/04/96

Mark: (Our Lady revealed to me the 11th and 12th Secrets. There was no public message)

Day 05/07/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, today, with great LOVE, I, Mary, Mother of Jesus, come from Heaven as QUEEN OF PEACE, to say to My Brazil: - PEACE!... (pause) My Brazil will have Peace! from Brazil, the land of DIVINE and Holy Peace!...

Here, in this Brazilian soil, where My Son Jesus commanded Me to come and bring My Messages many times, here, dear children, My Immaculate Heart will shed His Light, and His complacency. ..

I am the Mother of all of you! Every month, children, you come here to hear My Message, but there are still many who return without putting into practice the Message they heard... Today, this is it I wish to ask you: - live the Messages I give you here!...

While these Messages, My children, come to earth, today so numerous, like drops of rain, (pause) live these Messages!... The signs of the Tears that I give you, in so many places, are for you to convert, and believe me...

The time will come when sinners, when they feel that the door of Justice is open, and no one will be able to close it, will bang their heads, will want to pull out their hair, will curse the life lived without GOD, lived in sin, (pause) they will want, but they will no longer obtain... they will scream, but they will hear nothing more... they will cry, but nothing else (pause) will help...

O children, convert now! I am not kidding when I say that I want you to convert, and My "conversion" is not to abandon just one or another of your vices and defects: - you must abandon them all!

I am your Mother, I know what even your heart does not know, and I know that you have many sins... but I, children, cannot stop thinking for a single moment of My dear children, and that is why that I come from Heaven, with open arms, so that no child is afraid to approach Me... and it is here, children, in this White Veil of Peace, Immaculate and Pure, that I want to keep each one of you.. I

decided to appear here, with My Heart leaping in my chest, to say, children, that My LOVE is so great... that My Heart is so great, for you, that I can no longer retain this Flame within Me. of LOVE... comes violently looking for you! Do not deny receiving My Flame of LOVE!...

I want to place this Flame of LOVE in each of your families... May each family be a prayer group! For the families that pray My Rosary every day, at eight o'clock at night as I asked, in the Hour of Peace, I promise that this family will live forever under My Mantle, under My Arms, in Heaven...

Pray, children, pray the Rosary as much as you can! Just as the prayers, Hail Marys and beads of the Rosary are numerous, so will My proofs of LOVE and Affection that I have to give you...

Pray the Rosary! The world, My children, will be saved (pause) by the Rosary!...

I never got tired of appearing here, all these years, to say this: - DO NOT FORGET MY ROSARY!...

Many wonder why I repeat the same things?... It is because you, My children, are like weak children, who forget (pause) that they have a Mother, and I cannot leave you alone; it's because they're really so small that they can't be alone! That is why the Mother of Heaven is still here, asking, begging, imploring...

I ask you all: do not be ashamed, children, of My Messages, but communicate them to everyone you meet!

Oh My children, I have a Crown of stars on my Head, but the crown that I most want to have is that of children, who live My Messages, who fulfill what I want, building My Triumph on earth...

Thus, the Crown of thorns will come out of My Heart, and the crown of your love will come to be, next to My Heart, the most beautiful thing that the CREATOR can contemplate...

I bless you all, in the Name of the Father. .. of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- O My beloved ones! I AM JESUS, the DIVINE Mercy, and I am here today, with My MOTHER, to say: I LOVE YOU! (pause) I LOVE YOU! (pause) I LOVE YOU!... (pause)

O dear children, I AM KING!!! I AM, of Mercy, the KING!...

I and My MOTHER, in these times, as in a strong breath of the Holy Spirit, WE are linking all hearts, where we are welcomed throughout the world, and I tell you that now, the Time for the Triumph of OUR United Hearts is enough!...

O My children, who carry such heavy crosses for My LOVE! Don't be discouraged, don't get tired, don't be sad, don't be discouraged! I am accompanying you on the path to Calvary (pause) that each one lives...

Just as, on the path to Calvary, the Heavenly FATHER was welcoming My SACRIFICE, present in ME, because I and the FATHER were ONE, and just as My MOTHER was by My side, giving Me strength, showing Me Her LOVE, giving Me Her Tears, proof of the greatest adoration she had for ME, so is My MOTHER also next to the cross, that each one of you you carry... and My FATHER welcomes your sufferings and sacrifices, for the conversion of this sinful world...

O children, in My Gospel, I said, just before leaving: - WHEN THE SON OF MAN RETURNS, HE WILL STILL FIND FAITH ON EARTH ?...

O children, I and My MOTHER are here, bringing these Messages, so that apostasy does not become general...

The lack of Faith, O children, devours souls, like the most preventable disease, and only I can heal you. ..

Faith (pause) is not just what your lips speak about, but Faith (pause) is what springs from your heart...

If you now look into your hearts, and see that there is nothing there but ashes, mud and vices, know, children, that what you say is not sincere... I

will judge souls, when I return, not so much for what they said, but for what they lived...

keep My Commandments; keep them not only in words, but keep them with your heart...

I myself will make your hearts the tablets of the LAW, where I will engrave all My Commandments!...

I, through Baptism, that My Church has the Mission to continue in the world in My NAME, so that all may be saved.. through My Priests, through baptism, I have placed in you the seed of My Commandments, and of My Holy Spirit...

If when I return, My Holy Spirit shows Me, in HIS LIGHT, that in your heart there are stains , you children, you will not be able to be taken by ME, to the FATHER...

I asked My MOTHER, that in each Rosary, She comes with Her Immaculate Hand, to remove the stains that are in your hearts, so that again, you will have purity and holiness, when you came out of the waters of baptism...

Let that Spirit that flooded you, My Holy Spirit (pause) of LOVE, act and be in you...

I also want to say that many here despise ME in the Eucharist! They communicate with ME, as if I were (pause) anything!... They communicate with ME, with a heart full of poison, their falsehood, their vices, their carnal pleasures...

Often, when they communicate with ME, I AM immersed in an ocean of poison that, like a terrible gall, comes to embitter My Heart...

O children, let My Holy Spirit extort this poison out, so that in your heart there is only Water and Blood, of My Mercy ...

My gaze rests on the whole earth... Many are those who rise up against ME, but at the right time, I and My Mother will make them a footstool for OUR Feet... We will crush the serpent, and those who served as prey, to the devil will seduce other souls, those who worshiped the serpent, his fangs in the world, will all be, once and for all, crushed and crushed...

I will strike the enemy at his point of pride, and make him fall, in a fall from which he will never (pause) rise again...

My FATHER wants it, and I, with My MOTHER, want that in the FATHER, too...

The world will revive! My Church will be candid like My MOTHER! All who look at the Church will be amazed at its purity, identical to the purity of My MOTHER! It will be the same purity, it will be the same holiness, it will be the same Church, Mother and Immaculate, as My MOTHER...

I tell you: My Priests will have fire in their hearts, fire of My LOVE!... Their lips will be like the Mine!... Your words will penetrate to the most intimate of hearts, because in My MOTHER's Triumph, and in My Triumph, My favorite children, consecrated to ME and My MOTHER, will have OUR own f WISDOM, SCIENCE and STRENGTH , and they will win with US...

Yet I say to you: the son of rebellion is coming! He will show himself to you, as the seducer... He will promise you many cures, but it will not be I who will be doing it, because Satan will try to deceive you, much more than turning stones into bread!

As I told him: - Man does not live by bread alone, but by every WORD that comes out of the mouth of God. You too must believe in this My WORD, and you must announce it, and you will not fall into the trap of the antichrist, who comes (pause) by darkness...

Do not give in! My MOM will show everyone who he is, so that you are not one of those who will be deceived...

Pray, O children, that much more than the elect, you may be of those who washed their clothes in the BLOOD of the Lamb, and washed their lives, sanctified themselves and were saved!... (That) you may be of those, as I spoke in the Revelation by My Prophet: - "who come out of the great tribulation, and they will sing praises to the FATHER, to the Son, and to the Holy Spirit GOD, for all ETERNITY of the ages of ages without end, in Heaven..."

I want you to be these elect, who will overcome every trial; for that, I let My MOTHER and My Sacred Heart come to earth, in these times... Hear these Hearts!!!...

Stronger than thunder, and brighter and more intense than lightning, so (pause) it is the LOVE we have for you!...

Much more than the intensity of lightning, much more intense are the Graces of LOVE that My MOTHER implores Me and pours out on you...

WE TWO, MY MOTHER and I, ARE (pause) LOVE... Who wants to know what what LOVE is, know WHO OUR Hearts are, and you will know (pause) what LOVE is...

And now, I repeat again, in these last years, on the verge of the Triumph that will come: - Finally, OUR Hearts, (pause) Raised, (exalted, glorified) You will reign!...

I bless you all, to all My Church, to all the little ones who trust in Me, and to all

those on whom My MOTHER has placed Her Heart, in the Name of the Father... of the Son... and of the Holy Spirit...

The Alpha and the Omega, (pause) the beginning and the end, (pause) from the beginning loved you, and without end, My LOVE will love you. ..

Be in Peace!..."

Day 05/18/96

"- Dear children, live My Messages!...

Satan hates those who live My Messages, but those who live them were called by Jesus to take the My LOVE to all people...

Take My LOVE, and help everyone to increase their love for Me!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 24/05/96

"- Dear children, I want to give you My LOVE, and the benefits of My intercession.. I

am your true Mother and your true intercessor, next to the Throne of GOD, next to Jesus...

In deep silence, listen to My Message:

LOVE builds Peace on earth! LOVE is for you the only way, the only way, to reach Peace...

Hate sees no one and nothing, it destroys everything in its path. In hearts that have hatred, fetid swamps and putrefaction of Satan are established, like a pernicious kingdom, that fights in rebellion against GOD...

Let, dear children, that the Grace of GOD win and triumph in your hearts. Only LOVE can change their lives!...

Today, people live and die habitually in mortal sin, without any regard for GOD, without a single drop of LOVE. Soon, they see hell, and they cry out to Me: "Help! Help! Get me out of here!..."

I tell you children: - the days and times when I can save you from hell are now! If they delay your conversion, it will be too late...

I am already exhausted from asking humanity to convert. Men let hatred and lack of love settle in their hearts, like a thick layer of ice, which prevents them from any ability to feel the LOVE of GOD in their lives, like a blindness that blindfolds their eyes. So is sin...

Many of My children are already far from the Church, far from the true path, living in error, vices and sin...

Others no longer want to hear My Messages with love, and will be placed on the on the same side as the bad ones, because they no longer wanted to answer the call of GOD...

If everyone knew and knew the eagerness with which My Immaculate Heart comes to give them these Messages, they would never commit any sin again...

Among you, there are still many who pierce My Heart! I continue to suffer for every child of Mine who lives in addictions, indifference, lack of prayer...

I ask you for a general return to GOD, an immediate return! Open your hearts to the LOVE of GOD, like the flowers that open in the spring sun! Only through the opening of your hearts will I, your Mother, be able to accomplish My Works in you...

I am the Help of Christians! I am the Mother who is always helpful, always ready to help you, and to give you Peace...

Fill yourselves with hope, love, prayer! The Holy Spirit will soon come upon the earth and cleanse it entirely! But in this powerful intervention of the Holy Spirit, there will also be the condemnation of the wicked...

You see kidnappings, robberies, prostitution, violence that erupts from all sides. These are the signs that indicate that the return of the Son of Man is near...

My Triumph is at the door! He who is not in prayer will succumb... He who is inwardly rotten will fall, and whoever falls will not be raised...

Therefore, My children, I implore you at this moment, convert, return to God. for the meditation on the Holy Wounds of Jesus, and on the Sorrows of My Immaculate Heart...

I ask that you no longer make Me cry Tears of Blood for you, but come back as soon as possible, for conversion, (pause) to GOD...

One day, I will show myself smiling and happy, only the children who will be worthy to meet Me like this will be the ones who pray and live all My Messages now...

Pray the Rosary every day! Don't get tired of praying the Rosary! The one holding the punishment is the Rosary! What is preventing Satan's domination from becoming general is the Rosary! What will save you, My children, is the Rosary!!!...

Therefore, if you want to be saved, pray every day, in union with Me, the Holy

Rosary...

I promise great Blessings and great Graces, to all those who pray it with love and devotion, every day...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit...

Be in Peace!..."

Day 25/ 05/96

"- Dear children! (pause) My Heart desires for everyone, the Peace that comes from the Holy Spirit...

GOD sends the Holy Spirit on earth, so that He can reborn, in your hearts, LOVE and Peace...

I was with the Apostles when the Holy Spirit came for the first time, and now, it is My Maternal Mission, to stay with My children, to teach them to ask for the Holy Spirit, to help them receive the Holy Spirit, and to strengthen you in the witness of the Holy Spirit...

I am Our Lady of Pentecost!...

I am the Mother who came to earth, the Mother of Peace, to bring to each of you the fire of the Holy Spirit, here, where I showed My Heart, and I opened It, to reveal all My LOVE, in My Messages...

I lit a burning fire here, which I want to spread in every heart. For this, My children, pray the Rosary, take the Upper Room with the prayer of the Rosary and My Messages wherever you go, because where I am, there is the Holy Spirit!

HE always seeks Me, because I am an efflor...

Just as birds seek a nest, so dear and desired, the Holy Spirit seeks Me and seeks Me where I am, because My Heart is the Temple, Nest, and LIVING Tabernacle of the Holy Spirit!...

Where the cenacles with the Rosary of Peace, with My Messages, and with the Gospel are welcomed, there will be the Grace of the Holy Spirit, cooperating with Me and with My children...

Pray! Many of you are content just to come, but I would like many to make cenacles, in all homes...

I wish today to ask you for a greater love of the Holy Spirit, through the Rosary... Yes, My children, ask for the Holy Spirit through Me!

The Holy Spirit could have lingered longer in descending on the Apostles, but,

seeing Me, the Mother of Jesus, the flower and splendor of the Holy Trinity with them, HE came, with all HIS STRENGTH, with all HIS DIVINE POWER!...

In those who are with Me, the Holy Spirit is poured out much more... Therefore, children, speak less, pray more, and you will see that the fire of the Holy Spirit will be in you, even greater what you can desire and expect...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

I leave My Peace!...

Rest in the Peace of the Lord..."

Day 07/06/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My dear children, I am Mary, the Virgin of the Rosary of Peace... I am, My children, the LOVE of GOD, (pause) that spills into the earth...

As an open flower offers many petals to those who contemplate it and look for it, so too, My children, I am the flower of the HEART of the Most Holy Trinity, which opens the petals of Grace to all My children...

I am Mary, the Mother and Queen of the new millennium, who will begin from the year two thousand...

Do not think, children, that the world will end in the year 2000, by no means! The year 2000 belongs to My Immaculate Heart! After it will be the millennium marked by the Grace of GOD, by the Victory of the Lord, this Victory contained, proclaimed, in the Holy Scriptures, in the Apocalypse...

In these times, I, the Woman Clothed with Sun, fight the battle against the dragon, the same one that I allowed you today to see who he is... and how much My POWER, and the POWER of My Lord, is greater ...

My Heart Will Triumph!...

Those are wrong who say that I say that the end of the world is near, because I do not know what this DAY is. Yes, the end of sin is near! The world will no longer know what it is to offend My Lord...

A seed that is sown, worked and cultivated with love, later on becomes a great leafy tree, with wonderful fruits. Every heart that came here to meet Me is a seed that I plant in the world, that I want to work, cultivate, make it grow in the LOVE of GOD, in fidelity to the Holy Church, and to My Pope John Paul II, who will later be the leafy tree of My Triumph, showing shoots of holiness in all families, throughout the Church...

The new Millennium belongs to Me, because it will be marked by My complete

Victory, with the total establishment of My Kingdom and the Kingdom of the Heart of Jesus, upon the face of the earth... (pause)

Yes, children, it is written in the Apocalypse that: - the Son who is born of the Woman Clothed with the Sun, will be the ONE who will rule all nations with the iron scepter. You can read it in Revelation, chapter 12...

Yes My children, after this battle that I am fighting with the enemy, after I prepare the way for My Son Jesus, I will stoop (pause) for Him to grow, and YOUR VICTORY will be complete! All knees will bow before HIS POWER...

HE is My Son, the CHILD who will rule all nations with the iron scepter, with the POWER of the Most High, because he is the Son of the Lord.. I ,

in these times, have been telling you to convert, to repent of the rottenness that corrodes your lives!...

Know, children, that if you don't want to be rejected, don't reject the Messages... (pause)

If you don't want to be forgotten! don't forget the Messages... (pause)

If you don't want to be despised later, don't despise My Messages...

If it weren't important, (pause) if it wasn't serious, I wouldn't leave Heaven to be here...

I'm a Mother , Mother of the Church, Mother of all those who are wounded, downcast (pause) and afflicted...

The new millennium belongs to Me, because I will make the SUN OF JUSTICE shine on it!...

The new millennium belongs to Me, because Mine Pope John Paul II has consecrated the nations of the world to Me, to My Heart, and I will defend them! I will keep them! They will be saved by Me! and I of them will be their Tender Mother...

The new millennium belongs to Me, because all My children will come to know the TRUTH, and the TRUTH will set them free!... All will be purified in the BURNING FIRE of the Holy Spirit, who will descend on the Second World Pentecost, to restore, to purify (pause) and save My Church, of which I am Mother and Queen...

The new millennium belongs to Me, because in it the Gift of Peace will be poured out... After so many centuries and years of continuous wars and conflicts on earth, you will have the Peace... (pause)

The new millennium belongs to Me, because My Church, after so many difficulties that it went through so that the Gospel could be announced; so

many sufferings that the Popes, that My favorite children went through, not allowing the greatest horrors to happen in the world; after all this suffering, My Church (pause) will be comforted...

She is the stone, and against her the gates of hell, not even the son of perdition, the antichrist, will have power...

The greater the pride of satan, the greater his destruction, because Jesus and I, with OUR FEET, we will crush to the last flame, the force of hell...

Yes, children, OUR Hearts (pause) will win!...

GOD (pause) is the Good Shepherd, who guards HIS sheep... So, children, as every shepherd (pause) calls his sheep by the horn, I am like the Maternal Horn of the Lord, who comes to call the sheep through Messages, Apparitions and Tears throughout the world... ONLY Shepherd, which is Jesus...

Anyone who does not profess Jesus in their hearts (pause) does not know GOD (pause) and does not come from GOD... Therefore, children, today, welcome Jesus into your hearts! Let My Son enter, let Him make His home!...

I bless all who have come here, all who have made sacrifices, even embracing difficulties in trying to convert, responding to My invitation...

Go and take this Message to all My children: - I am the Mother of the new millennium! I am the Mother who will bring the FIRE of Pentecost, the Peace that will reign in the world, in hearts, in the Church (pause) and also in your homes...

I am the Mother of Hope! I Am the Door of Heaven always open!... I Am (pause) the call; I am the balm that God sends to the world...

Come, children, give Me your lives, your hearts, and I will keep you in My Hands, and you, in GOD, will have everything...

I bless you, all, I leave My Peace... in the Name of the Father. .. of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation! (pause) My children! (pause) I, the Lamb of GOD, bless the WORDS of My MOTHER... I bless all hearts that, feeling sorry for their sins, come to console My MOTHER, and through Her, reach My Heart...

I AM the Alpha and the Omega, the Beginning and the End!...

I AM yesterday, the today, and tomorrow!...

I AM the Rising Sun!...

I AM Justice!...

I AM Peace!...

I AM Charity!...

I AM Meekness and Humility of heart!...(pause)

I, with My MOTHER, want to tell you today that you must, (pause) again, renew your conversion! Every day it is necessary to convert!...

He who sees the danger, the abyss in front of him, and even so does not deviate, to this I will leave; but he who through innocence did not perceive it, to him I will raise up... (pause)

Beware of sin against the Holy Spirit!... All those who renounce My Holy Church, My Sacrament of the Eucharist, confession, and other Lights of My Heart that I left in the world, this sin against the Holy Spirit (pause) will hardly be forgiven!... He who abandons the Sacraments, (pause) will have abandoned ME, the Lord your GOD...

I (pause) ask you to stand firm, like columns around My Church, next to My Servant, to the splendor of My Heart, which is Pope John Paul II...

If you want to reach Heaven, you must first arrive at the table of My Eucharist! Whoever does not have My Body and My Blood on earth will not have My Divinity and Glory in Heaven...

Everyone who despises My WORDS in the Gospel will be despised one day, by the same WORDS, (pause) in whose heart, never inhabited...

I, the Holy Lamb, come to tell you that the enemy (pause) tries to increase his net of seduction. Sow in this net the vice of carnal pleasures, and what sadness My Heart has, seeing that many slip into the nets of My enemy, attracted (pause) by a simple bit of dirt that it offers, (pause) by a simple bit of impure sex that you offer, (pause) for a simple bit of power, (pause) pride, (pause) and material goods that you offer, (pause) despising My Church, which is poor and a pilgrim in this world, but which is My! and whose Queen is My MOTHER...

My Church (pause) is the Light of the world! Just as the sun has its rays, which carry its light, its heat and its radiance to illuminate the world, so too, I AM the SUN, and My Church is the rays of this SUN, which is My Heart in the world. ...

I give you (pause) My appeal: pray for the Church, pray for the priests!... My Church and My Bishop, (who is) My Pope, and My Priests, have never suffered so much as now. They all need My MOTHER's Sacred Veil, protecting them... Pray for them!... (pause)

There is nothing that saddens My Heart more than seeing that, even after so

many proofs of LOVE , many live discrediting My Resurrection, My Presence, My DIVINITY...

This is how My executioners acted: - even when they had already killed ME on the Cross, even (pause) with the terror of nature unleashed, even after those who they were close to the Cross exclaimed that I was truly the Son of GOD, yet they pierced ME with the sword, to see if I was already dead... Their hatred was insatiable, it was unpalatable...

So too many today, after so many trials of LOVE, still pierce My Heart with discredit, with blasphemies, with Communions made in sin, with abandoned Masses, with My rejected MOTHER...

O generation, if you could see the radiance of the FATHER'S LOVE, where I LIVE and REIGN, face to face, you would never want another love, another Father!...

If you saw only one of HIS LOVES, if you saw only one of HIS DESIRES*, you would never have another desire. on earth, but: - to be My FATHER's...

(*) HIS WISHES are: our salvation, our good, to grant us ETERNAL LIFE, HIS LIFE, to allow us to participate in HIS DIVINITY, in the YOUR LOVE, and so many others, that we can't even imagine...

Therefore, O generation, O My children, open your hearts to hope, because soon My Spirit, like a shining sun, will come upon you, and everything will be renewed in the FIRE of MY LOVE, for I desire to rule everyone with the scepter of My Authority, of My LOVE, and of My Charity... Therefore, I give you the meekness and humility of My Heart...

I asked that My Heart come every day on earth, lighting the FIRE of LOVE ! If you ask Him, I will give you, already on earth, the unfathomable Mercy of Heaven, because I AM KING and Lord!...

I bless you in the Name of the Father... of the Son... and of My Holy Spirit...

Peace be with you!..."

Day 07/07/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, (pause) I am the Mother of Peace!... Today, I am happy to see you in such great numbers, (pause) at My Feet...

I love you! I love you so much! and I don't know where to find more Tears, to prove that I love them...

I am next to each child of Mine, next to each pain, each ordeal, that My children (pause) carry...

Today, oh children, I want to ask you to pray more for the Church! The Church suffers many trials, many difficulties in evangelization and in the salvation of all My children...

O My beloved ones, pray for My Pope, who suffers so much, and who has I needed so much (pause) your love, your fidelity, and your prayer... May John Paul II be, My children, the first intention that is in your hearts!...

When communing, remember that He is still Jesus on Earth, take communion (offer) for Him... He is the dearest son of My Heart, and that is why, children, I love him and I intercede for him night and day , without ceasing...

Just as for the day to be clear, and for it to be beautiful, the sun must be shining, and the blue sky is also necessary... so too, children, the Heart of the Woman dressed in the Sun , My Immaculate Heart, is the LIGHT that shines in these times, and John Paul II is the sky, which illuminates the Earth with Me, illuminates the day of all hearts...

Pray for Him! Pray for Him! Pray for Him, as He does not stop praying for you...

Dear children, the reason for My Tears, My Tears of Pain, is the great lack of love of My children, one for the other...

The good ones (pause) are not all good; the bad ones (pause) are more and more evil...

The good ones feed a lot of laziness in their hearts!... they are not totally good...

Let none of you say: Today I didn't pray, and after all, it wasn't a serious thing.

O children, if you only knew the great number of souls that fall into hell, every hour that passes, because you are not praying to GOD!...

Even working, even taking care of family affairs, if you think of GOD, your heart becomes a living prayer, which attracts a shower of graces, love and salvation for everyone on earth...

GOD IS THE FATHER of all... and HE multiplies the love of your hearts, as he multiplied the loaves of so that all may be saved...

Children, pray! pray! pray a lot!!!...

I appeared here (pause) to form My Great Army: humble, simple, simple, fervent, faithful, sincere and good...

Be good! Renounce at this moment all evil, and leave in your hearts every place for the Goodness of GOD...

I am with you, even if you do not see Me! I am here, as your Mother...

Thank you for loving, all the time, what you cannot see yet!...

I thank you from the heart... I know that in many hearts, My Tears will save, they will touch, they will move... Therefore, little children, bring more children to My Heart, and also take Me to them... Take My Messages! Do not hide My Messages, but take Them to everyone you find!...

The suffering groan, asking for My Mother's Presence, My Mother's outstretched Hand! Do not deny you the LOVE that I did not deny you...

Go, children, and take My Messages to all paths!

You will get hurt in the many thorns along the way, but you will plant roses behind you, for the salvation of all humanity...

Every Message you spread, every Rosary you pray with Me, will be a rose left, planted... in the desert of humanity, what a miracle of the LOVE of GOD, true life, spring, resurrection and Triumph of My Heart, in all humanity...

I bless you in the Name of the FATHER... of the Son... and of the Holy Spirit ... (pause) I leave My Peace..."

Message from Our Lord Jesus Christ

"- Sheep of My LOVE!... Hosanna the KING speaks to you right now! (pause) I AM JESUS, Son of the Living GOD, PEACE and LOVE, which burns your heart... (pause) I AM the Blessed is he who comes, in the Name of the Lord...

My FATHER, Absolute Lord of all creation, (pause) asks this humanity, devotion to My Sacred Heart... To all those who embrace it, united with devotion to the Immaculate Heart of My MOM, will have salvation...

The family that has an Image of My Heart, and of My MOM's Heart, this family (pause) will have Peace...

The world will soon go through moments of lack of Peace ... they will hunger for Peace, thirst for Peace, and only I will be able to give Peace... The heart that does not have ME within it, (pause) will not have Peace...

I allowed My MOTHER to appear, to come back here in Brazil, so many other times, to say to you: Peace!... Peace!... Peace!... (pause)

My MOTHER is the salvation of Brazil! He was born in the Arms of My MOTHER, and in the Arms of My MOTHER, (pause) he will remain...

My MOTHER, in love, consumed with Mercy by the Brazilian people, asked, kneeling at My Feet, that I forgive your nation. ..

I gave My MOTHER, the Mission, the key, to lead all of this Brazil to ME, to My

Blessed Sacrament, with all my strength...

Here in Brazil, where the enemy suffered a lot My Church, where the enemy suffered a lot made My servants suffer, here, OUR Triumph will have a much greater Glory, than the brightness of the rising sun!...

Beloved, I will lead all My sheep, through My MOTHER, to the sources of pure waters, where they will all be healed, healed, filled with LOVE...

Do not be afraid! Fear not! And fear not!... All the trials that you now suffer will pass, but My Sacred Heart will not pass away... (pause)

I give you (pause) My Spirit...

Today I want to ask all this multitude of My children, may you read My WORDS more! You do not love My WORD, and you do not need it, as you need the food you need...

Every day you need to eat! So too, every day you must read My WORD, because without It your soul will be sad, (pause) your soul will fall into the abyss of confusion, it will turn away from ME... (pause)

May My Gospel be lived more than read, and so, O My children, this Earth, sanctified (pause) by My Spirit will be...

The Church, My Church, Immaculate like My Mother, Elect and Blessed like My MOTHER, (pause) will be saved by My Heart, and soon, She will be My Kingdom on Earth... She will say: - You are My GOD! and I will say to Her: - You are My people!... WE will be ONE, in LOVE...

My MOTHER intercedes, prays constantly, so that no one (pause) takes your heart from OUR Hands

... you to ask for the Peace of the world; I invite you to place more prayer in families... There are many so far who have partially accepted My MOTHER's requests; but know that the lukewarm, I will vomit from My Mouth...

You must welcome all of My MOTHER's Messages, because if you do not live them, you will not reach Holiness... I AM Holiness!... To reach ME, this is what I desire, there is no other way! I know everything, because I AM all HOLINESS...

And that is why My Sacred Heart, grieving, inflamed (pause) for you, gives Brazil, Land of Santa Cruz, the Grace of LOVE, of the Flame of MY MOTHER'S LOVE...

My MOTHER, who is Flame, will transform My Church into another flame (of LOVE like Her), and this fire of LOVE, of Grace, Peace, Holiness, Union, will take care of all the world...

Now it seems impossible for the world to become what I say. (pause) You ask ME: - How, Lord, will the world stop being what it is, to be what you want? (pause) But don't forget: I AM the GOD of the impossible... For men, nothing is possible, but... for GOD, nothing is impossible...

I bless you all, and I bless this new Cross* erected in Honor of My Heart, of the Heart of My MOTHER, in Honor of My FATHER and of My Holy Spirit...

I proclaim you CROSS OF GRACE!

All those who, kneeling, come to her, will have, from My Heart, all Peace, all Graces...

I bless you in the Name of the FATHER... of the Son... and Holy Spirit... (pause) May Peace be with you! I AM love you!..."

*Note - Landmarks: (This Cross is the one on the Mount of Apparitions, made of concrete, on the Altar where Our Lord and Our Lady appear)
Day 04/08/96

Prayer taught by Our Lady, so that hearts may be ASHAMED:

"- O blazing Heart of Mary,

fill us with LOVE!

Pray for us now and always...

Amen."

Day 07/08/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, (pause) I wish you all the Peace of My Son Jesus!... I am here, full of LOVE, of Graces, to give to all hearts of My children, that they say YES with Me...

I love you, dear children, I am tireless in My LOVE for you, and even when you are sleeping, I am in Heaven, interceding for all of you; My Heart does not rest...

Just as a river does not stop flowing, not even at night, so too, dear children, My Heart does not stop asking My Son Jesus for everyone...

As in the sea, the waves never end, so too, My children, My proofs of LOVE for all of you, never end...

I am running after My children! I am in search of all of them, with My Messages, signs, My Tears... distressed to place all the sheep, following in the footsteps

of My Son Jesus, the Good Shepherd...

Dear children, abandon yourselves in the Hands of His Mother! There are many who despise My Messages, and with all their hatred and resentment, trample on them, and on My Heart...

Don't do that, children!... Welcome My Messages with love, as if they were for you, the Mother's embrace, which cannot be given yet, because the distance of eternity separates us, (pause) but, a day, I will give this hug to all My children...

Each Message is an hug that I give them, (pause) not in the body, but in the heart, and those who have despised (pause) and have rejected, this proof of My LOVE !...

As I asked you in the other months, pray today, pray more for My son, Pope John Paul II... GOD is granting special graces to all who ask for him this year. In the same way, all those who, from the foot of the morrof, will climb up here barefoot, will be blessed, offering this sacrifice for My Son, Pope John Paul II, for the unity of the Church and of families. Those who make this sacrifice will all be blessed with these Graces...

I ask you for the Holy Rosary!... Do not forget My Rosary, children, because I do not forget any of your requests. Do not forget this My Maternal request!...

Cast away all the envy, all the pride, all the evil that is accumulated inside your hearts, because this prevents you from welcoming Jesus...

I am here, dear children, and just as a lamp has a flame, and the light that emanates from this flame; the Heart of My Son is the lamp, and I am the light that shines from this lamp... Everyone who seeks Me will find the flame, will find the lamp, will find the light, will find My Son Jesus...

I bless you , to all, in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord!..."

Message from Our Lord Jesus Christ

"- My Beloveds! You heard what My MOTHER said: I AM the lamp!!! I AM FIRE!!! Whoever finds ME will not be left in darkness or solitude...

I AM the LIGHT, which darkness (pause) cannot hide!...

I AM LOVE, which cannot be conquered!...

I AM the Flame, which cannot be extinguished!...

I AM Jesus, from WHOM no heart can hide or depart...

My Sacred Heart, Source of infinite Mercy, will pour itself into you, like an ocean, if your hearts are open to ME listen...

Just as the waves are in the sea, as My MOTHER said, and they do not cease, so too, I AM the sea, and My MOTHER is the waves of LOVE from the infinite sea of My Heart, for all of you...

Pray more, O My children! Your prayer still needs to improve, increase! Your prayer still needs to go deeper...

Just as few can measure the depth of the ocean, so too, My children, My Heart, the ocean of Mercy, can never be fully deepened, for your love and prayer, but I want you to dive into Me, so that, O children, have LIFE... In the ocean of My Heart is the Water of LIFE, and everyone who drinks and bathes in it will never thirst, and will live...

Behold, I and My Mother, at the end of this century, came here announce the Message of Peace and Mercy. But when we speak to you about Peace, you arm yourselves for fights, for evil, for violence, for selfishness, for evil...

Come out of your sin, and come all to the LIGHT of this Flame, which calls you, and My Heart in you will burn...

Thus, children, as the drops of oil are placed in the lamps, and there they are consumed in the flames to burn more, give your hearts to My Sacred Heart, and we will burn together, and the LIGHT that we will radiate will overcome the darkness...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

I leave My Peace, I and My Mother give you Peace..."

Day 11/08/96

"- Dear children, I appear today to bless the thousand Hail Marys that you offer Me...

There are many who here despise this prayer. Know that the thousand Hail Marys have My Maternal Blessing, and are a powerful prayer, capable of overthrowing any snare of Satan...

Whoever despises them will be despising Me too. Whoever loves them will be loving Me too...

I leave My Peace!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/17/96

"- Dear children, today I want to renew My prayer request to you! I want you to pray more for the Pope, he is suffering...

Now you understand why I have been asking for so many prayers for him in the last few months...

Let them climb the mountain barefoot for him! They don't know how much he is suffering, without anyone to console him...

Pray the Rosary, dear children, for his intention!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit. .."

Day 07/09/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, (pause) today, I bless everyone who came here to praise My Mother's Heart...

Dear children, I look at you all! I bless you all! And at this moment, My Son Jesus and I give you the Holy Spirit, breath of LOVE... (pause)

Beloved children, today I, the Mother of Brazil, bless this land! Since the day it was discovered, it belongs to My Immaculate Heart!...

Just as the wind comes suddenly, and no one knows when it will blow, so too, children, will be the moment when I will free your Brazil from the clutches of My enemy...

It will come at a time when you cannot yet know it, but it will come with the speed of the wind, and it will take away everything that is evil, from this land that belongs to Me...

I wish to tell you that this is a time of prayer, sacrifice and penance. My Immaculate and Sorrowful Heart desires penance for My children!...

Fast with joy! Pray, praising GOD, because while you praise, Graces and more Graces pour out like true flames, all over the world...

I, your Mother, invite you to a new path, a path that is difficult, yes, but whose The end is happiness in Heaven... There in Heaven, dear children, with a single smile that I and My Son will give you, you will remember nothing else, and your sufferings will only seem like a tiny shadow...

Pray so that your lives, dear children, may be a witness to Heaven! You talk a lot about GOD and Heaven, but you have witnessed little GOD in your lives...

My Pope John Paul II, together with Me, invites all of you to pray for the new millennium to be born, so that it may be filled with the Holy Spirit ...

Truly, I say to you: the new millennium will be the time of the Holy Spirit, the time of full Grace; Total Pentecost in the hearts that My Lord is gathering and forming, in the Army, of which I am the Commander...

Pray! Pray a lot, children, because there are still many who do not want to convert or accept My Messages...

Offer Me all the contempt, all the suffering of your day. Give everything to Me! Trust everything to Me! Give everything to Me!...

I am with each one of you, I do not abandon you... and I, dear children, want to tell you that I also pray to GOD for the salvation of the world. I also need to pray, so that God grants me to work wonders among you...

If the Heavenly Mother prays, you also need to pray. If you really love Me, if you really want to be Mine, do everything I did for Jesus, and do everything I ask of you, for the love of Jesus...

My children, I bless you all, and I leave this Mine in Brazil today. Special Blessing of Peace, in the Name of the Father... of the Son... and of the Holy Spirit...

Stay, My dear Brazilian people, in the Peace of the Lord!...

I leave you My Peace..."

Message of Our Lord Jesus Christ

"- My Beloveds! I am here with My MOTHER, the Blessed, the most graced and loved that My Eyes have found, among all men, of all times on earth...

I come with HER to say to you: Peace (pause) and Hope !...

You, My children, sheep of My Holy flock, who are so attacked by the voracious wolf, the enemy, who every day tries to surround you, with increasingly cunning snares, and tries to take you away from My staff, from Good Shepherd...

Truly, I say to you: soon I will lift My staff, I will crush his head, (that of the enemy) and he will stop seducing and persecuting My innocents...

O children, what I desire, as yours GOD, that you repent of your sins; make yourselves innocent again, by penance, by prayer, by fasting, of which I myself gave you the example, by fasting in the desert; (pause) observing My FATHER's Commandments; loving, serving, always defending My Holy Church: the Rock...

If it weren't for My Church, the Rock, this world would already have been consumed (pause) in an immense war of hatred, revenge, and bloodshed...

My Church, bearer of the TRUTH, bearer of My Sacrament of LOVE, the Eucharist; bearer of My Pardon, through Confession; My Church, My beloved ones, is a source of security and Peace for you, for all humanity...

Your world does not have Peace, because you do not seek Me with a pure and open heart...

You have many Churches, spread over so many cities, in so many places. It is you, all of you, who do not go to the Churches (pause) to adore Me in the Eucharist, nor to surrender your life there, and even your difficulties, so that I may give you My Graces...

For you, I reside in the Tabernacle, as a King of Mercy... How many times I want to give thanks to souls, but they do not accept it, because their heart is spiteful, their heart is unbelieving, and they do not have love for ME

... children, beg for your Brazil! In attention to My MOTHER whom I love so much, I will make Brazil (pause) the fortress of Peace...

I will bring to your land My Holy Spirit of Grace, and He will unite all My sheep, and make them meek, humble , and servants, because I will give them the water of LIFE, and only those who are meek will possess the earth...

Your Brazil will be the land of the meek of heart, of those who promote Peace, and sow the Gospel of LOVE, of Truth, Justice, and Peace...

Therefore, beloved ones, rejoice with My MOTHER! SHE stretched out Her Hands to ME, asking in your favor, and I can deny nothing to her who never denied me anything, but pray a lot, because in your Brazil there are so many things that displease ME, that hurt ME, and make ME suffer...

Right here, in this city, in June, My MOTHER, under My LIGHT, showed Her Tears... of Pain, through the image that is here...

My MOTHER wept over the sins of your Brazil, and of your world! ...

My MOTHER was crying, because even those who are good do not make an effort to purify and sanctify themselves totally...

Therefore, beloved ones: - turn around! turn! turn (pause) to ME!... This is the song that My MOTHER and I repeat without ceasing: - turn! turn! return (pause) to ME!...

Your Brazil will have Peace, but it is necessary to pray a lot, because sensuality has dominated so many souls, and has pushed them away from ME...

Pray! With My MOTHER at your side and in front of you, commanding the Army, you have nothing to fear, and I am with you, because I AM WHO I AM, AND ALWAYS WILL BE... and My Church, born of My Blood and Water, spouted on the Cross, is similar to ME, and just as I always WAS, AM and WILL BE, My Church was, always will be, always will remain...

I leave you My Peace! Receive the Holy Spirit, and I bless you with the Grace of the Father... Son... and of the Holy Spirit...

We leave you Peace! Go in OUR Peace!..."

Day 23/09/96

PRAYER TEACHED BY OUR LADY,

QUEEN AND MESSENGER OF PEACE,

TO REMOVE THE FORCES OF EVIL

(Holding the Medal of Peace)

"- O Mary, Virgin of the Medal of Peace,

who crushes the infernal serpent in her,

come to help us, and drive away from us the forces of evil!

Wherever the Medal of Peace is,

may the forces of evil be defeated, the enemy of GOD defeated,

and Peace planted!...

May the Medal of Peace be our shield of Peace,

and may the LOVE of GOD win through it !...

Mother of the Rosary of Peace, pray for us!

Jesus, Mary and Holy Spirit, I love YOU!

Save us from the evil of hell!..."

Day 07/10/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, today I want to cover everyone with My Immaculate Heart once more!...

I am the Mother of all, and My request today is that in your hearts, true Faith may be born!

I warmly welcome your requests. Everything, everything that you say and ask

of Me, I welcome in My Heart, but it is necessary that you convert, and that your Faith be a Faith for love!...

There are many who think that it is enough to come here to be healed. Many do not even believe in GOD, let alone in the Apparitions, and still want to receive some favor from Me?

Children, if the sick or their relatives do not fast, healing cannot take place. If you don't forgive your enemies, you won't be able to get cures...

Without fasting, prayer and penance, no grace happens...

I want you to understand this: - that I am your Mother, and that I appeared here to show you a new path, the path of love, the path of Faith and Peace! If they want to receive the Graces of GOD in their lives, they need to pray, fast, trust in the LOVE of the FATHER!...

I am the Mother who cries for hard-hearted children, but I am the Mother who rejoices for the children who return to My Arms, who want to do what I say and advise...

I am the Mother that GOD sends to earth to take away them the scales that satan puts in their eyes, so that they can see the Light...

I am the Virgin of the Rosary! I am the one who, more than asking for the Rosary to be prayed, always holds it in her Hands and teaches how to pray it well, interceding with My Son Jesus, for everyone and for the Peace of all.

Here in Jacareí, I want to be known as the MOTHER THAT PRAYS.

I want to be known as the MOTHER OF THE ROSARY OF PEACE! I taught them this Rosary, so that they can pray with everyone else they already know, for the salvation of humanity.

If they knew what power the Rosary has, they would never stop praying it! That's why I ask you for the Rosary!...

Just as you cannot live without food, I ask you not to live without the Rosary, because without it, your joy and your Peace will soon dissipate...

Prayer, My children, it is the key that opens the door to Heaven!

In Revelation, you read that an Angel came from Heaven, with a great key in his hand, and with that key, he locked the dragon, his angels and those who worshiped him in the abyss.

This key, children, with which I will lock Satan in hell, on the day of My Victory, so that he will never harm anyone again, is the Rosary!

Whoever leaves the Rosary will have left the key to salvation and

conversion! He who loves the Rosary will be loving his own salvation!...

Long live the Gospel! The Rosary is not distinguished in the pages of the Gospel, but the mysteries of the Rosary are in the Gospel, and the Gospel is in the Rosary. Therefore, pray the Rosary and read the Gospel, and you will live, love and understand everything!...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

" - My Generation! Children born of My Blood shed on the Cross! I AM Jesus, your GOD, and the sweet Shepherd of your interiors!...

I AM JOY! I AM LIFE, and today I want you to seek more My Peace in Communion, and you will have the LIFE of the LOVE that the FATHER sent Me to give you...

I want you to pray more for the conversion of humanity! Your prayers and sacrifices are still few, because they are accompanied by little love and joy!...

Your prayers, dear children, have served for sinners, and to alleviate the consequences of evil in the world, but you have been lazy!. ..

Watch out! Beware lest ye be those foolish virgins, who did not care about the oil of the lamps, and slept, and when the Bridegroom came, he entered with the wise virgins into HIS HOUSE, and there was great joy, and then the foolish knocked at the door, saying: - Sir, it's us! Open us! And HE replied: - Go away! I don't know who you are!

Watch, children, in prayer and fasting, because you do not know the moment when, with one look, I will place you before Me, and your whole life will be revealed in My Light!...

Watch and pray! If the oil of your lamps (prayer, perseverance, charity, the apostolate) is not firm, lit and burning like a flame, you will not enter My FATHER'S HOUSE!...

Read this passage of the Gospel many times! Look for it in the pages of the Gospel so that you, My children, can remain standing and confident, in these times of dense darkness in humanity...

I pour My Purifying Blood on you today! I pour on you My fiery LOVE!...

I AM madly in love with you, generation!...

With thorns you crowned ME, and your thorns, I want to take away!...

With whips you beat ME, from your oppressions, I want to free you!...

A Cross you gave ME, yours, I want to relieve!...

With nails you hurt ME, your pains, I want to heal!...

Love Me, because LOVE loves you!...

I, LOVE, love you!...

Now I bless you in the Name of the Father... Son... and Holy Spirit..."

Day 11/07/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Satan acts intensely in the world! Dear children, you must join Me, Mary, Queen of Peace, to fight against the forces of evil!...

Dear children, live holiness, live love! I need, dear children, that your hearts be converted to GOD! GOD does not get tired of waiting for you, but, dear children, those who do not hear OUR Voice will burn like wood in a fire, which no one will have the power to extinguish! I don't want children, to see them condemned, and that's why I ask you: turn around!...

I am the Mother who always repeats the same plea: - turn around! It's still time to go back! GOD wants, dear children, for all of you to confidently hold the Rosary, to open your hearts, so that GOD's Victory may be total! GOD is Almighty, and he will triumph!...

Satan is more aggressive now, because he knows that the time he has left has reached its final stage. And now children, those who do not testify to Jesus, those who do not declare themselves for Him in this world, He will not declare Himself for you before the FATHER either...

It is necessary, dear children, that you live My Messages! It is important for you to live them!...

My plan is spread all over the world! I want to save every nation, every country, every family! I want to lead the whole Church to victory over this painful purification and persecution she is going through!

I want to tell you to prepare for the new millennium, not with the anguish of those who feel death, but with the hope of the children who are always in the Heart of the Mother! Those who are with Me will not suffer anything, because I promised, at the foot of the Cross, when My Son Jesus died, that I would protect all My children who were baptized in His NAME, believed in Him and welcomed My Motherly LOVE!

Therefore, trust, My children! Return to GOD! GOD turns to you every day! HE does not punish them as they ask for their sins, but He forgives far more than their prayers are capable of obtaining forgiveness. Therefore, in front of an

INFINITELY GOOD FATHER, in front of a Mother who doesn't forget you for even a minute, say: - yes, I turn around!

Say yes to GOD! I pray that you can say yes, and I ask Jesus every day for your eternal salvation!...

Pray the Rosary, dear children! It is important for their families to pray the Rosary...

I don't want to see more children suffering abandoned! I do not want to see My young people fallen into corruption! I no longer wish to see evil and hatred in faces and hearts!

I came to announce hope to you! I am the Door of Heaven always open! Whoever comes to Me will always have a ticket! Whoever passes through Me will surely reach Heaven... I am the cause of joy! Whoever finds Me will find joy, will find Peace!...

I bless you all in the NAME of the Father... of the Son... and of the Holy Spirit..."

Message of Our Lord Jesus Christ

"- My Beloveds, I AM your ALL! I AM the LIFE of your lives! I AM Jesus, the Lamb! I AM the HOPE of your hope!...

I open My Sacred Heart to say to you: love one another as I have loved you! This Commandment, not put into practice, even after almost two thousand years, I ask you again today: love one another!...

The new millennium will be the millennium of LOVE! ...

I desire that the hearts that love and that have heard the call of My MOTHER, prepare the return of My Holy Spirit, with love! Truly I say to you: - so that the new millennium may be the millennium of LOVE, I will pour out My Holy Spirit on you, with greater force than at Pentecost, the first time! And like the first time, the Holy Spirit came through My MOTHER's prayers, now, through My MOTHER's Heart, I will pour out My Holy Spirit again...

The serpent will not have the victory! The prophecy will be fulfilled: SHE will crush your head!...

The serpent will be defeated! By the power of My Blood, which I gave to My MOTHER, SHE, the young MOTHER of GOD, will destroy the dragon, because, by the strength of the humble, the pride and the strength of Satan are destroyed, in finding himself the ruler of this world and your planet...

Satan is living hatred, he sees no one and nothing! He is My enemy, your God's enemy and yours too! He wants to destroy you in every way! Reject it and push it away, with My MOTHER's Rosary in your hands, and with My

Eucharistic Body and Blood, Soul and Divinity, in your heart!...

I AM Jesus, your "ABBA", your "ALL "!...

Outside of ME, you will never be happy!...

Turn around! Return!...

Only the humble ones of My Mother will receive the Holy Spirit! Only those who make themselves like children will enter the Kingdom of GOD!

Open yourselves, because My Spirit is already blowing and coming!

My Spirit leads My Church towards this new millennium.

My Church, emerging from this painful purification and from this depraved century, will be elevated to a very high degree of holiness, where My MOTHER will be its True Queen, and where I will be its True KING!

I will feed you with the LIVING Water of the Holy Spirit! My Body and My Blood will be a source of eternal joy for you, and My Church will once again regurgitate and swarm with hearts loving Me!...

In TRUTH I say to you: The deserted house will overflow!

I love you all! I love you!...

My Church will always live, because I said: - I will be with you every day, until the consummation of the world! I LIVE forever, and I will do by My Arm and the Strength of My Heart, that My Church lives forever...

I AM Jesus!

Be in Peace!

I bless you with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/09/96

"- Dear children, today I want to thank you for everything you do for Me.. I am

close to you, and I lead you, by My Hands, to Jesus! My Immaculate Heart is the source of LIGHT, on all of you...

Pray! Continue to serve Me, as you have always served Me, up until now!..."

Day 11/14/96

"- Dear children, My Immaculate Heart is glad to be here, with each one of you...

My children must unravel the Rosary, with more love in your hearts! If they do, the world will soon stop being dominated by evil, and will return to the only source of LIFE and Peace: - GOD!...

GOD is happy today with your prayers... HIS PATERNAL and LOVING HEART has forgotten an ocean of sins!

GOD today manifests His Goodness through Me, and I ask you, in exchange for that, to convert and live My Messages!...

Today, the taking, the final offensive of My Immaculate Heart on this earth begins. ..

I bless you all, and I ask you to pray more! Come back here every week to hear My Message...

Put into practice today's Message...

I bless you all in the Name of the Father... of the Son... and of the Holy Spirit... "

Day 11/21/96

" - Dear children, today they celebrate the Feast of My Presentation in the Temple of the Lord...

I thank you for being here, next to My Heart offering to the Lord. I thank you for having heeded my invitation...

I am your Mother, and I come from Heaven so that you may offer yourselves to God as I do... That through the Rosary, Mass and prayer, every day Jesus receives the flower of their hearts!...

May the Church overflow with children who follow My example, and consecrate themselves deeply to GOD...

Ask for the intercession of the Saints and Angels, so that every day you live the consecration to GOD, for love...

I leave My Peace. I give you the Peace of Jesus...

May young people give themselves to Jesus as a gift, as I did in My youth...

I bless them in the Name of the Father... of the Son... and of the Holy Spirit... "

Day 11/28/96

"- Dear children, you refuse to understand the WORDS of My Messages, and therefore, with the passage of time, you forget them and leave them behind...

I came before, before the door of Mercy was closed. I came to warn them to return to GOD, there is little time left!... Enjoy, My children!...

I came before, so that when time ends, you will know that I have warned you...

Pray, and live this call of My Heart! ..."

Day 12/05/96

"- Dear children, today I come to ask you for more prayers for the conversion of the world!...

My Son Jesus is sad, because the world is not converting as I expected...

Adore more My Son Jesus in the Eucharist! The more you adore Him, the more and more LOVE He will give you! I will help everyone who asks for My help...

I pray every day at the Feet of Jesus, for his Peace and for the Peace of the Church...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/07/96 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, (pause) today, I am the Immaculate Conception!... I come from Heaven to say to you: Peace!... Peace!... Peace!...

I am (pause) the Woman Clothed in the Sun!...

I am your Mother, and I come from Heaven to tell you: trust in GOD!... GOD loves you, and that is why HE is doing so many wonders in the midst of My children, with the desire to save them...

This century has been marked by a strong presence of Mine. I manifest Myself everywhere in the world, to prove to My children that My LOVE for you is so great, that to no one, none of you who comes to Me, I will deny My LOVE, and My LOVE will not be lacking. ...

I love you, My children, but I also have to tell you that the conversion of many of My children is still very difficult. Pray more... Pray the Rosary, dear children, because only through it I can still lead your world and your humanity back to

GOD, the only source of LOVE and salvation...

My Messages, during all these years, they don't mean anything other than that Jesus is salvation!...

GOD has placed the moon under My Feet, the sun serving Me as a Mantle, and a Crown of Twelve Stars on His Head, to show you, My children, that whoever obeys will never be confused, will never be lost, but those who obey Him and trust in Him as I do, one day they will all shine like the sun, in the Kingdom of GOD...

I love you, My children, and even if the world says otherwise, I love you... I am close to every pain that hits your heart. The marks of your blood are all collected by Me, in My Heart...

I ask you: - live My Messages!!! I want, with them, to save them... If they do what I say, many souls will find Jesus, and they will have Peace. May at Christmas, Jesus be your Peace...

I love you with the limitless LOVE of Jesus! Even the bad ones, I love them with the limitless LOVE of Jesus, and I ask that this Christmas, you give as a gift to Jesus, a person to whom you will try to talk about My LOVE and HIS LOVE, which you must bring to Jesus, in the Christmas...

Give Jesus the joy of the Mass at Christmas, and I assure you, My children, if you do so, your Christmas will be unforgettable... On Christmas Eve, My dear children, kneel by My side, close to the MANGER OF THE BOY Jesus, let us pray the Rosary together, let us warm Him with the warmth of Our prayer, of Our vigil, of Our permanence in prayer, and Jesus will touch with HIS Little Hand, the heart of each one of you, and you will feel, My children, that here on earth, nothing is more important than being this little child, so helpless, but so big: - Jesus!...

I leave My Peace, I give you the Peace of My Son Jesus..."

Message from Our Lord Jesus Christ

"- Generation! My people! Proud of My LIFE! I AM Jesus, the LIFE of your life, your EVERYTHING tells you that he loves you!...

I AM THAT I AM! I AM THE ONE that the world cannot defeat, nor will it be able to overcome... My Most Holy Heart conquers by the strength of LOVE and meekness...

I, beside My Mother, Immaculate Conception, say to you: Peace!.. May your Peace be My Heart and My WORD; may My NAME be the source of your Peace!...

My children, today I want to tell you that your generation today walks and lives, as in the past, the generation of Jerusalem... I had warned Jerusalem, that if

she did not accept the Grace that had been given to her, that of the Son of GOD being in her midst, walking through her streets, making HIS Voice heard, HIS teachings, if they did not listen to My WORD, if they reneged on the plan of GOD, from My FATHER; in the future, the very sin of each of them would return to them, in the form of destruction...

They did not listen, they crucified Me on the Cross, they beat Me with whips until the BLOOD, they crowned Me with the hardest thorns, and they gave Me the bitterest gall to taste... They persecuted My disciples, My Apostles, and gave death to many of them, who witnessed My Resurrection...

Jerusalem was totally destroyed, because their sin was very heavy... So too, My children, My generation, here your world is living like Jerusalem... Not even with so many signs that I give of My MOTHER's presence, not even with so many Apparitions of My MOTHER, with so many tears that SHE sheds, in so many places in the world, and even I am here, beside the Humble and Holy Heart of My MOTHER, even with so many appeals and so many messages, your generation behaves like the goats, which have no shepherd...

You cover your ears and your heart, so that you do not hear My Voice... I do not want to make you sad, or even afraid, but what I want to say to you is that if you choose to live without Me, your end will be too. it will be without ME...

I wish that this Christmas, or for the new millennium that is born, humanity will decide for GOD, decide for My Sacred Heart, decide for My Holy Spirit, decide for LOVE, essence of GOD, OUR essence...

If you return to ME, I will be the Shepherd who will place you in your lap, heal your wounds, caress your face, and give you, every day, to feed on My Grace...

If you return to My Heart, you will have, My beloved ones, what I myself related in the Apocalypse: - you will be those who will wear the white robe of salvation, and then you will shine brighter than the sun, which you contemplated in wonder today

... I give you My Blessing, with My Mother, in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord!..."

Day 08/12/96 Feast of the Immaculate Conception

" - I am the Immaculate Conception! Today, My Immaculate Heart rejoices! I came here to say that the new year that is born will be that of humility and holiness...

By the end of this century, My Triumph will already be established on earth. This house, the empty Church, will overflow!...

Pray the Rosary more! Imitate and follow My purity and holiness more!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Matriz Imaculada Conceição - Jacareí - 12:00 hs)

Day 12/12/96

"- Dear children, today I bless you with My special Mother's Blessing, and I cover all who are here with My Mother's Mantle!

I ask everyone who is here to help more strongly in prayer to bring about the conversion of poor sinners.

If the people do not stop offending GOD, the door of Mercy will be closed, and the door of Justice will be opened...

I do not want to lose any of you, so I tell you to take My Messages to all those who are in darkness.

GOD especially loves you, and has chosen you to enlighten the world with the truth of Jesus!

May this Christmas, the LIGHT of Jesus shine in each of you!

Continue to come here every Thursday, for the conversion of the world depends on the prayer of each one of you...

I leave My Peace...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/19/96

"- Dear children, I want to bless you for your love for My Immaculate Heart!

Pray for My Victory! Do not be afraid, if trials frighten you. With prayer, everything can be changed...

Prayer is a matter of decision! If you decide for it, you will find more time to pray...

The Holy Spirit always helps My children when the trial comes. Pray, because I am already praying for you...

I leave My Peace, and the Blessing of Jesus! Be in Peace!...

12/25/96 Christmas Eve "- My children, today I invite

you to live the joy of the BOY Jesus who is born!

Accept Jesus in your hearts, deciding for conversion and for the life of Grace!

you to be a sign of Jesus in the world, and to live in holiness, for HIS Second Coming will take place in GLORY and MAJESTY!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit.. ."

Day 12/26/96

Message from Our Lady

"- My dear children, today I am here, and I bless each one of you...

I love you!... I love you!... I am the Mother of you, the Mother of GOD, and also of the Church! I want you all together, in My Immaculate Heart!

I give you My Peace... Continue to pray and to commune for the conversion of sinners. The world is so disturbed that it needs your prayers to have Peace...

Let Jesus be born in your hearts, through the Rosary!... My Heart wants your hearts to be the grotto of Jesus...

I bless you to all with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Saint Bernadette,

the visionary of Our Lady in Lourdes, France

"- Children of the Lord Our GOD! I come as a servant of GOD, servant of the Most Holy Mary, to ask and call you to pray even more! Pray, because this world will only be saved by prayer...

Do not listen to the devil, who wants to discourage you through persecutions, because I had them myself, while I served Mary Most Holy, Our Mother, on this Earth.

Pray and stand firm on this path. Do not let the enemy cloud your vision with its smoke, confusing you, and thus preventing you from following the path forward.

I, Bernadette, pray for you, My brothers, next to the Virgin Mary, the Mother of GOD, for your salvation!...

Have confidence! THE TRIUMPH, the VICTORY, the plan of LOVE started in

Lourdes, will happen here and in the whole world, at the end of this century...

It is the plan that embraces you! It is the plan that you cannot understand now, and you must believe and accept it!

Have Faith! Have faith like a child! If your heart is not that of a child, it will not enter the Kingdom of Mary Most Holy. However, if your heart becomes like that of a child, you will already begin to live here and now, the Kingdom of LOVE of Holy Mary!...
Stay in Peace..."

Messages communicated in the Apparitions of Jacare í, year 1997

Day 02/01/97

"- Dear children, GOD has great plans to work in your lives! I came here as Queen and Messenger of Peace, to show you Heaven, the oasis of Peace that GOD wants to give to each of His children. ..

With humility welcome the Gift of My Maternal Presence. I have been here for so long, because My Heart has fallen in love with each of My children, that I want to see them safe in My Arms, in Heaven

... the whole Church, to all families, to all young people, may they come closer to My Immaculate Heart, which loves them so much...

Do not let them offend GOD any more, with so many and heavy sins! of you is a crystalline water, which washes so much mud and so much garbage, that is in the hearts...

I love you, and I ask that with the Rosary in your hands, and with Faith in your heart, embrace My Peace, and My Sweet Heart...

Jesus is here! Therefore, do everything that HE commands...

I bless everyone who is here, and My Priests, with much LOVE...

This work will be entirely Mine!

I will do everything!

It just takes a lot of silence and prayer!

I myself, with My Hand, will move and say what you must say and do... Nothing will happen without My Mother's Look being attentive and present..."

Day 07/01/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Beloved children, (pause) I am the Mother of GOD, and his tender Mother... My Heart loves you so much!... I wish that all My children know My Flame of LOVE, while I can pour out -La on earth...

My Flame of LOVE is not known, that's why in the world there is so much hatred, there is so much violence, injustice, and death...

My Flame of LOVE is the FIRE that burns like a great furnace, in My Mother's Heart!...

My Flame of LOVE is the LOVE that the FATHER himself placed in My Heart!...

My Flame of LOVE is the LOVE that My Son Jesus gave to My Immaculate Heart, so that Love him for all eternity, and love humanity...

My Flame of LOVE is the Holy Spirit in PERSON, who dwelt in My Heart, as in a Great Temple!

Living Tabernacle of the Most Holy Trinity was My Heart, that's why My Flame of LOVE is the Holy Spirit of My GOD, who wants to burn the whole world, and spread HIS FIRE of LOVE and Grace...

Dear children, ask in all your prayers to My Flame of LOVE!

My Flame of LOVE blinds the enemy, so that he can do nothing more against you, against the Church, or against your families...

My Flame of LOVE is the FIRE that I light, and that the world will not be able to extinguish ...

If you are humble, and if you transmit My Flame of LOVE, from heart to heart, through prayer, soon, the whole world will be burning with the same LOVE with which GOD made My Heart burn...

I wish, My children, that your hearts be of flesh, not of stone, so pray for the conversion of the world...

My Triumph is very close to you, but on that day when the whole world will know My Flame of LOVE , only those who

pray , those who live fasting with joy, those who are loving, immersed in the LOVE of the Holy Mass, and those who have already made their hearts the abode of My Son Jesus can arrive... them: LIVE MY MESSAGES! I left Heaven with LOVE to give them, because they will help you!

Pray the Rosary without rest, every day, because it is through it, this prayer of the humble, that I will overcome all the plots of the proud serpent...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My Beloveds, (pause) I AM Jesus, the Son of GOD, the Son of the Virgin Mary!!! I AM the ALL, above all!...

I love you!!! My Sacred Heart will always be Ark, Cenacle (pause) and abyss of Mercy, ocean of Mercy for those who believe in ME... I

AM your Lord, I know your weakness and your sin. they passed through My Cross, on the day of My Passion...

I want to tell you that everyone who invokes My Name, with love and repentance of their sins, will be saved, but whoever does not invoke Me as Lord is already condemned ...

The world will not have Peace until it says: Jesus is the ONLY Lord! Pray, children, that the hard heart of this humanity may recognize that I AM the BEGINNING, the MIDDLE, the END... the Alpha and the Omega, the Beginning (pause) and the Eternal...

Yes My generation, I love you !!! I passed among you doing good, but few are those who recognized My LOVE...

Behold, I ask you to adore Me more, and that through penance, you can increase your love for ME... As a fire is increased with more firewood, so be your love, in your heart! May it increase for ME, day by day...

I also invite you to help My favorite son, My Peter, John Paul II, who calls you to an evangelization, but full of My Holy Spirit, and richer than knowledge of My LOVE...

Come closer to ME! Seek My LOVE more, seek My LOVE more, and much more I will give you!... To whomever much is forgiven*, much of My LOVE will be given; to whoever asks much, much will be given, given in abundance...

(*) here, therefore, refers to whoever, repentant, begs for DIVINE forgiveness, to whom the LOVE of GOD will be granted copiously, since HIS Sacred Heart burns in LIVING FLAMES of Mercy, anxious to give itself to men.

That's why I invite you so that, united with My Church, you can witness and show My LOVE, in this humanity that no longer knows what LOVE is...

I created you, O men, with the GIFT of LOVE! How could you let My enemy destroy this Gift that I have given you, and put hatred in its place?...

How did you allow the GIFT of LOVE that I gave you and placed in every human being to be suffocated, and to be distilled by the serpent's venom?...

Do not allow My enemy, the serpent, to take possession of you anymore!... Reject -O!!! Renounce it!!!

I ask you to open your heart to ME, through My MOTHER... Truly I say to you: - just as you need to cross a bridge, to cross a river and reach the other side, so whoever wants to reach ME, come for My MOTHER...

The shepherds, the magicians, the sinners, they all found ME, but never without My MOTHER... Therefore, come to ME for HER! Whatever you ask of Me through Her, I will give you... SHE has denied me nothing on earth, and I deny her nothing, of what she asks of me in Heaven...

I bless you in the Name of the Father... of the Son... and Holy Spirit... (pause) Peace I leave you..."

Day 09/01/97

"- My children, I wish again to give you the My Mother LOVE! I want your prayer to be active, where GOD can manifest HIS LOVE...

My dear ones, LOVE is the only force that moves your prayer! If there is love in your hearts, your prayers will also be filled with love, and this will move the Hand of GOD to do wonders, for the salvation of many souls...

I pray that the love of your hearts will be like Mine: - a LOVE that never ends!...

Pray, stay close to Me, and I will give you My LOVE!...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 01/16/97

"- My children, I am the Mother who loves you!... This time is the time when you must seek every corner of your heart, and clean it with prayer, small sacrifices, and gestures of love for My Son.. Jesus wants to purify your hearts, so that nothing remains that does not come from Heaven!

My children, while I continue to appear this year on earth, the Holy Spirit works in the heart that wants Him... Place yourselves in My Hands, to be abode and furnace of the Holy Spirit!...

Continue to pray without rest, because My LOVE for you will never rest... I leave you My Peace..."

Day 01/23/97

"- My children, I love, and I continue to walk step by step with you... It is time to prepare your hearts for the VICTORY of ETERNAL LOVE!...

I love with the limitless LOVE of Jesus!... You must receive My LOVE with humility and gratitude, so that I can give Peace to this world without Peace, and without any hope...

All are precious to My Heart , and I need all of My army to bring Peace to the earth... Ask Jesus to triumph in your hearts!

I am with you always! I leave you My Peace..."

Day 01/30/97

"- My dear children, I never choose the best... If I chose them, it is because, in their weakness, I manifest My Mother's POWER...

You are those children who are like the pupil of My Eyes!... You are like the fibers of My Mother's Heart!...

You must be the ones who fight against the enemy's opposing side, evil! Do not be discouraged, My children! My Immaculate Heart will crush all Satan's assault!...

In My Immaculate Heart, the Church will have Peace, and each one of you will receive according to the love you have offered and donated to Me...

I love you!!! I leave My Peace..."

February 7, 1997

SIXTH ANNIVERSARY OF THE APPARITIONS

Message from Our Lady

"- My dear children, (pause) today, My Heart rejoices for your presence of love and prayer here

... I am the Queen and Messenger of Peace!... May this Name reach My children as soon as possible!... My Name brings Peace, Peace that the Lord GOD will give to the heart that hears and listens to Me...

My dear children, thank GOD and praise Him, because He allowed Me to stay with you for so long!...

GOD, on February 7, 1991, was so in love with the world that He sent Me to Earth to help My children , so in need of Peace, so in need of LOVE... This LOVE I give freely. I can give LOVE, because I love with the limitless LOVE of Jesus!...

I give LOVE to the Church!...

I give LOVE to families!...

I give LOVE to young people, to all children, to all who call on Me!...

I am with you, little ones, and I know the weakness of which you are made; I will not abandon them... In this valley of tears, I am constantly cherishing My children in My Arms, and hiding them again in My Heart...

While I am with you, you have Peace and Security, but I want you, My children, to hasten your conversion, because I am in the last grains of time of My Presence among you, but I will always be in the lives and hearts of the children who have answered YES ...

Today, in response to your love, I take many souls (from Purgatory) with Me to

GOD, and I bring many Graces for you, from GOD...

I want you to know, My children, that just as the Lord is ETERNAL, My LOVE, which comes from the Lord, for you, will also be ETERNAL... I love you with ETERNAL LOVE!...

Form prayer groups everywhere!... Few answered My request! Few have done what My Messages say, and many are those who sin, who blaspheme, and who offend...

Ask God for forgiveness!... GOD is so anxious and willing to forgive you!...

I am with you, and My Immaculate Heart follows all your bloody steps...

I bless you and leave Peace, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message of Our Lord Jesus Christ

"- My sheep! (pause) My rescued lambs! I, Jesus, the ABBA FATHER, speaks to you!

ME and My MOTHER, in place of the thrones of vices and pleasures, we will create Two Glorious Thrones: - that of My Sacred Heart, and that of the Immaculate Heart of Mary, of My MOTHER Mary!...

Before the brightness of OUR Hearts, all darkness will be banished from the face of the earth! The miracle is very close to you: - My Holy Spirit, on the DAY of My MOTHER'S TRIUMPH, will be poured out on all the hearts that said YES to HER...

Just as My Apostles stayed with My MOTHER, praying in the Upper Room, and I sent My Holy Spirit to those who were praying with Her, I will send My Holy Spirit to all who pray with My MOTHER!...

Your families are in ruins! They became nests of serpents and vipers, because you took away the prayers of your families, and expelling My Mother, you thought that life would improve, and now, here is the fruit of sin: - wars, hatred and discord...

You sowed evil. .. but it is not too late: - repent! Ask Me for forgiveness, with hearts immersed in contrition and humiliation, and I will forgive you... I can never deny forgiveness to someone who, through My MOTHER, asks ME...

I also ask you to form prayer groups. How long, My children, will I have to wait and tolerate your anesthesia and spiritual paralysis? How long will I have to help you alone, in everything that happens? (pause) Pray!!! Without prayer you will receive nothing!!! Pray...

I promise to make My MOTHER's prayer groups a fire, a burning bush, that

burns and is not consumed, and whose fruit will last forever, because every branch that is in ME will burn in My LOVE, and will bear much fruit, and the fruit will remain, for ME...

I, Jesus, give you today My Blessing and My Mother's Blessing, and I ask you not to forget this day, and to be ever more faithful to ME, and to My MOTHER Mary... in the Name of the Father... of the Son... and of the Holy Spirit...

My enchantment increases for you... Increase your love for My Heart, your enchantment..."

Day 02/13/97

"- Dear children, My Immaculate Heart now puts My Plans in motion. I walk with you!

In silence, in poverty, in prayer, My Work walks and will reach Peace!...

Pray here, in this Chapel, for all the nations of the world. Include the whole world in your prayers, because the signs of the renewal of the world are already happening... May your prayers be the renewal of every creature in GOD!

Pray for Jacareí, because it really needs your prayers...

I leave Peace to all..."

Day 02/20/97

"- My dear children, I wish each of you sincere love to GOD! You say you love GOD, but... you haven't done anything for HIM...

I invite you to burn with love for GOD as I do!... I ask you to enjoy and take this time that GOD has given Me to stay with you, so that your lives really change...

Change profoundly!.. This is the Message of these wonderful Apparitions of Mine!...

May My Immaculate Heart have a throne in your hearts, so the world will be the image of My Being: only LOVE!...

I leave My Blessing..."

Day 02/27/97

I thank you for your prayers, for your perseverance with Me, despite so many

sufferings...

Do not be discouraged, My children! In the end, the Heart of GOD will TRIUMPH!!! With the Rosary, you will be able to light up the world with Peace!...

I ask you to share Peace with those closest to you in your homes.

Here, I give you Peace! This is the Chapel of Peace! In Peace, you will win!

I give them Peace..."

Day 07/03/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children! I give you My LOVE and My Peace! I am the Mother of Peace!

Dear children, GOD wants to make great Plans and Graces in your hearts. Open your hearts to GOD!...

In this holy season of Lent, GOD sends Me to you, My dear children, to give you the Peace that only Heaven has... I come full of Peace in My Mother's Heart, to forgive your hearts with LOVE and the Grace of GOD...

Believe firmly, dear children, believe as if you are seeing Me! I am the protector of your hearts! Against the shield of My Immaculate Heart, Satan can do nothing in you...

I love you, children, and I continue to pray for you every day at the THRONE of My Lord. You children, with GOD, are more than conquerors, but... without GOD, you will never be able to reach eternal happiness...

You, children, are so weak and small, that you need GOD even to breathe!... Without GOD, you would be just dust that the wind blows...

My beloved ones, I thank you for coming back here. Keep on coming! GOD wants to make a Work of Salvation happen in each of you!... It is My Maternal Mission to form, strengthen, feed and educate you on the path of LOVE...

My mortal enemy, My eternal enemy, always disturbs... he wants to disturb your prayers and take away your Peace... Send him away, dear children, with a life of prayer and union with Me!

I will predispose everything, I will show you everything you must do... I will be by your side in the moments of greatest tribulation and anguish... My Immaculate Heart is the Ark of the Covenant, where I want to keep all My children, so that they are not dragged away , nor drowned by the deluge of hatred and sin that reigns in the world...

Trust in GOD, dear children, trust in Me, I am trusting in your prayers!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

" - My People! My Chosen! I, Jesus, your JOY, am deeply glad that you are here! I shudder with joy in My bowels, for your prayers and for your coming here...

Every time you come here, you give great joy to My Sacred Heart, and to the Heart of My Mother... I looked for comforters, and I did not find them. ! Here in this place, I want to find those who console My Heart, so offended and so trampled on by the lack of Faith and the brutality of men...

I am your ALL, I AM the Good Shepherd, and the GOD who always repeats the same song: - Turn around! Return to ME!...

My children, I died on the Cross to save you! Only the FATHER knows what I suffered in those moments... My Body, completely disjointed and wounded, in My Heart an agony and mortal solitude, My Body completely broke up in shudders of fever and pain, My Body was extinguished in the shedding of Blood, of the Blood that gave you the life of salvation, to each one of you...

It caused Me so much pain in every vein and in every part of My Body... You could count all the My Bones! It was from the Cross that I cried out to Jerusalem, and I cry out to your world today: - I am thirsty! I'm thirsty for souls, for hearts, for love!!!... I'm thirsty for lives given to ME! For them I died, suffering in their place...

I ask you, dear children, to sincerely repent of your sins, because now I open My Heart to forgive, I extend My Hand to lift those who have fallen, and to heal the wounds, because soon My Hand will no longer be that of the Savior. Merciful, but... of Judge, to point out your heart full of hatred, and say: - I didn't know you!!!

Sons! Love one another, as I have loved you... There is no greater love than the one who loves his brothers with the LOVE that I have loved. He who loves his brothers, but does not suffer with them and for them, has not yet loved... Learn from ME, for I am Sweet and LOVING at heart...

Only GOD IS LOVE!!!...

I bless you in His Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/13/97

"- My beloved children, I am with each one of you... Continue to pray the Rosary without ceasing. I cover you with My Immaculate Heart, and I protect you from violence and evil...

There are so many sins on earth and, if the world wants to be saved, it must live this Message: - PRAYER, SACRIFICE, PENANCE... The child who lives this Message will be saved...

I leave you Peace..."

Day 03/20/97

"- Beloved children, I always count on your prayers and your sacrifices... GOD will change the face of the Earth! GOD will give you a new Time of Peace! But there are still many who have not opened their hearts...

Pray and be torches that burn without ceasing, and illuminate everyone around you with your light!

I am with you, and I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Be in Peace..."

Day 03/27/97

"- My children, with prayer, you they will be able to do everything that is difficult and arduous. With prayer, you will be able to face suffering and difficulties. With prayer, you will be able to please GOD..."

Day 03/04/97

"- Continue to pray the Holy Rosary every day... Prayer produces an enormous shower of Graces over the whole earth. Go on, go on praying without ceasing!..."
Day 07/04/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children, (pause) I am the Heavenly Garden of GOD!...

In My Immaculate Heart, GOD created HIS Garden, My children, so that all the seeds that He gave Me on the tree of the Cross, the seeds that are your little hearts, I could plant them in the Garden of My Immaculate Heart, protect them, help them to grow, always prune them, in order to make them the fragrant and open flowers, to fill the world with the perfume of DIVINE LOVE, and so that the Holy Spirit, in them, could make HIS address...

I am sure, My children, that you have seen a garden, and that you have seen a hummingbird in this garden. There are many flowers in the garden, they are diverse, of all sizes, small and large, some already open, others blooming, others still starting to sprout... The hummingbird comes and looks for sweetness in the flowers, it looks for the vital nectar for him. Children, the Holy Spirit of GOD seeks in your hearts, in every flower of your lives, love and sweetness where He can shelter, and remain there...

I am the Heavenly and Maternal Gardener of the Lord, who has the Mission to cultivate these flowers, make them grow, and never let them wither or die... My enemy often blows storms and strong winds to them, so that the your Faith becomes discouraged and so the flower (the soul) crawls to the ground and dies... But, dear children, I always protect you with My Hands! I always defend them, and surround them with the Affection of My Immaculate Heart...

In this sealed Garden the whole Church must gather, all young people must take refuge. Here, sinners find Me, the afflicted are loved, here all, all My children find Peace, find My Arms!...

Renew your Faith. It is time, My children, to increase the GIFT of FAITH. Pray that the Holy Spirit will increase your FAITH!...

I am always beside your prayers, and I want to thank all those who have been praying and fasting all this time, as I asked them... I take everything, everything, everything to My Son Jesus, so that He can act in the way that YOUR Heart wants it...

All My children will be rewarded for all the sacrifices they have made to Me, for everything they have offered Me... Even if it was a simple amen, it will not go unrewarded...

Therefore, children, a look, (pause) the Rosary, a gesture of love, for your Mother in Heaven, has enormous power, because I add everything to My Prayer and My LOVE, and I present it without stain to GOD.. Therefore, children, pray!...

I came to call the world to conversion for the last time... After this time, after these Messages that I communicate to you here, I will not descend to this earth again. Therefore, take advantage of this time, dear children, in which I am with you, so that your hearts may unite with Mine, so that, when everything passes, you will be safe and protected with Me...

I leave you Peace! ... I bless you, with My Son Jesus, in the Name of the Father... of the Son... and of the Holy Spirit...

Jesus is here and wants to speak to you: - listen to everything he says!.. ."

Message from Our Lord Jesus Christ

"- My beloved ones! (pause) Sheep of My Holy Preference! I thank you for listening to My Holy Mother, for also listening to what I want to say to you...

My FATHER loves you, and tonight He wants to offer you a new Peace, a new Forgiveness, and a new LIFE...

So many times the sun rises, so many times My FATHER offers you forgiveness! Much more than the stars, much more than you could count all of

them, even more numerous are the chances of forgiveness that My FATHER, WITH ME, wants to offer you...

O children, I AM THAT I AM!... I wish that in be witnesses of the FATHER'S LOVE to ME...

Even after I, through My MOTHER, became a man, and revealed the FATHER to you, many are those who have not heard of My FATHER... Others have heard , but did not follow... Others listened, but did not experience the FATHER'S LOVE...

It is your mission, which I solemnly entrust to you, My Servants and faithful apostles, and the Church of My Immaculate Heart, of My Sacred Heart and pierced with LOVE for you, it is your mission to reveal My FATHER, to reveal My FATHER's LOVE, to this humanity, which is frozen and without love...

Whoever knows the FATHER, knows ME, and whoever knows ME, also knows the FATHER... Where the FATHER goes, I go, and where HE is, I am! What HE does, I do!...

Therefore, beloved ones, pray together with My MOTHER, that the Holy Spirit may supply you with STRENGTH, in these days when you must be My Witnesses in Brazil and throughout the world...

I leave you this request: - open your eyes and your hearts!... The FIRE of My Holy Spirit is about to be poured out, and when it is poured out, it will spread, and the whole world will then know what from My Gospel I promised you: - All will be one people for one GOD, one Shepherd!...

I leave you Peace, and I bless you in My Father's Name... in My Heart's Name.. . in the Name of My Holy Spirit...

Be in Peace!... Come back here in the coming months, because I and My MOTHER want to continue your conversion..."

Day 04/10/97

"- My beloved children I love you and I count on you every day... My Immaculate Heart beats with yours, and gives you the Grace of the FATHER... Give me your hand, so that you will never be separated from My LOVE. ..

I ask all those who are here today, to pray during the week for all those who persecute or do not love you, so that they drink the LOVE of GOD.... So you will be My children...

Stay in Peace... "

Day 17/04/97

"- My dear children, thank you for coming to My Heart... It is very good that we

are together with the Lord!

I want to ask everyone here to put the Rosary in their hands and pray more!... There are still many who don't pray here. Talk to Jesus and to Me, your Mother!...

I am burning with desire to help you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... Be in Peace ..."

Day 04/24/97

"- My dear children, today I want to ask you to take from your homes some Message of Mine that you already have, and to multiply It and take it to ten people.

You hide My Messages, My children, and that is why many do not know that I I am appearing and calling you to the Only GOD, who changes your lives! I will

bless you for this small gesture of love to My Heart...

Just like the person who gave you the Messages for the first time, he was like a good angel for you , be good angels to your little brothers, who still don't know Me...

In this way, My Immaculate Heart will TRIUMPH!

Thank you, thank you forever!... Be in Peace..."

Day 01/05/97

"- Dear children, do not be disturbed by the ordeal that happened... Pray. Put the Rosary in your hands and pray!

I am your Little Mother, and I come to encourage you to pray! Pray for this! Come close to Me, for the Rosary! You don't know how POWERFUL GOD is!...

Rest in the Peace of the Lord!..."

Day 07/05/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children, (pause) I am the Mother of you, who knows everyone, and in everyone, puts LOVE... Thank you for your perseverance in continuing to come here...

My Heart feels happy today, because many here are converting, and are passing through to pray and help Me to save souls...

I am the One who cultivates all hearts for LOVE, and for the Grace of GOD!

I have come to this world many times to call it conversion... To those who did not welcome Me or My Messages, I could do nothing but shed Painful Tears of Blood, but... for those who welcomed Me, I I was able to bring My Son Jesus to live in your hearts...

I am doing wonders all over the world! The Celestial Mother is close to you, My children! Look at My numerous Apparitions, calling you back to GOD, My Tears, including those of Blood, to show that I don't want to lose any of you!

Let yourself be guided by Me, dear children! I need you to trust Me, because without your trust, you will not be able to open up, nor have perseverance in what I tell you...

I am the Ark of the Covenant of GOD! I am like a Dove of Peace, that descends to earth, Immaculate and Pure Dove, the same as the Song of Songs; yes, My children, I was prophesied by GOD, to be the One who flies over the whole world, and brings Peace...

Oh! How many dialogues have I had with chosen souls! How many punishments have I avoided! How many victories have I gained from My Son for you!...

Therefore, children, I ask you: - heed My calls, and truly convert! The time that I can stay with you, in this way, is already, My dear children, very little... Enjoy that I am here, and I can guide you to GOD, so that you are strong and prepared (pause) for everything, and for everyone...

I give you My Peace... Pray the Rosary every day, with your heart always at Peace...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My beloved ones, (pause) I AM the Lamb of GOD!... I rejoice , for you, who answering My MOTHER's call, are here once again...

The request I want to make of you today is that you be reborn from Water and the Spirit! Anyone who is not reborn from the Water and the Spirit cannot be Mine, nor enter the Kingdom that is Mine... To be

reborn of the Water and the Spirit means renouncing everything that exists in you or your lives, which is contrary to ME, or My WORD, (pause) and then, embrace all that is Mine, My Commandments, and above all, live united with My Holy Spirit, and with My MOTHER...

Everyone who loves Me keeps My Commandments... If you do not live My

Commandments, you cannot say that you are Mine, nor that you love Me... If you want to be Mine, leave everything, everything that gives you pleasure, and follow me... Take up the Cross of Sacrifice, of Penance, of giving to the sick, the poor, the needy, the distressed, the afflicted... Take up your mission, and follow me!

I rejoice for all the steps you have taken towards conversion, and today I want to renew to you, once again, My request: - that you form prayer groups, with My MOTHER...

I deeply bless these Images of Her, which they are here... Multiply Them more, and form prayer groups with My MOTHER, the MOTHER of Peace...

I am with you... My WORD is the same, (pause) I have not erased It, I have not altered It, I have not taken a trace of IT, and My WORD continues to say to you: - Whoever gives his life for My sake will find it. it, but... whoever wants to keep it from ME will lose it, because everyone who is in ME and I in him, this one bears much fruit, and the fruit is for Eternal Life...

Continue to come here , so that I can continue your conversion...

I bless you with the LOVE of My FATHER... with My LOVE... and the LOVE of My Holy Spirit... (pause) Peace I leave you. .."

Day 05/10/97

"- Dear children, I ask you to convert without delay!... I cannot deprive you of your freedom, GOD created you free, and free I have left you

... great pain may come to earth!

The Holy Spirit is not loved; the NAME of Jesus is despised, and every day crimes and violence increase...

This PURIFICATION is inevitable...

The only thing we can do is pray a lot together, but... there is no need to be afraid! I am here! Those that I keep with Me will never be affected by anything that is bad...

I am here!... Be in Peace..."

Day 05/15/97

"- My beloved children, today I cannot stop talking- them, because today is the night of Mercy...

My children, I want to say to you: - I have come to call the world to conversion for the last time! After these Apparitions, I will no longer return to this land...

Time runs fast, and all the chances that the Lord is granting are exhausted...

You know that I will leave here THIRTEEN SECRETS that you still don't know. If you knew what they contain, you wouldn't be able to bear them... I support them out of LOVE for you...

For Me, no pain is too much for you, but... I ask you: - correct your lives, change your living , so that GOD can change you, and that GOD can give you the JOY that never ceases, and the promised Peace...

My children, I have cried so many times, and right here I showed you, through this Image of Me(the Image of the Apparition), My Tears... I thought of you that day, My children...

What have you been doing? When was the last time you made any renunciation for Me or for the Lord?...

My children, you have forgotten My Tears...

You have forgotten My Messages...

If you do not live them, rejecting them, know that one day you will also be rejected, because only those who open their hearts can receive the Holy Spirit, and those who throw stones at the Work of the Holy Spirit, will hardly find forgiveness...

Therefore, children, I ask you, accept My Requests, while I can still give them... The time will come when you will want Me to come down from Heaven, but... I will no longer be able to be with you in such a strong way. ...

I pray every day to My Lord, that your minds and hearts will open, to understand My WORDS... Many times I have spoken to you with a Mother's LOVE, which you have never seen similar to Mine, but... you they didn't understand and they didn't welcome me...

Therefore, the Plan of GOD in their lives is completely spoiled... They are frozen, for lack of prayer, love, and surrender to Me... Don't be afraid of Me! Come to Me, children, and surrender your lives to Me! I need your lives because they are precious to Me...

GOD doesn't want to carry out HIS Plans without you! I came to Earth to save you, once again... I saved the world several times when it was about to fall into destruction, and now, I come to free you from so much hate and violence, that reign in this world without LOVE.. I

tell you: - if you return to My Immaculate Heart, there will be so many Graces that I can give you, that you will exclaim that after Jesus became man, so many wonderful Graces have never been seen!

I call on young people to place the Rosary in their hands, and in this way,

annihilate Satan and all the works of his hatred with Me. The dragon is now angrier. From its fangs, it releases a deadly venom. His claws are sharper now, eager to destroy My children...

Don't let sadness and fear, or any worries, enter your hearts! I am the VICTORIOUS Virgin over the dragon!!! My Immaculate Foot will soon crush your head, and then the world will know My Time of Peace...

The Most Holy Trinity said to Me: - "My Daughter, Mother and DIVINE Spouse, do in the world what you want. . Even if it were the Universe, everything would be given to You! Go, and defeat OUR eternal enemy! Perform OUR Infinite Mercy throughout the world..."

My Lord gave Me this ORDER, and I have fought for all of you. A GREAT BATTLE is about to be fought between My Son Jesus and Satan. Human souls are in danger... I count on you to save these souls, and to present them all to GOD... I do not wish to lose any soul, therefore, you are all important...

I invite the families, I invite the parents and spouses, to place the Rosary in their hands, and thus show My enemy that their families belong to Me, even if their children or family members do not accept My LOVE...

I promise that I will act! Despite Satan, I WILL REIGN...

I invite the whole Church to take refuge in My Immaculate Heart, to seek strength in My Rosary, which has always been the Anchor of Salvation for the Church... With this sign, O Church, you will win!. ..

I will be the WINNER over all evil, and then, when I have washed this world with My Tears, everyone will know the dream that I have within Me: - may everyone live and remain in Peace...

I love you and I give you My Peace... I love you with the boundless LOVE of Jesus! Even if they could measure or calculate the entire extension of the Universes, they would not have been able to understand what is just a spark of the LOVE that burns in My Heart...

I love you with an endless LOVE! I only ask you to think of Me for at least fifteen minutes a day, in silence, in addition to the Rosary you already pray...

Feel My Presence! I promise to bring you spiritual healing and help you, in these fifteen minutes of silent conversation with Me, and I promise you that your hearts will become more and more like Mine, and crystal clear, for My Lord and My GOD

... !(pause)

Our Father..."

Day 22/05/97

"- My children, I urge you to continue praying the Holy Rosary! There is nothing that causes Me so much joy, like a Rosary prayed with love..."

Day 29/05/97

"- My children, convert without delay! You cannot imagine how the ETERNAL FATHER is saddened by your sins... Change your life immediately, and do not offend Him anymore!..."

Day 05/06/97

"- My children, these days are days of Thanks, but... you have lost them, for not praying enough... Pray, so that no Grace is wasted by you!"

Day 07/06/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children, (pause) I thank you for coming here, despite the cold and so many difficulties that have passed these days... I thank you , My children, for all correspondence to My Immaculate Heart! You will be blessed if you do what I tell you...

I want My Immaculate Heart to be more loved and better known by all My children... There are many My children who do not even know that My Immaculate Heart exists, that there is a Heart that suffers, and that is pierced, for every serious sin that you commit...

I feel Pain for those who are condemning themselves, but... I am happy for each child who returns to Me..

My Immaculate Heart feels all the pains of humanity! My Immaculate Heart Maternally feels the pain of so many children who, helpless and weak, are ripped from their mothers' wombs...

My Immaculate Heart feels the pain of children who, from an early age, are forced to live in a world full of violence, corruption, full of pride and evil...

I suffer when I see children who go hungry, who die abandoned by their parents and by all of you, in this society (pause) without GOD...

I suffer when I see young people who, every day more, they plunge into the deadly poison of drugs, prostitution, the life of crime and everything else in the world that is more poisonous and more deadly, to destroy lives...

I look at the young people who also offer themselves to Me, and walk with Me, along the path of prayer, holiness, penance and LOVE... I bless these young people, who try to bring the LOVE of My Son Jesus to others... , for each word, a great Glory beside Me, in Heaven... My Heart is your Strength, it is your Ark,

and your Refuge always...

I feel pain to see families so divided, devastated by spiritual misery , for the temporal misery, for the misery of LOVE, because they don't have LOVE... I suffer when I see families that, instead of being a fertile land, to generate hearts of Saints for GOD, generate poisonous fruits for this world...

How many families have lost the way of God and destroyed themselves! How many people can still destroy themselves, because they adore soap operas, adore so many television programs that have destroyed the Presence and Work of God in their hearts, have offended the Holy Spirit, to put the spirit of evil in their hearts...

I feel pain for My Church, for My Priests and Religious children who, in the great battle to bring the Gospel, to bring Salvation, suffer so many attacks, so many tribulations and, at the same time, so many storms that My enemy provokes, so that the Gospel does not reach all hearts, and so many souls are not saved...

I am at the side of the Cross that the Church carries! I pick up the stains of blood that the Church leaves in its path, and I, Your Mother, offer you today, the Safe Refuge of My Immaculate Heart...

I feel pain (pause) for each of My children, who live and dies without GOD...

I feel pain for My children who deny that hell exists; who deny that ETERNAL LIFE exists; who deny that My Son in the Eucharist LIVES, and EXISTS... I feel pain

for the children who, because they do not believe that hell exists, allow everything and present everything as good, that nothing else is a sin...

children who forget that My Heart waits for them... But I rejoice for every child who decides to say YES, and to walk with Me...

I rejoice for the children who, seeing My Heart pierced with thorns, pull Me out thorn by thorn every day, for their life of prayer and communion with Me and with My Son... This is the great wonder that GOD reveals for the 20th Century:
- MY IMMACULATE HEART, REFUGE and SOURCE of PEACE!...

I tell you, children, until the world asks and does not return to My Immaculate Heart, it will not have Peace...

Pray the Rosary every day, because, children, a seed of My Immaculate Heart is present in each Rosary bead... If you pray the entire Rosary, My Heart will be able to act powerfully and without barriers in your lives...

I love you, and I am with you, even in the most difficult moments, and your tears all fall into the chalice of My Immaculate Heart...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My Beloved Ones, I AM LIFE!... JOY speaks to you now! I AM the JOY that speaks to you!!! LIFEf(pause) speaks to you now...

I AM ETERNAL LIFE, whoever believes in Me will not die, and even though he is dead, he will live again... I AM THE ONE who comes to bring resurrection to many, new life , for many...

Many of you ask yourselves in your heart: - Why the Apparitions? Why Messages? Why Visions? If you lived the Gospel, I and MY MOTHER would not have to come down again to call you... OUR Messages are just the echo of the Gospel!

Just as the lightning flashes, and the thunder echoes, so My Gospel, like lightning of LOVE, of Peace and of Light, shines!!! (pause) and OUR Messages echo...

Generation! How much you are making My Heart and My Mother's Heart suffer! You accumulate sins and more sins! You gather more and more glories and glories for yourself! Gather more and more darkness and darkness for you every day!...

Children, I came to announce to you that the DAY is already coming, that the LIGHT of the DAY is already beginning to shine, and the darkness will be expelled and extirpated, at the moment when let My Heart speak... and My Arm rise, for Justice to operate...

Be converted! See that lack of conversion is a sword that pierces My Heart and the Heart of My Mother!... O children, may your daily conversion take away that crown that, at all times, men tirelessly do nothing else if not to add and make sprout, more thorns of sins and offenses...

Today you remember that it's been a year since My MOTHER shed Tears through this Image, which Heaven itself chose...(it is the Image of the Apparition - Queen and Messenger of Peace)

Children, may My MOTHER's Tears wash your hearts and make you born to the Spirit!

Seek My LOVE! Seek My Spirit! Do not look so much for the bread of the earth, the bread of pleasures, of exaggerated diversions, the bread of lust, because that bread does not last... because only My Bread lasts forever!

I bless you in the Name of the Father... of the Son... and Holy Spirit..."

Day 12/06/97

"- Without prayer, the world cannot have Peace... Pray tirelessly for Peace before Jesus Crucified, and ask Him for forgiveness for all sinners..."

Day 06/19/97

"- My children, fast and pray even more intensely! The Peace of the world is over, and it can only be recovered by fasting and prayer..."

Day 06/26/97

"- Many leave prayer, without even having entered it..."

Day 06/28/97

"- Dear children, may the prayer group, tomorrow (June 29, Feast of Saint Peter the Apostle - Pope's Day) pray more for the Pope, and may make greater sacrifices for the Pope... Tomorrow I want the whole group to offer communion for him, that you participate in the Mass with him! By praying for him, you can be united in heart with the Pope, be close to his heart...

I want you tomorrow, too, to offer the Rosary especially for him! put no more requests in the Rosary, except for Him... Tomorrow, I want all prayers to go up to Heaven, totally, only for Him...

Pray for this My beloved Son, who suffers, and who carries the heaviest Cross of all of you... He feels oppressed and crushed by a great weight on Him: - to keep the Faith on Earth, and to repress the evil forces that want to overwhelm the Church and lead most of My children to death, destruction and sin...

My children, I wish for you tomorrow too: - Consecrate the Pope to My Immaculate Heart! Pray the Consecration in His name to Me, so that He can, once again, enter the depths of My Immaculate Heart... and I also want all those who can, tomorrow, to make at least fifteen minutes of intercession before the Blessed Sacrament, for Him... tomorrow, all your prayers will be for Him... He needs your prayers!

Answer YES to My call, dear children, and by praying for My Favorite Son, I will give you much greater Graces than what you usually ask Me in your prayers...

Thank you... I thank the group for having answered My call!

I bless you with LOVE, stay in Peace... in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/07/97

"- Continue to pray the Holy Rosary every day, so that the world may reach from GOD, through Me, Peace..."

Day 07/07/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Beloved children, (pause) today, I am the Queen and Messenger of Peace , Mother of families!...

I want to tell you, children, that your families can still be saved, through the power of prayer and the practice of My Messages... I ask all of you to make an appointment in your homes, every day that you can, to pray the My Rosary, read My Messages, read an excerpt from the Gospel, so that your homes may become like the house of Nazareth, filled with the Holy Spirit of GOD...

I want your families to be the seeds of the Triumph of My Immaculate Heart, and that is why, dear little children, I ask you to place My Images on an altar, in a place of honor in your homes and, in front of this Image, you pray every day... I promise that the family that does so will be saved from divorce, separation; I will rid your children of drugs, and if they are on drugs, I will go get them, and bring them back!...

I want you, My children, to understand that Satan does not want to see anyone happy, and that is why he does not want to see none of their families happy...

Cast out and drive Satan out of your homes, with the prayer of the Rosary!

He does not stay where the Rosary is prayed and where the WORD of GOD, the Gospel, is announced, the WORD of TRUTH, there he, the father of lies, cannot remain... a little time in your families, for sure, My Immaculate Heart Will Triumph!... I count on the YES of each one of you...

Where Satan hurt, I heal!...

Where Satan hurt, I pour the balm of LOVE !...

Where Satan has knocked down, I raise!...

Where Satan has conquered, I step on his headf, and I return all the VICTORY to My Son Jesus...

Put the Rosary in his hands... My children, I bless the Thirds of you right now, you can lift them up to Me... (pause)

With this sign they will win! With this little weapon, you will win!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Wherever your Rosaries are, there will also be My Special Blessing and My Presence, felt and manifested for all... "

Message from Our Lord Jesus Christ

"- Generation!!! Sheep I like! Today I feel comforted by your presence in this place, and by all your trust in My LOVE!...

Your prayers are like a sweet song, a sweet melody in My Ears... I want to say to you: - I love -you!!! I love you all!!!...

My Throne in Heaven burns in flames (pause) of LOVE... it is the FIRE that comes out of My Heart, devours My Throne, and it is the FIRE that also consumes My Angels, in continuous adoration in My Presence... It is the LOVE I have for you, generation, (pause) it is the LOVE I have for you, My people!...

I want to tell you that your families have lost their way, because you have closed your ears to My MOTHER, you closed your ears to ME... You sent away, in disguise, My Mother and the prayer of the Rosary of your families, to put the soap operas and so many false things (pause) that you watch...

What you have in your chest , they are stones, not hearts! If you want your families to be saved, heed the warning we give here:

Pray!...(pause) Fast!...(pause) Hear My WORD!...

This time I send more than an Apostle, an Angel, or a Prophet to warn you... I send My MOTHER...

I told My Disciples that to the house they entered, if My Gospel were welcomed there, that house would be saved ... My WORD (still) is the same as in the Acts of the Apostles: - Believe thou, and thou shalt be saved, thou and thy family!

But that house that does not accept My WORD will be treated more rigorously than Sodom and Gomorrah, on the day when I suddenly appear on the horizon and examine each one of you, in front of Me...

Pray!... Your century, is a century that is dominated by My enemy, whose power is ending, that's why he is so angry... It destroys marriages; destroys young people in drugs, prostitution and alcohol; sow division in the midst of My people, in the midst of My own Church, in order to discourage you from prayer...

Step on! with My Mother's Foot, on her head, praying OUR Rosary... yes, because the Rosary is Mine! I am present in it, I am present in all the Mysteries of the Rosary... In My Mother's Womb, in My childhood with Her, in My Bitter Passion, and even, at the moment of Her Assumption, I personally came to take Her to the tomb , and take HER WITH ME (pause) in My own Arms, to be crowned, before all the millions of Angels I have in Heaven, because SHE was not ashamed of ME, on earth...

Pray... pray... pray... I want you to dedicate more time to your family prayer! If you cannot love your family, you will hardly love My Church, and humanity... Know, My children, that the family is a fiber of the Church, a fiber of

humanity! If she is well, the Church and humanity will be well. If she is bad, everything will be bad too...

Love your family! If it weren't important, I wouldn't have created it and written your name, and that of those who live with you, in the same FIBER, inside My Heart...

I bless you in My Father's Name... My Name, Son ... and in the Name of the Holy Spirit...

Stay in Peace... and come back, so that we can continue your conversion..."
Day 13/07/97

"- Thank you My children, for coming here in Capelinha, to start today the prayer group that I asked you to... You will be blessed, My dear young people, with the Graces of My Mother's Heart!

I want to ask you to talk to other friends you know, and invite them to come here next Sunday, always at the same time, to be together with My Immaculate Heart...

I want you, My children, this whole week to pray for the conversion of young people... At least, that a third of your prayers be dedicated to young people. I want to tell you that there are many young people who have fallen into drugs these last few days. I want to free all the young people who are addicted to drugs, but I need your prayers, so that their hearts can soften and I can come in, can change them...

I want that this week too, you put the friends who you know and who use drugs, in your prayers... Ask for them, My children, and do not forget them when you are praying, together with Me and together with Jesus...

I thank you, and I bless you, in the Name of Father... of the Son... and of the Holy Spirit...

Rejoice, because I will give you great Gifts... Keep coming here, because I want to make you My instruments!

Be in Peace...

Day 14/07/97

"- Little children, I am your Mother! I keep you inside My Immaculate Heart! May nothing afflict your hearts from now on, for I am your companion. I walk with you, together with Jesus. I love you and I am always praying with you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition

"- I want to encourage you them in the experience of the Holy Gospel! Many are lost, for not understanding the LOVE of GOD, testified in the Holy Scriptures...

It is necessary today, the outpouring of the Holy Spirit in their lives. It is the moment when GOD wants to unite HIS children in LOVE, in Charity towards others...

Only through the outpouring of the Holy Spirit of GOD, that HIS Plans will happen in you, everything with respect, order, piety, love and devotion to My Immaculate Heart... I leave this Message to you, and I ask you to carry It forward...

Keep with LOVE what I say to you, and do what Jesus tells you... I leave My Peace, which comes from Sir, to all of you..."

Day 07/21/97

"- I am the Lady of the Rosary! I want you to pray the Holy Rosary every day, and spread it throughout the world... There are many who do not like praying the Rosary... I want you to spread it more, and make everyone love and pray!"

Day 28/07/97

"- Continue to pray the Rosary of Peace every day, to achieve Peace for the world! Use the Medal of Peace with love and trust, so that I can protect you from what Satan wants do..."

Day 04/08/97

"- Make the Siege of Jericho even more intensely! The more intensely you pray, the more Graces you will obtain!..."

Day 07/08/97 Monthly Anniversary of the Apparitions

Celebration of the Christmas Anniversary of Our Lady

on August 5th

Message from Our Lady

"- Dear children, (pause) thank you My children, for having come this far, and for making Me such a wonderful Feast... I tell you, My dear children, that this is My most beautiful Birthday! touched by the demonstration of the affection you have for Me!...

Always stay close to Me, My children, and My LOVE will always be in you... I am the Mother who wants the union between you! , nor despise them, because

of their color, because I also manifested myself as black, to show them that I am the Mother of all... all are My children, all are brothers...

Do not despise My Oriental children, because, also for them, I manifested Myself as Mother of All Peoples*, to tell them children, that you, before GOD, are all equal...

Don't look at the poor with contempt, don't look at the alcoholic with contempt, don't look at the drug addict with hate, because they are your brothers... Pray for them...

Pray for your brothers, who you know live in daily prostitution! I am their Mother too, and I want to free them all from the slavery in which they are immersed...

My children, you cannot say that you love GOD if you, in front of these people I have mentioned, act with contempt, act with rancor, and act with hate... You can only say that you love GOD, who loves the black, who loves the poor, who loves the oriental, who loves the sinner, to pray for them... This one loves GOD!

That's why I say to you, My children, pray for them, and lead them all to My Mother's Heart, don't forget anyone!... Where Satan has wounded, I heal... Where Satan has knocked down, I rise again, and I obtain My VICTORY...

That is why I say to you, My children, very close to you is the sign, and the TRIUMPH of My Heart is there! Because of this, prepare yourselves, (pause) the difficult moments of the great tribulation have not yet arrived, but... I will always be with you...

I rejoice, because your hearts are the best gift I have received! For you I am glorified, because to the little ones, the simple and the pure in heart, GOD reveals that Mother I am...

For you I was glorified, because you prayed and sang with your Heart... and being here, you persevered in the My presence...

I have been glorified, because it is for the little ones, the young, the afflicted, the anguished and the oppressed, for those who have nothing, that the most perfect praise comes to My Mother's Heart...

For you I was glorified, and today , on My Birthday, when I complete 2013 years, I renew My Consecration to GOD, and My Consecration to all of you:

"- Lord! Receive My YES again, as I gave it to You, in Nazareth of Galilee... I

consecrate to You My FATHER , to YOU My Son, and to YOU, Holy Spirit, who are My LOVE (pause), My Maternal Life...

I give You My Heart again, and I will love You forever!

here is the Handmaid of the Lord! Continue doing in Me, according to YOUR WORD...

I renew My YES, Lord, to all these My children, to the entire Church, of which I am Mother and Queen, and forever Lord, grant Me YOUR POWER, to protect them and continue to guide them, (pause) to YOU...

YOU WHO ARE HOLY GOD, STRONG GOD, and IMMORTAL GOD!... (pause) Amen."

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit. ..

Thank you, you look beautiful today, at My Feast!..."

(*) Observation - (In Akita, Japan, an Image of Our Lady of All Peoples, belonging to the Convent of the Religious of the place, cried tears, which, after being analyzed at the most renowned University of that country, were confirmed to be human tears.In addition, the Image spoke and transmitted several Messages through Sister Agnes Sasagawa's deaf ears.

In Naju, Korea, Our Lady appears to the visionaryf Júlia Kim, for several years now, and through an image of Her, in which she is represented as Our Lady of Graces, she performs immense signs and wonders. The image presented Blood Tears, miraculously exhaled perfumes, in addition to other phenomena surrounding the Apparition, such as the mystical Communion, received several times by the seer, in the presence of many witnesses, which could be filmed several times.)

Message from Our Lord Jesus Christ

"- My children! My lambs! I the Alpha, speak to you now... I AM the Son of the Blessed Virgin Mary!!! My Heart trembles with joy, for the love with which today you praised and magnified My MOTHER. ..

I myself put the Prophecy on Her Lips: ...and all generations shall call Me Blessed!...

Yes, SHE REIGNS!!!

SHE LIVES WITH ME!!!

IT'S MOM!!!

It's mine!!!

...and at My side, SHE acts, much more ALIVE than you!

SHE opened the way to Heaven, for all those who could no longer find ME...

(through Her Apparitions)

Yes, all this crowd, all this My flock that is here, fulfills My Mother's Prophecy... You you are here, proclaiming it again: - BLESSED, for all the Generations!

I, the Shepherd of the sheep, say to you, I have never found a sheep similar to My MOTHER! Of all the flock, of all races, languages, peoples and times, there was never one as faithful as HER...

Yes, I was in HER womb for nine months! SHE adored ME, night and day, and in everything she did, she thought of ME...

I, even being a man, had the SCIENCE of a GOD, and I communicated with HER, in ecstasies that no one will ever be able to penetrate. .. Yes, when I was born, SHE squeezed ME in Her Arms, I received Her Breast Milk, I received Her LOVE, Her Kiss, full of LOVE and warmth!

SHE squeezed ME in Her Arms, so that I wouldn't get cold, so that nothing bad would happen to ME... She ran with ME, from one city to another, to save ME from persecution... Only WE TWO knew how much they were (pause) those moments were profound...

When I preached, when I healed, or when I freed the oppressed who came to ME... SHE was there, always by My side...

How many sinners asked HER to speak to ME, because of their illnesses, to forgive their sins, and I forgave them, I healed them, because it was My MOTHER who begged ME... Do I deny Him anything?...

When I, tortured on the Cross, without there being a part of My Body without Pain or without Blood, My Little Mother was there, next to ME, looking at ME, shedding Tears for ME, staying strong just for ME...

Yes, I gave her, because SHE would take care of all of you, as she took care of ME... I lacked nothing! (pause) With HER, you will lack nothing!...

And then, I took Her WITH ME and I glorified It, in Vision* before My Apostles, and before all My Angels...

(*) Observation - Mark: (I understood that at the Coronation of Our Lady in Heaven, Our Lord gave His Apostles the Vision of what was happening in Heaven with Our Lady, before All the Angels of GOD, so that in the Church Tradition , this would always have her as His Queen and Lady)

Like SHE, another Mother, My FATHER will never do! Therefore, love her!!! love her!!! because in hell, there is not a single devotee of My MOTHER... they are all in Heaven...

When My MOTHER brings ME the sinner at the hour of death, clutched in Her Arms, even if he is the worst of all, deserving of punishment, but... as SHE

asks ME, I can't send him... because SHE tells ME:

"- Yes SON, if you have to punish him, punish ME too..." so, no I can punish My Mother, and then I forgive the sinner...

Observation - Marcos: (These Words of Our Lord absolutely do not apply to the FALSE devotees of Our Lady, who pretend to have a devotion to the Blessed Virgin, imagining that they can continue to lead a vile life, or who do not have a firm purpose of amendment. , and despite this, they imagine reaching the patronage of the Blessed Lady at the last hour, and therefore they will be saved.

NO! Here Our Lord speaks of the TRUE DEVOTEES of His Most Holy Mother. overcome their miseries and sins, and who have always striven for this, however, their faults still deserve heavy punishments from the DIVINE Justice.

It is to these that the MOTHER of Mercy will help, because of the DIVINE Mercy, all placed in the MOTHER of GOD, it is not abused or mocked with impunity, but the Arm of Justice of GOD reaches them)

SHE, like no one else, loves you all, but... she is so disowned, she is so despised, and it hurts My Heart...

I opened my heart to HER!!!

SHE is the Ark where all My Covenant with Men is! And I tell you, it is enough for you to give (pause) a little drop of love for My MOTHER, a gesture of love, for ME to repent... and save all of you from the evil that comes...

Therefore, stay under the My MOTHER's Mantle, the DIVINE Justice will not reach anyone who is under My MOTHER's Mantle, and I (pause) will forgive everyone who has My MOTHER's Hand on His Heart, in prayer...

Be in Peace! I bless you in the Name of the Father... Son... and Holy Spirit...

Be in My Mother's Peace, and in My Peace..."

Day 08/08/97

I want to thank you for everyone who came here again, after the days of My Birthday. I wish you to continue praying for My Plans to come true, and for everyone's conversion to take place! Keep praying for My Maternal Plans; keep interceding for My Plans to come true...

I want to need you, now more than ever, so pray!!!

Tomorrow, in the Thousand Hail Marys, I will give you strength... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/10/97

Today , My Presence will be very strongly manifested to you. I will touch many people, and I will destroy the barriers of their hard hearts... I will pull out sorrows, grudges and even hatred from within their hearts! It is enough for everyone to pray with an open heart.. Don't be afraid ...

Let My Son act within you, and everyone will be healed of their traumas and problems... Surrender yourselves to the Holy Spirit!

I leave you Peace... Pray! Pray! Pray!. .."

Day 08/11/97

"- My chosen children, now I ask you to pray, pray, pray, so that on Friday, My children welcome everything you say, with great joy...

I want you to fast, do penance and, through these prayers, I will remove all that is hate, rancor, sadness and all evil from hearts, and I will leave everyone filled with Peace...

I will send all possible signs to convert hearts! What were you worried about?

Your prayers will save many people... Now, the Battle will be fought between good and evil. Only your prayers will convert and save people who are in danger of damnation!

My TRIUMPH is getting closer! Pray the Rosary every day for the conversion

of families. Only union, Confession, the Eucharist and fasting will be able to hasten My TRIUMPH more!

Evangelization is a great weapon against evil, and it helps many people to convert. May your hearts become one... Don't be afraid to share the Gospel with people! The Holy Spirit will anoint you, and I will always be present, and I will cover you with My Mantle, to protect you from all evil...

Pray with your heart for your own conversion! Don't let hatred, anger and disunity reign among you! May your hearts be pure! There are many here who are still in sin... Watch TV, listen to profane music...

Pray! Pray! Pray! Don't forget to pray!

I love you!!!... I love you!!!... I love you!!!... I love you very much, little children!!!...

Don't let jealousy enter your hearts! He is the great cause of your disunity. Do not try to understand My Mysteries, because they are impregnable...

Rest in the Peace of the Lord..."

Day 08/12/97

My enemy is furious against you, because of the Plan I want to carry out...

Pray! Pray!"

I thank you for being here..."

Day 08/19/97

"- I thank you for being here, with Me... Keep praying every Tuesday here, for the young people. Many of them here have been touched, but many still need your prayers...

I need a lot of prayer! The world needs a lot of prayer!

Day 19/08/97

"- My children, I thank you for having climbed this far, despite the cold that night, and despite the fatigue of your work...

Nothing will go unrewarded! Even a candle lit for Me will have a reward... This sacrifice(pause) will be rewarded...

Now, some have begun to understand My Plans... I need you not to waste any more time with discussions, because they do not lead to anything... So I ask you to cooperate with My Planof, because this is the last chance that GOD gives Me to save... so take My Messages seriously, and pass them on next Saturday to all who come here on pilgrimage...

Today I am here pouring Thanks into your hearts... I am very happy to see you here! I came here to ask you once again to make the Thousand Hail Marys, because you need to say them once more, to light My Flame in this prayer group...

You need to pray more, so that union returns between you! Pray, pray a

lot! Fast, make sacrifices to God!

I love you all... Come here next Friday night, punctually at 19:00 pm, and do the Thousand Hail Marys...

Everyone should be here! This time, what I am going to do, Satan will not get in the way, and even if he wants to use someone, My Foot will crush him...

Therefore, say the Thousand Hail Marys here on Friday, and you will receive an ocean Thanks...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Go in the Peace of GOD..."

Day 08/20/97

"- Dear children, I want to thank you for coming here again, with love and perseverance...

Believe, it is I who am doing these wonders all over the world... My numerous Appearances have been granted by GOD, to try to save you from the sad fruit and the sad consequences of the sins that are practiced everywhere, without any regret on the part of anyone...

Understand, that My Mother's Heart is very concerned about the world! There is no limit to sin anymore, and that is why I am now so afflicted, as I have never been since My Son Jesus came into the world, because the danger that hangs over the world is very great

... I ask you to stop wasting time and spread My Messages! It's so simple, but you don't... It's not enough to listen to My Messages and keep it at home! You must multiply them, and give to all you find. Much time has been lost until now, and many souls too, because you have not taken My Messages for fear of being rejected, or even humiliated...

I ask you to abandon yourselves to the Holy Spirit, so that I can make you courageous witnesses in front of this world, which rejects all God's visits...

I ask you to place the rosary in your hands every day. and prove to satan that you belong to Me! Pray the Rosary, and I promise you that I will show you all the people to whom you must take My Messages...

Today, I am present here with a lot of LOVE in my Heart, because you prayed today with your heart... I come here too ask for My Work of Jacareí... May you pray a lot for My Work!

I ask that you also pray the Rosary as a family, especially at 8:00 pm. I also ask that you pray the Thousand Hail Marys for My Plans here! These Thousand Hail Marys will bring you many conversions and many Graces. All

who do will be blessed by Me...

You are very much loved by My Heart! Satan hates you from here in Jacareí, who love Me and who live My Messages, because many here have been converted...

Therefore, I ask you to say the Thousand Hail Marys, so that I can neutralize his strength, and may only My Name and the Name of My Son be glorified...

I ask you to heed this message of mine, because there is little time left for me to stay with you like this, leading you by my hand... in the heart. When you let the Holy Spirit inspire and touch, everything is renewed and transformed...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord..."

Day 08/23/97

"- My beloved children, I am glad that you are here once again, as per My request, but I was sad because you arrived late, and because of that, it was not possible to accomplish all that I wanted... However, keep coming here, for I have wonders to work here...

Pray for these My children... Pray also for My son Marcos, because he is being harshly persecuted and slandered these days! Pray, because the way of Jesus is the difficult way, through the narrow door! Pray that they continue on this path...

Here, I will bring people from all over to find Me! Next Saturday you will hold vigil here all night. I will give Messages at that time, and great signs will be seen by you. I love you with all my heart...

Why do you abandon Me? I love you so much!...(pause) Be sure to come here to pray. Leave the fights, the grudges, the anxieties... leave everything aside! Come and pray with love, and you will have your reward. Those who come here on Saturdays and pray with love will receive great graces...

Dear children, prayer is your strength! Pray, children, pray a lot and surrender all your lives into My Hands...

My little children, I have come to ask for the Thousand Hail Marys many times, and I ask again, because the world needs a lot of prayer...

I ask you let them pray as a family, pray a lot as a family...

My children, thank you so much for being here. Thank you so much for leaving your families, your family members, to be united here with Me...

Today I want to warn you: - I ask you to please pray with your families! (pause)

Teach your children to pray! Some children today do not know how to pray or the prayer that My Son taught... Please, instead of sitting around watching television at dinner, gather at the table together. I want you to have dialogue in families...

The world is the way it is today, because you don't have dialogue... There is no dialogue in the family! Therefore, what I ask of you today is family prayer, and dialogue in your families...

Is the enemy chasing you a lot? I promise you, if you pray with faith and with your heart, that he will not be able to defeat you...

I love you all! Come back here, always at the same time...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/24/97

"- Dear children, thank you so much for coming this afternoon! Jesus and the Holy Spirit have freed many souls...

Do not deceive yourselves! You need to convert your hearts with each passing day! If you feel good, call on the Holy Spirit, and He will come! When He comes, everything becomes clear...

I love you deeply, with infinite LOVE! I thank you all, because today you opened your hearts to Me, and the Holy Spirit He opened himself to all of you... Open yourselves more and more to Me!

Today I am happy with you! You opened your hearts, that's why you were able to receive Graces, and My Son was able to act, with the Holy Spirit

... for you to bring more children to Me!

Today you have pure hearts... Your hearts must always be like this: - open to the LOVE of Christ! In this way , everyone will have a lasting Peace within their hearts, and LOVE will flow, and you will also act with more love...

Always stay like this, living as brothers, neither fighting nor speaking ill of each other. I want you to live the LOVE of Jesus! (pause)

My children, I love you so much, and I really need your prayers. Don't play with prayer, but pray more, because the world needs a lot of prayer...

I want you to cry out to the Holy Spirit, so that HE helps you!

Pray! Pray! Pray a lot as a family, because the enemy wants to destroy all families, and he wants to destroy the world, My children!

I ask you to pray with LOVE, and in this way you will find Grace before My Son

Jesus...

Thank you for coming this far. The weather today was ugly, a lot of rain and cold... However, you were the chosen ones, and you were graced by My Son Jesus...

Don't be afraid! Pray! Pray! Pray! for only with your prayers, the enemy will not have power over you! He is very angry, because his time is coming, so he rebels against Us, but don't worry... I will defend you all...

Pray with Faith and with your heart, and I will save you all from his snares. He has no power over Me! I will defend you to the end...

Believe in Me, because I believe in you! As the enemy cannot do anything against Me, our VICTORY is certain!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/25/97

"- My children, I thank you for being here, offering sacrifices to GOD...

Thank you for having left every comfort to be here, in this cold, praying for the salvation of their brothers. You will be rewarded with graces and conversions...

It is necessary that you increase your prayers more and more each day, because time passes quickly. It is necessary that you change your lives, that you convert and that you be Mine!

I promise that on Sunday, many will receive Graces... You will see the Holy Spirit at work! Call My children to go to the Chapel! Pray, do penance, fast, because I need your sacrifices...

Pray! Pray! Live My Messages!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Go in the Peace of GOD..."

Day 26/08/97

"- Thank you for being here, once again.. My Heart beats with LOVE for you!

Your prayers had power, and because of that, satan was neutralized in the lives of many young people, and in the lives of many families...

Keep praying, so that I can act powerfully in your city and in the lives of all of you, and then you will be truly Mine...

Always pray with great faith and love! You must always pray with your heart,

and you will be protected from any and all evils that are close by.

I love them so much!!!

Every time you pray with your heart, many Graces will be showered upon you! I ask you to make many sacrifices, fasts and penances... I don't give up on you for a single second!

The enemy is furious, but trust Me. Just as a Mother doesn't forget her child, and she knows when to take him in her arms, so I take care of you...

Keep on praying... Don't be discouraged in prayer...

Don't give up on anything that I give you. I beg you, have faith! Love each other a lot!!!

I bless you and leave My Peace, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/27/97"- My children, I am always with you! I want you to be faithful to the call that I, your Mother, make to each one... You must write the Messages, and spread them to others...

Pray three hours a day, because if you don't pray, you won't have the strength to overcome the trials that will come your way! I am your Little Mother who, even before you made mistakes, I already knew them, and I was already praying that they would get up from their falls, stronger and firmer than ever, and not fall again...

Don't worry about what people or others are thinking or saying. You cannot serve two masters... Or you will pay attention to the people, or to Me and My WORD...

Make room in your heart for the Heavenly Mother to act! I will do everything through you! I'll take care of everything! Let yourself be guided by Me, like little children in the arms of the Mother... Let yourself be educated by Me! Let yourself be led by Me to GOD...

Our enemy is preparing a trap for you. Pray more, pray more and he will not be able to defeat you, for he cannot resist My POWER! I have all the STRENGTH over him... I love you, (pause) I won't leave you at all!

I need you to pray more... You are praying too little! My Immaculate Heart is your refuge! Come closer to Me through prayer... Pray a lot! Pray a lot!

Always keep praying in a group, so that your prayers will gain strength! You will feel stronger, and you will feel even more willing to pray...

Form more groups and try to pray on My Mount, where sometimes there is hardly anyone left... Pray with the Angels, and in this way you will receive great

Graces.. .Pray on the Mount! Pray there! Pray a lot...

Live My Messages, because it is important for you to live them! Remember that I am forming you, as true soldiers of My Immaculate Heart...

Pray more! Get the Bible! Take the Rosary! Get all the prayer books you can, and pray! Pray simply, humbly...

When you feel the desire to pray more the Rosary and other prayers, follow what the Holy Spirit inspires in your heart... I will not be sad if you pray just one Rosary, for just reasons , and more other prayers. In every prayer, I am present! All prayers pass through My Hands to GOD, so I will always be with you...

When you have more time, pray more than one Rosary a day! I only ask that you pray with your heart, and you will overcome all temptations...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 08/28/97

"- My children, thank you for coming here to see (watch the presentation of) My Life , and at the same time, to open your heart to Me...

I ask you to welcome My Messages into your heart. I will always be with you in difficult times! Do not look for faith healers, terreiros, and those places where Satan dominates and deceives so many of My poor children...

Renounce all this, and open your hearts to GOD! Whoever trusts in Me and renounces these things, will have the forgiveness of sins, and will have Peace in his life...

Satan is angry with Me, so he rebels, but don't be afraid of anything he does. In the end, My Heart WILL WIN! I love them with sincere LOVE!

I want you to pray, pray a lot, and surrender to Me! Let Me lead you by My Hands to GOD, and may your prayers be a comfort and consolation to My Heart, so full of PAIN... I thank you all... (pause) No one comes to GOD without Me!(pause)

I ask you to pray, pray the Rosary even more! The enemy is very angry, because the Rosary is a great weapon to fight him, and you are using it...

Don't stop praying to watch TV! Take your Rosary and pray the Rosary! Only then will you be able to fight the enemy... He pursues you a lot from this place, but I am here to help you and help you, in the hours when you need it most...

You are praying very little yet, and only with much prayer is that they will be able to prevent him from acting here!

I wish that in schools, teachers start praying the Rosary, because young people are far from GOD... Many hearts do not know the LOVE of GOD! If you listen to all that I asked here, everything will soon change, and the desire to know GOD will begin to sprout in young people! I count on you, and I put My hope in you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord..."

Day 08/29/97

"- I wish you to continue to make sacrifices out of love for Me! You helped to take many souls out of Purgatory, with your prayers and penances...

Keep praying, because the world needs many prayers! You still pray very little, due to the size of the very heavy crosses that the world has...

Pray more! Pray more! Pray more!

You are being blessed, now, by the Holy Spirit and by Me...

May many more young people come here! I want My Chapel full of young people, because you will be My salvation and My hope for the future... I want to have many young people with Me! I have a Plan for all young people who come to Me...

I love them very much! I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord..."

Day 08/30/97

"- My children, I come to ask you to remain firm in the prayer... I come to teach you to pray and to sing with your heart...

At this moment, sing with Me this song that I love so much, because it is a song that glorifies My Son in Heaven, on Earth, and even below from the earth. The whole universe kneels at the Feet of Jesus to praise Him! It's My favorite song, here in Jacareí! Sing with Me: - Glory... Glory... to Jesus, the Lord...

I ask you to sing this song of adoration many times, because when you sing it, I also kneel down to adore My Son. It's the song that touches My Heart the most... Tonight, sing with your heart! I thank you all for being here in this cold, making vigil...

I come as Queen and Messenger of Peace! I want to tell everyone that I am very happy that you are all here today... You must pray with your heart! Keep

praying, I need your prayers!

Hard times are coming, and for that, I want you to pray, pray a lot, pray, fast... Do penance, because the bad times are coming! I will stay by your side, but if you don't pray and don't do penance, I won't be able to protect you...

I am your Mother, so pray, pray a lot! I love you, and I will never abandon you...

My Son Jesus wants to put a new heart in you, but many do not open themselves to Him... HE wants to do wonders in your hearts! I ask you to give your hearts to Jesus...

The world is in great danger... Pray a lot! Pray a lot!...

I love you all! Open your hearts!

This is the last Message I give you this blessed night. I thank you for putting up with all this cold so far, for My sake and for staying close to Me… Many souls are being saved all over the world right now! I thank you for your sacrifices... One day, in Heaven, you will see in a wonderful light, all those souls that you helped Me to save, with your prayers...

I bless you, and I ask that you always continue with the Rosary in your hands, bringing salvation and Peace to every heart that is without Peace...

Open the way to Heaven for many people, with your prayers!

I ask you to trust more in prayer and in Me, your Mother...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Go in the Peace of the Lord... "

Day 31/08/97

"- My dear children, tonight I just want to thank you for coming here, and for praying and singing with your heart...

My Son Jesus and I are happy! Many Blessings were given... Pray the Rosary every day, and always stay close to Me. I ask you to pray the Rosary, and teach it to little children. I need children's prayers, because they will be the future of the world...

I ask that everyone go to Holy Mass. I know that sometimes it is a little difficult for you to go to Holy Mass, but I ask everyone to go and receive Communion...

Pray the Rosary as a family, and you will receive great Graces! Form prayer groups, and teach the children to pray. Gather every week in this house to pray the Rosary, sing and praise God...

I will be by your side, even if you don't have Messages. If you do all that I've asked, not only will you receive great Graces, but you will feel Me alive and present in your lives! I will take care of everything, and I will work wonders for each one of you... The sick will be healed, sinners will be converted, and young people will be delivered from evil. Therefore, I ask you to live My Messages... Live everything I asked of you...

Pray! Start praying in your homes, so that I can be there and guard your homes from all sins...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Go in Peace of the Lord..."

Day 01/09/97

"- Dear children, this breeze that blows now is for you, a confirmation that I am here... I have always told you that when a gentle breeze blows, it would be a sign that Your Little Mother is present...

I am here all the time. All the signs that you see on top of this Mount are Mine, to show that I rejoice and am very happy when you come here to be close to Me...

I thank you and ask the prayer group that in these days , you pray as you have never done until now, because this September 7th will be very special, and you will see many signs, especially conversions of people, and a greater number of people here, because now I will powerfully go and I want to act...

Prepare yourselves with much prayer! Pray more, much more this week, because We want to act more than ever... I ask you to trust Me, and not give place to fear in your heart. So pray, pray a lot! I will pray for everyone...

On this next 7th day, I will give a Special Blessing to all of you who come here. I want many young people, many of My children on this Mount of Mine! I will touch all those who open their hearts to Me and to My Son, for He will pass among you... It is necessary that all of you pray and intercede a lot, so that these hearts of stone may be opened to Me...

I ask everyone to pray for the conversion of humanity, and spread My Messages everywhere. Don't just listen to them... broadcast them! I want you to spread them all over the city and everywhere! I want many children here! I ask you to pray and intercede for this to happen soon...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 02/09/97

"- Dear children, I thank you for being here on My Mount, in prayer with Me...

Dear children, don't let the enemy put fear in you, because when you already feel afraid, you can't pray anymore... Only prayer can neutralize satan . Discussions and agitations can do nothing against him! Only prayer can...

Therefore, I ask you: - pray more in these days that precede the 7th, because wonders My Heart wants to perform...

Offer tomorrow's fasting on bread and water for My Messengers and for My Work, so that all the confusion get out of the middle of it. On Wednesday fast on bread and water. On Thursday you will fast from liquids, and you will not eat anything solid. On Friday, fast again on bread and water. Believe me: - after these three days of fasting, I will perform wonders, and I will remove the stones that are trying to block My Holy Work of conversion here...

On Sunday, great Graces, signs and blessings will be performed by Me in this place! Therefore, pray, fast, and My Heart WILL WIN...

Make a novena of the Rosary of the Eucharist, take Communion for nine days in a row, and offer for My Plans here. I want all of you to pray a lot, because the enemy is furious, because you are united, and he wants to destroy that union... Unite more and more and don't let fights, confusion, and bad speech discourage you ... You are very dear to Me!

Pray! Pray! Pray!

What I come to ask of you is very little, for all that I have already suffered... Multiply your prayers! Go to Holy Mass whenever you can. Pray with an open heart. Give yourselves to Me, with confidence...

The star f that rose and turned, was a sign for you that again I was present when you prayed the Rosary...

I bless you in the Name of the Father... of the Son.. .and the Holy Spirit...

Go in the Peace of GOD..."

Day 06/09/97

"- Dear children, I thank you for being here. You saw the sign of the star moving in the sky!

Signs you have in abundance. I want you too to have prayers in abundance! Pray more, because you talk a lot about prayer, and pray little...

I want you to always stay close to Me and to this Work that I am doing...

Bring as many people as you can. Bring on the young, the old, everyone! Love each other! Long live LOVE...

May your prayers increase more and more each day... You are praying very little! Pray that humanity is not lost... I love you all! I ask for a lot of prayer, a lot of fasting and a lot of sacrifices, because the enemy is furious, but don't be afraid. I will step on his head and crush him...

Pray... Grab My Rosary and pray with more, more fervor in your hearts! Tomorrow everyone come here and open your heart for the Holy Spirit of GOD to touch you...

If you only knew how much I love you, you would pray more... I will pour out My Flame of LOVE on many for the first time...

Continue to pray, fast, do penance and take communion, because if you don't do what I ask, your hearts will be fragile, and the enemy will be able to tempt you...

I want to ask everyone to live My Messages. Don't keep them in drawers! Live them for the salvation of the world!

Pray! Pray! Pray!

I want more humility, obedience and docility to My Voice from all of you! I am the Commander of this Work! I decide what should be done here, and what shouldn't! Therefore, I beg you to obey My Maternal Voice...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Go in the Peace of the Lord..."

Day 07/09/ 97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My dear children, (pause) I am close to you, and I want to give you Peace... I am the Queen of Peace!

I come at this moment to tell you, My children, that you are all dear and precious to My Immaculate Heart... I have confirmed with powerful signs in the sun, in the moon, in the stars and in the sky, that I am here and that these Apparitions in Jacareí they are more than true, they are holy, they are sacred, and they are saviors...

Here in this place, I have performed wonders and wonders like nowhere else! Here is the TRUTH, and all who are of the TRUTH hear My Voice. This is the TRUTH: - pray, fast, go to confession every month, take communion, believe in the Eucharist, it is My Son Jesus, believe in HIM, THE ONLY TRUTH, THE ONLY LIFE, read the WORD, live the WORD, radiate the WORD. ..

This is the TRUTH, and everyone who is of the TRUTH listens to My WORD...

I was sent here by My Lord to say, dear children, that new heavens and a new earth are near you! It does not mean the end of the world, My Triumph is not this: - it will be a renewed heaven, it will be a renewed earth, a land of Peace, a land of love and hope, where I will bring the KINGDOM of My Son Jesus, and in this world there will be no there will be no more sin, there will be no more violence, there will be no more hatred, no more bloodshed... No more tears will fall from your eyes, little children, because My Heart will have TRIUMPHED, and My Heart will be ALIVE in your hearts...

GOD wants to make Brazil the THRONE of My Immaculate Heart, and I want, dear children, that you work and that you fight so that Brazil is consecrated to Me! May Brazil be totally surrendered to My Immaculate Heart!

I want, dear children, to say that here in this city, in this place of Apparition, a great and powerful sign will remain forever!!! Even after My TRIUMPH, it will remain here, in front of all the eyes of those who did not want to listen to Me, and it will also remain as a proof of My Fidelity to you, who sacrifice and spend your strengthf for Me

... I love you, My dear children, and I am with you until the end! My Immaculate Heart is Brazil's refuge! My Immaculate Heart is the LIGHT that is pouring out to all of Brazil!

I tell you, dear children, that I am already closing a big Rosary around Brazil, and when I complete the Cross, the most difficult part, My TRIUMPH will happen...

I love you!!! I am with you, I walk by your side, I see the heavy crosses that you carry, I know every tear shed by each of you... I follow your bloody steps on the path of this life, and I take, My dear children, all your words of pain and love for My Son JESUS...

For Our Lord, believe dear children, JESUS will give to each one according to their behavior, according to their works, and I say to you: - the reward for those who attend to the My Messages is so big, you can't even imagine...

After the Son of GOD was given by Heaven to earth, there is no other greater Grace that humanity will receive, and I say to you: - in the year 2000, when all the bells ring announcing the new millennium, My Kingdom of LOVE will be the entire planet, and My enemy will be no more..."

Message from Our Lord Jesus Christ

"- Generation! (pause) I AM the Lamb of GOD! I speak to you: - My children, fill yourselves with My LOVE and My Mercy!...

I AM the DIVINE Mercy!!!

I AM LOVE!!!

I AM THE TRUTH!!!

I AM INTENSITY!!!

I AM THE ESSENCE!!!

I gave the key to the abyss in My Mother's Hand! In My MOTHER's Hand is the scepter of My POWER!

My enemy, furious, rebels against HER, but with the breath of My Mouth, I have brought down the dragon... His claws are sharp, his mouth spews poisonous saliva, his nostrils spew deadly vapor over the earth. , its tail is struggling against many souls... The souls that manage to escape its clutches, fall into the dragon's tail, for lack of prayer...

But I say to you: - with the breath of My BREATH of My Holy Spirit , who created with ME, united with the FATHER, the whole world, this same Spirit will blow like the second Pentecost, and will sweep the dragon, its angels, its worshipers, its followers, into the abyss, where there is only sulfur and ashes

... I WILL TRIUMPH!!! My Angels in Heaven do nothing but pray for the BLESSED DAY of OUR TRIUMPH to arrive!

Since Fatima, My Mother and I have come with an outstretched Hand to hold you, so that you do not fall into the dragon's claws, nor into the dragon's tail...

I have placed My Mother's Heart and Her Mantle as a shield for you against the deadly spittle of the dragon! I have placed My Angels at the behest of My General Saint Michael, to prevent the deadly vapor of My enemy from penetrating your nostrils and keeping you away from the TRUE FAITH, from the TRUE Church which is the Catholic, from the TRUE Path, which is My WORD, through My MOTHER...

I, the Sacred Heart, want to announce to you: - courage children, fight the good fight! As I passed through the Cross, you too will pass, as I have risen, you will also rise!...

If you stand firm at My side, and at My MOTHER's side, in the end you will be the happiest, and you will be resurrected in the air, to come to Me and My MOTHER...

I pour out on everyone today, a drop of the My blood! I place upon you the strength of My Powerful and Precious BLOOD! This BLOOD is the same with which I wrote your names in the book of Heaven...

Many of those who are here will arrive on the DAY of My Promises and on that DAY, there will be no more tears, no more lamentations... There will be smiles, there will be songs, praises and hosannas everywhere, and I say to you: - the new millennium that is coming for you is the millennium of the Holy Trinity, because WE will reflect OUR own SPLENDOR and GLORY in this humanity...

And then each of you will see My Holy Spirit ALIVE and TOTAL in all hearts, and you will see that you will never but My enemy will come to harass and for ME he will tremble, and all those he stole from My flock he will give back to ME, and even those he took their lives because they served ME, he will be surprised to see them WITH ME, shining like the sun! My Saints, My Martyrs, all winners by My side...

If you want to be conquerors, My children, stay under My MOTHER's arms, because She has already conquered...

WE bless you, in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Return next month, we want to continue your conversion..."
Day 09/08/97

"- Pray now even more strongly. Replace the Rosary of the dawn, by the Rosary of São Miguel Arcanjo, because now it's time for a great fight against Us...

Pray this Rosary for a month, until October. Everyone should pray this Rosary at dawn, and that way they will have victory over problems...

Don't give the enemy an opening. He wants to use you! That's why I asked you to pray the Rosary of Saint Michael the Archangel, and he (the devil) will not succeed in his diabolical intent...

I love you, and I will not leave you anymore! Put your trust in Me, because some still do not trust My WORD...

Cling to My Rosary! Pray, pray more! ... your prayers are still very few. The salvation of humanity and of you depends a lot on your prayers...

Every child who prays will save many souls, for the prayer of children is like a sweet song in My Ears. Children's prayers reach My Immaculate Heart much faster, so teach all children who do not know how to pray to pray My Rosary... The prayers of the little ones are very precious to Me! Teach them, because they will be the salvation of the world... I need them all. I love you, and I ask everyone to pray more intensely, fast, make sacrifices and do penance...

Hear My Voice! Fear nothing! Let nothing shake their hearts! Cling to Me! My Heart is a refuge for you! (pause) Do not be discouraged! They are My chosen ones! I love them so much...

Trust in the power of prayer... Love My Son, more than anything in life! Worship My Son! Do not fail to receive My Son! Do not stop adoring My DIVINE Son...

Trust! Pray! Supplicate! Trust in the Mercy of GOD! Surrender yourselves to GOD! (pause)

I am the Mother of your hearts... Don't let your hearts harden! Now is the time

of Grace! Keep on praying, beg for the Grace of GOD...

Don't allow Satan to harden your hearts! Do not give in to evil thoughts, nor to the lack of Faith of the world! Pray with devotion to My Immaculate Heart! Trust Me, and live all the Messages that I have given you...

Cry out of LOVE for all of you! I will always be by your side, even in the greatest ordeal...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 09/09/97

"- Beloved children, I thank you for being here, again, at My Feet in prayer...

Jesus shed HIS BLOOD on the Cross, to save each one of you, and today, I come as the Celeste nurse, to heal all your hearts... Jesus and I healed so many wounds, which prevented you from praying, from loving , and to do everything with LOVE...

I am with you! I am patient, Merciful and Affectionate with the pain of each one. Do not be afraid! Whenever you are no longer bearing the cross, I will come and relieve you. I will help you and follow you, step by step, on your way...

I am with you on the cross, even when you don't have the strength to call on Me. I love you, and I ask that you trust and surrender to Me...

Gather together always, always in this place, for here I will show all My LOVE for you... You are few, but you are the chosen ones. I love you very much, and I smile at you... (pause)

Little children, your hearts are in the palm of My Hand. I love you all... The Angels of Heaven praise GOD, with all of you... I am the Mother of all! I am the Mother of Obedience to GOD...

Today I seal you! (pause)

I am with you...

Seek your conversion ardently! The ardently desired conversion must be worked on and cared for daily. Join Me in unceasing prayer, and you will defeat My enemy, the serpent...

Trust in My Immaculate Heart! Your names are engraved on My Immaculate Heart. I love each one of you...

I ask that each of you pray a lot! Do not give in to disunity... Prayer made with union of hearts is very powerful. Your union in prayer can obtain many Graces! Pray more often together, you still pray very little together...

Pray more, My children! Long live My Messages! I leave Peace for all...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Go in the Peace of GOD..."

Day 09/09/97 *

I want you to meet more often and pray. The conversion of many souls depends on your prayers. Your names are engraved in My Immaculate Heart...

I desire more obedience to My Messages... Long live LOVE! Long live humility! (pause) I want you to pray, pray a lot. Live in unity...

Take refuge in My Immaculate Heart, in every moment of life. He is your refuge!

Pray for My son Marcos, who is going to travel. I will accompany you, and I will stay with you too. He did penance, for the conversion of all of you... Today, I eased his pain, but this pain can come back even stronger if I need it. Therefore, pray intensely... (pause)

Pray more sincerely. Be authentic in prayer! Live My Messages and spread Them to all those who do not know that I appear here...

You have My Peace, but I want you to also bring It to all those who manage to reach it...

Pray for My instruments, especially for My son Mark, who is continually being persecuted... (pause)

Do not leave My Son Jesus waiting in the Tabernacle! Go visit Him, for HE wants you there! Pray in the Tabernacle, talk to HIM... (pause)

Don't leave this place empty! This place was chosen by Me to appear here... This place is a place of Peace, where I want there to be a lot of prayer, constant prayer. Here is the grave of Peace...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Go in the Peace of the Lord..."

"- My son, tell My Brazilian children who came with you, that I am very happy that they came here from Brazil!

If you pray and open your heart, there will be so many Graces, that you will not come back the same home... Give me your hearts..."

APPEARANCE ON THE BLUE CROSS

TO MARCOS TADEU AND IVAN DRAGICEVICK - 10:30 pm

"- My children, I thank you for everyone who is here... I will pray for each of you you and your family members! I will pray for your intentions...

Our Father... Glory be to the Father..."

(Observation - Mark): (Our Lady left, leaving behind a luminous Cross. Ivan gave the Message in Croatian for a nun who translated into several languages, except Portuguese, which she did not speak.

I commented with my Brazilian friends in Portuguese. They went with an Italian priest who understood Portuguese to communicate the Message to the nun.

She called me and coincidentally the Message was the same in Croatian and Portuguese. The seer Ivan looked at me attentively, smiled and said:

- Molisanas, which means pray for me, as the religious and the Italian priest translated to me. After understanding what he had told me, I also smiled at him and said to him:

- Molisanas. With this gesture we say goodbye.

It was a great proof of the veracity of the Apparitions of Jacareí for the Brazilians who went with me, and also for the pilgrims from all over the world who were in Mediugórie that day.)

Day 13/09/97

PERIOD OF PRIVATE MESSAGES

from the 1st to the 4th of October 1997

Day 05 /10/97

"- Pray for My intentions! Pray for My Maternal Plans..."

10/07/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My dear children, (pause) I feel happy to see you all here, gathered around the Mother...

Today, on the day you celebrate like the Mother of the Rosary, I come, dear children, once again to say to you: - "Peace"... (pause) Peace in your hearts, Peace in your desires, Peace in your families, Peace in the Church, Peace (pause) for the whole world! May every corner of the World receive Peace...

My children, let nothing disturb your Peace... May the Rosary be for you, (pause) the weapon of Peace... When you meet in tribulation, agitated, worried, anguished, return to the Rosary, pray the Rosary, and everything, My children, will be clear and serene...

When you pray the Rosary, it is as if you place in My Hands a great force, much greater than a nuclear chain reaction (pause) for GOOD...

Each Rosary (pause) that you offer Me, My children, is like a key that the Mother of Heaven uses to open the cell of so many of My children, whom

Satan has imprisoned...

That is why I invite you to pray the Rosary with joy! Pray it incessantly, My children, because many have come to Heaven, because they did not know how to do anything else but pray My Rosary with love...

The Rosary will teach you to love... The

Rosary will teach you to suffer...

Rosary will teach you to endure...

The Rosary will teach you to wait in GOD...

The Rosary will teach you to win...

My dear children, I ask you again: - that you place the Rosary in your hands, and pray it, so that the World may be converted and have Peace...

The Church (pause) needs the Peace that emanates from the Rosary! Pray the Rosary for her, (pause) pray for the unity of the Church in the Rosary... Just as the beads of the Rosary are joined together, and not separated, so be the Church...

Therefore My children, pray, and yourselves be a living Rosary of love, intercession and reparation, with the whole Church, to the Lord for Peace...

I thank all of you who prayed for My favorite son, who visited your Country... Yes, My children, in the face of the word and preaching of John Paul II, there were many more conversions than in 10 years of preaching in vain...

Therefore, pray for that My beloved Son who suffers, but whom I lead to all the paths and roads of the World, as a Messenger of Peace, as a Herald of Peace, and as a sign of comfort and hope in these difficult times. I

love you, and I pray every day with you to My Son Jesus, so that HE, My beloved children, will lighten your cross... Stay in Peace..."

Message from Our Lord Jesus Christ

"- My Mercy burns in ME without limits! (pause) Like a lamp full of oil, so My Heart burns in flames for souls... My Heart is like a Crystalline Fountain, to offer Peace, softness and LOVE, to everyone who begs Me ...

I thank all those who have fulfilled My MOTHER's requests...

This visit of John Paul II to Brazil was not a simple visit, My Pedro came here, because here, this land, was the land chosen by ME, so that My Throne and My Mother's Throne, (pause) may be thus established...

Brazil will be My people, and I will be your GOD... but pray, because there are still many here who do not know ME (pause) and who do not obey ME...

But truly I say to you: - here, (pause) in Brazil, where My Mother and I go down every day, a Light will shine brighter than the sun, and My Justice, here, will live...

Like a shepherd, who closes his sheep with strong protection fences, so I am surrounding Brazil, with the Mantle of My MOTHER, and with the FIRE of My Heart...

Yes, we are closing in on the enemy. He is desperate, because he is losing souls to ME, so pray, because he has anger, and more fury now against you. But I will always be close to those who, in prayer, watch... May your hands (pause) unite, and rise, with My Mother's Hands, every day, so that Mercy may come to earth...

Truly I say to you: - (pause) no word said, in any Apparition, will be in vain... All of them will be fulfilled (pause) soon, very soon...

Therefore, My children, I ask you: - that you let My Spirit of LOVE act upon you! HE IS the Comforter, HE IS your FRIEND...

I, Jesus, want (pause) to wash you with My Blood! I ask today that in every house, a Cross be placed on the door... The family that does this will be defended by ME, and evil will not enter your house...

Like the blood of the lamb, at the door of the Israelites, removed the punishment, so also My Blood, represented on the Cross, shed on the Cross, will be security for you...

And announce to all My sons, to all My daughters, to all your brothers, how much I and My MOM we love you...

Generation, I have never loved the world so much! My Heart (pause) melts (pause) and merges, in the FIRE that emanates from IT... May this FIRE find in you a shelter, even if simple, like the cave of Belém, but that welcome (pause) the FIRE of My Heart...

Therefore, generation, come back here, so that I and My MOTHER can continue your conversion...

This month, I also wish from each one of you a visit to the sick... Everything you do to them, it is ME that you will. I want to see you visiting ME (pause) on someone who is sick...

I give you My Blessing, in the Name of the Father... of the Son... and of the Holy Spirit... (pause)

Peace be upon you with you... (pause) Go in My Peace..."

Day 10/08/97

"- My children, I come here to bring many blessings and graces to your hearts...

Beloved children, I ask you to pray the Holy Rosary all the days. I also ask you not to abandon My Son in the Tabernacle... Make adorations to Jesus Sacramento, so that HE can pour out His Graces...

Children, do not share in sin... Confess yourself monthly!

Dear children, I love you all, and I ask you to live My Messages, and spread My requests to all...

Dear children, I ask you to fast, make sacrifices and offer for My Holy Work here. I love each one, and I know each heart...

I leave My profound Peace in each heart..."

Day 10/12/97

"- Dear children, I want to thank everyone who has responded to My call...

I ask you to pray and praise God with love, so that your prayers may reach My Immaculate Heart more quickly.

Dedicate yourselves more to prayer and to My Son... Ask from the heart, pray from the heart and with love... That's why I come here every day at 6:30 pm: - to teach you how to pray with love and with the heart...

Speak less and pray more! I love each one of you..."

Day 10/12/97

"- Today, you celebrate Me as Mother and Queen of Brazil! I look at Brazil, and I feel distressed because of you...

How many injustices, how many evils and sins are committed in this Brazil... Pray for Brazil! Pray for this land...

I want to bless you all with LOVE, and guide you to My Son Jesus..."

Day 10/14/97

"- Dear children, I have been asking you to pray with your heart, with love, but it seems they still don't understand...

When you pray My Holy Rosary, meditate on the mysteries feeling all that My Son and I have been through!

Dear children, the world needs a lot of prayer, so that it can be converted...

Spread My Messages... I love you all..."

Day 10/16/97

"- Dear children, I need each one ... I want you to unite and be of one heart...

Why don't you listen to Me? When I ask you to unite in prayer, it is because your prayers together are stronger and reach My Immaculate Heart faster!

Many do not listen to what I ask... The time of grace is running out! Then there's no use crying... I won't be able to do anything... That's why I ask you to pray the Holy Rosary every day, with love and with your heart...

Pray... Pray... Pray... I love each one of you..."

Day 10/18/97

"- Pray... Pray a lot, and My Immaculate Heart will give you Peace and Joy.. ."

Day 10/21/97 *

"- Children, I am the Queen of Peace, Queen of Angels and of men!

Look at your brothers, see all their countenances, you form a family in the same prayer!

See Calvary, My children! I was with My Son on this Calvary, in suffering and pain...

Do you think you can get Graces without Calvary?

See all the scourging, humiliation and pain of My Son Jesus... See HIS BLOOD shed on the Cross, which was transformed into Salvation!

See, My children, the miracle of Lanciano, the Heart of GOD being given to you... See, My children, LOVE Sacrificed and transformed! This is the path you must tread for the conversion of your hearts!

Imitate Me, following in My footsteps with Jesus! Only then will you be free, happy, with your hearts transformed by GOD himself, who is Pure LOVE!

Be in Peace..."

Day 10/21/97

"- Dear children, thank you for being here today, even though you are few... Many of My children have their eyes closed, but not the eyes of the flesh, but those of the heart... Their hearts are so hard that each passing day forms a

layer of ice.

My children, I need your prayers and intercessions to be offered by My Holy Work of Jacareí. Here is the root, the place where all My Holy Work began... Satan wants to destroy and cut this root, so that everything ends... that is why I need your prayers...

Dedicate yourselves more to My Holy Work of Jacareí... I love you all..."

Day 10/24/97

"- Dear children, thank you for praying these Thousand Hail Marys... I thank you for being in this cold, praying with Me and with My Son Jesus. ..

I love you... Continue to pray together... As I said, the end of the time of Grace is near, so I need your prayers. Pray the Holy Rosary every day... Offer more Hail Marys, sacrifices, penances...

I ask you to pray the Rosary of Tears of Blood every day, and offer for My Holy Work...

Keep praying with your heart, and I will answer all your requests. I love you and I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 10/25/97

"- My dear son Marcos, you are worried about the fate of My Work... Whose is she? Mine or yours? From the group?

No! It belongs to the Heart of GOD and to My Immaculate Heart...

Pray! Don't defend yourself from what they say bad about you. Pray more, and you will see the POWER of Jesus... Don't be afraid, because My Foot is already prepared to crush the enemy's head...

He is doing this because now I want to tie him up, so that My Holy Work may grow in holiness... My adversary wants to make you afraid, but you, be strong and give strength to others.

Pray, pray, and everything will pass..."

Day 10/26/97

"- Dear children, today I ask that with the Rosary, you help Me more! Spread My Messages...

I will fill with Graces all who speak of Me and My requests. Here My Messages will make great conversions, so spread them to your families, friends and neighbors...

Pray! Pray!"

Day 10/26/97

"- Dear children, I thank you for praying this Rosary and offering it for My Intentions. I love you, and I need you all...

I bless you today... because you prayed and praised with your heart, but there are still those who do not follow My Messages...

Be simple, humble like children... I want you to be persevering in prayer and fasting. Communion the Body and Blood of My Son Jesus, in order to strengthen and unite...

I leave a kiss and My Peace...

Rest in the Peace of My Lord..."

Day 10/27/97

"- Dear children, I thank you for coming back here, despite the criticism and aggression that you have felt. You will be blessed and you will be filled with My LOVE...

Pay no attention to those who say not to pray... They are Satan's friends, not GOD's. What the enemy wants is for each one to leave the Rosary little by little, until he is totally discouraged.

Don't give in! Whatever happens, don't stop praying! I will always be with you. My Mantle is the celestial shield that I offer you... Always forward! Don't be discouraged!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 10/27/97

"- Little children, prayer is the key to My Immaculate Heart...

Simplicity and humility that you must have is that of a child... Be like children, but don't play...

I want everyone to be persevering in prayer, and pray with the heart. Don't waste time... Be persevering...

Spread My Messages and announce the WORD of GOD...

I love you all and I need you... Listen to the Mother of Heaven... She asks this of you whole heart...

I love, love you all... Stay in God's Peace..."

Day 10/28/97

"- Dear children, I need you to dedicate yourself more to prayer! The tribulations will increase with each passing day... If you don't pray now, you won't be able to pray anymore, because with each passing day you will feel more and more unwilling to pray...

You are letting the enemy dominate you... Your hearts are getting colder and colder... You need to open your hearts to the Holy Spirit...

Be simple and humble...

You need to pray more with your heart, without expecting anything in return... You only pray here on My Hill when I give Messages... You need to get used to praying without receiving My Messages, because time is running out, and soon My Apparitions will end...

Pray in union with everyone, because prayer in union is stronger... I'm not saying that you can't pray alone... everything has its time...

I love you all... Be patient and persevering in prayer, before may it be late...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 10/30/97

Day 10/30/97

"- Dear children, how I wish that My Chapel was full every day... every day that passes, it gets emptier... Not only it, but Meu Monte too...

I ask everyone to pray with more love and affection... Dedicate yourselves intensely to prayer! You are wasting a lot of time on material things, and thus, you miss out on great Graces...

Pray! Pray! Pray! The time is now for conversion!

You could be spreading My Messages, but you are not... You hear them and keep them to yourselves... Many do not believe them and even criticize them...

If you pray and do the Siege of Jericho with the heart, with love, you will achieve great Graces... Do not lose, dear children, these Graces, so that you will not regret later on...

I love you all... I leave you My Peace..."

Day 31 /10/97

"- Dear children, I thank you for having prayed with love... Eucharistic Jesus is very happy with you! Every time you adore Him on earth, the Angels also come to adore Him with you! Believe me, thousands of them fill this Church now, united in adoration with you...

Pray the Rosary every day! May it be the breath, strength and grace of your day... The Rosary is the Meditated Gospel, donated by Me to the poor, to the simple of heart... In Him is the whole LIFE of Jesus! Following in Jesus' footsteps, in the end, with Him you will win...

I leave you My Peace! Stay in Peace..."

Day 11/01/97

"- Beloved children, today I come to ask you to live My Messages... They are a gift from My Heart, for all of you. LOVE...

Live Them, for I want them to be a support for each one of you, in prayer...

I also want to ask you to stop blasphemies. In the moment of anger, you begin to blaspheme and curse in their homes, and thus, they are plagued with evil...

If you want to be Mine, you must renounce them, to be pure, to be humble, to be Mine..."

Day 11/01/97

"- My dear children Thank you for your presence... My beloved ones, I ask all of you to pray more this month, because in it, tribulations will increase more and more...

The enemy is very angry, because his end is near... so he will now try to attack people who pray little...

My children, don't go to sleep before praying at least one Rosary... It is your Mother who asks you, children... pray! pray! pray! Only prayer can protect families, and all of you...

I want you to pray the Rosary with love and with your heart... not that Rosary prayed quickly... Prayer prayed quickly has no value, children... , children, who cannot spare a little of their time to pray to Me for their salvation?

Now children, those who do not pray will fall into the hands of the enemy, and I will not be able to do anything...

Now, we are reaching the final stage... Pray, My children, and spread My

Messages as quickly as possible, please !

I love you all, and I leave My Peace..."

Day 11/02/97

Being young is having a heart in your chest that doesn't get tired!

To be young is to believe that always beyond the horizon, there will be a new dawn full of light!

Being young is always believing, when everything around you no longer offers hope!

My children, I ask you not to miss going to Holy Mass... It is very important! There My Son is waiting for you, to give HIS Body and Blood to everyone. Children, receive My Son with a clean heart, and never receive Him in sin. Confess with priests, right after you have committed a sin...

I ask you to convert quickly, because the Graces I come to bring are many, but... you close your hearts and block My Graces...

Give yourself body and soul to Me and to My Son... WE love you... All those who listen to My Messages and spread Them will receive many Graces...

I ask you to come back so that we can continue your conversion. .. I leave My Peace..."

Message from Our Lord Jesus Christ

"- I AM the Sacred Heart! (pause) My WORD is Eternal, and even if everything passes, My WORD will remain...

O My children, you are about to enter the decisive events that will lead you to the TRIUMPH of OUR Two Hearts! My MOTHER is the Messenger of My Sacred Heart, and SHE is operating (pause) Blessings that have never been seen until today, since the origins of the world...

Yes, I made My MOTHER this instrument, I made My MOTHER this vessel, where I pour out all the Graces! Happy whoever finds Her... Will drink, drink, and never thirst...

My MOTHER is also the Fountain of Wisdom, those who let themselves be advised, formed, guided by Her, will not sin, nor will they depart from ME...

O My children, as I and My Mother desire your liberation! I ask you to take serious measures and attitudes, regarding abortion, which has terribly killed lives and more lives, both secretly and openly, and My Eyes are simply amazed, in front of so many innocents, who have shed their blood. .. My Sacred Heart is crushed to see My children, killing My children, in the belly of their mothers...

My Sacred Heart can no longer bear this... so I ask you to immediately start defending life, and doing something to defend these lives, otherwise My Arm will seek out those responsible (pause) for so much bloodshed...

My Sacred Heart, also cannot bear to see so many families destroyed... (pause) Where are My WORDS, spoken in the Gospel? Where have you buried My WORD which says: - "What GOD has joined together, let not man put asunder?"

You have hidden My WORD, to try to hide the truth, and to legitimize your disunity, rebellion, against others, and against ME, but... My Sacred Heart already announces the hour, in which all the families of the world will be freed. , by the strength of My Blood...

My Sacred Heart (pause) ardently desires you!... Ah! Just one tear of love would be enough for me to forgive sinners... If My Heart is moved like this, for such a small thing, how can I not be moved (pause) before your Rosary, prayed with love and trust, together to My MOTHER, and before My Heart?... How can I not fail to attend to My MOTHER's little ones, who cry out for HER and ME, day and night?... (pause)

Yes! You have become rebellious, wicked, heartless, without mercy, depraved,

given over to your passions, given over to your errors and vices, to every kind of turpitude of soul and spirit, to all malice (pause) and cunning, because you have forgotten you have turned away from My WORD, and you have forgotten the covenant I made with you...

O My children... Return, return to ME!

See My MOTHER, with open Arms, who shows you the way... I AM your GOD, (pause) and with all My Heart, I want you to live in ME, so that I can live in you... remain in My WORD, I will also remain in him... Therefore I ask you, My beloved children, that in My WORD, we may be ONE...

Run, run, because I come quickly... Defend life, defend the family , defend the Church, and defend My TRUTH, (pause) and I will give you one day, a happy home in My ETERNITY...

I and My Mother bless you, we fill you with Graces, in the Name of the Father... of the Son... and of My Holy Spirit... (pause) Go in the Peace of the Lord..."

Day 12/07/97 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children, I thank you (pause) for being here today, next to My Immaculate Heart ...

My dear children, I am the Immaculate Conception!... I was conceived without sin, from the first moment of life, (pause) all pure... all beautiful... all full of Grace...

In Me, the Most Holy Trinity reflects YOUR LIGHT, which has become increasingly strong and intense, throughout My Life, reflecting in Me Goodness, LOVE, Beauty and Holiness (pause) from GOD...

Dear children, My invitation today is so that you may become pure, and more and more like Me. I ask you for a life more full of purity, and more full of prayer... You must renounce everything that brings the shadow of sin, so that in you, GOD can reflect HIS LIGHT (pause) immense... and intense ...

Look, My children, how fashions, music, movies, soap operas have encouraged sin (pause) and impurity... I ask you to renounce these things (pause) for love of Me, so that you lead a pure life, and a Holy life...

I wish, dear children, that your hearts be a Garden, where I, Your Heavenly and Maternal Gardener, can cultivate the most beautiful flowers of love, of prayer, (pause) and purity...

Purify your hearts My children!... Purify your lives!... do not let sin spread more (pause) than it has done so far... Renounce sin, dear ones children, so that

you may understand (pause) the LOVE that GOD is offering you...

These are (pause) the last Messages for humanity... After them, I will not return to this world. The chance you have now will never be given again... Do not play with serious things, with the things of GOD... Live, My children, with seriousness (pause) all the Messages that I am giving you.. .I

love them! I call them!... even if they are far from My Heart!... I feel pain for My children who are condemning themselves, but I exult with joy for each child who says to Me: - Mom, I'm back!

My children, pray..."

Message from Our Lord Jesus Christ

"- I AM Jesus, the Lamb!... I AM (pause) LOVE... I speak to you generation, once again, about abortion.. .

My Heart, and My MOTHER's Heart, is torn to see so many innocent hearts, of unborn children, being torn apart (pause) in their mothers' wombs... (pause)

When a fetus is cut, a being human, in its mother's womb, My side is pierced again, (pause) as on the Cross...

Generation! The blood of these murdered lives is crying out for ME, day and night: - come Lord Jesus!! Come Lord Jesus!!

I will come... (pause) Very soon, I will come...

Just as the wind blows suddenly, and you do not know when it will blow, so also, suddenly, you will see My Kingdom coming to this earth in order to to free you from the bondage of sin, where you remain...

I call upon your generation to take (pause) an energetic measure against so many murders... morticides, where children are plucked, without any mercy, from their mothers' wombs...

Those who do this sin! Those who do this sin! Those who help sin! Those who applaud and agree sin! And those who watch sin sin...

A radical return to My Heart is necessary! My MOTHER gave birth to ME, in the immense poverty of Bethlehem! So you reflect on Christmas... But My MOM loved ME, My MOM didn't want to kill ME! No matter what, SHE wanted ME! SHE wanted to hug ME! SHE wanted to see ME in Her Arms...

How different they are from My MOTHER... Wanting to kill life (pause) inside her womb is the same (pause) as if she wanted to kill ME, inside herself...

I ask you: - convert, (pause) and believe in the Gospel! He alone is your salvation... May abortion disappear from the bosom of humanity! (pause)

My beloved children, you know (pause) that your century has gone through two terrible fratricidal (pause) wars, but... abortion...

Repent!... My MOTHER is crying Blood Tears in so many places (pause) to warn: - repent! If you return to ME and prevent this evil with prayer and fasting, and with your witness in favor of life, I will forgive you and give you the Peace that you dream so much...

Peace! Peace! Peace!... be so in humanity... (pause)

My enemy rebels against ME, but I will crush him always, always... and My Blessing descend upon you... in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Be in Peace..."

You, My children, are represented in each petal of this rose, where your prayers exude perfume to Heaven...

GOD loves you so much children, for this, fear nothing!

Have the Peace of GOD in your hearts! Love one another, and do not hinder the Holy Spirit in you... Let Him work in you...

I search every heart here today... Everything is known to Me...

I am present in this home, and in all homes that pray the rosary! Continue to

Thank you for staying here all night ... I want your hearts to be tiny, to fit into the Heart of Jesus, just as the Heart of Jesus made Himself tiny to fit into yours..."

Day 12/30/97

"- My children, you are enduring heavy sufferings to atone for the sins committed against GOD...

If the people do not stop offending Him, wars and threats may come to the human race... If what I say is followed, many people will be converted, and there will be Peace... (pause) If not, the world will be in a state never seen before...

If there is prayer and penance, there will be Peace and salvation..."

Day 12/31/97

"(...) therefore, My Heart is worried and afflicted with you... I do not feel joy with your sufferings...

During this year 1998, you will see the fulfillment of all My Messages... Be alert, because everything I have warned you about will come to pass...

Many tears I will have to shed... What makes Me suffer the most are My children who do not believe in GOD, atheists, and those who only want money... Their end will be worse...

A sign is already being given to you. The excessive heat of the sun is already the beginning of the punishment for the crimes of the world. The sun has been given the power to scorch men, because they have given themselves over to sin and prostitution... As long as they don't fall to their knees, it will continue...

Pray, pray a lot... The year that is born was consecrated by My Pope to the Holy Spirit. Pray, cry out, surrender to the Spirit, because HE IS the Comforter, and He will be with you when I leave... He will comfort you, and dry your tears...

Only those who cry out to Him and stay with Him will be saved! Therefore, pray..."

"- My children, I thank you for coming once again close to My Heart... (pause) I am the Messenger and Queen of Peace... With LOVE , I want to say to you: pray...

During this year 1998, many things will happen in the world, and if you do not pray with your heart, you will not find the strength to bear heavy sufferings for the conversion of sinners... In this year, My Fight will be more decisive against the dragon, because now, his time is already counted in a few grains...

My Immaculate Heart will triumph soon, and that is why, little children, I count on your prayers...

Message from Our Lord Jesus Christ

"- My People!!! I AM the Lamb of GOD, the Son of the FATHER (pause) who speaks to you now, and fills your hearts with LOVE...

Generation! My adversary raises his tail, and furiously shows his fangs to Me, but My Sacred Heart, with one of ITS Flames, will annihilate him...

I have been waiting until now for the most hardened sinners to return to My Heart, and when the number of those I want is engraved and complete in My Heart (pause) I will destroy My adversary...

I will force the dragon to vomit from his deadly womb those My children that he has devoured... Yes, because even what seemed dead, will come back to life! Those who are furthest from Me, I will call to life...

Therefore, My people, this year invoke My Holy Spirit in all your prayers,

because only those who have the Strengthener and the Comforter will remain steadfast. ..

My MOTHER was like a Strong Ivory Tower, unbreakable, invincible, because My Spirit was IN HER, and SHE loved and adored Him, and was docile to all Her inspirations... Be also like My MOTHER: - docile to Spirit, and you will be strong as a tower, and My enemy will not be able to shake you...

Consecrate your families to Me this year, and even the Church... My enemy is furious and wants to invest everything against Her, but.. I will be close, and I will always set you free...

LOVE loves you, and LOVE returns to you, as LOVE...

Message from Our Lady

"- Dear children, on this Anniversary of My Presence in your midst, I want, dear children, to thank you for coming, from near and far, to celebrate My Feast... Yes, My Immaculate Heart rejoices , and he trembles with joy, because GOD has allowed Me to stay here with you for so long, transmitting My Messages to you...

Live My Messages, dear children... It is important for you to live them, so that when I do not I can no longer be here with you, in this way, remember all that I have told you, and live My requests with joy, and in this way, you will not fall into sadness...

I also ask you to live My Messages, because the world needs much, much, much prayer... Remember children, that the f strength of prayer does not come from you, but comes from GOD... Only the heart that is in GOD has the strength (pause) of prayer, and with this strength, he can even change what is bad for good...

My dear children, today, the reason why you do not progress and do not grow in Faith, in prayer, is because you did not welcome Me into your hearts... Welcome Me into your hearts, dear children, and you will see how the Holy Spirit will breathe on you, bringing all HIS GIFTS, and taking to outside their lives, everything that is not HIS, and does not belong to HIM...

HE IS THE BREATH that goes where HE wants...

The Holy Spirit blows where I am as a Mother, acting and preparing the way for My Son Jesus...

The Holy Spirit IS the BREATH, which blows with Me in silent hearts, in simple, pure hearts, like this place...

The Spirit Holy is the FORCE that comes to bring you Peace... Live My requests, My children!

In this year of the Holy Spirit, I invite you all to unite with Me and the Church, and cry out, with an ever stronger voice: (pause)

"Venite, Spiritus Sancti!..."Come Holy Spirit!

... I bless you in the Name of the Father... Son... and Holy Spirit..."

Message from Our Lord Jesus Christ

"- I AM!... I AM speak to you, generation! O hearts, like (pause) to corroded bronze, and already decomposed...

Generation! people slow to understand, (pause) and still so stupid, to be able to practice... Do you not know that this time in which you live, was already prophesied in the Old Testament, by My Prophet Joel?... "And it will happen... in those last days, that I will pour out My Holy Spirit on every creature, on your male and female servants; your elders will have dreams, your young people will have visions... And I will also pour out My Spirit on every living being..."

O generation! how slow you are to understand, and foolish to understand My desires! Here is one of the young people prophesied by My Prophet Joel, who would have the visions!

How can you not understand My will, My procedure???...

I AM THAT I AM!!! Before Me, even the hills and the seas flee, and nothing can stop what My Mighty Arm started... I uproot where I want, and plant where I want... and I wanted to plant here, and here it will stay, and here it will grow. (pause) what I planted...

O generation! beloved people (pause) and well-liked in My Eyes! What else can I do to show you that I am sick with LOVE for you?... That I am in love with

LOVE for you, waiting only for a simple act of love for ME, so that I do crazy things for your souls?..

.generation ! My Sacred Heart is open to you, like a fountain that spills over; like a cup that overflows; and a wineskin that breaks... My Heart has been broken to pour out upon you Blessings upon Blessings, Benevolence upon Benevolence, and Grace upon Grace...

How can you not (pause) give Me your heart, seeing Me with My Sacred Heart in My Hand, giving you this whole Heart to you without reservation, how can you hide (pause) your coal stones? ...

Oh come back! O return to ME, generation!... I love you! and loving, I will follow...

Behold, the hour is coming... I am already preparing the table... the seats for My guests are already numbered... The chairs prepared, as well as the feast... But, woe to those (pause) to whom I sent the invitation and the call, and they did not want to accept it... When the door of the party room is closed, inside it will be Peace and Joy, but outside it will only be darkness, ravenous wolves gnashing... all the time, and at the same time, bitterness, loneliness, despair, (pause) gnashing of teeth... (pause)

O generation! (pause) O My beloved Church! (pause) You are My guests, but how many of you have taken the Invitation I gave you, and torn it up, with total contempt, and with total disbelief...

O generation!... O My Church!... O My people!... You have often killed (pause) My servants, My servants; that My Invitations have taken you!...

Generation!... what else can I (pause) do for you? Generation, rebellious daughter, returns home! Return to the house with ashes on your head, dressed in sackcloth, and with tears falling from your eyes, on your hands, and I (pause) will do crazy things for you...

Know generation, that the soul (pause) that I love the most, is the one (pause) what more love you have for ME...

Be in Peace... I leave you My Holy Spirit..."

Period of Private Messages

for the Order of Slaves of Maria da Paz

(This Order was founded by Our Lord Jesus Christ in Person, in an unexpected apparition, at three o'clock in the afternoon of February 12, 1998, in the Chapel of the Blessed Sacrament of the Mother Church of Jacareí, Immaculate Conception, before the Blessed Sacrament exposed, in an Adoration, at three o'clock in the afternoon, which coincidentally took place...

By HIS initiative, HE founded this Order, giving it its Name: "Order of the Slaves of Maria da Paz", whose RULE Our Lady passed to compose in the following Messages, destined to the Order.

What this Order is and will be, prophesied by some of the most notable Marian Saints of the past, plus those of the last century, will only be revealed in due course, as determined by Our Lord and Our Lady, giving full fulfillment to the Designs of the Most High...

Only one more young man was a witness of the fact, and he too was called to be part of what Our Lord came to found, in a very particular and singular way...)
Day 07/03/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Beloved children, I thank you for having come once again, to meet My Immaculate Heart, on top of this poor and uninhabited hill, but where I perform the greatest wonders of My Immaculate Heart...

My Heart trembles with joy, because My Messages and the Messages of My Son Jesus, suffocated for an entire century, have finally been disseminated through My book, to all who are present here... Yes, to many cities in Brazil, My Messages will be taken, and now, nothing can stop Me...

Eu, queridos filhos, peço a todos que não o conseguiram, que o consigam, e divulguem-no com o mesmo ardor com que divulgaram o Livro das Minhas Mensagens de Jacareí... Estes dois livros sejam para vocês, queridos filhos, como a seta que indica o caminho certo que os levará a DEUS...

Eis que aqui estão os Meus pequeninos, as Minhas crianças, a quem o PAI deu a Graça de poder ver-Me, ouvir-Me, tocar-Me,(pausa)e beijar-Me... Sim, esses Meus anjos foram profetizados já no Livro do Profeta Joel, quando

disse: - que os jovens teriam visões... Sim, aqui, com esses três pequenos, realiza-se a profecia do Meu Coração Imaculado...

Amados filhos, olhem a simplicidade destas três crianças! Bondade, e simplicidade, é o que Eu quero de vocês, como as destas crianças... Quem não se fizer como uma criança, não entrará no Meu Imaculado Coração, e não entrando no Meu Coração, não entrará no Reino de DEUS...

Eu estou perto(pausa) de cada um de vocês... Olho seus numerosos sofrimentos, curo suas inúmeras chagas(pausa) e feridas, que recebem nos golpes de cada dia... Inundo seus passos de Luz! Inundo seus dias de Graças, a fim de que tenham a certeza de que o Meu Imaculado Coração virá e não tardará, e com o Meu Coração, virá o Coração do Meu Filho Jesus, VIVO e VERDADEIRO, para REINAR em breve, no meio de vocês...

Não digo mais, queridos filhos, que faltam dias, mas... horas, para o Meu Triunfo, e o Triunfo de Jesus... Os seus dias estão contados! A volta DELE(pausa) é agora mais iminente, do que nunca...

É Minha Missão Materna, conduzi-los para dentro da Arca do Meu Coração Imaculado... Dentro desta Arca, terão calor, refúgio, segurança, alimento e consolo, quando tudo à sua volta for submergido(pausa) pela Justa Ira do Meu Filho...

Ó sim, venham! Venham a Mim, e terão Misericórdia, queridos filhos... Porque quem não quiser vir por Mim, terá(pausa) que beber todo o CÁLICE, que o PAI está preparando na SUA JUSTA IRA(pausa), mas aquele que vier a Mim(pausa) terá Paz, terá a certeza da salvação, e do perdão de DEUS...

Eu, a sua Mãe, Imaculada Conceição e Rainha da Paz, os abençôo deste lugar, agora e para sempre..."

Mensagem de Nosso Senhor Jesus Cristo

"- Geração... Ouve!!! Ouve!!! Ouve o lamentar(pausa) do Meu Sagrado Coração... Povo Meu, que vos fiz EU?... Tenho vos concedido a maior das Misericórdias!... Tenho vos concedido a Graça das graças, o Bem dos bens, o Feito dos feitos, o Dom dos dons, e vós... não NOS tendes amado...

Ó geração!(pausa) O que mais posso EU mandar ao mundo e à Minha Igreja, para que se abra isso a que chamais de coração???(pausa)

Ovelhas da Minha casa... como podeis vós misturar-vos com os cabritos, e trazer a praga de sua abominação para dentro da Minha Casa Santa???(pausa)

Como podeis vós aninhar-vos com as serpentes, saborear de seu veneno, engolir seus ovos envenenados, e depois virdes, comer à Minha Mesa???(pausa)

O Meu Sagrado Coração deseja de vós não só reparação, mas também, a total e firme decisão por MIM. Voltai-vos!!! Voltai-vos!!! Voltai-vos...

O Coração da Minha MÃE, e o Meu Coração(pausa) têm-SE feito mendigos, suplicando o vosso amor, pedindo um prato de amor, pedindo um pedaço do pão(pausa) do vosso carinho, mas até isso nos tendes negado...

Os NOSSOS Sagrados Corações desfalecem pela noite a dentro, chorando e gemendo, procurando um coração(pausa) onde possamos fazer NOSSO refúgio, NOSSO cenáculo, NOSSA Nazaré, mas... que temos visto? Serpentes e mais serpentes, aninhadas dentro das vossas casas... Voltai-vos! Voltai-vos...

Acolho com AMOR a oração de renúncia, e ao mesmo tempo, o ato de Consagração de cada um de vós nesta noite... Este momento, foi esperado por MIM e Minha MÃE, desde há muito tempo! Agora, vossos nomes serão mais que selados, mais que gravados, vossos nomes serão sagrados, em NOSSOS Sagrados Corações... Hoje, hoje, haverá festa no Céu, porque muitos derramaram lágrimas de arrependimento, e agora hão de consagrar-se a MIM e à Minha MÃE...

Sim, Fátima é aqui!... Aqui(pausa) CONTINUA (pausa) e TERMINARÁ, a Obra começada segundo os Segredos de Fátima!... Aqui, Meu Sagrado Coração erigirá DOIS TRONOS GLORIOSOS... um para MIM, e o outro para o Imaculado Coração Daquela que mais ME amou neste mundo, e ME adora(pausa) em êxtase mais intensamente no Céu... EU, o Sagrado Coração, vos atesto e vos afirmo...

Levantai as cabeças, porque eis que já coloco Meus Pés na nuvem de Luz que ME trará! EU Estou às portas... e quando EU voltar, quero vos encontrar ao Meu lado...

Bem-amados, bem-queridos de Meu PAI... Minhas ovelhas, escutai a Minha Voz,(pausa) e alegrai-vos! O Vosso Pastor retorna, e o aprisco reviverá...

EU e a Minha MÃE vos abençoamos, em Nome do Pai... do Filho... e do Espírito Santo...

Ide em Paz... Consagrai-vos a NÓS, e NÓS estaremos para sempre, em vós... Paz!... Paz!... Paz!..."

Novo período de Mensagens particulares

para a Ordem dos Escravos de Maria da Paz

Dia 02/04/98

"- Muitos saem da oração, sem nem sequer ter entrado nela..."

Dia 03/04/98

"- Meus filhos, sem a oração, vocês não serão capazes de viver aquilo que Meu Filho Jesus lhes manda. Por isso, rezem mais... rezem mais..."

Dia 04/04/98

"- Meus filhos, hoje Eu quero lhes dizer que estas Aparições são as últimas para a humanidade. São as últimas para vocês também...

O Meu Coração fica triste, ao ver que muitos não comparecem na hora da Aparição... Esta Graça logo será tirada, e vocês a quererão, mas... não será mais possível... Por isso, venham, e fiquem perto de Mim...

Este ano, vocês são chamados a suportar pesadas provações, mas, tenham força, pois são as últimas... Se antes Eu lhes pedia que rezassem, agora Eu lhes peço que vocês rezem ainda com mais força e confiança, a fim de que possamos amenizar as provações, e salvar o maior número de almas possível...

Rezem o Rosário...(pausa)

Eu os amo, e quero dizer-lhes que não tenham medo... O medo é para aqueles que não crêem em DEUS, e nem em Mim. Fiquem junto de Mim! (pausa) Eu os abençôo em Nome do Pai... do Filho... e do Espírito Santo..."

Dia 05/04/98

"- Meus filhos, obrigada por vocês não Me abandonarem sozinha na oração... Eu estou com vocês! Cerquem esta Minha Querida Imagem (que representa a Aparição) de oração, todos os dias... Eu lhes peço que rezem, rezem muito!(pausa) Eu os abençôo em Nome do Pai... do Filho... e do Espírito Santo..."

Marcos: (Depois, Nossa Senhora continuou)

"- Não tenha medo, pois Eu estarei sempre com você... Eu poderia ter escolhido entre os Meus servos e súditos, outro quinhentas vezes mais santo ou perfeito que você, no entanto, Eu escolhi você, porque não era nada, e sendo nada, você Me deu tudo...

Você é aquele em quem o Meu Coração confiou. Não tenha medo... Jesus ama você, e nunca se esqueça disso: - ELE está perto de você, em todos os momentos da sua vida...

Quando alguém salva almas para DEUS, o demônio desencadeia toda a sua fúria. O seu trabalho, Meu filho, é salvar almas... Devido ao grande número de almas que você têm reconduzido para DEUS, ao longo destes anos, transmitindo as Minhas Mensagens, o demônio desencadeou toda a sua fúria contra você. Não desanime... Todas as provações que lhe vieram, decorrem desta fúria de satanás. Reze, e tudo se resolverá...

Você fez o correto... Tudo o que o povo precisava saber, você já publicou. Tudo o que eles precisavam saber para se converterem, já se encontra no Livro das Mensagens. Quanto às partes da Minha Vida na terra e os Segredos, terão a sua hora certa de serem publicados, conforme já lhe disse...

Continue a divulgar o que lhe digo, a cada dia em que lhe apareço. Sinta-se em Paz...

Você é um dos que mais Me vê na face da terra... Se esta Graça tivesse sido dada aos Santos do passado, teriam sido como arcanjos na terra. Portanto, agradeça ao Senhor por ter-Me perrmitido ficar tanto tempo com você, Meu filho..."

Dia 06/04/98

"- Meus filhos, Eu sou a Mãe das Dores... Nesta semana, contemplem as Minhas Dores. Tudo o que pedirem por meio Delas, o PAI lhes dará..."

Dia 07/04/98 Aniversário Mensal das Aparições

Mensagem de Nossa Senhora

"- Meus filhos, com o Coração cheio de AMOR, volto(pausa) a este Monte hoje, pedindo-lhes: - convertam-se... Este é um tempo de conversão...

Eu Sou o Grande Anjo que desce do Céu, com a chave do abismo e a grande corrente, para trancar o demônio no inferno, nestes ÚLTIMOS TEMPOS(pausa) que estais vivendo, de sofrimento, provação, perda da verdadeira Fé, e afastamento de DEUS em que a humanidade caiu...

A grande corrente que o Anjo do Apocalipse tem na Mão, é a corrente do Meu Santo Rosário... Com esta corrente, Eu amarrarei o dragão no inferno, e hei de precipitá-lo para sempre, a fim de que não possa mais voltar a fazer mal à terra...

Ele tem feito mal à terra nestes tempos, através da maçonaria, através das seitas e falsas religiões, que cada dia mais crescem, se avolumam e ameaçam a unidade da Minha Santa Igreja Católica...(pausa)

Ele lançou o seu ousado desafio contra DEUS: eu farei com que todos eles TE reneguem e se rebelem contra TI ! satanás lançou este desafio a DEUS, mas o Meu Coração Imaculado recebeu da Santíssima Trindade a Missão de esmagá-lo, envergonhá-lo mundialmente e universalmente, e lançá-lo no abismo, de onde não mais poderá sair...

Suas garras estão manchadas com o sangue dos Meus pobres filhos, que ele tem perseguido implacavelmente, durante este século...(pausa) A sua boca cheira o sangue dos pobres inocentes, aos quais ele vitimou e arrastou para o vício, para o pecado, e para a total destruição...

Mas... ele tem pouco tempo! Agora, Meus filhos, Nós já podemos contar nem em anos, nem em meses, nem em dias, mas sim, em horas(pausa) que restam para o Triunfo do Meu Coração Imaculado, e a derrota definitiva de satanás...

O que lhes acontecerá, será uma OBRA tão grande, tão grande! Será como se o mundo nascesse outra vez!!!(pausa) Será um novo dia, o eterno dia, onde toda a humanidade, os que restarem fiéis ao Meu Filho Jesus, sem vacilar e sem negar a sua Fé, receberão a Justa Coroa que o Meu Coração Imaculado tece a cada dia, através dos seus jejuns e suas orações...

Permaneçam em tudo fiéis à Igreja, queridos filhos... Fechem os seus corações e ouvidos para aqueles que falam contra o Meu Papa João Paulo II. (pausa) Não deixem que o anátema da divisão(pausa) penetre em seus corações e divida, esquarteje e flagele ainda mais, o Corpo Místico do Meu Filho Jesus, que é a Igreja... Permaneçam em tudo fiéis à Eucaristia, e aos Sacramentos, fonte e origem de toda a Graça de DEUS em suas vidas...

Quando vocês ouvirem falar de guerras(pausa) e de uma luz, uma estranha luz nos céus, saibam que esse é o sinal de DEUS... de que vai purificar o mundo de seus crimes, de seus horrendos crimes... mas vocês não se apavorem, os que rezam e se consagram ao Meu Coração e estão Comigo todos os dias, nada têm a temer...

Meu Coração será a Arca Segura que os conduzirá até DEUS... Assim como Noé entrou com sua família na arca, entrem na Arca do Meu Coração Imaculado, com as suas famílias, com suas paróquias, seus grupos de oração, com todos os seus queridos... Eu prometo, que depois de fechada a porta desta Arca, a porta do Meu Coração Imaculado, satanás não se atreverá a meter a sua garra dentro do Meu Coração, e nem poderá... para tirar o que já está lá...

Venham ao Meu Coração, queridos filhos, pela sua Consagração a Mim, cada dia de suas vidas, vivendo Minhas Mensagens... É importante para vocês vivê-Las...

Eu vim porque o PAI Me enviou, e já estou aqui há mais de sete anos, porque amamos a vocês, e não queremos a condenação de nenhum de vocês... Eu choro (pausa) pelos Meus filhos que se vão condenando, mas Eu (pausa) ainda espero, por cada filho que volta ao Meu Coração... Eu os olho, todos os dias, desejosa de abraçá-los, apertá-los ao Meu Coração, mas muitos de vocês não querem...

Abram o coração, queridos filhos... Expulsem fora(pausa) todo o veneno... que vocês beberam e acumularam durante estes anos, da serpente, através do seu convívio e envolvimento com as coisas do mundo...(pausa)

Abram o seu coração a DEUS...(pausa)

A perda de tantas almas é o motivo da Minha tristeza. Mas, se houverem pelo menos dez, entre vocês, que rezem, e vivam todas as Minhas Mensagens, o mundo terá ainda esperança, e será salvo...

Rezem... Rezem... Rezem... Não será só com um, dois ou três terços, ou um, dois ou três jejuns que vocês salvarão o mundo, mas com a sua conversão, e vivência de todas as Minhas Mensagens...

Gravem nos seus corações o lema do Meu filho mais amado, João Paulo II: - Totus Tuus, Todo Teu, ó Maria!

Se fizerem isso, satanás perderá todo o seu poder, e em breve, a Minha Profecia de oitenta anos atrás vai realizar-se: Por fim, o Meu Coração Imaculado Triunfará!... (pausa)

Abençôo-os em Nome do Pai... do Filho... e do Espírito Santo... (pausa) O Meu Filho Jesus (pausa) fala-lhes agora..."

Mensagem de Nosso Senhor Jesus Cristo

"- Povo Meu... que te fiz EU? Tirei-te da escravidão, alimentei-te com o Pão do Céu, Meu Corpo e Meu Sangue... que mais EU poderia ter feito por ti?...

Não te deixei órfão, povo Meu, dei-te uma MÃE, a mais Bela, fascinante e encantadora das Mães... Dei-te o Meu Espírito, como Luz e Calor, para que nunca sentisses frio,(pausa) nem terror, do escuro... Que mais (pausa) EU poderia fazer por ti?...

Povo Meu, retorna ao Meu Coração... Não ME obrigues a sacudir a terra com a Força do Meu Braço, para que te voltes a MIM... Eu estou louco, e como que doente de AMOR por ti, povo Meu...

Mas... tens fugido de MIM, dia e noite... e EU tenho andado por todos os caminhos, a fim de te encontrar. E eis que te encontro agora, povo Meu: - um pobre (pausa) mendigo, caído à beira do caminho; repleto de chagas, ardendo em febre, contaminado pela mais terrível das doenças, com a boca ressequida, morrendo de fome, tremendo de frio, coberto com o pó dos teus antigos amigos, que agora te abandonam, e pisam por cima de ti...

Assim te vejo, povo Meu: - calcado aos pés dos demônios, que te seduziram para o pecado, que te enganaram e te afastaram de MIM, e tu(pausa) apreciaste o que eles te ofereciam, ao invés do Meu Pão do Céu... e de MIM te apartaste...

Povo Meu... eis que venho para te recolher em Meus Braços, e levar-te para casa, a casa da cura e da Misericórdia... Lá, onde colocarei o óleo da Minha Benevolência em tuas chagas(pausa) e cuidarei de todas elas... Ali, onde com apenas um (...) do Meu Corpo e do Meu Sangue, EU te devolverei a Santa Vida...

Povo Meu, ali, ao sentires o toque daquela MÃE que abandonaste, teu coração voltará a bater, e não a gemer... Ali, consolado e ao veres a Luz do Meu Espírito, e quando EU te inspirar o SEU SOPRO em tuas narinas, voltarás a erguer-te de pé, e a servir-ME, não como escravo, mas como filho bem-amado Meu...

Povo Meu, volta para NÓS!... Por que te esqueceste de MIM?... Acaso a Minha Cruz, acaso(pausa) o Meu Pão do Céu, acaso a Minha Igreja, a Minha PALAVRA e a Minha MÃE... não te são suficientes, para que ME ames; e para que acredites que não fui embora para o Céu, abandonando-te só e órfão, mas EU... tudo te deixei?...

EU mesmo te dei a CHAVE(pausa) para abrires a PORTA, todas as vezes que quiseres encontrar-te COMIGO, e falar, coração a coração...

Povo Meu...(pausa) volta para NÓS...(pausa) Olha tantas chagas que abriste no Meu Coração, e no Coração Daquela, que em nenhum momento, deixou de te amar...

Renovai a Minha Igreja! Restaurai-a! Defendei-a, das presas daqueles que querem dividi-la e devorá-la... A Minha Igreja Católica sofre grandes perseguições, mas EU estou com Ela. Meu Braço a defende e limita(pausa) até onde os demônios podem chegar... e de onde eles não podem passar...

Mas, erguei-vos, povo Meu! É hora de despertardes do sono,(pausa) porque vem a Paixão, porque vem a ora das trevas, e o traidor se aproxima...

Erguei--vos, erguei-vos, levantai a bandeira da vossa oração, e sede vigilantes, para que quando o Meu Reino chegar, o Meu Triunfo chegar, não vos encontre entorpecidos, torporizados dormindo...

Povo Meu, EU te amo, e gravo teu nome no Meu Coração...(pausa) Jamais te deserdarei, a menos que queiras... Volta para NÓS, povo Meu, porque uma herança, mais bela que a de Salomão, te espera no Meu Coração!

Vem! Vem! Vem... Entrega-te a MIM... Volta-te a MIM, porque venho depressa (pausa) para te conquistar, e para te curar; para te embelezar, e para de novo, te reger, Meu povo amado...

E vos abençôo com Minha MÃE, em Nome do PAI... do Filho... e do Espírito Santo...(pausa)

Gritai aos telhados esta Mensagem de hoje, e voltai aqui no próximo mês, para continuarmos a vossa conversão..."

"- Meus filhos, contemplem hoje a Minha Dor Materna... Eu sou a Senhora das Dores...

Com Grande Dor, segui o Meu Filho Jesus no Seu Caminho, em direção ao Calvário... O Seu Rosto, cheio de Sangue; os espinhos, que cada vez mais entravam na Cabeça; os Seus frêmitos de febre e Dor; as chicotadas dos soldados para que andasse mais depressa, sem poder fazê-lo; as Suas quedas no Caminho do Calvário...

Ó! Que Dor sentiu o Meu Coração de Mãe, sem nada poder fazer! Permaneci ao SEU lado, para ajudá-LO a sofrer e a morrer, e Me entregava com ELE ao PAI, para a salvação de todos...

Ó, Meus filhos! Convertam-se e voltem a DEUS pela estrada do amor, da Paz, da oração e da penitência... Se vocês voltarem ao Senhor, ELE com certeza os perdoará, e dará a Paz ao mundo... Por isso, rezem! rezem! (pausa)

Abram os seus corações, e verão como NÓS estamos juntos e ao lado de cada um de vocês...

Meus filhos, em suas dificuldades, chamem por Mim! Não tentem resolver sozinhos os seus problemas. Chamem-Me, e verão como eles se resolverão muito mais facilmente...

Eu continuo precisando de suas orações para salvar os pecadores... O mundo está tão cheio de corrupção, pecado, morte e violência, e o Meu Coração espera com ansiedade, o dia em que tudo será libertado do mal, com a VITÓRIA do Meu Imaculado Coração...

Por isso, Meus filhos, rezem! rezem muito! rezem pelos Meus Planos! (pausa) Eu estou com vocês, e que o Terço esteja sempre em suas mãos, como um sinal para satanás de que vocês são Meus, e que Me pertencem...

Dia 22/04/98

"- Meus filhos, o Meu Coração treme angustiado pelo que virá, e pela sorte dos pobres pecadores, e daqueles que se recusam a crer em DEUS...

Vocês devem rezar todos os dias por eles, e implorar a Misericórdia do

Senhor para eles...

Saibam que muitos, que hoje estão condenados, desajariam ouvir o que vocês ouvem, e não ouviram; conhecer a oração como lhes revelei, e não conheceram... Valorizem, pois, o que DEUS lhes deu!..."

"- Queridos filhos, agradeço a correspondência de vocês ao Meu Coração Imaculado... Continuem a vir aqui todas as tardes, à mesma hora...

Rezem o Rosário todos os dias com mais amor! Vocês ainda têm rezado pouco. É preciso que vocês rezem todo o tempo livre possível que vocês têm, depois das suas obrigações diárias. Este tempo pertence a DEUS...

Desejo que, durante esta semana, vocês todos rezem o Terço de São Miguel, todos os dias, para que os Anjos e todo o Esquadrão da Milícia Celeste

combatam os espíritos malignos, e reprimam a sua audácia por toda a parte, porque eles próprios vieram e Me desafiaram...

Receba a Minha Paz e acolha no seu coração a Paz e a harmonia que desejo dar-lhe...

Não fui Eu mesma que o levei a Medjugorje, e lhe fiz conhecer os videntes?...

Não o levei lá na colina das Aparições?...

Não fui Eu que o levei a Fátima, onde tanto você queria ir?...(pausa)

Meu filho, quantos dos Meus filhos espalhados pelo mundo inteiro gostariam de ir a Fátima, e não foram? E você, Eu levei e o trouxe carregado em Meus Braços...

Marcos: (Fiz como Nossa Senhora mandou. Ela desceu e me abraçou. Toda a tristeza e angústia foram embora. Em seguida, Ela colocou a minha cabeça em Seu Ombro e me dizia baixinho)

"- Lembre-se sempre que Eu o amo... Lembre-se sempre que Eu o amo... Eu desejo que você diga ao mundo inteiro que Eu o escolhi para anunciar os Meus Pedidos, e você deve também dizer que Eu lhe concedi a Graça de ser portador de uma das maiores DÁDIVAS que DEUS podia ter dado ao mundo: - a Graça das Minhas Mensagens e da Minha Presença VIVA... Você deve, por isso, anunciar sem medo os Meus pedidos, e trazer todos os Meus filhos para dentro do Meu Imaculado Coração...(pausa)

Eu quero que você diga aos Meus filhos que estão aqui hoje, esta Mensagem:

Meus queridos filhos, Eu sou a Mãe do AMOR, da Ternura e da Suavidade...

Os corações são duros, insensíveis, não aceitam o Meu AMOR... Peço a todos vocês que rezem, para que o mundo aceite e compreenda o Meu AMOR...

Each of you will be responsible for what you did or did not do with My Messages... It is a very serious moment, where GOD will now ask each of you for a definitive YES or a NO to HIM...

It is now the time of the history of the decision of all humanity... Everyone will have to decide: - either with GOD, or against GOD...

I come from Heaven to ask you to say YES to GOD, to open your heart to HIM, and that they submit to HIM... And the way they will say YES to GOD is by living My Messages, putting them into practice, because it will be useless to say: - "Lord! Sir!",

Therefore, read again all the Messages here, that you are aware of, and thus give Me the "YES" to GOD...

Day 07/05/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children, today I want to thank you (pause) for coming, despite the intense cold, to the top of this hill... prayer and their sacrifice, and I bring them to God for the conversion of the world...

I want to ask you today, that you love the Holy Mass more... My children, the Mass is the greatest gift that the CREATOR could have given you. At Holy Mass, all of Heaven is present, even if you do not see it, but all the Angels, all the Saints, and I myself, descend in the Churches to participate with you in the Holy Mass...

In Holy Mass, you receive the Eucharist, who is My own Son Jesus. HIS Blood merges with your blood... HIS Flesh merges with your flesh... The Heart of Jesus becomes ONE, with your heart...

So, dear children, when you leave the Mass, (pause), go out not alone, but go out with My Son Jesus by your side... You yourselves become another Christ f to love, save, and free this world in HIS NAME...

Dear children, the Holy Mass contains a hidden virtue, which is only revealed to hearts that pray deeply, and immerse themselves in the mysteries of the Holy Trinity... The Holy Mass has the power to change your lives, both in the past and in the present. , as in the future... She acts forwards and backwards, in their lives... The Holy Mass is, therefore, a mystery, (pause) a sacrifice outside of time and space, that only to praying hearts, it is possible to reveal ...

The Holy Mass, dear children, sums up all the LOVE of GOD for you, giving

His own Son, as in another crucifixion, delivering Him into the hands of men... Thus, He comes into your hands, to the their hearts, to set them free and save them...

Churches are the Palaces of GOD, and therefore worthy of respect... Come and pray... Do not look at others, nor criticize them, but rather, dear children, open your heart

... to the communion line, ask Me, to pass My Immaculate Hand, to remove the stains that still remain in your hearts... If you do this, you will see My children, how Jesus will pour out much more LOVE, Grace and Holiness, in their souls...

I am the Mother of the Eucharist, (pause) and I am also the Mother of Christians... I want to lead you all to Jesus, in the Eucharist... This is My Maternal Mission, given to Me by Holy Trinity, for these LAST TIMES of yours...

My Mission (pause) is to form a Crown of LOVE around the Eucharist, to repair that painful Crown of Thorns that they placed on the Head of My Son Jesus... Each of you My children, who pray, who live My Messages, these are the little flowers that I want to place in this Crown of LOVE, around the Eucharist...

The Holy Mass, dear children, is the prayer that I most love and ask for the most, and after that, the Rosary... Continue to pray the Rosary every day! Pray for the Church! Pray for the priests! Pray for the people to return to the Churches, for the people to return to the Eucharist...

I wish to make Brazil a Eucharistic Altar, where My Son will be exposed, night and day forever, and where every knee in this beloved land will will bend to say:

"Blessed! Blessed be (pause) the Blessed Sacrament! Blessed be the Eucharist, in this land of Mary..."

I bless you in the Name of the Father... of the Son... and of the Holy Spirit.... (pause) My Son Jesus, speak to you now..."

Message from Our Lord Jesus Christ

"- Generation... My People! O cause of My Wounds, reason for My Passion... O My chosen people, My beloved Church, hear My call, hear My cry, (pause) hear My thrashing in Tears...

Generation, I will still have to cry higher, so that you come back to ME?... Do I still have (pause) to let My Heart tear more, so that you can be convinced of sin and be able to return to Me?...

I, your Master and Lord, (pause) seek now, My sheep... From Israel to the ends of the world, I will gather those sheep that are Mine, and that have already been marked by ME... I will gather them in My sheepfold, and under the direction of My Staff, they will walk...

When they are thirsty, I will give them crystal clear water; when they get tired, I will carry them on my lap; as night approaches, I will gather them together, in the refuge already prepared by the delicate Hands of those who love you, and I will watch over them, night and day...

Generation, I am (pause) consumed with LOVE for you... Generation , return to My Heart! What more could I have given you than all that I have already given you?

Generation, you do not treat your friends with severity, nor do you abandon them to solitude... but you have abandoned ME in the Tabernacle, you have left ME alone (pause) and forgotten... Return to ME generation, return to My House. ..(pause)

You are full of My Abodes, you are full of My Churches, but your rebellious heart is not attracted to ME... Generation, let My LOVE (pause) teach you, again, the Holy Ways and the Holy Laws...

Generation, let me remind you of My Precepts, and My Eternal Principles, and in this way the alliance becomes effective... Generation, breathe (pause) the breath of My Holy Spirit, which I pour over all earth now, in this age, in this generation...

O My children, My Heart is as it were on EMBRACES for you... I burn, consumed today, with the desire to give you all My Peace, and all My LOVE...

Happy and Blessed is the heart of the poor , that this night welcome ME!... (pause)

Happy is the meek heart, that let Me Reign today, in your house...

Exalted is the heart, meek and humble like Mine, which now offers Me the throne of life, so that I may sit, and govern it (pause) according to My Holy Desires...

Generation, prepare a throne, prepare a double throne, in your hearts, because I and My Mother will soon sit on them, and WE will put OUR enemy on a footstool, crushed under OUR FEET...

Generation, the end of the serpent is near... (pause) He himself will have to swallow all the poison he has vomited... (pause) and those who are Mine, clean as snow, will shine like the sun, and will proclaim together WITH ME the sentence (pause) of this My adversary, this opponent who still wants to be more (pause) than I, more than My FATHER, the Sovereign GOD... (pause)

You will reign WITH ME, if now you serve with meekness and love to the Projects that the DIVINE Wisdom of the FATHER (pause) decreed for this humanity...

Yes, (pause) you will see the TRIUMPH of My MOTHER begin shortly, and the

earth will have Peace again... Do not worry if the sea to stir and rage before that. It is necessary that it be so... but, engrave this sentence in your heart: - OUR Two Hearts WILL TRIUMPH...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Remain in My Peace..."

Day 13/05/98

The souls in Purgatory need your prayers... Their prayers have no effect to free themselves from Purgatory, but your prayers do, especially the Holy Mass, which is the greatest means of freeing the souls that are there, and then the Rosary...

I promise that everyone who prays the Rosary with love, will take a soul out of Purgatory for each well prayed bead, with the heart... May your prayers relieve your brothers who are in Purgatory , and when they come to My side, free and happily ever after in Heaven, they will intercede with Me for you, that you may come more quickly to holiness, and thus possess the eternal glory and happiness of Heaven...

Thank you, dear children, for being all together in prayer, on this day (pause) that the Holy Trinity, ITSELF, opens itself (pause) to pour out all the essence of HIS LOVE, in hearts that are open and contrite in this place...

I am the Queen and Messenger of Peace... My Immaculate Heart (pause) it is the great security and Ark of the Covenant, which I have prepared for you...

Dear children, GOD has sent Me on this earth (pause) to say to you: pray! understand the Word of GOD, cannot also receive salvation...

Know that the year 2000 will be marked by the Great TRIUMPH of My Immaculate Heart already established on earth, with the precedence of a few months, and that the Church, tried, tempted, persecuted and shaken by My enemy, will emerge victorious from her enemies, together with Me... and all those who have answered My Messages will receive (pause) a light, which they will never will be taken away, the light of victory, the light of eternal joy...

Blessed are My meek children, because they will possess the earth...

Blessed are My poor children, because their inheritance will be My Kingdom of LOVE and Peace...

Blessed are those who are persecuted because of Jesus and because of Me... A greater reward than the sun is waiting for you, in a short time...

My dear children, remain firm in My path, and do not be discouraged, even if Satan wants to bend (pause) and bow your heads down to the ground, lift your heads to Me, and have confidence, I will always be with you...

The time is approaching, My children! I am coming back, to stand by each one of you, and give you Peace...

One day, you (pause) will find in Heaven, each of My Messages, converted into a prize, into light, and into happiness... You will find all, all My Messages, there, next to Me, and you will also find your merits, for having lived My requests...

Pray for the Pope every day, and pray for the Church... Just as when you see a storm, you close windows and doors to protect yourself from the storm, so too, My children, prepare your hearts, because the storm come...

Pray for the Church... Pray for yourselves and your families, (pause) and be calm and serene, because I will pray for all of you... (big pause)

I bless you in the Name of the Father.. .of the Son... and of the Holy Spirit... (pause)

Listen to everything now, what Jesus says to you..."

Message from Our Lord Jesus Christ

"- ETERNITY speaks to you! Generation, My dear and chosen people, (pause) take shelter in My Wounds... In them, there is LIFE, which never runs out...

Like a stream that never dries up, so the Graces... of My Wounds, will never cease... Generation, hear My appeal, and listen with love and dedication to what OUR TWO Hearts have to say to you...

O generation! THE DAY of OUR Victory is already near... The Warriors are all lined up, on the Battle Front of Heaven... My General, São Miguel Arcanjo, is already at the head of My Squadron... My MOM, with the Scepter of POWER, will say: - now !!!

The battle that will take place, between Heaven, Earth and Hell, will be so amazing, as never seen since the creation of the world...

This is necessary, because the people despised My Laws, ridiculed My Catholic Church, trampled (pause) on My LOVE and My Commandments; closed his ears to OUR Messages, and in this way, only through blood, this humanity will be able to be freed and purified...

But, just as Judith (pause) won the victory for her people, so also My Mother, has already won the Victory beforehand (pause) to My people... The only thing you have to do is continue to spread OUR Messages, like leaves blown by the wind... (pause) Pray, because only then can the Messages be spread...

I ask you, (pause) that all of you, in your homes, consecrate Brazil to ME, consecrate the world to ME; consecrate to ME this land of Santa Cruz, this

land that belongs to My MOTHER, (pause) that you consecrate it to Me, so that My Immaculate Heart, and at the same time Sacred, Pure and without stain, of eLamb f, can establish the Throne (pause) that will rule all the nations of the earth...

Generation, My generation... My Lips distill LOVE for you... My Eyes melt (pause) in Tears, missing you. .. Generation, can't you see that each beat of My Sacred Heart has turned into a moan (pause) of longing for you?...

Come back to ME, My people, My generation... Come back! Come back!... OUR Hearts are here to give you everything you need, and much more than you can imagine asking ME... Open your heart... It's just what I want

... Peace to you! Rest in My Peace, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 06/08/98

"- Dear children, I ask you to pray the Rosary of the Eucharist every day this week, in adoration of My Son Jesus, and I ask that on Thursday, you will be united with Me, there in the Church of the Immaculate Conception, to participate in the procession and the Mass, and in this way to adore My Son Jesus with Me, on Corpus Christi ...

I also wish you to transfer (exceptionally) your fasting from Wednesday to Thursday, which is the Day of the Eucharist... Fast on Corpus Christi, and My Son Jesus will rejoice for you... I wish you love and prayer..."

Day 09/06/98

"- Dear children, I thank you for your perseverance in continuing to come here... Continue to pray as I asked you, every day...

I also wish you more prayers.. I ask everyone to pray the Rosary every day, even if life's rush and setbacks say no...

Pray, pray, My children! In the prayer of the Rosary you will find all the Peace and rest you are looking for... Pray, and even in the midst of confusion, everything will become clear and limpid...

With the power of prayer, you will conquer everything, you will be capable of everything... With prayer, GOD himself will give you everything, and in everything you will understand God's plans...

I bless you with LOVE, in the Name of the Father ... of the Son... and of the Holy Spirit... (pause) Return home in the Peace of the Lord..."

Day 06/10/98

"- Dear children, these days are dangerous for you... Satan he is furious that

he has lost many souls to Me on the seventh day that has passed... Because of this, he now rebels against you, trying to make you fight, argue, disunite, separate, so that may he show to all the people that a great evil comes here, an example to discourage those who have begun to convert...

Here is the source from which the Message of Peace sprang... The main Message of this place is the Message of Peace... Whoever does not have Peace has nothing else, and whoever does not have Peace can neither serve nor please GOD...

My wish is that you love each other very much and live in Peace, because you are children of the same FATHER and the same Mother, and the Heaven that I prepare for you is the same for everyone, the same for everyone... Therefore, I ask you to love each other with the LOVE with which I LOVE you, not with your love...

As I forgive you easily, so forgive yourselves... As I have patience and understanding with you, so have patience and understanding with one another... As I wait for you, expect others... As I always welcome you, welcome others... As I never despise you, don't despise anyone...

Love each other! This is My request... Be firm and love each other... When Satan sees Our LOVE, he will then flee and will not be able to do anything anymore, because against LOVE, Satan can do nothing...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/06/98 Feast of Corpus Christi

"- Dear children, today I want to say to each one of you who is here, that I love you infinitely, and that when you want any grace or receive anything from God through Me, choose nine days and make a novena of prayers for that Grace you want to achieve.... In this way, you will see that your difficulties will lose strength, and you will be able to solve your problems more easily...

Many ask in their hearts: - "Why did such difficulty happen to me, and even calling for the Mother of Heaven, has nothing happened to prevent her?"

For lack of prayer, you don't see Me by your side... Pray more, and you will see Me act even in the most insignificant things in your lives...

Do not be afraid... I am always with you... Make novenas not only for My intentions, but also for your intentions, and you will see how My Graces will be poured

out to you... With prayer and perseverance in it, you will will win everything! All will be overcome by your prayers...

I bless you with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Return home in the Peace of the Lord..."

Day 12/06/98

"- My dear children, I ask you to pray, and above all to pay attention to the WORDS of My Messages...

I wish you more confidence in Me... I also wish you more prayers... May you persevere in prayer, and may you grow more and more in it...

I also ask you to keep coming here every day, and keep listening and living My Messages...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 13/06 /98

"- Dear children, I ask you: - pray the Rosary... With the Rosary, you will be able to destroy all the evil that is in the world... With the Rosary, you will reach Peace in your own hearts.. Peace I will give you, but if you pray with love and with your heart...

I also ask you to participate more in Holy Mass... When you go to Mass, you get distracted in it, and that's why you lose all meaning and the Graces of the Mass... I ask you then to open your hearts, and to participate in Holy Mass with true joy...

As long as I am with you and I can give you My Messages, I do so with all the LOVE of My Heart... My Heart is a flower that is always open, and in it there is always nectar to give to all of you... If you come to Me , I will give you all My sweetness..."

Day 06/13/98 *(Mount - 18:30hs)

"- Beloved and dear children, thank you for being here today! You have heard My call, that's why you are here...

I ask you, children, that before praying any rosary that I taught you, ask first for the Holy Spirit... Pray to the Holy Spirit, so that the Mercy of God may be poured out in you, only then will you open your hearts, and your prayers will be more accepted, children, because praying with your heart, you will pray with love, and thus you will please God the Father Almighty...

Fear nothing, little children! You are here today because I called you... Ask the Holy Spirit to enlighten you, and continue to pray...

Thank you for the love you have for Me! Thank you, little children, for the confidence with which you pray in your hearts... If you pray with confidence, I grant you and your families all the necessary Graces...

I ask you, however, not only to pray for your families, but for the families of the

whole world, for the conversion of souls, for the salvation of all poor sinners, children, and also for the salvation of yourselves...

Pray, pray incessantly, and don't be afraid of anything... Glorify GOD every minute of your lives, children, glorify the Lord, even as I glorify Him!

I will be with you... The Holy Spirit will be poured into your hearts, trust in the LIVING GOD, in the GOD who is the Father, in the GOD who is the Son, in the GOD who is the Holy Spirit...

Our Lady:"- Touch My Heart, and when you touch it, ask for what you want. Today, I will grant you what you want..."

Marcos: (I touched the Heart of Our Lady, and I felt like an electric shock f, a sweet electric current f coming from Her. When I touched it, I felt pulsations in the palms of my hands, and my heart accelerated.

Day 02/07/98 *

Rosário Luminoso, at 22:30hs

Monte das Aparições

"- Beloved children, this is a f appeal! (pause) I ask you, children, give Me your hearts every day, for I, children, I give you My Heart, My Heart full of LOVE, inflamed by the elabared f of the Holy Spirit, I give it to you, but... many don't want it... many don't accept it, because they don't have Me as a Tender Mother, as a Mother of LOVE...

I am not a Mother of many hearts, because they do not accept Me... This is an appeal, children, because LOVE, the Grace of the Holy Spirit, is poured out, but if you don't give your hearts to Me and to My Son Jesus, there is nothing we can do...

It is necessary, children, that you have humility, discernment, because the enemy wants to tempt you at all times, 24 hours a day!

The danger, children, is in the smallest things of everyday life, and you don't realize it, because you let yourself be deceived by the enemy at every moment, you don't trust My Immaculate Heart, you don't pray... (pause)

I ask, children, let them call their brethren who are far away, because they are in the dark f, and they cannot see! But you, who hear My ecall f, who hear My cry f together with My Son, pray also for them, children! Ask the Holy Spirit also for them... Warn them of the edanger f that they run in aggravating My Heart, which is given to them, but... that they do not accept...

Give Me, children, your hearts, with the intention that GOD can purify them, sanctify them and set them on fire in LOVE, which consumes their whole being, just as He consumed Me, children!

Trust in this LOVE!!!

LOVE is no longer felt... LOVE is no longer lived... but, I Am the Mother of LOVE... (pause) This is a f appeal, children!

Here is a Mother with an aching Heart f, with Tears of Blood, spilled from My Eyes... (pause) It's an appeal f, children!

Ask for your brothers, for all those who stopped coming here...

Behold, I speak, children, receive My LOVE... I love you every day, I take care of you every day, I protect you every day! You shouldn't fear anything...

The enemy is dirty f, he's tough f, but GOD is BIGGER, but My LOVE is BIGGER for you!

Behold, My Heart pumps f with LOVE for you, and you don't understand...

Until when children, until when?...

I LOVE you, I call you every day! (pause)

Pray My Rosary, do penance, children, and fast!

Don't be afraid children, of nothing! I'm with you!

Unite, children, your hearts to My Heart! The ebrasas f of My Heart, I want to give to you! Accept Him, children, accept Him, surrender your hearts to Me now, in this moment!!!"

Day 07/03/98

"- My children, I thank you for coming to pray the Rosary once again.. Remain faithful in this prayer, during the afternoons, here on Monte...

I am with you, even when everything around you darkens f... I am the Star that guides and illuminates you on the way f towards GOD... Confidence! Happiness! Hope! This is the Message that I bring you today from GOD... Remain happy and steadfast!

My enemy wants to smear f on your heads, prostrate you to the ground, so that you become discouraged and do not pray anymore... Do not be deceived by him, because this is another dangerous temptation f, which has already taken many souls. to hell...

Renounce sin! Do not commune with sin! Renounce all evil... Don't allow Satan to use you for what he wants. Put it away, with vigilant prayer, and above all, with the ever-deepening delivery of each one of you to GOD and to Me...

I ask you to end this Rosary in trust and hope, in love and in joy, in serenity and in Peace, because soon My Immaculate Heart WILL WIN, and as I have told you many times, I will come in person f to lead you to VICTORY...

Trust, My children, and pray with Me! (pause)

The erico f, doesn't have a day of rest, but the poor f remains always in Peace, because GOD is his ALL...

The proud, the selfish, continually lives with feelings of revenge in his heart,

but the simple and pure faith, everything bears, everything forgives... and everything conquers...

To the humble, all things are thanks. For the proud, everything, everything is murmuring...

For the one who has GOD in his heart, everything that happens to him is for sanctification, but... for those who don't love God, everything that happens is a reason for condemnation , it's a reason for revolt... it's a reason for despair...

That's why I invite you, little children, to pray more! In prayer, they will have the STRENGTH of GOD to be able to completely transform their lives...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord... "

Day 03/07/98 * Monte - at 18:30hs

Imitate Me, children, have a gentle and humble heart f like Mine!

Be in Peace..."

Day 04/07/98 * Monte - at 18:30hs

I intercede for you, so that LOVE may be poured into your hearts! Only in this way will you understand the STRENGTH of the LOVE of the Father, the Son and the Holy Spirit...

I keep you, and keep praying My Rosary... I LOVE you!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

"- Dear children, I ask you to trust and believe firmly in the LOVE of GOD for you...

Pray throughout this night, during the vigil, according to My Intentions and the Intentions of the Heart of GOD...

Satan wants to create wars and conflicts in the world, and also especially among you. That's why I asked you for today's vigil, so that we can neutralize Satan, and also to reach the Graces that the CREATOR wants to give you during these days, especially on the occasion of the Cenacle...(from the next day seven)

I ask you too, My beloved children, that you trust yourselves to My Heart... Pray all night, trusting that I will be interceding for you, and in this way you will understand everything, they will understand everything in their hearts...

I also ask, next to the Cross of São Miguel, the construction of a small Oratory for Him. If you could get it ready for the next seventh day, that would be even better, but if you can't, do it as quickly as you can. Place His Image there, so that everyone may feel encouraged to pray and ask for the intercession of this Mighty Friend of each one of you..."
00:00 hs (Vigil in the Chapel)

"- My children, I thank everyone who came to this vigil, in response to My insistent invitation made on Thursday, in Monte. I thank you...

This vigil ascends to Heaven like a burning incense f , and will obtain many Graces and Mercy for your Upper Room, the day after tomorrow...

I interceded, joining your prayers with Mine, and the Father rejoiced...

I ask you to repeat this same vigil on the third Saturday of the month , here at Capela, and also on the last Saturday of the month once again...

May this month be a month of special sacrifices for you!

Thank you so much to everyone who responded to My e-call f...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Return home in the Peace of the Lord..."

00:00hs *(Vigil in the Chapel)

"- Beloved children, thank you for this beautiful vigil, children!

Thank you children, because GOD was glorified by the smallness of you, by the opening of your hearts...

I ask you to continue like this, children, do not let Grace slip away, continue incessantly in prayer, with your hearts open, because if your hearts remain opened, they will bring forth much fruit over all the earth!

Trust in My Immaculate Heart... I thank you, and I leave My Peace... I LOVE you...

Make yourselves worthy, children, of these Graces, through prayer...

Day 07/07/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... thank you for being here once again, tonight, by My side... I thank each one of you, and I ask (pause) for more prayer, more trust in My Immaculate Heart

... I want today, dear children, to ask you: read the WORD more... Many of you have let your Bibles gather dust, and many of them have even (pause) glued or even ripped their pages, due to neglect, due to your neglect toward the WORD of GOD... May you listen to the WORD, both proclaimed by the Church* and also (pause) contained in the Holy Scriptures...

If you read the WORD, My children, you will never walk aimlessly, nor without direction in your lives... With the WORD, the tempter will be forced to move away, because he will find in you an unshakable, firm, and above all, guided Faith. , inspired... by the very Will of GOD...

In the pages of the Bible you will find Me, My children... The same Mother who speaks to you here, on this Cross, is the same Mother that you will find in the WORD, at the Foot of the cross...

I invite each of you, My children, to pray the Rosary with more love... Know that the Rosary will be the great outcome, and the great revelation, of this 20th century... It will be the Rosary (pause) that will save this world without Peace, without GOD and without LOVE... The Rosary will remain forever, for future generations... remembered as the instrument by which GOD (pause) will save the world!... (pause)

To bring about Redemption, GOD used (pause) the instrument of the Cross!... To accomplish the Triumph of My Immaculate Heart, GOD will use the instrument of the Rosary...

With this weapon f(pause) you will win... My Immaculate Heart will then have His Throne over the whole world, and I will make you My chosen and chosen

Race... that will participate in all the Gifts that the Holy Trinity has thus granted Me...

Right here, in this Place, I will leave My Great Confirmation... All hearts will know that GOD, and that I in GOD (pause) exist... But do not wait My children for the last announced Signs, because when they arrive, it will be late... Convert now! Convert now...

My Heart (pause) is a Door that is always open, for everyone who wants to enter... Here My children, in My Heart, there is no night, it is always day... LIGHT...

Thank you My children, I will pray for you all today... I will pray for you to Jesus...

I bless you with LOVE... in the Name of the Father... of the Son... and of the Holy Spirit.. ."

* (Observation - Mark): (I understand that Our Lady is referring here to the Doctrine, which the Holy Church, as a Sacred Institution founded by Our Lord Jesus Christ on the erocha f, which is ePedro f, must keep intact. Christians all over the world hear and obey what Pope John Paul II proclaims, as the Supreme Pontiff of the Church)

Message from Our Lord Jesus Christ

"- LOVE loves you... My Heart (pause) is like waves in the sea, to and fro, seeking souls... seeking love... seeking shelter in hearts...

My children... My Sacred Heart is (pause) the Great Sun of Justice, which will illuminate you... I promise (pause) to all those who venerate My Sacred Heart, on every first Friday of the month, the Graces necessary for a sincere repentance... and also for eternal salvation...

I ask you, Generation!... listen to My WORDS...

Why have you placed in a tomb of cold and icy marble, in oblivion, and in total desolation, My Holy WORD and My Laws?...

Your Generation has become so corrupt that it seeks by all means to erase My WORD, and when this fails, they distort it, changing My Laws as if I were like men... corrupt, fickle and fickle...

My WORD will remain forever!... always!... Always Holy, without blemish, wrinkle, or stain!...

The sinner, who looks at My WORD, will see its blackness reflected in It... If he asks forgiveness, it will become purer than the crystalline waters of the mountains... But he who looks at My WORD, and sees in It his own inner death and does not repent, he will live in a darker house (pause) than his own

spiritual death... and there he will cry for all eternity, without listening to My Voice, and without anyone going to help him...

Hell exists!!! You deny that hell exists, and this is My enemy's great snare! Don't you see that denying that hell exists, you commit everything that is abomination and sin, and in this way (pause) you drag yourself and other creatures into the abyss???...

My people, return to My Heart!... My Heart is filled with Mercy, to give It to each one of you, but you pray little... If it weren't for My MOTHER, worse things have already happened to you for a long time. would have happened...

I will have Mercy on My elect... but first, they must be tested (pause) in the efurnace f of ordeal and suffering...

Who does not suffer, know that it is not Mine...

Who does not cry, will not be comforted by ME...

Whoever is not persecuted will not receive VICTORY from ME... and whoever does not fight, (pause) will not receive the eGovernment f of My Kingdom... at My RETURN...

Behold My so called tonight, beloved: - convert, repent of the evil that you do in secret... and also of those that you do in the open, before My Eyes...

Above all I ask you, more love for My MOTHER, more love for Her Images that are so despised, not only in your Churches, but also in your homes... and more love for ME too, in the Eucharist...

In this way, My Heart will imprint My own Feelings on your souls... and the effects of those Feelings will lead you to know Me (pause) as I AM...

I bless you with the Grace of My Father, with the Grace that comes from Heaven. .. and this Blessing also extends to your relatives, as you return to your homes... in the Name of the Father... of the Son... and of the Holy Spirit..."

Our Lady

"- Little children, I, yours Mother, I ask you: - listen to everything that Jesus asked of you, and spread it loud... very quickly, to all of Brazil...

Stay in Peace... The Lord is calling me!"

Day 07/07/98 * (Cenacle)

"-Beloved children, children of My pleasure!

I give you My Peace...

Know children, that My Upper Room is a true feast, where My GOD is Praised, Adored and Glorified This is also done in Heaven... Therefore, children, I am already preparing you for LOVE, which is the Supreme Gift of GOD...

I ask you to come every seventh day of each month to this My feast. guests! My Immaculate Heart will pour out many Graces on you and your families...

I love you!"

Day 08/07/98

"- Pray the Rosary every day and remain unanimous in prayer!..."

Note: (This Message was given in the Capela das Aparições, at 6:30 pm, at the end of the afternoon prayers. That same day, the seer went to make a Cenacle in a Church of Guarulhos, in Cumbica, in the Parish of Santa Terezinha, and there Our Lady reappeared and transmitted the following Message:)

"- My children, I ask you of this Parish for a greater love, a firmer love for the Rosary, and for My Immaculate Heart...

With the Rosary, you will be able to reach everything that now seems difficult and impossible to you!...

Do not think that it will only be with a day, two or three, of Rosaries, that you will be saved... but it is necessary to pray My Rosary every day!

The Rosaries that I also taught you are very important, because they are incentives, they are stimuli... and they are also, dear children, the complement of the Rosary...

In this way you will sanctify yourselves, and you will be able to help other people to reach closer to GOD...

My Immaculate Heart wants to unite you in this Parish, but I still encounter many obstacles!

I want more prayers from you, so that everything, everything that the Lord has planned is carried out, and so there may be Peace...

I bless everyone who comes with love, who comes with humility, to My Heart

... I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord!..."

Day 09/07/98 Monte - at 18:30hs

"- My children, I LOVE you! I thank you for being here, in front of My Presence...

I ask you, children, to pray in reparation for the sins with which the Sacred Heart of My Son Jesus is offended in the Blessed Sacrament of the Altar ...

I also ask, children, to pray for My children who are sick. I ask you to take Me to them, through My Messages! Speak to them about Me!

And to you, My children, who receive My Son Jesus in your hearts , through the Blessed Sacrament, present in all Masses, you must bring this epresence f of My Son to these little ones f, who are not only sick physically, but also spiritually...

You who are already on the path of faith, have mercy and mercy on these My children, and not only on them, but also on all their brothers and sisters... Be loving and docile to one another, and also to those who do not yet know My Son Jesus!

And for those for whom you still do not have mercy in your hearts, (you cannot forgive) bend your knees, and ask for mercy from My Son Jesus, and it will be poured out in abundance from His Sacred Heart, to make you more pious. .

I LOVE you, I call you!"

Day 07/13/98

"- Dear children, I want to tell you today: - Decide for GOD!!!

You cannot serve and love GOD and, at the same time, the world!!! Only one f choice in their lives should make!!!

I ask you to choose GOD, and GOD will then choose you*...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

* Observation - Mark: (In an excerpt from another Her Message, given on 11/07/98, Our Lady says:

"-... Choose Heaven, just as... Heaven has already chosen you..."

And here She says:

"- . ..choose GOD, and GOD will then choose you..."

(07/13/98)
It might seem like a contradiction, but it is not. In the case of this Message of 07/13/98, it seems to me that Our Lady is referring to the Judgment that GOD will one day make of us, when she says that GOD will choose us. It is that case of the Gospel:

"...For many are the CALLED, and few (but will be) the CHOSEN..." (Mt 20,16; 22,14)

Already in the Message of the day 11/07/98, Our Lady, when saying that Heaven has already chosen us, warns us that we have all been CALLED by Heaven, and in this one of the 13/07/98 She, when saying that we will only be the CHOSEN if we also choose GOD, indicates to us the way of correctly interpreting the quoted passage of the Holy Gospel, and echoes it.

I found it helpful to point this out so that no one would say that there might be contradictions in Our Lady's Messages. On the contrary, they complement each other wonderfully, and reflect the very clear LIGHT of the Holy Gospels. However, Saint Peter already said (II Ped 3,16), that ignorant or little empowered spirits, not understanding the Scriptures, distort its meaning, for their own ruin and condemnation.)

Day 19/07/98

"- My children, I thank you for your prayers and sacrifices... Pray more during these days, especially this end of the month, in preparation for My Birthday (August 5th)...

I bless and love you all, in the Name of Father... of the Son... and of the Holy Spirit..."

Day 22/07/98

"- I love you very much, and I want you all to be with Me in prayer... Praying alone is good, but praying in community is even better!...

I confirm the desire that I have placed in your heart, (referring to if Marcos Tadeu) that you, after Mass, pray together at nine o'clock at night... If the weather is good, here, (in Monte) if not, at one of you's house...

I wish to grant Graces , when you are together in prayer..."

Day 23/07/98

"- My children, I love you all, and I pour out My Graces on all of you...

I wish you to come to the vigil on Saturday night and that pray deeply, because I will touch many hearts all over the world, especially young people...

I will also grant heartfelt repentance to some AIDS patients for their salvation...

May you pray hard that I may accomplish this...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 24/07/98 * Friday (Mount - at 18:30hs)

"- Beloved children, I love you with all My Heart, with all the strength of My

Immaculate Heart, and in this same be strong, children, I send you! Take My Messages to all people!

I will give courage to each one of you, I will pour out many Graces, children, you will see with your own eyes... Trust Me!

I love and bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 25/07/98

"- My dear children, have unlimited trust in My intercession with GOD...

Whatever you want, ask My Heart... It can achieve everything from GOD...

Make this vigil today in Peace, in joy, and in hope..."

Day 07/26/98

"- Dear children, I thank you for the vigil held last night...

As I said, many AIDS patients were touched this morning with the Grace of contrition, and asked God for forgiveness for all the evil they had done in their lives... Many of them died, and the Lord was able to grant them forgiveness and Mercy...

With prayer, you obtained Mercy for them instead of Justice... Some of them will have to purify themselves in purgatory, but they have received the Grace of salvation...

I ask you, little children, to continue with your incessant prayer... This week I would like you to say the Thousand Hail Marys among yourselves and, above all, to try to pray more during the day...

With the prayer of you, anything is possible! LOVE wants nothing but to be reciprocated! May you correspond to the LOVE of GOD and to My LOVE... and may this LOVE, My children, be the reason and the reason for your lives...

I want to build a Cenacle of LOVE in the hearts of each one of you, so that there the Holy Spirit sets HIS Flames of LOVE...

The world was created and born of LOVE... and for LOVE, through Me, it will return...

I bless you in the Name of the Father... of the Son .. and the Holy Spirit...

Be in Peace..."

Day 26/07/98 * Sunday (Monte - at 18:30hs)

"- Beloved children, I give you My Peace!

My desire, children, is that you have joy in your hearts, and that you witness the LOVE of My Son to all people, because LOVE is poured out on you

... hearts in the prayer of the Holy Rosary, and in these Thousand Hail Marys that I asked you, children, with confidence in My Heart, ask for the joy and Peace of your heart. OUR LOVE, from the LOVE of OUR Most Holy, Most Affectionate Hearts! Communion

Day 07/27/98

"- My dear children, only with LOVE will you be able to resemble GOD and say that you are HIS... LOVE will make you more beautiful than the spring flowers when they bloom, and whose colors become indescribable...

May you love more... Only with LOVE your works and what you do will have f...

I want to manifest My desire for the Rosary of this time to be deeper and holier... For this, I want My Messages in the Book to be read between each Mystery. If necessary, start praying earlier, so that you finish the entire Rosary, without ceasing to read My Messages..."

Day 07/28/98

"- My children, I would like all of you, this week, to be able to go to confession, make a general confession of your lives... I would also like today's Mass not to be a Mass attended in any way, but a special Mass... That in the act of contrition of the Mass, you ask for forgiveness from everyone your sins... forgiveness of all your life... and that you promise to GOD that, from today, you will not sin anymore...

May you, My children, try not to sin any more... Not against holiness, not against prayer, not against the Commandments, not against purity, not against the Faith... May you live, from this night on, a new life with GOD...

I ask you, dear children, that you do not increase the Wounds of My Son or the Wounds of My Heart, with your sin...

May you pray more, because during the day you they get distracted by many things, and they don't pray enough... Pray, dear children, so that I can help you

! you, little children, be a perfect prayer of praise to God...

I bless you with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Rest in the Peace of the Lord..."

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 07/31/98

"- I thank the people who prayed yesterday the thousand Hail Marys here, and I ask everyone to continue praying, because the sin of the world has increased...

Pray more!..."

Day 01/08/98

"- My children, you ask yourself: - Why so much prayer?... Go out into the streets and see how few there are who pray... and so many who sin...

Understand, children, that My Heart cannot bear it. see this situation more... The world is getting worse every day...

Pray!... Only GOD can save you now, and only My Heart can give you the strength f to reach the end f, until the end. victory f...

Pray! pray! and pray!...

Stay in the Peace of the Lord..." Obs.: Marcos: (Our Lady spoke about the sixth Secret)

Day 02/08/98

"- Dear children, I thank you to all those who came here today to offer Me this prayer of the Rosary, which I deliver with all the Joy of My Heart to GOD...

I want to tell you, dear children, I love you!!! I love you very much!!!... and as far as it depends on Me, until the last moment that I can, I will be by your side to help you, to strengthen you... to encourage you and not let you fall, but so that keep moving forward... always towards GOD!...

I am with you, and despite your many sufferings wanting to separate you from Me, I am with you... Trust in My Immaculate Heart!!! If you believe that My Heart is and will always be your home f, the e-hope f, from which e-joy springs f, will never leave your heart...

Live the whole day thinking and feeling like this: e- Mary is the my Mother, and Her Heart is my house f by right of Mercy! f

I, dear children, am with you and I protect you from all harm with My Mantle... Many of you sometimes fall into the temptation of doubting My Apparitions here, because you still do not really understand the reason for the My coming to this place f...

I came here to ask for more than a Rosary a day, more than a simple fast, more than simple devotional practices... I came to ask you for conversion and holiness of life!!!

As long as you don't understand that I came here to sanctify you, you will never bear the Fruits of My Messages...

I didn't come here just to talk, but I came here to educate, to form... to make those who are Mine grow in holiness... .

If I were to transmit the Messages only, I would only make one, two or ten Apparitions in the first year, and leave again, although... to Heaven... But if I remain here for so many years, My children, it is because I I want to lead you on the path of holiness f... Have you not understood this yet?

Put it in your hearts and in your minds that I came here to make you Saints!!! This is the reason why I have stuck with you all these years...

I repeat and I repeat... I repeat and I repeat always in the same requests and messages, because you do not advance in the path of holiness... You do not want to grow, you don't want to rise in holiness... (pause) You want the little... you don't want anything... and that's why My Heart feels tortured with anguish....

Everything that has been taught, and is still taught today, must be heard and heard, must be understood and taken as an ORDER, ORDER from Heaven!!!... May you, My children, listen with love to My e-call f.. In

addition to giving the Messages to the world, I come here to make Saints those who are Mine in this world...

My Mission will not be complete until you reach at least the minimum level f that I promised to My Son Jesus

... I bless you with LOVE, in the Name of the Father... of the Son... and of the Holy Spirit...

Rest in the Peace of the Lord..."

Day 02/08/98 at 14:20hs

"- My children, live in LOVE of My Son Jesus!!!...

... I am in your midst... (pause)

You cried out to GOD, and GOD heard... even though you were only three, but you knelt and cried, prayed to GOD, and He heard...

So also cried the Prophets of the Old Testament, of the Holy Scriptures, and GOD heard ...

So I, too, read the Holy Scriptures, and I too bent My knees, I cried out to GOD, and He heard Me... (pause)

My desire, children, is that you be My ARMY!

Imagine, children, if GOD heard his prayers, being you only three here, how many Graces He will not give, if all My children, gathered together, pray together for the same objective! How great graces will God not pour out?...

My Work here seems abandoned... but know that I have already won!!! I have already won!!! (pause) Pray too, and you will win with Me... Trust in My Immaculate Heart, and call your brothers to this battle f...

I need My children to take steps and more steps, as true prayer warriors f, and may they be united!

All My children who have ever been here on this earth f, are My echosen and summoned f to be My eARMY f...

Take this My Message to all My children!

I LOVE you..."

Day 02/08/98 Monte - at 18:30hs

Everything I said here is to help you, to guide you! Welcome everything, children, with your heart! Don't want to see with the eyes of the world f, but see with the eyes of Faith f, with the eyes of your hearts f...

GOD stirs up Faith in your hearts... Trust in LOVE, LOVE can do ALL, children! As I trusted, and surrendered myself entirely to My GOD, trust!

Now is the time to live everything that was said, everything that was taught, and everything that is still taught today! Communion My Son Jesus, He will give you and f...

Behold, I show the way, hear My ecall, hear the ecall of My Son...

Never forget, be warriors of LOVE!

I LOVE you..."

Day 03/08/98

Day 04/08/98

"- Jesus is not known enough, because I'm not known enough...

Make Me known, and everyone will know Jesus..."

Day 05/08/98 Feast of the Nativity of the Most Holy Virgin

Apparition in the Chapel, at 18:30 pm

"- I come today all covered in gold f... Today is My Feast Day!...

The Angels sing, and the Saints in Heaven rejoice! today He rejoices to be able to be with you...

Dear children, pray... pray... pray... My Heart will pray with your hearts...

I bless you in the Name of the Father... of the Son. .. and the Holy Spirit..."

Cenacle on the Mount

"- I want to bless you all today with My Special Blessing, which I only grant on My Feast Days and on special occasions, granted to Me by the Holy Trinity ...

I thank you all for being here on My Birthday... Thank you, dear children! This is a Great Day...

GOD has given Me Thanks to all those who are Mine, and who are consecrated to Me... Today GOD has given Me, as a Birthday gift, whatever I wanted... I then asked the Father to grant Me more Graces to pour out to My children, and above all a Special Blessing...

The Blessing I received from the Father, today I share it with you! This Blessing that you will receive will remain in your bodies for life... With it, you will be able to bless others... With it, you will also be able to transmit to atheists and those who do not believe, this My Blessing... With her, you will be able to bless the sick, and many of them will be cured, but... all with humility and simplicity, silence and a lot of concealment... virtues that are so dear to Me...

The Father today adorned Me with a Glory and Holiness never seen in Paradise... My Birthday is for you a Sign of Hope... your Mother Child, who was born on Earth, is for you a Sign of sure Victory and of firm Hope...

I was born to bring you the Redeemer and Savior Jesus Christ... the only Way that leads to the Father...

I was born to fulfill all the Prophecies of the Old Testament...

I was born to prove to the world that the Mercy of GOD is greater than evil and sin...

I was born to show that the darkness will be subjugated and destroyed by the Light, which is... My Son Jesus!!!...

I was born to inaugurate a new one, a new Land of Hope, which will soon be given to you... in the Triumph of My Immaculate Heart!...

I was born to bring the Message of Hope to the whole world... which is My Son Jesus...

I was born to radiate the splendor of the Holy Trinity throughout the world... which uses Me as a Most Pure Mirror, to reflect HIS LIGHT, in the midst of so much darkness...

Therefore, My children, I, Mary, your Immaculate Mother, leave My call in your hearts, and at the same time, My thanks for coming to My Birthday Feast. ..

Glorify GOD with Me, because HE has allowed Me to stay with you for so long... GOD, full of LOVE and Mercy, could in other ways call you to HIM, but... GOD wanted Me, because I Am the Only Way that leads safely to HIM... In other ways, you run the risk of getting lost in the middle of the road, but... whoever comes through Me will surely arrive at the desired House of the Father...

I bless each one of you, and I wait for you here tomorrow... and the day after tomorrow... and so, My children, listen to My Messages... because I give them to you with My Heart full of LOVE...

I bless you in the Name of the Father ... of the Son... and of the Holy Spirit..."

Day 07/08/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... My Heart rejoices with joy for being here once again, on this very beautiful Day, of My Birthday... (The Feast was extended until this day, so that a greater number of pilgrims could participate and honor Our Lady)

Little children, thank you for bringing the roses... Many sick people will be cured in the Blessing that I will give them. I wish each of you to be a rose in this world without GOD and without love... May each of you fill (pause) with your perfume, this world rotten and already decomposed by sin...

My beloved children, the Rosary is also a symbol of these many roses that you brought... When you pray the Rosary, there are many roses that you give Me (pause) fragrant, beautiful, pure, candid... and I give them, the I show... to My Son Jesus... HE, then, touched by LOVE by Our prayers, yours united to Mine, pours out the Graces of His Heart over the whole Earth...

Little children, I want you to pray many Rosaries, because only through many Rosaries will I be able to save the world... My enemy, the devil, persecutes and makes My true children suffer, those who love Me and sincerely practice true devotion to Me...

Those who fulfill My Messages are hated by the devil, and the devil instigates even those closest to you to despise and humiliate you, for My sake... But the righteous will triumph!!!... My Heart will suddenly invade the entire world, and My Kingdom, which is Jesus' Kingdom of LOVE, will be established throughout the Earth...

I ask you (pause) to believe, as if you were seeing Me... Many today they want to see the Signs, but the greatest Sign Is Myself, the Woman Clothed in the Sun f, which GOD places in Heaven, to overthrow the strength of the dragon. Many signs have already been given to you here, signs to believe you already had in abundance, many of them will still happen, but without warning... The Signs will happen at the right time, to increase your Faith...

I invite you to believe in the True GOD! It was HE who sent Me into the world to say to you: - Pray!... I touched this ground with My Feet and made it Holy so many times, so that you understand that I am with you to sanctify you... My Appearances here were only to give Messages, I would come only five or six times, in the first year, and I would return to Heaven... But if I have stayed with you so long, so many years, it is because I want to lead you on the path of holiness. f, rip out your flaws, transform your people, perfect your virtues...

That's why I stuck to you, little children...

With LOVE, I have tightened a Bond between your hearts and Mine, and I will not be able to stop giving you the Messages, until you reach (pause) the minimum degree of holiness f, required of Me, by the Holy Trinity

... you (pause) seriously meditate on these My Messages... You often remain deaf, and do not want to hear Me, that is why Satan works so much (pause) in you and in your families...

If you live what I ask, soon the the whole world will become a Heaven, already begun on Earth itself... Soon Two Glorious Thrones will rise: - that of My Immaculate Heart, and that of the Sacred Heart of Jesus...

With a Flare f, coming out of OUR Hearts, the dragon will be destroyed, and with him, all his followers, and finally, My children, My descendants f Blessed, those who listen to Me and respond to My Messages, will have Peace. ..

I renew My invitation for you to heed My Messages, because these Apparitions (pause) are the last for all humanity...

My Voice is a sweet song f of comfort (pause) that I emanate into your ears, in order to make you understand, little children, in which direction Heaven is... Heaven (pause) is like a precious treasure f, that you you have to look for it, day and night... A very difficult treasure to find, (pause) the path f has many thorns, many detours, many curves, many false entrances... But when the treasure is found, that soul becomes the richest, the most beautiful of all...

I am the Celestial Mother, the Celestial Conductor, whom the Holy Trinity sends, so that they do not get lost on the f... A person cannot see the way at night, he can fall into precipices at any moment, but... who carries in his hand a great light f, a great torch f, this one is not lost, nor can it fall... I am the LIGHT (pause) that the Lord gives you to clarify the path f, and lead you to HIM ...

Little children, just as the dawn precedes the rising of the Sun, do you not understand that I, being the DAWN of the Great Day of the Lord, am already announcing... and after Me, the Blessed DAY of GOD will come?...

You have many doubts in your heart if My TRIUMPH will really happen before the year two thousand. I say to you, little children, (pause) look in the Scriptures, everything I told you, all the Messages are there, in the Holy Bible... GOD has thus decreed that My Heart will WIN, and before the century ends, you will begin see (pause) this world transform itself into the reflection of the Holy Trinity...

I ask each one of you to renew your fasting... Many became discouraged in the fasting... They started with enthusiasm and joy, but... when they saw that it is difficult, they became discouraged... Little children, without fasting, what strength will you have against Satan? How can I defend you if you do not want to practice fasting, sacrifice and mortification?... Each of you let go of what you

are most attached to...

I am the Immaculate Conception... If you want to bring joy to My Heart, leave sin behind... Then Jesus and I will enter, and we will make OUR home there f... I want your hearts to be a little home in Nazareth f, as Mine, far away, where I am the Lady, and Jesus is the KING, with My Spouse Saint Joseph...

I bless your flowers... Many sick people will be relieved and even cured with the Blessing I give them: - May the Lord bless these flowers, may the Lord return the LIGHT of HIS Gaze to them, may My Son shed His Holy BLOOD on them, may the Spirit (pause) touch them with HIS LIGHT, and I bless them with the POWER and the AUTHORITY of Jesus, in the Name of the Father... of the Son... and of the Holy Spirit...

Listen to what My Son is going to say..."

Message from Our Lord Jesus Christ

"- I AM (pause) speaks to you... My people, My Heart rejoices (pause) for My MOTHER, who today you celebrate and honor with this wonderful Feast...

Don't worry if the devil wanted to disturb your prayer ... My Heart (pause) will always, always win this thief, malefactor and murderer, who comes to steal the souls of ME...

I welcomed the homage paid to My MOTHER, with the presentation of Her Life. (Observation - Marcos : Our Lord IS referring to a theatrical staging of the Life of Our Lady, presented to pilgrims) I thank all those who made it, despite so many sacrifices...

I thank everyone who came, who allowed himself to be seduced and attracted by My Heart. No one comes here f, if My Heart does not attract him... No one comes here f on this Mount, if My Heart does not seduce him... (pause) I chanted your names as a sweet melody f, several times, so that your hearts would hear My call and come here...

As wax melts in fire, My Heart melts in Flames of LOVE and Mercy for you, My people, generation...

Have you not understood yet, My people, that My MOTHER and I are afflicted f, without finding more ways to show OUR LOVE?... We are so enamored f, that we faint without finding ways (pause) to express and give you more f OUR LOVE, (pause) because many are proud, and analyze OUR Messages with their human logic, thus denigrating My Spirit... OUR desire (pause) is that you accept with your heart what We say to you...

These Messages and Apparitions are the last for humanity... When They cease, everything will rush... and woe to those (pause) who are not with US... who are not converted...

To what can I compare them?... Firewood in the blazing fire?...(pause) Bones boiling in the fire?...

Generation... what awaits you is serious, if you do not convert!... My Heart implores f... My Heart cries out f, from the heights, that you return to ME!...

Listen, generation!.. If you give, if you pay attention to OUR Hearts... you will live, and you will find a LIFE that will never be taken from you, not even claimed, because I will give my LIFE for all those, and all those (pause) who give their lives for ME...

I will give My Heart (pause) to all those who give their heart to ME...

I will give (pause) to MYSELF, to those who give themselves to ME...

I bless you in the Name of Father... of the Son... and of the Holy Spirit...

May My Priests present, My Favorites, replicas of My Heart, now receive My Solemn Blessing, and with it, be blessed (pause) those entrusted to them...

Be in Peace..."

Day 08/08 /98

"- My children, thank you for coming back... May this month of August be a month of prayer... Pray as much as possible, and My Heart will always be with you!..."
Day 08/09/98

"- Most of the souls that went to hell were due to attachment to money... May you avoid being disorderly attached to it...

I invite each of you to live the simplicity of children of GOD... Live with this world, without, however, being of it... I wish you to show everyone that the Way to Heaven is simple, pure and straight...

May you rejoice and be content with what you need to live ... Do not wish for things superior to you, wish first of all Heaven! He is the true wealth f that the human heart needs...

May your hearts understand My WORDS through prayer... Pray and put into practice in your lives, every day, this My Message...

I thank everyone who is present... they all give me a lot of joy, and above all, a lot of comfort... comfort, with your prayers...

My Heart is very sad when the world does not accept the WORD of My Son Jesus, but. .. when you pray, My Heart becomes radiant with joy!...

I bless you from the depths of My Heart, in the Name of the Father... of the

Son... and of the Holy Spirit...

Rest in Peace of the Lord..."

Day 15/08/98 Feast of the Assumption of Our Lady

"- Dear children, I wish you to correspond to My Plans...

Contemplate today your Immaculate Mother, raised to Heaven in Body and Soul by POWER of the Holy Trinity...

I am all Pure... all Immaculate... all Holy...

In Me the Holy Trinity reflected all its Glory and POWER this DAY... Raised to Heaven, I opened a Path of Grace and Salvation for all My children who follow Me...

I exhale from My Immaculate Body and Subject to Heaven , a perfume of Paradise, the perfume of the Grace of GOD... of Purity... of LOVE... of Holiness... so that with My eperfume f, I could attract My children along the same Path as Me I opened

to them... Behold Your Mother, Crowned with Twelve Stars... Clothed in the Sun... with the Moon under Her Feet...

Yes, today is the Day of My Great Feast!... The Angels and Saints of Paradise sing!... All of them, in awe, watched Me pass escorted by My Son... until the presence of the Father... All the Saints and Angels praised GOD and glorified Me too, in the Great Possession f of the Eternal Crown... which the Father placed on My Head today...

My children, I ask you, be strong and be firm in holiness ... Just as I suffered in this world, but then received Eternal VICTORY, so will you... if you are patient and loving in suffering... will achieve the joy that will never end... in Eternal Life...

I invite you to lift their eyes to Me, and be filled with LOVE, Trust and Hope...

Pray the Rosary every day, so that each day more flood your souls and your lives with the LIGHT I received from the Holy Trinity...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit.. Come back

here tonight... I will give you one more Message, and also My Special Blessing... which I grant only on the Days of My Great Feasts... I will be here with you!..."

Cenacle on the Mount

"- Thank you to all those who have responded to the appeals I made exactly one year ago, here, in this place f...

Thank you to everyone who continues to come every Saturday, and even every day, to meet Me in this place f.. I

also thank those who left everything to come here... to live here... in this place that was... so cold and so hard of heart...

I thank everyone who has joined their prayers with Mine, so that the Holy Trinity may forgive and still grant Peace to the world...

I say to you, little children, I am the Safe Refuge that GOD gives you in these difficult times f.. .I am the Luminous Star, whose LIGHT never goes out, and... everyone who follows that LIGHT will reach the Father...

In My Immaculate Heart, the Holy Trinity poured the ebalsam f of His Predilection, and My Angels, under My Orders, are now fighting the Good Fight of Faith, in order to lead My Church, the Church of My Son Jesus and all those who are Mine, to the COMPLETE and FINAL VICTORY of GOOD over evil...

I am the radiant Star that the Holy Trinity puts in Heaven, to lead you through the dark night f...without GOD...

From My Glorious Body I exhale a very soft perfume, so that each one of you, feeling it, walk the path of mortification... of LOVE... of GOOD and Grace...

In this world that runs after pleasure unbridled, of all sorts of impurity and immorality, My Most Soft Perfume is given to you, so that you do not let yourself be deceived by the deadly poison f of the dragon...

My dear children, I extend My Hands from Heaven where I am Crowned, to hold your hands and lead you to GOD... If you accept My Hand... if you respond to My Requests... if you feel My Feelings... if you share My Desires and My Goals... .if you fight with Me... My Heart will surely TRIUMPH!... (pause)

I give My Special Blessing to each of you again today, and also to your objects of devotion that are in your hands...

I solemnly bless you with the Blessing that the Most High GOD has bestowed on Me... in the Name of the Father.. of the Son... and of the Holy Spirit...

Wherever these objects are, and wherever you, blessed now by Me, find yourself, there I will be... bearing abundant Graces from My Lord...

Return home in the Peace of GOD, Our Lord...

May the Spirit transform each one of you into a mirror f, where I can reflect My Look... My Smile... My LIGHT... My Graces and My Maternal Traits f ...

Allow me to reflect My Holiness in you, so that, in this world that has lost its way and God's direction, all those My poor children, victims of hatred, sin and evil, looking at you, feel and find, know... Me... and then you can enter the f road that leads to LIFE!...

My little children, may My Blessing remain upon each one of you..."

Day 07/09/ 98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... GOD (pause) sends Me again on this earth to give you My Message...

Understand, dear children, that My Heart (pause) is increasingly afflicted with the situation in the world, especially in Brazil... Brazil has sinned a lot, so it will be free from wars and conflicts, but not can be free from the physical punishments of nature, which will happen if you do not convert...

In so many places and for so long, I have been inviting Brazil to conversion, but you don't want to understand... I invite each of you, to reflect on the seriousness of My Presence here, and of My Requests... May My Requests be welcomed and answered, throughout this immense Land of Santa Cruz...

In Brazil, the Faith... little by little, is disappearing. .. Empty Churches, Abandoned Tabernacles, Profaned Masses; sects growing, violence and hatred erupting from all sides...yes, this is Brazil...

Convert yourselves... Return to GOD... Don't offend GOD, Our Lord, who is already offended too much...

If all of Brazil (pause) begins a great journey of prayer, reparation, and intercession , GOD will do so many miracles in Brazil, that he will soon be known as the eTerra da Graça f... but for that, you need to pray... pray the Rosary every day!

... ecounts f to close the Great Rosary of My Immaculate Heart, which I have woven, during all these years, about Brazil... When these last ecounts f (pause) are completed, My Mission will then have ended... them for the Glorious Return of My Son Jesus... who comes to you in Glory...

Soon, the TRIUMPH of My Immaculate Heart will take place!...

Brazil will be the Earth, where I want to cultivate My favorite Garden... for that, pray... I wish that My Heart becomes loved, known and venerated throughout Brazil!...

I promise the family to have an Image Mine, with the Heart in the Chest, at home... this family will have My Protection, and My Presence...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation... with LOVE, (pause) with tenderness, (pause) and even, and lost in LOVE, I come to you, Generation...

My Heart, every day, is more and more (pause) And bound and bound to you...

O Generation! I have called (pause) and I have announced My IMMINENT RETURN to all, to all hearts... both those of good will and sinners alike...

Know, oh Generation!... oh My children!... that I take care of each one, I am jealous of each one, and when I see you (pause) leaning f towards the world... and sliding f towards the nets of sin!... My Heart feels betrayed, rejected, put (pause) in contempt for you...

Generation, My Heart cries out with a loud voice: - Come to ME!... Come back to ME !... that I can heal you, that I can clean you, that I can restore you to life!...

Like a leper, lying in the garbage and dust on the ground... I have found you, generation.. Oh! If you only knew the LOVE I have for you!... Ah! if you only knew how much tenderness (pause) I deposit, and I put it in you...

Generation... while you have nailed My Hands to the Cross (pause) of the suffering, the anguish I feel, for every sin done and committed!... My Hands, (pause) reach out to you, generation!... to lift you up!... and to save you...

While you try to nail My Feet, I have ME, coming from all corners of the world!... to meet you, generation...

While (pause) you have been trying to silence My Voice, which desperately cries out for and My Little Prophets f!... have I, unceasingly pronounced Blessings upon you...

O Generation, how My LOVE is reciprocated with ingratitude...

Generation!... Oh, if only you had listened to My MOTHER, in the Cova da Iria of Fátima!... If you had listened to My MOTHER's appeal, in Lourdes!... O generation, you would certainly not have fallen so low, (pause) nor ingested so much poison f, that the serpent gave you, disguised as a wine f of pleasures and joys...

If you had listened to My MOTHER's urgent appeal, in La Salette... if you had heard what My MOTHER wants of you, here in these Apparitions, certainly, that at least your land, Brazil, would already be a Living Tabernacle, like altars where I could perform My wonders f... But, as long as you do not listen to Me, Generation, your land will be only pain... and loneliness...

Hear ME!... Answer ME!... Listen to ME, generation!!!

Little... little is the time that the FATHER has granted (pause) so that ME and My MOTHER can talk to you... Listen to ME, Generation... Listen to ME, Generation!... Believe ME, Generation...

To you I offer My Hands (pause) and My Heart, as support and safe shelter, and I leave you My Blessings... in the Name of the Father... Son... and Holy Spirit... (pause) Stay... in My Peace..."

"- My dear children, pray the Rosary every day and love!... May LOVE be the center of your lives!... LOVE (that is, GOD) is not loved..."

Day 10/09 /98 Rosario Luminoso

nocturnal , with candles, on Mount "- Say a thousand Hail Marys every day for the next week. Don't travel, don't go out, don't do anything... just pray ... each Mystery the Prayer and Augusta Queen of Angels f... It would be very good too,

to join the Chaplet of Triumph and the Chaplet of Tears of Blood, during all these days... they are powerful weapons f in the fight against satan..."

(Observation - Marcos): (There were some entrepreneurs in the food business, intending to buy some land very close, almost inside the Cenacle, in Monte, with the objective of building a Great Restaurant for the Pilgrims of Nossa Senhora

. : This is a Mini-Aparecida, and just imagine, having a Restaurant at the door of the Basilica! When we found out, the negotiations were already very advanced, and everything seemed inevitable. It was then that I asked Our Lady what to do with this This was such an urgent request, and She told me that we would get everything through prayer.

So I asked Her if She could teach us any prayer that would be really effective for such an apparently insoluble problem. It was then that She kindly gave us the above Message.

In fact, the profane intentions of Our Lady's enemies were not realized. The Mount remains intact, and its attempt has miraculously failed. Apparently for no reason, both the owners gave up on selling, and the Entrepreneurs also decided to abandon the idea, for which they had already moved worlds and funds.

Here is proof that with prayer, everything is possible, even what already seemed a fait accompli.)

Day 10/09/98 Monte - Thursday - at 22:00h

"- My children, convert... convert Yourself...

My presence here on this Mount is strong... and My desire is that you pray a lot, do fasting and penance!

Remember, children, GOD empowers you, through prayer, to live My Messages.. I ask you to trust in My Immaculate Heart, and pray... pray!

I leave the Flame of LOVE of My Heart in each of you..."

I thank you immensely... continue to pray always together! I leave My LOVE for you..."

Day 09/12/98 * Monte - at 18:30hs

Novena of a Thousand Hail Marys

"-My children, continue to pray...

Come to this Mount full of Faith, and have a meek and humble heart always... By doing so, you will be Glorifying GOD with your lives!

I place, at this moment, a spiritual third f in each one who is here today, as a sign of unity and prayer... a sign of God's Will, so that you pray with LOVE and unity among you...

I leave My Peace in your hearts..."

Day 13/09/98 * Monte - at 18:30hs

Novena of a Thousand Hail Marys

"- My little ones f, with LOVE, I leave My Peace... Ask GOD for the transformation of your hearts. .. the Lord wants to transform your hearts into ebaredas f of LOVE!

Dedicate yourself to prayer, and ask God for mercy in your lives...

Thank you for being here once again, tonight, to continue this novena... continue to pray!

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 9/15/98

Our Lady:"- Punishment is approaching... Bodies of people will explode in the air... Pray!... My Heart is more and more distressed...

Mark: "- Will we be forgiven?"

Our Lady:"- Yes, as long as they pray and fight the sin of impurity everywhere..."

Observation - Marcos: (At the request of some young people, I asked Our Lady about praying without being properly dressed, in her own room, only shorts or

shorts, at bedtime, whether or not it was wrong. She replied:)

"- When I and My Son Jesus were on Earth, we never addressed God the Father without being properly dressed...

When a soul goes to pray to GOD, it is not only the soul that must be prepared to speak with Him, but also the body... Their bodies are eTemples of the Holy Spirit f, therefore, worthy of respect... Respect the their bodies, and always wear them clothed with holiness...

When man had not yet sinned against God, he could walk freely, as God had created him, but after original sin, man's body became stained by Eyes of GOD, so it became a shame and an affront to the Eyes of GOD, to present oneself before HIM without being dressed...

Even after the death of my Son on the Cross, and the ransom with which he saved each one of you, men continued to wear clothes, and even in Heaven, the souls of the righteous all wear tunics, because nothing soiled can enter Heaven...

Of course, GOD knows you just as you are, but all of you must be properly dressed like Me, to present yourself before GOD..."

Day 09/16/98

"- Dear children, I wish that you come back tomorrow, and pray the Thousand Hail Marys with the double f of fervor and faith with which you prayed them today..."

Day 09/17/98

Observation - Marcos: (This was a very long Apparition, in which Our Lady addressed several subjects, however, some of these themes were omitted in the present edition, for reasons of caution and prudence; however, they will have to be approached in the future, after the Triumph of the Immaculate Heart of Our Lady)

About how to confess

"- It is very simple... take My Requests and put them all in order, on a sheet... My Requests that you are not fulfilling, mark them with a sign.

Be very honest with yourself, and mark all My Requests that you don't live. For example: - fasting twice a week... if you're not doing it, be sincere, and mark it with a sign. .. Upon arriving at Confession, confess all those Requests of Mine that you do not live..."

About future Pilgrimages, he said:

"- I really said that only one third of humanity will remain... but there will be

millions of people who will look for Me here, after My Triumph!

In fact, people from all over the world, those who survive , will come here and pray here, to My Immaculate Heart... and

Here f, I will be glorified by all Nations..."

Regarding the Sign of the Cross of the Mount

"- Everything is conditioned to prayer... value the Grace that GOD has given you, if you rebel and revolt against the Will of GOD, even this Sign will be canceled for you...

Everything is conditional on prayer... if there is no prayer and fasting insofar as I wish, the Graces will be cancelled, and GOD will turn against you..."

Regarding the Miraculous Fountain promised in previous years

"... It has already been said in a Message: - e I don't know if the people here deserve such a Grace... f Here there is not the same prayer and the same penance that there is in others places where I appear...

But, nevertheless, it is even good that it remain so, so that what happened does not happen (...) and in other places, where people only go after the ewater that heals f, but not they will seek prayer and not even the conversion of their sins... Maybe it's better that it stays that way..."

Regarding the Annual Apparition, the same date remains

"- Yes, it continues on February 7th."

What to do to convert ourselves more

"- The answer is in My Messages... Read My Messages, which I have given all these years, and you will understand what I want from you...

You do not read the Messages, so you live in constant confusion day-to-day. your day... Read My Messages, and you will understand everything!..."

His wish on the people present

"- May you come back here tomorrow, to continue this Novena... GOD is pleased with your prayers ..."

Observation Mark: (Now follows the Message given on the same day, in the evening, during the prayer of the Luminous Rosary, with candles and a small Procession through the Mount of Apparitions. Before giving the public Message, Our Lady showed me the realization of the Fourth Secret.)

Our Lady:"- GOD is good, but he is also just... Because humanity sins without

ceasing against GOD, and because humanity offends GOD, this will happen..."

Mark: "- And we, what should we do ?"

Our Lady:"- The only thing that can be done: Prayer and penance...

Mark: "- And with that, can it be reduced?"

Our Lady:"- Some punishments cannot be avoided, however, they can be mitigated with your prayers. If you pray, maybe GOD will lessen the punishment...

When you come here to pray, know that this place is a place of Prayer and Penance f... Don't run away from the hot sun, but offer the sun as a penance to GOD.. .

Also offer many ascents to this Mount to pray... May this place be a Place of Prayer f!... Even if you don't climb it doing penance, just the fact that you pray up here, to GOD, already will be accepted as a penance..."

Day 09/18/98

"- You prayed discouraged and distracted, but... the prayer had value, because I am here, in the midst of you

... what you have worked for today..."

Day 09/19/98

"- I wish everyone to go to the Chapel at night, to pray before My Image... I hope you all there..."

Day 09/19/98 * in the Little Chapel

Day of Our Lady of La Salette

"- My little ones f, I am the Mother who cries for My children... (pause)

Today I seek hearts that truly desire conversion... therefore, pray for their conversions... These hearts rejoice God, My Immaculate Heart, and My Son Jesus...

I ask you to practice the virtues of Faith , of LOVE and Holiness, and that you pray every day with this intention! Do not pray only for your conversions, but also for the conversions of My children who are far from My Immaculate Heart...

Trust My Immaculate Heart! (pause)

Children, heed My messagesf, My requests, and truly desire your conversions ...

I leave a Blessing on every heart that is here today... I leave My Peace and My LOVE...

I LOVE you!... I call you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

@

At night, in the Chapel

"- Thank you, My children, to everyone who came... Come always, and pray for the conversion of those who do not believe in GOD...

GOD is being patient with you... and HE is sparing you as much as HE can, but... understand, My children: and-because HE is GOD of Justice, HE will purify the world... sin shall be extirpated from this world, and this purification will be through pain and suffering...

I invite all of you to lift your trusting eyes to Me, who come from Heaven, as a Great Anchor of Salvation, so that all those who cling to Me, don't get lost...

My children, if you join your prayers with Me, and if together We appear before GOD, HE will surely... will surely forgive and convert many people, because there is still some time...

Understand that I need your prayers, and I need that you listen to Me, that you know My Pain...

I promise to all those who make the desire in their hearts to make amends to My Heart, and to alleviate My Sufferings, I promise to transmit to them the Pains of My Immaculate Heart, to may they feel with Me, suffer with Me, and make reparation with Me...

Despite everything, I say to your hearts: - Peace to your hearts!... Peace to

your hearts, full of fear and suffering!... Peace to all hearts that want GOOD !...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 22/09/98

"- Keep on praying... Satan is losing his power, day after day... Believe and trust in the strength of prayers..."

Day 24/09/98

Luminous Rosary on the Mount of Apparitions

"- Dear children, continue to come always at this time, on this day of the week (Thursday), to pray here at the foot of the Cross...

They also go to the Chapel every Saturday, to wait with prayer for the Apparition that takes place at this same time (10:30 pm) , every Saturday...

I also want to ask you for one more sacrifice: - that of the Way of the Cross every Friday, at nine o'clock at night, on this Mount... The devil flees from where the Way of the Cross is prayed with LOVE... Hard hearts will soften when contemplating the Pain of My Heart and of My Son Jesus Christ..."

Marcos: "- My Lady, many people criticize me and attack me for this Apparition not having as many Signs as others, and many people say that if there is not a Great Sign, they will not believe, and others who believed before, will not continue to believe due to so many gossip and lies that go around, for example, that the Apparitions ended in May 1997, and that I keep making everything up..."

Our Lady:"- I will give the Signs, but not according to the will of the men, but according to the Will of the Father...

Who is the man to demand a Great Sign from GOD???

What greater Sign can be given to you, since the Greatest Sign is already being given to you

??? the Great Sign of GOD!!!... and those who do not accept this Great Sign will be condemned by this Great Sign...

I am the Great Sign of GOD, who appears on Earth, with My Messages and Tears , what happened here*... Sign..."

(*) The Image of Our Lady, Queen and Messenger of Peace, wept on June 7, 1996 and December 24, 1997, in the presence of hundreds of eyewitnesses

Observation: This day was the inauguration and blessing of the Oratory of São Miguel Arcanjo. Our Lady granted Marcos Tadeu the Grace of Heavenly Communion and spoke about the Sixth Secret.

Day 29/09/98 * at 23:00hs

Day of the Saints Archangels

Monte - Oratory of Saint Michael the Archangel

"- My children, be true with yourselves and with GOD... You must pray with the heart!

There are prayers that are often invalid, because they do not come from the interior of the heart... where there is neither humility nor purity... in these hearts...

My children, when you need help and ask someone for help, then this request is done with depth, and it comes from the depths of the heart, so too, you must ask (pray) with the same depth and with confidence...

I ask you: - pray more and with the heart, when you are in front of the Chapel of São Miguel , and He will immediately help you...

So you must also ask Me, before My Altar... and also before Jesus in the Blessed Sacrament... but always ask with purity and sincerity of heart...

Children, OUR Hearts (that of Jesus and Mary) are Pure and Humble, and your prayers often do not reach US... so be true to yourselves, and beg the Holy Spirit for these necessary virtues in prayer: - virtue of humility, piety, and purity of heart...

Trust in My Immaculate Heart!..."

Day 09/30/98

10/07/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children... (pause) I thank you for coming today, despite the bad weather, and all the difficulties you encountered on the way...

You saw the Sign that I showed you in heaven during this Upper Room... Signs to believe you have in abundance, (pause) but... your hearts are still so hard... and many, don't want to take it seriously, My WORDS...

Many of you don't have daily conversion, you don't seek perfection, nor pull out your dominant defects... Many of you conform to the situation and the personal addictions (pause) that you have in your soul.. My children ,

when you read My Messages, you must try to live them, and change your lives... If you do not change your lives, and the person of each one of you, you will not be able (pause) to reach the Kingdom of GOD...

My children, conversion!!!... Sincere conversion is what I ask... I have been repeating here in this city for almost eight years the same appeal, (pause) but you do not convert... (pause) Convert- if... Convert...

In secret, you sin and offend GOD (pause) with words, with deeds; with thoughts... Malice has corroded your souls like a fatal cancer... Lies, falsehood, corruption, rule society, your world...

My children, in order to obtain the TRIUMPH of OUR Two United Hearts, I ask that you all make, this October, urgently, the family consecration to My Heart and the Heart of Jesus, before OUR Images enthroned in your homes... I promise , to the family that prays the Rosary, before My Heart and the Heart of Jesus, the Grace to love, to repair, the Grace of union and salvation...

I invite you all to keep your eyes open, with the lamp f of the your prayers lit,

(pause) and in constant vigil, because the events foretold f (pause) are coming...

GOD has the POWER to make all that He foretold happen... (pause) Just as HE had the POWER to suddenly shine this Heavenly Light that you saw in the sky today, and also to make it disappear in an instant, GOD can make all the SECRETS and events f foreshadowed by Me (pause) happen in the world today...

I invite you to read My Messages again, from Lourdes and Fatima until now... and if the people convert , GOD will forgive them, but... if the world does not convert, horrible punishments, never seen before, will fall on the world...

Therefore, you, My faithful little remnant, chosen and loved fold, which I jealously guard My Mother in My Immaculate Heart... you will have Peace and protection within My Immaculate Heart... but, pray!!!... Don't talk about prayer, don't talk about prayer... but pray!... When you all pray, everyone will receive salvation... My Immaculate Heart will be your refuge and the path that will lead you (pause) to GOD. ..

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- I AM... speak to you!!!... Beloved generation, My Heart (pause) has drawn you close to Me!... Come to Me all those who are burdened, persecuted and despised by this world, which has moved away from My Heart...

O Generation, rejoice, rejoice greatly, because the Day of Prophecies is approaching... You will see a Light shining in the sky a hundred times stronger than the one you saw today (pause) over this place!...

The My Heart, with Mighty Rays, will overthrow My proud enemy and, with him, will be swept from My Presence and from My Mother's Eyes... from the Presence of My Mother's Eyes... all those who do evil, and lie... those who are friends of corruption, brothers of prostitution... and those who are teachers f of falsehood...

My Heart, with a Strong Shout, will give order to My Angels, and They will play in the elago of fire and brimstone f, all those who did not want to hear My Voice!...

My MOTHER, which is a very faithful servant, went out into the world, through all roads, cities and nations, inviting men to conversion... but what did they do to Her?... They made

fun of her! They despised her! They put Her aside...

They denied Her Apparitions and Her Tears, made by My POWER!!!

They played elama f in her name!!!

They silenced the voice of OUR Instruments!!!... and plunged the most Painful Sword into My MOTHER's Heart!!!... that of ingratitude... (pause)

My Mercy is great, but Mine is not less Justice!...and I will come to demand accounts and satisfaction from all those who persecuted and tortured My MOTHER, with their contempt...

I will say to them: - Go cursed, to the eternal fire f!... you did not know how to hear the Voice of GOD, which cried in the desert: - convert!!!... (pause)

To the darkness!!!. .. There (pause) is your place!!!... and never again call (pause) by My Name, nor beg My Presence...

But to those who listened to My MOTHER and who fulfilled OUR Requests, I will say to you: - Come, O chosen ones of Heaven!... come to enchant the stars with the brightness of your souls!!!... Come to fascinate the Sun (pause) with the Glory that is prepared for you, in the Kingdom of My Father!...

I AM... I confirm all this, and I say to you: - Rejoice, generation!... your Spouse returns, and returns (pause) very quickly...

Peace be with you all, with you all... I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Continue to come to this place of Grace f!... Miracles and Conversions will continue to be done in all of you..."

beg you to return to prayer, and to do during the month of October, the same thing you did in September at My Request. .. that every day, that every afternoon, there is prayer here...

I wish you to continue with this Perpetual Novena of a thousand prayers... In this way, My Heart will be able to obtain My TRIUMPH in the world... Otherwise, it will result in the abandonment of you by God, and then Satan will place himself with all the force against your lives... I

"- Dear children, today is the day you celebrate Me as the Mother and Queen of Brazil... I come to bring a Message from the Most High GOD to all My Brazilian children: e- Pray... Pray... Pray.. f

The Catholic Faith, in Brazil, is in great danger... Peace is threatened... the sects grow... while your prayers are decreasing more and more...

You no longer pray with fervor.... you no longer participate in Mass with humility and devotion... You go to Mass only out of habit, and from time to time... With this, My enemy, Satan, has managed to drag many souls away from GOD, towards evil, towards sin... It is necessary that an eGreat Force of Prayer f arise from all over Brazil, to stop the lack of Faith that spreads... every day more ...

The Peace of Brazil is also threatened... Violence erupts from all sides...

murders, robberies, kidnappings... every day more attempts are made against the life of others, and against their property. It is necessary that you, who were baptized in the Catholic Faith, and who are My beloved children, the children of GOD, pray at least three hours a day, so that Brazil finds conversion and Peace...

My beloved children, I love Brazil, and I don't want Brazil to perish in sin... That's why I have come so many times, and appeared in so many cities in your country, to invite you to prayer and to return to GOD.. If you fulfill My Requests, Brazil will have Peace...

I have faithfully fulfilled My Mission of "Mother of Brazil"... but you have not fulfilled your mission as children with fidelity... therefore, if you love Me... and if you love My Son, pray the Rosary every day and make sacrifices for the conversion of sinners, as I have asked you...

I love you all, and today I extend My Heart and My Mantle to keep within it, all Brazilian families... Soon, My Immaculate Heart will also TRIUMPH in Brazil, and Peace will return to this Earth, which from the beginning was consecrated to Me...

I will crush all the evil that was sown and that was planted in this Country, and here My Immaculate Heart will SHINE like nowhere else, and will show His Mercies... Very soon, Brazil will be called the eLand of the Immaculate Heart of Mary f...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/07/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My dear children, with LOVE I come again today, to beg you for the conversion, the conversion that My Lord desires, the conversion that GOD wants from each one of you...

My children, believe firmly in My WORDS:

GOD IS JUST!!!...

GOD IS Omnipotent!!!...

GOD IS Almighty... Lord of Time and Space!!!...

Just, Holy, Most High, Most Worthy, Most Powerful!!!... and HE will execute all Plans (pause) that I have revealed

to you... I count on your prayers... I await your prayers, so that the desires of My Heart (pause) and of the Sacred Heart of My Son Jesus, may be fulfilled in the world all...

In many of you who are here, the Projects that I myself and My Son Jesus have made for you are being carried out, but... your conversion is still necessary... a deep, interior conversion, voluntary, personal... What you pray

and do is still not enough... more is needed, due to the urgency of this situation, of so many souls who are in danger of condemning themselves, daily...

I beg all of you (pause) to pray without rest!... Even in your work, always say: - Jesus and Mary, I love you, save souls... or even: - Heart of Jesus and Mary, save souls and have mercy on us!... In this way, I will be able to visit and intervene in the lives of many of My poor children, and with the Grace of God, lead them back to the FATHER... to the FATHER in Heaven !... to the Most High... who is grieved at the loss of so many of HIS children...

The Most High created you, not to be condemned, but to be saved!... Unfortunately, many of you decide your fate eternal, preferring satan and the pleasures of this world, than God... (started to cry)

...My children, this year is already coming to an end... With the end of this time, My Messages are now (pause) more filled with LOVE, but also with grief... because I see that My Messages are hidden or detained, so that the world does not know My Messages, and cannot convert...

I ask you (pause) to become apostles and missionaries of My Messages... Whenever you can, go out (pause) to other places, spreading My Messages... Make Cenacles and prayer groups, reading and announcing My Messages to all the ways they go... Many feet that served Me and carried My Messages to many places... got tired or stumbled... I need new feet!... new messengers!... new little children Mine, to carry My Messages with courage... with love... to all My children...

The designs of the Most High (pause) are Righteous and Holy!... and they will come to pass... the Will of GOD... You already have many Messages!... many Signs given here!... many Graces (pause) and reasons to believe, live and spread My Messages...

Everything... everything that is within the reach of My Heart, I am doing it for you... Therefore, little children, convert soon!... When you know the content of the SECRETS, and of the Messages that the Lord still keeps (pause) under the veil of secret, it will be too late... I don't want to see you crying... so change your lives now!... Choose Heaven, just as... Heaven has already chosen you...

I invite you all to pray the Rosary, and those who can be more generous, to pray more than one Rosary a day, so that My Immaculate Heart TRIUMPH in the Church... suffered, persecuted... in the Catholic Church, in the Church of My Son Jesus!... which has been obscured, (pause) which has been divided... by those who have no Faith, by those who have neither prayer nor love... So that My Heart may also TRIUMPH in this world of hatred and sin, and may the Sun (pause) of Salvation, of Mercy, shine as soon as possible for all of you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit.. ."

Message from Our Lord Jesus Christ

"- My lambs... beloved and anointed fold of My Sacred Heart! I AM... speaks to you: - Come to My Heart, with sincerity, and I and My Mother will not separate you...

With Mercy, generation, I have come to you, to heal your wounds... Like a man robbed by thieves, beaten and left half-dead in the middle, I meet you, O generation... I have been the Good Samaritan, the DIVINE Samaritan, the Good Shepherd, the Good Comforter of all your wounds... I heal

your wounds, relieve your pain as much as I can, but... when I come to show you My Heart (pause) scourged and wounded by so many sins of the world, wanting reparation, wanting love!... you put gall in My Wounds...

You have been ungrateful to ME, generation!... While I pour the balm on you, you only give ME the gall of your wickedness, of your unbelief, of your disobedience to everything I have said to you...

Generation... My Heart holds My Father's ARM... When I show You My Wounds, the Father gives up exercising HIS Wrath, HIS JUSTICE, which is Just and Holy... But generation, the time comes, when My flock is all inside My Sheep, which is the Immaculate Heart of My Holy Mother, and when I close the Door of the Sheep... the sheep that wanted to mix with the goats, will cry: - Lord, open to me the door! and I will say: I do not know you! because they didn't walk with ME where I walked, and they didn't do what I did myself...

If you want to be of the sheep of the fold, which will be guarded by Me, love... do good to all... forgive offenses... carry My WORD, by life and by example, to all those who are under a hard tombstone...(that is, those who are spiritually dead) over those who are already dead and decomposed in their souls...

But be careful!... Pray, watch always!...If anywhere do not want to welcome what you announce in My Name, leave that place so that My JUSTICE can take care of it, and go to another (pause) that has not yet heard My Voice, to announce My wonders...

Just like the lightning, which goes from one side of the sky to the other, suddenly, so will be (pause) the unfolding of My Holy JUSTICE... so will be the Imminent, Glorious TRIUMPH of OUR TWO United Hearts...

As well as the wind blows suddenly, you don't know where it comes from, nor where it goes, so will be the TRIUMPH of OUR TWO Hearts... You will not know if it will come from the right or the left, from the north or from the south, from the east or from the west... When you least expect it, My Heart, and that of My MOTHER, WILL WIN...

Happy are those whom I find under My Mother's Hands and Mantle...

Happy are those who already have their name engraved on Her Immaculate Heart, because they will receive such Glory, and they will deserve the Grace of being the Court of Honor of My Mother, who is the Queen of all Angels and

Saints...

Generation... I love you!... I love you, generation!... Come back, come, follow Me!... and I will make you the heaven (pause) of My Sacred Heart, My sealed garden, My source... of whose waters, of whose delights I will taste... Come, generation, and I will make you (pause) a pupil of My Eyes, and fiber... of the most intimate of My Heart!...

Come, generation , and I will make you... and I will make you a part of ME...

Come, generation, and I will make you the light of My LIGHT, the blessing of My Blessing, and the grace of My Grace...

I bless you, in the Name of Father... of the Son... and of the Holy Spirit...

I love you... come back always, so that we can continue the conversion of each one of you... (pause)

Peace!..."

Day 11/08/98

"- Dear children, I thank you for the love and prayer this afternoon... Yes, this afternoon you loved Me... Prayer is LOVE that ascends to Heaven...

I ask you to continue with the prayers and novenas already started.. ."

Observation - Marcos : (Here, Our Lady continues the dialogue only with me, as always happens, in practically all the Apparitions, and this part seemed to be Our Lady's pleasure to also put it in Her Book, making it public)

"- Marcos, I bring you great joy, great news from Heaven: - Many people who were here yesterday were converted as GOD wanted, and as My Heart expected... I used prayers to touch and convert many hearts that were here yesterday... Rejoice in that!...

The Saints, whom you spoke about yesterday, send you... a Blessing and Their Protection, and They thank you... for what you did yesterday..."

Day 11/09/98

"- My children, continue to pray... Prayer!... Prayer!... Prayer!... is the great desire of My Maternal Heart... With prayer, the ecurrents that bind you will fall, and then you will be able to follow, each highest day, on the way to holiness...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/10/98

"- Continue to pray the Rosary daily, continue with the novenas started... Many

have despised the prayer of the novenas and do not participate in them, and this constitutes a sin, because it is a refusal to the Request I made..

I ask everyone to return to prayer!... Now is not the time to think about other things, nor to waste the day... it is time for prayer!... Leave useless things and return to prayer..."

Day 11/11/98

"- I continue to ask you to pray, and continue to persevere in the novenas already requested... I also invite you to offer personal sacrifices, together with prayer...

Take the Book of My Messages, and begin to reread them all, and transform them into life... May your life be a witness to the LOVE and Presence of GOD...

I ask you to refrain from judging, from criticizing others... Occupy your lips and your time with the things of God, and the tempter will depart from you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/14/98

"- Dear children, today is Saturday, the day that the Church consecrates to My Maternal Heart...

Contemplate My Sorrows, and through Them, try to draw strength and breath into your life. f to continue your daily conversion...

I ask you to deepen your Faith... There will be times when your Faith will be darkened... Therefore, I need each of you to firm your Faith in the WORD of GOD, and above all, in GOD himself, who IS LOVE... May your Faith, may your Peace be GOD...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition , at 10:30 pm, in the Chapel

"- I love you, dear children, and I bless you as a Mother... As every Mother holds the hands of her little child, to teach him to walk, so that he does not stumble and fall, so I have also guided you by the hands... Let yourself be guided and led by Me!... Trust that I know the way f, and that I will never abandon you...

Reject all the evil in the world... Men have undertaken many things, they have done and acquired many things, but... without GOD...

I ask you to turn your heart to GOD, and to heed the Voice of My Supplications... I ask you to pray the Rosary with humility and total trust in Me !...

I will fulfill My promises!... My Mother's LOVE has never deceived anyone... (pause)

I will come!!!...Before you know it, I will come...not because you are good or love Me, but...because I LOVE you...(pause)

I will!!!... and when I come, everything, everything will be transformed!...(pause)

I bless you in the Name of the Most Holy Trinity... Father... Son... and Holy Spirit..."

Day 11/15/98

Message given during the afternoon of Prayer,

on the Mount of Apparitions

"- Look at the sun, and you will see My sign... I am in your midst!... (here the Sun Sign occurred)

Dear children, I am with you ... Believe it!!!... Pray, during this night intensely, especially at Mass... Continue to offer it for My Intentions..."

Message at the end of the closing Mass of the Prayers,

prayed in the Chapel of the Apparitions

"- Dear children, I thank you for being here with Me, here... in this Mass...

I ask you, dear children, to seek holiness... Holiness is the treasure f, the precious pearl f , for which you must sacrifice everything, leave everything, in order to possess it... This is the most precious pearl in the entire universe in the Eyes of GOD... Whoever has it, has everything!...

I ask you to strive to reach the Bliss of Heaven... In the hustle of each one's day-to-day life, you no longer have time to think about Heaven, and that is why there are many, many of those.. .. many of you, who think that you will live forever in this world... Terrible illusion!!!... This world passes like a night f, and then comes the day f... Therefore, little children, I invite you to meditate how quickly your years go by here on Earth, compared to those, with that time... that you will live with GOD in the next LIFE...

I don't want the condemnation of any of you, that's why GOD sent me to this world, to ask you: - Pray!... Convert!... Confess!... Fast!... Be simple! and humble, be good to everyone... be kind to the sick, and to those who suffer.... GOD will not forget any act of kindness from you, and he will reward you for everything, but... reason that leads them to do good for others... May the reason for your charity and kindness be LOVE, be GOD...

I ask you without ceasing to pray the Rosary... My eyes do not close for an instant , they are open all day, around the clock, to watch over them, to protect them, to accompany them...

I intercede without ceasing, together with GOD, for each one of you, but... if you do not pray, I will be able to do nothing to help you... GOD helps, but to the heart that opens... GOD does not force, GOD asks you to open your heart... If you open your heart to Me, I will completely transform you into servants of the LIGHT, and where you pass, you will destroy the darkness, and the LIGHT will remain...

My children, shine this world in darkness. , with the LIGHT of GOD... Don't be afraid of anything, don't be afraid of anyone or anything... I am with you!... and My Immaculate Heart watches over your lives, day and night...

With My Hands , who emanate the Perfume of God, the Perfume of Heaven, I heal your wounds, I pour balm and comfort in your sorrows, and I lead you all to the God of Salvation and Peace...

I have been appearing in this city for so many years to invite you to sincere conversion, to conversion to GOD... Enjoy My Messages, dear children!... Be as close to Me as possible, through prayer, and let yourself be guided by Me , that I know the path f that will lead you to Holiness...

Don't worry about your sufferings or trials... The little birds don't worry about what they're going to eat, and yet, GOD makes them find their food every days... Day 12/07/98 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children.. .(pause) I am the Immaculate Conception... the Mother of Grace, Mother of Jesus, of the Church, and of the whole world...

I am with you once again to ask you: - Persevere in living the Messages!... My children, do not argue with others about My Messages... Words are only useful for those who do not obey!... your life, transform yourselves into models of holiness, and then those who want to understand and welcome My Message will be able to do so...

I want to make you crystalline mirrors f, where I can reflect My Immaculate Heart so that My LIGHT may shine in this world (pause) shrouded in darkness, but... when I succeed in purifying your hearts, you immediately throw new mud on it, staining it... Heaven is already overloaded with sacrileges and sins, (pause) that rise every day, to the epresence f... to the Eyes of the Most High...

I come to ask you today, to transform the entire month of December that you are living, into a Month of Reparation... Every day ask the Lord for forgiveness, for so many sins, with which YOUR Heart is pierced... Offer more fasts and

sacrifices, so that GOD can feel (pause) repaired, relieved, and above all, that HE can still feel the love f of HIS children...

I also ask that this reparation be all for the conversion of humanity.. The more sins are committed, the more evils (pause) are attracted to you... If there are many souls who make reparation, then evil will be stopped, and GOOD WILL TRIUMPH!...

There are only a few hours left for all the Angels to proclaim My TRIUMPH... You are heading towards days f(pause) the world has never seen... The Battle between Me, andWoman Dressed in Sun f, and the great red dragon , the forces of evil, the satanic forces, the Masonic forces, and at the same time (pause) the forces of darkness... this Battle is now moving towards its decisive conclusion...

This Christmas, My Son Jesus and I we want to clothe them with the Armor of Justice, the Shield of Faith, the Helmet of Salvation and the Sword of the Holy Spirit... We want to prepare the soldiers f, give them Strength, fill them with LIGHT... with Birth(pause) that you celebrate, of My Son Jesus...

This is why I ask (pause) that a Siege of Jericho be carried out, which must end on Christmas Eve... In this way, I will be able to prepare you for this Christmas to be unforgettable, and for it to be truly (pause) conversion and change for each one of you... Make these Sieges in preparation for Christmas throughout Brazil, and you will receive the Graces and My Peace...

I am with you, and with My Rosary in My Hand, I beg you : - Pray!... Don't talk about prayer, but pray!... Give the example of prayer to everyone... pray... And then, if you accept My Hand, if you pray for the Rosary with Me, if you follow My Messages, if you accept the Messages I give, and if you allow yourselves to be carried in My Arms, so that I can present you to the Lord, My Immaculate Heart will certainly TRIUMPH!...

Intensify your prayers for Russia during this month... Russia, your sister, faints (pause) as if dead... has no Peace... Pray for her...

In Fatima, I had predicted that the Russia would be the scourge f of humanity... Now I ask you: - Pray, so that at last, Russia, like you, may have the Gift of Peace, and My Immaculate Heart may TRIUMPH in those lands, where GOD will be Glorified. ..

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation... I AM is in your midst!...(pause) Heartless hearts! What more can I show you or do for you, so that you may believe that I, the Sacred Heart of Jesus, and the Immaculate Heart of My Holy Mother Mary, (pause) are in your midst?...(big break)

O generation, hear My e-call f!... Listen to the rumbling f of My Voice... From the heights above, I call you, generation, (pause) but... many of you (pause) draw near to ME already with spears (pause) behind your breasts, in order to pierce Me again...

O generation!... a crust of impurities has formed in your ears, and you can no longer hear My Voice with clarity... (pause) I have sent the Prophetess, the Queen of Prophets, the Queen of all Confessors, to say to you: - Convert!...

My MOTHER, every day, descends into this world, appearing to many children, many young people, f of My Heart, and returning (pause) before Me, disconsolate...

She does not find souls who listen to Her!!!... Those who have the duty (pause) to publish and announce Her Requests, are silent, and hide Their Maternal Laments... My MOTHER's Tears fall before you... and before His Tears, you stand like stones!!!... (pause) without moving a single finger, in the direction of repentance...

Generation!... let me remind you of the meaning of the word and contrition f ... You sin, generation, and you feel no pain in your heart!!!... I present to you My Wounds, My Crown of Thorns, My Nails and My BLOOD; My Cross, My Mother crying at Her feet, but... you have not felt any pain...

O generation, how could you have accumulated so many snakes inside you?... How could you have made burrows f (pause) for all species of everms f?...

Generation, I call you by name... come to ME!!!... I love you, but. I warn you: - that soon I will come, and with the simple blow (pause) of My Mouth, I will knock down earth, all your evis f projects...

I, generation, am so in love with you!!!... I am sending you these eletters of LOVE, these Messages from My MOTHER, but... you have stepped on OUR WORDS, and you have simply (pause) turned your back on US...

I beg you: - Convert!... The FATHER (pause) is grieved for your sins, (pause) but... if If there is conversion, the FATHER will pour out His Graces on you in such a way that you will exclaim that so many Graces have never been seen since the Word became Flesh...

Let My Look penetrate you, generation... Let the song f of My Voice (pause) calm you, lull you... Let My Fingers (pause) travel through your soul, in order to close all the wounds, to straighten all that is crooked, (pause) and land everything that in you, has already become abyss and desolation... Return!!!...

Pray (pause) for Russia... (pause) Yes, this sister of yours lies lying on the ground, and I want to raise her... (convert her)

There, I will be glorified!... and I desire to deliver Russia into My Mother's Hands, as a firstfruit that She He will deliver ME...

Pray for her!... Offer sacrifices for her!... If you do this, a good part of My Plan, and good (many) people (pause) will be preserved...

As for Brazil, I, in many Messages here, have told you that I love this land (pause) that I call and the Garden of My Mother f... Here, in this land, My Sacred Heart will imprint My Holy Spirit in such a way in hearts, (pause) that, despite My enemies, I WILL REIGN!...

In this Country, My MOTHER (pause) will make the eGarden f of Her Immaculate Heart, where the greatest shoots of holiness will sprout, and the purest roses (pause) will grow, and She... will give them to ME, and they will be My charm f forever...

I will place them in My Throne Room, so that they (pause) and charm ME with their holiness f(pause) , and the fragrance f of the LOVE that emanates from them... These eroses f are cultivated by My MOTHER day and night... Pray that you may be one of them...

And I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

May My Beloved Church (Catholic), present in Brazil and in the world, seek, in My Sacred Heart, its Strength, its Rock... and he will find her...

Peace!..."

Day 12/08/98

Feast of the Immaculate Conception of Maria

Hora da Graça - Jacareí - 12:00hs

"- I am the Immaculate Conception, the Mother of Jesus, and of the whole World!...

Tell these My children that I thank them for the eHour of Grace that they offer Me... All the requests they made to Me were accepted by Me...

Right now, I make a eBarrier of Strength f around Brazil, and from this city... upon it descends My Peace...

The Holy Father, Pope John Paul II, now feels, in the Vatican, a supernatural Force enveloping and covering Him, the fruit of your prayers, in this eHour of Grace f

... for having heeded My call f... Many Communists are now converting, and Purgatory unties its chains... There is joy among the Angels!...

I bless all My children and their cities present here..."

(Marcos) "- I am so happy when I can see her!..."

"- I am also happy when I appear to you, and I am with My children!...

Pray!... Pray!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Observations: Despite the negative personal pronouncements of the Bishop and Priests about the Apparitions, 90% of the people present at the Mother Church of the Immaculate Conception had come from Monte das Aparições, to the Rosary at noon, as She had requested a month earlier. In the afternoon, the same thing. The fruits of prayer and conversion are there for everyone to see.

Day 12/09/98

"- I wish that My children continue to pray... May it be a persevering, trusting and humble prayer..."

Day 12/10/98

"- Persevere in praying the Rosary, and above all, faithfully fulfill your commitments to GOD... I am with you, and I help you in your daily prayer..."

Chapel of the Apparitions - at 22:30 pm

"- I bless and pray for each one of you..." Our Lady prayed for those present in Her Mother tongue.

Day 12/12/98

Monte das Aparições - at 6:30 pm

Our Lady was dressed all in white, and had a Crown with many Stars, which revolved around Her Head

(Our Lady) "-Praise be to Our Lord Jesus Christ!"

(Mark) "- Forever be praised!" (After the personal orientations, She prayed an Our Father for those present. So I asked Her:)

"- Will the Lady come back today?"

(Our Lady)"- Yes, at 10:30 pm I will show up to you again in the Chapel."

(Marcos) "- Do you want to say something in particular to us?"

(Our Lady)"- I wish that tonight, you pray intensely... that the Upper Room be held with great joy!... that above all, you meditate today on the Message that

Jesus and I gave you on the last day seven. My Messages are not to be placed in the drawer, but in the hearts..."

(Observation - Mark): (Next, Our Lady stretched out Her Hands over the people present and prayed in Her Mother Tongue. As She prayed, from Her Body like a smoke, as if it were incense f, which ascended to Heaven.

(Our Lady)"- Tell them that I have prayed for them all, that I bless them, and thank them for coming this far... None of them will return home empty-handed, but they will all receive a little of My Graces... "

(Mark): (Our Lady then, looking to Heaven, added:)

(Our Lady)"Go in the Peace of GOD..."

(Mark): (Then She traced the Sign of the Cross over the people, and slowly moved away)

Apparition in the Chapel - at 10:30 pm

(Our Lady)"- I am very happy for My children who are here. Pray an Our Father with Me for their intentions..."

(Mark): (After praying the prayer , She prayed another Our Father for the Peace of the world and a Gloria in reparation to the Holy Trinity. So I asked Her:)

"- Mother of Heaven, two young people asked me to tell the Lady that they wish to consecrate themselves to Her Immaculate Heart."

(Our Lady)"- Answer them that I accept them as My consecrated ones, and that I want it so..."

(Mark): "- Do you wish to give us a Message?"

(Our Lady)"- Tell My children: - dear children, I am with you, and I ask you to believe as if you were seeing Me!...

Take Me home in your hearts... If you take Me with you to your homes, all kinds of evil that are in your house will flee!... Where I enter, evil must come out!... If you invite Me, more than quickly I will enter your hearts, and I will go with you...

May this Christmas, I find My Grotto in your hearts,

I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

(Mark): (Here ends the part audible to all of the Message, spoken by Our Lady through me. What follows, was communicated only to me)

(Our Lady)"- My child, tell My children to pray the Rosary even more... you have not yet known all the grandeur and all the beauty of the Rosary... Make an effort to pray more and better My Rosary...

Come and receive your blessing..."

(Marcos): (When Our Lady, at the end of each Apparition, calls me to receive Her Blessing, She does it the way she always did since the beginning of the Apparitions, except for the first few times.

Every day, at the end of the Apparition, Our Lady extends Her Hands over my head, dropping like a rain f of small pebbles of Light f, while she prays in silence for a few moments over me. Her face is very tender, maternal, and what I feel cannot be put into words.

This even occurs in the Apparitions of the 7th, when She comes together with Our Lord, who, in these moments, is watching Us with extreme affection and sweetness. It is as if he was extremely pleased to see Her like this, in Her Goodness...

In the Blessing for those present, Our Lady, usually, with Her Outstretched Hands blesses the people present, makes or traces the Sign of the Cross with immense tenderness and LOVE, and then slowly Departs, ascending again towards Heaven, as occurred at the end of this Apparition.

At times, the Sign of the Cross dissolves into countless pebbles f or jets f of LIGHT that will land on those present. In others, Our Lady, when ascending, leaves behind Her a Great Red Heart, pulsing beats of Light, signifying Her LOVE for everyone.

At other times, it follows different, entirely new ways, according to Our Lady's intention. It does not follow a rigid pattern, but is spontaneous and natural, like the normal gestures of a living person. However, the ways I reported here would be, shall we say, the most common, perhaps Her favorite)

Day 12/13/98

"- Dear children, I ask you to pray the Rosary with LOVE... When you pray with LOVE, Heaven unites with Earth, and then all Graces, even the most difficult, can be obtained from the Lord...

I invite you to pray for the Peace of the world, and above all, for the conversion of sinners, who are still many... May today you offer all your prayers for Peace... I came here, as Queen and Messenger of Peace, in the Name of GOD!...

I invite all of you to listen to the Messages that I tell you, and to put them into practice... I am with you, and I ask you to transform yourselves into living prayers f, into flames of prayer f, so that the whole world may know the FIRE of GOD'S LOVE...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Return home in the Peace of the Lord. .."

Day 12/14/98

"- Dear children, continue to pray with your heart...

Persevere in praying the Rosary... Have confidence in the Power of My Motherly Intercession with GOD for you!...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/19/98

"- Pray that many souls may be converted on Christmas Eve..."

Day 12/24/98

(Observation - Mark): (Our Lady said that she would appear at 00:45, which is the time when Her Son Jesus was born in Bethlehem.

She also said that on the 25th, Saint Bernadette would appear together with Her, to give a private Message and pray for the people

.

Mount of Apparitions - 00:45hs

(Our Lady appeared with a golden dress,

Golden belt, golden veil and golden cloak.

She was holding the Baby Jesus in her Arms... (covered)

From her right arm hung a Rosary of luminous beads f)

(Our Lady)"- Praised be Our Lord Jesus Christ!...

Do you know what I bring with Me?"

(Mark): "- I guess! The Baby Jesus!!!"

(Our Lady)"- Yes, I brought the Baby Jesus so that today He may bless you!..."

(Observation - Mark): (Our Lady opened and that cloth f that covered the newborn Baby Jesus, looked at me and said:)

(Our Lady)"- My son, do not fear anything... Do not fear any affliction and do not fear what has happened. I was not going to let it... I protect you and yours,

they are Mine as much as they are their..."

(Observation - Mark): (Our Lady smiled and bent down with the Baby Jesus, so that I could see both Her gaze and HIS)

(Our Lady)"- Do you want to ask me something?"

(Marcos): "- I would like to ask if you could bless the people present?"

(Our Lady)"- I will bless them all, and you too! Open your hands..."

(Observation - Mark): (I opened my hands, and from the left hand of the Child Jesus and the right hand of Our Lady came out, from the Hand of each, a beam of Light, which landed in my hands, one in each. Then they blessed the gifts. Then I asked:)

"- What do you want from the people who are here?"

(Our Lady)"- Tell them that this Night, pray like never before, because they will never understand the greatness of this Night..."

(Mark): "- Why was the Baby Jesus born at 00:45hs?"

(Our Lady)"- It was a design of DIVINE Providence. Later... later you will understand the reason for this Day, and the reason for this Hour..."

(Mark): "- It is true that the Angels came help the lady?"

(Our Lady)"- Yes, it's true!... The Angels came, and while I was lying on a haystack, the Angels knelt around Me and helped Me give birth to Jesus!... "

(Mark): "- And Saint Joseph, what did he do?"

(Our Lady)"- Saint Joseph was in another corner of the Grotto. He had just tidied up the eManjedoura f, placed some straws. Cloak, so that as soon as Jesus was born, HE would be deposited there..."

(Mark): "- And after that, what did He do?"

(Our Lady)"- He began to pray..."

(Marcos): "When Saint Joseph prayed, what did he pray?"

(Our Lady)"- He prayed with all his fervor to GOD, and He already adored Jesus in mystical vision f, while He was being born from Me..."

(Mark): "And the Angels, They saw Your Body Most Holy?"

(Our Lady)"- No, they saw nothing. We were awash in a very Great LIGHT. They saw nothing..."

(Marcos): "- Did you feel a lot of pain?"

(Our Lady)"- I didn't feel any pain. I felt an ecstasy of joy... The only pain I felt was the pain of the Soul, for having knocked on all doors, and no one had welcomed Jesus..."

(Marcos): "- What did you do after the birth of Jesus?"

(Our Lady)"- The Angels placed Jesus on My lap, and then Jesus looked at Me and I looked at Him, and we communicated in thought... HE said to me: - Mom!... And I said to him: - My Son..."

(Observation - Marcos): (Tears came down from Her Eyes, while She told me. So I asked Her:)

"- And how did you do it, in the cold of that Grotto?"

(Our Lady)"- The Angels made a tent faith around Me with Their Wings, like a fence faith,

(Mark): "And Jesus?"

(Our Lady)"- Jesus was there, on My lap... After a few hours, Saint Joseph took the Baby Jesus and placed Him in the manger f. I took off My Veil and wrapped Jesus, and Saint Joseph took care of Him while I I was lying down resting..."

(Marcos): "- And the Pastors?"

(Our Lady) "- I asked the Angels to go and tell the Shepherds, to go and tell the people of Bethlehem, that Jesus had been born... They went, but... everyone was too busy with their entertainments and occupations... So, they only found the Shepherds, and it was to them that they announced that Jesus had been born, teaching them the way and the details...

When the Shepherds arrived, they fell on their knees and worshiped Jesus, and as they were poor, they left one of the sheep they had taken as a gift... It was with the wool of this sheep that I made Jesus' first tunic... They were adoring Jesus for a good part of the night, and they were the ones who took us some food..."

(Mark): "- What clothes was Saint Joseph wearing?"

(Our Lady)"- He was wearing a beige robe, a brown, and with the white belt..."

(Marcos): "- And the clothes that the Lady was wearing?"

(Our Lady)"- Brown veil, blue cloak, and very light pink dress... Do you want Me ask more?..."

(Marcos): "No, I don't want to ask any more." (Our Lady prayed with me for the people present.I asked Our Lady for a Sign and she said :)

(Our Lady)"- The Signs I will give, but I will not warn you when they will happen, as has been done until now... I never warned you when the Signs would happen, but you and thousands of people who came saw them... But one day, I will leave a Sign here forever!... Believe me!!! I will leave here the Promised Sign!..."

(Mark): "- But even with so much sin?"

(Our Lady)"- Despite the sin, I WILL REIGN!..."

Day 12/25/98

Chapel of the Apparitions - at 10:30 pm

Apparition of Our Lady and Saint Bernadette

(Our Lady was all in white)

(Our Lady)"- Praised be our Lord Jesus Christ!"

(Mark) "- Forever be Praised!"

(Our Lady)"- As I had promised you yesterday, here is Saint Bernadette!..."

(Observation - Mark): (Our Lady looked to Her left, and an efacho f of Light was lit and a Great Golden Door appeared , which opened in two parts, and from inside the Door comes Saint Bernadette.

She was wearing a white dress, blue sash, rosary tied to the sash, and a wreath of white roses that were also around Her Feet. of Our Lady she said to me:)

(St. Bernadette)"- Praised be Jesus and Mary!..."

(Mark) "- Praise them forever!..."

(Our Lady)"- GOD entrusted St. , give you up and tell you a few things..."

(Observation - Marcos): (St. Bernadette told me a few things, she also communicated to me other very important things about GOD's Plans...

Those parts of this dialogue that could already be published were omitted from this edition, for reasons of prudence. After the TRIUMPH of the Immaculate Heart of Mary, they will be published)

(Saint Bernadette)"- Tell people that I am the Protector of all those who love and who become servants f or slaves f of the Blessed Virgin Mary...

I am the Saint that GOD has entrusted, in Heaven, to protect all those who are servants, slaves, and obedient to the Blessed Virgin, and who above all, spread Her Requests... Put Me in front of everything you want to do, and I will help with My Intercession...

Tell everyone that I am always there, on the Mount, and that I am always here, In this Chapel, and that when any one of them wants to obtain any Grace through My Intercession, they will come here, or that they will go to the Mount, and then, praying, they will feel My presence, and if it is the Will of the Lord, I will obtain the Graces you want... because I am always here, in this Chapel, and I am always on the Mount, praying for you..."

(Observation - Marcos): (Santa Bernadette told me that She is the Saint chosen by GOD to be my Protector, and said that the seers who lived in other times and who have died, received from GOD the Mission to protect the seers of today, who suffer the same sufferings that They suffered years ago.

And the seer, the Saint, that GOD chose to protect me was She, Saint Bernadette! I was very happy with that and I smiled, it was a joy that flooded my heart, that I have no words to describe what I felt while Saint Bernadette told me.

Saint Bernadette was saying several things that GOD wanted of me, and she also taught me a prayer that I must repeat until memorize, but that is just for me)

(Our Lady)"- Know, My dear son, that of all the Saints that ever existed in the world, no one, no one loved Me as much as My Little Daughter Bernadette...

Yes, even much more than the Saints who wrote or preached about Me, because She was simple, she was sweet, she was humble... and, even though she was poor, and even though she was very small, faith and weak faith, but... Your Heart, there was a great LOVE for Me... so great, that it surpassed that of all the other Saints who have passed through this world...

And that is why Your Intercession with My Immaculate Heart is as if it were for Me, more than a Request... an Order... I

beg you, therefore, to invoke the Intercession of My Daughter Bernadette in your prayers... And this is what I desire from you: - humility, obedience, readiness , prayer, like that of this echild f...

I wish you to be other Saints like her, in today's world..."

(Marcos): "- But there were so many Saints who are even better known, and why is She the Saint who loved the Lady the most?"

(Our Lady)"- Because GOD wanted it so... Bernadette is for everyone the model f for those who want to love Me... If you truly want to love Me, copy His examples, and then you will love Me!..."

(Observation - Marcos): (I asked Saint Bernadette if she wanted anything else from me.)

(Saint Bernadette)"- I wish that here in this Chapel, there is an Image of Me, so that the faithful get used to asking for My prayer of intercession..."

(Marcos): "- Could it be a painting?"

(Saint Bernadette)"- Yes, it can be a painting. May everyone see Me in this Chapel, present, and ask for My Intercession, and they will not leave here disappointed!...

(Observation - Mark): (I promised her that I would. Our Lady still talked to me for a long time.

Then Saint Bernadette invited me to pray and to greet Our Lady. It was then that Saint Bernadette came very close to me, and while we were praying, I I saw a large f ring appear that came out of His chest, and I saw that another f ear came out of my chest too, and those two f ear rings f were one behind the other, lined up, while we prayed together to Our Lady, in a way I

understood that the Grace that happened to Saint Bernadette in Lourdes and what happens to me in Jacareí is similar, that is, these two Apparitions are closely related to each other.

Those two hoops disappeared. Our Lady told me a few more things. I asked Saint Bernadette if I would see her again next year. She said:)

(Saint Bernadette)"- No... What GOD wanted from Me regarding you has already been done in these previous years. You will not see Me here anymore, but know that I will always be over you, protecting you with My Prayer..."

(Observation - Mark): (After Our Lady had blessed us and Saint Bernadette, She took Saint Bernadette's right hand.

Our Lady then extended Her right hand which was and Saint Bernadette the Left Hand, and they prayed over us.

Our Lady ended that prayer by making the Sign of the Cross. They smiled at us and began to rise)

Day 12/26/98

Message given at 10:30 pm

"- Tell My children to pray without ceasing... I rejoice in your prayers, and I offer them to My Son... Always remember: - GOD has granted me to reach Graces to all you..."

Messages communicated in the Apparitions of Jacare í, year 1999

Day 01/01/99

Feast of Santa Maria,

Mother of GOD

"- Dear children, the world makes a lot of noise, but that is worthless... GOD remains, even though man does not want to serve Him or obey Him. ..

GOD is ABSOLUTE... GOD is ETERNAL, and HE is above the blindness, evil, and unbelief of human beings...

GOD will remain forever, however, only those who are with GOD will remain eternally happy, and those who are truly of GOD, not by words, but... by deeds and works...

I invite each one of you to think about why I have been with you for so many years... Soon, this Grace of My Presence will cease everywhere on Earth, only Medjugorje remaining as the last place...

Therefore, I invite each one of you to answer the total YES to Me... Let Me reign in your will, in your thoughts, in your words, in your actions, in your life...

This will be a year in which heavy sufferings will have to be borne by you, with patience, but... it is not a reason for despair, it is not a reason for fear... This is not what I want from you... What I want from you is Faith, it is total trust in Me!... I am the Suppliant Omnipotence, and I can do everything together with My Son...

I will always help and protect, as a shield of LOVE, those who are Mine, but... those who are far from Me and they do not want My protection or My presence, those I will not be able to help, and I will have to let them fall into the hole they dug themselves...

My children, may this year be the Year of the Rosary!... May you pray this year all the Rosaries that you have never prayed in your lives... Try during this year to pray more!... and that is why it takes three hours. of prayer a day, I want you to increase it to four...

Now is a time for more prayer... and instead of visiting the Blessed Sacrament just once a week, on Thursdays, I also ask on Saturdays...

Little children, understand that the more you pray, the more I can help you... Know that My Immaculate Heart is performing great wonders throughout the entire earth...

Pray and have confidence in Me... I am with you!... Do not pay attention to

people who want to take you away from the prayers and fasting that I have asked you, but rather, My children, follow the path I have traced for you, which is difficult, which is bitter, but... it's the only way, if you want to get to GOD...

You complain about suffering... How do you want to get to Heaven without suffering? You complain about your difficult life, but... you forget about My Sorrows, at the Feet of the Cross, on Calvary!!!...

You complain that you cannot pray or fast, because you are not healthy, but.. .they do not look at the Wounds of My Son on the Cross, and at the Tears that I shed at the Feet of the Cross!!!... and that I still shed today, in so many places on earth...

You say that sometimes you are too old, sometimes too tired, sometimes too exhausted to pray or to fulfill any other request of Mine, but... you forget that in Heaven, I and the Angels and all the Saints pray without ceasing for each one of you, and not even a small part of the day, wants to give Me...

Even after I have made so many Graces and Signs before your eyes, so that you may believe, your Faith has not increased... Because you pray little, you have weak Faith, and that is why you are constantly leaving aside the Mission that GOD has given you...

I invite you to pray more, and to stay closer to My Heart, like a wreath. This year, I want to use you powerfully to fulfill My designs, but... if you don't pray, I won't be able to do anything for you... Remember that prayer, together with Mine, can do everything together with GOD.. Pray for the Pope ...

Pray for him, because he suffers so much! At this moment, he feels alone in the Vatican. There is no one to talk to Him, nor to whom He can tell His sufferings... Pray for Him! Ask for Him, and God will bless and reward you...

I also invite you to open your eyes and your hearts... You will recognize, throughout this year, the fulfillment and fulfillment of many Messages that I have given you in the past years. Satan will act like a cat, he will arrive softly, he will arrive in the shadows, without anyone noticing... trust in Me!... because My Immaculate Foot will crush your attempts, if you are praying...

I also invite you to surround this Mount with more prayer!... Come here often to pray, because the Heavenly FATHER has given Me a gift to give you too... HE has given Me the Grace to pour out His more abundantly. Mercy, YOUR Forgiveness and YOUR LOVE, in the places of My free choice... and one of the places I chose to accomplish all this that the Father granted Me was this Mount and this Cross...

All those who come here to pray you will not leave, you will not return helpless, or empty-handed, or without My LOVE... That's why I ask that this Place be closed from now on, and only the son who sees Me can enter here!... You everyone stay outside, praying fervently, because this Place is Holy, and cannot be walked on in any way...

I wish that beside this Altar, many candles burn, day and night, constantly, to celebrate and memorize forever, the Presence of GOD that was granted to this Place...

I also wish that My children come here many times a day . , to speak to Me... I want to speak to your hearts, with LOVE...

I ask each of you, that during this year, we can raise up a great force of intercession and prayer, in order to cancel and neutralize all the evil that is in the world, and we can then overshadow satan, so that he becomes blind, and can no longer harm the earth...

Courage!!! Behold, the Sealed Book will be opened, and all the SECRETS sent from Fatima until today, will resound throughout the world, like strong Trumpets played by the Holy Angels!...

Happy are those who are with God, because when they hear the sounding of these Trumpets, they will rejoice and sing praises to God, but... woe to those who have rebelled and closed themselves against God until now!... If they succeed standing, on their legs, they will be able to see the Righteous Wrath of GOD...

Therefore, it is the Hour of Grace, it is the Hour of Decision, it is the Hour of the great turn and the great return to the Lord!.. On this day ,

when you celebrate Me as the Holy Mother of GOD, I invite you to lift your eyes to Me, who I carry My Child Son in My Arms, and to be filled with confidence, because TRIUMPH is now imminent, and the Glorious RETURN of My Son Jesus is already dawning, which announces the coming of the sun...

I bless you from Lourdes... from Fatima... from La Salette... from Garabandal... from Medjugorje... from Akita... and from every place in the world where My Immaculate Heart has manifested Her LOVE and His Mercy!...

I bless you also from Jacareí, in the Name of the Father... of the Son... and of the Holy Spirit... (pause)

Return home in the Peace of the Lord..."

Day 02/ 01/99

"- Dear children, I ask you now, at the beginning of this month of January, for redoubled prayers, sacrifices and fasting, for the realization of My Plans...

There are many My children, among you, who are more generous and answer My Requests with more humility... That is why I ask My most generous children to fast also on Mondays, during this month of January...

In February, you will be able to return to both days (Wednesday and Friday),

but this month, make an extra day of fasting, so that My Immaculate Heart TRIUMPHS over so much evil and sin committed daily on the face of the Earth. The devil is stronger as this year begins ,

which is why I need more intense fasts and prayers in order to neutralize and bind him, so that he cannot do anything against you!...

I I am Mighty, I am Mediatrix of all Graces, and Terrible as an Army in battle array, but...

Therefore, little children, for those who are generous, I ask you to do a third day of fasting. However, I do not want to oblige anyone... You are free, and those who feel the strength of this My Maternal Appeal, heed it, for the salvation of many souls...

I wish to call your attention, to think why I am been here for so long, speaking and appearing in your midst?... Understand that My Heart was poured out in LOVE and Mercy for you, from this beloved land of Santa Cruz, which is Brazil...

Soon, the whole world you will know and know what I did in Jacareí... This WORK will be as Immortal as My Name, and that is why I invite you to reflect on the importance of My coming here...

You have not yet understood the VALUE of this Grace!... Therefore, with the prayer of the Rosary, ask God to reveal to you the meaning of My Apparition, so that you can understand, live and respond to this Great Grace, with all your life, with all your heart...

I am with you and I do not abandon you, even when you are in sin and when you no longer want to live with Me... I call you close to My Heart, who feels Pain for each child who walks away and loses Faith, but... My Heart rejoices for each child who, with humility, recognizes their faults and their faults, raises their eyes to Heaven and begs Forgiveness and Peace.. .

Peace! Peace! Peace!... Return to the GOD of Peace, who calls you in this year of great sufferings and tribulations!... Return to the GOD of Peace, even in the harsh sufferings that you will have to face from now on...

Feel the Peace! ...

Receive My Peace!!!...

I give you My breath of Peace...

I give you My LOVE, which is the Source of Peace...

I give you My Light and My Immaculate Heart , which is the Source of Peace...

I want each of you to start rereading My Messages that I have given you over

the years, so that you will be prepared when the time comes for the combat between Heaven, Earth and the forces of evil...

I invite each one of you to pray for the Church!... Many of My poor children have lost their Faith and have moved away from the Church!... Pray for the return of all My children, especially the most distant and dominated by Satan.. Pray also for the return of your family members to GOD, because I say to you: - one will be left, and the other will be taken away... Pray that your family members will be with Jesus!...

I will fulfill My promise to save yours ! loved ones, your family members, if you too keep your promises to Me, and live in prayer, as I have begged you...

Understand that in all countries of the world, I have caused My Tears of Blood to fall from My Eyes, to demonstrate the size of the Pain I feel, for the loss of My children...

Dry My Tears with your prayers!... May your Rosary be the perfumed handkerchief that you give Me, to dry My Tears... that overflow from My Heart, flooded by a sea of pain and anguish...

May this Message that I am giving you now be spread, as quickly as possible, to all corners of the world... May this Message be the one you have the predilection to spread in this month of January!...

Thank you for your love and for the The affection with which you responded to My call!... Pray this Prayer of Consecration to the Holy Spirit every day, which I will teach you:

PRAYER of Consecration

to the HOLY SPIRIT

I adore You, Holy Spirit... To You I commend my soul ...

You are the Sweet Peace of my spirit...

You are the FIRE that consumes me...

You are the LIGHT that absorbs me...

You are the FORCE that moves me...

You are the LIGHT that surrounds me...

You are the LIGHT of my eyes... I

dive into YOU, DIVINE FRIEND. In you I trust. I consecrate myself to you...

I surrender my strength entirely to you!...

I submit my will to YOUR grace!...

I give you my heart eternally, and I will never ask for it again...

For the Immaculate Heart of Mary ,

on the Virginal Altar of the Soul of Mary,

I surrender my life so that it may be consumed by You,

as a sweet song to YOUR Ears,

as an incense pleasing to YOUR DIVINITY,

and as an offering of love to You...

O Holy Spirit, that hovered over the world at the moment of creation,

come upon me and generate in me Jesus Christ,

the Incarnate Wisdom,

the Eternal Word of GOD,

the Infinite LIFE...

through Mary, with Mary, and in Mary...

Amen!..."

Day 07/01/99 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My little children... (pause) I am with you, once again, to communicate- them the Will of the Almighty...

My Heart rejoices to see you all together here, despite the torrential rain that has fallen these days...

I thank you for all the sacrifice shown in the ascent to this Mount, and in your prayers... Your Mother Celeste (pause) feels loved, feels comforted and very consoled, (pause) for your sacrifices and prayers... Upon all of you, My Peace and My LOVE descend now...

Understand, dear children, that I want to transform you (pause) into beautiful and fragrant flowers, for Heaven and for GOD... But with sin, no one can feel either GOD or Me... Therefore, dear children, renounce all sin, which prevents them (pause) from approaching God...

May this month be for you, a month of profound conversions, both in your lives and in your families... I invite all of you who said YES to another Siege of Jericho, this time on January 31st. on the 6th of February, in preparation for the Eighth Anniversary of My Apparitions with Jesus here...

I promise those who do, great Graces... and as I did not fail My Grace, in the Siege of Jericho requested the previous month, I will not fail with My Maternal Mercy in this neighbor, which I ask you...

Spread this My request to all of Brazil!... May this Land of Santa Cruz gather and gather in prayer, for the World Day of Peace: - 7 February, the day on which I spoke for the first time with this most beloved child of Mine, who represents all of you before Me...

Dear children, I am attentive to the voice of your supplications... I collect every tear that falls from your eyes... I feel pain with your pain, I feel anguish with your anguish... Your crosses and difficulties (pause) are also Mine.. I LOVE you!... I LOVE you!...(pause)

I have come (pause) to prepare the way for My Son... You get distracted, turning your hearts to other sides, and turning your back on My Voice...

Little children, wake up... Rise!... Open yourselves!... Feel!... Believe!... We have little time left!...

The demons are loose in the world and devastate everything... What rogue thieves and mercenaries, (pause) destroy the Holy Things, drag souls away from GOD, (pause) drive souls away from the Lord GOD, (pause) and take the souls to hate HIM, and to refuse HIS Holy Law of LOVE... And My Heart (pause) feels more and more, worried and afflicted, with the salvation of My children...

I invite you all to unite come to Me, to pray the Rosary together with Me and through Me, to the Most Holy Trinity!... I invite you to transmit My Special Blessing to all My children, so that their conversion may be hastened, and to raise the mighty cry everywhere:

Who is like GOD?... Who is like GOD?... No one like GOD!...

And I also invite all of you to make daily sacrifices and small sacrifices... For 24 hours, renounce anything that gives you pleasure. After 24 hours, give up the other thing, and after another day, give up the other thing (pause) that gives you satisfaction and pleasure. In this way, I will be able to cleanse you from sin each day, and bring you even closer to God, and save as many souls as possible...

As the rain falls, it wets the whole earth, and then it evaporates and comes back. to heaven, I also want to take an abundant rain of souls to Heaven... With your prayers, many souls will reach Heaven!...

Next month, I will give My Special Blessing once again here on the Mount of Apparitions... this Blessing, which you must receive directly from Me, and pass it on to all people, one at a time... With this, dear children, I will build a thick barrier against the evil existing in the world...

Pray for Pope John Paul II... His enemies are attacking his life more and more each day, but I have saved him... Pray for him, who suffers a lot, a lot, a lot...

Open your hearts to Hope, because the rays of the dawn of My Immaculate Heart are already dawning in the world...

Continue with the prayer of the Holy Rosary every day, and the visit to My Son Jesus in the Eucharist, in the Blessed Sacrament of the Altar, on Thursdays and Saturdays...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My People...(pause) I AM, speak to your heart...(pause)

I LOVE you!!! I LOVE you!!! I LOVE you!!!.. and I invite you, My people, to open your hearts and your souls (pause) to My LOVE...

My Sacred Heart (pause) has taken great care to prove to you, My people, My unequaled LOVE for you, but... you have recalcitrated (pause) against the gifts of My Mercy...

The ingratitude (pause) of Mine, the baptized, the Christians, hurts My Heart more than the ingratitude (pause) and the hatred of My enemies... And it is for this generation, that I invite you to lift your eyes to My MOTHER, (pause) Model, Example and Star... who shines for all those who want to truly love Me. ..

Generation!... I see your feet (pause) impure, and with filth that cannot exist in My Presence... You have walked, My people, along errant and crooked paths...

How long will I have, generation, (pause) what to scream and make the wind repeat to you (pause) the echoes of My Laments?...

O generation!... I have told you several times: I am sick, I am dying of LOVE for you... but you don't believe , but you do not welcome, you do not throw yourself into this My LOVE!!!...

O generation, My people... here is what I ask of you: - prove your love for ME, not with words, but with your life, with your soul, with your whole being!...

My people, do not defend My Providential Works and My Mother's Apparitions (pause) with words, only... But with your life, with your soul, with your being, (pause) reflect the TRUTH , and the TRUTH will set everyone free...

O generation!... how many times have you silenced, with harsh spitting, the voice of My Messengers, Prophets, Instruments, My Seers, My Mother's Seers, throughout the history of Church and humanity?...

The chalice is overflowing, (pause) and it spills... I don't want, generation, to punish you as your sins deserve, and that's why I come, and I beg you: - open your doors, let the KING of Glory in , and your streets will shine like gold!... your gates will be as beautiful as rubies!... your citadels will be shining like crystal, shining in the sun!... and your dwellings will be like sapphires (pause) and pure gold. ..

Generation, this beautiful and splendid citadel, I will build in you, in every soul (pause) that surrenders to Me, with confidence!...

Pray for the pupil of My Eyes, for the Church, especially the Vatican... They need(pause) of prayers... Only a great force of prayers can transform the world, and their lives... (pause)

My Arms (pause) will soon move, and the wicked (pause) will have to endure My Justice, while the righteous (pause) WILL TRIUMPH... (pause)

He who can hear, let him hear!...(pause)

My Voice (pause) will be heard in all corners of the world, and before IT, many knees will faint... and then, if you can still stand (pause) on your legs, you will be able to contemplate. .. what this sinful and perverted generation has caused in My Justice...

However, I love you generation, and I will not lift you only if you want to be prostrate to the ground...

No one says: - I am very sinful... I must no longer look to Heaven... because My Mercy already existed long before you!!! My People, My LOVE already existed before (pause) I thought of creating you!...

How can you doubt My forgiveness, My LOVE, and My Mercy???...

My Mercy is ETERNAL!!!... Heaven and earth will pass away, but My Mercy

will never, never pass away!!! ... and to every sinner, thirsting for forgiveness, I will bestow My Mercy, (pause) and will grant him double what I gave him (pause) in the baptismal font...*

I AM THAT I AM, and Mine Justice is not yours... My Judgments are different and they are not (pause) your judgments!... And that is why (pause) I want to save My people, but I say to you: - whoever does not pass through the door of My Mercy, you will have to go through the door of My Justice... and the door of My Mercy is Mary, My Most Holy Mother...

Engrave, generation, engrave (pause) with lines of fire this Message in you, and do not allow the dust of time to erase this Message of LOVE that I imprint (pause) in you...

Come back, My people, come back here next month (pause) to bless the FATHER, who allowed the Immaculate Heart of My Most Holy Mother and My Sacred Heart to descend to this valley of tears, to this land...

Oh yes... many souls (pause) have been and will be saved, thanks to these Apparitions...

Woe to you, My people, if the Father and I, in Infinite Mercy, had not (pause) allowed this great Grace... But rejoice... not because (pause) you are simply here, but because each one of you who is here has been attracted (pause) and chosen, elected, by OUR Two Hearts...

Pray, My people... Pray the Rosary!... Offer the Holy Sacrifice of the Mass every day, so that this time of Peace (pause) may come upon the whole world (pause) that OUR Two Hearts patiently await, eagerly... And then, I will be able to call you, My people, My people; and you will be able to call me: - My Lord and my GOD!...

I bless you in the Name of the Father... Son... and Holy Spirit..."

* (Observation - Mark): (I wish to clarify the truth of the facts about the expression used by Our Lord in this Message:

...and I will grant you double what I gave you (pause) in the baptismal font...

Speaking of which, Our Lord refers here to the Graces necessary to live a Christian life authentic, which we all receive in Baptism.

When we are Baptized, in our names our parents and godparents of Baptism professed the Faith, and in our names they renounced Satan, all his works and seductions, and promised to live an authentic Christian life, aided by the DIVINE Grace that is bestowed on us. precisely in the Sacrament of Baptism. Without this Grace, it would be impossible for us to fulfill the Holy Law of GOD, and it is precisely through it that the Theological Virtue of Faith is infused into us.

It is evident that Our Lord here did not mean to refer in any way to the Grace of God's adoptive sonship, which can only be received once, on the occasion of this Holy Sacrament of the Church. No, this Grace is only received once, however, Our Lord uses this expression to demonstrate and make clearer the excess of HIS LOVE and HIS Mercy, and also in the exercise of the Sovereign Freedom of the DIVINE Proceeding, which obviously does not it includes making mistakes, since GOD is HIMSELF WISDOM, and it is impossible for Him to make mistakes. Therefore, Our Lord is not wrong here to speak like that, but those who try, because of this passage, are wrong, seeking to distort what Our Lord said, to invalidate and discredit the Apparitions of Our Lord and Our Lady in Jacareí, saying that Our Lord here would be referring to the Grace of adoptive filiation,

They are petty spirits who do so, similar to those of the scribes and Pharisees, who at the time of Our Lord's Life on earth, when He said that whoever did not eat His Flesh and drink His BLOOD, would not have LIFE in them. themselves , did not accept and distorted HIS WORDS:

"Then Jesus said to them, Truly, truly, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you will not have life in yourselves. 6,53)"

It is clear that Our Lord was not referring here to rituals of cannibalism or vampirism, but rather to the mystery of the EUCHARIST. But they were not able to understand this, on account of the spirit in which they were animated, and so they shut themselves up in a sin that dragged them all to ruin.

The same is true of Jesus' conversation with Nicodemus, when he says:

"Verily, verily, I say to you, unless one is born again, he cannot see the Kingdom of GOD. (Jn 3:3)"

It is evident that here Our The Lord is not referring to suicide practices, nor is he talking about reincarnation, when he says that it is necessary to be born again. Our Lord never meant to say that one is born more than once, nor that to see the Kingdom of God it was necessary to commit suicide.

As for those who bring this Pharisee spirit, Our Lord already warned in the Holy Gospels, when he told us:

"- Jesus warned them: Open your eyes and beware of the leaven of the Pharisees and the leaven of Herod!"(Mk 8, 15)"

The same is true today, with the WORDS of Our Lord, who edify the simple, and the proud, serve as a cause of stumbling and falling.

Even today Our Lord asks us, like the Apostles on that occasion:

"Do you also want to go away? (Jn 6,67)"

All those who are of the TRUTH recognize the TRUTH, and as the Apostles

say, at the question of Our Lord , if we too do not want to abandon Him:

"Lord, to whom would we go? You have the WORDS of ETERNAL LIFE. And we believe and know that You are the HOLY ONE of GOD! (Jn 6,68-69)"

My intention is not is to convince no one, because as Our Lord said:

"The words that I have spoken to you are Spirit and Life. But there are some of you who do not believe... Therefore I said to you, 'No one can come to me unless it is granted to him by my Father'" (Jn 6: 63; 65).)"

But I do it only to clarify and defend the TRUTH.

It is regrettable to have to deal with such deplorable facts in the Book of Our Lady and Our Lord, but I would still have one caveat to make.

A Church Authority said that the Apparitions of Jesus and Mary in Jacareí are nothing more than a farce, full of theological errors, and that already in a first superficial examination, crass errors are verified, such as the fact that Our Lord Jesus Christ HIMSELF the Son, that is, the Second Person of the Holy Trinity, when blessing at the end of HIS Messages, say:

"... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..." since He is Himself the Person of the Son.

Now to these theologians I would like them to answer then, since this is wrong, how can Our Lord Jesus Christ say:

"All authority has been given to me in heaven and on earth. Go therefore and teach all nations; baptize them in the name of the Father and of the Son and of the Holy Spirit." (Mt 28,18-19)

Explanations are not needed. Here you can clearly see the hatred they feed against the Holy Apparitions of Our Lord and Our Lady, who do not even take the necessary care to, at least, base their acid and derogatory comments a little less wrongly.

This is a blunder, even more coming from an Authority, and what is worse, written and signed on a letterhead, made public throughout another Diocese.

There is nothing to say about those who, upon receiving this document, did not even realize such an error, and spread it, to the detriment of the faithful and the whole Church, wounding the Hearts of Our Lord and Our Lady. , who are already so offended.

To affirm categorically and a priori that one does not believe in Apparitions, is the same as invalidating what Our Lord said:

"Behold, I am with you always, until the end of the world. (Mt 28,20)")

"- The Apparitions film is good and from My I like it... I want you to spread it as soon as possible, so that more souls can be converted and saved..."

Day 01/30/99

"- Everything you do for the construction of the Chapel is my pleasure... I want you to do the best you can, and pray in it..."

Second Apparition

Chapel of the Apparitions - at 10:30 pm

(Our Lady)"- Praised be Our Lord Jesus Christ.."

(Marcos) "- Forever be Praised ..."

(Our Lady) "- I thank you for what you are doing for the Chapel... Everything you do, no matter how small, to Me, becomes a prayer and becomes a supplication for the Peace of the world and the conversion of humanity... "

(Marcos): (I asked Our Lady if She was happy with the presentation of the tape of Her Apparitions in Jacareí, to which She replied:)

(Our Lady) "- Yes, I am very happy... Tell My children that buy these tapes and take them to all the ends of the world... may the whole world hear My Voice!...

Don't be afraid... Spread it!... because it is I who will make the conversions through it. I will give her the Power to touch hearts..."

(Mark) "- Do you have any Message for us?"

(Our Lady) "- Dear children, offer this night of prayer, this vigil, for My most Beloved Son, Pope John Paul II, who suffers and needs your prayers...

Offer also this vigil for Peace in the Persian Gulf. ..

I will be with you all night, My child, even if you do not see Me... Pray with the heart and lead everyone to do the same..."

(Observation - Mark): (Our Lady invited me to Pray a Glory Be to the Father in the intention of all the people present and their families.

Then She smiled and came, and with the tip of Her Finger touched my forehead. She explained neither the reason nor the meaning of this gesture to me, nor did I have any desire to know. It always happens like this, many times Our Lady does ¡®some things¡¯ that I don't understand, but while I'm with Her, I don't feel curiosity or desire to know the meaning, it's enough for me to be with Her, and I always know, in a way impossible to explain, that everything She does for me is LOVE... I feel complete when I'm with Her, I lack nothing, I could stay there all my life, seeing Her, receiving Her LOVE, loving Her..

Then he joined his hands on top of his chest, looked up to the sky, looked at the people present, and rose until he disappeared...) Day

02/06/99

"- My children, start living My Messages all over again, from the first to the last... This is My Maternal Desire for you..."

(Observation - Marcos): (Our Lady prayed an Our Father for the people present and blessed us)

Second Apparition

Chapel of the Apparitions - at 10:30 pm

(Our Lady)"- Praised be Our Lord Jesus Christ!..."

(Marcos) "Forever be praised!..."

(Our Lady) "- Look for your conversion!... With conversion, you will find strength to overcome every difficulty, be it great or not... With conversion, the Graces of GOD are possible, and with conversion, the path becomes open by itself...

I wish that tomorrow, as soon as you wake up, pray a Rosary for the Upper Room tomorrow afternoon, so that My Immaculate Heart TRIUMPH in all My children who will come, and also in those who will not come...

May their faces be in Peace, so that everyone may feel My Peace and live My Peace..."

February 7, 1999

EIGHTH ANNIVERSARY OF THE APPARITIONS

Message from Our Lady

"- Dear children... (pause) today My Heart is ¡® in celebration', for seeing them, in such great numbers, at My Feet!... Today, they celebrate the eighth Anniversary of My First Apparition (pause) to My poor little son Marcos...

During these years, I have called them to come closer (pause) to My Heart... I have freed them from many punishments, and from many dangers... I formed them in the Faith, I taught them to pray, I reminded them of the Truths contained in the Gospel of My Dear Son Jesus... (pause)

During these years, My Immaculate Heart (pause) has watched over you without ceasing, day and night... I am beside your sufferings, I know the cross of bitterness , that each child of Mine carries... I have not abandoned them...

Trust! Courage! Forward, My children!... I am with you, and I do not abandon you, when you are in difficulty...

Pray the Rosary every day!... Fast on bread and water, on Wednesdays and Fridays!.. Visit the Blessed Sacrament, at least once a week, on Thursdays and read on this day, Matthew (6, 24-34)...

Communicate daily, or as often as possible, with My Son Jesus in the Eucharist... Communion, the Eucharist, is Immortal LIFE! Communion!!!... I am close to you, I am close to the Eucharist...

Make the Way of the Cross on Fridays in your homes... Use small blessed objects, small crosses and medals, because they are signs (pause) of My Presence against Satan. They are signs by which I defend you from evil!...

Pray for the Pope... He really needs your prayers... Much of your hope is placed in Brazil! Pray for him...

Pray for bishops and priests, with the Rosary... Satan is strong, and he wants to drive many priests away from the True Church of My Son Jesus... Don't allow it, My children! Do not allow (pause) with prayer...

Pray for the Peace of the world... In these times, Peace is threatened... Wars (pause) on all sides, violence, malice, rancor, destruction... There is no more love, friendship, or fraternity among men...

Look at My Tears of Blood, which descend from the eyes of many My Images... Surround this Image, from whose eyes I caused copious Tears to descend, surround this Holy Image of Mine, daily, with prayer

... Place, sanctified by My Presence, and by the Presence of My Son Jesus, of the Angels, and of the Saints, is Sacred... The land of this Place is Sacred, and many of My children have achieved healing with it, and will continue to achieve it.. .(pause)

Pray and always come here... Those who, in this place, shed Tears and Hail Marys, with a sincere heart, I will answer them...

Do not be afraid! Don't be afraid!... I want to protect you from all harm. I want to lead you to salvation, but you don't want to... You don't want to convert, you don't want to return to GOD... Even though you see My Messages, Signs, Tears and Miracles, many of you are insensitive to My Voice...

Convert up!... My TRIUMPH is imminent, and it will be TOTAL, on the face of the Earth!... Satan's days are numbered, (pause) that's why he acts so much in the world, but... his time comes to an end, and it will be My Greatest VICTORY over all evil in the world, with the return of Peace, joy, and union (pause) between all peoples...

I am the Queen and Messenger of Peace!... I am the Queen of All Peoples, the Immaculate Conception, the Celestial Commander and Prophet of these times!...

As I promised, I now give you My Special Blessing, which will remain for all eternity, for all of life, with you; so that they can also transmit it to all My children, whether they are good... or bad, in the Name of the Father... (pause) of the Son... (pause) and of the Holy Spirit... (pause)

Go in the Peace of the Lord..."

Message from Our Lord Jesus Christ

"- Generation!... I, the LORD of Lords, (pause) leave you at this moment, My PEACE...

Return to My Sacred Heart , which was the first origin of the Heart of My Holy MOTHER... Yes, (pause) My DIVINE FATHER, My Holy Spirit and My Most Sacred Heart, in a Great Union of LOVE, of pure and infinite LOVE, created.. .this 'wonder' (pause) that is before you: - My MOTHER!...

Hear it! Hear it! Heed her! Let ME guide you by HER!!!...(pause) O My children, My Holy Mother asks you for a sincere and total conversion... Convert, convert, because the hours fly by... ¡®forces of darkness¡¯ are winning many souls, while you sleep, insensitive (pause) to any Celestial intervention...

Turn! My Heart calls to each one: - come! Do not be afraid of ME, for I AM the Good Shepherd, who gave his LIFE for the sheep, and would be willing to give it again if necessary...

LOVE YOU!!! I saved you and redeemed you on My Cross once... That Sacrifice arrives to save you!... I now want each one (pause) to place himself before My Heart, pierced on the Cross, and let himself be washed in the BLOOD more ¡®precious¡¯ than all blood... and in the WATER more ¡®precious¡¯ than all water, which flowed from My Heart...

Behold My Sorrows, children! So many Wounds that I received in My Sacred Body, in My Passion... If you meditated on these Wounds every day, you

would no longer sin...

Before each prayer, consecrate yourselves to the Immaculate Heart of My Mother Mary, because She will attract, and will surely take you into My Heart...

The Only One who can, the Only One to Whom I revealed the SECRET OF SECRETS, which is the SECRET of My Heart, was to My MOTHER... Only SHE (pause) can open My Heart, can conquer My Heart, and deposit IN IT who SHE wants...

O children, My Heart rejoices in this eighth year in which I and My Holy Mother are with you, fighting the ¡®forces of evil¡¯... Renew today the YES, the Act of Consecration to US TWO, so that we may lead you to the conclusion of this ¡®fight¡¯ (pause) never seen before, with the Victory of OUR Hearts... Yes, despite My enemies, I REIGN, and I WILL REIGN...

Descend right now My Blessing, in the Name of the Father... Son... and Holy Spirit... (pause)"

Our Lady

"- Be silent! The Angels will mark you with the ¡®Sign of the Cross¡¯, of those who are saved... (big pause)

Little children, stay with My Peace, and the Peace of the Sacred Heart of My Son Jesus... Thank you! My Heart pours out many Graces on you, and thanks you for the sacrifices to get here... Come back, so that we can continue your conversion..."

(Comments of the Seer Marcos Tadeu): (The Blessed Virgin appeared all in gold. Our Lady came with Jesus, flanked by two Angels. There was an Angel in white on the left side of the TWO, in the case of the side of the Sacred Heart, and there was an Angel with a color tending to pink, a rosy color but it was not pink, it was very thin, and this Angel was next to Our Lady, that is, on Her right.

The Angels held in their hands something similar to a staff, which had at the end as if it were a ¡®small star¡¯, similar to a ¡®little light'. Each Angel had his own staff.

When Our Lady said that you were to be silent, that the Angels would pass to mark you, I saw the Angel who was on the right side of Our Lady go in that direction, and the Angel who was on the left side of Jesus go to the other direction. They left trails of Light with their Wings as They moved.

The Angel who was on the right of Our Lady started on her corresponding side and went to the center. The Angel who was on the left of Our Lord started on his side, and also went to the center, so that the two met here, again in front, but the pink Angel no longer went to Our Lady's side, he went to Jesus' left side, and vice versa.

They were very beautiful, the Angels had hair like gold crossed by the sun, very flowing hair, very straight, blue eyes. Their skin is a tough thing, it's not comparable to anything you see in the world.

I could not see very well the Angels marking all the people, because I looked at Our Lord and Our Lady, only in some closer ones I could see that the Angels were marking, and they all had a luminous Cross on their foreheads, and superimposed on this one. Cruz, a tiny letter ¡®M¡¯, by Maria.

It is necessary to understand the meaning of this Marking: does it mean that I was marked by the Angel and now I can do whatever I want, since I am already saved? I don't need to pray anymore, I don't need to fast anymore, I don't need to go to Mass anymore, am I already guaranteed my place in Heaven?

No way, if you don't lead a holy life, you can be damned anyway, because the 'mark' is a sign that GOD has chosen you for Heaven, but it doesn't mean that you are already an elect. The ¡®mark¡¯ will stay with you, but that does not guarantee that you are already saved, each one must continue to do their individual obligation.

Later, a pilgrim who took a photo during this moment, came and showed me the photo, and to everyone's surprise, the crowd of pilgrims came out, but all marked with a light sign on their foreheads, confirming what had happened. in the Apparition.

This photograph can be found in this book, in the sign photography notebook)

Day 02/12/99

Capela das Aparições

Marcos Tadeu's Birthday Party

(Mark): (Our Lady came all covered in gold, and around her waist was a blue belt. She came with my Guardian Angel by her side, He was wearing a white robe, with a high golden collar, and a belt around his waist. She said:)

(Our Lady) "-Praise be to Our Lord Jesus Christ!..."

(Mark) "- Forever be Praised!..."(Next, Our Lady opened her Hands, and from the palms from Her Hands emerged two Globes of Light, one in each Hand, one white and the other red. She asked me:)

(Our Lady)"- Which one do you want?..."

(Marcos): (I asked her: "- What are these colors?" She answered me:)

(Our Lady)"- The White Globe is the fullness of the Holy Spirit and Holiness. The Red is the Sacrifice and union with the Sacred Heart of Jesus, with the

Passion of Jesus... Which one do you want?.. ."

(Marcos) "- I want both... I want both..."

(Our Lady)"- You chose well... you will have the fullness of the Holy Spirit, and you will have full communion with the Passion of My Son..."

(Marcos): (Those Globes were coming down from the Hands of Our Lady towards me. Then She asked me to extend my hands, I extended them. They were hovering, one in each palm of my hand. I didn't know what to do with Them. From inside those Globes came a very intense Light that made me understand what each one of them meant, what it would entail in my life, but I am not allowed to say that... Then Our Lady said;)

(Our Lady)"- Keep them in your heart!..."

(Mark): (I didn't understand how to do it. She said:)

(Our Lady)"- So, in the heart!..."

(Mark): (Saying this, he made the gesture of bringing his hands to his chest. then i pressed the globes to my chest and they exploded in light. impossible to say what happened... then Our Lady continued:)

(Our Lady)"- I know you have already received Holy Communion, but GOD sent Me the EUCHARIST from HEAVEN, so that I can give it to you now!..."

(Marcos): "- I don't know if I deserve it..."

(Wow Lady)"- Come, pray with Me..."

(Mark): (Then Our Lady began her own prayers, to which I followed and accompanied her. The "Lamb of GOD, which you take away... Lamb of GOD." .. Lamb of God, who takest away the sin of the world, have mercy on me." "Lord, I am not worthy for you to enter my abode, but say the word and I will be saved by Your mercy... Lord, I am not worthy... Lord, I'm not worthy..." "My GOD I believe, I adore..."

Our Lady opened her hands. Her Immaculate Heart appeared in the Chest. Inside her Heart a slit of Light opened, and from the Light came out a white Host hovering in the air, and in the Host there were traces of Blood. In the center of it was a Cross, and on the sides appeared the characters alpha and omega were inscribed. Below, on the right side of the Cross, there was the M of Our Lady, and on the other side JHS (Holy Host Jesus) and MIS (Holy Immaculate Mary). That's what She explained to me, and taking the shiny Host she said:)

(Our Lady)"- Corpus Christi!... "

(Marcos): (The Host came and landed on my tongue... I don't know how to say

the I felt and the effects that this communion produced on me. After a few moments, Our Lady invited me to sing in Adoration the song We adore you... and Agnus Dei...

Then, very happy, I extended my hand to Her, and She congratulated me. I said:

"- Thank you, Dear Most Holy Virgin, it was a beautiful birthday..." she asked me:)

(Our Lady)"- Are you happy?..."

(Marcos) "- I am very happy. the Lady came on all my birthdays, until the end of my life!..."

(Our Lady)"- Or on the anniversary of the Apparitions, or on your birthday, I will be here..."

(Mark) "- Until the my hair turn white?"

(Our Lady)"- Until they turn white!..."

(Marcos) "- I'm very afraid of losing faith during my life, from one moment to the next I fall into a temptation..."

(Our Lady)"- If you do everything I told you, I will also help with My Grace, and at the time of death, I will come for you..."

(Marcos) "- You will indeed come for me ?"

(Our Lady)"- Be faithful to Me, and it will be I who will come for you!..."

(Mark) (Our Lady then wanted to give a Message to those present:)

(Our Lady)"- Dear children, I thank all of you who have come to celebrate the Grace of the life of My little and most beloved son...

I thank you all for your prayers for this My little son, whom My Heart loves in a particular way... The prayers you offered for him make me happy too...

I ask you, dear children, to remain united to him and to Me, as a great family, so that together, we can expel the darkness, the evil of this world, and light in it the FIRE of My Flame of LOVE...

My children, I drew them close to My Heart, and through this poor little 'instrument' I opened the Way to Heaven for them... I saved them from many dangers and snares... I opened their eyes... I freed them from sins and demonic oppressions... and with the Messages given through this little child of Mine, I was able to take all the evil out of their lives, and fill them with a New Life, coming from GOD...

Through this My little ¡®instrument¡¯, the TRIUMPH of My Immaculate Heart is already happening in some of you...

Little children, I have many servants at My service, and I could have chosen another one, but My Heart desired this one, because through him I would be better perceived, and above all, My Maternal Action would appear more...

If he had not said YES to My Invitation, at My Call, many of My children would lie in darkness...

I welcome them in My Heart... I wish you all close to Me... and to you, to whom I consecrated so much LOVE, now I ask you more prayer and more sacrifices, in this Holy Season of Lent that arrives...

Tuesday is the Feast of the Holy Face of My Son Jesus... Offer prayers and reparations, because the Heart of My Son will be greatly offended in these days of Carnival... Gather together to pray the Rosary, whenever you can, because at every moment of the day and night you will be sinning and rolling in the 'mud' of impurity...

I invite each one of you to join Me in these last decisive moments for the Great Events foretold by the My Heart, since Lourdes and Fatima...

O little children, I LOVE you very much... very much... and My Heart does not want to lose you!... That is why I continue to appear every day to this little one of Mine son, at dusk, to call you back to My Heart, to attract you to My Heart!...

Everyone who listens to this poor child of Mine, listens to Me... and whoever despises this tiny child of Mine, despises Me...

I have made him the ¡®Speaker¡¯ of the Decrees of LOVE of My Immaculate Heart !...

I made him 'Secretary' of My Peace and My Mercy!... and he must announce to the whole world, until the last moment of strength of his life, this My LOVE that never ends!.. If My Heart is the ¡

®Gate¡¯ of Heaven, I have made this My child as a ¡®Secret¡¯ of this ¡®Door¡¯!... He who hears him has access to the ¡®Door¡¯! ... and the one who rejects it, will never know how to open the ¡®Door¡¯... My Immaculate Heart so arranged it, according to the designs of GOD...

Why did I bestow so much Mercy on a simple mortal being like that??? Because in the excess of My Immaculate Heart, I loved the 'nothing' that this My son is... and he, because there was nothing, had nothing... had nothing else to love but Myself. . . That is why one LOVE completed the other... and this LOVE must attract and lead all men to understand the LOVE of My Lord...

And that is why, dear children, I will bless you right now, and bless everything you brought. Where these objects arrive, the Mercy of GOD will also arrive...

I bless them in the Name of the Father... of the Son... and of the Holy Spirit..."

(Marcos) (Our Lady told me that she would kiss the objects religious. She said:)

(Our Lady)"- First I want to prepare them. Come with Me and I will bless them..."

(Marcos) (Then I felt like a Force that made me go back on my knees, accompanying Our Lady. ; Our Lady blessed;)

(Our Lady)"- I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Marcos) (Then She made me go outside, along with She, even near the gate; I knelt down, She made the Sign of the Cross:)

(Our Lady)"- I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Mark) : (She came ahead of me and I followed her here, in the same place as before... so I told her:

"- I thank you for the gifts given, but since the Lady allows me, I would like to ask that all those who are here, in this Chapel, could receive special help to go to Heaven, so that all who come to pray here at any time day of the year, receive a Special Grace from Your Heart... She said:)

(Our Lady)"- Granted!..."

(Mark): (She traced the Sign of the Cross, bestowing this Grace. Then I thanked Her saying:

"- Thank you very much". Then Our Lady still said to me:)

(Our Lady)"- Is that all you want from Me? I can give you more!..."

(Marcos) "- I would like to ask the Lady to also make a Sign for everyone to believe."

(Our Lady)"- I will make a Sign... Continue praying, and may My children continue praying and asking for a Great Sign, that GOD will answer them, and He will send them a Great Sign, so that everyone may believe. .. Pray for this too!...

(Mark) "- Thank you very much, Madam" I understood then that She was going to kiss everyone's religious objects. I understood that I should warn those

present what would happen. I said:

"- Our Lady wants to kiss the your religious objects. Give them into my hands, and She will imprint a kiss from Her Lips on her objects. "The Blessed Virgin said:

(Our Lady)"- There are many objects. I'll kiss them one at a time..."

(Marcos): (My Guardian Angel was by my side all the time, without saying anything, with folded hands, eyes closed, as if praying, asking... He was in very intense, deep prayer... agitation for them to pass the objects to the front. Our Lady asked me to ask them to be silent.

I stretched out my hand, looking for an object, but I didn't feel anyone put it in my hand, or close my fingers, as they later told me they did; I saw that I raised something to Our Lady and She came and kissed it. So it was with all the objects. Our Lady said again:)

(Our Lady)"- It is not necessary to make noise to give Me the objects..."

(Marcos): (After kissing everyone, one by one, Our Lady invited me to sing the song: Kyrie eleison... Christe eleison... and even prayed an Our Father, all in the intention of those present. Our Lady still said to everyone:)

(Our Lady)"- Through the Kiss I gave to these objects, My Son Jesus and I will make many Graces and Miracles... In contact with the sick, they will heal some... close to sinners, they will help in conversion... and when used by My children, they will drive away the tempter and take My Grace with them wherever they go...

These objects, if treated with respect and devotion, from now on, will be instruments of many Graces of GOD... This kiss that I give to the objects of My children, is the ¡®great proof of the LOVE of My Immaculate Heart¡¯, so that, as you look at them, they will remember Me when I am no longer here with you... Remember the Kiss I gave you tonight, when I am no longer appearing, and... as you remember it. if of Me, remember My Messages, and put them into practice...

I have given you this Grace through the intercession and insistent requests of this My dear son, on whom today I pour out all the Grace of My Mother's Heart, on his twentieth second anniversary...

To all of you I leave My Peace... and to the objects that I have not kissed, in a near date I will let you know when this will be repeated...

I am with you, and where one of these objects is, there will also be My LOVE and My Grace... (pause) Rest in Peace..."

Day 02/21/99 The Blessing of the Source

Santuário das Aparições, in the morning

(Marcos): (Our Lady arrived where today there is an Image of Her, on a concrete column in front of the Fountain, marking the place of her First Apparition in this new terrain. She was beautiful, radiant. The people and I had prayed the Rosario for two hours straight to wait for her. She smiled very beautifully. When she arrived, she greeted me:)

(Our Lady)"- Praised be Our Lord Jesus Christ!"

(Marcos) "- Forever be praised. What do you want from us?"

(Our Lady)"- I desire prayer... More prayer! Prayer of LOVE, prayer of Faith, prayer of Trust...

Prayer made with the heart is the prayer that reaches the FATHER's Graces..."

(Marcos) "- What do you want done in this place?"

(Our Lady)"- The first thing I want here is prayer, then I'll tell you what I want..."

(Marcos) "- What place do you want to be marked for the Apparitions?"

(Our Lady)"- It is not necessary now that I mark you, because here I will appear in several places!..."

(Mark) "

(Marcos) "- Mother of Heaven, will you help us to carry out the Cenacle here?"

(Our Lady)"- Yes... I will always help you, as I always promised!..."

(Marcos) "- Do you want anything else from Me?"

(Our Lady)"- Ask for the intercession of the Saints of your devotion!..."

(Mark): (After doing this, Our Lady told me)

(Our Lady)"- Come and follow Me..."

(Marcos): (Our Lady moved to the left, and I followed her without taking my eyes off her. People, at a certain distance, came after me. Further on, she asked me to kneel down and kiss the ground, in reparation and adoration of the Holy Trinity.)

(Our Lady)"- Kiss the ground, in reparation and adoration of the Holy Trinity..."

(Marcos): (I did as he asked. Then Our Lady continued moving through the air, without turning her back on me, and descended on a small depression that was there, then hovering over the ravine. I followed her and descended. until the depression and I knelt before Her. Then she said to Me:)

(Our Lady)"- Look in front of you... Pierce the ground with your hands, where I am indicating!..."

(Mark) : (I did as he asked me. All I saw was a handful of damp and muddy earth. I drilled a hole and suddenly water began to flow from the cavity in abundance. I looked at Our Lady and asked if she was okay. She said:)

(Our Lady)"- Continue! Continue!..."

(Marcos): (I continued digging until She told me it was fine. The Water now came out in abundance, it slipped through the small depression and then joined a small stream of water that passed nearby. Our Lady said to me:)

(Our Lady)"- Be the first to drink this Water!... Take it, drink it and then tell the others to do the same..."

(Marcos): (I did as the Lady asked me to. Water was muddy and had a strange smell. I drank it and then looked at Her, who, smiling, said to Me:)

(Our Lady)"- Tell My children that I want them to build a 'tank' for the sick in this place , and let the other water be diverted...

I give My Special Blessing to this Source, and from now on the Water that comes out of It will cure many diseases, and that will be the Sign I give of My immense LOVE to all My children, to glorify GOD!...

I blessed the Water from this Fountain, so that all My children can drink It and be healed of soul and body... Cured of their diseases and addictions...

All those who come to this small Fountain with Faith and Trust, will receive Great Graces from My Heart!..."

(Mark): (Our Lady bent down, extended Her Hands downwards, from which luminous rays came out that penetrated the Water of the Fountain! Then, she joined her Hands again on top of the Chest and invited me to pray the Our Father with her. We prayed together, and then she told me:)

(Our Lady)"- This Fountain, from today, is Miraculous... and all those who pray the Rosary and drink from it with Confidence and LOVE, will receive great Graces, both for the soul and for the body!...

Go in Peace, My son!... Today I don't want anything from you anymore..."

(Marcos): (Then it slowly disappeared, rising until it disappeared into the top of the firmament)

On the same day - at 18:30hs

"- I bless you, I LOVE you and I protect you... I lead you and remove all evil from you, protecting you with My Hand... Pray!... Pray!..."

Day 04/03/99

"- Continue to do the Siege of Jericho with LOVE!... It's the LOVE that you deposit in him that guarantees you the Graces..."

(Marcos): (On the same day at 10:30 pm, Our Lady prayed for those present and their families)

Day 05/03/99

"- My children, there have always been evil people in this world... Don't let yourself be overcome by this!

Why this affliction, My child?

Did I not promise you daily protection and assistance?... (pause) My enemies will be crushed under of My Feet! The punishment of the wicked is already prepared...

It was a ¡®little carelessness¡¯ that happened, but nothing that insulted Me, the punishment is already prepared... What is HOLY, cannot be blasphemed. .. The bad will be punished, and the good will possess the land...

I don't want this to take away your Peace... Pray! With prayer, you will be able to maintain the ¡®Inner Peace¡¯, necessary for prayer*. .. Pray now even more

for My Plans!..."

* (Observation - Mark): (I understood that Our Lady meant that from prayer itself comes the Peace that is needed to pray with the heart, in intimate communion with GOD. Without Peace, Our Lady has said many times, we cannot feel neither GOD nor HER...

Therefore, when our problems seem too much, when they want to suffocate us, let's not say that we no longer have Peace to pray, because it is only by praying that we will recover Peace, and with it, we will be able to pray again with the heart.)

Day 03/06/99

"- My children, I am glad that My day has come!... I ask you to pray and take My Light to My children who will come... Through prayer, each of you can bring My Light to others!...

May you transmit My Messages tomorrow... Transmit My Peace through the word, prayer and example of life!... I am with you and I accompany you with My Grace, so that you can accomplish everything. ..

It is My desire to give Thanks... to give more and more!... It's a pity that I don't find souls open to receive My LOVE... If you open your heart completely, I have much more to give you!.. And the more you have, the more I have to offer you...

Pray and trust My Heart!... It is I who direct your steps! It is I who direct all events!...

Tell My children that tomorrow at noon I will be here as I did last month. At the end of the Siege of Jericho, I will come to bless all the people who did it, and also to bless all My children who are present here...

Tomorrow is a day of Thanks, so I will appear more than once!.. I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition, at 10:30 pm

"- Always remember: - with prayer, the LIGHT of GOOD obscures the evil!... I wish that you, whom I have invited to follow Me more closely, dedicate your whole day to Me, tomorrow, with prayers and sacrifices..."

Day 07/03/99 Monthly Anniversary of the Apparitions

First Apparition

(Marcos): (Our Lady appeared all in white, and she wore a golden belt around her waist, and on her head a more glittering Crown. She came with two Angels)

"- I am very happy that My children are here! I wish them to pray, pray with the heart...

I would like you to pray today in the Upper Room, the Rosary of Tears of Blood, of Peace and of Triumph, in a solemn and special way, to achieve the Peace of the world, as I had already asked you. during the days of the month...

Tell My children not to walk around, but that they sit or kneel, and pray during the afternoon... GOD wants to communicate with you, but. .. you don't stop to listen to Him... Pray! Stop and stay in prayer, and you will feel the presence of GOD...

It would be very good if today you and the people prayed the Way of the Cross, meditating on the sufferings of My Son and on Mine... (Observation - Mark): (Looking at those present, with a very sweet and loving face, Our Lady said :)

They are My children, I love them so much!... If only they could feel or discover My LOVE!...

I thank you all for coming today, despite all the difficulties your country faces.. Make this day a day of more prayer!... Try to return your hearts to GOD... Pray the Rosary, pray the Rosary without ceasing today, because many Graces are reserved for those who pray the Rosary with LOVE...

My Heart is happy to see you in such great numbers at My Feet... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

The Rosary is strong!... Tell everyone to pray it..."

¡¡

APPARITION OF THE GREAT CENTACLE

Message from Our Lady

"- Dear children... (pause) I thank you once again for being here, next to Me, and of My Son... I LOVE you, and with all the LOVE of My Heart, I invite you to conversion...

My Heart (pause) works without rest, for the salvation of My children, (pause) and for conversion of the world... Pray with Me, so that this ¡®time of Peace¡¯ comes as soon as possible, which My Immaculate Heart desires and eagerly awaits...

My children, I invite you to build with Me a new ¡®time of Peace'... Pray! Pray for the Peace of the world!... Some countries are in conflict, while others (pause) prepare new attacks and new discords...

Pray! With prayer, Peace for the world (pause) will come... GOD (pause) has given Me the Gift of giving Peace to all those who listen to My Voice...

During all these thousands of years, I have fulfilled My Maternal Mission of Mother and Co-Redeemer... Those who listened to Me, in addition to a happy life and death, achieved salvation, but... those who did not want to listen to Me, had, after a life full of of debauchery, eternal damnation...

I invite you: - come back! return to GOD!... Don't raise the cry (pause) of the 'rebellion' any more on earth... The Holy Spirit, with the LIGHT of 'seven days in one day', acts with Me and sends Me, in order to give the Messages of salvation to the world... I invite you (pause) to put My Messages into practice, and to take My Messages to everyone, to all men... (pause) Pray for My children who are suffering in the midst of wars... There are many innocents (pause) who die, when a war takes place, and their blood cries out for ¡®revenge¡¯ to Heaven... (pause) Pray (pause) for all the fathers and mothers who kill their children, even before they are born... Abortion is now practiced, both covertly and openly. Every day, the blood of these innocents (pause) cries out from the garbage cans... to Heaven for revenge...

The Wrath of the FATHER (pause) is inflamed, the Cup of DIVINE Patience overflows... If there is no prayer and penance on the part of My people, on the part of you, My children, (pause) you will have to face hard, hard sufferings, as Punishment and consequence of your own personal sins...

I cry, and I ask, every day to GOD, that he doesn't allow more the advance of evil in the world. But man, with every attempt that GOD and My Heart make to save them, man rebels... and lifts his heel against US...

My children, I can stay with you for a little while, and one day, there will be no more Apparitions on Earth. What will become of you, My children?... What will become of you, if you do not listen to My WORDS, if you do not listen to My Appeals?... (pause) My children, convert, while the Heavens are open, and Grace allows itself to be found...

Pray the Rosary! Only with the Rosary, I can still perform Miracles in the world, and in your lives...

My children, convert! convert! convert!... It is My 'living' Appeal, which I leave you this night... and I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation!... (pause) why don't you silence your soul, and make it listen to ME?... I AM your GOD, who loves you (pause) and ¡®screams¡¯ your My

_

_ Spirit (pause) works on Earth, and is looking for hearts to enthrone Me in them, (pause) but... for the most part, I have found 'filthy pools' where My Holy Feet cannot touch...

Generation! (pause) My envoy, My Mother, My Spokesperson has come to you so many times! Why don't you listen to Her, generation?... If you had listened to the appeal She made from Lourdes, Fatima, La Salette (pause) and other places, (pause) your illness would not have become so serious, generation...

You are sick, (pause) and you do not want to accept this... You are sick, and you still maintain your pride and your vanity, before ME...

You are leprous, and you still want to show yourself beautiful (pause) and pleasant, before the ME...

Generation!!! Don't you understand that without humility, I can't, I can't free you from what you yourself planted with your hands???... Generation! Why, why don't you listen to My Heart, which ¡®groaning¡¯ among thorns and Blood, seeks you?...

When I was on the Cross, I said: ¡®-I am thirsty¡¯...

I am thirsty for LOVE! I thirst for souls! I am thirsty for you, generation!!!...(pause) I present myself every day, 'thirsty', as a pilgrim from Heaven, knocking at your door, but... you keep it closed, and do not ME allow entry, generation...

You have forgotten ME and forgotten ME, in the Sacrament of LOVE... My Altars are desecrated! My Altars are often abandoned... I have no friends... I have no confidants! I do not have (pause) ¡®human cherubs¡¯, to adore Me...

Starting with the priests and consecrated souls, all the people have left My Tabernacles (pause) abandoned... they can watch not one hour with ME; and then, exhausted from pursuing their human interests, seeking human solutions where they will not be found, they fall asleep, like My disciples, (pause) in Gethsemane...

I invite all My Church, all My people, to return to the feet (pause) of the Tabernacle... If I were exposed, daily in the Churches, quickly, entire cities would convert!...

If there were souls, praying from hour to hour, before Me, in the Eucharist, together with My MOTHER, Peace would already be established...

But, they changed ME! They exchanged ME for worldly things... and now you reap the bitter poisonous fruit that you planted:pausa) - the lack of Peace, war, hunger, plague, misery, injustice and violence, which explode, which are committed every day, from every side... (pause) My Cherubim tremble, as I contemplate such anguish in which I AM immersed... When WE (the Holy Trinity) created man, (pause) it was for him to worship, it was so that he would obey US, and with US, be always...

My FATHER (pause) and I, in union with My Spirit, do not receive (pause) from

man, the ¡®end¡¯ for which we created him: - to worship US, be WITH US, and enjoy OUR own Glory, OUR own Peace...

O generation! Why did you walk away from me??? Sin has dominated you, and blindly, you stagger, without finding: neither LOVE, nor Peace, nor consolation...

Come back to ME! Generation, the day you (pause) lift My MOTHER's Rosary, and with LOVE (pause) you unravel it, with humility (pause) you contemplate it, then My Arms will reach you, generation... and I will be able to take you out of the abyss, into which you yourself have thrown yourself...

Generation, love Me!... (pause) On the approaching day of My Passion, kneel at My Feet, and like Magdalene, cry, generation... implore Me My forgiveness and My Mercy, and you will be granted...

Do not leave the side of My MOTHER, the Lady of Sorrows... and I will be able, generation, to free you from the 'oppressive boss', which you assumed for yourself: - My eternal enemy... and then, by 'force of My BLOOD, I will raise up your fallen forces, and I will grant you Graces...

Love Me, generation! My Heart sighs for you!... Why don't you raise your prayers to ME, like ¡®songs¡¯, packed with LOVE and sweetness?... Generation, return to ME, along the road of conversion and penance, with My Mother... If you come with HER, you will have My Peace...

I bless you... I bless all of you, in the Name of the Father... of the Son... and of the Holy Spirit...

Continue to come here , to continue (pause) with your conversion..."

I will choose another place where I will appear... Wait

for Me there early in the morning! (Marcos) "- In which of the two places do you want the Chapel: in Monte or in Sítio?" (Our Lady) "- Do it both, it's never too much! If you can, do it both..." (Marcos) "- Is the Sítio now a ¡®Place of Grace¡¯?"

(Our Lady) "- Since the first day I appeared there, it has become a ¡®Place of Graces¡¯ for My children who go there, with confidence and with Faith to pray..."

(Marcos): (I thanked the Lady for so many Graces that She gives us, despite

our unworthiness. Then she blessed the people present, their objects and walked away towards Heaven)

Day 03/13/99

Day on which Our Lady
chose the Tree of Apparition in the Sanctuary,
for Her Apparitions, together with Our Lord Jesus Christ,

in the Cenacles of the seventh of each month

(Marcos): (As I did not know where Our Lady would appear, I decided to wait for Her on top of the hill where the Tree is da Aparição, for being a high place, from where you can see almost the entire Sanctuary.

After praying the Rosary, suddenly people saw me get up and look in various directions, until I suddenly turned my gaze towards the sun, and then ran at a run towards the Tree, falling to my knees as I approached it.

They all came after me, and knelt beside me, realizing that I was in ecstasy and that I was fixing a point above the Tree. Everyone understood that it was there that Our Lady was appearing to me.

From my point of view, everything happened like this: at the end of the Rosary, I felt in my heart a kind of presentiment that Our Lady was going to appear. I got up to see where. Looking in the distance, I saw Our Lady who appeared within the sun and came towards the Tree. She stopped a little and landed on the highest part of the Tree.

She said that this Tree would be the place where She would give the Messages to Her children, and asked that I always come here and kneel before this Tree, to receive Her Messages.

She asked for the Tree to be surrounded, so that no one could come under it or be desecrated. Our Lady prayed a Rosary of ejaculations, small prayers, so that the Graces of GOD would be realized here. Then he said to Me:)

"- I want My children to come here and once a week, on Sundays, at 6:30 pm, I will appear and give messages... Come to hear Me!... Take all the people to pray with my heart here..."

Second Apparition - at 10:30 pm

"- Pray the Rosary! With Him, you will overcome all evil, whether it comes from people, or what comes from the devil... With prayer you will undo all evil, and give Victory to GOOD... "

Day 14/03/99

"- I thank everyone who came today... Come back next Sunday at the same

time... I

will continue to grant My Graces to everyone who prays the Rosary daily, with LOVE and perseverance in Him, despite all the difficulties and hustles of everyday life...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/15/99

"- My children, continue to pray the Rosary every day... Tomorrow begin the novena of the Feast of the Annunciation, and on Friday, the 19th, offer your fasting in honor of My Most Holy Spouse Saint Joseph!...

Any Grace you ask of Him, if it is the Will of GOD, will be granted to you..."

In My Heart there is shelter, there is refuge and there is LOVE for all... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Second Apparition - at 22:30hs

"- Tomorrow is the day and Feast of My Spouse Saint Joseph!... I wish, as I had already asked, that you offer fasting in honor of Him, and the Grace that you ask Him tomorrow, if it is the Will of GOD, will be granted to you, even if it is very big...

I also wish that tomorrow you will invoke My Spouse Saint Joseph many times, and that you pray for all the spouses of the whole world, so that they may be free from drink, drugs, adultery and from every temptation of Satan...

May you make a personal consecration to Saint Joseph tomorrow!... In this way, He will place you in His Arms, as He did with the Child Jesus, and He will be able to take care of you, protect you from all evil and give them the Graces that GOD grants only through His intercession...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 03/20/99

"- Dear children, I wish Holiness from you all... To be a Saint it is necessary a great renunciation of oneself, a firm LOVE for GOD and an ardent resolution to always keep moving forward, even when there are relapses in your sins. .. To be Holy is not to stay on the ground, but to get up and continue following My Son...

Have confidence, My Son!... I will perform the greatest Graces of My Immaculate Heart through the Water that springs there in the Site... You yourself were a witness of this, witness the Grace you received, and tell My children that if they have Faith in My Immaculate Heart, all My Graces will be poured out on them!..."

"- My children, I am very happy for the Siege of Jericho!... My Heart is very happy when you offer Me the Siege..."

Day on which Our Lady

gives the name the 'Fountain of Grace',

and bless it again

" - Call this Fountain "Fountain of Grace"... I again bless this Fountain, as on the first day, and all My children who come to It with Faith , will receive Great Graces!...

Place ¡®five white Crosses¡¯ along the ascent to the Tree... On each Cross, contemplate the Mysteries of the Rosary, corresponding to the day. Place a Crucifix under the Tree, and everyone should kiss it at the end of the prayer of

the Rosary, asking for forgiveness for their sins... Graces will be abundant for those who do so...

I also wish that a Way of the Cross be built here ... May people pray the Rosary here every day. On Good Friday, I will come again to this Fountain. Wait for me here...

I declare this Fountain of Grace, a Fountain for all men... I am the Mother, not only of those who pray, but... I am the Sorrowful Mother of all men, whether good or bad, and I want all to be healed through this Source, be converted through this Source... Declare It, announce It to everyone you meet! Do not hide this ¡®Treasure¡¯ just for yourselves!...

Make a Grotto here, and place an Image as I appeared blessing this Fountain... Where the people drink the Water, place an Image of Me with folded Hands.. ."

Day 31/03/99 Holy Wednesday

"- Dear children, tomorrow begins the siege of Jericho, which I wish it to be done with perseverance and fidelity by each of you...

"- Today is the Day of institution of the Eucharist... Offer the Mass in praise of Almighty GOD, for having given this Great Gift, which is My Son... I am close to the Eucharist!... Go to It, there you will find Me.. ."

Day 02/04/99 Good Friday

Apparition next to the ¡®Fonte da Graça¡¯ - Sanctuary

(Marcos): Our Lady appeared as Our Lady of Sorrows, wearing a black robe and purple dress. She said:)

"- Stay with Me today at the foot of the Cross of My Son, who, after a very painful agony, dies to save all humanity...

Today, I am the Mother of Pain and loneliness... With My soul shattered by anguish, I remained at the foot of My Son's Cross...

I am the Mother of Pain and loneliness, because when I was separated from My Son Jesus, at the moment of the Crucifixion, I was alone, without My Only True LOVE, without the reason for all My being and My existence... I was

separated from HIM, I was separated from HIM, while I was desolately contemplating HIS bloody Crucifixion...

Today, I am the Mother of Pain and loneliness, because I heard the laments of My Son, directed from the top of the Cross, in the midst of atrocious pain, without anyone relieving HIS Suffering...

Today, I am the Mother of Pain and loneliness, because in the face of the cruelty of the executioners, satan unleashed all his hatred against My dying Son...

Today, I am the Mother of Pain and loneliness, because even after almost two thousand years of that DAY, that most terrible DAY of My LIFE, many do not remember the Sufferings that My Son Jesus suffered, and the Pains of My Immaculate Heart... they do not even remember HIS NAME...

Today, I am the Mother of Pain and loneliness, because humanity, fallen into an abyss of lack of Faith, lack of religion, prayer and piety, turned away from GOD, its Creator, rebelled against HIM, and decidedly he preferred satan and evil...

I am the Mother of Pain and loneliness, because I see My dear daughter, the Church, despised, vilified, and She herself obscured by a great lack of Faith and fervor... There are many children of Mine who believe, this is true, but... many have already lost their Faith, and no longer believe in anything else... They do not even believe in the Death and Holy Sacrifice of My Son... This is the reason for My Greatest Pain...

I am the Mother of Pain and loneliness, seeing My Son Jesus abandoned in the Eucharist, despised in His Sacraments and in His Commandments...

Today, I am the Mother of Pain and loneliness, who is at the side of all My children vilified, despised, humiliated and condemned by this perverted and atheistic humanity, which has turned away from the Lord...

Today, I am the Mother of Pain and loneliness, seeing that My numerous Messages and Tears, cannot convert their hearts, already insensitive to anything from Heaven...

Therefore, stay with Me at the foot of the Cross, in intimate and intense Pain and prayer of LOVE ... With me, offer... With me, suffer... With me, wait... With me, trust... With me, cry... With me, give yourselves to the Lord, together with My Son, for the salvation of all humanity.. Only then will you be able to alleviate My Great Pain and My Son's Great Pain...

I invite you: - be Saints, and today abandon your sins once and for all!... In this way, My Great Sorrow will become a Great Joy, and then the Great TRIUMPH of My Immaculate Heart, which will coincide with the greatest exaltation of the Holy Sacrifice of My Son Jesus in all His Glory!..."

(Mark): (Our Lady opened her Arms and invited me to pray with Her in silence, before Jesus Crucified that we saw as on a screen. Then he lowered himself over the Fountain and said to me:)

"- This Fountain of Water is Miraculous, and all those who come to It with Faith and Trust, will receive Great Graces from My Heart!. ..

Today, on the day of My Greatest Pain next to My Son, I bless this Source once again, with the STRENGTH and Holy VIRTUES of the Holy Cross of My Son..."

(Marcos): (A Cross made of Light appeared in Our Lady's right hand, which projected luminous rays towards the Water, then the Cross disappeared. Our Lady continued:)

"- Drink... Wash your souls in this Fountain!. .. Purify your heart, and ask Me to increase your Faith, and I, the Lady of Sorrows and Peace, will answer you, if you ask Me with a sincere heart...

With this Water, many will convert ... Many will be healed... However, it will ¡®reveal the secret thoughts¡¯ of many hearts...

This is a Source for all the Countries of the Earth... for all My children, whether they are Catholic or not ...

All who come to Her will receive My Graces, according to the Will of the FATHER, because I am the Mother of all men, and I want to convert and save everyone...

This Grace, I have obtained from My DIVINE Son through the Merits of My Sorrows..."

(Mark): (Our Lady opened Her Mantle, and Her Heart appeared pierced by Seven Swords, and with many thorns around. Those Swords came out of Her Heart, and She took them all in Her Hands, and let them descend slowly to the Water of the Fountain.

When the Swords arrived in the Water, they dissolved into particles of LIGHT. Our Lady invited me to descend to the Water.

as she could, and with the edge of Her black Veil, which had a bright golden embroidery at the end, she touched the Water with the end of this Veil, and said that this Water was Sanctified by Her Presence

. having gone to church for the afternoon worship, to which She replied:)

"- Yes, I was happy, and I showered many Graces on you as you worshiped the Cross...

I want you to give a message from Me to some people... to those who have

worked voluntarily here... tell them what about them today comes a particular Blessing, special from My Immaculate Heart..."

(Mark): (At this moment of the above Message, Our Lady began to smile, but, when she finished it, Her face became sad again, and then Her Tears began to run down to the chin, but did not drip. Thus, crying, Our Lady disappeared)

Day 03/04/99 Holy Saturday

"- I am the Lady of prayer! Today, ask Jesus to resurrect the poor sinners, to resurrect the souls of the whole world...

Trust in Jesus!... Trust in My Immaculate Heart!... I am His Mother and of all of you, and I will pray for all..."

Day 04/04/99 Easter Sunday - Resurrection of the Lord

"- Rejoice With me... Jesus is risen!!! Pray that the resurrection also happens to each one of you..."

Day 05/04/99

"- With your prayers, I will be able to work miracles in you and in all those who come here!...

Pray for Mine children who have suffered in the war in Kosovo!... With your prayers, I can help them... Offer prayers for them!..."

Message from Our Lord Jesus Christ

"- Generation!... Listen to what the LOVE of loves (pause) comes to tell you!... Generation! The Cherubim and the Seraphim are consumed, eternally, with LOVE for ME, but... your heart is far away, it is scattered...

What was given to you, generation, for you to change ME (pause) so subtly?... What is it... that My adversary introduced you, that fascinated your eyes, and made you forget (pause) the ¡ ®Caresses', and the 'Gifts' of LOVE that I had given you?...

O generation! My adversary presented you with pleasure, lust; presented you with seduction, malice, and you, like (pause) a drunken woman, ran wildly (pause) into her poison...

Generation... Come back! Come back to ME, so that I can help you!... Otherwise, you will remain in darkness...

Generation... My Heart ¡®screams¡¯, through My Holy COMMANDMENTS... My Voice ¡®screams¡¯ ', through My Holy WORD... My Heart 'cries', through My servants, whom I have chosen, to transmit My Desires...

Generation! (pause) What more can I do for you than what I have done?...(on the Cross) If the madness of the Cross is not enough for you, what will it be, generation?...

I invite you to enter the ¡®Ocean¡¯ of My Mercy! I assure you, if you enter into Him, you will never come out... Enter, while the 'door' (pause) is open, because many I have called, but those who will be 'chosen' will be very few.. .Come ,

generation! Stay close to ME, and listen (pause) to what the Hearts that love you most have to say...

O generation! Keep My COMMANDMENTS! Day 04/25/99Message from Saint Rafael Archangel

(Observation - Marcos): (By Order of GOD, Saint Rafael Archangel communicated this Message at the Sanctuary of the Apparitions of Jesus and Mary in Jacareí - SP, at 18 :30hs ¨C Sunday, as Our Lady had previously announced. Both appeared together, however, only Saint Raphael gave a public message.)

"- The Peace of Our GOD be with you!... I am one of the ¡®Seven Angels¡¯ who are unceasingly in the Presence of the Lord...

O Children of GOD! O men loved by HIM! I, Saint Raphael Archangel, love you! and I want more and more to be close to your sufferings and difficulties...

I am the one the Lord has appointed to bring you ¡®balm¡¯ from Heaven, and to pour it on your wounds, pains and sorrows... I am always at the feet of the Most Holy Virgin Mary, Queen and Lady of the Universe, and I promptly carry out all Her Maternal Orders concerning you...

It is My living desire that you pray My Rosary every day!... If men did it this, many healings would have already taken place, but... as you are relaxed, and so often indifferent towards prayer and towards this My Rosary, the Graces are withheld in Heaven, because the Lord has placed the condition ¡®to ask ' to carry them out...

As I freed Tobias and Sara from the power of the devil, it is My Mission to free them also from the enemy of their salvation... I persecute the demons as I persecuted Asmodeus, freeing Sarah's family... So too, I desire to ¡®arrest ' the demons that attack your families, and I will do this, if you pray My Rosary daily...

The world has completely turned away from GOD!... There are almost no families in Peace anymore, and those that have Peace , it is only an ¡®apparent¡¯ Peace... Hate, envy, disputes, ambition and falsehood reign everywhere, because men have forgotten GOD, the ¡®Sole Source of All GOOD. ', because HE IS THE SUPREME GOOD ITSELF...

Listen, beloved children of GOD! It will not be long before the world will be ¡®purified¡¯, but... for this to happen, (...) there will be great events, with suffering for the bad (...), punishments for the rebels, (...) and also with the sacrifices of the good (...); only in this way can this be accomplished!...

Now is the ¡®hour of FAITH¡¯!!!... You must have an unshakable FAITH in the Lord Our GOD. They must deeply love the Blessed Virgin, Queen of Heaven and Earth. They must be very good, pray a lot and do no harm to anyone. Only in this way can they be worthy of the salvation that God offers...

I implore prayers for Peace, for the Holy Father the Pope, for the Church, and especially for atheists, those who do not believe in GOD, because all the evil in the world, wars and all other vicissitudes, are caused by atheists... If they are converted, the world will be converted...

Beloved children of the Lord, do you not see that the lines of the Apocalypse, one by one, are now being fulfilled? THE BATTLE between the ¡®WOMAN Clothed in the SUN¡¯, MARY, THE QUEEN OF HEAVEN AND EARTH, and the Red Dragon, the devil and his evil forces... now, this ¡®Fight¡¯ is in its phase final and conclusive!...

It's time for conversion! Either do penance, or they will all perish!...

Believe in the Gospel!!! Everything is there, but... because they don't believe, GOD, in HIS Mercy, sends the Blessed Virgin Mary with Her Apparitions and Her Tears, to try to convert them... Very soon, they won't see the Blessed Virgin anymore, and happy those who have believed in HER!...

Along with São Miguel and São Gabriel, I have the Mission to help and protect them!... and I ask you, in the Name of the Lord:

SEDE SANTOS!!!

BE GOOD!!! LOVE erases a multitude of sins, and will grant you PEACE!...

Pray for Russia, pray for Communist Countries, otherwise you will become humanity's 'whiplash'... Pray, have trust in GOD!... HE does not forsake the just and the poor!...

May the Lord bless you all!..."

Day 04/26/99

"- I am the Mother of Graces!... I want to grant the Grace of a ¡®true¡¯ LOVE for GOD to all hearts, but... hearts do not approach Me...

The Flames of My LOVE they are already prepared to spread into the hearts of men!... Open your hearts and pray!... My Heart is now seeking souls who welcome My LOVE... Be you the first!...

Pray the Chaplet of Saint Michael the Archangel, in the Oratory dedicated to Him, there on Mount... GOD has granted Graces to Saint Michael to give you, but... the condition is that you beg Him, and there is no better way to ask for His protection , than praying the Rosary of Saint Michael!..."

Day 04/27/99

"- My children, with your Rosary, I can stop the war and achieve Peace... I ask you all to pray more Rosary every day..."

Day 28/04/99

"- With prayer, you can change everything... everything can be changed when you pray... I rejoice when you pray more..."

Day 29/04/99

"- My children, do not be afraid of anything, and trust in My Heart!... My children need and need My Peace and My Mercy...

As immense as the expanse of the sea, so I Am full of LOVE and Mercy , for all who call on Me... In any need, in any difficulty, call on Me, invoke Me, and I will come and stay with you, and then your Crosses and your sufferings will ¡®lessen¡¯, and will become light..."

Day 04/30/99

"- My children, be each day more faithful to the afternoon prayers, here in the Chapel... If you knew how much good these prayers here do to the whole world, you would say these prayers with much more Faith and love...

Keep going! be discouraged! Raise the spirit of each of you! Pray with faith and trust, because faith and trust are always rewarded by GOD!...

Tomorrow, begin the siege of Jericho with redoubled faith in your heart... you ask through it, it will be granted to you, according to the Will of GOD... Trust, because many Graces will indeed be given...

May you also open your heart today, and thank GOD for this month of Mercy, which was so full of Graces for everyone... Thank the Lord!... When you thank Him, HE feels happy and, in this immense happiness, showers you with many Blessings...

I am with you, and I bless you..."

Day 01/05/99

"- Pray the Rosary every day for the Peace of the world... Pray it to console My Heart !... Pray Him to save souls!... I need your prayers, to save all souls and take them to GOD!...

My Heart rejoices with your prayers, particularly the Rosary. .."

Second Apparition - at 10:30 pm

"- Tomorrow, pray the Rosary of Sorrows, contemplating My Sorrows, and commune for the Peace of the world... (pause) I LOVE you all!..."

(Mark): (On this day, Our Lady taught me a prayer to the Angel of Peace, however, She said it was just for me. Our Lady did not explain the reason)

Day 02/05/99

Message from the Angel of PEACE

Sanctuary - Tree of Apparitions

"- I, the Angel of Peace, bring you a Message from the Lord:

CONVERT - SESEMEMORA ! ! !

...it's the Lord's will! Everyone convert, because the time for conversion is now, while the Grace of GOD allows itself to be found... If there is no conversion of their hearts, many nations around the world will have a lot to suffer... (pause) Brazil! !! what a 'pity' you give me!... If you don't convert, you will be suffocated, in the midst of unparalleled torments... (pause) Latin America!!! You were graced with many 'caresses' and 'cares' of the Blessed Virgin, but your sin is also great!... If you do not convert, sufferings such as have never been seen will devour you... (pause)America!!! you who from your first moment were placed by GOD on the ¡®lap¡¯ of the Virgin Mother so that She would protect you, if you do not renounce your sins and evildoings, you will be harshly punished, because in exchange for so much LOVE, your conduct and your works are only of ingratitude and rebellion against your Lord!... (pause) In the same way: - Europe!!! Asia!!! Africa!!! Oceania!!!... If they don't convert, they will become the 'whips' of humanity... (pause) So that the 'innocent blood' doesn't run through the earth, the Queen of Heaven and Earth descends to try to wake them up, from the madness of sin they are in!...

All convert! All convert! There is no other remedy but prayer and conversion!...

Launch a ¡®Crusade of the Rosary¡¯ throughout this country! May He be prayed everywhere, incessantly, so that Brazil is saved... If you ask with humility and insistence, the One and True GOD, in which we live, will answer!...

Convert! This is what the Blessed Virgin Mary desires and asks, in the Name of the Lord... Convert! and then the LOVE of GOD will transform this earth into a limpid 'mirror' of Heaven, of Paradise!...

I, the Angel of Peace, love you very much, and I take care that Peace remains in your families and hearts... I am not known as the other Three Archangels: - São Miguel, São Gabriel, and São Rafael... therefore My desire: - that devotion to this Angel that the Lord makes known to you today also spread throughout the world; so that the world may know Peace, so that My Name may be invoked in their prayers, and so the world may receive Peace...

This is the Desire and Order of the Lord Our GOD to transmit to you today!... I am faithful to HIM, and I 'obediently' fulfill HIS Commands and Desires...

May the Lord bless you all, and may HIS Infinite PEACE always remain with you all!..."

Day 03/05/99

"- Prayer must be done with love, and it must come from love... This is the ¡®secret¡¯ of the Saints!... Every time they prayed, their prayers came from the

heart... In this way, love ascended to Heaven and LOVE descended from Heaven, LOVE was given from Heaven to men...

If you want to follow the same path of Holiness, pray a lot, but... pray with love... In this way, the love will ascend to Heaven and return to men, with Graces that will reach the soul of every man..."

Day 04/05/99

(Marcos): (Our Lady blessed those present, but did not give any public message)

Day 06/05/99

Day 07/05/99 Monthly Anniversary of the Apparitions

Message from Our Lady

"- Dear children...(pause) I am with you... I am the Queen and Messenger of Peace! I come from Heaven, dear children, to invite you to prayer and penance...

My children, I want the Holy Rosary to be prayed every day , in your homes, in the Church, wherever you are... My Flame of LOVE, My children, burns in 'flames' in My Virgin Breast, and I desire to pour out My Flame of LOVE on everyone you...

My children, the world does not know My Flame of LOVE, and those who do, know very little... It is necessary that each one of you take My Flame of LOVE to all men... (pause) How will you do it? that? Through prayer; through the dissemination of My Messages; through the example of life, (pause) a holy life, of each one of you, and you will set the world on fire (pause) with the FIRE of LOVE of My Immaculate Heart!...

The world, consumed in hatred, pleasure and sin, like a corpse, becomes more and more (pause) filled with darkness... Sin has dominated the whole world... Therefore, My children, it is necessary now, that beyond of prayer, let there be your faithful, persevering witness to the Gospel of My Son Jesus, and also to the ¡®requests¡¯ that I make (pause) in My Messages... (pause) Do not be disturbed (pause) your hearts ... My TRIUMPH will happen! But ¡®how¡¯, (pause) and ¡®in what way', is reserved only for the FATHER (pause) and My Immaculate Heart, who reveals this DIVINE Secret only to those whom the

FATHER has determined... To you, (pause) it is necessary to believe while praying!...

Trust, My Children!...

Satan (pause) has proclaimed his ¡®apparent¡¯ victory, in having controlled (pause) the minds of scientists, the rulers of nations, and the mighty of this world. But... GOD laughs at satan, and GOD will work HIS Greatest VICTORY, causing My TRIUMPH to ¡®shine¡¯ soon, on the heavens (pause) and on the earth, of the whole world... Trust! !!...

For this month of May, I wish you to perform a Thousand Hail Marys every Saturday! Offer... for the TRIUMPH of My Immaculate Heart, for My Intentions, and I will then pray for your intentions... It is not much, My children... (pause) Pray, and you will see how many Graces I can give you. give... Don't be afraid, (pause) begin, and you will be amazed at the effects of this powerful prayer, made more and more in union with Me...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation! (pause) I LOVE you!... I AM a GOD 'consumed' of LOVE for you!... My Sacred Heart (pause) is attentive to the voice of your supplications...

My Sacred Heart is comforted , seeing this crowd at My Feet and at My MOTHER's Feet!... Never (pause) forget this: - ¡®Everything that is done to My MOTHER, in fact, results in a greater Glory to ME myself¡¯ !...

Generation! Listen to OUR Hearts (pause) in this month of roses, flowers, and LOVE... Generation! The ¡®time¡¯, prescribed by the FATHER, is approaching, (pause) and now the time has come, for your works to show... what your Faith is...

I want you to turn to ME, generation, because then I can (pause) heal you, free you from the shackles of sin, and give you the Peace, which you seek so much (pause) in the things of the world, where it does not exist...

Generation! Hear My ¡®call¡¯:

¡®I am in the Blessed Sacrament of the Altar, generation, and you do not see Me!!!...

I am in Holy Communion with you, and you do not hear ME!!!...

Uno- ME to you in Holy Communion, yet you do not know ME...'

O generation! Know that I have never revealed so many 'treasures' of My Mercy as in this century! Therefore, return to ME, generation, to the foot of the Tabernacle! There is your TREASURE, there must also be your heart...

Generation, (pause) the Blessed Sacrament of the Altar is the SECRET OF HEAVEN... I reveal this SECRET to the 'friends', who unite with ME... Come, generation, next to ME in the Tabernacle, and then , I will besiege in your ears, this SECRET...

Generation! The Fountain that flows here, in this 'Sacred Place', is a Fountain that has sprung (pause) from the Pure LOVE of My MOTHER's Heart!... Fountain of Purity! Source of Grace! Fountain of Peace, of LOVE and Joy!...

Drink from it, wash yourselves in it, everyone, because this Fountain belongs to My MOTHER, and because of HER, I will do 'wonderful wonders', if you ask Me in faith. ..

Let everyone know that ¡®this Place is Holy¡¯, worthy of prayer and respect!!!... Therefore, you should not talk here, but pray, open your heart, and I will open Heaven (pause) for those who come here... I only demand the sacrifice of pilgrimage here, so that I may pour out My Graces to you...

Here is the ¡®Secretary¡¯ of My Peace and My Mercy ! My servant, whom My Heart and the Heart of My Mother (pause) have been using for the last eight years, and on whom we have poured OUR Graces and ¡®favors¡¯, so that through him, they may reach all souls...

You must pray, not only for this one, but for all My chosen servants throughout the world (pause) because through them the 'sick sheep' of My flock (pause) will be brought into My Presence to be healed by ME...

Generation, I LOVE YOU! Proclaim to the whole world that the Sacred Heart of your GOD (pause) has 'suffered' and 'groaned' for you, day and night...

Come, generation... take shelter in My Wounds, (pause) wash yourself in the Strength of My BLOOD, and you will live again... Let My Lips imprint on you the kiss of My DIVINE LOVE, so that, enflamed in this LOVE, you can then ¡®reflourish¡¯, as well as the flowers after winter, in spring, show all their beauty...

Generation, come! I LOVE you very much!... On the Cross, I gave My LIFE for you, and on the Altars, I give you MYSELF!...

Come generation... Receive ME! Hear me! Abide with ME, and then you will live for all ETERNITY, and everyone will know the EXTREME PASSIONATE LOVE (pause) that I keep increasing for you every day...

Day 13/05/99 Apparition at the Sanctuary, on the Tree of Apparitions

Day of the "BEGINNING" of the TRIUMPH

of the Immaculate Heart of Mary

(Marcos): (As Our Lady asked us, we waited for Her in the Sanctuary, in the Tree, at the time appointed by Her, with prayers of the Way of the Cross and the Rosary. Many pilgrims also came from outside.

During the moment of the Apparition, it began There was a small drizzle that fell on everyone, although it didn't leave anyone wet at the end of the Apparition, when the drizzle also ended.

Also on this day Our Lady granted a large photographic sign, which can be found in the photo book of ¡®signs¡¡. ¯, in this book. It happened like this: A pilgrim took a photograph of the Tree at the moment of the Apparition, and a large globe of Light appeared on the Tree, indicating the presence of Our Lady and Her Angels, who on this day, at thousands, accompanied Our Lady.

She came all in gold, and in Her right hand she carried a Scepter of Power.)

"- Dear children, today you remember My Apparition in the poor Cova da Iria, in Fatima, in the distant year of 1917...

As I promised you, Today the TRIUMPH of My Immaculate Heart begins! My Angels must travel the whole world and bring to Me, to My Immaculate Heart, My children that I ¡®want¡¯ to save...

You who are here, have been washed in this instant... Rejoice in this! Rejoice much more because your names are engraved on My Immaculate Heart!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

* (Later, on April 7, 2000, Our Lord Jesus Christ would allude to the beginning of the TRIUMPH of the Immaculate Heart of HIS MOTHER in Poland, through the Canonization of Sister Maria Faustina Kowalska by Pope John Paul II, and consequent universal recognition of the Work of DIVINE Mercy, revealed to her by the Lord in His Apparitions, during almost all of her life.

Therefore, a Saint of Apparitions, the first to be canonized in the Great Jubilee Year, when so many fight both outside and inside the Church the Apparitions And it is a relevant fact that in these Apparitions, Our Lord affirms that, when the universal recognition of His Mercy was given, it would be the SIGN that His Glorious Return would be imminent, at the gates...)

At the end of the Rosary every day, ask Me to give you the Gift of the Holy Spirit, and you will be answered, each one to the extent that GOD wants...

Day 07/06/99 Monthly Anniversary of the Apparitions

Message from Our Lady

"- I am... (pause) the Lady of the Rosary!... My children, here is what I want from you, today and every day: - Faith and Trust!... The soul that ¡®distrusts¡¯, it is the one that most offends the Lord, and that most ¡®saddens¡¯ My Immaculate Heart, because without trust, I cannot lead the soul along the path of spiritual growth, nor to Holiness...

Little children, have faith! (pause) Believe in all that My Son Jesus has told you... Believe, My children, that now (pause) is the 'hour' of the 'PERFECT FULFILLMENT' of all the Prophecies and Heavenly Messages (pause)) that the FATHER sent into the world...

My children... I don't have much time with you anymore!... The END of My Apparitions is approaching... and yet you continue to be hardened in your sins, obstinate (pause) in the evil you commit, and not convert, My children...

My children, run, because time (pause) is running out... Help Me by praying and living My Messages, because I am in a hurry...

My children, forward!... courage!... Don't fall to the ground!!!... Get up!... (pause) Walk the paths!... Seek hearts!... Speak!... Announce!!.. (pause) Spread and take My Grace!!!... Hail! what can still be saved...

Little children... you do not understand, nor do you understand My Messages, because you pray little!... and the little you pray, (pause) you pray very badly...

Convert!... Open your hearts!... Live My Messages!...

Most of the places where My Son and I appeared in the world are completely abandoned, because men do not want to listen to the Appeal ¡® ALIVE! of the Mother of the Lord... (pause) Don't hurt anymore... Don't hurt anymore (pause) this Immaculate Maternal Heart... of Your Heavenly Mother, who loves you so much!...

Don't hurt anymore... the Most Sweet Heart of Jesus, which pours Himself out in Mercy throughout the world!... (pause) Convert yourselves My children... (pause) Tell Pope John Paul II, as soon as possible, that I LOVE him, and I am with him, and I entrust him with the WORD with which I came to Jacareí: - PEACE!... PEACE!... PEACE!... which he must take to all the ends of the world, with the ¡®Breath¡¯ that the Holy Spirit grants you...

I am the Spouse of the Holy Spirit, (pause) and where He is, I am also, and where I am, He also comes to be present...

My children, defend the Catholic Church, whatever the cost!... No allow (pause) sin, and the 'enemies' of the True Faith (pause) to dominate it... (pause) Keep the True Faith!... (pause)Pray the Rosary!... Many already felt the 'beauty' of

the Rosary, but others have not yet known (pause) the 'Secret of the Rosary'...

Fast, on bread and water, on Wednesdays and Fridays... If necessary more, (pause) I'll be back to ask for a third day...

Pray for Peace!... The war is going to end soon, but Satan, shakes his diabolical 'tail', so as not to allow the Peace and Joy Projects that My Son and I (pause) have made for you, but... trust! My Immaculate Heart WILL TRIUMPH!...

This June, continue with the Thousand Hail Marys every Saturday, and this Friday, in Honor of the Heart of My Son Jesus... in Honor of His Adorable Heart, (pause) pray a thousand times:

¡®Sacred Heart of Jesus, I trust in You, I trust in Your LOVE, I trust in Your Mercy!¡¯...

Thank you for having listened with love (pause) to My invitation!... "

Message from Our Lord Jesus Christ

"- Generation!... My chosen people!... My Sacred Heart (pause) throbs... of LOVE for you... (pause) My children, My beloved people, My Heart (pause) prints today, in you all, (pause) My Grace... My LOVE!... My Mercy... (pause) OUR TWO Hearts (pause) WILL TRIUMPH... My Cross, which was mocked, My ¡®Mystery of LOVE', which even today continues in all the Tabernacles, in all the Altars of the earth, My ¡®Mystery of LOVE¡¯ (pause) WILL TRIUMPH!...

Generation! My Peter on earth, who is Pope John Paul II!... (pause) Listen to what he says, (pause) because My Heart has blessed every word on his lips!... because My Heart (pause)) printed, the FIRE of the Holy Spirit in all his acts!...

Generation, it is to be faithful that I call you... The ¡®apostasy¡¯ has taken over families, and has even penetrated into My Church... Many pastors and faithful no longer believe in anything!.. They treat My ¡®Sacred Things¡¯, with levity and disrespect...

They don't have purity anymore! Chastity (pause) is simply despised, and mocked (pause) by everyone... There is no more LOVE!... The heart of man (pause) has become worse than that of animals...

Generation!.. .How did you fall (pause) so low?... (pause) Generation, My people!!! I come to lift you up!!!... I sent My MOTHER to lift you up, generation!!! but... a ¡®new sword of pain¡¯ you prepared for HER and ME!... a new spear (pause) of disbelief!... of lovelessness!! ...and betrayal...

Generation... Listen to My Heart!... (pause) I want to plunge you into the abyss of My Mercy! I want to give you, generation, a 'singular drink' of My REAL DIVINITY, but I cannot do it if there is no 'trust'...

The distrusting soul, (pause) nails ME to the Cross again , and holds ME with the spear across the chest, without taking it out...

The soul that distrusts, (pause) comes close to Faith, but does not possess it, because at the moment of receiving it, soon doubts... and , therefore, again decays (pause) into darkness...

The soul that distrusts, (pause) prefers to remain in darkness (pause) than in Light... (pause) Whoever follows me, does not walk in darkness... (pause) Whoever listens to ME, will not be lost.. (pause) Therefore, generation, listen to ME, I am your Way, your Only TRUTH, your Only LIFE... (pause) Give up, generation... of the attempts you make to free yourself from ME, seeking happiness where it is not... (pause) seeking happiness in this world...

The distrusting soul! the unbelieving soul! the worldly soul too, (pause) seeks happiness in the things of this world... They pursue it, but they are always far from it, because it eludes them... (pause) Their joy is fleeting; unreal; illusory; mistake; lie...

Out of My Sacrosanct FATHER!! Out of me!! Out of the Holy Spirit!! Outside the 'union' and 'protection' of My Most Holy MOTHER!!!... there is no LOVE... there is no happiness... there is no Peace... (pause) Pray for the Church, for My Church... for the 'serpents' (pause) nested in It... Yes, My 'houses of prayer' have become playgrounds, and I meet... (pause) I want it! ... I want to see My children again (pause) in My Churches, on My Holy Altars... I want to be exposed again on the Altars (pause) as in the old days...

I want to see!!... I want to hear!!... I want to speak!!... I want to touch My children!!!... That's why I ask priests to expose Me, daily, in their Churches and regions (pause) of the earth will be converted... (pause) I want to stay with My children... I want to heal them... I want to attract them again!!... (pause) I want them at the foot of ME... (pause) And you, My faithful children, My beloved people, must begin now... to seek Me in the Blessed Sacrament, and I will begin (pause) My Work (pause) of LOVE and Salvation, taking you you, with your families, to the greatest TRIUMPH of OUR TWO Hearts... (pause) Pray the Chaplet of Mercy, the Chaplet of the Eucharist... every day, and I will grant the world, a period of Peace... (pause) I... love you very much, My people... generation... (and now, speaking with a very low Voice, almost whispering, very soft) and I wait for you... and I listen to you... and I forgive you always..."

(after some time, the seer:)... "THEY began to bless..."

Day 09/06/99

"- It is necessary to pray more to the Heart of Jesus!... Pray more!..."

PERIOD of ten days without the DAILY APPARITIONS

(Observation - Mark): (Our Lady asked me if I would accept to stay for a period of ten days without Her daily Apparitions, and offer this sacrifice for the Intentions of Her Immaculate Heart and for the conversion of sinners. I accepted, and then Our Lady withdrew for this period.

When I replied that yes, that I accepted, despite the anticipated pain I already felt, She consoled me, and told me that although She did not appear, She would always continue there, with us, collecting our prayers and uniting them with Hers, to present them to Her Son Jesus)

Day 20/06/99 Chapel of the Apparitions - at 20:05hs

"- I am very happy for this meditation that preceded the Apparition, which was very rich and fruitful for everyone, but... I am very sad, because many of My children , in these ten days when I didn't give any Messages, but I stayed here, they turned away from Me and didn't show up anymore...

This is how they will do it when the Apparitions are over... My Heart already feels anticipated ¡®pain¡¯, because I I will see many of My children move away from Me, with the end of the Apparitions... What My Eyes saw, drew Me intense tears... that's how, that's how they will forget Me, many of them...

My My heart is 'transmitted' with pain... May My children, who are faithful and constant in My Service, console My Mother's Heart!..."

Day 27/06/99 Sanctuary of the Apparitions - at 18:30hs

PRAYER taught by Our Lady:

The Ten Our Fathers of Reparation

at TEN COMMANDMENTS of the Law of GOD

(Mark): (Our Lady came with Her Rosary in Her Hand, took it off and asked me to take mine off. Raising her Voice and taking the first account, she said:)"- Let us contemplate the TEN COMMANDMENTS of the Law of GOD... Let's make amends and make amends for each COMMANDMENT disobeyed by humanity. Pray with Me:

In reparation to the First COMMANDMENT: "You shall love the Lord your God above all things,

with all your heart, with all your soul, with all your strength,

and with all your mind." Our Father...

In reparation for the Second COMMANDMENT:*"Thou shalt not take His Holy Name in vain." Our Father...

In reparation for the Third COMMANDMENT: "You shall keep Sundays and Holy Days of Guard." Our Father...

In reparation to the Fourth COMMANDMENT: "You shall honor your father and your mother." Our Father...

In reparation to the Fifth COMMANDMENT: "Thou shalt not kill." Our Father...

In reparation for the Sixth COMMANDMENT: "You shall not sin against chastity." Our Father...

In reparation for the Seventh COMMANDMENT: "Thou shalt not steal." Our Father...

In reparation to the Eighth COMMANDMENT: "Thou shalt not bear false witness." Our Father...

In reparation to the Ninth COMMANDMENT: "You shall not desire your neighbor's wife." Our Father

In reparation for the Tenth COMMANDMENT: "You shall not covet the things of others." Our Father...

(Marcos): (...and so it was in all the TEN COMMANDMENTS. Finally, he said:)

"- Tell My children that I want them to pray this TEN every day... Ten Our Fathers, one for each COMMANDMENT of GOD'S LAW, saying the COMMANDMENT one by one, and praying the Our Father, one by one...

If My children do this, I will flood them with the Grace of Conversion, of a new LOVE, of a new Peace, of a new LIGHT... and you will be loved by GOD, and I will set you free from sin...

Tell My children that in this month of July I want them to pray these Our Fathers every day, because the month of July is the month of the Most Sacred BLOOD of My Son Jesus, therefore, it is the month of reparation par excellence of the entire year. ..

There are many sinners on Earth... Every day humanity disobeys the

COMMANDMENTS of GOD... It is necessary to pray the Our Father for each COMMANDMENT, because in the Our Father we ask: - Your will be done , not ours... Your COMMANDMENTS be fulfilled, not our desires...

If you do so, GOD will feel ¡®Happy¡¯, and will pour out abundant Blessings, through Me, for My children who attend to this My Order..."

*(Note - Mark): (As many generally have difficulty understanding the meaning of the summarized text of the Second COMMANDMENT, we have literally transcribed the corresponding Biblical verse: "You shall not pronounce the NAME of YAHWEH your GOD in falsehood, for the Lord He does not leave unpunished the one who pronounces HIS NAME in favor of error."(Ex 20,7)

Day 02/07/99

You live in decisive times!must be consecrated every day to Me (pause) by prayer...

The turning point (pause) of the 'fight' between Me and the 'great dragon' has arrived... (pause) Now, what was hidden... will appear... (pause) All what was veiled and hidden will be shown...

How many Apparitions!... How many Messages!... I bless them in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- My people!...(pause) Chosen portion of My Sacred Heart!...(pause) Hear... the ¡®calling¡¯ of ABBA... (pause) I AM LOVE, and he who loves with My LOVE, in ME and for ME, does not die, but will live forever...

LOVE is the ¡®secret¡¯ of IMMORTAL LIFE... It was LOVE that sanctified, (pause) that led to ¡® eternity', My Saints and My Saints... The ¡®knowledge of GOD¡¯ would be useless if there were not the practice of LOVE...

On the day of your ¡®Judgment¡¯, particularly first, and universal later, I will not ask what you knew about Me, but how you loved ME, and how you loved... souls...

I seek souls who console ME! may they be like 'balm' for My Heart, and that of My MOTHER...

I beg urgent conversion! If you had heeded the 'invitation' that My MOTHER, since the early years of this decade, made you 'here', (pause) many souls would have converted...

You do not know how to listen to My WORD!... You cannot understand it, and

you cannot live it, because you do not want to leave your sins...

I recognize that many want to give ME their 'being', but not all... I do not accept rivals! I do not share My ¡®garden¡¯ and My ¡®abodes¡¯ with any other adversary... If you want to be Mine, reflect on this WORD: (pause)¡®- You cannot serve two masters! (pause) No you can serve GOD, and the world...'(pause)Generation, come listen to the ¡®beatings¡¯ of My Heart... ¡®Lateja¡¯, ¡®shudders¡¯ with longing (pause) and I want to help you...

The 'folder door' is still open... I have called 'sheep', but many of them prefer to join the 'goats'... let them stay!!!...(pause) In soon, I will close the 'door', and no one else will open it, and there will be great joy within My 'fold', while outside, night will come, sadness will come, and the gnashing of teeth

... 'sheep' (pause) is the Heart of My MOTHER!!!... Those who heard Her, those who listened to Her, are inside Her Heart, My 'sheep', and they no longer leave it, unless you get discouraged, unless you don't want to anymore...

Until the 'gates of hell' close behind a soul, she is Mine, and I do everything for her, but... after she has consciously preferred hell, and it closes after her, (pause) I don't recognize it anymore... (pause) Therefore, convert!... Convert! (pause) without delay...

Take the Graces and the Message ¡®from this place¡¯, to the ends of the world... I will be the one to speak! It will be I who will use you, and witness through you, to all the ends of the earth! Do something!... (pause) Go... Announce to the world (pause) that LOVE is not loved... and that LOVE returns to you, to establish HIS KINGDOM of Communion, of Holiness, of Righteousness , and of Justice...

I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Revelation of the

FIRST SECRET PAIN

of Our Lady

(Observation - Mark): (Our Lady today began to tell me HER SECRET PAINS, those that are not contained in the Holy Scriptures, but that really happened in

the Life of Our Lady.

I know I don't deserve any of what I heard, so I only ask for the Grace to be faithful in transmitting what I heard. Here's what the Virgin told me:)"- My son, one day, when we were still in Bethlehem, I was nursing the Baby Jesus in My Arms, when, looking at HIS rosy and beautiful Face, I saw a Bloody Face, swollen and disfigured...

I was startled by that hideous and unexpected sight, but... behold, the VOICE of My Son Jesus was heard: - My dear MOTHER, this is what men will do to ME! My Passion! The FATHER wants it so... His will be done! I will suffer a lot! I will be taken to death!

My dear MOTHER, do you wish to suffer WITH ME, and take with ME the sins of all humanity, so that it may be saved? In perfect union with Him, I answered My ¡®YES¡¯ once more... LOVE, and suddenly, that vision disappeared, and I saw Him again as a tiny baby in My Arms...

Copious tears flowed down from My Maternal Eyes, as I offered Myself with Him to the FATHER for the salvation of all of you...

When this happened, Jesus was only fifteen days old...

My son, write all this down, and later share it with the whole world..."

(Observation - Marcos): (Our Lady, Herself, took the initiative to tell me HER SECRET PAINS. She started with this one, the first, but she didn't reveal to me how many they were, nor when She will reveal the others. told me that until the end of my life, She will reveal them all.

What I felt, while She was telling me Her sufferings, I am not able to put into words. I can only say that I was sinking into my chest as if a spear, which wounded my heart with intimate pain, a stinging pain, for all that Our Lady was revealing to me.

It was a double pain that I felt. On the one hand, my heart hurt with acute pain, the enormity of the sufferings that Our Lady and Our Lord accepted to suffer for the LOVE of all of us, which simultaneously made me know, at the same time, as Our Lady went speaking, how immensely GREAT is YOUR LOVE for us. On the other hand, I felt great pain, but less than the first, from the knowledge of the impotence I saw in myself, of how

incapable I am of loving them, of repaying them, as I would like and should...

and Our Lady LOVE us, and, at the same time, how much we are incapable of loving THEM is a torment and a pain that I cannot explain... These feelings hurt my heart, soul and spirit, ¡®as what I can't say...)

Day 09/07/99 Chapel of the Apparitions - at 18:30hs

"- My children, the ¡®conversion¡¯ is a Grace that I give... to My children who love Me...

Day 17/07/99

First Apparition - at 18:30h

"- My children, now is the time for penance! I 'pity' you for what may happen to you, if what I say is not done...

If the Punishment comes, I will not diminish a 'drop' (even) from the CUP of GOD'S JUSTICE. You will have to take it to the end...

Therefore, convert! and do penance..."

Monte das Aparições, Saturday - at 10:30 pm

"- It is time for conversion and penance! The sins of the world 'call vengeance to Heaven'... If there is no one to make reparation and penance, in the place of sinners, I 'sorry' for what will happen to you... Prayer and Sacrifice!...

¡®Being Holy¡¯ means giving everything to the Lord, even the smallest things that seem unimportant...

Now is the ¡®time of Penance¡¯! Do not think that I am ¡®playing¡¯ with you!... If GOD wants to punish you, I will not ease (even) a ¡®drop¡¯ of your sufferings, because it will be deserved... I can only lessen the sufferings of those who

pray, and who trust in Me...

This is the ¡®time of conversion¡¯!!!..."

Day 07/18/99

"- My children, pray the Rosary a lot... Pray for the conversion of atheists! Because they don't believe in GOD, they are the cause of all the bad things that exist in the world... Pray without ceasing for the conversion of atheists!..."

- It is no longer I who I live, but Christ Crucified who LIVES in me!... I bless you..."

Day 23/07/99

Revelation of the

SECOND SECRET PAIN of Our Lady

"- When Jesus was still a newborn, I went one day to change His clothes... Suddenly, I saw in HIS Little Hands and Feet, deep wounds, from which a lot of BLOOD came out...

I looked at HIS side, and there was also a lot of BLOOD coming out of a great Wound... I started to cry, and I asked the ETERNAL FATHER not to take His LIFE...

The Lord revealed to me at that moment how much My Son would have to

suffer, and how much HIS WOUNDS would save souls...

I renewed My ¡®YES¡¯, offering with LOVE all My LIFE, so that the Lord would do what He pleased...

Then My Son became BEAUTIFUL and RADIANT again ...(pause) PAIN has not left My heart anymore..."

Day 24/07/99

São Lourenço-MG - at 18:30hs

"- Pray the prayer Augusta Rainha many times, because a GREAT FIGHT is now taking place, and many souls are in danger...

If you listen to Me, I will be able to prevent many souls from falling into sin..."

Day 07/27/99

"- A GREAT BATTLE is about to be fought between the Angels and the demons, and the objective of this FIGHT is the souls, the whole humanity...

Pray that many come to occupy the ¡®place¡¯ (pause) of the angels that fell..."

Day 01/08/99

"- Dear children, this week, dedicate your prayers for the conversion of atheists, of those who do not believe in GOD... Especially tomorrow, dedicate all the prayers of your day for the conversion of atheists, who are many... They are responsible for all the evils in the world!...

If you ask with faith and trust, GOD will surely answer you, and convert these poor children of mine, who remain in darkness... (pause) I bless you with LOVE..."

Day 02/08/99

"- My children , the events foretold by Me WILL HAPPEN as surely as the WORD of GOD will never pass away... I entrusted instructions to Mirjana in Mediugorie, and also to this My little son I revealed many things, which until now it is not permitted to say

... My Plan unfolds, in silence and in hiding... My acts, My Plans and the steps I take are made there... where Satan does not penetrate, where man's curiosity does not stain, and where only GOD and I can penetrate and probe... And that's why nothing can stop My Plan...

I beg you to redouble your prayers... I thank those who prayed today for atheists, as I asked them yesterday. Tomorrow, I want you to pray for 'relaxed' Christians, for 'cold' Christians... for all Christians who no longer have the

flame of Faith in their chests!... and entertainment...

Thank you for having responded to My call..."

(Marcos): (Our Lady warned that on her birthday, she would be accompanied by the Angel of Peace, the Angel of the Holy Rosary and the Angel of the Most Holy Eucharist)

Day 08/03/99

"- Soon, the ¡®cycle¡¯ of My Apparitions will end all over the world, and the last place to close this ¡®cycle¡¯ will be Mediugórie... There, I will leave a much more impressive Sign than the Miracle of the Sun of Fatima!... It will be indestructible, and no one will be able to deny It...

Pray a lot, My child, because for you here, I also have great Plans...

Tell My children, that on the day of My Birthday, those who come with 'bigger vessels' of prayer will receive more Graces! GOD is just, and cannot grant much to those who pray little, and He cannot grant little to those who pray a lot

... the greater the ¡®vessel of prayers¡¯ with which you come, the greater the Graces you will reap..."

Feast of the Nativity of the Blessed Virgin

"- Dear children, I LOVE each one of you, and I am glad to be and spend this ¡®so beautiful day¡¯ with you...

My Birth Day is a day of Thanks! He is a Light that shines , in this world shrouded in darkness....

The day of My Birth is a day of joy for My children!... a day of sadness for satan and the demons, as they lost many souls, which were under their dominion ...

The day of My Birth¡¯ is a day of joy among the Angels of Heaven!... it is a day of splendor among the Saints and Martyrs, and it is a day of hope for the Holy Souls in Purgatory..

The day of My Birth is a day of consolation for the Church, so tried, so persecuted, so suffered on the roads of the world ...

The day of My Birth is a day of consolation for My children, who suffer because of Me and because of My Messages... it is a day when I comfort them, I love them, I hold them close to My Heart. The day of My

Birth is a day of Peace, for so many hearts without Peace ...

full of pain and suffering...

I am a sign of HOPE!!!

My Birth brought to the world the possibility of the COMING of the SAVIOR!...

My Birth brought to the world the Flame of Hope and LOVE, which will never go out...

My Birth is a reason of certainty for all My children, because just like being born, I brought them the opportunity for the SAVIOR to come into the world, in the same way, I come before to say that He will return, and take those that are HIS with HIM...

Thank you for having heeded the invitation I made to you, to celebrate with Me the Gift of My Life, which the FATHER gave Me!... I

renew My requests: Pray the Rosary... Fulfill My Messages!.. they all came out of the Flame of LOVE in My Heart, to all of you...

I pour out My Blessing on all of you now, in union with the Angel of Peace, the Angel of the Eucharist, and the Angel of the Holy Rosary, who came With me on this day of Glory and Praise to the Most Holy Trinity, and to the One who is HIS Servant, HIS Daughter, HIS Mother, and Much Beloved Wife..."

(Marcos): (Our Lady was wearing a golden dress and mantle, and around her waist was a white sash. On her head she wore a diadem with shining stars, and in her hands the Rosary.

The Angel of Peace was on the right side, and the Angel of Eucharist and the Angel of the Holy Rosary were on the left side. I asked Our Lady if she was happy with the presence of the people)

(Our Lady) "- I am very happy!... Each one who came, I invited myself... very happy that many have heeded My invitation to come to My Feast!...

What do you want from Me today, My child?"

(Marcos): "-I don't want anything... The lady who has her birthday today is that she must want something?! ..."

(Our Lady) "- No... Today, as it is My Feast, the Holy Trinity has granted Me special Graces to give you... I do not let myself be overcome in generosity... Ask Me what you want.. ."

(Mark): "- I ask then that all the people present who confessed a few days ago, and who are without serious sins, have their temporal sentences erased."

(Our Lady) "- I grant what you ask of Me..." (traced the Sign of the Cross)

(Mark): "- If You allow Me to ask for one more thing of Your Goodness, I would like to ask You that all who are here with a sincere heart for the Lady, be saved, one day, and go to Heaven..."

(Our Lady) "- I grant..." (traced the Sign of the Cross)

(Mark): "- Please, Lady, grant this place the Grace of always being a Sanctuary, a place where prayer never ceases in the places where the Lady appeared, and give them the supernatural Power of GOD to be places of conversions, of Graces, of incessant prayers and Blessings..."

(Our Lady) "- I asked My Son while you were speaking, and He granted this Grace... Granted!..."(traced the Sign of the Cross)(Mark): (The Virgin showed Her Heart full of ¡®Flames¡¯ that went out in all directions, then said:)

(Our Lady) "- This is the Heart that LOVES men so much, and that is only paid with ingratitude. .. Love this Heart, and the Heart of GOD will love you too..."

(Marcos): "- Do you want anything else from me?"

(Our Lady) "- No, today I don't want anything else... Just tell My children as a farewell, that they participate in the Holy Mass with Faith, with LOVE, with respect, and they will be giving Me the greatest gift of the day. ..."

(Marcos): (The Angels turned their backs, and opened a path of Light for Our Lady to return to Heaven)

Day 07/08/99 Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children.. .(pause) I am with you, even if you don't see Me (pause) or feel Me... My Lord, the Almighty and Eternal GOD, sent Me into the world today

once again, to tell you them:

- Be converted!...

The Messages that the Most Holy Trinity charged Me to communicate to the world are already running out... That is why today I renew My Request:

- Pray the Rosary every day!...

- Fast on Wednesdays and Fridays, with love...

- Visit My Son in the Tabernacle, in the Blessed Sacrament, at least once a week, on Thursdays.. I am always present when My children are in adoration, and, at this moment, Special Graces are obtained through My Intercession for you...

- Read the Bible!... you have despised the Bible, you have left the WORD of GOD, and because of that, the Grace of GOD has also departed from you... Go back to reading the Bible, and you will see how everything you don't understand (pause) will become clear...

- Be humble! Be very good! Be charitable, cordial with everyone... loving with the suffering, merciful with your enemies... and above all, patient with those who take time and are slow (pause) to convert...

- Long live My Messages!. .. Spread Them!... Don't waste time!... Don't stop when you hear a 'refusal' to believe Them... Go elsewhere, but never stop taking My Messages!...

In September, My Spouse Saint Joseph will come, with Me and My Son Jesus, to bless Brazil... Convert yourself to Brazil!!!... The Cup of DIVINE Justice, for you, is overflowing... If this Nation continue spreading pornography, violence, lack of faith, disrespect for the ¡®things¡¯ of GOD, and if no one does anything! a Great Punishment will come to this Country...

I... LOVE Brazil with a LOVE of predilection, and I have prevented the punishment as much as I can... but if you don't convert, I won't be able to do anything... The Goodness of GOD can no longer be offended as it has been until now... (pause) Be converted!...

My Immaculate Heart is pierced from side to side by a sword of pain... I don't find holy souls, I don't find humble souls full of love to Me and to My Son!... We are always in the last place, in most hearts...

Convert yourselves! Change your life! Pray for the Pope, for the souls in Purgatory, for the conversion of the world, and for all humanity...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message of Our Lord Jesus Christ

" - My chosen people!!!...

My Sacred Heart (pause) is the Source of Pure LOVE, which you seek...

My Sacred Heart (pause) is the FIRE that consumes souls, like a ¡®burning bush¡¯...

My Sacred Heart(pause) is the Refuge of My tiny, tired, suffering and exhausted children...

My Sacred Heart (pause) is the Pledge of Eternal Salvation...

My Sacred Heart (pause) is the receptacle of LOVE!...

My Sacred Heart (pause) is the Light that tears the darkness of this world in which you live, and shows you the True Way!...

My Sacred Heart (pause) is the Source of ¡®Water¡¯, of the ¡®Water of LIFE¡¯, and whoever drinks from It will never thirst again...

My Sacred Heart (pause) is... the Sweet Mansion of My children, who preach My Name throughout the Earth!...

My Sacred Heart (pause) is the Soft Honey Drop that lessens your bitterness , and your unbelief...

My Sacred Heart (pause) is the Source of Salvation for Families!...

My Sacred Heart (pause) is the Anchor of Salvation for young people!...

My Sacred Heart (pause)) is the Rock upon which My Church will never be defeated...

My Sacred Heart (pause) is the 'enchantment' and ecstasy of My Angels and Saints, who adore Me without ceasing in Paradise. ..

My Sacred Heart, (pause) formed from the Heart of My MOTHER, in Her Virginal Womb, is for you the certainty of Eternal Life!... (pause) My Sacred Heart (pause) is the relief, in your feathers!...

My Sacred Heart (pause) pulsates with LOVE for you, for all of you... (pause) This is the Heart, which LOVES men so much, but only receives from them (pause) sins and ingratitude...

My Sacred Heart(pause) is a Sign of Joy!...

My Sacred Heart, (pause) wounded and outraged by this sinful humanity, ¡®cries¡¯:

- LOVE!!!... Screams:

- LOVE!!! LOVE!!! LOVE!!!...(pause) My Sacred Heart 'groans', chasing you in order to find you My children... You who flee from Me, (pause) come to My Sacred Heart! HE is the last Tablet of Salvation that I offer you...

Whoever places My Sacred Heart and the Immaculate Heart of My Mother, next to Mine, whether in painting or image, in his house... he can be sure, that I will save that family...

Those Priests who place OUR TWO United and Pierced Hearts, in a place of honor, in their Churches, can be sure that I will fervent and sanctify (pause) the ¡®flock¡¯ of that Parish... I will convert sinners, I will give Faith to the unbelievers, I will sanctify the reprobate*, I will give Peace(pause) to the ¡®good¡¯...

I bless you in the Name of the Father... Son... and Holy Spirit..."

*(Observation - Mark): (Here Our Lord does not mean that damned souls can be saved, but rather that souls that would one day be reprobates, due to the life of sin they lead, will no longer be, thanks to the Messages given by Him and by HIS MOST HOLY MOTHER, where HE made this HIS promise.

A WORD from Jesus and Mary is enough to change the course or eternal destiny of a soul. For GOD, everything is possible...)

Day 08/08/99

Day 12/08/99 Sanctuary of the Apparitions - at 18:30hs

(Marcos): (Our Lady asked that the Rosary be prayed always, meditated with the Mysteries of the day, along the Way of the Rosary that She had already blessed before, which goes from the Source to the Tree of the Apparition, marked by the five White Crosses, as She wanted them to be painted and made)

"- Many look at these Crosses, but... no one has yet made the Way of the Rosary... The fact of making this Path contains Special Graces..."

Monte das Aparições - at 22:30hs

"- I wish you to make the Way of the Rosary, in the Sanctuary... Great Graces are closed for those who walk the Five Crosses, and pray the Rosary with great piety and devotion...

Day 13/08/99

Sanctuary of the Apparitions, at Fonte da Graça - at 18:00 :30hs

(Marcos): (Our Lady appeared next to Her White Image, the one that marks the Place of Her first Apparition in the Sanctuary, blessed her and said:)

(Our Lady) "- This is an Image of Graces!.. Those who come to Her and pray will receive the Graces of My Heart..."(Observation): (Our Lady moved, and the seer got up, and without looking at the ground, followed Her. fixed on the Apparition and without hesitation, but with firm and decisive steps, I followed Our Lady and repeated Her Words.

They approached the bridge that gives access to the Fountain, and Our Lady said that there should be a path for people to cross. After that, they went to

where the Fountain is born and Our Lady said:)

(Our Lady) "- Here must be built a Grotto, and inside it must be placed My Image with Hands to grant Graces...

Behind you must be done My Garden, with white, red and yellow roses, signifying the Prayer that I desire from My children, the Sacrifice of coming here and Penance as the conversion of their sins

... the Source, white, red and yellow roses must be planted..."

(Marcos): "- I will do everything as you asked."

(Our Lady) "- Come, now I will show you the place where I want the pool for the sick to be built..." Observation: (Our Lady moved again, and the seer accompanied Her. sees the ¡®pool¡¯ of the sick, Our Lady stopped and pointing with Her Finger to the ground said:)

(Our Lady) "- Here I want the swimming pool for the sick to be built..."

(Observation): (The place

pointed out by Our Lady was dry, there was only a small puddle of water in a small depression of the ground, because it had rained before. right at the head of the pool, under the first step, and the water came out from under the ground, mining from the bottom to the top)

(Our Lady) "- Come, now I will show you the place where My Image in Prayer should be placed, on the taps of the Fountain..."

(Observation): (The Blessed Virgin went ahead and went to the taps of the Fountain , and said that she would like a niche to be built there, so that Her Image could be placed inside. She then showed how to make it: four columns, on which a roof and on the front was written: "Mary, Mother of Mercy". be inside the niche, and on the pedestal the date: February 19, 1999.

She also added that she wanted a Crucifix in front, at the entrance to the ¡®pool¡¯, on the side where the ¡®water¡¯ entered, so that the sick would kiss it as a sign of contrition before washing. At the time, it was thought that one could choose which side to put water from the Font¯ in the pool. It was only when the excavation to build it began and the ¡®water¡¯ sprouted there, that it was understood that Our Lady was referring to the place where the ¡®water¡¯ was born.

She also gave the measurements of the inside of the tank: 3 x 2 meters, and about 50 centimeters deep. She said it could be rustic, just plastered cement.

Later, thinking about the date of 02/19/99, we all thought that it was the day of the Apparition in which Our Lady had blessed the Source, however, when verifying, this Apparition took place on the 21/02/99.

Intrigued, the seer risked asking Our Lady the reason for the date, to which She replied that it was the Day on which She and Jesus took possession of the Sanctuary and all that Place, and it was exactly on that day, at three in the afternoon, time of the Divine Mercy, that the seer Marcos Tadeu was at the Notary's Office and signed the deed of purchase of the Sanctuary, which has this date)

(Our Lady) "- My son, this is the last time I insist with you about the Images, the Fountain and the Grotto, because I have insisted on this many times...

Since you now know what to do, you can't waste any more time! Work tirelessly for the causes I have given you. On this subject I will not answer any more questions, and I will not return to the same subject again...(pause)Stay in Peace..."(Note): (Our Lady then gave the following Message to everyone)

(Our Lady) "- With My Mighty Foot I will crush the dragon's head! Trust in Me and pray a lot..."

(Marcos): (Our Lady still told me:)

(Our Lady) "- Cheer up My children, because they suffer a lot... Tell them that their sufferings, if offered to Me and accepted with love, will not be in vain...

Be you, My child, the Good Samaritan who will comfort and help them, because from now on, everything that I have predicted will happen, and be you the comforter of souls, and the one who brings My Peace in My Name, to My children... "

(Mark): (Putting her hands together on top of her chest, the Blessed Virgin said:)

(Our Lady) "- My Lord calls me... I return to HIM..."

(Marcos): (The Angels, with Their Wings, traced a path, a carpet of Light for Our Lady, who was rising, without turning her back, until disappearing)

In pure hearts and little ones, the 'flowers' of virtues are growing, and the 'perfume' of My Grace is already spreading... Great devastation will sweep over many regions of the Earth, but... My 'flowers' ¯ will remain intact...

These ¡®flowers¡¯ are My little children, who have responded to My Messages and have consecrated themselves to My Immaculate Heart... Over them I watch day and night... Satan wants to cut and thwart many of these ¡®flowers', but ... I have stopped

you... I beg you for more prayers!... More penance!...

You must pray a lot to your Guardian Angels, so that they always keep the Peace of their families, cities and Nations, and, at the same time, that they remove the snares of you, of what is entrusted to you...

Message from Our Lady

"- Dear children... (pause) I, your Mother, greet and bless you on this day...

I am (pause) the Queen and Messenger of Peace... From Heaven I came, and in Jacareí, for eight years , I have brought the Messages of the Lord, to give them with an afflicted Heart, to all of you...

My children, the situation in your country is serious. Brazil, which has received so many Graces from the Lord, has stepped on the ¡®tests¡¯ of GOD'S LOVE, and now has sin as never before... (pause) I ask you to carry out the ¡®Crusade of the Rosary¡¯, that I and the Angel of Peace ask you at the beginning of this year... Only a great Crusade of Rosaries will be able to save this Country (pause) from the abyss into which it is falling...

The Heart of the Lord is ¡®crushed¡¯, for so many sins that this Brazilian land commits, day and night... So that HE does not give free rein to His Justice, and so that I can reach Mercy again, I beg you: Pray... Pray... Pray. .(break). here's my order!...

That this month of September, starting on the 15th, Feast of My Sorrows, all of you begin in your cities, a great Siege of Jericho, united in one heart (pause) and in one soul... May this Siege be offered by the My Intentions and for My TRIUMPH in Brazil... They will pray the Rosary for a week, day and night without stopping, for this land...

May the fasting on bread and water that I asked you until 18:00, be done, from here forward, until midnight...

Why do I ask you for so many sacrifices, My children? Because you cannot see with your eyes what comes to you...

Convert yourselves... Convert yourselves... My Immaculate Heart ¡®groans¡¯, and My Eyes cry when I ask you: - convert- if...(big pause...)"

(Marcos): "- Our Lady is crying..."(big pause...)

"- My children... (pause) these Tears that I shed are for LOVE to all of you... I don't want to lose you, so little children, listen to what I say to you, with LOVE...

Do not sin more!... Don't offend GOD anymore!... Don't offend Me anymore! Don't pierce 'thorns' in My Heart!

Convert!... This (pause) is My ¡®embittered¡¯ request for today...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from the Glorious Saint Joseph

"- I... Joseph, Servant of GOD and Blessed Adoptive Father of Our Lord Jesus Christ, speak to you...

I LOVE you with a Father's LOVE!... I protect the Holy Church, the families and all of you, as a Father protects his children. Therefore, little children, placed under My Protection by the Lord, listen to what I say alongside My Blessed Spouse, the ever-Virgin Mary, and Our Lord Jesus Christ, whose Servant and Father I was devoted on earth...

The Lord wants to save this great Nation, but... to save it, only a great 'stream' of prayers can reach Heaven and move the Hand of the Eternal FATHER to save this earth, which otherwise, if not obey what My Blessed Bride says, (pause) you will not be saved...

Little children, (pause) be good! Do not speak 'dishonest words'... Change your souls and your bad habits...

Be 'good', (pause) very 'good'!...

Be pure, very pure!...

Be humble, (pause) very humble!...

Be fair, very fair!...

Be perfect, as the Father in Heaven is perfect!...

When you feel confused, withdraw to the side (pause) to pray . In silence (pause) and prayer, I will come to help you choose the 'right thing'... When persecuted, look up to Me, and I will comfort you...

When you feel discouraged , look at My Hands, always outstretched to you, to pour out on you the Graces that the Lord has placed under My Sponsorship...

I will teach you to LOVE the Word of GOD!... I will teach you to live with HIM!... I will teach you to adore HIM and to please HIM... I will teach you to LOVE, to

serve, and to please (pause) the Sweet Mother of all... (pause) I want to be for all of you a ¡®BRIDGE¡¯, which takes you to TWO Sacred Hearts...

The Immaculate Heart of My ever Sweet Spouse Mary, is the ¡®Gate of Heaven¡¯, (pause) and devotion to Me and My Heart, is the ¡®KEY¡¯ that opens this ¡®Door¡¯!...(pause) Always invoke Me like this:

¡®- Loving Heart of Saint Joseph, pray for us!...

And I will come, I will come to the aid of all of you, of the Church, of the world, of souls!... Upon seeing My LIGHT, Satan will be blind , and will no longer be able to do them any harm...

I have the Mission to lead Brazil to the greatest TRIUMPH of the Immaculate Heart of the ever Sweet Virgin Mary!... If you invoke Me in favor of Brazil, I will help you...

Today, on this day, I bless the Holy Father, Pope John Paul II, who is My Figure on earth... (of protector and Father) Yes, because He married the Church, as I married Mary, the Immaculate Virgin!... On Him I pour My Graces, and I cover Him with My Sacred Mantle... and upon all of you, I pour out the Blessing that the Most Holy Trinity granted Me... in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation! (pause) Hear ME! Listen to me! Pay attention! My Heart (pause) expands for you!...

Generation, why so much disbelief? Why so much 'hardness' of heart? Why so much insensitivity before OUR Hearts that love you so much (pause)?...

Generation, My Sacred Heart, in ¡®shudders¡¯ of LOVE and PAIN, has sent My MOTHER and My Saints to this world to admonish them... but all, one by one, without exception of one, all have turned their backs (pause) to Heaven...

Generation, you are a recalcitrant people, and in your ears there is a ¡®stone¡¯ , which has prevented (pause) My Grace from entering... I have tried to 'pierce' this 'stone', but... you repel ME, generation... I will need to shake the earth from under your feet more a little, so that you can hear ME?...

Generation, the ¡®signs¡¯ of the imminent VICTORY of OUR TWO Hearts are in your eyes, and do you not see it, generation? Can't you see that the earthquake that killed thousands of people a few days ago was a 'warning' that My Mercy gave you, generation?... (this is the earthquake in Turkey) How long do you intend to flee from Me? ...(pause) My MOTHER told you here, today, and in Fatima a long time ago, that many nations would be annihilated... Is this ¡®sign¡¯ not enough for you, generation?... (pause) The heart this generation has become so 'hard' that even if I and My MOTHER appeared for all to see, they would not believe it... (pause) Therefore, generation, I invite you to listen

to My Voice out of love, because I don't want to that you turn to ME, in pain...

Generation , what can I do for you, if you rebel, lift your hands against ME, to hurt My Heart?... beloved???

Return, generation, return!... The way back is still 'illuminated' for you!... It is still day, generation!... Return, before night comes, and you will no longer be able to see Me, nor know where My Voice comes from... you will not know how to return, and you will get lost... in the 'forests' of hell...

Very soon, (pause) you will no longer see Me... therefore, generation, I call you: - Hear Me, listen to My Voice... (pause) May My Church, against which the ¡®doors will not triumph, spread throughout the world the Messages (pause) of Fatima, Medjugorje, Jacareí, and other places where My Presence is Real and Permanent...

These Sanctuaries ¡®cry¡¯ to Heaven for reparation, because they were not believed! (pause) nor were they made known to the world...

And to everyone, to everyone who is here, I give the mission to make known to the world: - My visionaries, My WORDS and those of My MOTHER, and OUR ¡®requests¡¯... May this be the mission of each one, until death...

I LOVE everyone who is here... and this generation, although very sinful, is very dear to ME, and because My Mother, and My Dear Adoptive Father Saint Joseph, asked Me for Mercy for this generation, I will save many, but not all, from the ¡®great tribulation¡¯... If all believed, all would be saved... (Observation - Mark): (here Our Lord is ¡®saddened¡¯, with his eyes filled with tears) Whoever believes , will be saved... The one who shouts: - ¡®Save me, Lord¡¯! I will save him... But whoever shuts himself up in his pride, and in his arrogance, I will leave him to his own wickedness, and it will destroy him... (pause) Generation, how I love you! Come close to My Heart, so that I light My FIRE in you, and proclaim Me Holy, Thrice Holy, and then you will have 'Eternal Life'...

I bless you all, in the Name of the Father... Son... and Holy Spirit..."

"- I give to My children ¡®My Special Blessing¡¯, as you asked of Me yesterday... Wherever they are and wherever they go, My Blessing will be with them... Whatever they look at, and all those with whom if they meet, if they say: "- I transmit to you the Special Blessing of Our Lady", immediately, I will pour out My Blessing, and this Blessing will remain until the end of their lives...

(Mark): (After the Blessing, the Blessed Virgin transmitted the Message:)

(Our Lady) "- Dear children, today you remember My distant Apparition, in the year 1846, on the top of the mountain of La Salette, in France... I appeared to My two little children, Maximino and Melanie, and I said to them: "- Come My children, don't be afraid... I'm going to tell you a Great News..."

I asked for conversion! and I was not heard...

Day 21/09/99

Sanctuary of the Apparitions

Fonte de São José - at 18:30hs

"- Dear children, tomorrow will come Saint Joseph, with Me, to bless this ¡®Water¡¯...

I wish that on the entire first Saturday of each month, here in the Sanctuary, a Special Cenacle where you will pray, and where all the Images that must be sent to the people, on the SEVENTH, must be immersed in this ¡®Water¡¯ ... you will also be able to immerse them in ¡®Water from My Source¡¯...

Heaven wants to spread My Graces more, through the immersion of Images, both Mine and Saint Joseph, as of My Son Jesus or as the Angel of Peace, in these ¡®Miraculous Waters¡¯...

I also wish that you always come to pray the Rosary here, and that you come to wash yourself in the Fountain of Saint Joseph, because Heaven wants to grant many Graces through His Intercession, and to make His Graces shine to the whole world through the ¡®Water of these Pools¡¯...

(Marcos): (I asked Our Lady about the Image of Saint Joseph, where it should be placed)

(Our Lady) "- You can place it where He will appear, which is where I am now, or in the place where My Image is *, or any other place you think is better... It would, however, be more logical to place the Image where He will appear..."

(Mark): (Our Lady prayed in Her Mother tongue, raised Her Hands to Heaven , and from His Body, like an ¡®Incense¡¯ that ascended to Heaven... After the prayer and the Blessing, He ascended to Heaven)

*(Observation - Mark): (When Our Lady referred to the place where Her Image was, it is because an Image of Her was placed at the head of the Fountain, to wait for Her, at the moment of the Apparition)

Day 22/09/99 Blessing of the Fountain of São José

Sanctuary of Apparitions

Fonte de São José - at 6:30 pm

(Marcos): (Our Lady appeared as Queen and Messenger of Peace, Saint Joseph came all in white, with a belt like Our Lady's.

They arrived holding hands. from above, and when they arrived, She, Our Lady, joined Her Hands in prayer, and He placed His Hands on His Chest. They said to me:)

(Our Lady and Saint Joseph) "- Praised be Our Lord Jesus Christ."

(Observation - Mark): (To this greeting, as always, I replied: "- Forever be praised."

After some advice, Saint Joseph invited me to pray a Rosary. He took from his tunic a Rosary of 'shining beads'. He took the Cross of the Rosary, kissed it and made the Sign of the Cross with it, and told me that I should do this every day when starting the Rosary.

The three of us prayed together, Our Lady, Saint Joseph and I, the Creed and the Our Father. At Ave Maria, Saint Joseph and I prayed the first part, and I prayed the second part alone. Our Lady remained silent... With

each Hail Mary that We prayed, a 'rose' came out of Saint Joseph's chest, which, floating, moved towards Our Lady, and hovered at the height of Her 'chest'. '. At the end of that rosary, the ¡®roses¡¯ disappeared. We contemplate the Joyful Mysteries. The ejaculations, I prayed alone.

At the end of the last Mystery, Saint Joseph made the Sign of the Cross again with the Cross of the Rosary... Our Lady and Saint Joseph said with one voice:)

(Our Lady and Saint Joseph) "- Take your Rosary, dive into the ¡ ®Water' from this Fountain, and then make the Sign of the Cross over you again."

(Observation - Marcos): (I did as I was told. Then Our Lady moved, so that They were aligned, one on top of the other, She above and He below. Our Lady looked to Heaven and Saint Joseph lowered the Head, eyes closed. They were praying.

Then there appeared in Heaven, above Our Lady, a Great Globe of very strong LIGHT. Our Lady raised Her Hands, in an attitude of supplication. Then, from that Globe, from that LIGHT, like two Rays came out Luminous, which came to land on the palms of Our Lady's Hands.

As if unable to support the weight in Her Hands, Our Lady then lowered them. Saint Joseph opened His. Then those Rays of LIGHT that were upon the Hands of Our Lady, descended and alighted for a moment on the Hands of Saint Joseph, took on an even stronger ¡®glow¡¯, and then they descended from the Hands of Saint Joseph to the ¡® ®Water from the Fountain', which began to 'glow' brightly. Then Our Lady solemnly proclaimed:)

(Our Lady) "- By the Power of the Most Holy Trinity, of My Maternal Mediation, and of the undeniable Humility of Saint Joseph, may the ¡®Water¡¯ of this spring be blessed forever... in the Name of the FATHER... of the Son... and of the Holy Spirit..."

(Mark): (Then Our Lady, addressing me, said:)

(Our Lady) "- Kiss the ground, and come after Us... Don't be afraid, you won't fall, We'll guide your steps to the ¡®pool¡¯..."

(Observation - Mark): (They They said that so I wouldn't be afraid, the ground was very difficult to walk on without risking falling, because it was damp, forming some mud, with some sharp stones on the ground, which became even smoother and slippery with the mud. formed, and where one commonly stumbled.

They rose and began to float, without turning their backs on me, and I went after Them. They stopped over the 'Pool', which Our Lady asked to be full for day, whereupon I felt that I should kneel at its edge.

They looked at each other, looked at me and the people present, smiled... and said together, Our Lady and Saint Joseph:)

(Our Lady and Saint Joseph) "- Take your Rosary again, and dive equally into this ¡ ®pool'!..."

(Marcos): (I did as I was told. Our Lady then said to me:)

(Our Lady) "- All those who came here to pray the Rosary... ®pool'... if they are

not yet blessed, they will be blessed from then on, as long as they pray the Rosary...

Tell My children that I have achieved this Grace through the Merits of My Mediation, and also through the Graces of My Rosary...

The Holy Trinity pours out ¡®in this place¡¯ His Mercy!... THE GOD of LOVE guides His Hand to make this ¡®spring of water' more Holy...

My Blessed Spouse and I will land ours Feet in this ¡®tank¡¯ (St. Joseph's pool), to bless and sanctify this Gift of LOVE from My DIVINE Son..."

(Observation - Marcos): (Our Lady and Saint Joseph were lowering to the point that the cloud that is at His Feet remained inside the 'Water'.

The Blessed Virgin, lifting Her Dress a little, placed Her Feet on the 'Water'... Saint Joseph did the same. Both were barefoot

. towards Heaven, and the ¡®Water of the Pool¡¯ shone brightly. The Two returned to Their starting place, and then Our Lady said:)

(Our Lady) "- All those who come to this ¡®Water¡¯, with Faith, trust, and a true desire to serve GOD, will receive great Graces for body and soul!...

Put it here, on the right from this ¡®Pool¡¯, at the head, a Cross with My Son, for everyone to kiss Him and ask forgiveness for their sins... and at the foot of it, a small image of Me, as Our Lady of Sorrows. in the ¡®other Pool¡¯ of My Source...

At the end of this Apparition, take My Image and immerse it here, and after it, you do the same...

I bless you all in the Name of the FATHER... Son... and of the Holy Spirit... (pause) On Saturdays, come here solemnly to pray the Rosary!..."

(Observation - Marcos): (Our Lady and Saint Joseph joined hands, and began to rise serenely towards Heaven...)

Day 09/25/99

"- Dear children, meditate during these days on the My Sorrows, and about the Passion of My Son... I grant great Graces to those who venerate My Sufferings...

Day 10/01/99 Blessing of the Way of the Cross

Sanctuary - Cross of LOVE in Dozulé - at 18:30hs

(Our Lady) "- As I said, today I come to bless this Way of the Cross..."

(Observation - Marcos): (It is the Way of the Cross of Sanctuary of the Apparitions As Our Lady had requested, the route of the Way of the Cross was defined, and the fourteen Crosses were arranged, referring to the fourteen Stations, with the last, fifteenth, that of the Resurrection, being the Cross of LOVE It is this Way that Our Lady came today to especially bless. Our Lady began to trace several Signs of the Cross, and from Her Hands came ¡®Rays of Light¡¯

, which went towards the Way of the Cross.

would ask that an Image of Him, such as Our Lady of Sorrows, and Saint John the Evangelist be placed next to the Cross of LOVE)

(Our Lady) "- All those who come here to make this Way of the Cross, on any day and at any time, will receive Peace and protection from My Heart

... in the depths of my heart, My Sorrows and the Torments of Jesus...

That from one Season to another, an Our Father and seven Hail Marys be said, in honor of My Sorrows and Tears... Particularly, those who come here on Wednesdays and Fridays to make this Way of the Cross, they will receive Graces from My Heart...

Here is the Calvary of My Sanctuary... May those who love Me, follow Me with the Cross until here..."

Day 02/10/99

Day of the Consecration to the Immaculate Heart of Mary,

in the condition of ¡®slaves of LOVE ' ,

according to the 'method' of Saint Louis Maria Grignon de Montfort,

requested by Our Lady

(Observation - Marcos): (A month ago, Our Lady, in an Apparition, asked all Her children who wished to consecrate themselves to if entirely to Her, in the condition of ¡®slaves of LOVE¡¯, according to the method revealed to Saint Louis Maria Grignon de Montfort, they should make the necessary preparations, as requested in the Treaty of True Devotion of Saint Louis, and make the consecration today." She didn't explain why, and I didn't ask either.

Our Lady had not said how the Consecration would take place, and I assumed it would be after Her Apparition, in front of the Apparition Tree. But, to my surprise and everyone else's, Our Lady wanted the Consecration to take place before Her Personally, present at the Apparition.

Then, each one came and consecrated himself to Her, according to the ¡®formula¡¯ of Consecration of the Treaty of São Luís. As if it took too long, due to the excess of people and the size of the ¡®formula of consecration¡¯, Our Lady, at one point, said that all that remained could be done at once.

Then they all knelt down behind me, and together they made their consecration directly to Our Lady. While all were consecrated, the Immaculate Heart of Our Lady became visible on HER ¡®Chest¡¯. At the end of the Consecration, I saw a bunch of little hearts pass over my head, which all went towards the Immaculate Heart of Our Lady, who collected them all. Our Lady then took an attitude of prayer, and while She was praying, she came out like a 'smoke' from Her Immaculate Heart, as if she were 'burning' or 'consuming' something. Immediately I understood that it was Her Flame of LOVE that consumed those lives consecrated to Her, and offered them to the Most High, in union with hers, and through her Maternal Intercession.

Afterwards, Our Lady, in Her Maternal Kindness, asked for the ¡®consecration sheets¡¯ of Her children, (which She herself had asked them to make and sign, so that they would remember the Act of Consecration they had performed) to bless them. Her Immaculate Heart disappeared again into Her ¡®Chest¡¯.

Afterwards, she allowed the individual consecration of those who wanted to do it, but not according to the ¡®formula de São Luís¡¯, but also in the aforementioned ¡®condition of slaves of AMOR¡¯.

It so happened that while people were doing it, I saw that Our Lady disapproved. I asked what was wrong, and She replied that if she were not in the explicit condition of slaves of LOVE, it would not be valid.

So I said this to the people, who together, 'helped', were repeating another formula that satisfied the conditions imposed by Our Lady, who was heartily happy.

On this day, Our Lady came all in white, with an Angel on each side. One was clothed in silver, and the other in gold. Then She said:)

(Our Lady) "- Today the Holy Trinity opens Her Bosom to welcome the Act of Consecration of those present here with Faith and LOVE...

Ask for the ¡®leaves¡¯ of all... Hold them in your hand, and bring them as close as you can to Me, that I want to bless them..."

(Observation - Mark): (People handed me their leaves, and I got up and approached the We were so close to each other that a person could not pass between us.

Our Lady looked at it for a long time, and then spread Her Hands over the leaves. She made a Sign of the Cross over them. She told me to give them back to people. Then he added:) (Our Lady) "- My children, in addition to the promises I made to My son Saint Louis Maria, I promise

you, through this Consecration, the Grace of a happy, serene and holy death...

Grace to have My Most Special Protection in every moment of your life...

I also promise you the salvation and conversion of your family members at the time of death, especially those for whom you pray the most...

I promise equally to all of you, on every 2nd of October of every year, to remember this date, the special grace of having the feathers of your sins blotted out, if on this day you come here in a state of grace... "

(Observation - Marcos): (I started to pray a prayer of Consecration to Our Lady, when I saw Her Immaculate Heart visible in the Chest and then mine, leaving my chest and going towards the Heart of Our Lady.

She made a welcoming gesture, and my heart was in the palm of her hand

, she then looked into my heart, closed her eyes... She placed my heart within Her Immaculate Heart, and the smoke of incense came out of it.

I thought that because I was heartless I had died, so I asked the Blessed Virgin:

"- Am I going to die?")

(Our Lady) "- No! Jesus wants you to stay on earth a little longer, to make Me even more known and beloved... Not enough has been done yet, your mission continues... And today I will give you new Strengths and new Graces to go ahead!..."

(Observation - Marcos): (Our Lady placed Her Hand on the Her Heart, and when She took out a ¡®lightning¡¯, as if it were an ¡®arrow', that hit my chest, and I felt that it was tearing me, that my chest was burning, and I felt an indescribable joy.

Then Our Lady said goodbye and went up serenely to Heaven) Day

Day 07/10/99 Monthly Anniversary of the Apparitions Message from Our Lady

"- Dear children ...(pause) thank you so much for coming back here... I LOVE you all, and I know all of you who come here, and who stand before Me...

I am the Lady of the Rosary!... With this Name, I presented Myself to humanity, at the beginning of this century, in Fatima... and with this Name, I present Myself again, at the end of this century, to take all humanity to meet the Glorious Kingdom of My DIVINE Son Jesus Christ, who is coming...

My children, put into practice the Messages that you have already received from Me, during all these years, through the mouth of My servant... (pause) Mine Messages are a Precious Gift from My Immaculate Heart, which is given to all of you, so that I can take you to My DIVINE Son...

I wish that this October, you will carry out another Siege of Jericho, in Honor of My Immaculate Heart, (pause) and this Siege must begin on the fifteenth, and must continue until seven days of uninterrupted prayer, of the Rosary...

Why do I ask you for so much prayer, My children?... Because the situation in the world is very serious... The Punishments (pause) are already at the door; some countries have already begun to be punished by the DIVINE Justice, through great and violent earthquakes... (pause) The ¡®Moment of Truth¡¯ has arrived! The 'Hour of Justice'... has arrived!... and now, all that is 'covered' in sin (pause) will fall...

Pray!... Pray!... Pray!. ..

I am continually coming to you, but... you do not obey Me... (pause) Change, My children!... Let Me transform your hearts!... Welcome My Mother WORD, which wants you lead everyone to My Son Jesus...

Go to the Source!... Wash yourself in It!... Drink from It!... Drink with Faith!... if you drink without Faith, nothing will change... With Faith, GOD can change everything that it seemed impossible... Believe in Him!!!... it's just what HE expects of you... (pause) Love GOD!...

Go to the ¡®Pool¡¯ of My Spouse Saint Joseph, dive into it !... Ask GOD to convert your hearts!... to infuse you with a new purified soul*!... to give you HIS Grace!...

I am with you, and I bless you, in the Name of the Father. .. Son... and Holy Spirit..."

*(Note - Mark): (When Our Lady uses this ¡®expression¡¯: ¡®...may she infuse them with a new purified soul!... She does not mean at all that GOD will ¡®create¡¯ again a ¡®new soul¡¯ in us, but I mean here, to ask God to give us the graces necessary to achieve a TRUE contrition, a TRUE repentance of the heart, deep, sincere, in order to ¡®open up¡¯ to the LOVE and to the DIVINE WILL, so that God can cleanse us completely from our faults and sins as HE has long desired, so that by the working of His Grace in us, He will give us a new, purified state of soul.

GOD wants to purify us infinitely more than we could ever wish, however, GOD is JUST, and created us 'free', so that even though HE is GOD Omnipotent, His Grace only works in us to the extent that we 'open' to HER LOVE, and Our Lady always teaches and asks us to 'open' our hearts to the Grace and LOVE of GOD through prayer, through the Holy Rosary.

That is why Our Lady often warns us that if we do not pray, if we remain 'closed' to Her Grace, if we do not 'open' ourselves to Grace through prayer, She cannot do anything for us, for more than She and GOD wanted to do it infinitely, in the infinite measure of HIS LOVE for us. However, it was this same infinite LOVE of GOD that by creating us ¡®free¡¯, established that it should be so.

GOD wants and desires to save man, so much so that he died for him and gave up HIS ONLY BEGOTTEN SON, but HIS JUSTICE demands that man ¡®freely and consciously¡¯ accept and want salvation.

That is why, it is because of HER infinite LOVE for us, that Our Lady afflicted, leaves Heaven and comes down in search of us, in search of her ¡®dear and beloved children¡¯ in these times, and so often tells us:¡ ®I beg you: pray! pray! pray!... She does so because she LOVES us, and she knows that if we do not accept her LOVE, we will perish. How many times has She not told us in Her Messages:

¡®... do not deny receiving My Flame of LOVE... With ¡®violent Force¡¯ She goes looking for you... Accept My LOVE... So here is our poor condition: unable to open ourselves to the LOVE of GOD and of Our Lady, we will condemn ourselves if we do not pray as She asks, ¡®supplicate¡¯ in Her Messages, because only by the ¡®force¡¯ of prayer, and more even by the ¡®force¡¯ of the prayer of the Holy Rosary, is that we will be able to open ourselves, to open our hearts to the LOVE and Mercy of GOD. More than once Our Lady said that the 'strength' of prayer comes from GOD, not from us.

When a soul prays with the heart, it places itself in the HANDS of GOD, it finds itself open to HIS Grace, to HIS LOVE, it trusts itself to HIM, it submits itself and accepts joyfully and freely HIS HOLY WILL in its life. , and he ardently desires it. Many times Our Lady stated that during the prayer of the Holy Rosary, She transforms our souls, according to Her immense LOVE.)

"- My children, today, I accepted all the prayers that were made in favor of Brazil... It is true, Brazil is very guilty, but... the more guilty it is, the more I can exercise My Maternal Mercy...

Pray to the FATHER, so that HE allows Me to exercise Mercy in favor of Brazil, and pray that My children of Brazil convert, ¡®open¡¯ their hearts, so that I can then exercise Mercy...

Day 11/07/99 Monthly Anniversary of the Apparitions

Message from Our Lady"- My children...(pause) I thank all of you who have returned today once again to hear the Message of My Immaculate Heart...

I invite each of you to convert, and to help to all those you know, to convert too...

I give you My Messages, and I wish that each one of you (pause) becomes a Message too... I give you My Signs, in the Sun, in the Moon and in the Stars, and I wish you to become My Signs, for those who do not believe...

In Bonati, I tried to inculcate the Consecration to My Immaculate Heart in families, however... satan, using infamous and perverse men, hindered My Plans, however... he did not defeat Me... (pause) I WILL TRIUMPH in all families, and I will expel satan from all of them, just as the Angel Raphael expelled ¡®asmodeu¡¯ from Sara's house...

In Montichiari, I asked for the Consecration to My Immaculate Heart in an unrestricted and total way, especially from the My Favorite Children, (pause) I was not heard... however, My Immaculate Heart WILL TRIUMPH within the Church, and in It I will demonstrate all the Glory that the Holy Trinity has granted Me, and I will make the Church Pure, Immaculate, without ¡®wrinkle¡¯ and without 'stain', like your Heavenly Mother!... I will raise the Church to a high degree of Holiness...

In Fatima, I asked for the Consecration of the world, and of Russia in particular, to My Immaculate Heart. I was not heard (pause) in time... Russia spread her errors throughout the world, and it turned away from GOD and fell into the great abyss of apostasy, (pause) however... My Immaculate Heart WILL TRIUMPH (pause) in Russia, who will be the people that will most glorify GOD, and in the whole world... and it will be clear to everyone's eyes, the Great ¡®Task¡¯ that the Holy Trinity has entrusted to Me ¡®in these times¡¯...

I am the Heavenly Commander of the Army of GOD!... I am your Mother, (pause) and the Star that guides you to Jesus...

Pray the Rosary!... A soldier cannot go to fight without his weapon, or his otherwise you will die!... You cannot live without the Rosary, or else (pause) your souls will die!...

Fast, do penance!... Adore My Son Jesus in the Blessed Sacrament, and participate in the Holy Mass, with Faith, Love, and Devotion...

Reread My Messages every day!... may They be LIGHT for your prayers and for your ¡®encounters¡¯ with GOD, through Me... (pause) Here, in Jacareí, My Immaculate Heart, even if fought and persecuted (pause) by all, WILL TRIUMPH!!!.. .and the Mercy of the Lord will be manifested to the whole world, who sent Me to ¡®this Place¡¯, full of Graces and Messages, to bestow on My children, (pause) and then many will come, from East and West , until now, at the Feet of the Mother, who calls everyone to enter the Safe Refuge (pause) of

My Immaculate Heart...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

(Observation - Marcos): (Then, after a few moments, everyone heard the seer Marcos Tadeu singing, accompanying Our Lady, an excerpt of the song:

¡®- Glory, Glory to Jesus, the Name above all the name... ' and then there was again some time of silence, until Our Lord began to give HIS Message)

Message of Our Lord Jesus Christ

"- Generation! This is how My MOTHER adores ME: - Singing to ME, from all over Heart! of all SOUL!! and with all Her LOVE...

My MOTHER (pause) is the Faithful Star...

My MOTHER (pause) is the Ark of the Covenant...

My MOTHER (pause) it is the Tabernacle of My Treasures!...

My MOTHER (pause) is the Joy of My Heart!...

My MOTHER (pause) is the Rainbow of GOD's New Covenant with men!...

My MOTHER (pause) is Heaven's Door always open!...

My MOTHER (pause) is your Heavenly Commander!...

My MOTHER (pause) is Satan's Terror!...

My MOTHER (pause) is the VICTORY of GOOD, always right!...

My MOTHER (pause) is the Refuge of sinners!...

My MOTHER (pause) is the Master of Saints!...

My MOTHER (pause)) is Grace itself!... which is given to you...

Generation! My Heart is already 'exhausted' from asking you to convert to ME!...

Generation! How long will you prolong your delay?... Generation! How long will you stop listening to My Voice, and following the path that It shows you?...

Generation! Why don't you take off the 'mask' in front of ME???... Why don't you allow Me to take off the 'scales' that satan has put on your eyes, and that prevent you... from seeing My LIGHT ?...

O Generation!... how many places on Earth have been graced with the Coming

of My Mother, with the Apparition of My Mother... How many places in the world have been graced with My Presence, with My Miracles, with the My Signs, and with My Manifestations... and yet, generation, you do not turn your heart to Me, you do not hear Me! and you don't want to listen to ME...

Generation! Behold, natural catastrophes are already happening, and will increase for the next year! if you do not convert, and do not return to ME...

O generation!... Hear My Voice!...

Latin America will be severely punished! because of your impurity...

Europe will be hit hard by its materialism! for your arrogance, and for your indifference... after so many ¡®proofs¡¯ of LOVE, which I gave to that Continent...

North America will be! largely annihilated... because she does not listen to My MOTHER, and even more, she ridicules her, and still insists on remaining in disunity, and separation from the TRUTH...

I will have pity on Africa, although only in some places. ..

I will have mercy on Oceania! although in a few regions...(pause) As for Asia, I will show her the ¡®Right Way¡¯. If she doesn't want to listen to Me, I'll be forced to give way to My Justice...

As for Brazil, if he doesn't turn to ME through the means I give him, which is My MOTHER, with Her Messages! (pause) Brazil will go through a ¡®hard test¡¯, because it remains rebellious to My Voice...

However, you can change My Sentences and My Laws!... My Justice is Great, but My Mercy surpasses My Justice! when you convert and do what I say... Everything can be changed with your conversion and your prayers!...

But... listen to the generation!!!... Don't try to deceive ME! for I know your principles, and I know all your thoughts and all your desires, and before you carried them out, I already knew them, I already knew them, and I know how to put an end to your audacity... (pause) Generation ! Return humiliated and contrite to My Feet, like Mary Magdalene! and I will forgive you...

May the men of this generation (pause) look to My Sacred Heart, and let themselves... ¡®modeled¡¯ by HIM...

HE is the Sun! that whoever looks at HIM, is not blind...

HE is the Sun! that whoever looks at HIM, even if he is blind, will see...

HE is the Sun! that whoever looks at HIM, even if he is dead, will live...

Cultivate more love to My Sacred Heart, and to the Immaculate Heart of My

Mother!... Do not forget the Most Loving Heart of Saint Joseph, My Beloved Adoptive Father. ..

Have particular devotion to your Guardian Angels, and to your Saints of Devotion! Ask Them to teach you to love ME... (pause) Ask Them to be your 'guides', as Raphael was to Tobias a 'guide', who led him (pause) to the 'safe goal' '... Yes, They will lead you to ME! They will lead you, through My MOTHER, to ME...

Pray for the Pope!...

Go to the Miraculous Fountain!... Drink from it! Wash yourself in her! Take this ¡®Miracle Water¡¯ home, and give it to the sick! Give it to sinners! Sprinkle your houses with Her, make the Sign of the Cross at the door with Her, and I will guard your house...

Above all, wash your mouth with Her, (pause) so 'stained' by evil words, so 'stained' ' by criticism! and lack of love for your neighbor...

Wash your hands, which have sinned so many times, which have hurt My Heart so many times (pause)! and the heart of your neighbor...

Wash your eyes, which for so many years of your life walked in darkness, without ME!!!... without Faith!!... without LOVE!...

Wash your feet, which so many times have traveled the roads of sin, have traveled the roads of evil, of selfishness, the roads that have taken you away from ME!...(pause) Wash your souls in this ¡®Water¡¯!!. .. and they will become whiter than snow...

Convert yourselves... Convert yourselves...

I ask you for a sacrifice: - for nine Fridays, you pray the Way of the Cross, meditate on My Sufferings ,(pause) and kneel for half an hour before Me, in the Blessed Sacrament... Offer that hour in reparation to My Heart, and to the Heart of My Sorrowful Mother... Offer... for the conversion of sinners...

I bless you in the Name of the Father... Son... and Holy Spirit..."

* (Observation - Mark): (The thirteenth days are considered Marian days, in virtue of this request made by Our Lady Rosa Mystica, in her Apparition to Nurse Pierina Gilli, in Montichiari - Italy)

Day 11/15/99

Day of the Holy FACE of Our Lady

(Marcos): (Our Lady was very happy, she had Her Immaculate Heart in her chest, without thorns and without flowers, in the midst of a great radiance)

(Our Lady) "- My son, do you know what day it is today?.. ."

(Marcos): "- Yes, I know. Today is November 15th, the day of the Proclamation of the Republic!"

(Our Lady) "- No, that's not what I asked you... do you know what day it is? Do you remember what day it is?..."

(Marcos): "- No, I don't remember. anything special today?"

(Our Lady) "- Today it's been five years since I gave you My Face* for the first time... Do you remember that?..."

(Mark): "- Now, yes!" (Our Lady even told me that that one could be called and truly venerated as ¡®His Holy Face¡¯! Then she communicated this Message to everyone)

(Our Lady) "- Dear children, I invite you to venerate My Immaculate Heart!... The constant veneration of My Immaculate Heart will make you hate all sin and love virtue...

May you venerate My Heart more often in your homes, and place before Him, if possible every day, a small flower... as a sign of the YES that you renew to My Heart...

I want people to continue coming here, every day for prayer, and to continue with the Novena of Tears of Blood daily..."

*(Observation - Marcos): (This Face that Our Lady refers to is Her Face that miraculously appeared on the camera of a pilgrim, who was in the Chapel of the Apparitions and who, during an Apparition, as everyone pressed together to kneeling down, she heard from inside her bag the sound of her camera shooting and the automatic rewind of the film.

She didn't understand, because she was sure she had beaten all the poses in that film. She attributed it all to the compression of people and went away.

When a few days passed, behold, the same pilgrim knocked on my door, bringing a photograph of a ¡®face¡¯ very similar to that of Our Lady, as I see Her, logically with much less Glory and Radiance, however, it was She herself, and she carried a rose in her left hand, and in her right, half of the Eucharist could be seen.

So I asked the pilgrim which day the photo was taken, and we remember together that on that day Our Lady came with a ¡®rose from Heaven¡¯ in Her left hand and with the ¡®Eucharist¡¯ that She would give me in communion during that Apparition.

I was very happy for the Apparition that afternoon, and when I asked Our Lady about that Face, She said:

(Our Lady) "- But as My children, do you not recognize My Face that I give you?...")

Day 11/16/99

"- Dear children, I am welcoming this Novena that you are making to Me! I am welcoming your prayers... Continue to pray and to live all My Messages!...

I wish that in the last three accounts of the Rosary of Peace, from today onwards, you pray:

"- For your Tears of Pain, O Mother, free the world from wars and infernal forces!" I will not modify any more, after today, the last three invocations of the Rosary of the Peace, therefore, pray like this, so that we can reach the world with the Grace of Peace..."

Day 11/17/99

"- Dear children, continue to pray with fervor here, before My Image*... This Image is Miraculous! and those who pray before Her will receive great Graces!...

Those who open their hearts to Me, before Her, will be flooded with LIGHT!...

Those who worship Me through Her, will be kept by Me under My Mantle...

I bless them in the Name of the Father... Son... and of the Holy Spirit..."

*(Observation - Marcos): (The Image to which Our Lady refers is the Image of the Apparition, of the Queen and Messenger of Peace)

Day 11/18/99

"- Dear children, continue with the novena! I am the Woman Clothed in the Sun! and it is My Maternal Mission to undo Satan's snares...

Trust Me!... Believe in My Heart!!...(pause) I bless you in the Name of the Father... of the Son... and of the Spirit Holy..."

Day 11/19/99

"- Dear children, I wish you to pray the Rosary with more constancy!

The time left for satan now is very little, and that is why he will attack you with more force!... Therefore, pray with more force, and you will be able to stop him!...

I am with you and I bless you ! , in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/20/99

"- Dear children, I want you to pray for the Pope!... Pray for Russia and also for conversion from China... My Son Jesus 'suffers' a lot, because the Chinese do not love Him and offend Him too much...

I wish you to cultivate in your lives great purity, great prayer, great fidelity to GOD'S COMMANDMENTS !... I want each one of you to be a Saint! That's why I came, and that's why I'm here every day...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 11/21/99

I am your Mother, and I am at your side every day. your side, and I see your many sufferings...

Pray for Pope John Paul II, because he suffers a lot, and his health is increasingly weak and weakened... Heaven, can you obtain graces from the Most High for him so that he does not faint before his time...

My children, I LOVE you and I invite you to become Messengers of My Peace to the world...(Observation - Mark): ("...and lifting His golden Scepter, which had at the ¡®tip¡¯ a small Cross, and in the center of the Cross, a small Heart, She traced the Sign of the Cross") I bless you in the Name of the Father... of the Son... and of the Holy Spirit..." (Observation - Mark): (The Sign da Cruz was shining and that Cross broke up into countless particles that were like ¡®haze¡¯ over the people present. Then She touched my head with the Scepter, but didn't explain anything)

Day 11/22/99

"- Dear children , pray even more from now on... With prayer, you will be able to overcome all your obstacles!...

Pray for four hours every day! Pray not out of obligation, but... out of love!... Many do not live this My Message! Pray for four hours every day... Live this Message!... without It, I cannot give you other Messages..."

I will take you to a ¡®true encounter¡¯ with My Son Jesus, and Christmas will then be full of joy and full of Grace for you... It will then be the beginning of a new life!

... tomorrow, you begin here the Novena in preparation for the Feast of My Immaculate Conception, with the Rosary and your own Prayers... I wish to lead you to a profound change of heart... and I bless you in the Name of the Father... Son... and of the Holy Spirit..."

Day 11/29/99

"- Dear children, may you pray the Rosary even more intensely during these days...

I invite you to meditate on your most recent sins, and to renounce those that you have committed the most in the last few days... In this way, the day of My Feast will be a true beginning of a new life for you!...

I am with you, and I want the Feast of My Immaculate Conception to be the beginning of a holy life for you!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit... "

Message from Our Lord Jesus Christ

"- Generation!!! The 'cry' of My Sacred Heart is for you today a sign of My LOVE!! of My Mercy! and of My Tenderness...

Go to the feet of the Tabernacle, generation! there to adore ME, love ME, give ME thanks! ask for forgiveness!! and beg My LOVE..

Generation! for the birds, I have prepared the nests... for the foxes, the burrows!... and for you, I have prepared My Tabernacles, to be like ¡®nests¡¯ of LOVE... where I can meet everyone's soul...

Generation, My people, come to My Feet! with a contrite heart... Cry! Shed tears like Magdalene, copiously at My Feet! and you will obtain from ME Mercy...

Come parents! come mothers! come cry at My Feet in the Tabernacle, for the sins of your children! by their waywardness, and their follies... Yes, accuse yourselves before Me... Perhaps you have failed in something in educating them, and therefore, they have gone astray... Come, come and pray for them at My Feet , and you will obtain Mercy for them...

Come and ask My Feet for the Church, for My Pope! My Peter!! John Paul II, and I will answer you...

Come, generation! at the Feet of the Tabernacle, where you will find ¡®medicine¡¯ and ¡®balm¡¯ for so many evils in you, in the world...

Come, children, pray for your parents at My Feet in the Tabernacle!... Yes, the prayer of a very contrite and humble child, at My Feet, can save father and

mother, brothers and sisters, and their entire family. ..

Come to My Feet, O little children!! ¡®little cherubs¡¯ and pure! Come and pray at My Feet! because your prayers will force ME to do 'crazy things' of LOVE, for perverted humanity... Children's prayers force ME to do true miracles, and therefore, I want them to come to ME to adore ME! supplicate ME, and be WITH ME...

Pray My MOTHER's Rosary every day! Pray the Chaplet of DIVINE Mercy! Pray the Way of the Cross! Pray reparatory prayers to My Heart and to the Heart of My Mother!...

Day 12/08/99

Feast of the Immaculate Conception

Chapel of the Apparitions ¨C Hour of Grace

(Observation - Marcos): (Nossa Senhora came from a golden Dress and Mantle, His Rosary dangling from His Hand was golden.

She came accompanied by three Little Angels, one on the right side, one on the left side and one below Her Feet; she could only see Them from the waist up. They were all the time looking, as if in ecstasy, at Our Lady, Her Immaculate Queen.

I asked Our Lady if She could bless the people present, their relatives and their objects of devotion, to which She replied:)

(Our Lady) "- Yes, with great pleasure I bless you..."

(Marcos): (Our Lady) Our Lady traced the Sign of the Cross over the people. I asked the Blessed Virgin if She had any intentions for today)

(Our Lady) "- Tell the people who are going to the Procession and Mass today, and to offer Communion today for the conversion of atheists, especially by the conversion of Chinese atheists, who are in greater numbers...

Pray a Hail Mary today for the souls in Purgatory, asking that by My

Immaculate Conception, they may be freed from Purgatory... Today, a large number of souls leave Purgatory and go to Heaven..."

(Marcos): (Our Lady then conveyed the following Message to those present)

(Our Lady) "- I want you to continue to pray the Holy Rosary every day... I want you to do penance for your sins, and no longer offend My DIVINE Son Jesus Christ, who is terribly offended by great sins...

If you make sacrifices and penances, HE will forgive you... I pray without ceasing for all of you, but... it is necessary for you to amend, convert and repent of your sins...

I will continue to appear here, every day, but... I have little time left... Convert without delay!...

Announce My Messages, and believe, wait firmly, because My TRIUMPH will come soon. , and with it, the deliverance of all of you from this evil world in which you live... Tears will be wiped away, and weeping will cease...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit ..."

(Marcos): "- Will the Lady come back later today?"

(Our Lady) "- Yes, at half past ten I'll be here in the Chapel, just ask people to come with Communion now, have already gone to Holy Mass; come prepared to meet Me...

I wish to bless people tonight in a special way, because today GOD grants Me all the Graces I want to ask Him..."(Observation - Mark): (At the end of the Apparition, Our Lady approached and placed one of Her Feet on the vase of flowers that was on the Altar, and she blessed me.

I asked her if she could give the petals of these flowers to people to use when they felt sick or in some difficulty. Our Lady nodded yes.

I thanked Her for this special Day. I asked Her:

"- Most Holy Virgin, why are You so... so beautiful?")

(Our Lady) "- Because I am the ¡®Reflection¡¯ of the Most Holy Trinity!. .. Whoever sees Me, will come to see GOD..."(Observation - Mark): (...and looking to Heaven, he said:)

(Our Lady) "- I am the Immaculate Conception..."(Observation - Marcos): (...and rose serenely to Heaven)

Chapel of the Apparitions

Second Apparition - at 22:30h

"- I am the Immaculate Conceição!... With This Name, I come to Jacareí full of Graces, LOVE and Mercy on this Day, to say to you: - Peace!... Peace!... Peace!...

On this day when you commemorate My Immaculate Conception, GOD has granted Me a true torrent of Graces to pour out over the whole Earth... of holiness, of perfection...

As the Immaculate Conception, as your Mother, I want to invite you to leave your personal sins once and for all, from now on! May those sins, may those vices, may those earthly attachments that you have kept until today, alongside prayer, now consciously and generously renounce by you...

I desire that you are totally Mine... My LOVE is impartial, no I can tolerate that you love Me and My Son and, at the same time, love Satan, sin and the world...

You must decide on whose side you want to be!... and I invite you today to stay by My side, so that I can introduce you to My Son Jesus...

If you do that, you will bring immense joy to My Maternal Heart, and to the Heart of the Father in Heaven, which is so 'heavy' with so many sins with which He is offended...

I want you to pray incessantly on Christmas Eve, to make amends to My Son Jesus, because Christmas Eve is one of the nights where He is most offended throughout the year...

I also want you to pray on New Year's Eve in your homes, asking forgiveness for all those who do not believe, who do not adore, who do not hope and who do not love GOD...

On New Year's Eve, a great wave of sins invades the Earth, and the Lord's Eyes fill with Tears...

Pray, My children! If you pray, I can obtain from GOD, for all of you, Mercy and Mercy... otherwise, HIS Arm will weigh on the whole world...

I am with you and I never abandon you!... I am beside you, even when you forget Me, or when you become insensitive and cold in prayer, and you do not feel My Presence like this... (pause) I I love you, even when you don't love Me, and I watch over you, even when you don't watch in prayer, before Me...

I am your Mother yesterday, today and forever... and I bless you

... all of you who are here in this Chapel, that every year, on the 8th of December, if you pray the Rosary and the Rosary of the Immaculate Conception, the Grace of taking one hundred and fifty souls out of Purgatory on this Day... This Grace is granted only to you, who are in this Chapel...

However, if they are in mortal sin, they cannot take away one hundred and fifty souls, but less... If they are in a state of Grace, you will give them the Grace of freedom on this Day, and they will 'fly' to Heaven, and they will pray to My Feet for all of you...

This Grace the FATHER has granted Me to give to you today, because today, the Favorite Daughter of the KING filled with ¡®enchantment¡¯... the Eyes of the Most High..."

Pray for the whole world in your prayers!... Pray the Rosary above all...

I bless you in the Name of the Father... of the Son ... and the Holy Spirit.."

Day 12/11/99

"- Dear children, I am very ¡®contented¡¯ with your prayers!... continue to pray the Rosary every day, as I have asked you ...

Tomorrow, I want you to pray the Seven Rosaries that I taught here, especially the one for Peace, because Russia is preparing to destroy... Pray for those people who, little by little, are being brutally tortured and murdered...

Erase the fire of war with the 'dew' of Peace... and the 'dew' of Peace is the Rosary of Peace!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 22:30h

"- Dear children, I rejoice in your prayers, and I wish you to continue to pray, because your prayers are being ¡®accepted¡¯ by the Lord in the last days... and they are coming more easily before Him...

The Lord is close to you, therefore, ask for RIGHT THINGS in prayers, and He will do justice to you!...

I pray with you, and I intercede for you before Him without ceasing, and I bless you... in the Name of the Father... of the Son... and of the Holy Spirit..."

(Observation - Mark): (I asked Our Lady what does the word Guadalupe mean; Our Lady smiled and said:)

(Our Lady) "- I would like a novena to be held here in the Chapel in preparation for Christmas..."

Feast of Our Lady of Guadalupe

It is necessary that you continue to pray the Seven Rosaries every day!... That you redouble your ¡®visits¡¯ to the Blessed Sacrament in favor of Russia and Chechnya! ...

Satan does not want to surrender easily, that's why I need you to intensify your prayers even more for those suffering people, who self-destruct because they don't love Jesus... If you pray, My Immaculate Heart WILL TRIUMPH in those lands , and will implant Peace there...

Always remember that the Peace of the world and of yourselves, in Brazil, is what is at stake right now! (pause) I bless you in the Name of the Father... of

the Son... and of the Holy Spirit... "

Day 12/14/99

"- My children, pray even more the Seven Rosaries that I taught you here!... Pray and offer them for the Peace of the world!... I place the ¡®weapon¡¯ in your hands. of prayer to reach Peace!...

Together, We will obtain from GOD and from My DIVINE Son Jesus Christ, Peace... I am the Lady of Peace, and I want My Peace, the Peace of GOD, to be spread all over the world!...(pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/15/99

"- I would like you to pray more, and if prepare with more meditation and prayer, for the celebration of the Birth of My Son...

I want you to pray the Rosary of the Eucharist, tomorrow, with even more fervor!... I also want you to start a Christmas novena tomorrow... that in this novena, your hearts will open like a ¡®flower¡¯ to Jesus!. ..

May your hearts ¡®open and welcome¡¯ even more the ¡®Presence¡¯ of My Son that will become stronger and stronger as Christmas approaches... I want you to pray for the Christmas Day Intentions!..."

(Marcos): "- And what are the Christmas Day Intentions?"

(Our Lady) "- The conversion of many atheists, the conversion of sinners and Peace for humanity... if you pray according to the Intentions of Christmas Day, I will be able to pour ¡®drops¡¯ of Grace on that day, because My Son, on Christmas Day, grants Me great Graces to give to the world, because on that day, I became the True MOTHER of GOD!...

May you be very simple, and be very pure... If you do that, they will look like My Son Jesus, and they will walk towards holiness... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/16/99

"- Dear children , thank you for your prayers today! they touched Me a lot...

I wish that prayers tomorrow you offer for the conversion of atheists... those who don't believe in GOD, and those who believe in Him, but... don't love Him...

I wish you to understand that being an atheist is not just denying the existence of GOD, but it is also accepting HIS existence, but... not loving Him...

I wish you to offer your prayers tomorrow in this intention... I bless you in the Name of the Father... of the Son. .. and the Holy Spirit..."

Day 12/17/99

"- Beloved children, I am with you, and I want you to say the Thousand Hail Marys here, and offer them for the conversion of Jews, Protestants, and all those who are far from God...

With prayer, you can open the chance of salvation, even for those who are farthest from God at the moment... Everything is possible, when the prayer of Faith is made, and it is presented to God by My Hands

... Therefore, pray for these intentions!... I will pray with you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/18/99

"- Dear children, I am particularly grateful for all your prayers!...

I thank everyone who came and I ask that tomorrow you consecrate all your prayers for the conversion of Hungary... There are many who are converting there, but there are also many who are still far from the My Son and Me...

Pray for that Country, over which a special plan of My Maternal Mercy hovers... (pause) I thank you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 10:30 pm

"- I wish you to live My Message this afternoon... I wish you to ask for the intercession of Saint Stephen for the conversion of Hungary!...

I am with you, and I want you to pray in every way possible and manners in favor of Hungary... I thank you and bless you..."

Day 12/19/99

"- Dear children, I wish you to pray more this week in preparation for Christmas!...

I also want all of you to confess, to ¡®cleanse¡¯ your heart and welcome My Son Jesus... The Grotto of Bethlehem was poor, but it was not ¡®dirty¡¯!... Jesus cannot enter where there is dirt, where there is sin... Purify your hearts by confession, prayer and the renunciation of your 'ugliest' sins...

I want you, during this week, to invite everyone to pray more in your homes, in the Church and everywhere! May they behold together with Me such a Great GOD, who was born so 'small', so that man would not be 'afraid' to approach HIM...

I bless you in the Name of the Father... of the Son. .. and the Holy Spirit..."

Day 12/20/99

"- Dear children, I am 'glad' for the prayers of some of you these Christmas days, but... some of you can still pray more!

With prayer, you will feel the Presence of Jesus, and that Presence will joy!... Don't talk about prayer, but pray! May prayer be a 'truth' and a 'reality' in your lives!...

I bless you in the Name of the Father... Son... and of the Holy Spirit..."

Day 12/21/99

"- I want you to pray the Rosary even more intensely these days! ...

Meditate on His birth in Bethlehem, on His 'poverty', on His 'humility', on His 'deprivations', and on the 'rejection' He felt when He was not accepted by the people of the city of Bethlehem, and reflect:

How are your souls in relation to My Son?...

What is the attitude of the soul of each of you in relation to My Son Jesus?

Also meditate on how many Graces you have received during this year, and what you have done with them... have you multiplied these Graces?... or have you allowed them to be lost?...

May this Christmas be a new decision for the conversion in their hearts! I am with you, and I will pray with you that Christmas may be a descent of GOD into your souls! and also, an elevation of your souls to GOD...

Say five Hail Marys these days, asking Me, who am the Mother of ¡®Poverty¡¯, to teach you this Christmas the true meaning of ¡®poverty¡¯!...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/22/99

"- Dear children, I want to thank all those who are making an effort to fulfill the Requests that I have made for them in these days...

I want to ask you to pray that this Christmas, many sinners will be converted... Christmas, My Son Jesus pours out Special Graces through Me for souls... I want you to pray for them, so that they can convert...

I am with you, and I accompany you day by day on the path of prayer ... and I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/23/99

"- Dear children, I am with you and I wish that tomorrow, on Christmas Eve , you surrender your hearts to Me and My Son completely...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 10:30 pm

"- My children, Christmas must be the ¡®day of interior purification¡¯ of your hearts... I want to enter them, and I want to remove all the obstacles that stand between My Son Jesus and you...

This is My ¡®task¡¯ on Christmas Eve: - to purify, form and educate them, so that they know how to receive My Son Jesus with love and joy

... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/24/99

"- Dear children, I wish that on this night you open your hearts to My Son Jesus, who is coming ...

I want your hearts to be a beautiful ¡®manger¡¯, where I can lay My Son...

I wish to lead you today to an ever more intense and true prayer... Watch with Me next to My newborn Son, and adore Him with all your heart!...

Intercede for the Peace of the world and ask Him, who is the KING of Peace, this Peace...

I LOVE you, and I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 25/12/99

Christmas Vigil

Apparition of the Holy Family

Dawn 12/25/1999 - Chapel of the Apparitions, at 4:15 am

(Observation - Marcos Tadeu): (Our Lady came all dressed in gold, with a resplendent crown on her head. Saint Joseph was wearing a golden tunic. The Baby Jesus wore a white tunic underneath, and a red cape on his back, he appeared to have a year or so, and he didn't come as a newborn baby, like the other times.

A remarkable fact is also that, when he spoke, he didn't emit a childish voice, but I heard him with the same adult voice as I hear him speak on the 7th. HE came on the right arm of Our Lady and HER left hand was on the hand of Saint

Joseph.

I asked if THEY could bless the people present, and THEY said yes, they would. As the Baby Jesus was in Our Lady's right arm and She was going to bless with her right hand, HE disappeared from the right arm and immediately passed to the left. Then the Holy Family traced the Sign of the Cross over us.

I asked Our Lady about a problem, and She gave me the means to alleviate it, however, she said that some things have to happen, and that they will serve to sanctify some and condemn others.

I asked Baby Jesus if he wanted anything from me or anyone. HE said:)

(Child Jesus) "- I want you to say to young people, that I want them to have more devotion to Saint Joseph!

The virtue of purity is very difficult for young people, because they do not have so much devotion to Saint Joseph!... if they increase their devotion to Saint Joseph, the virtue of purity will be more easily acquired, preserved and exercised by them... them!..."

(Observation - Mark): (I understood that when Baby Jesus said young, HE was referring to young men. This does not mean that the Message is not also intended for young women.

I asked if THEY had any Message for everyone ! , and THEY nodded their heads yes)

Message from Our Lady

"- Dear children, I am the Mother of LOVE... and I wish that on this Night, all of you come close to My Heart, so that you can receive the Graces that are enclosed in the MYSTERY of this Holy Night... all of you open your hearts completely to My Son and Me... (pause) I

wish that everyone in the world knows My desires... that My Messages and that My LOVE TRIUMPH throughout the Earth!... may the 'Seventh of February' of each year be celebrated, not only as the 'Feast of Peace', but... may I be celebrated and honored throughout the world on one day, in all peoples and nations... Make sure that all My children, that all Christians, accept and spread this My request as quickly as possible...

I wish souls to be silent, and let the Voice of GOD speak in their souls!... You talk a lot! and listen little to what GOD says to them... ¡®open¡¯ your hearts, and you will see how great is the LOVE of GOD for all of you...

Just as the ¡®star¡¯ guided the Magi to My Son Jesus , once in Bethlehem, today I am the Star that guides you to My Son Jesus, who is the Savior of all humanity...

Soon the world will be transformed, and the Light of Bethlehem will become reality in all the peoples of the Earth ... Therefore, My children, trust! Pray!... Lean on Me, and you will always find comfort and protection..."

Message from the Glorious Saint Joseph

"- Children of the Lord and My little children!... Little children! who are under My Mighty Sponsorship... I LOVE you and intercede for you with My Beloved Spouse, with My Beloved Son, Our Lord Jesus Christ, My GOD, Lord and King, and next to the Throne of DIVINE Grace...

I wish that you all, that all of you, cultivate a sincere and filial devotion to My Beloved Spouse, to Me! and to the Most Sacred Heart of My Adoptive Son, Our Lord Jesus Christ, Our God and Lord...

I want all the first Sundays of each month to be dedicated to a special veneration of Me and My Most Loving Heart... In this way, your devotion to the Most Sacred Heart of Jesus on the first Friday, to the Immaculate Heart of Mary, My Beloved Holy Spouse, on the first Saturday, and on the first Sunday to My Loving Heart, will lead

you to the need to love, repair and console OUR Hearts, which are offended, blasphemed and despised by humanity... Communion may be reparative in Honor of My Heart, so that through My Intermediate and through My Powerful Sponsorship, it may reach from the TWO Sacred Hearts and from the Most High GOD, the Grace of the conversion of sinners...

This is My desire for today, which I communicate to you with immense joy on the day when, crying and smiling, I contemplated the One who created Me and chose Me, to be HIS Guard... and HIS Protector..."

Message from the Child Jesus

"- My children! today you remember My Birth Day... Today you celebrate My COMING in 'humility', in 'poverty', and in 'humiliation' into this world...

I wish to tell you that the My Second COMING, in 'Glory', 'Might' and 'Majesty'! it is also near... Fill your 'lamps' with oil, keep your flames burning, set a vigil! for the 'night' has come, and you do not know the 'hour' in which the Beloved Bridegroom will come...

My COMING is near! but you do not have the right to set dates for the Times which the FATHER has fixed! in HIS Wisdom... You have to believe without knowing!!!... you have to hope!!... to trust!!... and to love!!! even without seeing...

Blessed are those who welcome ME into their hearts and love Me! for they will possess Heaven and Earth... The New Heavens and the New Earth will belong to the righteous who testify to ME! and do not be ashamed of ME, before men...

I ask you: - fervent your devotion to My Heart, to the Heart of My Mother, and to the Most Loving Heart of My Adoptive Father so Beloved and Venerable!... Saint Joseph ...

Tell the Church that I desire the Heart of My Adoptive Father Saint Joseph, next to Mine and that of My Most Holy MOTHER!... When this is done, the Church will be free from great sufferings and problems, and a lot... and much... and much... she will rise... in holiness...

Tell the families to place Saint Joseph next to My Heart and My MOTHER's Heart, in their homes! and families will have sin, division, discord and evil expelled from their bosom...

I wish you to renounce all sin!... Some have been purified, but there are others here who are not yet completely clean. ..

Purify yourselves!!! Go drink at the Fountain of Confession and wash in it!!! Repent of your sins...

Don't pretend!... don't lie, to ME... Don't represent satiety! where there is misery... Do not represent strength! where there is only weakness... Do not represent purity! where there is 'dirt', and sin... Do not represent kindness! where there is only selfishness... Assume your sins!! Ask for their forgiveness!!!... and My Generous Hand... will descend to you...

Do not think that I am a GOD ¡®very High¡¯ enough, so that My Arm does not reach you... My Greatness 'amazes' you! much more must My Mercy captivate you...

Convert! It is the appeal that I leave you Tonight... and we bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

(Marcos Tadeu): (I asked Saint Joseph what message HE had for Christians in general, for all of Christendom in general, for the new millennium?)

(Saint Joseph) "- Inculcate My Devotion in hearts as much as possible!... Many souls never got to know Our Lord Jesus Christ and My Most Holy Spouse Mary, because they did not know Me...

Make Me known, and immediately , I will make Jesus and Mary known..."

Message given by Our Lady

on Christmas Day, at night, in the Upper Room

"- I wish you to live the Message of this afternoon: - pray the Rosary every day, to reach from Jesus the Grace that all human hearts accept My Son... and the Message you received during the Vigil: - ¡®Place the Heart of Saint Joseph immediately next to Mine and Jesus'. ..

This does not mean an Image of the Holy Family, but an Image that has My Heart visible, the Heart of Jesus visible, and while there is not the Image of the Most Loving Heart of Saint Joseph, let His Image be placed beside the two already mentioned...

If you do this, Satan will lose his strength!... we will be able to act in your midst, especially in your families, today so paganized and atheist... I want to exercise My LOVE in this way. .."

Day 12/26/99

"- My son, always remember that it is necessary to remember the 'Sufferings' of My Son... The remembrance of the 'Sufferings' of My Son leads the soul to hate sin, and to love virtue.. Always have His Cross and the BLOOD He shed before your eyes... Honor the 'Sufferings' of My Son!... Honor My Sorrows, at least for a brief moment! every day.. Always remember that whatever you

put, whatever you include in the prayer of the Rosary, if it pleases God, for the good of your soul, and for the salvation of souls around the world, know that the FATHER will give you... What does not please the FATHER will not be given to you...

Always remember that I ¡®listen¡¯ to all your requests... and those that are righteous, I present to My Son ...

I want you to help Me in prayer!... Pray for souls, because, for many of them, the ¡®hour of Justice¡¯ has already sounded... Help Me to save souls!..."

Day 12/27 /99

"- I wish you to prepare for the end of this year, with three days of Communion and prayers for the Peace of the world! On January 1st, I wish you a day of prayers for Peace..."

Day 12/28/99

"- I wish you to live the Messages I gave you in the last few days, and to pray the Rosary every day.. I

want to reveal to you, My child, and through you to others, that My Son Jesus, when He was a 'little child', turned many stones into bread, to satisfy the hunger of the poor and the miserable He found and who treated him well...

Many times, HE made fruits grow on trees out of season, to satisfy the hunger of poor and humble children... In this way, My Son rewarded those who rendered Him some ¡®service¡¯, or who simply they made a small gesture of love to Him...

I wish you the same kindness!... May you look at your fellow men, and treat them as My Son Jesus would treat them in his place..."

Day 29/12 /99

"- Dear children, many storms and hurricanes will devastate the world... Almost no family will have Peace anymore... If you want Me to free you from all this, do what I tell you: - prayer and penance!.. .

I have said this thousands of times here, but... almost no one has done what I asked... I ask you: - practice My Messages!... otherwise I can't help you

... with you, but you must be together with Me, so that My Presence can free you from everything that satan plans, every day, against you...

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Day 12/30/99

"- Tell My children that I want them to prepare with prayer, for the entry into the ¡®Year of the Grace of GOD¡¯...

The Year to come it is the MAXIMUM YEAR of the FATHER'S GRACE! The Mercy of GOD must envelop souls, and illuminate the whole world with HIS LIGHT... Tell My children that they must pray! You must open yourselves to this LIGHT, which comes down to you...

The hearts and the Earth will soon be 'CLEANSED' by the LOVE of the FATHER!... May your hearts be docile to the LOVE OF THE ONE who first LOVED us all...

I bless you in the Name of the FATHER.. . of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 22:30 pm

"- I wish you to thank GOD for everything He has granted you during this year... for everything He has not allowed that bad things happen to you, and for what He is already going to grant you in the next year!...

Above all, thank the Lord for allowing Me to stay here for another whole year with you, bringing these immense Graces every day, for the soul and for the body of so many of My children...

I will join your ¡®Thanksgiving¡¯... (pause) I bless you in the Name of the FATHER... of the Son... and of the Holy Spirit..."

Day 12/31/99

"- My children, spend the 'last hours' of this year with Me, which is about to end... In prayer, in love, in silence and in Communion with Me, stay in these last moments...

On this night, humanity, instead to thank him for the benefits he has received from the Lord, he will turn against HIM, and offend Him 'brutally'... Today as many sins will be committed as never before...

Satan came out of hell, with all the demons at his disposal, to drag as many souls as possible into sin, and many of them will today seal their eternal damnation... unless there are good and pious souls, who pray with Me to try to save, at least, a small number of them...

Pray with Me... Watch with Me... Don't participate in the uproar and noise!... Remain in prayer... for in this way I will be able to help some souls, and save them. what could happen to them today... If many souls knew what awaits them today, they would not leave their homes...

I want you to pray for them, and pray for yourselves, so that I can lead them, guard them. them and protect you more and more... This is My wish for you today...

Start tomorrow in prayer, in penance, and above all, in supplications for God to forgive humanity, because the Cup of HIS JUSTICE is overflowing...

If you do not pray, I will have to bear My Heart immersed in a Great Pain , for seeing so many souls condemn themselves forever...

I bless you in the Name of the FATHER... of the Son... and of the Holy Spirit..."

Messages communicated in the Apparitions of Jacareí, year 2000

Jacareí, January 01, 2000 - Chapel of the Apparitions - at 18:30h

Message from the Most Holy Mary

"- I wish you to start the new year full of prayer, and decided for conversion...
During this week, pray more for atheists, for those who do not believe in GOD, because their number increases more and more...
I wish you to join Me in this prayer for the conversion of those who have `hardened' their hearts... May the Rosary be the favorite prayer with which together we will achieve the conversion of many atheists!
Many souls committed sins yesterday, and many were condemned... however, some I was able to preserve... Keep praying without ceasing for the salvation of souls..."

Chapel of the Apparitions - at 22:30 pm
"- Dear children, continue to pray, I am happy for your prayers!... Pray for the Peace of the world! Pray for the Peace of all countries...
I have tried to save the world many times, and I have tried to help it countless times. , but... he did not accept My Hand, and that is why the generation of now will be treated more rigorously than that of Sodom and Gomorrah...
Therefore, I invite you: - pray for all countries who did not accept GOD... Their lot will be worse than that of others, so I invite you to resume prayer for countries without GOD...
I am with you, and I join your prayers every day. .."

Jacareí, January 2, 2000 - Message from Holy Mary

"- My child, I want you to tell all My children, with courage and conviction, that the people in love are living in mortal sin, and that they offend God a lot, because they have not received the Sacrament of Matrimony, and therefore, they do not have the Blessing of GOD for their families...
Tell them, tell all My children, to go to the Church to receive the Sacrament of Matrimony and be reconciled with GOD...
Families in love are not guided by the Holy Spirit, and that is why Satan attacks them more... Affirm this with all `confidence' and with all `strength' in My NAME!..."

Jacareí, January 03, 2000 - Message from Mary Most Holy

"- My children, I desire from you a deeper veneration of My Sorrows, and a greater 'knowledge' of them, so that I can lead you to a more perfect repentance, and to a deeper contrition for your sins in your hearts...
That's why I want you to meditate until the Apparition of tomorrow, without ceasing, on My Sorrows and Tears... I am with you and I accompany your

prayers, day after day...
May you pray tomorrow too by the Intentions of the Pope, and of My Immaculate Heart..."

Jacareí, January 04, 2000 - Message from the Most Holy Mary

"- I hope that tomorrow you will pray for the conversion of young people, and continue to pray for the Intentions of the Holy Father, and for the Intentions of My Heart... Tell My children that everyone must review their attitudes, and convert from the ` evil works' that you commit! Above all, purify your tongues, which have spoken many evil things during the last days...
May your lips be pure! People who curse, people who say 'evil words', attract to themselves many other evils... Pray! and always say `Holy things', and God's Blessing will also come upon you..."

Jacareí, January 05, 2000 - WORDS of Our Lady on Her Holy Medal of PEACE

(Observation - Marcos): (On this day, the Medals of Peace were presented to Our Lady, so that She would bless them, which made Her very happy)

"- Here is the Medal of Peace! Peace... Peace...Peace ... It is the means by which the world will find Peace, if it uses It with pity and devotion...
See, My child, and say that the Medal of Peace is the Greatest Gift of My Immaculate Heart, which I give to My children...
The enemy will retreat before her, and those who use her with faith and devotion will be free from many dangers and escape hell, if they pray the Rosary and do not sin, carrying her on their chest with faith and love.. .
Wherever the Peace Medal arrives, there I will be too, `VIVA'! performing the greatest Graces of the Lord... and those who wear It on their chest will have the complete certainty of My Presence and My 'very special' Protection, both in life and in death...
Tell all My children that I do not want them to wear the Medal either in their bags or pockets, and for them to wear it around their necks, on their chests... My children must carry it on their chests!
My Medal is the `shield' that I give My children to defend themselves from the unexpected attacks of Satan!...

(Marcos) "- Madam, how do you want the Peace Medal to be disclosed?"

(Our Lady) "- Anyway... Speak, write to all the people you can get in touch with! This is your mission, My child, until the end of your life: - take My Medal, and make Her known to all those you meet...
Be the Medal of Peace, your 'inseparable companion' at all times, because wherever She is, be sure that I will be there too...
(here She blessed the Medals and the people.

When Our Lady went to give the Blessing on the Medals of Peace, She raised Her Right Hand on high, then Her Hand ignited, it became incandescent and from it emanated, radiated a most brilliant Light like the sun.
Then She traced a Sign of the Cross that became luminous, and that She was drawing with Her own Hand. When the Sign of the Cross was fully formed, then He rotated on its lateral axis, as if 'tipping' forward, staying in a horizontal position on the Medals that were placed on the floor, in front of Our Lady.
Then, that Cross of Light dissolved into countless particles of Light that, descending, came to land on the Medals, blessing them.
I had never seen Our Lady bless with Her Hand being like this, like an incandescent sun of Light, and this impressed me very much.
After the Blessing, before leaving, she turned Her gaze again to the Medals that were on the floor in front of her, and with 'unspeakable tenderness' she said :)

(Our Lady) "- You cannot imagine how `happy' I am with the minting of these Medals!..."

(Marcos): (Then, rising up, he left for Heaven...)

Jacareí, 06 January 2000 - Message from the Most Holy Mary

"- My children, pray! pray! pray! It is the most important thing I have to say to you!...
Pray for tomorrow's Upper Room! in all hearts! Pray that the Holy Spirit 'changes' the souls of all My children who are there in the Upper Room!...
Pray! Pray! Pray! (pause) Don't say anything!... Pray... Pray... Pray..."

Jacareí, January 07, 2000 - Message from Mary Most Holy

"- Dear children... (pause) I am with you here again, and I ask you to open your heart and welcome My Message...
I am the Lady of the Rosary!... I invite you to pray the Rosary ... I insist, I ask, I beg more prayers of the Rosary!...
Meditate more often on the Passion of Jesus!... Reflect on the 'Sufferings' of My Son...
I want to ask you, during this month of January, to reflect about the entire chapter of Matthew 6. Read this chapter several times, many times!... until you understand that man was made to seek only GOD... "They cannot serve two Lords"...
Reflect on this during this month, and ask the Holy Spirit to enlighten your hearts, so that your lives will truly change... and pass from darkness to LIGHT...
Wear My Medal of Peace with Confidence, LOVE and Devotion... How happy I am to see that today thousands of My children are taking it home to wear it on their hearts... It gives me so much joy and so much consolation!... I will be able

to pour out many Graces through these Medals, and in many places, many conversions will take place... I want you to continue to pray for the Pope, (pause) for the sanctification of the Church, for the conversion of sinners, especially for atheists ...
I want you to take My Messages to every place in the world that you can reach...
The devil's 'time' is running out... his days are numbered... and My Immaculate Heart WILL TRIUMPH !...
Courage! Forward!... I am with you!...
I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

" Generation! your Merciful Lord SPEAKS to you!!! The Flames of My Mercy (pause) demand that I pour them out on souls...
I look for docile souls... meek... 'small'... where I can pour out My LOVE, but... even traveling the all over the world, I can't find even a dozen of them... and that's why so many Graces that come out of My Heart... come into the world! and they are not welcomed... (it is) because hearts are closed, blinded by pride and selfishness... hardened by materialism, and lack of faith... and then, many souls are lost... for not receiving the My LOVE...
The soul that I LOVE... that I LOVE most! is the one that has the most LOVE for me... (pause)
Love Me!!... Love Me with all your soul!... and I will also... LOVE you, with all My SOUL...
Love Me with all your heart!! and I will also LOVE you... with all My Heart... (pause)
Continue to pray the Rosary of Mercy every day, especially at three o'clock in the afternoon, which was the time when on the Cross... My Martyrdom of LOVE, saying: `Father! into YOUR Hands, I deliver My Spirit... everything is consummated...'
Kneel with The Mother of Mercy, at the Feet of My Cross, to adore the GOD of LOVE, who gives Himself for men...(break)
Generation, stay faithful to My Church... Be My Holy People! Don't listen to those who, with cunning proposals, want to get you away from ME... Don't let your heart (pause) lean... to the side of the devil and his henchmen... Remain in the TRUTH!!! Meditate and reflect on My WORD, night and day...
I want each soul to practice everything they heard here from Me, from My Mother, from My Adoptive Father Saint Joseph, and from My Angels and Saints...
Jacareí it was a 'chosen land' so that Heaven could be glorified here... Although we have many enemies here, they will all fall in due time... under the STRENGTH of My Arm. OUR Hearts WILL TRIUMPH!...
I desire that the WORDS that Heaven sent to this place... run through the world, and bring many souls to meet Me...
I bless you all in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 08, 2000 - Message from the Most Holy Mary

"- You must turn now to prayer, to deep prayer, for silence and meditation, so that the Graces of yesterday are not lost! Do not allow your heart to become empty..."

Second Apparition - at 10:30 pm

"- I wish you to pray for those countries that I mentioned in the Message of December 8, 1994... May you pray for these countries, and above all, that you offer for their conversion, prayers and sacrifices...
I also hope that during the next few days you will pray with greater constancy and fervor the Seven Rosaries that I taught you, to bring sinners back to GOD...
Pray also for families, which have been torn apart and destroyed by the bad examples of the world. ...
Satan will be extremely 'annoyed' against your prayers for families, so he will cause you feelings of tiredness, fatigue, discouragement and discouragement, but continue to pray, even though you feel 'these things', that soon they will will pass, and your prayer will cross the Heavens and touch the Heart of GOD...
I am with you, and I will strengthen your prayer with My Maternal Prayer..."

Jacareí, January 09, 2000 - Message from Mary holy

"- Dear children, I am happy with your prayers, but I want you to pray more...
Pray more... Pray more... Pray more... Decide once and for all to pray!... Flee from people's turmoil, and seek 'silence' and the recollection of prayer...
Pray more... Pray more... Pray more... All of you here can pray more..."

Jacareí, January 10 2000 - Message from the Most Holy Mary

"- Dear children, I would like each of you to make a `special sacrifice' for the conversion of atheists in the coming days...
When a person offers sacrifices for another person, especially if he is a atheist, so great is the 'power of love' that reaches the presence of the Most High, that HE, 'inflamed' with LOVE and Mercy, converts many sinners...
So make a `special sacrifice' for the intention of converting atheists, so that the ETERNAL Father, during these days, converts many atheists and thus lessens HIS 'immense sadness'..."

Jacareí, January 11, 2000 - Message from the Most Holy Mary

"- I wish you to pray more! Make even more sacrifices, and spread My Messages even more... You are very still... Move! Move! And then My Flame of LOVE will bless all your deeds, and IT will then erupt powerfully, bringing the Grace of Salvation to many souls...
The first step is yours, and then I will lead the rest... (pause) I bless you in the

Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 12, 2000 - Message from the Most Holy Mary

"- Dear children, I am 'happy' for the prayers you have been praying... Continue to pray them! and never give up praying...
I wish you to be just like that, as the virtues dictate: - good, pure, humble, full of hope, full of love, prudent, sensitive, sensible, and above all, extremely 'perfect'...
For this I came, and for this I am here... to lead you all to 'perfection'!...
Understand that the purpose of My Coming to Jacareí is not just to give Messages, but to elevate the souls that come close to Me, to a very great 'perfection' in the spiritual life...
I bless you in the Name of the Father... of the Son ... and the Holy Spirit..."

Jacareí, January 13, 2000 - Message from Mary Most Holy

"Dear children, I would like you to pray the Rosary of Peace for 3 consecutive days, and offer it for the Peace of the world...
I would also like you to open your hearts even more to prayer... your prayers, but every day it is necessary to delve even deeper into prayer! Open yourselves to the `SUN of GOD'S LOVE', through prayer...
A heart that prays cannot give way to anguish, therefore, may the 'joy' of prayer be present in you!...
The sin of the world increases every day in gigantic proportions, which is why I 'beg' so much prayer...
I want to 'cleanse' your souls! .. I can only do this when the soul surrenders to Me through prayer..."

Second Apparition - at 22:30 pm

"- Dear children, I would like you to continue to pray for My Intentions already requested during these last days... May you pray, above all, for yourselves! and for the faithful souls of the whole world...
Satan is now concentrating on those souls who they still have a little devotion to Me, because they know that they are the souls that hinder him the most and prevent him from winning...
He wants to make these souls discouraged, so that his power extends throughout the whole world... Pray for these souls, so that they remain faithful until the end; so that you yourselves remain faithful to everything that I came here to communicate..." (Marcos) "- Dear Lady, that I must respond to people who say that the Messages of the Lady are not being carried out; that the Lady is 'delaying' in providing a solution to their problems; that the world doesn't get better?"

(Our Lady) "- Tell people that all My Messages, of all My Apparitions, all of them will be fulfilled... None of them will go unfulfilled!...
Heaven is easier and the earth to pass away, than that My WORDS will not be

fulfilled... Everything I said, everything I prophesied! will take place...
It is not for you to know the `time' nor the `day'... All you have to do is pray, live in holiness, and you will have nothing to fear... (pause) Man has no `right' to know , nor to establish the `dates' that GOD has set for His Mercy to act! Therefore, let man put himself in his place, and hope in Faith...
People should be happy, because many things have not yet happened, because I have obtained from My Son Jesus `a little more time' for the conversion of all, both sinners and those who had already been converted, but are not yet in a 'great degree of holiness'...
Instead, people complain and murmur, and this offends My Heart greatly... (pause) People should lift their hands with Me to Heaven, and thank My Son who has given Me 'more time' to be with you ! and help in the conversion of sinners..."

Jacareí, January 14, 2000 - Our Lady gives guidelines on the "use" of the Holy Medal of PEACE

"-Dear children, with prayer and fasting, you will be able to perceive and recognize more clearly Satan's attacks and snares... Fasting purifies the soul, and prayer makes it increasingly attentive to everything that happens around, to better identify the enemy's attacks...
I want you to pray every day the MAGNIFICAT, the BENEDICTUS, and the ACT OF FAITH, so that your souls may reach the Grace of Trust in GOD, Strength, and Hope in Him...
I wish you too `sleep' with My Medal of Peace, so that I can protect you even in your sleep from the attacks of the devil...
Many dreams that you have are influenced by him... Many temptations are suggested to you while you dream, and while you sleep... Many 'dangers' surround you when you rest, and I want to protect you from these attacks through My Medal! Do not be separated from Her, and I will never be separated from you...
I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 15, 2000 - Message from Mary holy
First Apparition - at 6:30 pm
"- My children, Sunday is the `Day of the Lord'! and it should be used for prayer, meditation, and the `meeting' with GOD... ' in GOD, and be satisfied with HIS LOVE... And that is why Sunday is consecrated to the Lord...
That souls do not go to shops and work without need, on Sunday, and that the take the opportunity to pray more, and be more generous to the GOD of LOVE who created everyone...
May Sunday, the 'Holy Day of the Lord', be more respected! and be more 'sanctified' by all..."

Second Apparition - 22:30hs

"- Dear children, I want you to be detached from everything! to please GOD... Detached even from yourselves, and your own opinions!...
I want you to let go of everything that is 'carnal', and everything that 'pulls you down', and prevents you from getting closer to GOD...
The petty people, the greedy people, and the people attached to `things of this world', will never be able to find or see the True FACE of GOD, for GOD only shows HIS True FACE to the humble, the pure, and to those who left everything, even their own will, to do the Will of GOD. ..
Through the Rosary, I want to teach them humility, I want to teach them poverty! I want to teach you the generosity that GOD expects from all of you...
Pray a lot, because many souls were 'called', but after walking a little on the path of virtue, they got tired, because they saw that it was difficult... Pray a lot, because many will be 'called'! but very few will be the 'elect'...
I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 16, 2000 - Message from Holy Mary

"- I wish you each one of you pray more for the souls, for the salvation of each one of them... Satan is now persecuting My children, the few faithful ones that remain, in order to tear them from My Protection and make them succumb to sin.. With prayer ,
you will be able to guarantee for many souls the Strength they need to resist Satan's attacks... Pray, therefore, without ceasing for the souls of the whole world!..."

Jacareí, January 17, 2000 - Message from the Most Holy Mary

"- I want you to continue praying the Rosary every day! I am happy with your prayers...
Pray this week for the Holy Father, the Pope, who is very sick, and very alone...
Pray for the souls in Purgatory, because they have been much forgotten in recent times... Pray without ceasing! Pray without ceasing!" Day 20/01/2000
First Apparition - 18:30hs
"- Continue to pray the Rosary every day... Do penance!...
Tell people that those who attend `spiritism', offend GOD a lot, and commit countless sins...
People who frequent 'spiritism' must come out of it, repent, and do penance! so that the 'door' of Salvation may open for them...
I pray every day for these My children who are far from God, and I wish that you all pray for them too..."

Second Apparition - 22:30hs
" - Dear children, I wish that your prayers are more full of LOVE... I wish that LOVE is the `all' of your prayers! and what moves their prayers every day...
Many pray, but there are still few who give Me that LOVE that I desire to receive... When their hearts love Me unselfishly, then I can be the EMPRESS of theirs. hearts, and I will be able to transform them into a Great LIGHT for this world...
May your hearts be of LIGHT! and not of darkness... (pause) I bless you, in the

Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 21, 2000 - Message from Holy Mary

"- I wish that you say Seven Hail Marys in the Intentions of the Holy Father, the Pope, asking at the same time that the Holy Spirit enlighten you and guide the Church on the `Way of TRUTH'...
Satan wants to put many obstacles in the Way of the Catholic Church, and you will be able to help her through prayer... May your prayer be directed to GOD in favor of the whole Church..."

Jacareí, January 22, 2000 - Message from Mary Most Holy

First Apparition - at 18:30hs

"- I thank you for your prayers of the Thousand Hail Marys... and how I would like each of you to do this always, every day, or as often as you can in private...
May you continue to carry out this 'devotion', because she gives Me great 'joy' and great 'comfort'..."

Second Apparition - at 10:30 pm

"- I wish you to continue to pray incessantly for three hours every day... I wish you to continue to pray the Rosary, and that they add after each Mystery that prayer that I taught them in 1998: "-

O Most Holy Trinity, Just and Powerful,
look at the Intentions of the Heart of Mary. Answer them! Do them!
For the greater Honor of Your Beloved Daughter,
of Your Most Holy Mother, and Favorite Spouse,
execute Her Maternal Intentions, and may the world recognize
Her Queen and Mediatrix, in all Nations,
and may the GLORY of Her Immaculate Heart 'shine' throughout the world.
Amen..."
... so that the Holy Trinity 'hurries' the HOUR of the TRIUMPH of My Immaculate Heart, because this delay cannot be longer... otherwise, even the 'elect' will be lost.. If you
pray and ask the Holy Trinity for My Intentions, and for the TRIUMPH of My Immaculate Heart, SHE will answer, 'hasting' that GLORIOUS MOMENT in which My Heart will defeat the devil... (pause) I count on yours prayers..."

Jacareí, January 23, 2000 - Message from Holy Mary

"Dear children, I wish to ask you to continue to pray the Rosary every day and to participate even more fervently in Holy Mass...
LOVE GOD!... Praise Him and pray with mercy! Do not blaspheme against Him , and be faithful to Him...

I am with you, and I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 24, 2000 - Message from the Most Holy Mary

" - My children, I want you to continue to pray the Rosary with the `prayer'* taught by Me, but do not suppress the others. I want you to pray with all your prayers...
Faith cannot have `life' without prayer ! The more intense the prayer, the more intense the Faith..."
*(Observation - Mark): (The prayer taught by Our Lady to `hasten' the TRIUMPH of Her Immaculate Heart: `O Most Holy Trinity, Just and Powerful, look upon...')

Jacareí, January 25, 2000 - Message of the Most Holy Mary

"- My children, I am very `glad' for the day of prayer you have made... Do it always! Make Me `happy' every day, praying a lot... May your prayers be prayers of love , prayers of supplication, prayers of praise to GOD...
Continue to pray the Rosary every day, offering it for the Holy Father, the Pope, for the conversion of sinners, and also for Brazil... I am the Mother and the Queen of Brazil, and today I pour out My Peace, as Queen of Peace, over all of Brazil, and over all of you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, January 26, 2000 - Message from the Most Holy Mary

"- Dear children, Jesus in the Eucharist is saturated with reproaches, sacrileges, and offenses...
The Justice of GOD must unload HIS 'Wrath' on many sinners, otherwise there are people who make reparation and make amends to the Eucharistic Heart of Jesus... I
beg everyone to pray the Rosary of the Eucharist daily, to repair these offenses, and to appease the 'Just Wrath' of the Almighty..."

Jacareí, January 27, 2000 - Message from the Most Holy Mary

Our Lady 'revealed' that the Archangel 'designated by GOD'
to grant the Grace of 'Obedience', is the Archangel St. Gabriel,
and exhorted us to ask for His 'help' and 'intercession'

"- Continue to pray the Rosary every day, to achieve Peace for the world, and the 'final defeat' of My 'eternal enemy'...
I intercede without ceasing before God for the conversion of sinners, but... there are many who sin, and very few who pray... (pause)
Pray that the Will of GOD be done in their lives... Pray to St. Gabriel the Archangel to help you to be `strong', and to that you 'promptly obey' all that I ask of you, and all that GOD wants through Me...

Pray to Him, because He is the Archangel 'designated by GOD' to grant such Grace..."

Jacareí, January 29, 2000 - Message from the Blessed Virgin Mary

"- I wish that souls continue to pray, and continue to seek incessantly the Will of GOD for their own lives...
Man became more and more evil and cruel... of demons...
It is necessary for man to return to being good, pious and obedient to GOD, and this I desire to do, every day more, in the hearts of all those who answer `yes' to Me... '
I call' to all souls from all over the world of 'good will', to follow Me in the path of prayer and sacrifice...
I desire to take you to the complete offering of each of yourselves, and in total sacrifice of each of you to GOD , for the salvation of the souls of the whole world..."

Jacareí, January 30, 2000 - Message from Mary Most Holy

"- I am pleased with your prayers, but I want you, My children, to intensify your prayers in these days when Satan 'works hard' in your midst... Pray more!... Without prayer, none of you will be able to resist the temptations that 'he' sets for you. Satan knows your weaknesses, and his temptations are in proportion to your weaknesses...
I also want you to pray incessantly, because everything I have told you will happen... soon, the Heavens will be `shaken' by an unparalleled `Fight', and only the `strong' in the Faith will win..."

Jacareí, January 31, 2000 - Message from Holy Mary

"- I have been with you for nine years, and it is time for you to decide and choose: - GOD or satan. (pause) Your answer is free, the decision of each of you is also free...
I hope that on the `7th' you will say YES to GOD and NO to Satan, forever!... That in the renewal of your Consecration to My Immaculate Heart, you will answer this YES, which GOD has been waiting for so long
... you didn't give the 'true' YES to ME and GOD... I want this YES!...
Pray that 'on that day' I can fill you with the fullness that GOD allowed Me to bestow of HIS Graces. .."

Jacareí, February 1, 2000 – Message from the Blessed Virgin Mary
"- I wish that you continue to pray the Rosary every day... That you lead a `holy life', that you truly convert! and that you continue to seek `holiness' each day... Decide for GOD! ... Renounce all the doubts that satan wants to put inside your hearts, because such doubts displease Me... May your hearts and your

actions be full of LIGHT, and full of Faith... I bless you in Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 02, 2000 – Message from the Most Holy Mary
"- I am with you, even when your hearts are cold and insensitive... I continue to watch over you, night and day, even when you do not pray, although I cannot carry out the Will of God in your lives, due to your lack of prayer... I recommend that you continue to pray the Rosary of Mercy in your homes, as it pleases the ETERNAL FATHER very much... and that you pray the Litany of the DIVINE HOLY SPIRIT every day, asking for yourselves HIS Gifts and HIS Blessing... I am with you, and I continue to intercede for you with My Jesus... and I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 03, 2000 – Message from the Blessed Virgin Mary
"- My children, I wish you to continue praying the Rosary every day... I am 'joyful' for your prayers, but you can pray even more... Pray for the United States, because that Nation offends GOD a lot, and it is the main culprit for the spread of errors and sins throughout the world..."

Jacareí, February 04, 2000 – Message from the Most Holy Mary
"- My children, pray for the atheist Nations, for the pagan and communist Nations... there are many Nations that expelled GOD from their coexistence! Many of them offend and commit blasphemies against GOD... Portugal and Brazil will be protected by Me, due to the 'little devotion' they still have for Me... As for the other countries, they will be dominated by many punishments and catastrophes... The 'fire' will fall from Heaven, and many Nations will disappear from the face of the Earth... they will burn in flames through the streets and fields!... everything will be devoured by the `fire', if there is no conversion..."

Jacareí, February 05, 2000 – Message from Mary Most Holy
First Apparition - at 18:30hs
"- I wish you to pray even more... Even after My Apparitions and the Miracle of the Sun, in Fatima, humanity was not converted... Pray and ask the Lord for forgiveness in the name of all, because great is the sin of world before the ALMIGHTY... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 10:30 pm
Message from Our Lady on the "Holy Medal of PEACE" , while blessing them
(Our Lady) "- I wish you, tomorrow, to offer some sacrifice for the souls that will come in the Cenacle on the `seventh'... There will be many souls who need conversion, and only your prayers and their sacrifices can obtain this Grace for them... Tomorrow, may each one renounce anything he is very fond of, to offer for the conversion of these souls..."
(Marcos) "- I wanted to ask you to bless these Medals that are here. I hope you like them..."
(Our Lady) "- Yes, I liked it a lot!... The Peace Medal is the Great Grace from My Immaculate Heart to the world today...
The Medal of Peace will be the cause of the salvation of many souls, because

upon receiving it, they will immediately be 'touched' and become faithful to the Lord... The Medal of Peace will be a sign of terror to Satan, and of Glory to GOD. ... The Medal of Peace will decide the eternal salvation of many souls... May not a soul remain on the entire planet without receiving the Medal of Peace... Send in, My son, many more Medals... this is the his Mission until his death: - Make Me known and loved, through the Medal of Peace... Here is the Great Remedy that I give for the salvation of the world, the Church and families: - the use of My Medal of Peace ..."
(Mark): (Our Lady traced the Sign of the Cross on the Medals, and it broke up into countless 'particles of Light' on the Medals. Then I asked:
"- Do you want something special for the Cenacle on Monday?
(Our Lady) "- I want you to talk a lot about the Medal of Peace, read many Messages that I gave during these nine years, talk about the sins that offend much to GOD and His Mercy; say, above all, that the `time for conversion' is over and the `Hour of Justice', of the `accountability' of each one with the DIVINE Justice..."
(Marcos) "- Yes, everything will be done How do you want... Do you want something from me?"
(Our Lady) "- I want you to go to the Sanctuary tomorrow, drink from the Fountain, and say a Hail Mary and an Our Father while you drink, and offer for the conversion of sinners..."
(Mark) "- That's all?"
(Our Lady) "- That's all, but... you must pray with a lot of LOVE, with all the LOVE of your soul... The measure of your LOVE at that moment will be the measure of the Graces that will descend to sinners.. ."
(Marcos) "- That's right, I understand. And next Saturday, when Saint Joseph and Jesus come with the Lady, where do you want us to wait for them? Here, or in Monte, or there in the Sanctuary?"
(Our Lady) "- I want you to wait for Me there in the Sanctuary, in the Place of the Source..."
(Marcos) "- Why?"
(Our Lady) "- Jesus, Saint Joseph and I are going to bless 'Water from the Fountain' one more time..."
(Marcos) "- What time?"
(Our Lady) "- At seven-thirty. At ten-thirty I'll appear again, but alone, here in the Chapel..."
(Marcos) "- Do you want anything else from me?"
(Our Lady) "- No... I don't want anything else. Come and receive your Blessing..."
(Marcos) (I looked at Our Lady, she laid Her hands on me, she prayed with her eyes closed in silence, and her Hands fell `those shiny pebbles'; then I thanked Our Lady...
She placed her hands on top of her chest, looked at the people present, looked at the sky, and rose serenely...)

Jacareí, 06 de February 2000 – Message from the Most Holy Mary
"- My children, the Message for tomorrow is: - PRAY!... Only through prayer, you will be able to understand the reason for My coming here... Only with prayer will GOD be able to reveal to you the `size ' of the Grace of My Apparitions here in Jacareí... Only through prayer will you be able to discover

how much the Almighty wants you to open your hearts... Only with prayer will you be able to hear, keep and practice everything what I say to you... Only with prayer, you will be able to advance in the practice of My Messages... Without prayer, you will not be able to do anything... Therefore, pray... pray... and pray. .."

Message from Our Lord Jesus Christ
and to him he showed himself in the way he can be seen, in the Holy Medal of Peace... Generation!!! haven't you understood yet, that The Medal of Peace is the Gift I give to save you from the subtle traps of My 'eternal enemy'?... Generation!!! don't you realize that The Medal of Peace (pause) is like the `lightning rod' of the DIVINE Wrath, of My Eternal Father?... Generation!!! haven't you realized yet, that My Mother's Holy Medal of Peace (pause) is the `Shield' that I give, so that you defend yourself from My enemy's attacks and tricks?... This Medal (pause) is terror for the demons , because in My MOTHER's right hand am I, Jesus-DIVINE Host, the Blessed Sacrament!! and where I am with My MOTHER, the serpent's head is crushed, and the demons flee... As long as humanity does not receive this Gift from OUR TWO Hearts: - The Holy Medal of Peace! (pause) there will be no Peace.. . May no human being remain on the face of the Earth!! without receiving and wearing the Medal of Peace... I... wish It to be known by all the continents of the Earth, so that the whole world knows, that My Heart has never expanded so much!! as here in this city... So that the world may know that My Mercy has overflowed in a way never seen before, as here, in Jacareí... So that the whole world may know that `this place' was chosen by Me and My Holy MOTHER, as well as by the Eternal Father, and My Holy Spirit, from all `eternity'... Here! it will be the Altar of the World... All Nations will come here (pause) to worship GOD!! to bless the NAME of My Holy Mother!! and to drink from the Fountain of OUR Graces... As much as Satan tries!! and oppose, his

days are numbered, and whatever he does against OUR Apparitions here, it will only serve to increase (pause) your eternal torment... and everything that Satan's supporters (pause) plot against OUR Apparitions here!! it will only serve to increase even more, the `fire' that will devour them in hell... My NAME is Holy!!!... and I will not allow it! let Him be mocked, by vile men! and infamous... My MOTHER'S NAME is Holy!! and Immaculate, and I will not (pause) allow him to be trampled underfoot by filthy feet, by unworthy men!!! of having been born... Woe to those who pursue My Voice, and the Voice of My Mother... Woe to those (pause) who become My Mother's enemies... Their screams will rise from the fires of hell , without ever being! whoever comforts them, for ever and ever... (pause) Here is one of the young people! prophesied by My Prophet Joel, one of those young people! who would have visions... In this time of My Holy Spirit, here is My chosen one! upon whom are My Eyes, and My Mother's Eyes!! landed with pleasure... IT'S ME!! that I run `this Place'... IT'S ME!! that I direct this young man... is My MOTHER!! who protects him, who accompanies him, and who watches over him (pause) even while he sleeps... They are OUR TWO Sacred Hearts!! who called you here, who LOVED you, before you loved US... They are OUR TWO Hearts that brought you out of darkness!! and made you taste the LIGHT... They are OUR TWO Hearts!! who poured balm (pause) on your eyes, blind and closed, and made them open to the LIGHT of Salvation... O Generation! WE LOVE YOU... Generation, participate in OUR Joy!! today... Some who came here in the past years, and have already died, are already in Heaven... thanks to My MOTHER's Messages!! and to My Messages, in Jacareí... Many others will reach Heaven, if you persevere and continue on this path, against everything and everyone... And at this moment, WE give you the 'Special Blessing', the one that will remain with you, until the end of your lives... to My MOTHER we bless you, in the Name of the Father... of the Son... and of the Holy Spirit... Go in Peace... may My Angels accompany you, and may you be faithful! to my love..."

(Comments by Seer Marcos Tadeu, after the Apparition): (Jesus came all in gold and so did Our Lady. The difference today is that Our Lady had many silver stars on Her Mantle and Dress, and Jesus also had many silver stars I asked THEM
the meaning of the stars, and THEY replied that they are souls, the souls that after knowing the Messages of the TWO Hearts here in Jacareí, were totally converted, changed their lives and now they live a life of prayer, sacrifice and penance, in the direction of holiness.There
were many stars, so much so that I couldn't even count them all... then I understood that there are many people who are sanctifying themselves after they came here.
After Our Lady's Message, I asked Jesus what HE wanted from me, and HE said He wanted me to spread the Medal of Peace as far as I could, to the ends of the world, to every country on Earth. So I asked Him for `strength' to accomplish this, and HE told me that my `strength' is Our Lady, it is HIS MOTHER, and SHE is with me all day and all the time, and that I could ask SHE whenever I wanted, that SHE help me in the dissemination and propagation of the Medal.
After Jesus' Message, a very large 'crowd' of Angels appeared here around the

whole Tree, around Our Lady and Jesus, Angels of all sizes, young people, children, teenagers, and They sang wonderful hymns and it was thus, in this Angelic 'choir' that the TWO Sacred Hearts ascended to Heaven...
At the moment of the Special Blessing, Jesus and Our Lady made a great Sign of the Cross which then turned into a great Red Heart, and then the TWO Sacred Hearts opened their Arms, and that Great Heart as it 'exploded' into a Great LIGHT, in great `Beams of LIGHT', which went down towards all the people who were present here... and this Special Blessing that was given by Our Lady, will remain with us until the end of our life.
Then I raised to Our Lady and Jesus a Rosary in the form of a ring, to be blessed; THEY blessed, and again they told me that next Saturday, February 12th, which is my birthday, on which I will turn 23, Jesus, Our Lady and Saint Joseph will appear to me down there, at the Fountain of Our Lady, punctually at seven-thirty at night.
THEY had already announced this to me since the 25th of December, on the 'Christmas Vigil'. Our Lady reaffirmed this week, in the Chapel, at home, and now SHE and Jesus have confirmed to me again that next Saturday, the Holy Family will appear to me here, at the Fountain of Our Lady, promptly at 7:30 pm.
And meanwhile, THEY smiled the entire time during the Message, both Our Lady and Jesus; Jesus just got a little more 'serious' when HE said... "- Generation! you still haven't understood that the Holy Medal of Peace is the Medicine that I give you...", but at no time did THEY show even 'sadness' today ' nor 'pain', on the contrary, THEY radiated great 'joy' and great Peace...)
Jacareí, February 08, 2000 – Message from the Most Holy Mary
(Marcos): (I asked Our Lady if she was happy about yesterday's Cenacle. She nodded, that she was very happy)
"- My children, I wish you you pray for a week the Chaplet of Tears of Blood every day, asking for the conversion of the United States of America... I bless you, in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 9, 2000 – Message from the Blessed Virgin Mary
"- One Tear of My Blood is enough for a sinner to be justified... If you pray the Chaplet of My Tears of Blood, Jesus will convert many souls, of many sinners, especially in the United States, as I told you... The Merits of My Tears of Blood (pause) exceeds that of all Angels and Saints together!... Pray, then, the Rosary of Tears of Blood as much as you can, and many more sinners will become converted... I I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 10, 2000 – Message from the Most Holy Mary
"- My children, tomorrow is a Holy Day, as you remember My First Apparition in the poor Grotto of Massabiele, to My 'Little Daughter' Bernadette... Since then, the 'Sealed Book' has been opened... Since then, My Strong Maternal Presence was felt in all parts of the world... Since then, I have started My Plans, to save all My children... Here is what I desire: - Prayer, Silence and Penance, on the day of tomorrow... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 22:30 pm

"- That tomorrow, dear children, you, even though it is a working day, think more of GOD, think more of Me, and try to pray more... especially through the intercession of Saint Bernadette... Oh, how She loved Me on Earth , and how She LOVES Me even more in Heaven... I rejoice for all those who pray to Me through Her intercession... May you look at Me tomorrow, who appears as Immaculate Conception, in the city of Lourdes.. Lourdes! is the City of the Rosary... May it live in your hearts! the 'prayer lesson' I gave in Lourdes... May it live in your hearts! the LOVE of the Holy Rosary... May your hearts tomorrow, pray the Rosary with redoubled LOVE, so that I can pour out LIGHT and Grace to you... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 11, 2000 – Feast of Our Lady of Lourdes
Chapel of the Apparitions, at 6:30 pm
Message from the Blessed Virgin Mary
From the Lourdes Grotto, I send My Vibrant Mother's Cry to the whole world: - Do not offend GOD, OUR Lord anymore! who has already been offended too much... If you live the Messages that I gave you in Lourdes, so many years ago, and that I give you here in Jacareí, the `New Lourdes' of today! My Immaculate Heart WILL TRIUMPH... first in your hearts, then in your families! and then all over the world... Do not worry about those who fall, or who are lost, or who give up obeying My Voice... Judas also did not obey the Voice of My Son until the end... that happens, so that the good may really be tested in the 'fire' and 'crucible' of suffering, humiliation and obedience... I am with you! and I bless you... Pray that you may resist the devil's main temptation 'in these times',

Jacareí, February 12, 2000 – Sanctuary of the Apparitions - Source, at 18:30h
Apparition of the Holy Family - Birthday of the Seer Marcos Tadeu
(Marcos): (Our Lady came all in gold, with a silver belt on her waist, with a bow butterfly, with no dangling points. On her neck she wore a 'large medallion' without any symbol; her cloak was also golden, and went from the top of her head to her feet. On the right side of the cloak was embroidered a Cross, and on the left side was embroidered the emblem of Pope John Paul II, his shield, with the inscription TOTUS TUUS.
The Baby Jesus came as a 'child' of about a year old. He was wearing a golden tunic and a cape on his back, also golden, however, during the Apparition HE spoke with the same Voice of the 'adult' Jesus, as I hear Him speak on the seven days.
Saint Joseph came with a golden tunic and a small white sash, at the waist, with the ends falling to the side.
When the Holy Family appeared, many Angels came. The Angels said:)
(The crowd of ANGELS) "- Praised be the Three Hearts: - of Jesus, Mary and Joseph!"
(Mark) "- Forever be praised Jesus, Mary and Joseph!"
(Child Jesus) "- Praised be the Hearts of My Most Holy Mother, and of My Most Chaste Adoptive Father Saint Joseph!"
(Marcos) "- Forever be praised Saint Joseph and the Blessed Virgin!"
(Saint Joseph) "- Praised be the Hearts of Jesus and Mary forever!"
(Mark) "- Forever be praised Jesus and Mary!"

(Our Lady) "- Praised be My Son Jesus and My Most Chaste Spouse Saint Joseph!"
(Marcos) "- Forever be praised Our Lord Jesus Christ and Saint Joseph!" (Our Lady talked about some personal things with me, also Jesus and Saint Joseph. Among these things THEY told me not to worry about false seers who are defaming me, with people who stop believing and go cursing and wanting to convince others. Lady told me not to worry about any of that. SHE told me:)
(Our Lady) "- There is nothing that 'comes from outside', that can stain you, so don't worry..."
(Marcos): (THEY even told me that they still haven't done even a third of what they intend to do in Jacareí, THEY wish to grant even more Graces.)
(Our Lady) "- My son, happy birthday!"
(Child Jesus) "- Happy birthday, beloved!"
(Saint Joseph) "- Happy birthday, favorite!"
(Marcos): (I was embarrassed, not knowing what to say, because I know myself, and I know that I have countless flaws, and that I still haven't given everything, everything of myself, everything I can give in the 'service' of Our Lady
So, if I were to thank you, I would be accepting it... on the other hand, if I didn't thank you, it would be a slight!... Then, I think Our Lady saw the embarrassment, and, taking the floor , said:)
(Our Lady) "- WE came today to give you a Blessing, a Blessing just for you!..."
(Marcos) "- But what do you mean? Won't the others be blessed?"
(Our Lady) "- Yes, they will be... but today, WE have a Blessing just for you..."
(Marcos): (Our Lady, Jesus and Saint Joseph stretched out their Hands, and they were praying for me, in silence , and when THEY finished praying, a 'white' LIGHT came from the Hands of Our Lady on my head, from the Hands of the Child Jesus a 'red' LIGHT, and from the Hands of Saint Joseph a 'golden' LIGHT. He looked at me with His Blue Eyes and said:)
(Child Jesus) "- You will receive My Body and My BLOOD `LIVE', at the end of this Apparition... Ask My Holy Mother and My Holy Adoptive Father that THEY prepare you to receive ME with dignity..."
(Mark): (I asked this to the Blessed Virgin and to Saint Joseph, and THEY nodded to me that yes, that they would help me, prepare me...) (Our Lady) "- I am very happy to be able to be on your birthday once again..."
(Marcos) "- Thank you... Today is one of my most beautiful birthdays..." (Then followed the Messages that Our Lady, the Child Jesus, and Saint Joseph, want to convey to me and everyone present)

Message from Our Lady
What he already sees `beforehand', will be what all of you will see one day, in Glory, if you remain faithful to all that GOD has communicated here, `in this place'... Be faithful, be pure, be holy.. .pray a lot! lead a life full of prayer and sacrifice... Put into practice everything I have told you, and one day your hearts will 'explode' with joy, as you contemplate US in the Glory of Heaven... Rejoice!... because I have called all of you 'here', to mark you in the soul with My Sign, the Sign of LOVE, the Sign of Faith, and of Peace..."

Message from the Child Jesus, Our Lord

Message from Saint Joseph, Most Chaste Adoptive Father of Our Lord
You are not alone, carrying your cross. I am with you!... The Blessed Virgin, My Beloved Spouse! is with you... and OUR Lord Jesus Christ, forsakes no one... Descend now, `balm and comfort' upon your hearts... I am the One who `protected' the Blessed Virgin and the Incarnate Word... I I am the One who will `protect' the Church and all of you! of all Satan's assaults... The Grace that Heaven granted to Jacareí, will not be granted to any other place in this world... Here! it will be the `Altar of the World'... Here! OUR Hearts WILL TRIUMPH... The 'fences' and 'barriers', which the world sets up against OUR Apparitions here... All of them will be overthrown by the Lord Almighty, and the TRUTH will always shine... Here will be the Heavenly Garden of the Blessed Virgin, of the Most Sacred Heart of OUR Lord Jesus Christ! and of My Most Loving Heart... That on the first Saturdays of the month, all of you may come here, to venerate and make amends for the Most Holy Heart of My Beloved Wife, the Virgin Mary... (pause) On the first Friday of each month! to make amends to the Heart of OUR Lord Jesus Christ... (pause) And on the first Sunday, to make amends to My Most Loving Heart, this Heart that 'beat' My Chest on Earth! and who is still 'incorrupt', awaiting the Day of Resurrection... I am your Protector! I LOVE you!... and I want to help you... Pray, pray! and pray..." (pause) The first Friday of every month! to make amends to the Heart of OUR Lord Jesus Christ... (pause) And on the first Sunday, to make amends to My Most Loving Heart, this Heart that 'beat' My Chest on Earth! and who is still 'incorrupt', awaiting the Day of Resurrection... I am your Protector! I LOVE you!... and I want to help you... Pray, pray! and pray..." (pause) The first Friday of every month! to make amends to the Heart of OUR Lord Jesus Christ... (Marcos): (Then the Holy Family said to me)
(Child Jesus, Our Lady and Saint Joseph, all together) "- Ask us what you want, and it will be given to you..."
(Marcos): (I raised the look at THEM, and an inner movement came to me and I said:
"- I wanted to ask that all the people who are here today, receive the Grace to achieve salvation and go to Heaven!" THEY replied:)
(Our Lady) "- For some, yes!..."

(Child Jesus) "- For others, not yet..."
(St. Joseph) "- They need to amend, correct themselves! change their lives... and then we can take everyone to Heaven..."
(Mark): (Smiles at THEM and said:
"- Thank you..." THEY smiled and told me that after the Grotto of Our Lady is built, many more healings will take place, given what is happening now. Our Lady said:)
(Our Lady) "- The 'hour' has come!" (Child Jesus) "- You will receive My Body and My Blood!..."
(Mark): (Saint Joseph began to pray, and I followed Him:)
(Saint Joseph) "- Lamb of GOD, who takes away sin of the world, have mercy on us... Lamb of God, who takest away the sin of the world, have mercy on us...
(Mark): (And in the last part, when he said: Lamb of God, who takest away the sin of the world, have mercy on me...
Saint Joseph did not pray, I prayed alone. Then this prayer to Our Lady was inspired:
"- O Most Holy Virgin,
and put Your Immaculate Heart in its place,
to receive Your Son and to guard,
preserve and adore Him in me."
The Child Jesus was with His Heart covered all the time, during the Apparition. At that moment the Heart of the Child Jesus appeared in His Chest, and began to release Flames and HE, placing His Hand on the Heart, took out a Host, from which many Flames also came out; it was a 'burned' Host. The Child Jesus then said to me:)
(Child Jesus) "- Behold My Body... Behold My BLOOD... which you will receive for your salvation, and for the conversion of poor sinners."
(Mark) (Our Lady knelt down and began to pray the prayer :)
(Our Lady) "- My GOD, I believe, adore, hope and LOVE YOU. I ask your forgiveness for those who do not believe, do not adore, do not hope, and do not love YOU..."
Mark: (St. as if ecstatic, contemplating that Host. Our Lady got up, Saint Joseph knelt down.
She took off the sash she was wearing around her waist, folded it, placed it under the Host that Our Lord was holding. He came to the middle of the Water Reservoir of the Source, and said to me;)
(Child Jesus) "- Behold My Body and My BLOOD... Receive It, welcome It! with Faith in your heart..."
(Mark): (I replied: "Amen." The Baby Jesus released the Host, which was 'floating' in the air towards me, and Our Lady came following the Host 'steps', and with the band folded just below. Then I showed my tongue, and the Host rested on my tongue. Our Lady continued with the cloth very close to my chin , so that no fragment of the Holy Body of Jesus would fall. I was going to 'explode'; I felt a FIRE inside me, which I have no words to explain.
When I opened my eyes, after a few moments, the Baby Jesus had disappeared. So I asked:
"-Where is Our Lord?")
(Our Lady) "- HE is in your heart!...(pause) Every time you receive Him in the Holy Eucharist, with Faith and LOVE, HE will 'leave' HIS Throne of Grace, and

dwell in your heart, and YOU will be 'ONE'..."
(Mark): (The Angels who were around the Holy Family during the Apparition, came to my side, knelt around me, and began to pray in adoration of Jesus, and I also began to pray.
Our Lady and Saint Joseph knelt down. I prayed: "My God, I believe, I adore... My GOD, my GOD I love YOU, I adore YOU in the Blessed Sacrament..."
Afterwards, Saint Joseph and Our Lady rose from their kneeling position, said goodbye to me, and began to rise, passing over the Cross of Dozulé, until they disappeared; then the Angels got up and went the same way as THEM...)

Chapel of the Apparitions - at 22:30h - Second Apparition of Our Lady
(Marcos): (Our Lady came very happy, with the same dress as the previous Apparition. what She wanted from me. She invited me to pray an Our Father for the intentions of all the people present and their relatives. Then she invited me to pray an Our Father for my personal sanctification. Then she said:)
(Our Lady) "- Take off your Peace Medal and lift it up, because I want to bless it..."
(Marcos): (I took off my Medal, put it in the palm of my hand, raised Our Lady, and She traced the Sign of the Cross, and asked me to wear It, because the Promises of the Medal of Peace will surely come true, first place in my life, and then in the lives of all who wear it with Faith and Devotion, and that I should never part with My Medal of Peace. I promised Our Lady that I would.
When She finished blessing, she asked that I stood up, stood on tiptoe and lifted the Medal as high as I could, to Her, so that She could 'kiss Her. So I lifted the Medal as high as I could, She stooped down, and then 'kissed Her. ' the Medal, and said :)
(Our Lady) "- This Medal came from the 'innards'! of My Mercy... Wherever this Medal is, I will be 'ALIVE'! and the Miracles of My Immaculate Heart will be abundant, for those who use It with devotion.. You ,
My child, 'shout' to the whole world, even if they don't want to hear it, 'shout' that My Medal of Peace is the greatest Gift of My Heart
! - Thank you, Lady..." (Then I returned to my seat, and said:)
"- I thank you immensely for the Message that the Lady, that Our Lord and Saint Joseph gave me this afternoon.
I ask You for the Grace to be faithful to this Message and all the others I have already received, and to serve and love You all the days of my life.
Forgive me my sins and my shortcomings, and grant me the Grace to make You better known than I have done so far, of the 'nothing' I have done so far..."
(Our Lady) "- You Do you remember when We met the first time... do you remember how you didn't recognize Me, how you only heard My Voice, and didn't know it was Me speaking to you?..."
(Marcos) "- I remember. "
(Our Lady) "- Do you remember the Second Apparition, when I showed Myself to you, but you didn't know yet that I was the Virgin Mary?..."
(Mark) "- I remember."
(Our Lady) "- Do you remember those first persecutions, when they ran after you to want to beat you, when they wanted to put you in an asylum, when everyone spoke ill of you, even the Priests, who did not believe?.. ."
(Marcos) "- I do remember!..."
(Our Lady) "- Do you remember when people didn't believe, and threw stones

at your house, and you thought you couldn't stand it?..."
(Marcos) "- I remember all that, yes, Lady..."
(Our Lady) "- Well, My son, didn't I tell you that time, that you would endure everything, and that you would win everything by My side? ..." (Marcos) "- Yes, I remember that the Lady told me..."
(Our Lady) "- Well, your trials today are no different... You will overcome them all, and you will endure them all for My LOVE...
Alone, you can't do anything, but with My Grace! you can everything... even what you can't imagine..."
(Marcos) "- I thank you very much, for all the `strength' you gave me and that you have given me... If you hadn't appeared to me, maybe at that time, I would already be condemned..."
(Our Lady) "- Thank GOD who LOVED you so much, and who sent Me to you, to lead you along the path of holiness, and to lead others too, who here they come, through conversion and sanctification...
Get up and come close to Me, because I want to give you the 'Kiss' that I give you every year on this day..."
(Mark): (Our Lady, smiling, motioned for me to approach. I came very close to Her. She descended very low, so that She was 'face to face' with me, but did not touch the ground. She
came... so I closed my eyes, and he printed four 'Kisses' on my forehead, making a Sign of the Cross. I felt that I was suspended in the air, I didn't feel that I was in this world anymore. Then Our Lady walked away. Then I asked:
"- Can I kiss Your Holy Feet?")
(Our Lady) "- Yes, you can; you can kiss!..."
(Marcos): (I didn't know how I would do it, because She had moved away a little. Then She nodded. that I could, with my hands, take His Holy Feet and bring them close to my lips.
When I did, She came 'whole'. I looked at His very 'white' and 'delicate' Feet and kissed them. I felt like a 'shock', and as if everything I had left me, and a LIGHT, a Presence, a new Peace came in...
I went back to my place and knelt down.")
(Our Lady) "- You must be a Saint, and a great Saint... and all who are here must also be Saints, and great Saints...
I'm here for that, I've been here for so many years for that!... Here's what holds Me to Jacareí: - it is to sanctify souls, to elevate them to a high degree of perfection! I am here to make a `School of Saints', and I want to form Saints for My Son Jesus... Therefore, I want you to make the maximum effort, and for everyone here too, to make the maximum effort to reach holiness. .. My Apparitions here will not be in vain!... I will leave here towards Heaven, with Great Saints..."
(Marcos): (Our Lady told me about the FIFTH SECRET, which concerns only me, smiled, He looked at the people present, placed His Hands on His Chest, and began to rise towards Heaven, and disappeared...)

Jacareí, February 13, 2000 – Message from the Most Holy Mary
"- I thank My children who prayed today, all the time, here in the Chapel... and I would like to ask that the prayer continue until midnight... I am very happy with this initiative of yours. I wish you to do this always !... When you finish the seven days of praying the Rosary of Tears of Blood, start praying the Rosary

of Saint Michael for seven days in a row, and offer all these prayers for the Plans that the Lord has entrusted Me to carry out 'here'.. I thank you all, and I ask you to continue to pray without ceasing, and the devil will not be able to do anything to you..."

Jacareí, February 14, 2000 – Message from the Most Holy Mary
"- My children, I wish you to continue to pray the Rosary every day... That you drink from the Source, that you no longer offend My Son Jesus, and that you pray many times at the foot of the Cross of Grace* the prayers that I taught you here... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."
* (Observation - Mark): (Cross of Grace: this is how Our Lord called the Cross that is in the Monte das Aparições when he blessed it. Our Lady and Our Lord linked great Graces to those who, with devotion, come to pray at the foot of this Cross...)

Jacareí, February 15, 2000 – Message from the Most Holy Mary
"- My children, pray the Rosary every day... Pray for Pope John Paul II, who carries in His Heart `great pains'... Fast... If you pray, I will be able to free you from every threat, and from all evil... It is true... that the Punishment can no longer be cancelled, because the number of sins that the world has committed so far is unbearable, and it `cries revenge' to Heaven... however, the families who live My Messages and who have welcomed Me into their bosom will be protected by Me... You must pray, you must trust Me! and not want to know anything else..."
(Mark): (I asked Our Lady if it was another false alarm, or if Astro Eros really exists, and everything She said in Escorial must really come true)
(Our Lady) "- Astro Eros is not a fantasy... It exists, and its threat is real..."
(Marcos): (I asked Our Lady if she liked the Siege Day that was held here in the Chapel)
(Our Lady) "- I liked it a lot, and I wish the `Siege' continues until midnight!..."
(Marcos): (I asked if we should worry about this fact of Astro Eros, or not)
(Our Lady) "- Yes, you should be concerned, because the `HOUR of JUSTICE' is already sounding in the Heavens..."

Jacareí, February 16, 2000 – Message from the Most Holy Mary
"- Tell all My children that My Apparitions here in Jacareí are the `Coronation' of all the Apparitions that I have made around the world, in all centuries, especially in this 20th century... Soon, there will be so many Graces, conversions and healings that the Lord, through Me, will do 'here', that the whole world will be 'amazed' to admire the Great 'Mystical LIGHT' that I shed in this city... May the Messages of My Apparitions in Jacareí be followed , accepted, and obeyed by all... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 17, 2000 – Message from the Most Holy Mary
"- I wish to ask you for reparation for My Apparitions in Montichiari and Fontanelle, in Italy... The 'Church Authorities' have belittled My Apparitions in Montichiari... the world has not accepted the Messages that I transmitted there... Montichiari asks Justice!... The Apparitions of Montichiari ask for

reparation!... Therefore, I want you to offer prayers of reparation to the Heart of Jesus and My Heart on the 'thirteenth of each month' for so many offenses that I received in Montichiari... When you do this, the Grace of GOD can be poured out on you and the world, with greater profusion... Otherwise, many Graces will be `withheld', because the DIVINE GOODNESS has been immensely offended, due to the discredit against My Apparitions in Montichiari, as Mystic Rose... Pray the Rosary, do penance... this is My Desire..."

Jacareí, February 18, 2000 – Message from the Most Holy Mary
"- My children, I LOVE you all, and I protect you with My Heart full of LOVE... Pray for all the countries that are still dominated by Communism, in order to that I can free you from this `hard slavery' that offends God so much... Jacareí, February 19, 2000 – Message from the Blessed Virgin Mary
"- My children, continue to pray incessantly... I am happy for the Day of the Siege of Jericho that you made. I thank you for that... I would like to ask you that your prayers do not decrease, on the contrary, that they grow even more !... pray even more fervently for the conversion of the United States, because the FATHER granted many Manifestations of Mine to that Nation, but... it recalcitrated, and did not heed My incessant prayers... I feel sorry for that Nation, because many souls condemned, because My Messages did not find an 'echo' in hearts... My Son Jesus will simply punish that Nation so much, that entire regions will disappear... Pray, pray, pray for the United States! (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 10:30 pm
"- My children, live the Message I gave you this afternoon... Indeed, the situation in the United States is very serious... This does not mean that other Nations are without sins! are covered in sins... however, the United States, by its diffusion and propagation of immoral movies, music and programs, has corrupted the rest of America, and the rest of the world. Therefore, its guilt before the Lord is much greater ... Pray, if you pray and fast with the intention of that country, I will be able to save at least a quarter of its population. Otherwise, many souls will be condemned... Pray! This is my wish..."

Jacareí, February 20th 2000 – Message from the Most Holy Mary
"- My children, the situation in the world is increasingly serious... Humanity has not responded to My requests made in the previous Apparitions, and it is because of this that HE (GOD) will punish the world... unprecedented.. The only way to find Mercy with Him is to offer everything you can, sacrifices and prayers to the Lord... Pray as much as you can, and so I can reach you the Grace of the Benevolence of the Almighty Father... I am with you. you, and I join My Prayer to the prayers of all of you... and I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 21, 2000 – Message from the Most Holy Mary
"- My children, Freemasonry advances relentlessly against GOD and against

the Holy Church... It is necessary that you pray a lot for the conversion of Freemasons, because they are the ones who build the 'kingdom of Satan' in the world and in society... I want you to pray without rest, because a great part of the sin and errors of the world, are caused by Freemasonry... (pause) Thank God with all your heart for the Miraculous Fountain!... It is Mine!... and in spite of all those who do not believe that I have blessed Her, I will perform thousands of healings through that Miraculous Fountain... and as of today, I will do even more healings than you can imagine, for the most 'unexpected' people, in the most 'unexpected' situations. more 'unexpected'... All will see the Power of GOD and will see the 'truth' of My Apparitions 'here',through the healings that I will perform through that 'Water'... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 22, 2000 – Message from the Most Holy Mary
"- My children, I want to say that My Apparitions in Garabandal are 'true'!... I want the whole world to recognize this TRUTH... If the world does not want to recognize and live My Message of Garabandal 'for good', GOD will do it in another way, which will not be 'light', but... it will be very hard, and very difficult... Offer novenas to Me, so that I offer everything to the Lord, in order to obtain from Him still, Mercy... Don't stop praying for the United States! asking for the conversion of that Nation... Jacareí, February 24, 2000 – Message from the Most Holy Mary
"- Dear children, I want you to pray the Rosary of Triumph even more intensely... Satan wants to make you think that My Heart is not TRIUMPHING, and this is not true!... In silence and in hiding, I am realizing the greatest `wonders' of My Heart, and at the right moment, I will come out `in the open' with My VICTORIOUS Army!... I wish you all to open yourselves to the LOVE of GOD, `expressed' in My Messages from Jacareí...(pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 22:30hs
"- My children, I wish you to continue to pray without rest... The 'hours' are serious!... If for those who pray it is already very difficult, for those who do not pray, it is impossible to save themselves... Continue to pray, incessantly... Continue to say, My child, that My Apparitions in Garabandal must be repaired!... this is My desire... The world did not believe in Garabandal, and that is why a `Sword of Pain' stuck in My Heart, and that 'Sword' will only be taken when humanity puts into practice My Message of Garabandal... Jacareí is the 'confirmation' and 'conclusion' of Garabandal!... I have appeared

thousands of times `here', to demonstrate that the thousands of times I have appeared in Garabandal are `true'!...(pause) I wish that reparation be made for Garabandal..."

Jacareí, February 26, 2000 - Message from the Most Holy Mary
"- My children , humanity has not lived My Messages since La Salette, Lourdes and Fatima, and that is why the Hand of the Lord is so 'heavy'...
If there is no conversion, a Punishment can extinguish the human race!... Conversion is necessary...
I suffer a lot, because the number of those who sin is amazing!... and the number of those who pray is shameful...
Pray !... Pray!... Pray a lot!... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 10:30 pm

(Marcos) "- I thank you for this week's Messages. All of them were very beautiful, and above all, very touching..."

(Our Lady) "- Dear children, continue to pray and to live all My Requests... From Paris to Jacareí, all My Messages, all My Apparitions, will be fulfilled...
Ask Saint Michael the Archangel to protect you from Satan's attacks, and especially from this last temptation, with which he is making many succumb: - the temptation of Judas; the temptation of betrayal... Ask My Dear Daughters, Saint Rita de Cássia and Saint Bernadette, to reach for them not only the Grace of Purity, but the Grace of Fidelity to Me and My Messages... May they visit these `Places', with Faith and respect!... (pause) I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, February 28, 2000 - Message from Holy Mary

"- When I appeared and revealed My Immaculate Heart in the Previous

apparitions, I hoped that the world, seeing Him `Crowned with Thorns', would change its life, and renounce its sins, but... the nations did not heed Me... (pause) This is why My Immaculate Heart is pierced by `hard thorns'...
I wish that My children who love Me, take away these `thorns' from Me, through their lives, full of prayer and good works...
That on Saturday, you venerate My Immaculate Heart with `special love', and direct prayers of reparation and reparation to Him... (pause)
I bless you in the Name of the Father... of the Son... and of the Holy Spirit ..."

Jacareí, February 29, 2000 - Message from the Most Holy Mary "- My children, Satan is `furious', because he

knows that now `his time' is about to end...
Christians against GOD, and against each other... He will raise hateful slander against Me and My True Seers, he will make the majority disrespect the LAWS and COMMANDMENTS of GOD...
Now he knows that 'a little time' will give him remains, and desires to pervert as many souls as possible, so that not even a 'little remnant' of faithful people remains...
Now is the time for recollection and prayer... Retreat to solitary places, avoid bad company, and spend long hours in 'hidden' and silent prayer, there... where I can stop this 'pestillant smoke' of the sins of the world, penetrate to harm them...
While Satan ends up spreading pornography and impurity throughout the Earth, as well as the lack of Faith and the 'rebellion' against GOD, I will be taking My children to the 'most hidden' from My Immaculate Heart, which is silent prayer, prayer 'hidden' from human eyes...
I am with you, and I LOVE you!... and I protect you from all the assault of Satan... in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, March 02, 2000 - Message from Holy Mary

"- Dear children, I wish you to continue to pray, even if you are in 'dryness' of heart... 'dryness' is often a 'test' to which God submits you...
When the soul is 'dry', it must knock at the 'door' of prayer , you must insist on it! until it is opened to you again...
Even if the soul is devoid of love, I want you to continue to insist on prayer... When you feel 'dry', do a few moments of silent prayer with Me, and I will obtain for you again the Grace of fervor

... aridity' I wish you to be victorious, through patience, perseverance, and insistence...

Jacareí, March 03, 2000 - Message from Holy Mary

"- My children, pray more, because Satan has taken possession of many souls of scientists, rulers and civil and religious authorities, and through these souls, he spreads much evil in the world, dragging other souls to damnation
... stop this avalanche...
Pray the Rosary... I promise to save a soul, for every Hail Mary you say... and I bless you in the Name of the Father... of the Son... and of the Holy Spirit.. ."

Jacareí, March 04, 2000 - Message from Holy Mary

I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Chapel of the Apparitions - at 22:30h

"- My children, continue to pray for the Pope, for the Church, for all humanity...
Freemasonry advances relentlessly... The 'new era' has conquered the majority from the minds of today's thinkers and writers... Young people (pause) have sunk to their souls in impurity... families have been destroyed...
It is necessary to pray, so that the worst does not happen... I am continually with My hands raised, preventing the JUSTICE of the Father, but... if you do not pray, I will not be able to delay it for long... pray, it is My insistent appeal... Pray!...

Jacareí, 07 de March 2000 - Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children... (pause) I am the Queen and Messenger of Peace, the Lady of Sorrows, the Virgin of the Medal of Peace...
I want to say to you: - convert... convert... convert... You all must change your life as quickly as possible...
People who live 'friends', without being married in the Church , are living in mortal sin, and it is necessary that they repent... that they do penance for this sin, and that they seek to marry in the Church, so that they can be blessed by GOD... (pause) I suffer for each child My friend who lives in this world, without the Sacrament of Matrimony... without the Grace of GOD...
Those who use drugs must stop using them, because they offend My Son Jesus and Me a lot. .(pause) I suffer... I feel 'pain' for every child of Mine who is a slave to drugs... I pray for their conversion, and I hope that everyone does the same...
Renounce spiritism!... it is Satan who dominates you! deceives and enslaves, in spiritism... GOD is not there!... My DIVINE Son Jesus Christ is not there!... I am not there!... evil spirits, to deceive them...
Renounce sects, renounce everything that is contrary to the True Catholic Faith... Pray the Rosary...
Renounce pornographic magazines, indecent and provocative music; stylish, increasingly immoral...
That women do not go to Church in short, low-cut clothes, because this offends My Son Jesus and Me a lot... ... Go to church dressed very simply, respectfully, modestly, and above all, with a lot of 'prayer posture'...
Don't blaspheme... don't curse... don't curse anything or anyone... Pray!.. • When you
arrive at the Church, do not talk; wait for Holy Mass in prayer...

Parents should not give their children chewing gum, chewing gum and other things to eat during Mass, because this offends My Son Jesus and Me a lot... Parents must teach children to pray and behave with piety and love during Mass...
I want young people not to make love during Mass, but... to concentrate, kneeling in deep prayer, before My Son and Me, so that Holy Mass may be for them a true encounter with GOD. ..
The Holy Mass is the greatest prayer of the Christian, and that is why it must be done with all LOVE... all Piety... all Devotion...
Wear the Medal of Peace with LOVE, piety, devotion. .. Spread it to all who you find... this is the Mission I entrust to all of you...
Pray for the Pope... pray for the Church... pray for the souls in Purgatory... pray for the conversion of sinners.. .pray for the conversion of the United States, Russia, and all nations without God, who are spreading sin throughout the world, so that they stop spreading their errors...
I LOVE you... and I bless you in the Name of the Father... of the Son... and of the Holy Spirit...

Message from Our Lord Jesus Christ

"- Generation!... I wish that the Medal of Peace (pause) spread as quickly as possible, all over the world!... May all Nations receive the Medal of Peace!... may not a soul escape the LOVE of My MOTHER, demonstrated in this Medal...
Generation!!! ... listen to me!!! worship me!!! love me!!! listen to me!!! obey me...
I have been looking for `victim souls' around the world, to share with them My Cross, My Crown of Thorns, My Flagellation, My Crucifixion, and My Sorrows, but... souls do not want to accept them... Souls want My predilection, they want My Graces, they want My Favors! but they do not want to unite with ME... in My Passion, in My Pain, and in My Suffering...
When I leave the Cross to you a little, through an illness, through a problem! then they rebel, and they rebel against ME...
I wish souls to be more generous! and more loving towards ME... A soul that does not accept My Cross! you cannot say you are My Disciple...
May generous souls present themselves before Me, begging and interceding... and accepting to suffer for the souls of sinners, so that for them... there is still salvation...
As meek lambs, let yourselves be presented by My Beloved. MOTHER, that you may be `victims'! for the salvation of other souls...
Who does not take up his cross and follow ME! will not be worthy of ME... (pause) Whoever rejects the cross, rejects ME... Whoever does not accept the cross, does not accept ME... and I will not accept him in My KINGDOM...
It is necessary, therefore, that you ask... from the MOTHER of Sorrows! that teach you to suffer... that help you to suffer, every day...
I desire that your souls (pause) be consumed with LOVE for ME... This is why I and My MOTHER gave you the Holy Medal of Peace and the Holy Fountain of Graces, which runs `in this place'... so that your hearts would burn with LOVE for US!!!... So that your hearts would have the ice of indifference and sin melted! and may your hearts become `furnaces'... of LOVE for US...

Be OUR Apostles!... Take it!!! Speak!!! Spread OUR Messages to the whole world!!! This is OUR desire...
Do not fear those who persecute you!!!... Do not fear those who curse! and they deny OUR Apparitions here in Jacareí, because they will be like 'firewood', burning in the 'eternal fire'... They will not escape My JUSTICE...
You have courage!!!... Carry OUR Messages forward! and fear not, for I am with you... I will speak for you!!! I will act through you, and it will be My Grace! to win the souls of poor sinners for My Father...
My Heart is 'calling'... is 'sighing' (pause) for pious souls, who live in a 'state of Grace', who live in My Presence! that they please ME, that they praise ME, that they love ME, more with the life! that with words...
You promise a lot, but you do little... I want you to do a lot! and promise little... because the much that is promised, and is not fulfilled! it won't do any good...
I want works! Works of LOVE!! Works for the salvation of souls!!! Works that glorify ME...
Live OUR Messages, which We have given you during all these years, because soon, you will no longer have them, and you will cry... and you will cry... for this Grace (pause) that you did not know how to value...
I wish you to listen OUR Messages! and put them into practice...
Pray for the whole world!... Pray for Latin America!... Pray for Brazil!... Pray for your families! who have offended ME so much... Many times, I wanted to drop My Arm and My Justice on you, but... THE ONE who LOVES you so much! has prevented ME... has begged ME to wait! still a little...
In attention to HER, I have postponed the Punishment, but soon, soon it will come, because I can no longer tolerate sin... Therefore, convert! watch and pray! because you know neither the 'day' nor the 'hour'...
I LOVE you... I LOVE you very much... and I keep you in My Sacred Heart... in the Name of the Father... of the Son... and of the Holy Spirit... (pause) Be in Peace. .."

(After praying one Hail Mary, one Jaculatory to Jesus, one Jaculatory to Mary and another to Saint Joseph, the seer Marcos Tadeu commented:)
"- Today Our Lady and Our Lord came entirely in white, and when they gave the Message were very smiling; in some places they just got a little more serious, more serious, but overall THEY were calm, kind.
They blessed all those present, especially the Peace Medals that each one is taking home. On THEIR side was an Angel. An Angel on each side, an Angel on Our Lady's side and one on Jesus' side, and the TWO in the middle.
When THEY blessed, from THEIR Hands came 'beams of LIGHT', which landed on all those present, and blessed all.
When Jesus spoke of the Fountain, in the midst of HIS Message, HE turned His Head towards the Fountain below, and smiled, overjoyed, as if He were again pouring out HIS Grace upon That Fountain, which is already more than blessed, which is really sacred.
And yet they promised me that they will continue, that Our Lady will continue to appear every day, and HE will continue to come with HER on the seventh of each month. Praised be Jesus, Mary and Saint Joseph. In the Name of the Father, of the Son and of the Holy Spirit."

Jacareí, March 08, 2000 - Message from the Most Holy Mary

"- Beloved children, I wish you to continue to pray, because the Almighty Father has already is at HIS Patience with the world, because HIS 'appeals' made through Me have not been heeded...
If you don't decide to pray more than you already do, I don't know if I can hold back the Righteous Wrath of the Lord any longer... It is 'inflamed', and only a great 'power of prayer' can appease it. ..
In this Carnival, the world has sinned tirelessly, day and night, and now it is necessary for someone to do some 'work of reparation' to the Lord. ..
I wish, therefore, that you pray, pray more..."
(
Mark) "- And what do you want from us?"
(Our Lady) "- Tell My children that I want them to make the sacrifice to go five Saturdays in a row, at any time, up there, on Monte, in front of the Cruz da Graça and the Oratory of São Miguel, to pray a Rosary for the Holy Father, the Pope, who has needed a lot of prayer...
Those who do this will be blessed by Me, for their act of charity towards Him... I beg prayers for Him!..."
Jacareí, March 10, 2000 - Message from the Most Holy Mary

"- My children, it is My desire that you pray more... Meditate more on the 'Sufferings' of My Son, praying the Way of the Cross... Pray the prayer that I have taught you before Holy Mass more often, so that Holy Mass may be a 'meeting' of you with the Lord...
I want you to read more of the 'Life of the Saints', so that Their examples may be recorded in your hearts, and so you too aspire to holiness... If you want to be Saints, the Holy Spirit will come to your aid and you will then be able to walk the Way of Holiness...
Desire for holiness! , the closer it will come to you..."

With your prayers, I will be able to help a great number of souls, so pray!... I'm not asking you for much; I ask you little, so that you can respond with all your heart...
I am the Great Messenger of GOD!... My Messages are the `Door', through which many souls will go to GOD...(pause)

I want you to pray for that Nation that is so loved by My Heart, but... that has 'hurt' Him so much.. .
May you also have more confidence in your prayers... Prayer made with Faith reaches everything, if it is in accordance with My Son's Will... Prayer without

"- My children... (pause) I am the Queen and Messenger of PEACE... the Mother of Sorrows... In this Holy Season of Lent, I invite you to reflect on My Sorrows and My Tears, praying more the Rosary of Sorrows and the Rosary of Tears... I also invite you to change your life, to reform your customs, to purify your families... with prayer, confession, fasting! and Holy Communion ... (Comments by the Seer Marcos Tadeu): (Jesus and Our Lady came entirely in white, and at the end of the Apparition they traced a Great Sign of the Cross, which then dissolved into thousands of 'Luminous particles', which landed on our heads
. they smiled the whole time of the Apparition, except for that little bit where Jesus said that THEIR TWO Hearts are already saturated with reproaches for humanity. Other than that, they were very happy, very happy, and THEY, today, looked at the gifts, smiled and blessed also all your family members and their intentions.
On the 30th of April, which is the last Sunday of April, and which is then the Feast of Mercy, in union with Pope John Paul II in Rome, and with Poland, which will certainly be on Feast, we will have it here, in the afternoon, at 4:00 pm, the Rosary of Solemn Mercy, on the Feast of Mercy, with the exhibition of the Image of Merciful Jesus. All are warmly invited. Hail Mary!!!)

Sanctuary - Miraculous Fountain of Our Lady

"- I am the Lady of Sorrows! I was at the foot of the Cross of My DIVINE Son Jesus Christ, and I witnessed HIS last shudders of PAIN... HIS last words and HIS last breath... With my Heart torn apart by PAIN, I received He took Him in My Arms and I accompanied Him to the grave... Even today, I Am the Lady of Sorrows, seeing that the majority of humanity turns their back on Him... it denies Him, hates Him, and does not obeys... Even today I Am the Lady of Sorrows, seeing the Church obscured by lack of Faith... weakened by lack of prayer, and increasingly undermined in its beauty and splendor... Even today, I Am the Lady of Sorrows, because humanity surrenders to materialism, hedonism and the unbridled pursuit of pleasure, forgetting prayer, mortification, penance and how much it cost My Son the Salvation of the whole world... Even today ,I am the Lady of Sorrows, because most people no longer respect the `things' of GOD... they mock and despise the Presence of My Son... Even today, I am the Lady of Sorrows, because most Christians , and even the Catholics themselves, do not respect Good Friday... they do not pray, they do not make sacrifices, they do not keep silent, they do not meditate on the Sufferings of My Son, and of My Heart... Humanity has turned away from GOD , and that is why violence, hatred and evil dominate the world... I am the Lady of Sorrows... and I ask humanity to convert and return immediately to the Lord, who is the ONLY one who can save them. them..."and even the Catholics themselves do not respect Good Friday... they do not pray, they do not make sacrifices, they do not keep silent, they do not meditate on the sufferings of My Son, and of My Heart... Open wide, therefore, the doors of your hearts to the Risen Jesus and to Me, so that I can guide you along the path of holiness, and enlighten you so that you may walk the path of Heaven, and come and save your souls... I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Jacareí, April 23, 2000 - Message from Holy Mary - Sunday of Easter

"- I wish that all of you make this novena of Mercy, with total confidence and LOVE... Many Graces will be granted through it... May the Image of My Son, the Image of Merciful Jesus, be venerated by all of you with devotion and trust... She is a Miraculous Image, and those who approach Her, will be approaching My Own Son Jesus..."

Jacareí, April 25, 2000 - Message from Holy Mary

"- Pray even more intensely for the salvation of souls... Many dying people die and then appear before God, without being prepared, and I can do nothing to help them... Only with your prayers, I will be able to help them. at the hour of death to repent of their sins and sincerely ask for forgiveness, and thus achieve salvation... Pray, therefore, without ceasing for the dying...."

Jacareí, April 26, 2000 - Message from the Most Holy Mary

"- May souls trust more in the Mercy and Goodness of GOD!... The soul that trusts, reaches everything from My Son, even what seems difficult! who trusts, will have free access to the Heart of My Son Jesus, because HE cannot deny anything to the soul that trusts Him..."

Second Apparition - at 22:30 pm

"- Adore My Son Jesus more and more in the Eucharist! her company, thus diminishing YOUR loneliness and sadness... Pray this little prayer many times during the day:

"O My Blessed Jesus, I adore you! I LOVE YOU!
My God my God!
I love YOU in the most DIVINE Sacrament!"

Jacareí, April 28, 2000 - Message from the Most Holy Mary

"- This Image that is here, the Image of My Apparition, is a miraculous Image, and those who pray with faith before Her achieve great favors, both for the soul and for the body... for themselves and for others.. The Grace of this Image is not in its beauty, nor in the shine of the paints, but in what it represents and in the Message it contains. May everyone come to pray the Rosary at Her feet!... May people carry the prints of Merciful Jesus in the Sanctuary, and during the Apparition they will receive a special Blessing..."

Jacareí, April 29, 2000 - Message from the Most Holy Mary

Second Apparition - at 10:30 pm

"- Thank you all for coming... Tomorrow, make the Way of the Cross there in the Sanctuary, to the Cross of LOVE, contemplating the Sufferings of My Son, and then pray the Rosary of Mercy... Offer it for the Pope John Paul II, for the conversion of atheists and sinners throughout the world... Tomorrow is a day of Great Mercy for humanity... It will be a day of thanks for those who know how to take advantage of it... I would also like to thank you deeply to the people who laid siege to Jericho during these three days!... May My Blessing and My LOVE descend upon all of you..."

Feast of DIVINE Mercy
Sanctuary - Place of the First Apparition of Our Lady there

"- My children, My Son Jesus Christ wants and wants to bless everyone today... For this, He sent Me here, in order to pour His Mercy on all souls... The Hour of OUR VICTORY is coming... The Sacred Heart of My Son Jesus and My Immaculate Heart WILL TRIUMPH soon, they will cleanse the face of this world of all evil and will establish here the KINGDOM of Peace and LOVE...
The Miracle of the DIVINE Mercy is already beginning to be fulfilled... Soon, like a river that overflows, My Son Jesus will pour from HIS Heart HIS DIVINE Mercy in favor of the good and the just... While obstinate sinners , the scoffers, the unbelievers, the perverse and the enemies of GOD, will be banished from HIS Presence, because they only did evil, instead of doing good... The Angels of GOD blow the trumpets announcing the approach of the full manifestation of the Mercy of GOD in favor of HIS children and faithful servants... It is My Maternal Mission to accompany them, to strengthen them, to give them LOVE and refuge in My Heart, so that they can bear to wait until the 'time determined' by the Father. Come to Me everyone, everyone who needs LOVE, support, and support... for I Am the Ark of the Covenant,where all those who invoke Me are allowed to enter... I am the DIVINE Remedy that GOD gives to this world! ..."

Jacareí, May 03, 2000 - Message from Maria Santissima
Capela das Aparições

"- My Immaculate Heart (pause) is the LIVING Hostensory of the Sacred Heart of Jesus...
In My Maternal Heart, the VERB came, entered HIM, took account of HIM... and of Me, He took the `human form'...
Therefore, turn with confidence to My Immaculate Heart, that My Son will serve you through HIM..."

Jacareí, 4th of December May 2000 - Message from Maria Santíssima
Capela das Aparições

"- The city of Jacareí would already have been transformed, at this time, into a `great place of prayer', a great Sanctuary, but... as men did not want to accept My Messages , turned into this 'sea of sin', violence, and hatred against GOD (pause) and Me...
But it doesn't matter... Despite this, I WILL TRIUMPH, and in the end, it will be clear that it was not the 'strength of men' that made My TRIUMPH, but the STRENGTH of My Merciful LOVE...
I am doing everything 'by myself', but in the end, the STRENGTH of My LOVE will show everyone that it was I who did all this here, all along...
As for you, My 'little' faithful children, continue to do everything what I asked of

you... and in the end, you WILL TRIUMPH with Me..."

Jacareí, May 07, 2000 - Message from Maria Santissima
Chapel of the Apparitions

"- My children, I LOVE you, and I am with you... I pray with you, and I wish you never, ever stop praying...
Stay away from lying, evil, gossiping, indolent, evil-minded people, because they were the reason for the ruin and loss of many good souls, who were destined for Heaven... and they only offend My Son Jesus... As for the other countries, they will be punished, more (pause) or less, according to their sins... Where there are more sins, there will be more punishments...
I call all humanity to conversion for the last time!.. I have come through the centuries, over and over again, to call the world to ask the Heavenly Father for forgiveness, and to return to love and serve Him, but... as humanity has not heeded Me, this is the last attempt. what do I do...
My Apparitions in Jacareí are the last invitation I make to you... If you don't heed Me, if you don't listen to Me!! I will be forced to abandon them...
Therefore, My children, do not increase My Pain any more, with revolt, rebellion!! and perversity of their hearts... Convert! change your life!... is my invitation...
In this month of May, pray more, pray much more!! because in this month, GOD grants me to pour out `certains' Thanks to you, which I cannot mention... and which I cannot give at other times of the year, so pray!... pray!... pray!.. I bless you in the Name of the FATHER... of the Son... and of the Holy Spirit..."

I LOVE you, generation! I love you, generation! I LOVE you... I LOVE you... (pause) Go in Peace... I bless you in the Name of the FATHER... of the Son... and Holy Spirit...
(Comments by the seer Marcos Tadeu): (Jesus and Our Lady came today a little serious, serious, during the Apparition. Both were dressed in white. They only smiled a little at the end of the Message, when THEY affirmed THEIR LOVE to us. the rest of it, THEY remained with a worried and serious face.
Our situation is very difficult, it is very serious, the situation of the world is very serious. We need to pray very, very, very, very much! More than we prayed until now! Now is the time to pray, pray, pray, pray, until... until you can't anymore. It's time to beg for mercy, beg for mercy, beg for mercy...
At the end of the Apparition, the TWO TWO turned towards the people, blessed the whole crowd, and Rays of Light descended from THEIR Hands, towards the people's heads, and THEY returned to Heaven with a serious countenance, but leaving behind them a Great Luminous Red Heart, which beat, signifying the LOVE that THEY have for all of us, for each one of us.
Let us keep these Messages deep in our hearts, and let us live them throughout the month of May, praying a lot, a lot...)

Revelation of the THIRD SECRET PAIN of Our Lady

"- One day, when My Son Jesus was five years old, I looked at Him playing in front of Our house in Nazareth... Write, My son, the 'joy' I felt when I saw My Son playing...
Suddenly, when I cast My Look at Him, I saw Him all disfigured, Crowned with Thorns, full of Blood, Wounds and Sputum... I got on my knees crying, without knowing or understanding what was happening.. Then, seeing him in such great suffering, I asked him:
- My Jesus, why are you so disfigured?... so full of blood, wounds and sputum?... and he answered me:
- Because of LOVE, My Mother... Because of the LOVE I have for all men and for all sinners, of all times, all over the world... Then I asked Him:
- My Jesus, what is the Wound? what else causes YOU PAIN?... HE answered Me:
- It is the Wound of the Heart, because this Wound was opened because of the ingratitude of men... The ingratitude of those to whom I have devoted so much LOVE, causes ME a terrible, unbearable 'PAIN', and no one will be able to translate it into words...
Then I looked at My Son Jesus, and HE suddenly returned to normal... I then burst into tears, with a `pain so great' that no mind, neither human nor angelic, will ever be able to scrutinize.. My Son ,
seeing Me so exhausted, turned to Me, caressed My Face, wiped My Tears, kissed Me and said:
- My MOTHER, I do not 'rejoice' to see you cry... but I wanted you to understand how much I will have to suffer, and how much YOU will still have to cry, but... courage! unite with ME, that OUR LOVE will save humanity... and know that all those souls who sympathize with `this PAIN you felt' in seeing Me like this, `bloody and wounded', that I will grant them everything I can they ask ME...

My child, tell the whole world about this 'My Great Pain'... Tell sinners that their sins will be forgiven... as they go deeper into this 'My Great Pain'...
Tell, especially to the most obstinate sinners, to contemplate this 'My PAIN', at least for a moment, and I will obtain the conversion of their souls..." Monte das Aparições - at 22:30 pm

"- Dear children, I want you to continue to pray... and that you don't sin anymore...
That when you are about to commit some sin, remember how much My Son Jesus `suffered on the Cross' for each one of you. .. and how much I suffered at His side, for the salvation of all...
If you think more about Jesus' Sufferings and Mine, you will sin less... Ask the Holy Spirit that through My Pains and Tears , grant them the `strength' to say NO to sin..."

"Dear children, the My Immaculate Heart wants to pour out all His Mercy on souls, but... in many of them, it finds nothing but coldness and lack of love...
Tell all the souls of the whole world, to open yourselves to Me, because I am building a 'great garden' in those souls that welcome Me, so that My Son can 'rest' in them, and find His 'delights' there...
I also want to tell you that the Beatification of My 'Little Shepherds' Francisco and Jacinta, was among My Intentions, which I desired to carry out...
I thank you for having prayed the prayer "O Most Holy Trinity, Just and Powerful..." Thanks to these insistent supplications, this My Intention has already been fulfilled... Continue to pray it, so that the rest of My desires may come true. on Earth..."

"- The Apostle Saint John always obeyed Me in everything... Even before he was by My side on Calvary, at the foot of the Cross... never contradicted a request of mine, never shied away from any desire of mine...

It was not for nothing that My Son Jesus 'chose' Him to give Him 'My guard' at the foot of the Cross... Jesus knew that John had never disobeyed Me, and for this reason He knew very well that He not only would love and take care of Me as His Mother, but also, who would never give Me any displeasure... Message from Our Lady

"- My children... (pause) I am... the Queen and Messenger of Peace... I have come (pause) to give Messages to the world, throughout this last period of this 20th century (twenty), but the world does not want to listen to Me, nor answer Me...
My appeals are denied, My signs (pause) are discredited, My Tears are despised... My Voice (pause) falls in an immense desert, and there is no one listen to her...
I invite you to conversion... I invite you to become like `little children', who in everything depend on their Mother, (pause) who at all times seek refuge in Her, and protection in Her Arms Maternal...
I want you to be like My two little children, Francisco and Jacinta... Oh! how their lives pleased Me!... How much comfort (pause) they gave to My Heart!... How many Tears they wiped Me away, and how many `thorns' they removed from My Heart... They, alone, little ones, did much more than that the majority (pause) of men...
I, your Mother, beseech you prayer, reparation, and penance, for the ALMIGHTY is 'grieved' and 'annoyed' at the sins of the world...
While I endure the ` GOD's heavy hand, men mock My Manifestations, they discredit Them! and lead other souls to discredit (pause) them...
I... have been pierced by a `deep sword' (pause) of indifference... and discredit on the part of men, (pause) even part... of the best men...
I ask you, My little children, My little 'faithful remnant', to console My Heart, to dry My Tears, and to make Me smile!! fulfilling My requests, and making them known (pause) to the whole world...

I bless you in the Name of the FATHER... of the Son... and of the Holy Spirit..."

Message from Our Lord Jesus Christ

"- Generation !... I LOVE you... I want the souls of the whole world, to approach My Most Sacred Heart, to rest in IT!! Dive into HIM, and let yourselves (pause) be inebriated, by My Grace... My Heart has been begging for LOVE, affection, reparation and devotion for centuries!! but the world (pause) did not listen to the appeal I made, from My Apparitions to My dearly beloved daughter, Saint Margarida Maria Alacoque...
How great is the sin of the world!! for not answering My requests, so full of LOVE, Tenderness and Mercy... If the world knew what the LOVE I have for it, it would melt all (pause) in an ecstasy of ardent LOVE...
My LOVE !! exceeds all human (pause) and Angelic minds...
My LOVE!! exceeds all word, all thought, all understanding...
My LOVE!! it goes beyond the confines of Heaven... It's higher than Heaven!!... it's deeper than the oceans!... and it's more sublime than the air...
My LOVE (pause) exceeds!! all that you know, and that you know... Ah! and the LOVE of My MOTHER (pause) for humanity is no less!! and for each one of you... If you only knew how much My MOTHER LOVES you!! you would die of joy...
Man does not understand OUR LOVE because he is evil, and because he is carried away by his corruption, and selfishness... but OUR TWO United Hearts came here to Jacareí, to attract souls back to US, in order to communicate OUR LIGHT!!(pause) in order to ignite them with OUR FLAME!!(pause) and transform them into `reflectors' of OUR LIGHT(pause) to the rest of the world...
O doubting souls , draw near to ME!! Repentant, I opened this heart of stone! and let My Grace enter...
O generation, come to ME!!... I desire (pause) that all My people!! come here in procession, singing the praises of My MOTHER, and MINE... and that at the feet of this Blessed Tree! (pause) open your heart, shed tears of repentance, sing songs of praise and glory to ME... and then I will give you a new road, a new life to follow... this time, (pause) a road that will lead to Holiness...
I wish for pious souls... I wish for fervent souls... I wish for humble and watchful souls. , here at the foot of this Tree...
Many are still far from ME... I want you to take to them My Messages and those of My Mother!!... I want (pause) to see these souls here, where I can cover them, as the loveliest little bird does with her young...
For this reason, generation, I invite you, come... leave evil, repent and contrite, return to My Heart...
May faithful souls hear this My 'call', and respond quickly, because the time runs, hurry!! and it runs out...
I will bless you all..."
(long pause)

(Marcos) "- THEY began to bless..."

(Comments by the Seer Marcos Tadeu): (In today's Apparition, Jesus and Our Lady they were dressed in white, pure white, which shone a lot.

Our Lady told me that on the 7th of next month, the 7th of July, she will come with Her and Our Lord, Saint Michael, to give a Message to the world.
Our Lady also asked me that all the people make, from this month of June onwards, five Fridays of reparation to HER TWO Hearts, of reparation to HER TWO Hearts, praying a Rosary only with the intention of reparation, without putting any other intention together. , and offering some special sacrifice in this intention. This sacrifice can be a fast, an abstinence from some food, it can be any other sacrifice that the Holy Spirit will surely inspire in our hearts.
Our Lord smiled a lot, Our Lady also smiled a lot, during the Message. THEY were not sad at all, they were smiling, very sweet, very loving; only Our Lord who at a certain point in the Message had a serious, serious face, and spoke with gravity, with seriousness, but throughout the entire Apparition THEY showed a lot of tenderness, a lot of LOVE, a lot of sweetness.
You may have noticed this especially in the Message where Our Lady and Our Lord spoke of THEIR LOVE as never before. It was very beautiful, very wonderful, it was very DIVINE our meeting with the TWO today.
Then next month will come Nossa Senhora, Nosso Senhor and São Miguel, who has not appeared here in Jacareí since 1995, and who will return now next July.)

Jacareí, July 07, 2000 - Monthly Anniversary of the Apparitions

Message from Our Lady

"- My children... (pause) I have been with you for over nine years to teach you the way of LOVE, of prayer, and of holiness...
Understand, that My heart is the `Refuge' that the Mother of Heaven has prepared for all of you...
I have (pause) gone in search of My children, all over the world, and I have tried to gather them , in the `safe shelter' of My Heart, but... many of them do not accept My LOVE... they do not want to give themselves to Me, nor do what I say... and that is why I am ` sad', 'hurt', and I shed Painful Tears from My Eyes, seen in many Images around the world, just as you see, in the Eyes of this Image*, which is here...
I invite each one of you to reflect on the greatness of the Grace that GOD has given you (pause) of having My Presence with you for so long, and that of My Son Jesus... You have not been able to take advantage of this Grace.. They waste their days on useless things, they waste time on trivial things, when they should pray, meditate on My Messages, and dive into the depths of My Immaculate Heart, which reveals Itself in these times, as has never been done before, in the history of the world. ..
Therefore, little children, I invite you to sanctify your time, and to take advantage of it in a special way to convert now, which is the time of Thanksgiving, so that when this extraordinary time ends, you can be filled with joy, and with a clear conscience, that they made the most of all that from Heaven (pause) I came to give them...
I bless you in the Name of the Father... of the Son... and of the Holy Spirit..."

Message from Saint Michael Archangel
Prince of the Heavenly Armies

"- I am Michael, Chief!! of the Celestial Militias... Beloved People of GOD, listen!! the Message that I bring you from the Holy Trinity...
Never has the Heart of GOD been so 'saddened' with humanity, as in this generation (pause) of now, as in these current times in which you are living...

Never has the Heart of GOD , have been so heartbroken and sorry!! with the attitudes of man, as now...
If men!! do not stop offending GOD, many plagues and punishments (pause) will fall on the world... Man offends GOD, with all his actions, words and thoughts!! without even one escaping... and this is what causes sadness!! and the Wrath of the Most High...
If men do not convert, punishment will come, and do not say!! that it is GOD that is severe... It is men!! who have a heart of stone, evil, perverse, and full of hate...
Satan has deceived even many good souls, distorting them, (pause) away from the right path, to take shortcuts (pause) that will only lead to hell...
The Devil (pause) has even seduced many souls, even, (pause) even from religious, and priests... Many of them preach!! that nothing else is a sin... (pause) Many of them demean the Blessed Virgin!! to any woman, who should not be given too much attention, nor exalted too much, nor resorted to too much... Too many!! mock HER, when she appears, gives Signs, or cries, through ITS Images...
Ah! but I tell you, these very ones who mock the Tears of Holy Mary!! will be the same ones that in the future (pause) will cry!! the same bloody tears of remorse, for not having believed Them...
The men!! have forgotten the WORD of GOD, denied the MIRACLES of OUR Lord Jesus Christ!! and the Supernatural Interventions of GOD, in the Sacred History, and this is what makes the ARM of the Most High!! so 'heavy'...
The Devil (pause) has made many souls fall in his maneuvers, while he numbs some, ends up hardening the hearts of others, and blinds the eyes of others... Everywhere, violence reigns!! hate reigns, war reigns, lack of Religion and Faith reigns!!... Evil reigns...
Only a great onslaught of prayer, united to the prayers and expiations that the Immaculate Heart of Mary offers to GOD!! will be able to save this poor and miserable humanity...
In these times, I have come!! before the Woman clothed with the Sun, to prepare Her way...
I quell the demons!! (pause) I free many souls from the nets of sin!! (pause) I lead them to the presence of this Lady, (pause) of whom I Am Humble Servant, so that She (pause) may save and lead this soul back to the Lord...
I am attentive, even to the smallest desires of Yours... A minimum Look of the Lady is for Me!! an order...
I want (pause) that you turn to Me with confidence, praying My Rosary every day, doing special honors on Tuesdays to Me, such as pilgrimages to some Oratory or Chapel dedicated to Me, making novenas, spreading medals of Mine around the world, so that I, Saint Michael the Archangel, may have, (pause) more and more, opening and space between souls (pause) to act...
I am the `spokesman' of the Most High, the Guardian of faithful souls... Whoever recommends himself to Me will be saved, for I will never abandon him...
Those who despise Me, those who forget Me, or who ignore Me, or who have no devotion to Me, will fall into many sins, because I cannot protect those who do not invoke Me... hear this prayer, engrave it in your hearts, live it, and you will find Peace...
I am the Archangel who protects you, and who must guide you into the

Immaculate Heart of Mary... Come to Me!! ! and I will never... forsake you..."

Message from Our Lord Jesus Christ

"- Generation! (pause) My Sacred Heart pours out on you today!! My LOVE, and My Mercy...
Oh, how I sigh for souls who love ME!! unselfishly... How it hurts ME to see that many souls approach ME!! with interests, wanting to take advantage!! of My Sovereign POWER, or even, trying to make ME an easy instrument!! to get temporal goods, or mundane things...
Generation!!! understand that I AM ALL HOLY, and the prayers that are made to ME!! must also be (pause) `saints'... I cannot tolerate lying in front of ME!! nor falsehood...
Therefore, generation, I don't want you to be like day!! and night... I want you to be one thing... (pause) I want (pause) for you to decide for ME... and not to be lukewarm, because otherwise I'll vomit you out of My Mouth...
I want (pause) that you burn with My LOVE... I want (pause) that you vibrate with My LOVE!! every day...
I have been looking for souls all over the world to accept My Precious Jewels, My Nails, My Spear, My Crown of Thorns, but... souls do not want to accept ME!! with My Passion... This is what fills My Heart with bitterness... Knowing that I suffered so much!! for souls, but they do not accept to suffer for ME...
This is what fills My Eyes with Tears, and makes My Throat and My Chest overflow with sobs... knowing that I gave My Own LIFE!! by all, but there is not even one!! give yours for ME...
Ah! how happy I am to see My MOTHER forming so many Saints!! forming so many good, faithful and generous souls!! to present them one day, before ME...
Oh! My MOM... I give you everything! I grant you everything!! I deny you nothing, I will never deny you... I will deny nothing to those souls who love ME!! through you... May they serve ME!! through you... and who have their fixed address!! in YOUR Immaculate Heart...
Oh! My MOM, how much I love you!! it is not possible to say... What else can I do, so that souls understand, that I seek them with a LOVE without limits? That I look for them (pause) within YOUR Immaculate Heart? That I look for them (pause) through IT? WITH YOU? and in YOU?...
Oh! My MOTHER... (pause) O My MOTHER... give me souls... give me pure souls!!... give me candid souls... give me little souls!!... give me Me like souls! you... (pause)
If souls understood (pause) the ocean of LOVE!... If souls understood (pause) the ocean!! of holiness, which is My MOTHER, ah! they would turn to Her without delay, and to Her they would give themselves without reservation, so that She would break the old and ruined image of their souls, to make the new image, beautiful, purified...
My MOTHER (pause) is the SECRET of the SAINTS ... My MOTHER is the SECRET of Holiness, which I make known to those souls I LOVE...
O souls from all over the world, come here to Jacareí, at My MOTHER's Feet!! because here you will find ME, meek and humble of heart, to relieve you of your burdens, unload your burdens, relieve you and heal your heart...
O souls of the whole world, come here in Jacareí!! because here you will find

ME, Merciful and Forgiving...
Come here, O souls, and you will find Me, as on the Cross, with My Arms and Heart open to receive you, without distinction...
I LOVE you all, and I give you My Blessing... in the Name of the Father... Son... and of the Holy Spirit... (long pause)"

Saint Michael the Archangel

"- People of GOD! I, Saint Michael, say it to you with all, with all confidence! The days, the times of Satan (pause) are... about to end...
The enemy will be shamefully crushed, humiliated, before all the Angels of GOD, by the Feet OF THE ONE who is the MOTHER of the LIVING GOD!...
Yes , the Blessed Virgin, POWERFUL MOTHER of GOD will crush your superb head! and her reign over the world will be destroyed...
Trust!!! Trust!... In the end, THE TWO SACRED HEARTS WILL TRIUMPH..."
(long pause)
(Marcos) "... disappeared..."

Jacareí, July 08, 2000 - Message from Holy Mary

"- I am the Mother of Hope... I am the Joy of those who suffer… I am the Balm of the wounded ... Come to Me, dear children, and I will comfort you all... I will LOVE... I will caress... I will give rest!... and I will heal...
My Immaculate Heart (pause) is like a `River of Graces ', which never stops running... Come without fear! to My Heart...
I am with you, and I LOVE you very much... Next to Me, even the 'blackest' soul of sins will become whiter than than snow... for I will lead you (pause) to perfect contrition for your sins... to sincere penance for them... to a firm amendment of life... and to great perseverance in justice...
Pray the Rosary every day... only then will I be able to help you..."

Message from Our Lady

"- My children... I am the Mother of BEAUTIFUL LOVE!... I am the Queen of the Rosary, the Queen and Messenger of Peace... I invite you to listen and live all the Messages I have given you, during these years, through the mouth of this My servant... My Immaculate Heart is doing everything it can for the salvation of all, but... if you do not listen to Me, I will not be able to hold My Son's Arm, for much longer... and I will not be able to save you from the GREAT TEST that is about to befall the earth... I invite you, therefore, to relive all My Messages, with humility, not as `scribes'.. and 'Pharisees'... I invite you to be clear and pure mirrors, where I can make My Great LIGHT reflect, to tear apart the darkness of this world in which you live... I am with you, and I call you to the sincerity of heart!... Continue to fast, to pray,to confess, and to receive communion as I asked you... Message from Our Lord Jesus Christ

they rejected ME!!!, LOVE ITSELF... they rejected My MOTHER, and they didn't want to ignore My Prophets, My MOTHER's Prophets, who warned you and who admonished you... in My Name... I I spared Nineveh, because she believed in the words of Jonah, and did penance... I would forgive the Nations too, if they believed in My Mother's Messages and My Messages, but as they do not believe, many Nations... will be destroyed. .. I will spare those Nations that heed the appeals of OUR TWO Sacred Hearts, and begin to pray, to do penance, and to convert as never before!... I pity you, My little children, because if I abandon you to My Wrath, no one will survive... Behold, now is the time of Mercy, and I invite you, COME, COME TO ME!! that I AM the Good Shepherd, who heals the sheep, and who does not cast... who does not reject anyone... no matter how sinful he may be, PROVIDED he sincerely repents and does not sin again... Come, come to ME... I know the misery you are made of, and for all yours evils, I have medicine and balm in My Heart... Come... come for My MOTHER! Come through this STAR that shows you the way...

Message from Our Lord Jesus Christ
"-Generation!... My People! Beloved Herd! My Church, pupil of MY eyes! My fold... 'chosen portion', listen (pause) to what I say...
My Heart is thirsty for humble, industrious souls (meaning: hardworking), hidden, self-denying, conformed to My WILL, (pause) but... often, I find only angry, selfish, arrogant, scandalous souls... , who do not want to accept My LOVE, My LOVING AUTHORITY, souls who do not want to carry My 'soft burden'... Many souls have preferred the pleasures of this world to My LAW over My COMMANDMENTS!. .. I have seen many families falling apart, by adultery, by betrayals, by struggles and divisions... all this happens because in your families there is no prayer! My MOM's Rosary was taken away, and now you only watch television programs... You don't have time to dialogue anymore! Your heart has become cold, selfish, petty, and haughty... Young people (pause) are completely spiritually dead, due to drugs, prostitution, sinful relationships, the songs and shows they participate in, and so many other debaucheries (pause) they commit... Children, from a young age, are already corrupted, trained and encouraged to love sin... Adults are not concerned with prayer, faith, or Holy Religion... They are only concerned with material goods,

with money, with having and power... Their hearts are harder than steel, insensitive... to any 'ray of LIGHT', which descends from Heaven on them... O souls, it is 'time' to return!!! The Church is obscured by a 'dark smoke'... Many Christians make mistakes!! And they drag many souls with them... Great is My PAIN... Great is My PAIN... It's 'time' to return!!! O souls for whom I gave My LIFE, return to My Feet, and I will pour over you the 'ocean' of My Mercy... Return to My Feet!!! And I.. will give you a 'new life'... Return to My Feet!! And even if your sins are... darker than scarlet, My Heart will forgive all... Return to My Feet, and I will not be a JUDGE for you, O souls, but... Merciful SAVIOR... because this is the TIME OF MERCY!!! The 'time of Mercy' precedes that of JUSTICE!... The last chance I give to humanity are My Manifestations, especially those of the 20th century, and the Manifestations of MY MOTHER... If humanity does not respond as we wish My Wrath will manifest itself... My Heart is 'exhausted' from asking you (pause) to convert... My Heart is 'tired' from imploring you so much to pray, to change (pause) your attitudes... (pause) O souls, what more do you want? What more do you want from us? More than WE did here in Jacareí? Impossible**!.... Ah! Generation... Here in this place, My Grace flows like a mighty river... Here, the Graces of My Mother's Heart are incessant... What more do you want?... what more do you want? O souls, if you still have a small remnant of goodness in you, even a small drop, listen to us, listen to us, answer us without delay!!! (pause) Nations don't want to turn to ME... If they don't, they will be ruled by an 'iron scepter', which will not be MINE... a 'scepter' that will hurt you, that will decimate you , and it will leave you thrown to the ground, but... if you return to Me, you, all nations, My Heart will have pity, pity on all of you... May Brazil be the first! Returning to My Heart... I want to transform this 'land', in EUCHARISTIC 'land', 'land' of My Sacred Heart, and of My MOTHER's Heart... Tell France that My Heart is 'crushed', because she has not responded to My 'Requests', in My Apparitions at My daughters Margarida Maria... Josefa Menendez... and Claire Ferclaud... may France return to My Heart!!! And I will bless, and make of it, a nation of Saints... O souls, come!!! Don't delay any longer... This is the Heart that loves you so much, that desires you so much, but... it only receives insults, ingratitude, and offenses... Come!... come and close My 'wounds'... Come and dry My Tears... and I will make of you, 'beloved doves', who will live forever (pause) in the refuges... of My Sacred Heart... I bless you... because she did not respond to My 'Requests', in My Apparitions to My daughters Margarida Maria... Josefa Menendez... and Claire Ferclaud... may France return to My Heart!!! And I will bless, and make of it, a nation of Saints... O souls, come!!! Don't delay any longer... This is the Heart that loves you so much, that desires you so much, but... it only receives insults, ingratitude, and offenses... Come!... come and close My 'wounds'... Come and dry My Tears... and I will make of you, 'beloved doves', who will live forever (pause) in the refuges... of My Sacred Heart... I bless you... because she did not respond to My 'Requests', in My Apparitions to My daughters Margarida Maria... Josefa Menendez... and Claire Ferclaud... may France return to My Heart!!! And I will bless, and make of it, a nation of Saints... O souls, come!!! Don't delay any longer... This is the Heart that loves you so much, that desires you so much, but... it only receives insults, ingratitude, and offenses... Come!... come and close My 'wounds'... Come and dry My Tears... and I will make of you, 'beloved doves', who will live forever (pause) in the refuges... of My Sacred Heart... I

bless you...

Unexpected appearance of the Holy Angel of Peace in the month of September
On this day the Angel of Peace dictated a prayer to be prayed before drinking water from the Miraculous Fountain of Our Lady. The prayer that the Angel taught was this: “Most Holy Trinity, here I am at Your Feet, imploring Your Mercy, through Mary, Your Daughter, Mother and Beloved Spouse. Please have mercy on me, poor sinner, through the Immaculate Heart of Mary, the Maternal Source of Graces! O Mother of Mercy, Queen and Messenger of Peace, here I am before Your Miraculous Fountain, asking You for Mercy and Grace, clemency and Peace, with the certainty that You will answer me.... Will of God, and I submit my will to His. Filled with confidence, I will drink this Holy Water so that my soul and my body may be purified by the Grace of GOD that was poured into it*... O Immaculate Mother, watch over me, protect me, help me, through the Water of Your Miraculous Source. Help me to live as a good Christian and may she help me to obtain my conversion and my sanctification. Amen.
*Note: (here the Angel of Peace did not mean that the person who drinks from the fountain is not obliged to go to confession to purify himself from his sins, but that the act of drinking from the fountain is an ardent supplication to God and to Our Lady so that through the Fountain they may grant us the grace of a good and sincere confession, providing us with the necessary means for a true conversion of heart.“Nothing is impossible to God.” (Lk 1,37)

The sins of the world make My HAND heavy upon them... And soon My Arm will sweep away from My presence all those who do evil...

The wicked mock My servants... My prophets... announce My arrival, as the people once mocked My prophets who announced Me in the OLD TESTAMENT... JOHN THE BAPTIST came and they did not believe in Him... They beheaded Him and silenced His voice... Today, they are here (in the world) My servants and the servants of My MOTHER... our seers spread all over the world and humanity does not do any different from what it did at that time...

O souls!... Open yourselves to My Light!.. Let My HOLY SPIRIT enlighten you and clothe you with His Wisdom, so that you understand perfectly Our Divine Plan...

I CLEARLY WISH THAT ALL OF MY MOTHER'S APPEARANCES, WITHOUT EXCEPTION OF ANYONE... FROM THOSE PLACES WHERE MY MOTHER TRULY APPEARED... THAT THESE BE HONORED... THAT THESE PLACES BE RESOLVED... FOR INDIFFERENCE... THE CONTEMPT WITH WHICH THEY WERE TREATED... REACHED UP TO HEAVEN AND WOUNDED MY HEART...

I WANT YOU TO MAKE ATONEMENT FOR GARABANDAL, because much was despised and ridiculed OUR APPARITIONS in that Village....

I WANT YOU TO MAKE REPARATION for yet another MONTCHIARI.... by GHIAIE AND BONATE.... by AKITA... and by ALL THE OTHER PLACES where MY PRESENCE and MY MOTHER's were despised and trampled underfoot...

You have left MY MESSAGES in oblivion MOM in LA SALETTE, LOURDES, FÁTIMA, BEAURAING AND BANEAUX...

You let My Mother's Messages be trampled underfoot by impious and depraved men!...

O souls!... Defend the one who loves you!... O souls!... Love the One who never stopped loving you! ... O souls!... why are you so afraid of suffering so little for the one who suffered so much at the Feet of MY CROSS

? MOM, SOON YOU WILL CRY!... AND THOSE WHO CRY, MERCY, FOR SEEING MY MOTHER DESPIRED AND MISTREATED BY THIS WORLD THAT DOESN'T RECEIVE HER... THESE WILL BE HAPPY WITH HER TO SEE HER TRIUMPHANT!. ..

O souls!... OUR APPEARANCES here in JACAREÍ are for you, the conclusion and glorious crowning of Our past and current Manifestations... Soon, My Promises will be fulfilled and happy those who took advantage of these years to cleanse themselves from their sins and do what is right and good...

Those who spread Our Messages, with love and fidelity, will have a special place of glory at My side and at My Mother's side in Heaven... will assist you in all dangers and especially in the hour of death... He is the Sweet Protector of the Apostles of the Last Times... of the Apostles of My BLESSED MOTHER... in the Arms of SAINT JOSEPH, the Righteous will expire and fly so smoothly to Heaven, who will not feel the difference of death... will not see that they are passing from this life to the eternal...

My SACRED HEART has prepared many Abodes for My Mother's Apostles... O souls!... Messages from My Mother!... Don't leave them aside!... Don't give up on them!... Be constant and persevering until the end and these Abodes will belong to you!...

O generation!... Generation that I love!... I wish that this generation of the year 2000 will decide once and for all for CONVERSION... That he will answer the incessant Call of My MOTHER and My SACRED HEART, and then I will transform the souls that love Me, that are faithful to Me, into beloved and favorite doves that will dwell in the Eternal Abodes... in My SACRED HEART... I will make souls so pure and so candid... so ardent... and loving as My Cherubs...

Come, souls!... Come quickly!... because your time is running out and the 'pointers' are already pointing to the end...

Come, souls!... Come, because the wind is already blowing and already announces that the time of harvest has arrived...

Come, souls!... do not delay any longer!... come without delay... and without delay I will save you!...

Marcos: ("They are blessing... they are already going up... they have disappeared...")

Day 28/10/2000 - Message from Our Lady

"- Pray this prayer daily and spread it: - ETERNAL FATHER, I OFFER YOU THE HOLY WOUNDS OF OUR LORD JESUS CHRIST, AND THE SHED BLOOD, TO RELIEVE THE FEES OF THE SOULS IN PURGATORY." This little prayer, repeated silently or aloud, in church or at home, will bring great relief and help to the souls in Purgatory. Tell everyone to pray it without ceasing..."

Jacareí, November 7, 2000 - Apparition of Jesus and Most Holy Mary

MESSAGE FROM OUR LADY QUEEN AND MESSENGER OF PEACE

“-My dear children... today My IMMACULATE HEART rejoices to see you here, so numerous (pause) and attentive to My Feet...

In 1991, I came Here, in JACAREÍ, as QUEEN AND MESSENGER OF PEACE, to communicate a Message of Peace, of conversion and salvation, for humanity....

During these years, I have unraveled My Message of Peace, day-after-day, month-after-month, and year-after-year; so that My children understand the urgency and the seriousness of My coming Here...

As QUEEN AND MESSENGER OF PEACE, I introduce myself to children,

inviting them to Prayer, because their pure and innocent Prayers can obtain from My DIVINE SON, great Mercy for the world...

As QUEEN AND MESSENGER OF PEACE, I I present to young people today, so tempted, (pause) so besieged by the Evil One, in order to invite them to Prayer, to Purity, to surrender themselves totally to GOD, and to do everything He asks of them, through Me...

As QUEEN AND MESSENGER OF PEACE, I present Myself to families today, so disaggregated, so divided, so disunited, (pause) so full of lack of Faith, of atheism, and of lovelessness... so that they may find Peace, find salvation, find salvation, find again, the path of holiness, which leads (pause) to GOD...

As QUEEN AND MESSENGER OF PEACE, I present Myself to My beloved Daughter, the Church, today, so divided, obscured in the TRUTH of the Faith... today, so full of fashions (pause)... so full of things (pause) that does not suit you...

Today, I present myself to humanity, as QUEEN AND MESSENGER OF PEACE, to divert it from the great abyss, to which it is headed, and to lead it to conversion, to repentance of its sins,(pause) and total obedience to GOD...

As QUEEN AND MESSENGER OF PEACE, I present myself before all creation, in order to pour out Peace on all souls, on all hearts, on all My children, and on the whole Universe...

Therefore, dear children, I invite you to renew the Prayer, especially the ROSARY OF PEACE, which I taught you Here, in your families... Peace...

Continue to fast, to go to confession, to take communion, and to live everything I tell you...

I bless you, in the FATHER's Name... of the SON... and of the HOLY SPIRIT...”

MESSAGE FROM OUR LORD JESUS CHRIST

“-O souls! O souls that I LOVE! My SACRED HEART (pause) pours out balm and peace for you this night...

Pray My children, for the conversion of Russia, because even though she was annihilated and reduced (pause) to almost nothing, she still intends to rise up... Pray ! because many souls in it (pause) still do not want to recognize Me as their Sovereign LORD...

Pray! for the conversion of Europe, because it allowed itself to be invaded by modernism, materialism, hedonism, and technological advances... In fact, Satan managed to seduce the souls of many people, with the 'wonderfulness' of science, technology, and of fashion...

It deceives souls!... it intoxicates them, with the cup of its pleasures... it stuns them, and then devours them through vices, and worldly pleasures...

You must use yours . knowledge for good, not for evil... I did not create you for evil... I created you for good!!!... but satan has deceived you, and now it is necessary for you to open your eyes, and that you see (pause) the snares, and the “nets” in which he has involved you...

Pray for the conversion of the United States, for it may be punished, for its pornography, for its arrogance... for its pride...

Soon, I will crush all arrogance (pause) of the people... I will crush all arrogance, and I will reduce to nothing (pause) the citadels of the wicked... That's why I invite you to walk the path of humility... the path of smallness!... I invite you to become like little children, who flee from evil !... who flee from danger... who cultivate innocence and purity, and who seek what is beautiful, pure and holy...

I invite you to trust in Me and in My Mother, like little children.. In this way, WE will be able to lead you on the path (pause) of Heaven...

I invite you to pray for France... I tried to save them in many ways, through many Saints, through many Saints... through many Messengers and Messengers of MY SACRED HEART... But she did not listen to Me as I did. he was waiting... and now he suffers... Pray for her! So that My Mercy can help you, and even save you...

Pray for your Country, because communism intends to dominate this land... it is (pause)... opening its way... Pray! so that Our Two SACRED HEARTS may win on this earth, which belongs to Me, and of which I have a holy jealousy...

Pray for the conversion of sinners, because many souls go to hell fire every day, because there is no one to pray, and don't even sacrifice yourself for them... Pray for the Pope... Pray for My MOTHER's intentions, and for My Intentions...

In this month of November, offer, every day, at least 10 Hail Marys for the conversion of atheists, of those who do not believe in My existence...

I bless you...”

Marcos: “-THEY began to bless ...” (long pause)

After a few moments: “-There they go... They're going up... (pause) they disappeared...” (pause)

After a few moments Marcos Tadeu sang 'Ave, Ave Maria. ..' Then he said: “-

JESUS and OUR LADY appeared BOTH dressed in white, with THEIR SACRED HEARTS visible on their CHEST.

They talked to me for a while in private, gave me some advice, and at the end of the Message, of the Apparition, they blessed all those present, tracing the Sign of the Cross with their Hands, which broke up into countless 'beams of light', which landed on all .

In the faces of the TWO there were at times LOVE, TENDERNESS, and a little SADNESS, and in the most THEY showed LOVE and TENDERNESS for the presence of everyone, everyone here..."

Jacareí, December 7, 2000 - Apparition of Jesus and Holy Mary

MESSAGE FROM OUR LADY

"-My children, I am the IMMACULATE CONCEPTION... I am the Mother of Grace, Mother of Holy Purity, Mother of the SON of GOD, Mother (pause) of PEACE...

From Heaven I came, and in LOURDES I reminded you of this TRUTH, which shortly before the Church had proclaimed... Let yourselves be guided by My LIGHT, involved in My LOVE... Let yourself be seduced by the "perfume" of all My VIRTUES.. I

invite you to live with Me in Holiness, in Purity, in LOVE, Prayer, Faithfulness and Obedience to GOD...

I invite you to let yourselves be carried in My Arms, to let yourselves be cultivated in My IMMACULATE HEART, like the smallest and dearest 'flowers'; so that I can make them grow, make them blossom, and spread the "perfume" of DIVINE Grace throughout all this humanity, tainted by sin, corrupted by evil, and hardened by hatred...

Humanity has become a great desert, a desert of death, where impurity, violence, corruption, lies, lack of faith, impiety, unbelief take over and rule society...

My enemy, the devil, has seduced souls from the greatest to the smallest, and today, his 'dark smoke' has penetrated all families, penetrated within the Holy Church, obscuring Her in Her Beauty and Her Holiness. ... penetrated into the upper echelons of humanity, and seduce the minds of many rulers, sages and scientists... All humanity groans under the harsh slavery (pause) of the devil...

It is My desire, through My Messages, My Holy Rosary, and My Requests Here, to free you from every form of moral and spiritual bondage... from every kind of 'yoke' you are bound to (pause) and oppressed... then, I will make "From This Place", radiate My LIGHT and My Grace to the whole world (pause)... Here, 'In this Place', where I have manifested My Requests, My Sorrows, My Maternal Anxieties, I wish (pause) to make you recognize that 'Here' I myself gave birth

to a SOURCE of MERCY, LOVE and SALVATION (pause) for every soul.

Then, if you live My requests, if you announce My Requests, the splendor of 'This Place' (pause) will appear before everyone, where My IMMACULATE HEART has poured out all Its Graces, like a 'Celestial Flood' (pause) that never ceases ...

So, dear children, safe in My Hands, supported by My LOVE, and above all; more and more consecrated, docile and obedient to My MATERNAL HEART, I will be able to guide you along the path of LOVE...

I wish that the NAME of My SON JESUS would be better known and LOVED... For this, I wish that Day 2 of JANUARY each year, be celebrated as the FEAST OF THE HOLY NAME OF JESUS CHRIST. So that every soul, invoking the NAME of My SON JESUS, may receive from Him: the graces necessary for your salvation, for your conversion and perseverance in Grace, (pause) Peace for the world, the conversion of sinners, the union and sanctification of all the members of the Holy Church, and above all, the greatest TRIUMPH of OUR UNITED HEARTS...

Pray the Litany of the HOLY NAME OF JESUS, nine days in a row in preparation for the Feast of MY SON...

Ceebre Her in the depths of your hearts, in your families and wherever (pause) you can...

I bless you in the Name of Father, Son and Holy Spirit..."

(long pause)

MESSAGE FROM OUR LORD JESUS CHRIST

"- Souls of MY Fold, why don't you listen to the appeals of My HOLY MOTHER? Why do you not sympathize with His Pains and His Afflictions and His Anxieties?...

O souls, hardened by evil and sin, heed what My Mother asks of you!...

She asked you to make Cenacles of Prayer throughout the whole world. aside, and you... did you do what SHE asked?

SHE asked you to form small groups of prayer for the HOLY ROSARY, and you... did you obey her?... SHE asked you to pray , pray, pray

... did you hear her?...

EUCHARIST, SHE asked you for more LOVE at the Holy Mass, asked you (pause) for more experience of MY Holy WORD, and OUR MESSAGES, and

did you listen to HIS 'CALL'? NO!...

You continued with sins, with vices, with worldly desires, divided between GOOD and evil, between LIGHT and darkness, between MY enemy (pause) and I... (longer pause)

I TELL YOU , My children: that if you do not decide soon, I will be forced to point the 'two-edged sword' at you, so that you decide (pause) on which side you want to be, or if you want to be hot or cold; because lukewarm, I will 'spew' out of My Mouth...

My sheep, I AM the GOOD SHEPHERD who wants to lead you, but every time I want to guide you, you want to run away from Me, and mix with the goats...

Why don't you accept MY Ways? Why do you not accept MY COMMANDMENTS? Why do you still insist on recalcitrant* against ME?...

MY LOVE knows no limits, and when a soul approaches ME and sincerely desires ME, I give myself, I communicate to him... I quench his thirst for LOVE... I satisfy his hunger for Peace and Justice. .. I strengthen you with MY FLESH and MY BLOOD, with the “BREAD FROM HEAVEN”, I teach you MY COMMANDMENTS, I give you MY Benevolences and My Pleasures, and I lead you jealously to the Fold, to My fold... to guard it... I watch over that soul night and day, and do not allow the ravenous wolves to approach it, to molest it... Such is the LOVE I have for souls. ..

ON THE CROSS I said: “I'M THIRSTY, THIRSTY OF SOULS!”... and today I cry to you, I repeat to you: “I'M THIRSTY, THIRSTY OF SOULS, I'M THIRSTY FOR YOU...” (pause)

Come to ME and prepare yourselves holy for this CHRISTMAS, so that I may be truly born in you, and that you may be born of "Water and the Spirit"... to ETERNAL LIFE...

I am already exhausted (pause) to be offended, to be blasphemed... on CHRISTMAS day... Your houses have become dens of desecration!... On CHRISTMAS night, it is the day when people dance, eat and drink the most, and least one prays...

As in BELÉM, I, MY MOM, and My Adoptive Father SÃO JOSÉ, knocked on the doors of hearts on CHRISTMAS night, but we only received (pause) contempt, refusal... and rejection...

O souls, shed tears of sincere repentance this CHRISTMAS: and I will extend MY Arm (pause) to lift you out of the mud, to work wonders in your lives, and to transform you into true apostles of MY HEART, and the HEART of MY MOTHER...

I asked MY adoptive Father SAINT JOSÉ to make your hearts a "grotto", to clean it, prepare it, warm it up, as HE did with that Grotto in Bethlehem, and

then, full of pleasure I I will enter, I will stay with you, we will eat together, and we will unite in spirit, in truth, and in life...

Continue to pray the ROSARY every day, to make sacrifices, because many souls go to hell every day, because there is no who prays, and does not sacrifice himself for them...

And have Hope, have Trust in ME and in MY MOTHER, that OUR HEARTS will finally TRIUMPH... Now the whole earth is being subjected to a "test" of Faith, a "test" of Patience, a proof of “Confidence”... Many are getting tired and saying: 'The Lord delay, let us return to our old life; let's eat, drink, have fun at will... Maybe, HE won't come anymore...'

Ah! Generation, like a thief I will overtake you, like a snare I will fall on you, like lightning I will dazzle you, like an earthquake I will shake you...

Trust! Pray! Wait! Be patient, be faithful... (pause) The Father's designs are mysterious, impenetrable... but they are TRUE, and if they will be fulfilled...

I bless you...” (big pause)”

*Recalcitrating: Not wanting to go forward; disobey; not give in; revolt; stubborn; be obstinate

Day 12/12/2000 - Message from Our Lady

(Marcos Tadeu): Feast of Our Lady of Guadalupe, the Blessed Virgin appeared at the Sanctuary at 7:30 pm (6:30 pm on time), and communicated the following message:
"- My children, continue to pray the Rosary every day... Continue to pray for my intentions... When you pray, do not ask only for small things, but for big things, because you cannot imagine how great the Mercy and the Goodness of God..."
(Comments- Marcos Tadeu): Let us therefore ask the Lord for great things, such as: the conversion of the world; our own conversion; may she convert and unite all peoples in the faith; may She carry out all her plans about the Sanctuary, in Jacareí and about us, etc. Let us ask because it is Our Heavenly Mother who commands us... And we can be sure that the Lord will be very happy to see us asking confidently, together with His Most Holy Mother, and will certainly perform great graces and wonders in our lives and in our hearts.

Day 25/12/2000 - Nativity of the Lord and Message from Our Lady

(Marcos Tadeu): On December 25th, Christmas of the Lord, Our Lady appeared at half past midnight. She carried the Baby Jesus in her arms. Both were dressed in glittering gold and were smiling widely. She prayed with

Marcos Tadeu for world peace. Then there was a space of silence, where Marcos Tadeu could contemplate them for a long time. Then Our Lady said:
"- My children, live this Christmas with Me, in silence, in prayer, in the depths, in the interior of the heart, and above all in the joy of contemplating the sublime mystery of a God who is born as a child to save the world...

"There is no greater love than to lay down his life for his friends..." (Jn 15:12-14)
There is no greater love than that of Jesus, who was born as a child to save poor sinners...
Today, My Son Jesus comes with Me to give peace to this place and to your hearts. Peace in their hearts!... Peace in their souls!...

Peace in every heart where good will reigns...
I wish that your hearts, on this Night, are a fragrant flower to give to My Son Jesus.
My Son does not look for greatness in you, nor for anything that this world values... He looks for simply this in you: love!...

He wants to be loved... He wants to be desired with all the strength of soul and heart.
I come from Heaven to Earth in these times, to prepare such hearts and such souls to give to My Son Jesus... Loving souls, praying souls, souls thirsting for Him...
My children, this Night I invite you: Give your hearts to Jesus through Me, and He will gladly accept your offer... Much more... Much more joyfully than He accepted the offerings of the Magi, and even the worship of the shepherds.
I invite you to be with Me a crown of living flowers of love, for the Child Jesus..."

(Marcos Tadeu): “-She began to bless...”
And soon after: "-Disappeared..."

Messages communicated in the Apparitions of Jacaré, year 2001

from many dangers...
I have freed you from many snares...

As a Master, I have taught you how to serve My Son, how to please Him, how to be with Him, how to obey Him, and how to be faithful to Him...
As a Mother, I warned you of the dangers that surrounded them... From the dark and catastrophic situation in which the world finds itself... I never left them alone... I have always been by their side, as a Mother, as a Master and as a Companion... There
are ten years of gifts and graces that my Immaculate Heart has poured out on Earth from here, from Jacareí...

Here came the chosen ones of My Immaculate Heart... Here the chosen ones of My Immaculate Heart
came Here came many sinners, who were transformed into true children of GOD, into true children of My Immaculate Heart, and apostles of My Messages of LOVE.. Here came many souls ,

who were blackened by sin, and whom I led to true repentance of the heart, and to the Sources of God's Mercy, in Holy Confession, and later in Holy Communion....
Here came many lukewarm and weak souls. , which I strengthened with My LOVE, with My Mercy, and with My Grace, making them courageous and ardent witnesses of My Messages...

O My children, thank GOD, every day, and at all times, for the Great Grace that He has given you from "My Presence here", for so many years... The Lord wanted me to appear here for so long, to show how great is YOUR LOVE and YOUR Mercy....

Jacareí will become the Great Pole that will attract all people, of all peoples and nations.... All “souls of good will” will hear the My Call, you will recognize My Voice, and you will come here to praise Me...

Jacareí will become a Great Source of Graces, where humanity will find a remedy for its ills, Peace for its yearnings, comfort for its pains, and above all, Light for your paths...

Here, in My Sanctuary, I will make my Great Throne of Grace and Peace, from where no soul will leave empty-handed, if it approaches Him with confidence and LOVE for ME...

Pray for the world, My children, because it, like a runaway snowball, it plummets further and further into the abyss of its destruction...

Pray, pray the Rosary every day, and live all the Messages that I have given you...

I came here to generate... to form... and to lead many saints... and I will not return to Heaven, until I succeed and produce with the Holy Spirit, all these saints....

Be saints, My children.... I invite you all , but... the decision is up to each one....

I bless you with LOVE...”

Message from Our Lord Jesus Christ

“My chosen souls! I AM YOUR GOD, and I am with you... I LOVE you... I want your salvation, and therefore I ask you:
CONVERT WITHOUT DELAY!...
If you choose the “earth”, you will perish with it. ..
If you choose Heaven and Me, I will save you...

You can no longer postpone your return until later, because the door of Mercy is about to be closed and sealed, and then the door of Justice will open... and when is opened, lightning and thunder will strike the earth

I invite you to meditate on the POWER of My Holy Blood... Pray the litany of My Most Precious Blood every day... it is contained in the Book of "Our Messages" (from the Apparitions of Jacareí) and it will be useful and easy for you to pray it every day...

Who prays the **Litany of My Precious Blood**:

-You will not die a sudden death...
-You will not lose faith...
-If you fall into mortal sin, you will quickly rise and be kept in Grace....
- I will protect your house from many dangers, and I will give you Peace...
- The devil flees from where the Litany of My Most Precious Blood is prayed...

I want souls to dedicate themselves more to My Sufferings... You despair, because you do not meditate on My Sufferings... because you do not pray the Way- Sacred...

Know that My path was that of the Cross, and whoever wants to follow Me will have to suffer... No one will be able to escape suffering for a long time, because if you avoid it here, you will find it there... right, you will certainly find it on the left... Therefore, embrace the Cross, because it is the easiest and safest way to reach Heaven...

O My children, pray for France... I have asked you this in many Messages past, but... you have not taken ME seriously... pray for her, because I have plans of LOVE for her, and I want to save her...

Pray for Latin America, which is being taken over by My enemy little by little, and he, My enemy, has installed in My Beloved Latin America violence, sin, sensuality, and above all, a great profusion of errors within My Church ...

“Holy Things” are no longer treated as such... within the Church they only talk about spurious things, useless and worthless things... and meanwhile, My Word is left in oblivion, and souls suffer from hunger and thirst...

I feel sorry for My Church, in Latin America, and I want to save it, but... for that, it is necessary that you pray, that you pray a lot, especially My Mother's Rosary, because only he will be able to save this immense continent...

Continue to pray for the intentions that I have already asked of you, above all, for My Pope John Paul II, who suffers...

I ask you to pray the Chaplet of Mercy daily, because whoever prays it, at the time of death, will have My Peace, and I will not be a Judge for him, but I will be a Merciful Savior...

Whoever prays the Chaplet of Mercy will live under My Mantle and My Heart, like a chick under its mother's wings...

Pray the Rosary of the Eucharist always, because My Heart is saturated with thorns and offenses, and with the sacrileges with which I AM treated in the Eucharist. Many sacrilegious Communions have been made on earth ,

and I AM martyred at every Holy Mass, because souls do not prepare themselves nor receive Me worthily... Therefore, My children, unite with My Mother, the Queen and Messenger of Peace, who is the Mother of Adoration and Reparation...

With her, remove the thorns from ME, through your love, your reparation, and your fragrant prayers of faith, devotion, and love for ME...
I bless you, and I tell you that next month , which is the Anniversary of Our Apparitions here, we will give you the Special Blessing...
We bless you now..."

Jacareí, February 07, 2001 - TENTH ANNIVERSARY OF THE APPARITIONS OF JACAREÍ
Message from Holy Mary

"-Dear children, I I am the Queen and Messenger of Peace...
With this Name I came from Heaven, exactly 10 years ago, here in Jacareí, to tell you it is urgent, that it is necessary, Peace for the world...

PEACE! PEACE! PEACE!...
PEACE to your hearts... PEACE to your souls... PEACE to your families... PEACE to the Church... Peace to the countries... Peace to the whole world... This is My living and ardent desire..
.PEACE ! PEACE! PEACE!...

Pray for Peace, My children... it is necessary to pray for Peace every day, without rest... pray the Rosary of Peace that I taught you here, to reach the DIVINE Gift of Peace

... Sacred Heart of Jesus is moved to hear My Rosary of Peace being prayed with Love, through your lips... so pray!...
Pray it humbly... pray it confidently... and perseveringly...
Pray My Rosary, known to you as My traditional Rosary, because it has Great POWER before My Son and Me...

Live all the Messages that I have given you here in Jacareí, because I tell you, My children, that not a single accent of My Messages will be lost, without My obtaining My effect... not a single tittle of My Messages will pass, without everything being carried out according to the designs of GOD...

GOD has designs for each one of you, that's why, through ME, He called you here... Your mission is there... It's in My Messages!
SPREAD THEM, and the world will be saved...
Retain them, and the world will be destroyed...
Therefore, My children, I ask you to reread all My Messages, from the beginning until now, one by one, and fulfill all that I have told you...

I bless you..."

Message from Our Lord Jesus Christ

“My souls... Souls that I created with all My LOVE and Affection... Souls that I rescued with all Tenderness, at the cost of My most precious Blood on the Cross... Souls to whom I sent My Mother to speak , and call you back to My Heart... listen now to My appeal, because I AM the Almighty... there is no salvation outside ME!... There is no other GOD besides ME!...

You you must seek Me, love Me, and serve Me...
In these 10 years that I and My Mother have been here, in this city, giving you Messages, WE reveal all Our LOVE for humanity...
We Use Words that only Heaven can speak...
We grant Graces and Favors, that only Heaven can bestow!...
What more do you need, generation?... What more do you need, O My souls?...
My Heart feels sore, because the ingratitude of humanity crosses the vault of Heaven
Our Apparitions here were not taken seriously... Our Apparitions here were not heard, as we had been waiting for these 10 years...

However , you can alleviate this situation My children... you can still spread Our Messages, as never before, and bring Us new souls here... to comfort Our Hearts... to please Our Hearts, and form the Around us, a Crown of LOVE and Praise to the FATHER... you can still bring My Grace to sinners, like a source of crystalline water, which increasingly thirsts and refreshes the thirsty souls that roam the world.

O My souls!... Set yourselves to work... set yourselves on mission... set yourselves, My children, to walk, to take Our Requests to the whole world... It is

WE who ask them. .. It is WE who beg him... to all of you...
Go! Spread Our Requests...
Go! Tell everyone about Our Presence here...
Go! Call everyone... forget no one!
Because My Heart is thirsty and has a burning desire to save everyone...

Live Our Messages... All Our Requests, which have been made to you here, are for your salvation... Live them! Practice them... Be faithful to Our prayers, and WE will be faithful to yours... Hear Us and WE will hear you... Do you love ME? Do you love My Mother? Then you make sacrifices for Me and for My Mother!...
Unfold!... Fight!... Fight the darkness!... Spread the Light of My Grace...
That Light which is: My Messages for this world...

Spread Them everywhere where if you manage to arrive... and My Heart will

“be” happy, as well as the Heart of My Mother, WE will repay you, giving you the Grace of seeing sincere conversions in this world, and then, many souls saved in Heaven, and even the your souls, saved forever by our side...

I give you Peace... This is the Cova da Paz... the Fountain of Peace... it is the Garden of Peace... it is the “Barn of Peace ”... is the “Ark of Peace”
Here in Jacareí, My Mother and I grant Graces as never before in the history of humanity... and through this little child of Ours, WE were able to bring to hearts Our Peace and Our Word, which forever changed the eternal destiny of souls of humanity...

My children, soon I will cleanse the world of all this evil that you now see in it... Prepare yourselves, because My Mercy will come to save you... remember that I am slow (to punish) with sinners, because I pity them, and I give them time to convert...

But when their number is complete, then My POWER will be unleashed, and you will see, amazed, all the breadth of My STRENGTH ...

I bless you with My Mother now...”

Day 02/10/2001 - Message from Our Lady

"- Marcos, My son, write and tell the whole world that the 'Hour of Peace' should be held in the family. Humanity will not have peace, until you live My Messages of Peace, which I gave here, in Jacareí.. If My children do the 'Hour of Peace', I will be able to stop the wave of disintegration and destruction of families... However, if it is not done as I ask, families will be fatally destroyed in a short time... Pray ! Pray! Pray!...
I want you to know and write that the 11th of February is sacred and must be spent in respect and prayer. I want the whole world to know that on that February 11, 1858, when I first appeared to My Daughter Bernadette, in the Grotto of Massabielle, My Plans and My Mighty Maternal Action began to save My poor children. .Mark, pray! Pray! Pray!..."

02/11/2001 - Feast of Our Lady of Lourdes
Message from Our Lady

"- Marcos writes that the world needs to respond to My requests... If you, My children, respond to them, GOD will bless you and send Peace to the world...

If you don't heed Me, many misfortunes will happen to the world, because whoever says "yes" to Me says "yes" to GOD... and whoever says "no" to Me says "no" to GOD...
Every time humanity said "no" to GOD, it always suffered 'hard penalties' for its refusal to obey. Therefore, My children, pray!... because when I come to earth,

I do not come to 'play', but to say serious and serious things to you... Pray, therefore, and convert!"
(Report - Marcos) "I asked her if she wanted something from me, and then she replied:" "- Pray, Marcos, pray and tell all this to the world... "

02/12/2001 - Birthday of the seer Marcos Tadeu
Message from Our Lady

(Marcos Tadeu): Our Lady appeared to him at his house, around 7:40 pm, and the apparition lasted about 10 minutes. She gave him the following Message:

(Our Lady) "- My dear son Marcos, congratulations on your twenty-fourth birthday! Be very happy, My child! I come to tell you that you must continue to serve My Divine Son Jesus and Me, every day. you have done so far...
Do not be discouraged, My child! Keep going, always, for I am with you, and I will always protect you... Remember that your mission on this earth is to bring all souls close to My Immaculate Heart... Mark, bring me all souls, and place them in the aura of My Immaculate Heart, where they will find refuge, consolation, Peace and remedy for their ills and their anguish...
Above all, I want you to spread devotion to Our Most Holy and Sorrowful Hearts, to that of Jesus, to My Heart, and to that of My Most Chaste Spouse Saint Joseph, to all peoples and to all souls... Continue to call all souls to conversion, and proceed with the dissemination of My Messages...

Marcos, don't be afraid of those who hurt you, and don't be sad because of it, because I take care of you at all times, and I will never leave you alone or helpless... My Grace and My protection will always be with you. you... I bless you now..."

(Marcos Tadeu): Then the Blessed Virgin stretched out her hands on me and prayed for a long time in silence. Then the luminous pebbles of His Holy Hands fell on Mark's head. Finally, I said to him, "Stay in My Peace, My child." And he disappeared. Then Marcos got up and went to Rádio Bandeirantes, to do the program for that day.

Day 02/19/2001- Message from Our Lady

(Our Lady): "- I want to tell you that every Friday, starting this next one, you will see My Divine Son Jesus Christ. He will come and speak to you..."
(Marcos Tadeu): "-Jesus?"
(Our Lady): "- Yes!"
(Marcos Tadeu): "- But I thought that..."
(Our Lady): "-...were the Apparitions here at an end? No!... we still have many things to do here... Wait for him at the same time as usual for the Apparitions."
(Marcos Tadeu): "- Alone or accompanied?"
(Our Lady): "- As you wish. It would be better if it were with few people..."
(Marcos Tadeu): "- Do you want something more from me? " (Our Lady): "- No, son... Rest...Stay in PEACE..."

Day 02/20/2001 - Message from Our Lady

"- My Messages are not lived by the world... this will bring great sufferings to it... Tell the world to live My Messages, and, like a dew that descends from heaven on earth, GOD will send them Peace! "

Day 21/02/2001 - Message from Our Lady

"- In 1981, I went down to Medjugorje to give My Message of Peace to the world and to that Country, that is, to Yugoslavia... however, men did not want to listen to Me, nor do what I asked them to do... War came to that country, and others around the world... All this was a 'great warning' for humanity, which despite everything that happened, remained indifferent...

My children, convert! Listen to the Messages I give you in Medjugorje, Jacareí, and in so many places on earth... My Maternal Heart 'bleeds' for the loss of souls...
Help-me! Help-me! Help Me save them!..."

Day 23/02/2001 - First Monthly Apparition of Our Lord Jesus Christ

(Our Lord): "- My soul, hear My voice! Hear me!..."

(Marcos Tadeu): Lord Jesus, speak, that I, Your little worm and unworthy servant, am listening!"

(Our Lord): "- Write: - My Most Sacred Heart has never expanded so much in the world as here, in this place"... (pause) Future generations will be amazed when they contemplate how much My Holy Mother and I have done for you , and for the souls that approached Us 'in this place'...
My Sacred Heart has poured out Graces profusely in My Sanctuary, especially through My Source and My Mother... but soon these Graces will be poured into My Sanctuary like an inexhaustible 'waterfall', and the thirsty souls of the entire planet will be satiated in these Waters of Eternal Life...
Marcos, My son, speak, write to the whole world about My extreme Mercy for you, and for the souls that have approached Us here, in Jacareí!...
My son, I want the Way of the Cross to be prayed more often in the Sanctuary. Make all souls do it with perseverance and a lot of love, so that they will be able to receive the Graces that My Heart since all Eternity eagerly desires to give them..."

(Marcos Tadeu): "- Sir, why do I feel strange, as if I were different from others? It seems that nobody understands me, nobody understands what I feel?" (it was a period when I was suffering a lot of misunderstandings)

(Our Lord): "- My son, you are a normal human being, like all the others, but you are not an ordinary human being, like all the others... I chose you to be My 'instrument', 'gate voice' and 'secretary' of My Peace... Therefore, due to the excessive Love I have for you, the devil has a great hatred for you, and does everything he can to annihilate you...

But he will be able to do nothing if you remain at My side, in prayer and in trust... Lean on and take refuge only in Me... You are a Mystic, a specially chosen soul, maintained and protected as such... That's why others, in their blindness and confusion, don't hear you, don't love you and reject you... but have trust in Me, for I'll be with you forever, every day of your life...
Pray the Rosary, for this city will have a Great Saint in the future..."

(Report - Marcos Tadeu): " Then the Most High Lord Jesus Christ spoke some things that I must not reveal. Then he said to me:"

(Our Lord): "- Write a diary, reporting everything I gave you and give you, for posterity... Glorify Me through your letter, which is a Grace that I gave you... Your letters will be inspiration, light, comfort and strength for many souls..."

(Report - Marcos Tadeu): "Then Our Lady said to me:"

(Our Lady): "- Son, listen and do everything that My Son Jesus told you... I take care of you, and I will see to it that you reach the place where He wants to take you. My Heart is the your 'pledge', 'strength' and 'Light'!... Invoke it always! Be in Peace!..."
(Report - Marcos Tadeu): "And then they disappeared. 'They were with me for approximately 40 minutes."

02/25/2001 - Apparition at 4:40 pm, during the 4:00 pm Holy Mass, in the Basilica of Aparecida

(Report - Marcos Tadeu): Our Lady appeared to me during Holy Mass, from the moment of the Consecration until the moment of Communion. She appeared in gigantic size: her 'feet' at the height of the altar, and her 'head' at the height of the dome. She told me some private things, and then several Angels appeared, all of them the size of Our Lady, who spread out in a row to the right and left of Our Lady. They came out from behind Her, and spread out around her. So they all said to me:
"- Come to Heaven, Marcos! Come here! Come to Heaven!..."

(Report — Marcos Tadeu): "And then they disappeared, leaving me in tears of emotion and happiness. Then, on the same day, at 6:30 pm, Our Lady appeared again, as we were on our way to the Sanctuary, and gave a Message particular.

Day 26/02/2001 - Message from Our Lady

(Report - Marcos Tadeu) "After answering some questions, the Blessed Virgin said:"

(Our Lady) "- The Holy Face of My Son must be venerated in all the families of the world"... She will bring Peace and concord to homes and the Church... I promise that there will be Peace where She is exposed and venerated.. .

Day 27/02/2001 - Feast of the Holy Face of Our Lord Jesus Christ

(Report - Marcos) " After answering some questions, Our Lady said:"
(Our Lady)"- Today is the Feast of the Holy Face of My Son, outraged and forgotten by humanity... As there are few who venerate and contemplate Her... My Son cries Tears of Blood, because men do not want to listen to Him, nor obey Him... They think the Cross of obedience to their Law and to their Will is too heavy... this is what makes My Son suffer, and renews His Sorrowful Crucifixion: - not wanting to his Law, his Love and Will!...
Oh! My children, contemplate more often the Face of My Son, that She will give you Peace, Love and the desire to serve Him..."
(Comment - Mark) "This Apparition ended at 6:50 pm."

Day 02/28/01 - THE DEMON OFFERS THE WORLD TO GOD, IN EXCHANGE FOR THE SANCTUARY OF THE APPARITIONS OF JACAREÍ

(Report - Marcos) "Today, when Our Lady arrived, she greeted me as usual, and then said to me:"

(Our Lady) "- My son, look at this..."

(Relato - Marcos) " Then it appeared as a large 'screen' in place of Our Lady. On this 'screen', I saw a large black smoke, with a horrible smell... Then I realized that it was the devil, that furious, he threw puffs of smoke at me...
I was so afraid that I 'froze' from head to toe... I was begging Our Lady to help me at that time, because I felt faint.
Then the demon gave a grunt of rage, and then I saw a Great Light come out, which I understood was GOD, a Voice that said:"

(GOD) "- Where do you come from?" The demon replied:

(Demon) "-I come from around the world, to all countries and nations." And God said to him:

(GOD) "- Do you see My Shrine of the Apparitions in Jacareí? Do you see the soul of My son Marcos? Do you see My Mother's Slaves? retorted:

(Demon) "- Well... then let's make a deal... I give you back the whole world, which is in My power, and you give me the Sanctuary, the soul of Marcos Tadeu and the Slaves of your... Yours. .. Mother!" And the Lord Most High said to him:

(GOD) "- No! So stay with the rest of the world, and don't touch the Sanctuary, nor the body and soul of My son Marcos, nor the Slaves of My Mother, for there is nothing that I Love, protect and desire more than that, and there will be nothing that will give Me so much Glory in the future, like this... In the future, I will have the whole world in My Holy Power through My Sanctuary in Jacareí, where I will show all My Power and Glory, and not for any bargain with you!..." Then the Lord GOD said with a strong voice:

(GOD) "- Go away!" Then I heard 'a noise' as if it were an explosion, and the Demon disappeared, and then the vision too, returning Our Lady, as she was before, and gave the following Message:

(Our Lady) "- I have allowed you to see this, so that you will see the immense value, appreciation and predilection that the Lord and I have for the Sanctuary of the Apparitions, for you, and for My Slaves...

Satan hates everything that is Mine here, in Jacareí, and that is why he tries to disturb My Plans... He asked for the Sanctuary, his soul and My Slaves of the Order, and in return, he would return the whole world to GOD, but... GOD told him 'no', and I will 'jealously' take care of everything that is Mine here...

My child, pray, trust, wait on Me... I will fulfill My Plans and you will rejoice, especially when My Little Chapel is ready, when you see many sinners entering It and converting... Many miracles will happen there, and the Peace of humanity will come from the prayers made there, from where I will shed a Mystical Light over the entire earth..."
(Comment - Mark) " This Apparition ended at 18:41."

Jacareí, March 01, 2001 – Message from Holy Mary You must tell young women all over the world who want to be wives of Christ through the religious life, that a true candidate for such a sublime state as this, cannot laugh with other people, especially if of the opposite sex, and if they too (these people) were called to the religious state, because this was the reason for the loss of my son's predilection for these souls, who now only live to annoy HIM, hurt HIM and offend HIM... in conversations and outbursts with people of the other sex, because that is where Satan introduces himself to better tempt them and distance them from the Will of my Son... the behavior of a daughter of Mine like this must always be serious, although never harsh; serious, although never gloomy, because the Joy of My Son and Mine is a Joy different from that of the world... A young woman with a vocation should not be alone with boys, whether they are also vocationed or not; she must give herself respect; walk with parents or another person of the same sex, older, pious and fervent, so

that those Virtues most dear to my Immaculate Heart are protected... Therefore... I don't want (you) to be sad, harsh and not fat people; I want them to be serious, and to have a moderate behavior in keeping with the very singular vocation to which they were called. May these warnings also be taken to all my favorite children, so that they can avoid the deadly traps that my enemy sets for them, through of jokes and things that seem harmless, but that carry deadly poisons... And always remember: whoever throws a lit toothpick behind them, could face a great fire,

Jacareí, March 2, 2001 – Message from Our Lord"Write: My Son, the 'path to perfection' is difficult, but... with My Grace and the help of My Mother, the soul can climb the 'Ladder of Holiness', which years ago was shown to you, and reach the highest peaks of perfection... The 'Ladder of Holiness', the 'Ladder' to Heaven, is My Blessed Mother!... Ah! Son, how many and how many have despised this 'Ladder', to try to reach Heaven by themselves! Oh, Mark! How many who didn't obey Her... didn't listen to Her... didn't love Her... didn't accept the "sweet chains of love" that My Mother wanted to put on them, so that they could be tied to Me through Her, judging that then they would value Her more than Me, and thus offend Me... Ah... what a deadly mistake! Ah... what a fatal mistake! Ah... what a subtler deception is this of My eternal enemy! In this deception, most Christians have already fallen, and therefore,

Jacareí, March 04, 2001 - Message from Our Lady I want you to tell My slaves and My children that I don't want to talk about politics or make political campaigns here in My Sanctuary... not even now, and not even after I no longer appear here... Of charity, yes, you can talk, not of politics... My Sanctuary is Holy, and I don't want it to be invaded by 'crows' and 'lizards', making politics and anarchy in My House... There is a place of prayer and respect, and therefore I want you to keep Him always pure.."

Jacareí , March 06, 2001 – Message from the Mother of God

"-Tomorrow, Jesus and I will come once again together to Our Sanctuary in Jacareí... Pray! Pray a lot for the conversion of the souls that will come tomorrow... I want to pour out My Mercy copiously tomorrow, so pray!... "

Jacareí, March 07, 2001 - Apparition of Jesus and Mary Most Holy Message from Our Lady, Queen and Messenger of Peace My children, once again, today, I give you My Message of Peace and Love... I am the Queen and Messenger of Peace, the Immaculate Conception, and Virgin of the Rosary!... I come to remind you and ask again today, make My "Hour of Peace"...I made this request in 1994, but until today, humanity has not listened to Me! Little children, I ask you again: Do My Hour of Peace every day... It must be done at eight o'clock at night.... Turn off the television; stop whatever you are doing, and do My Hour of Peace. My children, you must begin the Hour of Peace with ten minutes of silence, interior and exterior...you must silence all the appliances in your homes; they will have to retire to meet God... After ten minutes, they will pray My Rosary of Peace... not in a hurry, but meditating on the Mysteries, deepening its meaning and hearing the lessons,

Graces and merits it contains..After the Rosary of Peace, you will read some Messages from Me, which should be taken from My Book of Apparitions here in Jacareí... they can also be Messages from My Divine Son Jesus Christ, one or the other, or both together... After reading Our Messages, you will read an excerpt from the Holy Gospel... you will silently meditate on everything you have heard... you will not debate; they will not have discussions, they will not preach... they will meditate in silence... After this little meditation, they will be able to sing some songs... but, be careful not to sing too much, but only so that the songs can deepen the Our Grace, Our Word, in their souls... After that, they will pray the Act of Consecration to the Heart of My Son... the Act of Consecration to My Heart,

Message from Our Lord Jesus Christ

"My chosen souls... My Heart loves you! This is the excess of Love of My Heart, and of My Mother's Heart, in giving you the Hour of Peace, in giving you so many Graces in this place, and in this Sanctuary... I, Word of God, became incarnate, so many Graces... but what a pain for my Heart, that many souls have not taken advantage of them, that many souls have not truly welcomed them, nor have they borne fruit in their lives... Oh! My sons! My sons! The harvest time is coming, and behold, I come with My Mighty 'axe', the 'axe' of My Justice, and I will cut down all the trees that have no fruit, that are withering, or that refuse to grow. ...You well know that I AM 'THE ONE' who reap where I have not planted; that I reap where I have not sowed... and that My Justice and My Mercy are one... If My Mercy is Great, Great is My Justice too... and to whom I have given two seeds, I will ask for four... to whom I have given six, I will ask for twelve... and to whom I have given fifty, I will ask for a hundred... fruits... I will ask for more, more and more... O My souls! So get on your way and get to work! Work not for the food that perishes, but for the food that lasts for Eternal Life... You worry too much about the things of the earth, and you forget that 'the only thing necessary' is to do My Will... My will, then your ordinary and everyday attitudes will have value and appreciation before Me, otherwise they will be like the simple roar of the wind, which you feel, and then you no longer perceive it... to whom I have given six, I will ask for twelve... and to whom I have given fifty, I will ask for a hundred... a hundred fruits... I will ask for more, more and more... O My souls! So get on your way and get to work! Work not for the food that perishes, but for the food that lasts for Eternal Life... You worry too much about the things of the earth, and you forget that 'the only thing necessary' is to do My Will... My will, then your ordinary and everyday attitudes will have value and appreciation before Me, otherwise they will be like the simple roar of the wind, which you feel, and then you no longer perceive it... to whom I have given six, I will ask for twelve... and to whom I have given fifty, I will ask for a hundred... a hundred fruits... I will ask for more, more and more... O My souls! So get on your way and get to work! Work not for the food that perishes, but for the food that lasts for Eternal Life... You worry too much about the things of the earth, and you forget that 'the only thing necessary' is to do My Will... My will, then your ordinary and everyday attitudes will have value and appreciation before Me, otherwise they will be like the simple roar of the wind, which you feel, and then you no longer perceive it...

Understand, My souls, that I want the 'decision' from you, and many are not truly deciding for Me... As long as man does not take the step of 'decision' for Me and for doing My Will, everything will be in vain... you can do many mortifications, penances and prayers, but... they will be in vain... decide for Me! Do not go against My Will anymore!... As long as you are going against My Will, your works will lose all their value, but... if your soul has the firm desire and purpose to do My Will as It is, however much 'hard and bitter' it may be, but for your good, then I will grant you My Grace, My Mercy, and I will justify you before My Father... Ah! My souls! How I would like to hold you all in My Sacred Heart at this moment,

Therefore, PERSEVERE! BE FAITHFUL! Never be discouraged! Forward! Trust My Word! Trust in My Grace, because I watch over you... because I take care of you with immeasurable and unending tenderness... O My souls! Come to the fold of My Sacred Heart! Come to this fold, whose 'door' is the Immaculate Heart of My Mother! I also asked my Dear Adoptive Father Saint Joseph to help you, to purify you inside, and to make you available to carry out My Will, and that of My Mother... Continue to come here in the coming months, so that we can continue your conversion. ... pray the Rosary every day, the Rosary of My Mother, pray the Rosary of Mercy, the Rosary of the Eucharist, the Rosary of Peace, and all the prayers that we teach you and deliver to you, through Our Apparitions here ...that soon,

Day 08/03/2001 - Message from Our Lady

"- Write to humanity: - Return, oh sinful and misguided humanity... return to the Lord who can save you... I come to Jacareí in His Name, to call you to conversion...

Listen, then, to the 'last call to conversion' that your Father makes to you..."

Day 09/03/01 - Friday - Apparition of Our Lord and Our Lady

(Our Lord) "- Writes: - The world will not have Peace, until it lives all the Messages that I sent to the world, either through the Seers of My Mother; or through My Seers; or through the privileged souls who received 'special revelations' from My Heart to the world... Because the world did not live these Messages, it never had and does not have My Peace...
Until today, the requests that I made in Paray-Le-Monial, through My most obedient Servant, Margarida Maria Alacoque, have not been answered...
Those 'thorns' that She saw around My Sacred Heart, piercing it and making -0 bleeding, continue to be nailed to Him, even after so many centuries, with no one to make Me worthy reparation, not only for the practice of the Nine First Fridays, but also for a holy life, totally dedicated to My Love and the fulfillment of My Holy Will...
Ah, how I was pleased with the life of Saint Margaret Mary... she was so faithful and so inclined to My Holy Will, that She looked profoundly like My Holy Mother... She even became a copy of My Mother, near to Her death... Imitate

Her! Follow the fervent examples of Holiness that She left you in Paray, and I will also shower you with immense Graces from My Sacred Heart, as I showered Her, for by doing so, you will attract My Benevolence as She did, and you will gain My pleasure, how did she win...

I made Margarida Maria a 'sign' for your perverse generation, and I want you to imitate her, to listen to everything I told you through her, and then you will have peace for your hearts and for your fallen generation...
I also want you to pay attention to My urgent calls made through My Servant Josefa Menendez..."
(Report - Marcos) "After a few moments of silence, Our Lord continued:"
(Our Lord) Mark, My Beloved... write the word: JOSEF A... and then write: MENENDEZ... She has not yet been recognized nor raised to the honor of the altars, because your murderous generation kills, silences and silence the voice of My Prophets, and even buries them under the incredible indifference and impiety that this generation has come to... But I want and will make Josefa, the One who humbled herself so much in My Presence, in Her earthly life, be elevated and set high, in the Church and in the world, and all may Glorify My Mercy, which overthrew the mighty and raised up the humble little Spanish girl, and made Her My Witness of Love, at the beginning of the last century...

Oh, Mark! Imitate Josefa, and tell everyone to do the same!... above all, imitate Her submission to My Adorable Will; His full acceptance of suffering; His secret life, carried on in secrecy and in the secrecy of the interior of the heart; His meekness; His working Faith; Your ardent Love for Me and for My Mother!

Oh! How I want there to be new 'Josefas', in Brazil and all over the world!
My Mother gave you the mission to take out of hiding the "Our Apparitions and Messages" trampled by humanity, and now, I give you the mission to reveal My Appeals and Josefa Menendez to Brazil and the world, which ignore them!
Hurry, son! Make known to your poor world and Country My Appeals and the Life of My Servant Josefa! I will be eternally grateful if you take this 'sword' from My Sacred Heart further, and help Me to carry the Cross that I carry Alone and wipe My Face, on the 'long road' of the Way of the Cross of My Providential Works, rejected by men...
Son, tell humanity that soon it will receive a gigantic "impact"... an "impact" that will make it waver in itself... and then the world will see the fury of My Justice, which will be implacable for those who have not taken shelter in My Mercy, and many will flee, throwing themselves into the seas and lakes, in the eagerness to flee from Me... But everything will be in vain, because then the rays of My Father's Wrath will penetrate even into the bowels of the earth. , to seek out those who provoked Her...

Then everyone will see that I am the Holy Lamb, the One who never passes away, and who will give to each one according to his works and the desires of his heart...
Marcos, let the world know that MY MERCY IS MY MOTHER!... and that if you want to find Me Benigno on the Day of Holy Justice, you must do and obey everything She asks you in Her Messages of Love...

It says that "Mercy" has visited the earth, and is already saying goodbye soon, and that the visit of "Justice-which will cleanse this filthy world...
I will come, with "Mercy", that is, with "My Mother", by My side, but "Mercy" will no longer be able to speak to you nor help you at that time..."

Day 03/11/2001 - Message from Our Lady

"- My children, I want you to fulfill My Maternal Requests, which I have been making to you since Fatima... The Message of Fatima asks for reparation... it is necessary to pray and respond to the Message of Fatima without delay, so that souls can be converted and My Immaculate Heart stop 'bleeding' for your loss..."

Day 12/03/2001 - Message from Our Lady

(Report - Marcos) " I asked Our Lady if She would be happy if I wrote a Meditated Book of the Rosary of the Eucharist. She replied:
(Our Lady) "- Yes! I would be immensely happy! My Son Jesus would be much more loved, praised and adored! How many 'thorns' would come out of His Heart! I want to! Make this book, My son, that many souls will be saved and will fervently..."
(Marcos) "- How can I write the 'Diary' and the 'Book of Messages' given to Sister Josefa? "
(Our Lady) "- Make an effort, My child, dedicate your free time to writing... Many souls will be saved through these writings."

Day 03/13/2001 - Message from Our Lady

(Report - Marcos) "After answering some private questions, Our Lady said:"

(Our Lady) "- Writes: - The world has lost its Peace, because it has not lived My Messages... While Peace is increasingly threatened, the number of souls who pray for it decreases My children, pray for the Peace of the world , because Satan does not only want to destroy you, but also the planet Earth... Pray the Rosary and "We" will save you...

Today, I bless you all from Fátima, Montichiari and Jacareí..."

Day 03/14/2001 - Message from Our Lady

(Our Lady) "- Write: - The world will only have Peace, when you live My Messages of Peace, given here in Jacareí... My son, ask, insist and invite everyone to make the 'Hour of Peace', and be persevering in it... I want Peace, and I need prayers to get it to the world...

Peace!...
Tomorrow I will give you an important Message, so you must pray and prepare to receive it..."

(Marcos) "- What did last night's event mean?" (this is the attack of the Demon I already mentioned)...

(Our Lady)"- I told him that Satan hates him many times, and now, even more, after his plans failed... He really wants to kill him, but I will stop him... What he did last night was a small display of his hatred for you, and how much it prepares you, but... don't be afraid! I'll be with you always!
He will return, you can be sure of that, but My Immaculate Heart will defend him, My 'treasure'!"

Day 03/15/2001 - Message from Our Lady

(Our Lady) "- Writes: - The world did not live My Message of La Salette, and therefore, the demons were 'unleashed' from hell, with all their fury and violence...
Oh! After My Apparition, My little daughter Melanie became a religious, with the name of Sister Maria da Cruz, living a life of great sufferings, prayers and sacrifices... She was challenged in many ways, as was My little son Maximino Giraud ... Above all, how much sadness My daughter Melanie felt when she revealed My Secret of the Last Times, and no one believed her!...

How many Tears I then shed for so much disbelief, coldness and indifference, with which men received My warning and My Secret of La Salette!...
Oh! My son Marcos... console Me by letting the world know My Message from La Salette and My Secret! Spare no efforts or sacrifices for this, My child! Run, speak, say and shout to all My children the 'Great News' of My Apparition and My Tears, cried over the world in La Salette!...
I want there to be souls here that become true "living handkerchiefs" that dry My Tears, for a Holy life and according to "Our" desires... These souls must be perfumed roses of prayer; candid lilies of purity; jasmines of humility and fidelity to the Lord; nails of resignation and conformity in suffering; flowers of love to surround Our Hearts, which have been mercilessly pierced by men, especially in the last two centuries!...

May My children live more and more to see My Appeals of Pain and Love, and, above all, make them known to the minute, which perishes in Their ignorance, and because of that, sin spreads to the point of almost submerging all souls. Only the elect escaped, due to My extraordinary Apparitions and Manifestations of Love on earth...
My son, it is My dismay that you go to La Salette, France, and record everything there, and everything else you can, and when you return, I want you to disclose everything to My children in Brazil, and to the entire world. ... It is you who will have to lift La Salette from the rubble of the lack of Faith and discredit of the world, in which it was launched... It is you who will have to

make Brazil and the world dry My Sorrowful Tears, which have not stopped flowing for a long time. 154 years... You will take La Salette out of the 'sepulcher' into which it was thrown by infamous men, and you will make it known to all My children who love Me, and also to those who still do not love Me, but, because of this knowledge, you will love Me, comfort Me, obey Me and listen, and then I will be able to take you all to Heaven...
Know that Maximino and Melanie pray for you in Heaven, so that you support and overcome all your trials and be faithful to Me... They love you and My Shrine of the Apparitions in Jacareí, because you and He are the continuation of La Salette ... My son, tell all humanity to listen to this My Appeal, or else the Terrible 'Punishment' that I announced to you in La Salette will fall on you...

PENANCE! PENANCE! PENANCE!

If the world does not heed Me, the announced 'Punishment' will soon come... My Tears, falling on the grass of La Salette Mountain, announce the destruction of many of you, just as those of My Son Jesus announced the destruction of Jerusalem, which soon after took place... If you don't listen to Me! My children, pray! Convert! Repent of your sins and help Me to save the poor little souls of My children, who are getting lost in sin every day...
My 'last hope' is you, Marcos, and My Sanctuary in Jacareí, because I have already addressed myself to many souls in the world with this Appeal, but they apologized, or else they weakened... Hurry! Run towards My request, because time is running out and I am in a hurry!
Go, My child, and do everything I have commanded you and announce to My children everything I have said and dictated here..."

(Marco report) " So I asked Our Lady the following question: "- Would you like us to sell the Books of Her Most Holy Life, which are called Mystic City of GOD, here in the Sanctuary this month? "
(Our Lady) "- Yes, I would very much like to, however, I want you to make an explanatory note about the date of My Birthday."
(Marcos) "- I will be the Prophet who will bring to light to the world this wonderful Treasure which are the Books "Mística Cidade de GOD", and it will be through and in Jacareí that Mística Cidade de GOD will be exalted and known throughout the world ? "
(Our Lady) "- Yes, I chose you for this Great Work. That's why I made these Books, as well as all My Apparitions, come to you, because you are the person made and created by GOD for that, and invested with the qualities and Graces for that. Here will be the future 'Spiritual Pole' of the Earth..."

(Marcos) "- Are there any imperfections or remarks about this translation?"

(Our Lady) "- No, there is nothing, just the date of My Birthday."

Day 16/03/01 - Apparition of Our Lord Jesus Christ and Mary holy

(OUR LORD)"- Write: I demand that My daughter Josefa Menendez be placed on the altars, and be recognized by the whole world... If this is done, My infinite Mercy will triumph, and will bring to the world a period of Peace ...
I want My appeals made to My daughter Josefa to be made known to the world through you, Marcos Tadeu, and I want the whole world to glorify My Mercy. Who acted in Josefa's life and in your life...
Understand that My Mercy is already exhausted from giving Messages and sending Messengers to the world, which like an unbridled rock, falls to the precipice of violence, immorality, lack of Faith, disorder and rebellion against My Holy Law of Love ... I do not want to punish the world, because I feel sorry for you, but... I will have no other alternative, if you do not convert and do not change your life... Therefore, My children, I have fallen at the feet of My Mercy, which it is My Mother, for She is the Only One who can reach My Mercy for you! Hear it! Heed the appeals that She makes to you, in My Name, for only then will I save you!

Know that all those who consciously rejected and reject My Mother, or even disregard Her, are already condemned, because She is:
- The Only Gate of Heaven:
- The Only Correspondent;
- The Only Hope of Sinners;
- The Only One who can appease My Most Holy Wrath;
- The Only One who found Grace to "Our" Most High Eyes;
- The only one that exceeds in Grace, Beauty and Merits, to all creatures;
- The Only One who obtains everything from Me, through the Merits of Her most bitter Pains and Tears of Pain...
Except for the little children, who from birth are already educated and taught to hate My Mother, all the others are in danger of eternal damnation, for despising the Mother of the Son of GOD. That was given to them at the foot of the Cross, in a Testament of Love, signed with the 'ink' of My Precious Blood...

I will not spare the heretics who "massacre" My Mother, whether with words, deeds or mockery, because their perfidy will be the cause of ruin for many innocent souls, and they will be punished with the same punishment as the fallen Angels, who, when they contemplated Her unspeakably Beautiful, in the Thought and Heart of the Trinity, at the beginning of Creation, they rebelled and turned their fists against Me, and were then banished from My Presence forever, never to attain Mercy again...
I want My Mother to be Praised, Loved and Obeyed by all, for this gives Me and the Father more Glory than if they went out into the world performing the most stupendous miracles and portents, yet without Her... I gave you an example by obeying Her, listening to Her, serving Her for long 30 years in Nazareth, so that all of you would imitate Me in the Obedience, Love and Dedication that She rightfully deserves, because she alone said "yes", and changed the destiny of the world forever, and by Her "yes", she suffered with Me until My Death on the Cross, and then, during the remainder of her earthly Life... In Heaven, She still carries in Her Immaculate Heart all the pains , sorrows and tribulations of your children, and also suffers to see them betraying me, giving themselves to sin and Satan, and then falling into the fires of hell...

My Mother's Tears have an 'infinite value', and I will glorify Them, here on earth, as they already are in Heaven... I will make this fallen humanity fall to its knees before My Mother's Tears of Blood, and recognize Them Most Precious Gift of My Heart, and Pledge of eternal salvation...
My Arm will only retreat from inflicting the 'Punishment' when humanity recognizes that My Will is to save it through My Mother, for the greater humiliation of demons and the wicked, and for the greater Glorification of the Holy Trinity...
Therefore, I wish that you, Marcos, who are the Knight of the Immaculate Conception, and are the Ambassador of Our Hearts, do and spend all your strength in making My Mother Beloved and Obeyed in Her requests, by all, for this give Me the greatest Glory I hope to receive from mortals... I have given more Glory to My Father by obeying My Mother Mary than in the three years of Miracles in My Public Life... And whoever does the same will also glorify the likewise to GOD, for He is:
- the Seat of Wisdom;
- the Ark of the Covenant with GOD;
- My Father's Treasure Chest;
- the Honor of My Holy Spirit;
- My Heavenly Garden of Delights;
- the Paradise of Angels;
- the Cause of the Joy of the Saints;
- the Only Passage to Heaven;
- the Demons' Eternal Humiliation Certificate.
So, my son, I want you to do your best in My Shrine of the Apparitions in Jacareí so that My Mother is loved by My side, and that sinners come to Me for Her, otherwise I will use Justice with them, and not of Mercy...
I Am "The One Who I Am", and "The One Who Is" gives you the Only Tablet of Salvation, the Only one that knows the Secret of My Merciful Heart, for your Salvation...
Come to her quickly, for I come for her quickly, to give to each one according to his own works, and according to how they loved me through her..."

(Comments - Marcos) " Then Our Lord dictated one more Rule to the Order of the Slaves of Mary, and afterwards, He and Our Lady gave me Holy Communion in a similar way as I have explained before."

Day 03/17/2001- Apparition and Message of the Angel of Peace

(Report - Marcos) "- We were traveling on this day... at the time of Curitiba, the Angel of Peace appeared to me, instead of Our Lady, who allowed him to come constantly every day. A great joy invaded my heart for being able to see again my great Celestial Friend. He was dressed in a very beautiful white robe, while His Wings of Light shone immensely. He greeted me as Our Lady always does. "Then he said to me:"

(Angel of Peace)"- Marcos, I, the Angel of Peace, invite you to pray an Our Father with Me for the conversion of the world..."
(Report - Marcos) "He started the Our Father, and then I continued with him. Then I asked him: Beloved Holy Angel of Peace, what does the Blessed Virgin want from me today?"
(Angel of Peace) "- She wants you to continue to pray, to trust Her, and not to fear what the devil has done to you in the last few days... She wants you to seek Her Books of Life, and take them to Jacareí, because the Sanctuary of the Apparitions will be the "Mystical City of the Mother of God on Earth"!..."

(Marcos) "- How beautiful!"
(Angel of Peace)"- It will be even more beautiful when you see this materialized in Terral... Don't be afraid, Marcos, because I will always be by your side..."
(Report - Marcos) " After answering one more (private) question, I asked him if the Blessed Virgin wanted anything else from me. He replied:

(Angel of Peace) "- No, today SHE doesn't want anything else."
(Report - Marcos) " And disappeared. The car was in motion while the entire Apparition took place, which lasted about 12 minutes."

Day 19/03/2001 Message from Our Lady

(Report - Marcos) "I was returning from a trip from Paraná, where I had gone to get the Books of Mystic City of God, and around the time of Guararema, on Via Dutra, Our Lady appeared to me. While the Apparition was happening, Marcos Augusto continued driving. Our Lady then greeted me, as usual, and prayed an Our Father with me. Afterwards, She said some words to me that I cannot reveal, and then continued:"

(Our Lady) "- I am very happy that you are taking the Books of My Life to Jacareí... Through these Books, I will make My Triumph begin in the hearts of the people who read Them... They will be the Great Medicine that I will apply it to souls, to heal them and free them from the sins and mistakes they have fallen into in their lives.
Through these Books, I will greatly speed up My Triumph on Earth! Thank you for bringing My Treasures here..."
(Report - Marcos) "After that, Our Lady gave a private message. Then, with a more serious tone, she said:"
(Our Lady) "- My son, write the word: 'HEED E'... I appeared, in the middle of the last century in Heede, Germany, together with My Divine Son. To admonish the world and call it to conversion...
It was in Heede that the Cup of Divine Justice was announced to the world, already in preparation for Garabandal and all My World Appearances...
It is necessary for the world to know and heed My Appeals, given in Heede... If the world heeds them, instead of 'Punishment'. GOD will send them His Mercy and His Peace..."

Day 03/20/2001 - Message from Our Lady

(Report - Marcos) "The Blessed Virgin appeared to me at the usual time. After the greetings, she said to me, with a very sad face:"

(Our Lady) "- Write: - My Immaculate Heart was swelled in Flames of Love in Bonate, Italy, but the world rejected My Messages, My Graces and the Love that I revealed there... My poor little daughter Adelaide was despised, tricked and forced to recant, so that everything I did there would be buried and buried forever, in the oblivion and contempt of humanity...
My Mother's Heart was trampled and crushed by the feet of vile, skeptical and infamous men. Many Italian bishops, like real 'vultures', dismembered and almost annihilated My Message from Bonate...
My son, see the Pain of My Immaculate Heart, and take this 'sword' away from me!... Go to Bonate too, and do what I ordered you about La Salette... If you do that, the My Tears will turn into Smiles, and My Moans of Pain will turn into Songs of Joy...
Mark, you are My Great, Only and Last Hope to see My Apparitions and My requests known throughout the world!... Go My child and do everything you can to fulfill My request..."

Day 03/21/2001 - Message from Our Lady

(Report - Marcos) " When Our Lady arrived, after the initial greetings, she said: "-Dear Lady, thank GOD the Lady is here... we are in trouble!... " (it is about the attacks of the devil, which in these days I have suffered)
(Our Lady) "- You are enduring severe and heavy suffering to help in the redemption of... (I cannot reveal) and other people, and to atone for the sins they committed against GOD... It was always necessary that there were ' victim souls', who suffered and atoned for the sins and crimes of sinners, and if it were not so, all would have been exterminated and the world would have already known the Fire of the Fury of Justice and the Wrath of GOD... So it happened with Marthe Robin , Berta Petit, Teresa Neumann, Teresa Musco, Padre Pio, and now with you...
Marcos, be brave and don't be discouraged... I will be by your side to defend your life from the fury of My enemy... but I will have to leave you if you suffer, because if you don't, many souls will be lost!..."

(Marcos) "- And will you defend me against him?"
(Our Lady) "- Yes, My Immaculate Heart will be your 'shield and refuge' against the devil's snares... Be brave and prepare yourself, because he is obstinate with the idea of killing you... He will come back more times, so you will have to have patience, courage and Faith..."

(Report - Marcos) "After telling me some more private things, I asked him: Do you want anything else from me today?"

(Our Lady) "- Write: the Father is 'impatient' with so many sins that he sees in the world"... I have presented My Tears of Blood to Him, without ceasing, to try to appease him and get even a little more time for sinners to be converted...
But, He wants to wield His Flaming Sword soon... and for that, Mark, I ask you to unite your sufferings with Mine, so that together we can reach Mercy...
My children, also unite your sufferings to Mine, so that the Divine Father may still forgive some sinners, and have mercy on them...
Pray the Rosary of My Tears of Blood every day, so that we can appease the Wrath of the Holy Trinity...

(Report - Marcos) " Then I asked her if she could answer some questions for me. She said yes. I asked two private questions, and then I asked: "- Regarding La Salette and Bonate, you want to be asked the disclosure only in film or in book as well? "
(Our Lady) "- Do it both ways, My son"! When you are there, film and record everything you can, and then make books and films about those Manifestations of Mine... Gather information as much as possible, and then bring My Requests to all My children's attention..."

(Marcos) "-Would you like Me to write a thick, big book about all Your Manifestations, from Guadalupe until now?"

(Our Lady) "- Yes! If you do that, you will remove all the 'thorns', all the 'swords' from My Immaculate Heart, from all the places where I have appeared on the face of the Earth..."

(Marcos) "- And many people will convert?"

(Our Lady) "-Yes, many!"

(Marcos) "- And will you give me the means to do it?"

(Our Lady)"- Yes, just as I gave you the means to do it here... It will be the Book of My Triumph, if you can do it..."
(Marcos) "- Then I'll start right away..." And then he gave me the Blessing and disappeared.

Day 03/22/2001 - Message from Our Lady

(Report - Marcos) "After the usual greetings, I asked Our Lady if she wanted something from me. She replied:"
(Our Lady) "- I want you to continue to pray the Holy Rosary, and do everything that has been asked of you by Me..." Then, taking a more serious air, he said:

"-Write: - I am the Virgin of prayer"! With this Message and this Appeal, I came to Jacareí, in 1991, coming down from Heaven, in a cloud of Light, praying and teaching to pray to My little son Marcos Tadeu, and through him, teaching and making so many of My children pray! ...

Pray! Pray! Pray!
And I need prayer to be the center of your lives, to be the breath of each day...
May prayer be the Light of your souls, and become a joy for you!
My children, through prayer I want to make you pure, humble, obedient, simple, chaste, kind, charitable and perfect in the eyes of GOD... Through prayer, I want to clothe you with all the Virtues; to strip them of all their attachments; correct them of all their defects, and make them advance more and more in holiness...
My children, in these times when impurity, sensuality, pornography, violence, discord, errors, lack of faith and rebellion against GOD take over everything and even transform the Earth into a great desert, I invite you to unite with Me, through a life of prayer, sacrifice, penance and obedience to the Will of GOD, so that together we can spread the 'perfume' of Divine Grace and Heavenly Virtues in this world, which has become worse than a fetid swamp.. .
My children pray! Pray especially the Holy Rosary and all the other prayers I have given you. I will unite with you, and I will supply before My Son what is lacking in your supplications... "I bless you all at this moment..."

(Report - Marcos) " Then, I asked two particular questions to Our Lady, and got the answer from her. Then, I asked her: "- What is giving Glory to GOD? What is more important, loving him or seeking to give him Glory? "

(Our Lady) "- Giving Glory to GOD is to love Him with all your heart, with all your strength, with all your understanding and with all your being... Whoever loves GOD gives Him Glory...
Whoever keeps His Commandments loves Him, and whoever loves Him glorifies Him... The two things go together and form one thing... Not everyone who says "Lord! Lord!" it is he who glorifies him, but he who keeps his commandments!
Whoever loves Him most, glorifies Him most; and whoever glorifies Him most, is who will be most glorified by Him in Eternal Life..."

Day 23/03/01 (Friday) Apparition of Our Lord and Our Madam

(OUR LORD): "- Write: - My Sacred Heart defended you My son, from this diabolical attack... See how I love you!... It was not simply the strength and human help that saved you, but yes, I who freed you from the force and power of death that My enemy possesses, taking him off you, and making you light, so that they would then pull you out of the water... Thank My Heart and to the Heart of My Mother, who saved and supported you...

Thank your devout Saints and the Holy Souls of Purgatory, who were freed by your prayers and Masses, who, at that time, came to help you!... That foul and nauseating smell you felt was the smell of My eternal adversary. .. by this bad smell you will recognize it many times, and in others, you will not perceive it so much; but, be warned that with each passing day, his hatred for you grows more and more... but you must not fear him, but trust in "We", and seek strength in prayer to face him and beat him with serenity...

He wanted and would have killed you today, if it weren't for the Merits of My Mother's Tears of Blood, whose Rosary you had just prayed... Pray it always and never stop doing it, if you want to have "Our" Protection, and your life preserved... Repeat this song all the days of your life: "My Heavenly Mother saved me!..." and even: "My Heavenly Mother's Tears saved me..." May the whole world hear this song, which you will sing vibrantly for all the days of your life, to give Me greater Honor, Glory and perfect Adoration, through My Most Holy Mother...

Also tell that My son who saved you, that. because he helped to save the life of a Prophet "Ours", he will be forever blessed and will have the reward of having helped a Prophet... His hands will be blessed, and many of his faults will be forgiven... My Mother will always be inclined to him, and when he asks her, he will be heard... Whoever saves an "Our" Prophet, helps himself and humanity, and guarantees for everyone the permanence of My Light and My Word: from My Grace and My Presence, in your midst, for the salvation of all humanity..."

(Report - Mark) "I then asked him if he wanted to say something to the world today. Our Lord then said to me:"

(Our Lord): "- My children, I want your hearts to turn to the Light of My Sacred Heart, and to bathe in this Most Living Light, and so, your souls become 'mirrors' of My Light, ' mirrors' of My Sacred Heart"...
My children, the world simply 'trampled' the Messages that My Mother gave in La Salette, Lourdes, Fatima, Garabandal and others... elements against you... He can cause natural disasters, plagues, earthquakes, accidents and tragedies, with the great power he has in his grip...
That is why you must fight and decide against it, living and fulfilling all the requests that My Mother has made to you throughout the world. Only your 'total and definitive decision' for Me and My Mother can drive him away, and close all the doors and cracks through which he wants to enter... Live, therefore, all the Messages we give you, be humble and docile. to Our Voice; advance and exercise yourselves in the practice of the Virtues; move your souls towards the fulfillment of Our Words of Salvation; be imitators of My Most Holy Mother in everything; be true soldiers who fight for the Coming of My Kingdom on Earth, and for the Coming of the Kingdom of the Immaculate Heart of My Mother; be the Apostles of the Last Times in all their fulness; and in everything, aspire and seek holiness, without which no one can please Me...
Thus, My children, may you be the 'flames of Love' and the small 'flashes of Light' that we project from "Our" Hearts to the world, to tear apart the dense darkness that covers it, and thus bring the Light of Heaven to so many souls

who die in the darkness of sin... I am with you! My Mother is with you! Saint Joseph and My Saints and Angels are with you!
Have faith! Courage! Go forward always, and fight with courage and love... I bless you all now..."

Day 29/03/2001 - Message from Our Lady

"Write: I wish that My requests from La Salette be granted and made known to the world...
The world looks at My Tears in La Salette, but it feels nothing... It does nothing... and, stepping over My Tears, it continues to advance mercilessly along the path of sin...
My children, heed My Maternal Tears, cried in La Salette!... Pray and dry My Tears with the prayer of the Rosary every day..."

Day 30/03/2001 - Friday - Message from Our Lord Jesus Christ

"Write: Russia, that beloved daughter of Mine, will revive! That girl of Mine, will live again soon! The Most Powerful Breath of My Holy Spirit will come upon her and will give her the spirit of Life, the Life of Grace and My Love!
My Mother, who appeared in Fatima, prophesied the conversion of Russia, and just as She prophesied, it will come to pass... I will do this to glorify the Woman Clothed in the Sun, the Crusher of the Serpent, the Terror of the demons, the ecstasy of the Angels , and the Sovereign of all My Creation...
The Shrine of Fatima will be glorified when Russia converts, and then it will be the focus of attention and recognition from around the world... Yes, because the Shrine of Fatima, although recognized by the Church, is not taken seriously by humanity; My Mother is not heard in the Messages and requests she made there for almost 84 years; her Immaculate Heart is not sufficiently amended... The Message of Fatima is not sought, desired and responded to as I desire...
That is why you, My fourth Little Shepherd, make the Message of Fatima known to the world without delay... It is necessary that you make Us Known and Loved by all souls!... And this is your Mission every day of your life...
Forward! Onward, Knight of the Immaculate Conception! Fight the good fight, so that I will give you My Crown of Eternal Life, one day!...
I desire souls that love, console and make amends for Our Pierced Hearts, but I cannot find them!... Most souls are selfish and think only of themselves, their problems and pain... Few souls forget from your pains to thinking about 'Ours'...
When I say 'Ours', I also mean the Pains of the Loving Heart of Saint Joseph; yes, because He suffers terribly to see perverted humanity rejecting His Adorable Adoptive Son, and His Most Chaste and Virginal Wife and Queen... Yes, He suffers to see the world reduced to a state of indifference, coldness and disbelief, a thousand times worse than that of the people of Bethlehem... Therefore, I want souls to console 'Our' Three Hearts with prayers, sacrifices; with a whole life embalmed with Love and Fidelity to My Most Holy Will...

I asked the Most Loving Heart of Saint Joseph to prepare and conquer Russia for My Most Holy Mother, just as the Grotto of Bethlehem and the house of Nazareth prepared for Her...

I want your souls to become living copies of My Sacred Heart, the Heart of My Mother and the Most Chaste Heart of Saint Joseph... I want you to be reflections of Our Love, Our Purity and Our Grace among men, especially in these times when spiritism, numerology, fortune-telling, divination, esoterism, atheism and all doctrines contrary to My Holy Word of Truth, relentlessly advance against My Holy Church, causing the majority of My children to fall into mistakes, and lose their souls...

My Church and My Holy Catholic Religion have never been in such a danger as they are now!...
In ancient times, My enemies publicly declared themselves against Me, and they fought openly against My Church; but now, they infiltrate Her and seduce many souls, thus seeking to destroy Her from the inside out, little by little...
Satan has given much power to the words of many bishops and priests of My Church, to turn away from piety and prayer a large number of souls, and even to make souls hate prayer, which is the only thing that can save them. ..
Especially in Lent, no one meditates anymore on My Sorrows and My Mother's, because, instead, they meditate on their own pains, and those of the depraved society in which you live, and in this way every opportunity for contrition and true repentance of hearts, making them completely insensitive to any and all Divine Light that wants to touch them...
My children, convert! The Kingdom of GOD is at hand! Convert yourselves, that the Eternal Day is already approaching you!

Convert, because My Mother is already completing the Mission I gave to Her to prepare you for My Most Glorious Return!
Convert, because you have already been given almost all the signs that could be given to you to convert and return to Me along the path of love, prayer and penance...
Convert and believe in the last invitations we make to you, with Our Hearts full of affliction and bitterness!...
In this way, we can safely lead you to salvation and complete happiness in Heaven, where we can love you and you can love us; where we will rest in your hearts and you in ours; where we will rejoice in you forever, and you in 'We'...
Confidence! Russia, your sister, will revive!... And the Glory of Our Hearts will be seen and Blessed in every corner of the Earth!

Confidence! I will come, and at last Our United Hearts will triumph!"

(Note - Marcos) After this Message, Our Lord and Our Lady gave me Holy Communion, as before, in the following way: first, a Sacred Host came out of the Sacred Heart of Jesus. Then, a Holy Chalice appeared under the Host, which remained hovering in the air. Then Our Lady began to pray with me the prayers: "My GOD, I believe... My Blessed Jesus... Holy Trinity..." which are prayers taught by Her to me.

Afterwards, She prayed with me the "Lamb of GOD", began the "Lord, I am not worthy", and this prayer She led me to repeat it three times, and then, taking the Sacred Host in her Hand, she wet it in the Most Holy Blood contained in the Chalice, and said to me:

(Our Lady) "May the Body and Blood of My Son that I am going to give you, guard your soul for Eternal Life..." And approaching me, he said to me: "Corpus Christi!" (The Body of Christ), and then placed the Holy Host in my mouth.
What took place in me was so great, profound, immense, wonderful and Divine, that it is impossible for me to say it in words. Perhaps, in the future, I will be better able to say what happened to me in those moments.

After giving thanks, I looked again at Our Lady, who at that moment was already alone, because Our Lord disappeared at the time of Communion, becoming visible in my heart. Then Our Lady gave me the last Blessing and also disappeared. Since then, it has been like this every Friday, bar one exception.
Such a great grace, I will never be able to thank or repay God and Our Lady. The only thing I can do is live to love and obey GOD and the Excellency Queen of Heaven and Earth, by such Great Mercy, Grace...

Day 01/04/2001 - Message from Our Lady

"Pray the Rosary every day... You don't know how great your Power is. Pray more every day for the realization of My Plans..."

Day 03/04/2001 - Message from Our Lady

(Report - Marcos) That day, I asked Our Lady about the text of Her Assumption into Heaven, contained in the books of Mystic City of God, where it is reported that She died before ascending to Heaven. Due to the fact that She said in Medjugorje that she went to Heaven before death, I asked Her to enlighten me in this regard. Our Lady then said to me:
(Our Lady) "You must write that the revelation of My deathless Assumption was reserved for these 'Marial' times, which Are My times, and that GOD wanted the people of Maria de Ágreda's time to believe that I passed through death like My Son to imitate Him; but... this is the time to reveal all the Truth and to elevate everything to perfection; therefore, tell everyone that I did not die, and that I went to Heaven smoothly, without going through the death... Today I bless your city, which celebrates its foundation anniversary, and I pour My Grace on its ground... It was this ground that I chose to have My Shrine of the Apparitions; It was on this ground that My Son Jesus and I touched with Our Sacred Feet, it (obs.: the ground of the Mount and the Sanctuary) is Holy..."

Day 05/04/2001 - Message from the Angel of Peace

"Mark, today, I, the Angel of Peace, come from Heaven to tell you that the Three Hearts of Jesus, Mary and Saint Joseph are immensely happy that you brought the books of His Most Holy Life here...

Know that your gesture has a triple merit, because:
- these things not having been revealed to you, yet you believe them and make them known;
- as they are revelations buried by the Church and humanity, you will take them out of hiding and give them to the world;
- having neither riches nor material goods to buy these Books of the 'Mystical City of GOD' and being poor, you struggled, unfolded, fought and managed to bring them here, and from here they will go to the whole world .
So feel happy, for you will be blessed by the Most High Queen of Heaven and Earth all the days of your life, and you will forever be guided, protected and loved by Her... Satan and all hell are furious with these books and with you, but fear nothing because We will always be with you, always...
The vision you had yesterday (1) was a prophetic announcement of what the Sanctuary will be in the times to come...
Here, (2) will really be the Mystical City of the Mother of GOD, and the Celestial Garden of Angels and Saints...
Tell people who take these Mystical City of GOD Books with them, that by taking them they will be taking their own ticket to Paradise, for whoever reads and practices them will surely be saved..."

Obs.:(l) This is a vision I had on the night of April 5th to 6th, in the Sanctuary of the Apparitions. I was casually chatting with the other Little Slaves of Mary, this around almost midnight. Suddenly I saw appearing, from top to bottom, on top of the small hill where the Great Cenacle on the 7th of each month is held, a gigantic figure of an all white Church, with a beautiful blue Cross on top of the tower, which spread a light so beautiful and so wonderful that it seemed to be even mystical; then I hear and see great bells in that tower ringing beautifully. Then I saw how

two great equal colonnades to form around that great Church, and go down to the bottom. Then I looked in the direction of the Chapel that is being built in the Sanctuary and I saw it already finished, beautiful, with a blue-gray roof, the color of the dress of Our Lady, Queen and Messenger of Peace, and all white. It was a wonder what I saw. Then I looked in the direction of the Fountain and saw it covered with ex-votos and homages to Our Lady. Looking further up I saw other constructions that I couldn't quite understand what they meant.

I kept asking my friends if they were hearing the bells and seeing what I saw, but they said no. I kept pointing at them in the direction of the things I saw, but they couldn't see anything.
As I looked towards those great things, I suddenly heard a noise of singing voices, coming from the entrance to the Sanctuary and getting closer and closer. Looking more closely I saw a large group of people approaching me. I went to meet them. My friends followed me. Arriving at them, I noticed that their clothes were different from ours, especially a type of "cap" that some of

them wore on their heads, and I soon concluded that they were not from Brazil. I asked them where they were from and if they understood what I was saying. They answered yes, which I was very impressed with. Then one of them who seemed to me to be the leader of the group said to me: "We are from Russia and we came here to greet and thank the Great Mother of GOD who appeared here and saved our Nation."

I then exclaimed: "My GOD!... From Russia?... But how did you know so quickly that Our Lady appeared here, when not even people around here know?" He then replied: "But how do you not know? The whole world has already come here, and we are one of the last nations to arrive here... We are in the year.... (Here he told me the name of the year, which at the time it surprised me greatly, but after the vision, I forgot it completely, remembering only the last digit which was 9, not knowing how this could have happened, so I don't know anymore if the year was 2009, 2019, 2029, etc.)... The whole world has already come here!... " he continued.
I was stunned and gaping, unable to say a word. I then addressed words of welcome and welcomed them to the Sanctuary, and then their leader came to give me a fraternal hug. I also went to hug him, while the others were singing, when suddenly the man disappeared and so did the people who came with him. When I looked around, I was alone with my friends. I asked them if they had seen

those people, to which they replied no. I asked them if they had heard what they said, and they replied that they had only heard what I was saying and nothing else. Only then did I understand that I had had a vision, a vision of the future of the Sanctuary of the Apparitions of Jacareí, and that GOD was showing me like this, a little of what He will do here. When I looked around, that great Church was gone, and the Chapel was in its usual state. We talked for a long time about the fact, and both mine and my friends' hearts were filled with joy and happiness, a happiness so great that it's impossible to say and keep... And that same happiness that I feel now, when I write all that I saw and heard.
Although I don't know how or when, I know that GOD, Our Lord and Our Lady, have great things in store for me and for this Sanctuary... And I will pray and wait... I know that GOD is Omnipotent and Omniscient... I trust In Him... In Him and in Our Lady... and I say "yes", even without understanding or knowing anything... "yes"... always "yes"!

After all that, we said goodbye and headed home.
Note: (2) Here the Angel of Peace refers to the Shrine of the Apparitions of Jesus and Mary in Jacareí.

Day 06/04/2001 - Friday - Message from Our Lord Jesus Christ

(Our Lord) "Write My son Mark, next Friday, Good Friday of My Passion, you will feel My Pains in your body... You will offer these pains for the soul of... (I cannot reveal) and for sinners from the whole world, especially the most obstinate ones... In this way, I will pour out My Mercy and My Grace on all of

them and I will forgive them of many faults, giving them the Graces and Help they need to reach salvation..."

(Mark) "My Lord and My GOD, You know that I, for Your sake, want to suffer all the pains that I can and that You want to give me, but I ask Your Mercy and Your Grace to bear the Pains of Your Passion , because they are immensely harsh and harrowing, and I fear I cannot bear them..."

(Our Lord) "My Host! Do not be afraid! I will be by your side to help you, and My Mother will also be with you in that most difficult hour... Be strong and courageous, and offer yourself together with Me for the salvation of souls... If you are generous and obedient enough,

many souls will be saved from the infernal empire at that time, and My Divine Light will descend upon many to flood them with Grace and Clarity...
My and My Mother's Host! Be strong, for many souls depend on your sufferings to be saved! Love them with My Ardent Love, and let yourself be crucified for Me and My Mother on the Cross of Love and Co-Redemption..."

(Marcos) "Lord Jesus, My true God, I entrust myself into Your Most Holy Hands, so that You can do with me what You want... I want nothing else but what You want for me... Your Will over me is Love and Mercy..."

(Our Lord) "The world does not reflect on My Most Bitter Passion, and that is why it walks more and more towards perdition and condemnation... My Cross is mocked by the world, as My Most Holy Mother said in Rue du Bac to My little daughter Catherine Laboure... Even within the Church, suffering is banished like the worst of pests; it is preached at all times that man must be happy at all costs and that, therefore, he must throw the Cross out, so that you can then free yourself...
How many people were lost in the pleasures and sins of the world because they believed these sweet and seductive words, rejecting the pains, annoyances and difficulties that I allowed and sent them, and which were the Only Means by which I could save them!
How many who turned their heels against Me, accusing Me of being unjust, tyrannical and evil, for having allowed them to suffer in life! How many who preach that to be free and to be happy is not to suffer or to suffer in silence, but that to be happy is to free oneself from everything that offends or annoys the human being!

How many have reduced My Passion to a simple drama or even to a historical and political fact, depriving It of all its Redeeming and Supernatural Value, thus distancing souls from My Sacred and Sorrowful Heart and killing in them every kind of gratitude, love and acknowledgment by Me and by My Most Holy Mother, who was crucified Mystically and Supernaturally with Me, until reaching the extreme of Her physical and spiritual Resistance.
How many who trample on My Cross, My Spilled Blood and the Blood Tears of My Sorrowful Mother, accusing the good and virtuous souls who do so of being corny, sentimental and superficial, who have nothing of theology and biblical knowledge, taxing them the same as poor people ignorant of farming, who

don't know how to do anything other than pray the Rosary, and that's why everything they do or show in front of 'Us' is worthless.

Oh! If these fools and hypocritical imbeciles only knew that their vain wisdom is dung before Me, and that a tear shed in true Love for Me and My Mother is worth more than knowing by heart all the theology books in the World!
Oh! If they only knew that the letters of their books are dead, and that the life of a Cure D'Ars, of Saint Bernadette and Saint Rita, who knew nothing about theology, but did everything I wanted and ordered... Therefore, son, shout to the whole world that I only desire one thing from souls: Love!

Come to Me all, but not to probe and scrutinize Me, but to love Me with all your heart and all your soul, for I resist those who try to probe Me and I give My Grace and knowledge only to those who simply love Me. ! So I proceeded in Paray, Lourdes, Fátima, Jacareí and in other places chosen by My Providence!

Cunning With Me... no!!!

Love, yes!... Love! Love!...
Son, hell is in true convulsions of fury because of the Books of Mine and My Mother's Life! Satan howls, grunts, shakes the dens of his lair, with hatred for these books and for you, for not having managed to kill you... But fear not: My Mother and I are here to defend and guard you...
Spread them all over Brazil and the World, My Son! Be swift as a tiger, and agile as an eagle! As Knight of the Immaculate Conception you must defend it at all costs and defeat the Protestant heresies and those contrary to the True Faith, which have taken over Brazil and the World, and annihilate their errors in souls... With Our Messages and these Books, you will advance and obtain patent victories!
Rest in My Peace, and restore My Passion and My Mother's Sorrows in the Church and in the World, in every way you can...

'My Host' rests in My Heart and unite yourself to Me, always and always!..."

Day 07/04/2001 - Apparition and Message of Our Lady and Our Lord Jesus Christ

(Marcos) "Beloved Lady of Heaven, what does Your Majesty want from me?"

(Our Lady) "I wish you to continue praying the Holy Rosary, making sacrifices and fulfilling all that I have already asked of you."

(Marcos) "I would like to ask the Lady to bless all who are here today, especially sinners, those who have the coldest, hardest, most unbelieving, most indifferent heart; the distressed people; the sick; all those who need Your Mercy and who are weaker."

(Our Lady) "Yes! I will bless everyone present today... Tell them to keep praying the Holy Rosary every day and I will give them many Graces."

(Marcos) "What do you want from us today?"

(Our Lady) "My children, I am the Queen and Messenger of Peace and the Lady of Sorrows... I come from Heaven once again to invite you to prayer, sacrifice and penance...
I would like to give you many new messages, but I have not been able to do that, because you have not lived the Messages that I have already given you... My children, live My Messages! Share My Messages to the whole world! Spread the Book of My Apparitions here together with My Son, to the whole world. Don't keep Our Messages to yourself, but spread them to the whole world, to everyone you meet...
You have known the Books of My Life, called 'Mystical City of GOD'... It was I myself who revealed all this to My little daughter Soror Maria de Agreda... Due to the hardness of the hearts of men and peoples, these Great and Inestimable Graces 'riches' were hidden and buried in indifference and oblivion, for three hundred years, until then 'the child', 'the boy' was born who would make all this known to the world... Yes, this child, this boy , awaited by Me for three hundred years, was born on February 12, 1977... It is this My little son who is here, and through whom I speak to you and give you My Messages...
Here in Jacareí, the disclosure of all My requests will be fulfilled; of all My messages and of all My Apparitions... Here will be fulfilled the Crowning of all My Apparitions and Manifestations on the face of the earth...

Here the Triumph of My Immaculate Heart will be fulfilled, where I will establish My Kingdom of Love, Peace and Mercy in the hearts of men, and from here My Mystical Light will spread throughout this country and the entire earth...
I will make this place the Garden of the Holy Trinity, and I will build here My Great Fortress, Unshakable, which will remain forever, and here, I and My Son, will dwell forever...
Here, everyone will find a remedy; everyone will find relief and comfort in their pain... Here, every tear will be wiped away... Here, all hearts will receive Light, Grace and Peace... Fruits of the Redemption of My Son and of My Co-Redemption, and then , I will make all souls full of God...

My children, if My Triumph has not happened, it is only your fault... If My Promises, made earlier, to establish Peace in the whole earth have not yet come to pass, it is only your fault... Because you have not prayed. .. Because you didn't fast... Because you didn't obey everything that GOD asked of you through Me, in My Messages, My Triumph was postponed and delayed for later... With this, great sufferings befall you, in the your day-to-day; many more souls may be lost...others may get tired, if you who still have a little love for Me, do not make more prayers, more sacrifices, and more penance...
This is what I want, My children: that this Holy Week, that this Lent, that this month become for you a time of conversion... Convert yourselves! Convert!... If you convert and answer My requests, GOD will come... He will establish Peace on Earth and establish the Triumph of the Most Sacred Heart of Jesus and My Immaculate Heart...
Convert! Convert! It is what GOD expects of you through Me, and it is what I also expect of you...

I bless you all right now..."

Message from Our Lord Jesus Christ

(Mark) "My Jesus, what do you want from me?"
